The Student Weekly of the River Falls State Teachers College

VOLUME 16

RIVER FALLS, WISCONSIN, TUESDAY, DECEMBER 16, 1930

NUMBER 11

## "R" Sweaters Awarded To Grid Men

### President Ames Presents College Athletic Reward; Reviews Season

Twenty-one football sweaters were presented to the members of the football squad during the assembly hour Thursday. This is a larger number than has been given away during any recent year.

President Ames presided. He briefly reviewed the season, and then gave a brief review of each man's work as he presented him with the college R.

The men who received their insignia were: Capt. Arnie Larson, Park Falls; Clair Bartosh, River Falls; John Schliet, Marshfield; Robert Sutherland, River Falls; Ed. Warwick, Barron; Cecil La Dusire, Wausau; Joe Braun, Algoma; Ray Helixon, Marshfield; Ray Wile, Cameron; John Hammer, Colfax; Vern Woodward, River Falls; Oral Claffia, Mondovi; Richard Hemp, Neillsville; Glen Morrow, Mazomanie; Gordon Kingston, Hastings, Minn.; Lawrence Junchen, Neillsville; Milton Zeddies, Two Rivers; Leo Krueger, River Falls; Irving Gerhardt, Neillsville; Arno Dittbrenner, Washburn, and Russell Haberman, Ellsworth.

Fourteen of these men will be eligible for competition again next year. The men who have completed their gridiron careers are: Captain Larson, Eartosh, Schliet, Sutherland, Wile, Hammer and Dittbrenner.

The football boys will meet together as a group once more in the near future when they have the annual banquet. The 1931 captain will be elected at that time.

### Prof. Eide Is Improving Expects to Resume Classes Soon

According to a report issued last night, Prof. R. B. Eide who has been ill for the past ten days is improving nicely. He says he expects to meet his classes toward the end of the week.

## Y.M. Party a "Wow" Say Those Attending

The White Elephant Christmas party which was given by the Y. M. C. A. turned out to be highly successful according to many of those who attended. Almost one hundred boys joined in the frolics.

Cards, games and stunts provided the entertainment for the evening. Santa Claus presented the boys with a variety of presents. A frosh was especially pleased when he received Horace Merrill's picture and write-up as it appeared in last week's issue of the Voice.

Candy, peanuts, popcorn balls and apples were served at the close of the evening program.

## Ag Quartet Has Many Engagements

According to all indications the Ag quartet is having a very busy season. The boys have responded to calls to sing at community clubs in the vicinity of River Falls on various occasions.

Last week they sang at the Newman club meeting on Tuesday night and at the Odd Fellows lodge meeting on Thursday evening. Among their engagements for the next week are appearances at the band benefit which is to be given Thursday night.

## Thursday Assembly Hour Changed; Music Planned

The assembly program for this week will be under the direction of the music department. The hour has been moved up to 3:10 Thursday; the regular 3:10 classes meeting at 9:50.

The college orchestra is to furnish the music. Both the junior high and college chorus groups will appear on the program. A chorus from the grades accompanied by a string orchestra will also appear.

## How The Groups Rank

Here are some statistics on the various classes and departments represented on the Honor Roll. While these figures may not mean much, they may prove to be of some interest.

Class or Dept.	Total Enr.	No. on Roll	Per Cent
Principals	8	1	12.5
High School	207	20	10.3
Rural	66	4	6.0
Grammar	35	2	5.9
Intermediate	42	2	5.0
Agriculture	93	4	4.3
Primary	48	1	2.2
Seniors	44	9	20.2
Sophomores	147	11	7.8
Juniors	55	3	5.4
Freshmen	283	13	5.1

## Dean of Men Comments On Deficiencies

In answer to a request made some time ago, Mr. Stratton, dean of men, makes the following statement on absences for boys during the first term.

"There were 1217 absences reported. Judging from the number of excuses issued for unreported absences the total number was at least 1800. This is an average of seven deficiencies for every man.

"About one-third of the reported absences were excused. The rest were taken as cuts and many, no doubt, were unnecessary. This means that there were about 1200 cuts for the term.

"This seems like a large number but it really is only an average of one cut per man for each class. The trouble is that the cuts were not evenly distributed. Those who could least afford them often had more than their share."

Forty-seven men were neither absent nor tardy during the twelve weeks. One student had forty three deficiencies chalked up against him. Of this number thirty-eight were cuts.

## Christmas Greetings From Our President

The Christmas Season is animated by a spirit of good cheer and generous sentiment which set it apart as the most beautiful day in our calendar. During this time we approach nearer the great ideals of Christian brotherhood. Students, let us enter fully into the spirit of Christmas. Let us carry its message to our homes as we separate for the Holiday Season. Sincerely I wish you all a joyful Christmas.

