HIGH SCHOOL MUSICIANS MAKE A GREAT SHOWING

BIG EDUCATION DAY AT THE FALLS MAY 7

Many Helpful Hints For Teachers In All Lines of Work To Be Shown

Teachers from a large area are planning to come to River Falls, May 7, and enjoy themselves in the wealth of educational lore to be presented. The student body are beginning to realize the benefits that are to be derived from such a conference, and are helping out wherever and whenever they can.

Extensive preparations are being made to insure the success of the Educational Conference. Many interesting and educational exhibits and lectures have been provided for; and everything possible is being done to make this a big event.

The Training School is preparing several demonstrations and exhibits of interest to elementary teachers, rural teachers, and high school teachers.

The program for the Primary, Intermediate, and Rural Departments, includes demonstration lessons in Reading, Seat Work, Health, Geography, and exhibits of the various pupils work in various

(Continued on page two)

ONLY THREE MORE ISSUES OF "STUDENT VOICE"

Although there are five more weeks of school remaining, there will be only three more issues of The Student Voice, according to present plans. The issue scheduled for next week, May 5, and the one that should be issued on June 2 will be omitted. Those who have news to run should remember this and make plans accordingly.

The report given below will show that the omissions are largely the results of finances. Believing that the four column paper was better liked by the students and more practical for a school of this size, the staff decided to give the student body that kind of a paper, regardless of the increased cost. They did not, however, raise the subscription price. Hence the paper has been indebted more this year than ever before to its advertisers, for if it had not been for them, the student body

(Continued on page two)

STUDENT REPORT CARDS

All those students who have not filled out a report card for the Third Term, please come to the office and fill out such card Signed, Registrar.

HAROLD LLOYD HERE IN "I DO" NEXT MONDAY

Harold Lloyd is coming in his new comedy, "I Do," in which he pokes fun at Newlyweds. Children cause most of the funny situations. "Think twice before you say I Do to a Minister," is Harold Lloyd's advice. George Washington may have been the Father of His Country, but he didn't have to rock it to sleep. This is Harold Lloyd's first role as "Daddy."

Along with this side splitting comedy of Harold Lloyd's, a thrilling drama will be screened, entitled, "Three Miles Out," with Madge Kennedy as star. Those who have seen this actress know what is in store.

Normal Auditorium, Monday, May 3, at 8 p. m. Admission 15 and 25 cents.

Normal Nine All Set To Take On Eau Claire Fri.

Last Saturday the nine was scheduled to play Macalaster there but old man weather thought otherwise. The team is rapidly getting into shape for the game with Eau Claire.

Eau Claire has a mighty good team and a dangerous battery. "Lefty" Hohen is their star pitcher and he sure is a dangerous man to face. But the team intend to keep up the old standard and win—for Eau Claire has yet to win her first game from the Falls.

A record has been kept of the batting average of the squad. Read the record and back the team so that it will be increased at the Eau Claire game Friday.

King	.666
T. Nelson	.600

Others of the squad	.000.

"THE THREE MUSKETEERS" HELP BASEBALL

A medium sized crowd showed their willingness to back spring athletics by the financial route at the twelve reel historical movie, "The Three Musketeers," Monday night. However, those that attended claim that they got value received, as the movie was one of the best shown here. Douglas Fairbanks played his characteristic role and won for himself a place in the King's Guard, the Queen's heart, and the hand of a fair lady.

PAUL BIRD SUCCEEDS AS FORENSICS COACH

Bruce High School, whose principal is Paul Bird, a graduate of this school, won the loving cup and four firsts at a League Contest at Cameron April 16. They won first honors in Oratory, Declamatory, Extemporaneous Speaking, and Extemporaneous Reading.

Such a record for a small high school speaks for itself in regard to the ability of River Falls grads in forensics.

