NUMBER 12

CROP AND POULTRY SHOW WAS A GREAT SUCCESS

The Crop and Poultry Show that was held November eighteenth and nineteenth was the most successful of its kind ever held here. This is the second time that poultry was included in the show, and entries this year were double that of last. There were 257 birds shown. Practically every breed of poultry was represented by exhibits. There were 47 exhibitors of poultry and 43 exhibitors of crops.

The judging of the poultry was done by Professor Hayes of the University of Wisconsin, and Professor Briggs judged the crops. A program was carried out Friday afternoon. Professor Hayes gave a very interesting demonstration on culling poultry. This was one of the finest talks on poultry we have ever had here. Professor Briggs gave an excellent talk on liming and alfalfa.

The educational exhibit attracted a great deal of attention. These exhibits were largely arranged by students of the Normal school. Probably the one attracting the most attention was a milk exhibit. This showed the food value of milk compared with our most common foods. Many were very much surprised at the high value of milk, and the fact that it was the cheapest food that one can buy. This exhibit was very attractively arranged. Another exhibit that proved interesting was one showing a farm lay-out. A farm was represented, showing poorly arranged

fields and a poor selection of crops, which were growing. Right next to it was the same farm with well laid out fields, and a rotation of crops was found growing. It showed very forcibly the importance of having well laid out, even sized fields, and the value of a rotation. In the same exhibit was a series of buildings well arranged, showing the value of having attractive and well arranged farm buildings.

A lime exhibit showed by pictures the value of lime to many of our crops. Samples of rock in this vicinity were also exhibited. An analysis of these rocks has shown that our rock has superior value for lime purposes. The method of testing the soil for acidity was also shown, as well as weeds that are commonly found on acid soil.

The crop exhibit showed the varieties of pedigreed grains that are suitable to Pierce county. The common diseases that effect our common grains also was shown. A series of charts indicating the feed value of our different crops in Pierce county was shown. The value of a purebred sire was shown by a series of charts. A large map of Pierce county showing the number in each township, gave the information that the percentage of purebreds in this county is very low. A recent survey indicates only

(Continued on next page)

RURALS VOLLEY BALL CHAMPIONS

A series of volley ball games proved the superior prowess of the rurals in this field of athletics. In the final series the sophomores won from the freshmen, the rurals defeated the sophomores, and the juniors carried off the honors in the junior-senior game, leaving the rurals and the juniors to compete for the championship. It was agreed that the winners of four games out of six should be called the champions. It proved to be unnecessary to play the six games in the deciding contest on Tuesday night, for the rurals won the first four games hand running. The closeness of the scores in these games, however, lent zest to the occasion; and both rurals and juniors were well supported by enthusiastic rooters. The players on the winning team were Gladys Seng, Antonette Jacobson, Gladys Sheldrew, Mildred Seng, Minnie Albrightson and Dagmar Slatter with Georgania Singleton as substitute. These girls are especially to be congratulated since none of them had ever played volley ball until this fall.

It is hoped that the rural department may be well represented in the approaching basket ball season.

SENIOR-JUNIOR DANCE FRIDAY NIGHT

The senior class will give a dance in honor of the junior class on Friday night. This is an annual affair and always attracts keen interest from both classes. It tends to arouse a class consciousness and to promote a friendly relation between the two classes. The members of the junior, senior, and third year senior classes and the faculty are invited. A six-piece orchestra, consisting of piano, trombone, saxophone, violin, trap and clarinet, will furnish the music.

ATTENTION!

Young women who have made recent changes in program are requested to make corrections in my office as soon as possible.

Signed Irma Hathorn
Dean of women

Mrs. Gallup and Mrs. Konichek were callers at school Monday.

LETTERS AND SWEATERS AWARDED TO THIRTEEN FOOTBALL MEN

At a recent meeting of the Athletic Council it was voted to award the official letter and sweater to thirteen men of the football squad, for the work which they did during the past season. The following men will receive letters and sweaters: Bliss, Murphy, Clapp, Otterson, Chinnoek, Smith, C. Morgan, Gurnoe, Quinn, Johnson, Fahland, Olson and Gerretson.

As announced early in the season, by the council, the athletic award and jersey will be given to the following men, who, by their constant endeavor and never flagging interest in the scrimmages, night after night, since the beginning of the season, made the northern championship a reality: Davis, Schroeder, Nohr, Seefeldt, Katter, G. Morgan, Melvin, Vennes, Will and Keifer.

