RIVER FALLS STATE TEACHERS COLLEGE
MONDAY, MAY 10, 1948 RIVER FALLS, WISCONSIN VOL. XXXV NUMBER XV

HONORS WILL BE AWARDED MAY 21

Academic and non-academic awards will be presented to students of RFSTC at a ceremony scheduled for Friday, May 21 at 10 a. m.

The annual program honors those students who have gained outstanding achievements in various college activities.

The exercises will also be highlighted by the appearance of the forthcoming graduates of '48 as well as an address by President Klempell and the playing of the college band under the direction of Mr. Rozehnal.

Gold "R's" for high scholastic ratings will be presented to eight graduating seniors.

Other academic awards to be given include the Class of 1924 scholarship, the Faculty Woman's club scholarship, the Sigma Chi Sigma scholarship, the Alumni-Faculty award, the P.E.O. Award, the J. H. Ames History award, and the Augusta Thomas Memorial award.

Non-academic awards to be bestowed include Pi Kappa Delta, Alpha Psi Omega, Time Magazine, Athletics, Student Voice, Meletean, American Legion and Music.

Finders-Keepers

People who feel they've lost something, material, have one week to check at Mr. Prucha's office and see if it's there. The following articles will be awarded to the finders if not claimed within one week: jacket, umbrella, fountain pen, pencil, bracelet, mittens and eyeglasses.

Pi Kappa Delta Initiates 12 Members

At an impressive ceremony in the social room Tuesday evening 12 persons were initiated into the Wisconsin Delta chapter of Pi Kappa Delta, national honorary speech fraternity. The ceremony was conducted by Louis Daniel, Charles Schillberg, and Melvin Steinbron.

Those initiated were Dave Benson, Dick Yde, Nancy Murry, Jerry Finn, Dean Fenner, Fred Olson, Newton Nelson, Bill Miller, Marlyn Eslinger, John Rockman, Miss Mohrdieck, and Dr. Klempell. Miss Mohrdieck was initiated as an instructor, and Dr. Klempell was made an honorary member. The new members will receive fraternity keys at Honors Day.

The initiation ceremony was followed by the election of officers: Melvin Steinbron, president; Norris Crist, vice president; John Rockman, secretary-treasurer; and Marlyn Eslinger, reporter. The chapter also adopted a constitution. Games of bingo and bridge followed the business meeting.

Preceding the initiation, Miss Hawkins was host to the group at a supper. She was assisted in serving by Miss Mohrdieck, Miss Walter, and Mrs. Hanley.

College Mothers Honored Friday

One of the largest Mothers' Day attendances was recorded Friday, May 7, at the annual RFSTC Mothers' Day. Approximately 85 mothers attended, many of whom were alumni.

In the morning a tour of the campus was conducted and at one o'clock the students and mothers were guests at a luncheon in the cafeteria. This was followed by a short program in the auditorium at which Dr. Klempell addressed the mothers. The acting and directing class presented a one-act play, Wesley Score rendered a vocal solo and the choir presented several numbers.

Following the program, a social hour was held in the Social Room for the faculty members, students and their guests.

This event was the first project of the newly-organized College Women's Association under the supervision of Dean Irma Hathorn. Larsine Palan and Ruth Nelson acted as general chairmen.

STUDENT SENATE TO ELECT OFFICERS

Elections for the 1948-49 Student Senate will be held this week, Senate president Glenn Wallace has announced. Nomination and election will take place during a single assembly hour.

Seven at-large positions must be filled from the student body. The other four chairs will be occupied by the newly-elected class presidents.

Because of graduation and transfers, eight or nine of the incumbents will not be back next fall. The remaining members will be eligible for nomination and re-election.

One of the new Senate's first duties will be the selection of editors for the Meletean, the Student Directory, and the Student Voice.

ATTENTION GRADS

All students who will graduate this spring or following the summer session must report immediately to the Registrar's office and fill out a graduation card if they have not already done so.

Incompletes - Costly

All conditions and incompletes should be removed by the end of the 10th week, May 14. Courses not completed by this date will automatically become failures.

Can You Use Five Bucks?

President Klempell is offering five dollars to the student who submits the best slogan for the River Falls Foundation.

The slogan is to be used as the battle-cry in the campaign to solicit funds for the new gymnasium. It should be suitable to be printed on letters, in newspapers, and on other literature used in the drive. The slogan may be "catchy" and clever, but it should be meaningful and arouse the reader or hearer to contribute to the building fund.