Norseng Leaves Today For Interstate Contest

Marshall Norseng and Mr. Hanna leave tonight for Macomb, Illinois, where Marshall will take part in the Interstate Extemporaneous Speaking Contest, which is to be held Friday afternoon, April 30. The winning extempore speakers from the five states—Illinois, Iowa, Missouri, Kansas, and Wisconsin will compete.

Friday evening the winning orators from the same five states will compete for first honors in oratory. Elvin Churchill, from Superior, who won the State Oratorical Contest this year, will represent Wisconsin in this event.

Mr. Hanna will attend the contest as official delegate from Wisconsin to the business session of the Interstate Contest. The constitution provides that the treasurer of each State Contest shall be the official state delegate to the interstate meet. Thus Mr. Hanna would have attended the meeting whether Marshall had won or not.

The judging system used is the same one which was discarded by the Normal schools of Wisconsin last year, namely that of having one judge from each state. With this system each judge fails to rate the speaker from his own state.

Mr. Hanna and Marshall leave for Macomb tonight, but haven't made any plans as yet for the

(Continued on page three)

EIGHT MORE HAVE POSITIONS

The following names have been added to the list of those who have accepted positions for next year: Lorene Brackin, Elk Mound; Gerald Paul, Northfield, Minn.

Jessie Bolin, Osceola; Harriet Gilbert, Osceola; Donald Brownson, Holmen; Rural Department

The following students of the rural department have accepted positions for next year:

Ethel Peterson, West Bluff School, Pepin County; Harry Ellefson, Clover Leaf School, St. Croix County; Marion Brown, Clifton Hollow School, Pierce County.

EXCEPTIONAL TALENT IN MUSIC CONTEST

New Richmond Wins Highest Honors; River Falls High Wins First In Mixed Chorus

The high school music contest showed the increasing interest taken in music in the surrounding high schools, and made the Falls realize that it owes much to Mr. Geere. Almost single handed, he organized and carried on a contest equal to, if not larger, than the high school basketball tournament. How he did it we cannot attempt to understand or explain, but that he did it, can be seen by all.

The contest was won by New Richmond; second place going to Spooner. The afternoon of the first day was largely devoted to the elimination of the large number of contestants in some of the events. The survivors of these eliminations met again Friday.

Thursday evening the three bands, New Richmond, Mondovi and Spooner met, victory going to the large, and excellent directed New Richmond band. In the latter part of the evening the normal musical organizations gave a peppy program.

Friday Morning The Music Contest was continued on Friday morning with the mixed chorus entree at 9:45. Four schools participated in this with the result that River Falls won first and Mondovi, who won first last year, won second. The appearance of the winning groups

(Continued on page four)

NORMAL DANCE FRIDAY NIGHT BIG CROWD WANTED

After sounding out student opinion as to whether a school dance should be held this week, the social committee finally decided that they would give a dance on Friday night, April 30, in North Hall gym. The necessary preparations are being made to make this dance a successful one. All that is needed now is a good attendance from the student body; so all the students are asked to make arrangements to attend this dance, and make it a general all-around, informal good time.

BASEBALL SCHEDULE

Fri., April 30, At Eau Claire
Sat., May 8, At Luther
Fri., May 14, Stout here
Fri., May 21, Luther here
Thur., May 27, At Stout
Sat., June 5, Eau Claire here
Macalaster, Date unknown
Practice games on Tues. or Wed. after school.

Journal Print, River Falls, Wis.

This year about one hundred and forty diplomas are being issued by the River Falls State Normal School. It means that as many new teachers are being placed in the field. With almost every diploma, the prospects indicate that before fall, there will be a position. This may sound somewhat unusual, but let us pause and look at some facts.

Out of about 125 students graduating from all courses except the agricultural and rural, there are at present 50 which have positions for the coming year. That is to say fifty who have signed up to teach before they graduate—yes, three months before their active work starts.

There are some of the agricultural students and rural students placed, but no definite data was on hand at the time this article was written.

