## DEBATERS LEAVE THURSDAY

Negative Goes to Superior—Affirmative Meets Eau Claire Here.

"Resolved that the Federal Government should own and operate the coal mines of the United States," is the question which will be debated in our auditorium next Friday evening.

As is the arrangement throughout the state, this is a triangular debate. The Eau Claire, Superior, and River Falls Normal Schools are included in this triangle. Our negative team goes to Superior; Superior's negative team goes to Eau Claire; and Eau Claire's negative team comes here for the debate. The three winning debate teams from the three triangles in the state form another triangle, and the procedure is the same as before except that in this case the negative teams stay at home, while the affirmative teams go away. The winner in this final contest carries off the state championship for this year.

A squad of twelve has been working hard on the question since October; that is all except Ronald Baker who entered the second semester. We think that probably the coach, Prof. Mitchell, has also done some work. You might ask him what his biggest task was.

The following teams have been chosen to represent River Falls in the coming debate:

### Affirmative:

Renneth Preston  
Margaret Bailey  
Everett Smith

### Negative:

Fred Wandrey  
Ronald Baker  
Carleton Ames

The affirmative alternative is Romola Cheney; the negative alternatives are: first, Marian Woods; second, Margaret McDermott.

The judges of the debate to be held here are:

Prof. R. C. Lansing, Professor of Public Speaking at the Minnesota University;

Prof. G. E. March, assistant debate coach at Carleton College.

## EMERGENCY BOARD

### FINALLY ACTS

#### Money Available for Text Books.

The State Supreme Court has rendered a decision in favor of the Normal School Board in the matter of the power of the Emergency Board to grant funds to the normal schools based upon the emergency needs in such institutions. Funds have been made available to the several schools in the system under two accounts only—text books and educational apparatus. Our school has had appropriated to it \$1700 for text books and \$1200 for educational apparatus, which is immediately available. The school has had no money for text books during the current year. Many students have been short of books and others have been obliged to use books which are in very bad condition. Students have regularly paid the fee during the year which is supposed to be used for the purpose of supplying this needed material. The decision of the Supreme Court will make it possible for the school to meet these immediate needs.

Steps will be taken at once by the librarian and faculty members to go over carefully the situation so that these funds may be expended to the best advantage. The text book situation in the school has been serious for a number of years. Throughout the war period appropriations were limited. The price of text books has advanced so that funds have been wholly inadequate. The present appropriation will make a substantial beginning in supplying immediate needs.

The decision of the Supreme Court declared the emergency law which created the present Emergency Board as constitutional. It further decided that a majority of the board had the power to make the appropriation. These two points were contested before the court.

It will be necessary for the Normal Board of Regents to prefer further requests to the Emergency Board for funds to meet the needs of the schools from time to time as they arise. In view of the failure of the legislature to pass an appropriation bill, the only source from which funds may now be secured is through the Emergency Board. It is anticipated

## DEFEAT ST. MARY'S --PLATTEVILLE

Championship Lost by One Point at Stevens Point.

In a game that was anything but calm, St. Mary's basket ball squad of Winona, Minnesota, met defeat at the hands of the Red and White machine in the local gym last Tuesday evening by the score of 28 to 19.

It looked like easy picking for the normal men at the start of the fracas when they, in an easy stride, ran the score up to 7 while the visitors were unable to get possession of the ball for any gainful teamwork. St. Mary's called time out and incidentally were able to solve the difficulties of the Red and White aggression, for they rallied in a comeback and soon found the general direction of their basket. The Falls displayed their usual brand of snappy teamwork, but their eye for the basket wasn't very keen. St. Mary's baskets were well aimed. The half ended 11 to 9 in favor of the Falls.

St. Mary's came back in a rush in the second half with a determination to assume the lead. They managed to tie the score at the 11 to 11 count, but the superior floor work of the Falls soon resulted in counters which gradually boosted their lead over the Minnesota boys.

