Scope and content

The Winter Carnival festivities first appear in 1927, hosted by the Girls Athletic Association. Winter Carnival was an on and off again tradition until about 1945 when it became an annual tradition. As the tradition grew the Student Senate took over the planning of the week-long festivities. Events would be hosted or sponsored by student organizations.

Outdoor activities included broomball, skiing, snow or ice sculptures, and ice skating. Indoor events included attending athletic games, dance and indoor carnival games, and other competitions. A royal court would be nominated and a King and Queen of the winter carnival crowned. Records include the schedule of activities and events, along with the rules and regulations.

The bulk of this collection is covered between 1970 -1999 and consists of photographs, that include candidates and winners of Winter Carnival King and Queen, winter activities such as skiing, sledding, ice and snow sculptures, contests, and other activities.