J. H. Ames,  
President

## There Is A Santa Claus! Journalistic Masterpiece Confirms Childhood Belief

Editor's note—In reminiscence of the Yule time season the Voice this week prints a Christmas story. More than thirty years ago an eight year old girl wrote to the New York Sun. The essence of her letter was "Is there a Santa Claus?"

Virginia O'Hanlon has since grown to womanhood, and little is her name

Dear Virginia:

Virginia, your little friends are wrong. They have been affected by the scepticism of a sceptical age. They do not believe except what they see. They think that nothing can be which is not comprehensible to their little minds. All minds, Virginia, whether they be men's or children's, are little. In this great universe of ours man is a mere insect, an ant, in his intellect, as compared with the boundless world about him, as measured by the intelligence capable of grasping the whole of truth and knowledge.

Yes, Virginia, there is a Santa Claus. He exists as certainly as love and generosity and devotion exist, and you know that they abound and give to your life its highest beauty and joy. Alas! how dreary would be the world if there were no Santa

## It's G. O. P. Pledge Week; Girls Make "Dumb" Appearances

### Annual Ordeal Started Last Thursday; Ends Tomorrow Night With Banquet of Truce

Talking with one's eyes to the boy-friends has become an art much coveted by the G. O. P. pledges. Yes, and have you noticed the sudden use of the side doors and stairways, which, of course, may be explained by the permanent blockade of Gops stationed at the front hall. Queer, too, the numerous pale faces and shiny noses to be seen in school last Thursday afternoon and Friday. There is an explanation to everything of course.

G. O. P. pledge week began in earnest Thursday afternoon at 1:15 o'clock and will end next Wednesday with an informal dinner.

Pledge week is a test of the loyalty of the prospective new members. Those going through the tortures and tribulations of pledge week are the following:

Joyce Bergseng, Ruth Auckenbach, Bonnie Lou Zwickey, Beatrice Sabin, Thelma Haga, Ruth McIntyre, Dagmar Ryan, Lucille Garley, Edna Larson, Luella Hermanson, Lylyth Jensen, Evelyn Volla, Lucille Hawkins, Louise Bates, Cornie Amundson, Gladys Lynum.

## Press Club Holds Party This Evening

Cards, games, stunts and a short program will all be on the evening entertainment when the Press Club holds its Christmas party tonight in the social room.

About twenty people are expected to attend the party. A reporters pencil will be awarded to the writer of the best news article during November.

The new members can be assured that they will not be asked to find "type lice" on this occasion.

Mrs. Ellen Carlson, Orvis Olson and Leonard Warner are on the committee in charge of activities. Every person who has worked on the staff is urged to come.

### Glee Club May Be Organized After Christmas Recess

Women students and women of the town will be interested to know that Miss Wharton would like very much to start a woman's Glee Club after the Christmas holidays. If those who are interested would see Miss Wharton, this plan could perhaps be carried out.

## Newman Party Tonight

The members of the Newman club will enjoy a Christmas party in the basement of the Catholic church this evening. All members are urged to attend.

## Band Benefit Party Planned For Thursday

An all-school party will be given Thursday night in the North Hall gymnasium beginning at 8 o'clock. The event will be the last get-together for the students before they depart on the holiday vacation.

Games and stunts will open the entertainment. A program of speakers and musical numbers will follow. Foremost among the musical numbers will be several selections by the Agrafallian quartet. This will be the first appearance they have made before the student body.

A dance with Kuss and his Badger Boys furnishing the music will climax the evening frolic.

The advertising bills say "eats." The Voice so far has been unable to verify this, but, no doubt, the hungry will be fed.

Elmer Beran is chairman of the activities. Marvin Pratt will have charge of the decorating. The party will be for the benefit of the college band.

"There will be fun for everybody who attends," was the statement made by the committee in charge.

## A Holiday Message From Our Regent

The Christmas season is here with all its bluff and merriment to bring to us its brief season of happiness and enjoyment.

Many families whose members have been scattered far and wide will soon re-unite. May you all enjoy the holiday season with that merry and joyous circle of family and friends whom you hold most dear, at your own homes and firesides, free from the cares and restless struggles of life. May you return to us again, inspired, strengthened, ready to renew your school work and activities for the coming year.

Happy, Happy Christmas, that can re-unite families, re-awaken friendships and win us back to the delusions of our childhood days.

Jay H. Grimm,  
Regent

## First Term Honor Roll Announced

### List Shows Increase Over Last Year; Five Students Make Straight A's

Thirty-six students received an A average for the first term of the 1930-31 school year; and thus won the distinction of having their names placed on the list of scholarship elite which in this school is known as the Honor Roll group.

