## Slater Announces New Menu Policy For Spring Term

The Slater Food Service Management has announced a change in its menu pricing policy for the Spring Quarter. In an effort to give the students the type of food service they desire—one tailored to meet their specific needs—breakfast and lunch and dinner will be offered on an a la carte basis only. Each food and beverage item will be individually priced.

The full-priced meals at \$4.00, \$6.50, and \$9.00 have been discontinued. Purchasers of meal tickets will be served a complete meal.

To carry out this service the two lines will operate during the lunch period. Breakfast and dinner will be served on the a la carte basis and for meal ticket holders at the south line.

The meal ticket concept will continue for those students who want to take advantage of the greater savings offered under this plan. Slater will continue to see the 15-meal ticket for \$8.75 and the 21-meal ticket for \$10.

It is quite natural for Slater to want the students to buy meal tickets because it provides a system whereby they can budget their funds and be guaranteed 15 or 21 nutritiously balanced meals each week. A student who purchases a five day meal ticket buys his meals at an average cost of less than \$.59 per meal. Holders of the seven day ticket

## Like; Some Cool Cats To Emerge With Bop

One of the latest fads will materialize on campus this week as the sophomore class will be sponsoring a "Beatnik Dance" on Saturday evening, March 19, in the Student Center recreation room. Music will be provided by the Continentals from 8 to 11:30 p.m.

The dancing area will be decorated in the stereotype beatnik fashion, with dark lighting and contemporary paintings. Beatnik refreshments will be served on candle-lit tables with checkered table cloths. Guests will have a chance to recite or read beatnik poetry.

Prizes will be awarded for the best beatnik costumes for both singles and couples. First and second prizes for couples will be \$3 and \$2, and for singles \$2 and \$1.

Admission will be 60 cents for couples and 35 cents for singles.

## Former College Women To Attend Alumnae Day

Women who were students at River Falls College have been invited back to their Alma Mater for an Alumnae Day to be held on Saturday, March 19. It is planned that the Alumnae Day will become an annual event.

Theme of the one-day conference will be "The Position of the College Educated Women in the Community". Invitations have been sent to all women graduates from the surrounding Minnesota and Wisconsin area.

Mrs. Lucille Garley Blank, of St. Paul, will give the keynote address. She is the only woman to have served on the Board of Commissioners of Ramsey County and was a candidate for the State Legislature in 1958. A former teacher, Mrs. Blank is pre-

## Crane Subject of Article In March Issue of 'motive'

James Crane, chairman of the art department at River Falls, is featured in a 12-page article in the March issue of *Motive*, magazine of the Methodist Student Movement. One of his recent paintings, "Last Judgment", appears in color on the cover page.

The article concerns Crane's background and experience, and features several of his paintings and wood sculptures.

Crane is essentially an expressionist painter. That is, he is more concerned with stating the innermost human emotions, than with the surface, visual aspects of the world. Techniques, as such, have never been his concern, according to *Motive*.

Crane is highly critical of conventional religious art. He claims that a religious painting is religious in content rather than subject matter, exploring the deepest concerns of the artist and challenging the concerns of the viewers.

"Any painting is religious if it honestly probes the meaning of life, the meaning of existence," he adds.

Crane's art has been exhibited at several national public displays, throughout Michigan, Indiana, Nebraska, Kansas, and North Dakota.

Religious paintings and sculptures by Crane were recently displayed at the St. Cloud State College in Minnesota. The exhibit was the feature of the college's Religion-in-Life Week. Mr. Crane was an art instructor at St. Cloud in 1957-58.

## Enrollment Figures

The Registrar's office reports that spring quarter enrollment is down in comparison to last quarter. At the end of the week, enrollment figures stood at 1186. Winter Quarter enrollment was 1231, a drop of five from the fall quarter total of 1236.

A further and more complete breakdown of the enrollment figures will be released at a later date.

## NCTE to Discuss Lewis' Works

A student-faculty panel will discuss Sinclair Lewis' novels at an NCTE meeting tonight in the Social Room at 8 p.m. The four panelists will be Patty Ross, Mary Ziegeweid, Dr. Walter Engler and Dr. Clarence Storla.

Sinclair Lewis, the first American to win the Nobel Prize for literature, was born in Sauk Centre, Minnesota, which in spite of denials is generally considered to be the original of Gopher Prairie in *Main Street*, just as Zenith in *Babbitt* is mostly Minneapolis. His father, Dr. Emmet J. Lewis, was a country doctor who gave his son much of the background for Dr. Kennicott in *Main Street* and some of that for *Arrowsmith*.