In view of the above facts and also taking into consideration that at least 50 seniors are practically placed or at least have applications in schools where they stand an excellent chance when the school boards take action, one can easily see that before September arrives almost every student with a diploma will have the coveted position.

This goal can be attained more easily if all graduating seniors will cooperate with the normal and with each other. If you have a position, let the school know, withdraw your applications, and be prompt in all your dealings. If you know of a good position and do not feel that you are qualified, let the school department heads know about it. If you are undecided what to do, ask someone who is qualified for advice. Above all do not set tight and be mum as the weeks go by, but be active and try to cooperate with those who are really trying to place you. Talk with them and gain the knowledge that those with experience can give.

Remember that it is not pull that gets a position, but cooperation.

Many a woman will sacrifice anything for the sake of her complexion—including her complexion.

WHY COLLEGE? SURVEY GIVES COEDS' REASONS

Ripon college has recently taken a survey to determine "Why Girls Go to College."

One hundred coeds were asked why they were in college. The first reply was "to get an education," but further inquiry revealed that:

Fifteen came here because the small number of women in comparison with the male enrollment afforded great opportunities in the social side of college life.

Twenty-six came to enlarge their circle of friends.

Five to learn the Charleston and three to teach it.

Twenty-two because they wanted to acquire culture.

Twelve because the home town was too tame in winter.

Five confessed wanting to belong to a sorority.

Two to have a last fling before they were married.

One girl said to prevent another girl from running away with her man.

Nineteen because they sought to become collegiate.

ONLY THREE MORE ISSUES OF STUDENT VOICE

(Continued from page one)
would have received fewer issues.

Nevertheless, the students of River Falls are receiving more issues of their paper than most other normal schools are giving their respective student bodies. River Falls is the only normal to issue a paper the first week of school, and to give a weekly paper without a journalism class in the school.

The following is the financial report of this year's Student Voice up to date:

Receipts	
Cash on hand at beginning of year	\$ 46.91
Activity fee deposits	507.17
Subscriptions	95.55
Advertising	198.79
Total	\$848.42
Expenditures	
Printing cost	\$717.25
Mailing cost	26.61
Incidentals (typewriter repairs copy paper, etc.)	38.77
Total	\$782.63
CASH BALANCE	\$ 65.79

Eau Claire's Coach, Gerber, Considering Important Post

Eau Claire's coach, E. C. Gerber, a former University of Wisconsin athlete, has applied for the position as director of recreation in Madison. The position pays a salary of \$300 per month. This is a yearly position, but since Mr. Gerber owns one half interest in a boys' summer camp, he wants to take it for only ten months of the year.

Besides being a good athlete and coach, he has had similar work during the World War, and has directed physical education in La Crosse Y. M. C. A. His ability as a coach has been well shown by the good teams that he has turned out during the year that he has been at Eau Claire.

AURELIA

The Aurelia had a short meeting at noon on Thursday to make plans for the annual Aurelia-Lincolnian banquet given in honor of the High School Declamatory Contestants that will be coming to the contest at River Falls in the near future.

RURAL LIFE CLUB

The Rural Life Club held its regular meeting Wednesday evening, April 28, instead of Thursday evening, because of the Music Contest.

The Demonstration class for May 7 will be brought in from the Kinnickinnic School. The demonstration will consist of silent reading exercises by first grade and beginning pupils.

APPLETON "Y" CONFERENCE

If the present plans can be carried to completion, May 13, 14, 15, and 16, will find a good sized delegation of River Falls "Y" members at Appleton to attend a Student Conference there. Bruce Curry is the main speaker of the convention, but many other prominent "Y" workers will be there.

The bunch plan to drive over in the Normal bus which has recently been remodeled, and those in charge hope that all who can will plan to attend.

TENNIS DOPE

At present there are 29 men signed up for tennis singles. The names on the list show that last year's tennis fans are still in the game, and that newcomers are there to upset the dope.

The doubles, however, are not signing up as fast, for only 25 names were on the list. Arrangements are being made so that "good" and "not so good" tennis players sign up, and in picking a team a "good" will find his mate a "not so good." This will even up the teams and make many interesting sets.

