Women Play For Cage Title

Junior Teams Prove Their Superiority

At last we may relax from the strain under which we labored for three days of last week. The girls' basket ball tournament is over! The Juniors are again on the top of the heap, having defeated both the Senior first and second teams in two consecutive games. The first game, between the Junior and Senior first teams, was closely contested, the Juniors winning by a score of 16 to 13. The good shooting of Edith Brown was a feature of the game. The second game between these teams also resulted in a win for the Juniors. This game was not so close, the score being 15 to 8. In both these games, Miss Wirt was forced to caution the Seniors against rough playing.

The Junior-Senior second team games, while somewhat slower were nevertheless hard fought. The first game was won by the Juniors with a 7 to 3 score. Vi White, playing guard for the Seniors, displayed plenty of fight. In the second game Agnes Vennes, playing center for the Juniors started the scoring by putting the ball, after several vain attempts, into the Senior basket. Although this was a handicap, it did not daunt the Juniors, who pulled from behind and won 12 to 6. The Seniors again had to be cautioned against rough playing.

The Sophomores and Third-Years were forced to play three games to decide the victory. The Sophomores won the first game 18 to 8. M. Pederson starring with four field goals and two free throws. In the second game, the tables were turned, the third-years winning 15 to 8. Dorothy Baird starred for her team, making five field goals and one free throw. The third game was closely contested, but the Third-years managed to slip in ahead with 14 points to the Sophomores 12. D. Baird again starr-

G. O. P.—FRONT AND CENTER

The G. O. P. upheld its reputation for pep by putting on a lively skit at Assembly last Thursday. It was mainly a resume of the school activities of the year, especially athletics, by a group of G. O. P. campers for the benefit of a new girl. The charms and fascinations of the G. O. P., athletic contests, and especially the members of the basket ball team and Coach Eggebrecht, were related by the Gops in songs and story to the great delight of the whole audience, not excepting the basket ball men. The assembly programs arranged by the different organizations this year have been excellent. Let's have more of this type.

Baseball Men Become Active

Good Schedule Has Been Arranged

Twenty-five men are reporting for baseball practice every afternoon in the gymnasium. The old men back are Hyatt, catcher; Luther, first base; Miles, shortstop; Shannon, second base; Keyes, pitcher. The new men showing up as good material are; Gurnoe, of River Falls; Red Clanton, Shell Lake; Donald Fields, Red Wing; Ziebell, Wausau; Myles Smith, Mondovi; Gardner of Elmwood, and "Doug" Smith of River Falls.

Indications are that there will be a much stronger team representing the school this year than there has been for some time. There will be a hard fight for infield material as most of the candidates have good baseball reputations.

Schedule:

April 17, River Falls at St. Olaf

April 28, St. Thomas at River Falls

May 4, Luther at Luther

May 5, Stout at River Falls

May 18, Luther at River Falls

May 26, River Falls at Stout

Track and Field Meets to Blend With Ball Games

Mr. Eggebrecht has completed the schedule for track events. The call for track men will be issued soon.

May 5, at home Stout meets River Falls in baseball in the forenoon and in a track meet between the two schools is scheduled for the afternoon.

May 26, at Stout, a return game of baseball is scheduled with Stout for the forenoon, and a triangular field meet for the afternoon between Stevens Point, Stout and River Falls will be held.

Mr. Mitchell will lead the Easter sunrise services of the Epworth League and Christian Endeavor Society at the Congregational church next Sunday at 7 o'clock. Both societies will furnish special music.

OLD TIMERS RECEIVE PERSONAL INVITATIONS TO THE JUNE REUNION

Class Officers are Calling Their Members Together

Officers and active leaders of the classes holding special reunions this year are now receiving invitations to arrange class reunions during commencement week. During the last few days many messages have been sent out from Alumni headquarters to those who have helped make the history of River Falls during '88, '93, '98, '03, '08, '13, and '18. It is expected to secure a record attendance for the big gathering of alumni, the June Reunion.

The Text of the Alumni Message

"As a member of the class of '88 you are particularly invited to attend the Normal Alumni Reunion in June.

"As you probably know, the Alumni Association of this school is putting on what is perhaps the biggest campaign ever put on by any normal

school of the state to bring the old-timers back for reunion. It has made tremendous strides during the past year. Last June the class of '17 had over 50 per cent of its members back for reunion; and the old school has never seen a livelier time than that. Then last fall the first Home-coming, sponsored by the Alumni, proved a wonderful success in every way. No one who attended that affair could ever suggest but to continue with that great precedent and make home-coming a tradition for River Falls.