The group this term makes up 7.2 per cent of the student body. Compare this with 6.7 per cent for the first term last year, and it can readily be seen that the number of high ranking students is greater this year than last year for the first term.

Another interesting bit of information that figures bear out is that more girls made the honor roll than boys. The list presents twenty-two girls and fourteen boys.

Five students made straight A's this term. This is about the same number as there were each term last year.

The following is a list of students in school who made two and one-half or more honor points for each hour of work carried:

- Floy Anderson, Clayton
- Lawrence E. Anderson, Clayton
- Alice Bartosh, River Falls
- Rachel E. Beard, Downing
- Walter Beebe, New Richmond
- Elmer Beran, Turtle Lake
- Joyce Bergseng, River Falls
- Ove Berven, Spring Valley
- Maxine W. Blaine, Weyerhaeuser
- Morris R. Buske, Cadott
- Ellen Carlson, Lewis
- Chester Cooke, Frankford, S. D.
- Herbert Crommett, Amery
- Margaret Fox, River Falls
- Frances Gallup, River Falls
- Marjorie Gallup, River Falls
- Lucile Garley, St. Paul, Minn
- Dorothy Gaustad, Woodville
- Mary Hennessy, Roberts
- Portia Hill, River Falls
- Margaret Kelly, Cumberland
- Walter Klenderman, Baldwin
- Edna Larson, Stanley
- Eleanore Laurent, Thorp
- Darrel Metcalf, Arkansasaw
- Leona Miller, Ellsworth
- Edward Monette, Soperton
- Blanche Moser, River Falls
- Gladys Paulson, River Falls
- Ella Polgar, Hawkins
- Lyle Radcliffe, Melrose
- Evelyn Rhiefl, Elmwood
- Helen Shafer, Amery
- Leland Standford, La Crosse
- Raymond Wall, Hawkins
- Leonard Warner, Deer Park

### Straight "A" Students

- Joyce Bergseng, River Falls
- Eleanore Laurent, Thorp
- Chester Cooke, Frankford, S. D.
- Frances Gallup, River Falls
- Blanche Moser, River Falls

## Ag Short Course Will Not Be Given This Year

The college Ag department has decided not to offer the proposed short course scheduled to begin shortly after the holidays. The conflict it would make with the present teaching program was given as the reason for its discontinuation.

It is expected that the course will again be given next winter. In past years the course has had an enrollment of from ten to thirty students.

## Debaters Prepare for Action After Holidays

The debate squad had the opportunity last Thursday night of listening to Iowa and Minnesota debating teams argue the question of Unemployment Insurance.

The first preliminary debate is on January 14 with Eau Claire. The squad is having three and four intra mural practice debates every week in order to get in shape for the first speech contest.

# The River Falls Student Voice

## Editorials

The Student Voice wishes all its readers a merry Christmas and a happy New Year.

A certain student remarked that he was glad the G. O. P. initiation didn't last all year. It certainly is hard to get a word out of the new members of the organization this week, and if the ruling stayed in effect much longer some of the co-eds involved might even forget how to carry on a conversation in the library and get away with it.

The Voice is the student's paper. It is interested in what you do and how you do it. If you ever have any news items of interest leave them on the spindle in Mr. Eide's room in South Hall. This is one way you can help make this a real live and interesting paper.

"Labor Omnia Vincit". Mr. White-nack once taught that phrase to a group of eighth grade latin students. It means, as most of you know, "Work, wins, all." Freshmen, this is good advice and maybe some of those unwelcome encores can be cut down next term.

President Ames gave a short talk last Thursday in which he stated, "there is no substitute for work." The new ideas that are being put forth on how to study and get an education in a short time without any work is far from the best method of receiving an education. There must be plenty of work; but why not do away with some of this curriculum that is being forced on every degree student. Especially these courses which have no incentive for research work.

The whistle has blown, the first half of the basketball game has been completed, the crowd in waiting between halves begins to get restless. Then all of a sudden someone in the balcony throws a penny out on the floor, a boy runs after it, more pennies, more boys, presently the floor is covered with boys scrambling for the pennies and everyone is having a good time. We can see a match flicker along the sidelines and then comes the hot penny. I wish those hot pennies could be laid in the palms of the fellows who threw them.

### Kids Will Be Kids

Do you remember way back in those grammar school days when your best girl joined that notorious social club? What ever the name might be doesn't matter; but nevertheless, the days were long from the time she took sacred oath not to say a word to you or go any place with you for a whole week; even go sliding when the big hill was all nice and slippery, in fact it would have been the most fun, IF.