St. Mary's endeavored to rough things up, but this did not seem to affect the Red and White offense. Ziebell was the biggest scoring factor with four field goals to his credit. Quandt came across with his usual long distance shot. The floor work of captain Erspamen of St. Mary's was the biggest feature of their playing.

## OH, MAN, GET THIS!

Editor of the bulletin: Here is my reply to all these critics of the female of the species.

Once upon a time I thought I understood men. But, alas, I have discovered—

If you flatter a man, he is frightened; if you do not, he is bored to death. If you permit him to make love to you, he gets tired after a while, and if you do not, he gets offended at the beginning. If you agree with him in everything, you cease to charm him, and if you fail to agree, you are unreasonable. If you do not believe all that he tells you, he thinks you a cynic, and if you do, he thinks you are a fool.

If you wear gay colors, it embarrasses him, and if you wear a little brown toque, a tailored suit, he takes you out and gazes all evening at some other woman in gay colors. If you are jealous of him, he can't endure you and if you are not, he can't

understand you. If you join in his gayeties and approve of his drinking and rows, you are leading him to the devil, and if you do not, he calls you a wet blanket.

If you are affectionate, he soon tires of your kisses and seeks consolation from those of some other woman. If you are sweet, old-fashioned, a clinging vine, he doubts if you have brains, and if you are modern, advanced, independent, he doubts if you have a heart or scruples.

If you are cute and boyish, he longs for a soul-mate. If you are brilliant and intellectual, he longs for a play-mate. If you are temperamental and poetical, he longs for a help-mate, and all the time, though he is falling in love with you, he is trying to remodel you into what you are not, never were and never will be.

Don't ask me how all this was discovered—but isn't it the truth?

Consequently,

AN OLD MAID.

—Stoutonia.

neapolis, National President of Tau Kappa Alpha, the national honorary forensic society.

There will be a big mass meeting at assembly Friday morning to give them a start on the way to victory. Our negative team leaves for Superior Thursday afternoon. Everybody go to the train and give them a big send-off. At any rate let them know that they are expected to win the state championship; they will then have no reason for doing anything else.

A bit of debate history might be interesting. Three years ago we won the Northern championship, and two years ago we won the state championship.

Both Eau Claire and Superior have defeated us in basketball this year—now is our chance for revenge.

## AG. NEWS

The joint meeting of the Agrifallian and Civic Club planned for this week, has been postponed until the next regular meeting night of the two societies. The purpose of the meeting was to determine the two best extemporaneous speakers of each society as a form of an extemporaneous speaking contest had been arranged.

However, the Agrifallian will meet as usual Thursday night, March 6. The committee is busy arranging a very interesting program, so everyone should come out and enjoy it.

ference Series" on their trip down state during the week-end in which they suffered a defeat at Stevens Point 30 to 29, and won the final game at Platteville 30 to 21.

Stevens Point Game

Our coach reports the game with Stevens Point the best exhibition of basketball this year. Every member of the team played a stellar game. The team work of both contestants was creditable. Besides being an exceedingly fast game the score remained close throughout. At the end of the half the Falls led at 14 to 13. They maintained the lead until the final minutes of the play when the Pointers gained a one-point lead and managed to stay off more tallies until the crash of the pistol.

The singular feature of the game was that all baskets were close-in shots resulting from effective team work. The small gym at Stevens Point proved somewhat of a handicap to the Falls.

Davis of Stevens Point was the individual star of the game. He came through with six field goals, and all offensive team work was centered around him.

The student body displayed a fine school spirit. Fifteen organization girls in purple and gold costumes put on a pretty gym demonstration in between halves. On Friday the student body celebrated the victory over the Falls with a half-day holiday.

Leaving Stevens Point at 5:30 Friday morning the team experienced a tedious journey at being side-tracked, changing coaches and what not until they arrived at Platteville at 11 o'clock that night.

The team had no trouble in vanquishing Platteville during the first half of the meet by a 17 to 9 score. The last half, however, proved a close fight. Platteville had a slight edge on the Falls but was unable to overcome the lead of the first half. The game ended 30 to 31 in favor of the Falls.