A box will be placed near the main stairs of South hall from Monday through Thursday of this week. Sign your name to the slogan you have thought up and drop it in the box. You may win the five dollars. Who knows?

Judging will be done by the faculty committee of the RFSTC Foundation, and the winner will be announced next week.

Prom King Jack Henneman Chooses Red Wing Girl As Queen

Final preparations are being made for the 1948 Junior Prom to be held in North hall gym Saturday, May 15 from 9 p.m. to 1 a.m.

Jack Henneman, president of the junior class, and his guest, Miss Vallie Bergo of Red Wing, Minnesota will lead the grand march.

Building Fund Drive Progresses

Donations totaling \$4,500 have been received from 73 solicited alumni in the first week and a half of the RFSTC building drive.

The donations represent the first returns from the 9,700 requests submitted to former alumni.

A gift of \$1,000 by Mr. B. Zaffke of the James Manufacturing Co. of Ft. Atkinson, Wis., represented the largest single donation.

Goal of the drive is \$250,000 which will be used in financing an athletic and recreation center at the college.

Keep Off The Grass!

The campus grass will not be long for this world if the students don't refrain from trampling it. Let's let it get a start these nice spring days.

CLOTHING DRIVE IS SUCCESSFUL

They're on their way to Europe! Yes, 1,940 pounds of old clothes collected here in the all-school drive on April 17, are now on their way to the American Friends' Service Committee in Philadelphia for reprocessing before overseas shipment. On Tuesday afternoon, Paul Radke, Carl Jacobson, LeRoy DuBois, Gordon Schock, James Barbee, John Rockman, Dr. Jurgens and Neil Barron strapped the 46 boxes of old clothes at the Creamery and delivered them to the railroad station. Friends will receive the clothes some time this week and will have them in Europe for distribution by mid-July.

For those who like statistics, the boxes contained 4,703 items—everything a man, woman or child would need for a complete outfit. The total breaks down into the following: 285 items of underwear; 268 afternoon dresses; 214 pairs of shoes; 189½ pairs of stockings; 185 adult coats and jackets; 172 items of baby clothing; 147 neckties; 122 suits, men and women; 113 sweaters; 74 odd skirts; 68 blouses; 67 men's shirts and 63 odd trousers. Most of the clothing was in good condition, having gone out of style in the last five years.

MISS WHARTON JUDGES CONTEST

Miss Wharton drove to La Crosse last Friday where she judged the piano contestants in a district Music Festival all day Saturday.

The theme, "Golden Earrings", has been chosen for the decorations. The setting will be in a forest with woodland sketches. Members of the orchestra and the attendants at the punch bowl will be dressed in gypsy attire.

Les Williams' 11-piece orchestra from Minneapolis has been engaged to furnish the music for dancing.

In addition to the king and queen, the receiving line will include President and Mrs. E. H. Klempell, Dr. and Mrs. Chalmer Davee, Mr. and Mrs. B. J. Rozehnal, Miss Irma Hathorn, Mr. Melvin Wall, Mr. John Mosher, Miss Marguerite Baird (senior class president) and Edward McCollow, Arnold Feiler (vice-president of the junior class) and Miss Donna Olson.

The programs, which were designed by Marilyn Krueger, Jane Olson, and Peggy Rock, will be distributed at the end of the receiving line.

Committee chairmen appointed are Don Carlstrom and Don Iverson, co-chairmen; Pat Cox, decorations; Francis Fogerty, orchestra; Ronald Sobottka, tickets; Elaine Peterson, publicity; Marjorie Moors, refreshments; Ruth Nelson and Donna Olson, checking, Mark Stone, clean up.

Approximately 150 tickets have been issued to members of the student body. There will be ticket checkers at all doors and positively no admittances will be made unless tickets are presented.

REGENTS CHOOSE NEW SECRETARY OF BOARD

The state board of normal school regents elected E. R. McFee of Eau Claire as board secretary to succeed the late E. G. Doudna.

A colonel during World War II, McFee is now director of the training department at Eau Claire State Teachers college.

Falcons Gain First Win In Track Meet

River Falls won their first track meet in the history of the school when they defeated Winona and Eau Claire in a triangular meet held at Winona last Friday. The Falcons scored 76½ points, Winona 69 points, and Eau Claire 25½ points.