Well fella's, the girls aren't all grown up yet. No doubt those of you who have been preparing yourselves for an invitation to the G. O. P. formal have been rather crudely snubbed the last few days. Don't get discouraged. Wait a few minutes till that old member gets out the front door or in the library and then approach your girl in some out of the way corner. I'm sure she will give you an audience.

Then, that really isn't fair so lets us just be patient for a few more days and then that great ordeal will be over, the Initiation of the G. O. P.

# Loan Fund Treasurer Tells of Shultes Gift, History, Growth

## Manual Arts Professor Relates Many Items of Interest in History of Memorial Fund

Every year students in need of assistance and whose applications meet with the established requirements are assisted by the Alice M. Shultes Memorial Fund. Many inquiries are made each year by students relative to this fund. With this in mind Mr. Segerstrom, secretary and treasurer of this fund, was interviewed this week in regard to the fund.

In order to convey the desired information, Mr. Segerstrom was asked the following questions:

**How was the Alice M. Shultes Fund started?**

The Alice M. Shultes Memorial Fund was started in 1915 as a memorial fund to Miss Shultes who was head of the teachers training department for many years and who died in 1914. All the Alumni were asked to contribute to this fund and the resulting amount collected amounted to a total of \$669.01.

**How may students secure loans?**

In order to secure a loan, the student must be recommended by the President and either the Dean of Men or the Dean of Women.

**How are these loans made?**

These loans are usually made to senior students, with some exceptions, for a period of one year. The

amount loaned may vary, with the limit set at \$100 to be loaned to any one student at a five per cent rate of interest. The signature of one responsible party in addition to the student is required.

**When was the first loan made?**  
 The first loan made from this fund was on January 16, 1916, and from this time on loans have been made every year.

**How much loss has this fund had?**  
 So far the loss has amounted to a total of \$89.50. A part of this sum, \$44.50, was unpaid due to the death of the student and at the Alumni Association meeting in 1929, this note was cancelled and returned to the mother. The total loss, therefore, was but \$45.00.

**How large has this fund grown?**

This fund was started with the original amount of \$669 in 1915. This fund was further supplemented with an additional \$400. from the Alumni Association received from receipts from the Semi-Centennial Pageant in October 1924. With this addition, the fund has grown to a total of \$1627.01 up to June 7, 1930.

**How many students has the fund served?**

Up to this time a total of over 150 students have made use of this fund since its origin in 1915.

# Unique Holiday Window Design Now Decorates the Social Room

Students of the elementary design classes have finished a set of stained glass window designs which are being displayed in the windows of the art room this week.

By means of ink and dye, these embryo artists transform ordinary wrapping paper into something which resembles cathedral stained glass windows. The colored paper fitted to the windows with the daylight sifting through it gives the effect of colored glass.

Giggins ink is used for the leading between the sections. The colors are brushed on with dye. Yellows, reds and greens predominate. Two of the windows are made with oil paint.

The designs are original; but they contain elements found in all windows of this type. A few show modern tendencies in design.

The windows have pointed gothic arches and certain traditional figures: the shepherds, the wise-men, the

angel trumpeter, and the choir boys. A radiating yellow light pervades most of the scenes.

The designs were made and executed by Marjorie Gallup, Arvis Pearson, Myrtle Cotts and Mildred Peterson.

If you have not already caught the Christmas spirit, you will find the finest kind of holiday atmosphere in the art room.

In addition to the window decorations, a few students developed the scene at the stable on the Holy Night. The figures of the Wise Men, Joseph, Mary and the Babe and the animals were molded from clay and then painted appropriately. These are artistically arranged on the table at the front of the room.

A bouquet of greens and a real poinsettia are lovely Christmas decorations.

On Friday, candles will be burning in the room which will enhance the charm of the Christmas spirit.

Angus, "Old Tavish MacTavish got out of paying the dentist \$40 to take out his teeth."  
 Sandy, "How did he manage?"  
 Angus, "He picked a fight and got them knocked out for nothing."

## George M. Stewart THE WOMAN'S SHOP RIVER FALLS, WISCONSIN

**Christmas Will Soon Be Here! Shop Early**

Our shop is filled with gifts for Women, Girls, and Children that set a new example in value giving.

### GIFT SUGGESTIONS

A dressy warm coat - a smart dress, one of those snappy "Sunday Nite" dresses of chiffon.

Scarfs - Silk Negligies - Striped flannel Robes  
 Silk Undies including Bloomers, Vests, Dance Sets,  
 Gowns, Tuck in Pajamas, Chemises and Slips.

Dainty Aprons - Costume Jewelry - Hand-made Gowns.