EGGEBRECHT STARS IN CHICAGO WISCONSIN GAME

(From the Daily Cardinal Sunday, November 21, 1920.)

"Substituting for Weston in the second quarter, Otto Eggebrecht was the

Don't forget to get our PRICES on CLASS PINS & RINGS

C. F. Winter

individual star for the Badgers. He was down on every punt tackling the Maroon receiver in his tracks, while his ability in receiving forward passes was the one redeeming feature of the Badger aerial attack."

With reference to the football men who will soon joint the basketball squad it says of Eggebrecht: "Among the football men is Otto Eggebrecht, who was considered one of the strongest Normal school centers in Wisconsin during his two years on the River Falls Normal quintet."

Helen Wiff spent the Thanksgiving recess at her home in River Falls.

Miss Goble of the St. Cloud (Minn.) Normal was a guest of her uncle, Prof. Goble over Thanksgiving.

Crop and Poultry Show Great Success

(Continued from first page)

18 per cent. The University of Wisconsin had a large exhibit covering the entire east wall of the gymnasium. This was very attractively arranged, and the series of pictures entitled "The Farm that Jack Built," proved very interesting and instructive.

Mr. Courtice has has been very busy the last few days hauling straw from Mr. Bliss' farm.

The herdsman finds it necessary to milk the cow which Mr. May bought at the sale a few weeks ago, four times a day in order to get all that is coming to him. The cow is on the test and a reward is is offered Mr. Johnson if the cow makes a good test. One of those long forget of good times is what Mr. Johnson's reward is. We all hope the cow makes a good record.

Mrs. Konichek from North Dakota is visiting with her son, Darland Konichek of the freshman class, and other relatives here.

SEE THE NEW KINDS of STATIONERY at FREEMAN'S DRUG STORE

HOSPITAL BENEFIT ENTERTAINMENT

The entertainment for the benefit of the hospital was given Friday and Saturday evenings, Nov. 26 and 27. Because of the fact that it was given during Thanksgiving vacation it was not the success that it might have been. Nevertheless the townspeople supported it loyally in the absence of the students and together with the actors they are to be congratulated for making the entertainment a success.

The first part was a peppy minstrel show. The chief characters were Hi Henry, John Gerretson; Billy Rice, Ogden Classon; Al. Jolson, Royce Dodge; Lu Doxtator, Erwin Davidson; Mr. Tinney, Gilbert Anderson; George Van, Swen Olson, and three other minstrels, Thales Webster, Tommy Finley, and Galen Kirscher. The jokes cracked by these men were new and original and, aided by the chorus, they gave several snappy songs.

The second part of the program consisted of scenes from the world war, showing how our boys felt "Over There" and what they did. This was given in four parts.

1. The soldiers' camp-fire scene.
2. His dream of his sweetheart.
3. His dream of home.
4. The soldier's dream comes true.

The third part portrayed four scenes from Romeo and Juliet. Royce Dodge played the part of Romeo, Miss Taggart the part of Juliet, and John Gerretson the part of the Monk. The four scenes were:

- The balcony scene
- The wedding scene

The pation scene
The death of Romeo and Juliet.
This last part supplied the pathos and made a very good end to an enter- taining program.

JUST GIRLS

Part of the assembly period was given over to a meeting of the Just Girls organization. A new regulation was passed which applied principally to girls who did not live in town. Under this regulation girls leaving town on any occasion are requested to sign their names, their destination and date of leaving in a book which is placed just outside Miss Hathorn's office, in the girl's rest room. Upon returning to town the girls are asked to place the date of the return after their name. This is only a small thing for each girl to do but taken all together it greatly facilitates the matters for the Dean of Women if this request will be carefully noted.

DEBATE PROSPECTS PROMISING

Prospects in debate are unusually promising this year. Thirty-two students, twenty-six men and six women, will compete for the eight places on the squad in a try-out to be held just before Christmas vacation. The question chosen for this year is: Resolved, that Congress should repeal the Esch-Cummins Transportation Act. This is a live question and the debates held later in the year should prove interesting as well as instructive.

NOTICE TO THE ALUMNI

The Meletean staff announces to the alumni, the sale of student directory. The book this year contains a complete directory of the class of 1920, hence it ought to be readily accepted by last spring's graduating class. Those desiring a directory can obtain one for twenty-five cents post-paid. Send your orders to John Williams, Business Manager.