"Plans are now taking final form for the very largest gathering of loyal alumni we have ever had. Classes graduated during years ending in '3 and '8 have special reunions this year. We know it is possible to have a house brim full of old timers, and we ask your co-operation to put it across.

"Generally, it takes only a mere mention by someone in the class to stir up that dormant feeling and bring them back for as nearly a 100 per cent attendance as possible.

"Won't you write us about a reunion of '88 grads?"

STATE BASKET BALL TOURNAMENT

The finals of the State Basket Ball tournament at Madison were played Saturday. The University High School of Madison defeated Oshkosh 26 to

13, deciding the first two places. La-Crosse barely nosed out Stevens Point in a close game deciding the third and fourth places.

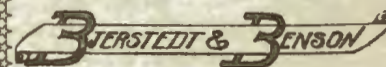

The following were selected for positions on the All-State team.

Forwards:	
Nelson	Wisconsin High
Martell	Two Rivers
Center	
Hotchkiss	Oshkosh
Guards:	
Briese	Appleton
Weigent	La Crosse

New Richmond representing this section were eliminated in the first round by Oshkosh. Score 29 to 12.

ed with six field goals.

Dorothy Baird was the high-point getter of the tournament, scoring 27 points, as an average of 9 points per game. M. Pederson of the Sophomores followed with an average of 7 1-3 points per game. Edith Brown was third with 6.5 points per game.

The boys of the school seemed to enjoy the games although they were sometimes puzzled by the actions of the players or the decisions of the referee. Ye scribe endeavored to remain within speaking distance of some girl, in order to secure information on obscure points.

The picked teams are as follows:

- | | |
|--------------|---------------|
| Centers | |
| L. MacNamara | N. Roeser |
| Forwards | |
| E. Brown | D. Baird |
| F. Ellsworth | O. Gaustad |
| Guards | |
| F. Bennett | E. Johnson |
| H. Mooney | R. Myers |
| Substitutes | |
| L. Demulling | M. Clapsaddle |
| C. Kelly | M. Pederson |

Miss Wirt has done a great deal in developing girls' athletics in this school, and we hope she will carry on the good work. We have seen this year that girls can play basket ball. Let's give them a chance.

**STATE DEBATERS
MEET TONIGHT**

The final debates between the three normal schools contending for the state championship title will be held to-night, when the Oshkosh affirmative team will meet the Superior negative team at Superior; the Superior affirmative meet the Whitewater, and the Whitewater affirmative the Oshkosh negative at Oshkosh.

**STEVENS POINT ORATOR
WINS STATE HONORS**

A most successful state oratorical contest was held at Milwaukee, when the representatives of the nine Normal schools of the state met to compete for honors in oratory. This contest, held March 17, was very close, the results showing very small differences in the scores of the winners of the first six places. First honors went to the Stevens Point orator and second place to Superior. Our local representative, Mr. Liebenberg, winning sixth place, made an excellent record for himself and the school.

In the system of judging carried out in the contest, the coaches from the various schools judged all orators except their own, this making a total of eight judges for each speaker. Each scored from one to eight points.

At a meeting held at Milwaukee during this contest, it was decided to hold hereafter extemporaneous speaking contests at the same time and place as the oratorical meet. Professor Mitchell has stated that he will soon call for students to begin work in forensics this spring.

THE WIZARD OF OZ

A hilarious two hours was occasioned by the showing of the movie, "The Wizard of Oz." As is often the case, the movie was much different from the book, but it proved to be a fairy, or rather a witch story of great interest to all the children and to all those who have not yet lost their truth.

Virginia Hoesser and Mildred Heid-

brink, accompanied by Pauline Norseng, sang two groups of songs in their usual pleasing manner. Elva Clubb furnished the "orchestra" music.

This entertainments was the second of a series of three movies put on for the benefit of the Normal's publicity work. The third one, "Grandma's Boy" will appear April 13 and 14.

Bailey Webster works at the Farmers & Merchants bank occasionally. Last Saturday at the bank he seemed deeply interested in figuring with the adding machine. Finally, Mr. Knoble asked him what he was doing, and Bailey replied, "I'm trying to figure out how many hairs a caterpillar will have to lose to get bald." Some Normal school lads have high aspirations, don't they?

**COMING!
Harold Lloyd
in
Grandma's Boy**

It is in five reels and its laughs, thrills, and suspense are built around a theme as serious as the psychology of fear. Lloyd is seen as the bashful small town boy, afraid of his own shadow. When his little old-fashioned grandmother comes to the rescue with her great wisdom and teaches him the meaning of self-confidence, he makes the sleepy little town of Blossom Bend, and the girl in particular sit up and take notice that the worm has turned.