# Campus Life Is Changing Fast Says "Y" Head

"Life has changed on every college campus in the United States during recent years," declared Guy V. Aldrich, state Y. M. C. A. secretary in addressing the student members at the meeting last Tuesday evening.

According to Aldrich, we are able to make many more outside contacts than students of recent years. Not more than fifteen years ago, he added, a student would go to college and stay there until the end of the term or even the end of the year without having much to do with the outside world. Today most students are able to leave their studies at least once in a while and gain a variety of experiences he would otherwise miss.

Aldrich also stated that the types of students on the college campuses today are different than they were fifteen years ago. Students on the average college campus represent every kind of home and every occupation. These wide variations give us contacts with other people and make us more open-minded as well as easier to get along with.

### What College Should Do

"First of all," Aldrich stated, "we are here to make good for the sacrifices our parents have made that we might attend college. We may not appreciate everything our folks have sacrificed in order that we may get a liberal education."

College should also produce some kind of cultural training. In other words, we should be able to mix with others, to dress and conduct ourselves like men and women.

A college education should also teach us to co-operate with others. We should be able to get together and think about one thing in common to all.

### College Should Produce Character

The speaker reminded the group that too many college careers were wrecked by overindulgence. He stated that a college career should produce character, both moral and Christian, which could not be disrupted by habits acquired later in life.

The last point touched upon by the speaker was our motive in life or our life work. Our college experiences should produce each of these things in order that we may get the best there is in our college training, according to Aldrich.

# Y. W. C. A.

The Christmas spirit has entered into the work of the Y. W. C. A. again this year. Each Christmas the girls have been sending boxes of fruit, candy and other small gifts to the folks in the Old People's Home at Ellsworth.

Last Tuesday evening the girls were busy with scissors, paper sacks, and green and red paper making preparations for spreading Christmas cheer again this year.

The club members also made and sold butterscotch apples and Christmas tree tags. The returns from these enterprises served to finance the girls' Christmas party, to buy the annual gift for the social room, and the gifts sent to the Old People's Home.

## We're Wondering -

These questions are still puzzling us. Try to help us out.

1. When a party is held at the Men's Union is Leonard Dorman?
2. Is Richard Hemp or s'lk?
3. Does medicine look like Helen Glass?
4. If the room is warm is Wilfred Heiting it?
5. If the story was interesting would Ruth Reedal?
6. At the Christmas mixer will George Hyatt the ladies?
7. Will the girls crown Oliver King?
8. If Heien Shafer speeds will Leonard Warner?
9. Is Ralph White and Joe Braun?

## College Cagers Win and Lose Over Weekend

### Team Defeats St. Olaf and Concordia; Lose Close Game to Augsburg

After suffering six successive defeats at the hands of St. Olaf basketball teams, the River Falls cagers turned the tables on their old rivals here last Thursday night to beat them 31 to 26.

The game was fast and furiously played and considerable roughness, both unintentional and intentional, was displayed, especially during the second half. River Falls led throughout, with the exception of the first few minutes of play, but the margin was a slender one of two or three points and not until the final quarter did the locals spurt to run their lead up to six point. Both teams showed lapses of defensive work, which allowed the front line men plenty of sleeper shots.

The game started off with a bang when Suthie dropped a close in shot without a St. Olaf guard in the near vicinity. From then on it was give-and-take, both teams penetrating each others defense with ease. Long-range shooting by Helixon, with baskets by Warwick and La Dusire gave Klandrud's men a 21 to 18 advantage at the half. The second half showed closer and tighter defense play and was featured by the play of Kuss, who substituted for La Dusire in the middle of the third quarter. His shooting enabled the locals to increase their lead to 31-26 at the end of the game.

Eddie Warwick and Kuss led the scoring for the Falls with seven points apiece, while Captain Kippy Gilbertson of St. Olaf was high point man of the evening with eleven points. Captain Schlict and Helixon played well, while for the visitors, Toerson, a guard, did some exceptionally fine guarding and ball handling.

#### Lose to Augsburg 22 to 16

After winning from St. Olaf on Thursday night, the locals dropped a hard fought game to Augsburg at Minneapolis Friday night by the score of 22 to 16. Poor shooting and a mental let down after their strenuous game with the Oles were mainly responsible for the defeat.

The game was nip-and-tuck the first half, the score being deadlocked, 8 to 8, at half time. In the second half accurate shooting by Augsburg enabled them to pile up a lead.

None of the Falls outfit could find the hoop consistently. Sutherland and Warwick did what scoring there was for River Falls with three points apiece. Coach Klandrud substituted freely so that nearly every man on the squad saw action.

#### Concordia Beaten by 14 Points

River Falls made it two out of three for the week by beating Concordia on their own floor at St. Paul Saturday night by the score of 26 to 12.