LINCOLNIAN

The regular meeting of the Lincolnian society will be held Wednesday evening at 6:45 in Mr. Mitchell's room. The program will consist of a drill in parliamentary procedure. Mr. Mitchell will give a talk explaining the main points in regard to the various motions. Following this a chairman will be elected and some practice in putting the motions will be held. This will be an important meeting. All members are urged to be present.

Y. W. C. A.

The Y. W. C. A. is planning an open forum meeting for Thursday evening. If you are in doubt as to the meaning of this meeting, come out and see, so tell others about it. The meeting will be conducted by the president.

AURELIA

The joint meeting of the Aurelia and Lincolnian will not be held this week as planned. But the program for Aurelia is going to be a good one, so do not fail to come anyway.

VOICE BUSINESS MANAGER RETURNS TO SCHOOL

Paul Cudd, who was business manager of the Student Voice last year, returned to school the beginning of the second quarter.

He will again take charge of the business end of the paper, with Leo Shannon as assistant.

CAGESTERS BUSY

During the temporary lull, which marks the interval between the conclusion of the football season and the opening of the popular winter sport, our fans, dopsters, etc., are all busy making their predictions for the coming basketball season and awaiting its arrival with eager anticipation.

We are all enthusiastic about our possibilities in this line. This enthusiasm is not of the overbearing, unwarranted type which arises through failure to make ample allowance for the opposition, but rather the type which comes through careful and liberal comparisons and close investigations.

The coming season will see a team of veterans in the field. Three of last year's regulars are here to continue where they left off, and in addition to this Coach Chandler is blessed with an abundance of material, all of which is familiar with his system of coaching.

First Scrimmage Opened Saturday

The daily practices which began some three weeks ago took on a more tense form Saturday night when

friend "Scrimmage" put in his initial appearance.

Superior First Conference Opponent

The conference schedule is not completed as yet, but our first conference game will be played at Superior February 4. On their way back home the boys will stop off at Hibbing, Minn., and take on the Hibbing Junior college quint of that place on the 5th. The return game with Superior will be played here February 18th.

The first home game, which was announced in a previous issue as coming on December 11, has been set ahead one day. The official date being December 10th. The team is none other than Coach Mitchell's Minn. Aggies. The game will undoubtedly be a hard fought contest, as it will be remembered that Mr. Mitchell officiated in the major portion of our games last year and it is not likely that he went home none the wiser for his observations. It is therefore reasonable to suppose that he will come here with a quint that can rise to the occasion and handle themselves creditably.

The Wisconsin game has been postponed from the 7th to the 13th of December. The postponement seems to be due to complications on Doc Meanwell's end of the line. The game with Minnesota U. is also pending but is very likely to be played at Minn. Dec. 18. It appears that Messrs. Meanwell and Cooke are reluctant to take any chances.

ANNUAL FOOTBALL BANQUET

The grand annual football banquet, given annually by President and Mrs. Ames, and Coach and Mrs. Hayward, will be given at Prof. H. E. Hayward's home this evening at 6:30 o'clock. The honored guests are the members of the first squad. Other guests are Regent P. V. Ramer and the members of the athletic council. This is an annual event that the football men appreciate very much.

The banquet will be followed by speeches and it is the occasion of the election of a captain for next year's football team.

Y. M. C. A.

The Y. M. C. A. will hold its regular meeting Thursday evening. Mr. Malott will give a talk. Chalmers Davee and George Cairns, delegates to the Y. M. C. A. convention at Madison, will give a report of the meetings held there.

LOCALS

Ethel Nelson of Fairchild spent the Thanksgiving recess in River Falls. While in town she received word that the school building at Fennimore burned to the ground, causing a complete loss.

Mildred Roach and Helen McDonald of Ellsworth and River Falls, respectively, returned to their school at Fennimore Saturday.

Katherine Shannon attended the wedding of her sister Thanksgiving.

Agnes Walker, who is teaching a Grantsburg, spent Thanksgiving at her home in this city.

Kendall Wentz, class '20, was here for Thanksgiving, and the week-end following.

Ada Tubbs, who is teaching at Athens, spent the Thanksgiving recess at her home in this city.

Rice: "Tony, where do you get the nickname 'Axle'?"

Tony: "Oh, you don't know that eh? Well, it's because I work in the hub."