The greatly improved Falcon team was led by La Borde with 18 points. Schock, Henry, and Van Tatenhove, also scored more than 10 points each.

These Falcons placed first in the following events: 120 yard high hurdles, 220 yard low hurdles, and high jump, La Borde; 220 yard dash, Henry; mile and two mile run, Van Tatenhove; broad jump, Schock; discus, Levenick; half-mile relay, Kleever, Rebollar, Henry, and Schock.

This meet closed the regular schedule for River Falls. On May 15 the Falcons will compete with other state teachers colleges in the state meet which will be held at Milwaukee.

Seven of RF's coeds spent Thursday afternoon at the Benson cottage on Cedar Lake. Annalee Benson and Pat Greenfield drove the other girls, Shirley Swanson, Mary Jo Murry, Dorie Moss and Marg Aasterud, there, where they each contributed their bit to a whopping-big picnic lunch, with Mrs. Benson on hand to help.

Gretchen Luebke and Bob Krueger became engaged on April 24, just late enough to cheat the last edition of the VOICE so here is my somewhat tardy announcement. As for their immediate plans, Gretch says, "We don't know yet". Bob will return for a couple more years at RF and Gretch will probably be back next year.

Prom-going has already started, with some of the college students attending various "home-town" high school dances. Some of the themes have been "Deep Purple", "Come to the Mardi Gras" and "Roses in the Rain".

A week ago Friday night two of our college two-somes attended the West Bend Prom 'way off in southern Wisconsin. Betty Kane and Bernice Saueressig were the guests of Karl Kocher and Davy Sauer at their high school Prom which carried out "An Old Fashioned Song" motif. The next day the girls climaxed their week-end by attending the wedding of a relative, who lives in that vicinity.

The STOUTONIA did a beautiful job of summing up women in these two little extracts from that paper, but being the champion of modern woman (and also, a member of the clan), I beg to differ, but I sure did think they were cute!

—You know how it is—women's styles have changed, but their designs remain the same.

Stork Calls On Robin

Miss Bailey has just announced a blessed event!

A mother robin has just hatched two baby robins in a nest above the outside door to the girls' gym.

Miss Bailey has prohibited anyone from using the door, as she fears, since some vandal already stole two of the eggs, that if the mother robin were deprived of her two remaining children she would surely suffer some sort of mental disorder, and become a burden upon robin society!

around it, they most often give you the gate!

Blue jeans were the garb worn by Mary Ann Danielson, Jo Aaby, Betty Kane, Marge Butler, Joyce Garfield, Joy Sweeney, and Jane Lofgren at Rosemary Lofgren's home Tuesday night, where the bevy of "denim-donners" whipped up a cake—and ate it! I haven't heard if it turned out to be a case of "too many cooks ..." or not!

Audrey Janz and Gene Bjerstedt were married Friday, April 23 in St. Paul... they, for whom the wedding bells toll!

A happy prom to you, and I hope the GOLDEN EARRINGS in a gala evening for "youse" and your... (your escort, of course!)

The Hitch-hiker

By Jack Wyman

A car swerved around the bend in the road and the hitchhiker raised his suggestive thumb. The car slowed, then stopped. The farmer opened the door.

"Want a ride?" he asked.

The hitchhiker peered at the farmer. He was wearing a straw hat, farmer style, and chewed a spear of alfalfa. The back of the car was filled with chickens, pigs, corn, and a plow.

"How far are you going?" asked the hitchhiker.

"I hope to get to Washington by fall", said the farmer. "Don't know if I'll make it, though."

"I'm headed for Moscow," said the hitchhiker. "Your offer is only a short ride but I'll take it." He climbed in beside the farmer, lay his hammer and sickle on the floor, closed the door, and the car started on.

"Nice car," mused the hitchhiker. "New make, isn't it?"

"Yes," answered the farmer hopefully. "Called a Wallace. New company makes it. Striking out for themselves. Used to be consolidated with the Truman Motor Co., but they had a split over foreign investments."

"I think," added the hitchhiker meditatively, "that this Wallace vehicle might get me started on my way."

"What's your name?" asked the farmer.

"Fellow Traveler," answered the hitchhiker. "You'll like me by and bye."

"Going to Moscow, eh?" said the farmer. "Is that your home?"