The first half was fairly close and hard fought and ended 14 to 9 in favor of the Falls. In the second half, the Red and White cagers found their shooting eyes and ran up a comfortable lead.

Warwick led the scoring with nine points, while the defensive play of Schlict and Helixon was above the average.

#### Ag Seniors Win Game From Chapman's Five

The senior Ag team journeyed to Baldwin last Monday where they defeated H. W. Chapman's part-time group by a 17-15 score.

The Ags led all the way until the final minutes when Baldwin sank several long shots to tie the score. "Tubby" Hanson pulled the game out of the fire by a clever in-shot.

#### Pro Team Loses to Baldwin

Oliver King's All-Stars lost a hard fought game to Baldwin Saturday night by a score of 24 to 21. According to those present the game was fast and furious.

## Leads Scorers in Trio of Pre-Season Contests

Ed Warwick, Barron, playing his second year as forward on the cage team, led his mates in scoring in the trio of games played over the week end.

A total of 22 points were scored by the Barron lad. Not only was his playing brilliant, but his scoring was consistent. In the first two games Eddie scored 7 points in each, while he made 8 in the last game.

Warwick received his early basketball training under Joe Gurnoe, former local football and basketball flash.

Ed Warwick

## So They Say

By Dick Henry

Frank Carideo of Notre Dame is a great quarter back and undoubtedly deserves his All-American rating, but the newspaper boys like to interpret his every move as a piece of super strategy. All honor to Carideo, but what would have happened if Southern California had intercepted a few of those dangerous lateral and forward passes which he ordered while Notre Dame had the ball in their own territory? They worked and the eminent sports writers of the land called him the greatest of the great. Had they failed, the amateur strategists would have changed their tune, especially had they had a few wagers on Notre Dame. Strategy is the one word that sportswriters like to toy with, but, personally, we think the thing is a bit overdone. Give us a team that can block and tackle and a quarter back that has good sound judgment and we'll leave the strategy part in the hands of radio announcers and the boys that write up the games.

Speaking of radio announcers, we take off our hats to Ted Heising of the Columbia Network who did a great job of broadcasting the Army-Navy classic last Saturday, but even Ted has yet a lot to learn. Once he announced that the Navy was penalized ten yards for something or other while they had the ball on their 30-yard line. As for the ten yard penalty "there ain't no such animal." and it goes to show that even the best of radio announcers could know a little more about the game of football than they do.

According to reports from rival institutions, River Falls will have quite a job on their hands if they intend to keep the conference bas-

ketball championship that has been theirs for the last two years. La Crosse points to Coach Howard Johnson, who is noted for his ability to turn out great basketball teams, and the flock of veterans he has to work with.

Stout has its 1929 team practically intact with the addition of Stori at guard. Stevens Point, with Eddie Kotal as coach, who in his day did quite a bit of footballing and basketballing for Lawrence and later was a star halfback with the Green Bay Packers, has several veterans back, including Dick Marshall, its leading scorer. Milwaukee and Eau Claire show enough strength to make things interesting, so all in all it looks as if the Klandrud men will have lots of ball to play in order to keep in the running.

The freshmen, who suffered a one-point defeat, 25 to 24, at the hands of St. Croix Falls last Friday night at St. Croix Falls, have expressed the opinion that they were up against one of the fastest little teams in this section of the state. Now the freshmen team composed of such men as Woodward, Peterson, Hanson, Nolde and others is a pretty rangy outfit and they understand a little about the game. It will be interesting to note what St. Croix Falls will do up at Rice Lake when tournament time comes around. They were nosed out by a few points in the final game last year, and they have that same outfit back to a man.

P. S. Butch Haberman says he hopes it will be warm during the Christmas holidays, so he can walk up the main street of Ellsworth without having his overcoat hiding his new R sweater.

## Frosh Cagers Lose Season's Opener

The college frosh team received their first set-back when they were defeated by the fast St. Croix Falls high school basketball team to the tune of 24 to 21 on the Polk county floor last Friday night.

Handicapped by a low ceiling the local boys were forced to use a short pass attack and shoot from short distances. St. Croix presented a veteran team, and a group of fellows with plenty of speed and drive.

The work of Isaacson, local guard was especially brilliant.

R. F. Freshmen	St. Croix Falls
Nolde	F Wade
Kelly	F Iverson
Peterson	C Pepper
Isaacson	G J. Wade
O. Hanson	G Fiske

Substitutes: River Falls: M. Hanson for Kelly, Graham for O. Hanson, Woodworth for Graham.

## Organization Teams Start Full Blast on Season Schedule

The organization tournament that was started some time ago has proven to be of great interest if one is to judge by the crowd that turns out for each game. Almost every team has a roster section of some size when they play.