ORGANIZATION BASEBALL SCHEDULE

April 27—Ags. vs Links.
April 29—N. C. A. vs Y. M. C. A.
May 4—Ags. vs Y. M. C. A.
May 6—Links vs N. C. A.
May 11—Ags. vs N. C. A.
May 12—Links vs Y. M. C. A.
May 17—Ags. vs N. C. A.
May 20—Links vs Y. M. C. A.
May 25—N. C. A. vs Links.
May 27—Ags. vs Y. M. C. A.
June 1—Ags. vs Y. M. C. A.
June 2—Y. M. C. A. v N. C. A.
Games at 6:30 p. m., unless diamond is free at 4:00 p. m.
Postponed games must be played by the next Wednesday or Friday.

G. A. A.

The G. A. A. girls are all anxiously awaiting the spring party which is to be held Thursday evening, May 5. Those who have not paid their dues better rustle around.

The Junior High girls have formed baseball teams and are practicing under the coaching of Doris Tyvol.

There are several new tennis

rackets in Miss Smith's office. Any girls who do not have a racket may use one of these by signing up in her office. It is hoped that enough enthusiasm in tennis can be aroused to make a girls' tournament possible.

Preparations are being made by the girls to enter the track meet. They are practicing the high jump, broad jump, running, and many other feats.

The girls in gym are now doing the teaching on Mondays. If you want to see some truly rare teaching, visit some gym class on Monday. This practice, however, is very beneficial for the girls as it gives them an idea of what to expect when they get out teaching.

EIG PICNIC AT MONUMENT, MAY 11

The committee in charge are making elaborate plans to accommodate the thousands of pounds of people that will take advantage of this annual opportunity to get out together and have a real picnic.

"The Monument" has been selected as the much cherished spot where this hilarious outing will take place. Adequate facilities for transportation are being made, and all who attend will be well accommodated.

Prof. Jacobson, the Bean Soup Artist, will have his fingers in the souw-corn and the other stomach-achers that go to make out-door luncheons notable events in the history of the Kow Kollege Kollegiates.

The only thing that remains to have the picnic is to have as large a gathering of "servants" as is possible. The actual success of the sand eating contest is determined by the number who attend.

Let's all go to the Christian Organization Picnic at the Monument at 4 p. m., May 11, 1926.

BIG EDUCATIONAL DAY AT FALLS MAY 7

(Continued from page one)
subjects, tions from which high school teachers may obtain many valuable suggestions.

The Manual Training Department will have an excellent exhibit of student projects.

The students of the Agricultural Department will give a group of seven demonstrations, each dealing with an important agricultural problem. A number of educational exhibits arranged by this department will be on display at this time.

The evening program includes two pointed and practical addresses by Professor H. L. Miller of the University of Wisconsin High School, and Mr. L. M. Sasmaw, State Supervisor of Agricultural Education.

All the teachers, superintendents, and principals in this section of the state have been invited to attend this Conference.

Wally K. "Is your dog sick He doesn't look quite up to scratch."
Donald F. "Funny, that's all he does."

"How d'ia lose your hair?"
"Worry."
"What d'ja worry about?"
"Losin' my hair."

This and that.

Joyce Wiber, '25, spent the week end here with "friends."

Pearl Olson was at home in Amery over the week-end.

Ed. Korbein spent the week-end at his home in Menomonie.

Rusty Dort was at his home at White Bear over the week-end.

Verda Kendall was a St. Paul visitor the latter part of the week.

Laura Mae Lampson was a home caller at Roberts the latter part of the week.

Don Boardman drove down from Wilson Sunday. Of course he just came for the "drive."

Pearl Heckel and Eileen Stolt were at their homes in Prescott Saturday and Sunday.

Bessie Moe, '24, spent Sunday at her home here. Bessie talks of coming back to school next year.