Mingst, the clever forward, who showed his wonderful eye for the previous game with Platteville here, displayed the same spectacular caging ability. Quandt proceeded to reform Mingst for dirty playing, but the referee called the bout off to finish the basketball game.

The team was entertained at a

dance and luncheon before departing for Dubuque, Iowa, for train connections homward.

The team has made a creditable showing this year in winning six out of ten games and finishing with a .600 per cent standing. The championship mark can reach only .666, and this in case Oshkosh wins both remaining games. Otherwise Stevens Point will claim the honors with a standing of .625. La Crosse has a higher rating, but the lack of the required number of conference games will bar this normal school from being a contender.

THE Y. W. C. A. PARTY

The Y. W. Missionary money this year is going to the Japanese, so a Japanese party seemed appropriate. The girls dressed in kimonas and knitting needles and turned out to a real party Saturday night. A musical program was given first. Kate Chapman gave a piano solo, Mary Dittes, a vocal solo, and Joyce Gerish told where and how the money for missionary work was going to be used.

After the program, games were played and refreshments were served. Th girls sat on pillows on the floor and enjoyed their tea and wafers. After the party, some of the girls were still craving nourishment so they went over to North Hall and helped finish up the bean soup.

THE SENIOR CLASS PLAY

The Senior Class Play, three-act comedy, entitled "Cousin Kate," was given last Friday night, February 29, to a remarkably large house. The play was as unusual a one as was the date on which it was given.

Ellen Hanson, as Cousin Kate, pictured skillfully the rather sophisticated, successful, woman, who realizes at last that a home and a husband are the things worth while. Heath Desmond, the man in question, was very cleverly presented as rather of the idealistic type by Carroll Brown. Frances Webster, as the mother of Bobby and Amy Spencer, showed some excellent character work. Amy Spencer, as played by Frances Sharar, was the perfect type of a good, religious girl. Wayne Taylor, playing the part of Rev. Partlett, was barely recognizable with his saintly manners. Charles Dawson, as Bobby Spencer, showed himself a juvenile actor of promise. Romola Cheney, took to perfection, the part of Jane, a rather "dumb" English maid.

The entire play cast is to be congratulated for its good work, and ability to give such a pleasing play. Miss Schlosser should certainly feel proud of the play, for more depends upon the coaching than we sometimes realize. We must not neglect to mention the electrician, George Hutchins, whose efforts produced such realistic lightning, nor Vic Erickson and Cliff Evenson, who served as thunder-makers. Music was furnished between acts by the Normal orchestra.

**THURSDAY'S ASSEMBLY**

A program of sacred music was the feature of the assembly given last Thursday.

Both students and townspeople participated in the following enjoyable program:

Anthem—"God Be Merciful," Daniels  
Choir

Solo—"There is no Death," O'Hara  
Rev. Bird

Anthem—"My Faith Looks up to Thee," Sch  
Choir

Violin Solo—"Adoration," Bainiski  
Miss Offerdahl

Vocal Solo—"The Ninety and Nine," Campian  
Mr. Smart

Anthem—"Hark, Hark My Heart," Shelley  
Choir

The choir was composed of Mr. Smart, Mr. Bird, Mr. Geere, Mrs. J. H. Ames, Avery Ames, Catherine Chapman, Mary Dittes, and Miss Armstrong. Miss Lemmer furnished the piano accompaniment for the choir, and Miss Giese accompanied Miss Offerdahl. The student body greatly appreciates the efforts of these people to give a program of the higher type of music, and thank Mr. Geere for continuing the costum of the school to have a musical program with the aid of outside talent at assembly once a year.

**Organization Tournament**

The dope was upset in the organization tourney last Wednesday evening when the two teams in the lower section outclassed the banner contenders. The Y. men took the measure of the N. C. A. team with a 17 to 9 victory, while the farmers broke the spell of the debators and nosed out a 15 to 13 win.