Oral Claffin is assisting Coach Klandrud in conducting the games.

The following gives the results of last weeks games.

Monday, December 8	
Castle Heights 7	Natl Guards 29
Nelson Cafe 13	Wisconsin 7
Ag Frosh 33	Gypsy Rovers 10
Wednesday, December 10	
All Americans 58	Farmers 4
Stragglers 9	Ag Seniors 52
Andersonians 22	Debates 5
Thursday, December 11	
Rurals 6	Webster Wildcats 18
Bergies Bluebirds 6	Jinx 22
Zenith 15	O'Brien 16
Frosh 9	Nelsonians 10

### Faculty Socks Will Be Well Scattered

Since many of the faculty members will not be in River Falls during the Christmas recess, the following information is being sent to old Saint Nick:

Mr. and Mrs. Malott will remain at home.

Mr. and Mrs. Harrington will visit Mrs. Harrington's parents at Glenwood, Iowa. They plan to travel there via airplane.

Miss Branstad is to be at home in Omaha, Nebraska.

Miss Greene is spending her vacation at the Curtis hotel in Minneapolis.

Mr. and Mrs. Eide plan to spend most of the holidays in Milwaukee.

Mr. and Mrs. Hill (if Santa has as difficult a time finding Mr. Hill as the reporter, he won't get any Christmas presents.)

Miss Latta will be at her home in Antigo, Wisconsin.

Miss Schlosser and her mother will remain at home.

Miss Weberg will be at home at the Gladstone Hotel.

Miss Jorstad expects to spend her vacation at her home.

Miss Haddow will be at home with her family.

Miss Wharton will be at her home in Minneapolis during her entire vacation.

Mr. Junkman says he will spend his vacation at home preparing work for the remainder of the term.

Mr. Geere says that he expects to stay sober and remain at home.

Mr. Whitenack will spend Christmas at River Falls.

Miss Hathorn and Miss Gibson will be at River Falls and Minneapolis.

Miss Bradley will be at her home in Menomonie, Wisconsin.

### Rural Life Notes

Due to conflicting organization meetings, basketball games, parties, and holidays the Rural Life club will not meet until after the Christmas vacation.

Miss Muriel Harer who completed her rural course at the end of the first term is now entered in the primary department.

Mr. James Mulheron also completed his rural course at the end of the first term. He is now taking the principal course.

Lucile Switzer, Ann Vick, Blanche Stockwell and Bernice Sheilta are practicing teaching at Centerville. Mabel Larson, Minnie Harman, Cynthia Jerry, and Irene Seichart are at Liberty Hill.

### W. A. A.

The W. A. A. had only a short business meeting last week because the girls wished to attend the game between St. Olaf and River Falls. The program which is usually given was omitted.

Basketball is the girl's sport which is in season now. Practise is held every Tuesday and Thursday at four o'clock. All the girls interested in basket ball are asked to attend these practices.

### Truck Bucks; Aggies Pay Heavy Toll

Crossing the Hudson toll bridge three times in less than fifteen minutes was the experience of two college men recently.

The jinx of the poultry show seemed to have followed them on this trip. While no turkeys or geese escaped from the crates, another unexpected ailment seemed to have developed with the college truck.

Their motto was try, try, again but each time they reached the upper part of the toll bridge, the lusty engine coughing all the way up the steep slope seemingly died from over-exertion and in a care-free manner descended the hill. This trouble likewise developed on the second attempt with the goal but a few yards away.

Not to be outdone, however, the truck was brought back to the bottom of the hill again and then with a rejuvenated spark plug, the throttle to the floor, coughing, spluttering, wheezing, the little engine spluttered its way over the hill much to the comfort of William Turner and Watler Pauling, the two students who established the new record in cross-toll bridges.

### Falls Wins Over Hamline 44 to 28

River Falls bid a grand slam Monday night and made it, as Klandrud's A and B squads trounced the Hamline A and B squads by 44 to 28 and 15 to 11 scores respectively on the local floor.

In the first game, the Falls lost little time in showing their superiority. With Berven leading the way, they piled up a lead of 23 to 14 at the half. Substitutes were used freely by Coach Klandrud with good results as every man sent in had a hand in the scoring.

The visitors were somewhat handicapped by the ineligibility of Ed Johnson, their center and former River Falls star. They put up a game battle, however, featured by the play of Manilla, a guard.

The B squad game was much closer and harder fought. After trailing 5 to 4 at the half, the Falls B team came back in the second half mainly through Mattson's shooting to win the game. Isaacson, and Mads showed lots of promise as future varsity material.