"Only my spiritual home," answered Fellow Traveler. "Land of milk and honey for the politburo. Everyone's equal; nobody has anything. Everyone works for the same thing, destruction of fascism."

"I understand," said the farmer, "that Uncle Joe's land has advanced tremendously." He swerved his car to miss a Democratic rock in the road.

"Clean to Czechoslovakia," answered Fellow Traveler. "He saved them from liberty."

"I mean economically," said the farmer.

"Indeed," said Fellow Traveler. "He

It's Sad - - - BUT TRUE

WOMEN ARE HERE TO STAY!

No longer confined to the stove and sewing machine of the domestic science lab, college women have successfully proved their ability in the chemistry laboratory, at law books, at the engineer's drawing board.

Before the fairer sex was even allowed entrance into universities, she unconsciously held in her hands all the powers she is now finding access to. Kitchens are compact chemical workshops, dinner for the boss requires an ambassador's careful diplomacy.

their young lives require careful trial and sentencing; the worn, lamented budget-book has been stretched to cover as many things as any financier's ledger.

I cite these examples only as proof that women have not suddenly been giv-

en something they never possessed. Men like to feel they have been magnanimous regarding women's rights, while in reality women are simply expanding to fit a large and wider range of problems with which she has been dealing for centuries.

There is no doubt in educator's minds regarding women's intelligence and ability to cope with long study hours. Women in law, medicine, engineering, teaching, business, journalism are significant proofs of this statement.

You are probably ready to cry out, "But, woman's place is in the home." Yes, women's natural habitation was the home, just as men's was the good solid earth. Men have conquered the air and sea, neither of which is a natural realm for them. By these acts alone, men have sanctioned the broadening of women's natural boundaries.

The time is past to wish women back into large kitchens and ample aprons. That girl who works next to you in chem lab is far luckier than her great-grandmother who did not have to study several hours a day. The college wife will know how to stretch money farther, feed her family better, and save her children from diseases which 50 years ago took so many of them.

Women on the campus are here to stay, and I for one believe they will share the lead in mental progress.

WSSF ACKNOWLEDGES RFSTC CONTRIBUTION

The college's contribution of \$160 to the World Student Service Fund was acknowledged by the regional secretary at Chicago in a letter to the River Falls YMCA.

"May we assure each of you that the money will be used for worthy purposes, and we hope we can keep you informed of its use", he wrote.

This year the WSSF chose "The Road to Recovery" for its theme, based on the statement in the UNESCO charter, "Wars begin in the minds of men and it is in the minds of men that the defenses of peace must be constructed."

IT'S UP TO US! Support RFSTC Fieldhouse Drive

THE DRIVE TO RAISE \$250,000 TOWARD construction of a fieldhouse has been officially launched.

ALTHOUGH ALUMNI AND OTHER friends of the college will do a large share of the work on this project, we students can and should be an important factor. We constitute a powerful publicity potential. By exerting only a little effort, we can help out greatly.

PROBABLY EVERY STUDENT knows of someone in his community who has graduated from, or attended, River Falls. Personal contact with these people by us is of great importance. They will be reached at intervals by mail, but the face-to-face approach is much more valuable. It gets results where nothing else will.

EACH OF US RECEIVED A COPY of a letter from the officers of the student organizations last week. It stated the need for student help and set forth a list of points to keep in mind in selling the idea. These points can be used to good advantage, but our personal enthusiasm should supplement them.

PUBLICITY AND MORE PUBLICITY should be the watchword for us. Every opportunity to publicize the fact that River Falls is campaigning for funds for a new fieldhouse should be seized. Even a discussion of the drive in a casual conversation can be important.

THE SUCCESS OF THIS UNDERTAKING may well rest upon our individual efforts.

WAA — TAKES SPOTLIGHT

The girls let it be known that the boys do not have complete monopoly on sports at RFSTC.

Every Monday and Wednesday afternoon the girls of the WAA play a vigorous game of kitten-ball. Two teams have been formed with Barfknecht and Harrison as acting captains.

Throughout the year the girls have participated in field hockey, volley-ball and basketball.

In the recently completed badminton tournament Jean Schaefer was the singles winner, and Midge Nelson and Doreen Barfknecht were the doubles winners.

The WAA Banquet will be held at the Gladstone Hotel Monday evening, May 17, at 6:30. After a chicken supper, President Doreen Barfknecht will present awards.