The Standings to date are:

	Won	Lost	Perct.
N. C. A.,	4	3	.591
Lincolnian,	4	3	.591
Agrifallian,	3	4	.429
Y. M. C. A.,	3	4	.429

The final games will be played Tuesday evening. The N. C. A. and Lincolnians will decide the championship honors while the Ags. and Y. M. C. A. will determine who is to contest for second place.

The annual inter-class tourney between the Juniors and Seniors will be staged on Wednesday, Thursday, and Friday of this week. Eggers has been selected to organize and captain the Seniors, and McKinnon will pilot the Juniors.

**HIGH SCHOOL TOURNAMENT**

The annual high school tournament will be held on March 12, 13, and 14, the first game starting Wednesday afternoon. The following high schools

will be represented:

1. Baldwin
2. Elmwood
3. Hudson
4. Menomonie
5. New Richmond
6. River Falls
7. Roberts
8. Spring Valley

The state tournament rule calls for eight teams to be represented in each district. The names of the places are arranged alphabetically as they appear in the state directory. From this arrangement the first games will be between numbers one and five, two and six, three and seven, and four and eight. Thus the first elimination games and their order will be as follows:

- Baldwin vs. New Richmond.
- Elmwood vs. River Falls.
- Hudson vs. Roberts.
- Menomonie vs. Spring Valley.

**Y. M. C. A. STAG PARTY**

The Y. M. C. Stag party, held in North Hall gym. last Saturday night was voted a huge success by all who attended. Sports furnished the program for the evening. The big feature was the B. B. game with the Y. M. pitted against the leading athletes of the faculty. Speedy floor work and expert shooting by Verrette, the faculty's star forward, proved too much for the Y. team and the game ended 15 to 11 in favor of the professors.

A boxing match between Heggen and Ogden, the two leading pugilists of the Y., went four rounds and was declared a draw. Both scored several knock-downs, and proved on the whole that they were evenly matched. Prof Chow Wong Jacobson swung a wicked ladle and supplied the crowd with delicious bean soup.

(From the Saturday Evening Post)  
(Continued from last week)

G is for Growl—when your water bill comes.  
What! Two and a half? The unprincipled bums!  
And then, for a gallon of synthesized gin,  
Pay ten times as much with a satisfied grin.

H is for Help-the-Poor-Moonshiner Day;  
(Pete the Gyp has it, just over the way;  
Slip him ten bones—it will give him a laugh—  
For a quart that has cost him a cent and a half.)

I is the only shrewd fellow on earth.  
I knows Where to Get It, and What It is Worth;  
I sniffs at the label and squints and looks wise—  
Then pays twice as much as the ignorant guys.

J is for Jay—a commodity which I shared by the poor and the over-stuffed rich;  
The ragged ones weep and the wealthy ones brag,  
But the Bootlegger knows that a jag is a jag.

K is for Kink in your obstinate head  
That makes you take issues with Mr. Volstead;  
That limits your sight to the end of your nose,  
And your right to paint on it a blooming red rose.

L is for Law. You're American—sure!  
One Hundred Per Cent! But you cannot endure  
That your God-given right shall be laid on the shelf—  
To make a respectable crook of yourself!

M is for Mankin. The day is at hand  
When the strong and the fit will inherit the land;  
If not for yourself, then at least for the Race.  
You might keep the creosote out of your face.

N is for Nut. They have written your name  
On the Yeggs' and the Bootleggers' Tablet of Fame;  
The Prominent Sucker of Weisenheim Square  
Who'll buy sewer water—if handled with care.

O is for Ouch ——— At this point I awoke  
And handed that Goblin a heluva poke  
For using my pen in that scandalous way  
And trying to startle the Bootlegger's prey.

Of course there was truth in his drivel, but then.  
The bootlegger's prey are respectable men.  
Obeying the law of their country—except  
When—like yeggs and robbers—they find it inept.

Besides, who'd offend the Bootlegger?  
Not I!  
The Bootlegger he is a popular guy.