### Training School Notes

The Girl Scouts of the training school are going to put on a candy sale to earn money for their organization.

Evidence of the coming of Christmas is at hand in the training school, for on all sides one may see Christmas greens, wreaths, and pictures of the Madonna and of the Christ Child. Pictures of Santa hold a very prominent place.

A dove or pigeon came and perched in the open window of the fifth grade room Wednesday afternoon. It stayed and watched the children all afternoon. They were unable to decide to everyone's satisfaction whether the bird came from President Hoover or from Santa Claus.

The practice teachers for this term in the grammar grades and the junior high school are: Lucile Hawkins, Lillian Keilholtz, Frances Smith, Marie Doverspike, Cornie Amundson, Thelma Haga, Maxine Blaine, Bonnie Lou Zwickey, Margaret Hellweg, Blanche Maxwell, and William Larson.

Following is the honor roll for the first term: Seventh grade; Mary K. Prucha, Lenore Anderson, Glen Crowley, Harry Holtz, Charles Stratton; Eighth grade; Robert Moser, Ruth Milbrath, Lucille Kay, Shirley Dopkins, Melvin Greene, Gordon Clark, Charles Heinrich; Ninth grade; Lucile Spriggs, Elza Lou Hanna, James May, Merrill Samuelson.

Those on the honor roll for perfect attendance and no tardiness are as follows: Ninth grade; Elza Lou Hanna, Margaret Carey; Eighth grade; Howard Junkman, Shirley Dopkins, John Swartz, Izola Crain, Eveline Anding; Seventh grade; M. K. Gutzler, Blanche Eastman, Lenore Anderson, Phyllis Gutzler, Keith Barry, Earl Keith, Edwin Rosenberg, Thomas Alton.

Gretchen Grimm is practicing teaching in music in the first and the sixth grades.

The practice teachers for the primary and intermediate grades for this term are: Amelia Stahman, Almeda Rademacher, Emma Strehlow, Ella Atwood, Anna Glass, Eleanor Knutson, Marion Bredahl, Gertrude Klein, Emily Hintzman, Dagmar Ryan, Christine Nogaard, Lyleth Jensen, Myrtle Cotts, Helen Shafer, Ida Kreuziger, Agnes Christianson, Ethel Lubich, Elizabeth Dodge, Ruth Lindh, and Mrs. Vera Hestakin.

The practice teachers in these grades for last term were: Fern Ashenbrenner, Emmaline Nelson, Luella Gregerson, Ruth Vold, Edna Larson, Eda Kreuziger, Stella Healy, Ruth, Achenback, Blanche Moser, Luella Hermanson, Alice Trombower, and Beatrice Sabin.

"Why don't you get out and hustle? Hard work never killed anyone," counseled the philosophical gent.

"You're mistaken dar, boss," replied Rastus, making a touch, "Ah'se lost foah wives dat way."—Pathfinder.

### The Spotlight

Illuminating the Higher Things in Life :-

We have been asked to nominate to the hall of fame the one who can consistently eat his meals at the college cafeteria with his lady friend.

Keep up the good work, Buske. You have a chance.

It seems that debaters have rather conceited ideas in securing publicity. Several "Home Town" papers have been running startling streamers of the success of the home talent. We wonder who their press agent is and what his fee is. Even the front page of the Student Voice has been converted into a Forensic Tabloid.

I wonder if the White Elephant that the Y. M. C. A. had for their Christmas party was borrowed from one of the G. O. P. posters.

A person will have to be a little careful about wearing those nice ties that were given as presents at the Y party. One might run into the giver's roommate.

As we pass through this period of financial depression, people begin to cast aside their usual indifference and ask—to where is this new strange monster called industry leading us? Has it reached its zenith and is making the downward trend toward the time when its victims are hopelessly mechanical in spirit, devoid of the capacity to appreciate art, poverty stricken in creative genius, rough in manner,

and overbearing in conduct? This question cannot be answered by any of us but surely it is something that merits some of our attention.

### Reward! Reward!

The Student Voice is offering a cash prize of three dollars to the student or faculty member who suggests an appropriate nick-name that will designate River Falls athletic teams in the future. A committee made up of faculty members, alumni, and students will judge the names and select the best one.

The following conditions must be followed:

All suggestions must be in by January 15, 1931.

Put down your reasons for suggested nick-name.

The name must be associated with school tradition, school spirit or school history. For example, the Carroll Pioneers are so called because they were the first college in the state. The Badgers of Wisconsin are so called because they represent the Badger state.

Drop your suggestions in the box in Mr. Eide's room. Sign your name. All names submitted will be printed in the Voice after the awards have been made.

We wish you a Merry Christmas and a Happy New Year