JOINT CONFERENCE STAGED BY "Y"

The weekend of May 7 was well filled with activity for members and advisers of different YM and YW who attended the area conferences held at camp Tipi Wakan.

Nine members of the YM accompanied by Mr. Ladd, represented River Falls at the camp located on Lake Minnetonka just outside of Minneapolis.

River Falls YW organization was represented by four members. The conferences afforded a chance for members, leaders, and advisers of different YM and YW clubs to discuss problems and plan next year's events.

MASQUERS HOLD BANQUET

The Masquers' annual banquet was held last Thursday evening for members and guests at the Hotel Gladstone. Nine eligible members for the local Iota Beta cast of the national Alpha Psi Omega fraternity were pledged. Among them was Miss Rose Marie Mohrdieck.

In appreciation for all that Mr. Ames has done for the club in the past years, a gift was presented him.

Newly elected officers of Masquers are Mary Forthun, president; Laraine Palan, vice president; Elizabeth Williamson, secretary; and Gloria Cree, treasurer.

NEWMAN CLUB

The Newman club will hold its final meeting of the year on Thursday, May 18, at 6:30 p. m. at a picnic in the city park.

Entertainment will be provided, and officers will be elected for next year.

NOTICE

There will be an important Newman Club meeting this afternoon at 4 o'clock in the Social Room.

TEACHERS ENTERTAIN YW

Miss Mohrdieck and Miss Bozevich furnished oral and piano entertainment at the YW meeting Wednesday.

Gloria Cree opened the meeting with a worship service. Later the refreshment committee served coffee and cookies.

ACE

Marjorie Moors will present her report on the St. Louis convention at an ACE meeting this evening. Officers for the coming year will also be elected.

SENIOR GIRLS TO PRESENT RECITALS

Miss Delores Payson will appear in a senior piano recital in the college auditorium at 8 p. m., May 20. She will be assisted by Muriel Pearson, Mary Ellen Pederson, Charles Schillberg and Melvin Steinbron, vocalists, and Gloria Bleskacek and Evelyn Gerrets, pianists.

Her part of the program will consist of a Chopin Ballade, a group of short pieces by Schumann and three modern numbers. Miss Wharton states that the program will be entertaining, and urges the public to attend.

Delores has been very active in musical circles during her four years on the campus. She is a member of the choir and has played for many organizations, both at school and among the townspeople.

Mr. Rozehnal will present Miss Lola Estenson in a violin recital, Sunday, May 23, at 3:30.

Mendelsohn's "Violin Concerto" and Bach's "Fourth Sonata for Unaccompanied Violin" will compose the main part of the program. Several shorter numbers will also be played.

News Writers Visit Press

The journalism and agricultural news writing classes will visit the St. Paul Pioneer Press-Dispatch Publishing Co., Thursday afternoon, May 13.

The purpose of the trip is to acquaint the news writing students with the problems of newspaper publication.

AG SENIORS PRACTICE TEACHING

Eight seniors in the agriculture department are practice teaching in neighboring high schools. They are: Marvin Sather, Baldwin; Raman Briggs, Galesville; Doyle Beyle, St. Croix Falls; George Frenchick, Menomonie; Gordon Gardner, Osceola; Glen Nelson, Spring Valley; Louis Daniel, Ellsworth; and Allen Linster, Neillsville.

BLOOM'S CLASSES SEE ENTERPRISES

Members of Miss Bloom's economic classes took a field trip to the Grain Exchange and Minneapolis Moline Power Implement Co. at Minneapolis, Thursday, May 6.

D. T. McLaughlin, assistant secretary of the exchange, guided them through the Grain Exchange. Hughes Butler, plant production manager, conducted them through the Minneapolis Moline Co.

MUSIC DEPARTMENT GETS RECORDER

A new Brush magnetic tape recorder has been acquired by the Music department.

The machine, which use one-fourth inch tape, can record continuously for one-half hour.

"Its chief value," explained Dean Rozehnal, "will be recording music rehearsals which can be played back for discussion and correction of mistakes."

River Falls Teams Lose at LaCrosse

River Falls athletes suffered a disastrous day of spring sports activity a week ago Saturday when all three teams, baseball, tennis, and golf went down in defeat at LaCrosse.