Mayree Singleton spent the week-end with Grace Martin at the latter's home in New Richmond.

The Dark Angel caused some of our sentimental young ladies to weep Sunday evening.

Skin Collins believes "It pays to advertise in Shakespeare—" "So does Zammie."

Amy Fuller has the scarlet fever. She will not be able to be back to school during this year.

Lorene Brackin and Elda Nelson got stuck Friday night, although they were riding in an Essex sedan.

Didn't we feel insignificant when we saw some of our last year's grads directing glee clubs and orchestras at the music contest?

Margaret Jackson's cousin, Katherine Holmgren, of St. Paul, was the guest of Margaret over the week-end.

Adalade Hennessey of St. Paul and Mary Gleason of New Richmond spent the week-end with Adalade Keating.

Sid Scoville and Clarence Wesslen enjoyed the wonders of the upper world Sunday afternoon. Sid says, "Its awful when you go down."

Several of the Normal school students had the thrill of having an aeroplane ride Sunday afternoon. Wick, Scoville, Radamacher, Wesslen, and others were among the daring and the brave.

Now, since the old school is about to lose some where near a hundred and fifty students in about six weeks, things are beginning to look rather vacant around here, so Mr. Davison has gone to Clear Lake and New Richmond for the purpose of interesting students in normal work for next year.

As most of you have noticed, Mr. Cox and Mr. Smith are sporting new cars. Mr. Smith, when out riding the other night, ran out of gas a few miles the other side of Hudson. Was it done intentionally? Well, we can't say for sure. As yet Mr. Cox has not had any wrecks nor bent over any telephone poles.

Bob L. "Well, what are you doing for a living?"
Ross T. "Breathing."

Agricultural Field Day Part of May 7 Program

On Friday, May 7, the entire school will cooperate and make our biggest Spring event, "Field Day," a bigger success than ever before. In previous years, the event concerned chiefly the Agricultural department, but this year the event will include every member of the school. The celebration will start in the morning and will continue on through the day, having a banquet in the evening and a program in the auditorium Friday night. Everyone should arrange to take in every possible bit of the whole program as it nears the end of his educational life at this school.

Agricultural Program Demonstrations:

This will consist of teams of two members each who have selected some important agricultural problems to demonstrate. By means of charts, manipulation of raw materials and other illustrative materials, facts are presented in a forceable and interesting manner. This form of teaching is rapidly gaining prominence in agricultural schools. The following demonstrations will be given:

Gymnasium, North Hall
8:30—Success with Alfalfa—Donald Brownson, Victor Peterson
9:00—Efficient and Orderly Marketing—John Burke, Harold Walton

9:30—Testing Seed Corn—Clifford Olsen, Geo. Wilson

Old Athletic Field

1:30—Operation of the Plow—Lena Crevana, Harold Edwardson

2:00—Gas Engine Troubles—Sherman Biles, Loren Krueger

2:30—Selection of Individuals for the Dairy Herd—Theo. Kexel, Frank Jenisch

3:00—Fitting and Showing Dairy Cattle—Delward Hendrickson, Archie Begley

Demonstrations will be judged by L. M. Sasman, State Supervisor of Agricultural Education.

Educational Exhibits Gymnasium, North Hall

A number of exhibits dealing with important farm problems will be seen. The following exhibits will be on display.

1. Seed Corn Testing
2. Marketing Farm Products
3. Garden Management
4. Pruning Fruit Trees
5. Alfalfa
6. Farm Layouts

Live Stock Show, 3:30 p. m. Old Athletic Field

Students have selected and fitted a number of the dairy cattle for exhibition. The school has a herd of 50 dairy cattle and many of these will be on exhibition.

High School Live Stock Judging Contest—10:00 a. m. to 12:00 m.

Judging teams from the high schools in this section of the state will compete.