The baseball team opened its conference campaign by losing a close 8-7 decision amidst few hits and many errors. Al Franko and Bill Bothun divided the pitching chores with Baldy Miles going the route behind the plate.

The tennis team, by "Bullet" Bob Balfranz, suffered a humiliating 7-0 defeat. This year's team is rather inexperienced, but with a little more work and more warm weather they should improve rapidly.

The golf team took part in a triangular match with LaCrosse and Winona fared no better than their mates as they emerged from the match with a second place tie.

FALCON NINE DEFEATS STOUT

The River Falls nine won their first conference game of the season when they defeated Stout 10-2 last Friday.

Featuring an infield which played near-errorless ball, the fine pitching of Bill Bothun, and added batting power, the Falcons had little trouble disposing of the Blue Devils.

Track Team Places 3rd

The Falcon track team finished third in a triangular meet held at St. Thomas last week. St. Thomas won the meet by scoring 108½ points, Gustavus 27 points, and River Falls 23½ points.

Pete LaBorde placed first in the high jump with a leap of 5' 11". This was the second successive meet in which he placed first in this event. He also placed second in the 120 yard high hurdles and the 220 yard low hurdles.

Other Falcon point-winners were:

Bestul, second, broad jump; Henry, fourth, 440 yard dash and 220 yard dash; Van Tatenhove, third, half-mile, and fourth, mile; Seifert, tie for third, high jump; Schock, fourth, 100 yard dash; and Levenick, third, discus throw.

AUGSBURG TRIPS RIVER FALLS, 4 to 1

In one of the better played games of the season, Augsburg defeated the Falcon nine 4-1 on April 27.

Lindgren of Augsburg, and Guith of River Falls led the batting attacks of their teams with two hits each.

Augsburg scored one run in each of four innings while the Falcons scored their run in the third inning.

Brennen was the winning pitcher and Bill Bothun was

Sport Highlights and Predictions

by Bob Gavic

The Intra-Mural softball league reached a great climax the other night when the "Blue Caps" met the "Stork Club". Both teams were undefeated with the "Stork Club" going into the tussle with a 44 game winning streak. As I predicted a couple of weeks ago the "Blue Caps", behind the effective pitching of Calvin Timm, were going to be too tough for any team to cope with, and their game with the "Stork Club" proved this. Timm's hurling and the heavy bats of his teammates downed the Stork Club 17-3, and 2 of the 3 runs of the Stork Club were unearned. This leaves only "Collins Powerhouse" and the "Blue Caps" as undefeated in the league, with these two teams meeting tonight at 4 o'clock. Although they did go down in defeat rather badly, the "Stork Club" still has the best fielding and all around team.

undecided whether to accept.

*Very doubtful if this baseball can be called amateur any more, with over 50 per cent of players receiving unbelievable amounts for playing.

Baseball has now opened in all the city leagues around the territory. Probably the greatest year in amateur baseball will be this summer with many of the surrounding towns going all out. Without a doubt Spring Valley and the "New Richmond Milers" can be considered the best as of early season. New Richmond has Lefty Johnson back pitching for them at a rumored \$1700 for the summer, and Spring Valley has Al Alvord, formerly with the Northern League. New Richmond won their opener from an Eau Claire team 8-7, and Spring Valley started right in with league play by defeating Arkansas 21-3. Both Gene Cardinal and Dale Kannel of the college team play with Spring Valley. Other teams that should be quite tough are Woodville, Plum City, Prescott and Hudson.

At the time of this writing, the Middle Border conference track meet will have been held but just the same I'd like to mention the name of Junior Budd from Spring Valley, who last year was the state mile champion and holds the high school record here at River Falls. I talked to the track coach at Spring Valley not so long ago and he said that Budd would break his own record here at River Falls this year. By this time we should know if he did it or not.

St. Croix Falls is considering some former Falcon graduates as coach of their high school next year. They are Gene Wirz, John Storzer and Colburn Brooke. I've been told that Brooke has been offered the position, but is still

WHY... I smoke Chesterfield (FROM A SERIES OF STATEMENTS BY PROMINENT TOBACCO FARMERS) I have done business with Liggett & Myers for over 40 years. They buy the best crops in the house at the auctions. I am exclusively a Chesterfield smoker. I think they are the best cigarette made. Allin McDowell TOBACCO FARMER, NICHOLASVILLE, KY.