TENNIS COURT RULES

1. Rubber-soled shoes, with low heels must be worn on the courts.
2. The courts are positively not to be used after a rain until they are absolutely dry.
3. Not more than two sets are to be played when there are other players waiting for the courts.
4. Do not jump over the nets when changing positions on the courts.

EXCEPTIONAL TALENT IN MUSIC CONTEST

(Continued from page one)

was very striking. They used Normal colors by having the girls dress in red and white.

At 10:45 came the instrumental trio contest. This is a very difficult arrangement of instruments to work up and will probably be discontinued next year. Spooner was given first and Somerset second.

The contralto solos, which came at 10:45 were very fine in quality. New Richmond again carried off first honors in a very creditable way. The girl from Spring Valley took second. It is interesting to know that the Spring Valley contestant entered last year in the soprano solo group.

Again at 11:30 New Richmond won another first place by winning the cornet solo. Colfax took second. We might be interested to know that the winner from New Richmond plans to be here next year. We're assured of a good cornet player. This closed the morning program.

Friday Afternoon

In the afternoon the program began at 1:00 o'clock. First was the girl's glee club. In this the Hudson girls took first. These girls were strikingly dressed in blue and white. River Falls won second.

The boy's glee club competed at 2:30. The Menomonie boys, in suits of blue and grey, joyously carried off first place. River Falls came second.

The violin solos at 3:00 ran again this year as they did last. It was the only entree which did. The boy from Spooner won first and Robert Davee, from River won second.

The soprano solo finals came at 3:45. Six people chosen from the first twelve, again played for elimination. This resulted in Hudson winning first and Colfax second.

At 4:30 were the finals of the piano solos. Out of the six of the original twelve Baldwin took first and Eleanor Borner of River Falls took second place. Please notice that at both contests a boy, though not the same one, has won first in

piano solo. This closed the regular contest. All that was left was the grand concert that evening.

Prize Winners Contest

The concert Friday evening was a wonderful treat to the fine, large audience which heard it. All the winners did exceptionally well. Everyone felt that we would be well represented at Madison this year.

The boy's glee club of River Falls opened the program with two pieces, one a concert number. The Menomonie boys were first; but on account of bad roads they left in the afternoon. However, we were royally entertained. The rest of the numbers were by the winners with the exception of the clarinet solo, which was to have been given by a Menomonie boy also. The program was arranged in this order: cornet solo, New Richmond; soprano solo, Hudson; piano solo, Baldwin; contralto solo, New Richmond; mixed chorus, River Falls; instrumental trio, Spooner; boy's solo, Osceola; orchestra, New Richmond; band New Richmond. The New Richmond band of thirty-two pieces was encored twice.

After the program came the awarding of the medals. Cups were given for first and second in everything except solos; solo winners and second place were given medals. This process was very enjoyable and amusing to all. It surely seemed excellent to have so many high school people winning so well in music.

Every year the number of points made by each school is worked out, and a grand prize is awarded to the school with the highest record. Last year Spooner came out victorious. This year New Richmond won with thirty-six points respectively. The New Richmond crowd was a joyous group as their leader received the

grand cup as the closing event of the second Music Contest of this District.

LITTLE JOHNNY

It had been Johnny's good luck to become the proud possessor of a litter of kittens. Having too many he had the idea of making some money.

Thus begins our story. "Do you want to buy thome toot 'tittle tittens?"

Some what? "I don't understand."

"Do you want to buy thome toot 'tittle tittens?"

Another lady appears on the scene.

"What did he say?"

"Do you want to buy thome toot 'tittle tittens?"

"I didn't understand. Will you say it again?"

By this time Johnny was dis-

gusted. "Aw hell! do you want to buy a dan dod tat?"

—Exchange.

Kind Old Party: "I hear you buried your wife yesterday, Mr. Kaupp."

"Vell, mein Gott, I had to. She vass dead."

—Harvard Lampoon.

"Little girl, why are you so interested in these birds?"

"Well, I just learned that there ain't no Santa Claus and I'm out here to investigate this stork proposition."

—Chaparral.