Sauk Centre is honoring Sinclair Lewis by a year's commemoration of the 75th birthday anniversary of the Nobel prize winner. The commemoration began last month when the people of Sauk Centre opened "Sinclair Lewis Main Street Year" in the Sauk Centre high school auditorium. A committee is considering buying Lewis' home to establish a shrine to the novelist.

## Music Groups Schedule Area Tour March 17-18

Approximately 120 members of the River Falls musical organizations will leave this week on their annual concert tour to area communities. The organizations going on the tour by chartered Greyhound this Thursday and Friday, March 17 and 18, will be the Symphonic Band, Concert Choir, Brass Ensemble, and the Men's Chorus.

The purpose of the concerts, which will be presented in the local high schools, is for the enjoyment of residents of communities from which River Falls College draws students.

On Thursday morning, the group will play at the Hudson high school. They will then move on to Amery, where they will be entertained at a luncheon and give an afternoon concert. The tour will then return to this area, for an evening concert at Ellsworth.

Friday morning, the group will play at Somerset, and will then be guests of the Somerset community for lunch. They will then go to Osceola where they will give an afternoon concert. Friday evening, the group will be seen in the Baldwin high school auditorium.

## YOUNG DEMS SENDING MEMBERS TO RACINE FOR STATE MEETING

The Young Democrats Club of River Falls is attending the state convention of the Young Democratic Clubs of Wisconsin in Racine March 18 to 20. Over fifty delegates will be representing the college at this convention. It is expected that more than 250 delegates and guests will be attending the convention from all parts of the state, according to the campus chairman, Larry Gansluckner.

The convention will open Friday night with Senator Hubert Humphrey giving the keynote address. The speaker for Saturday evening's banquet will be Senator John F. Kennedy. The highlight of Saturday evening will be the crowning of the "Miss Wisconsin Young Democrat". The entrant in this contest from River Falls will be announced Thursday, March 17. The convention will close on Sunday with the election of new state officers to serve for the coming year.

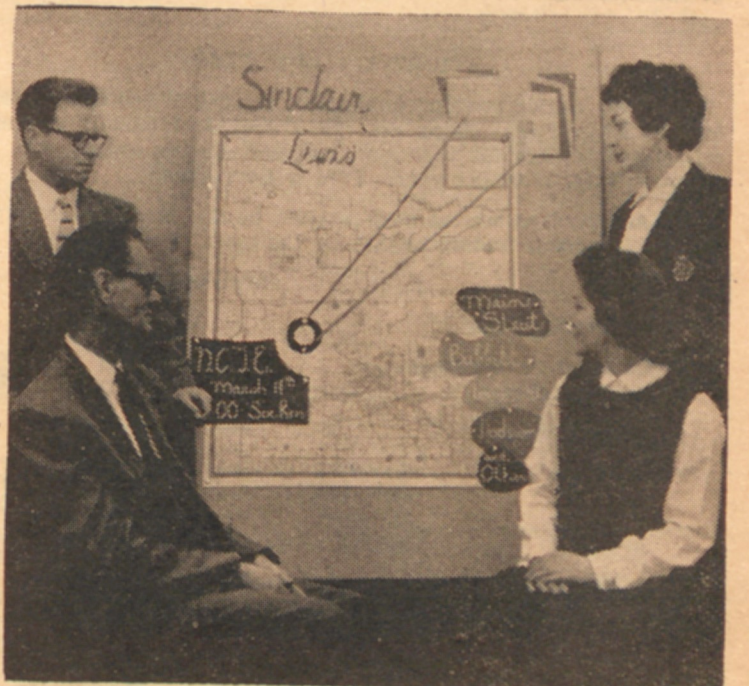

## 'Politicos' Flock To RF Campus

Political activity in Western Wisconsin continues to center on the campus of Wisconsin State College at River Falls. Latest announcement is the appearance of Franklin D. Roosevelt, Jr. scheduled for Tuesday, March 15, at 3 p.m. The son of the former president will speak in support of the candidacy of Sen. John Kennedy of Massachusetts.

Both Sen. Kennedy and Sen. Hubert Humphrey of Minnesota, opponents in the Wisconsin presidential primary, have appeared on campus.

On Wednesday, March 23, Robert Kennedy, counsel for the Senate committee investigating labor practices will discuss "Racketeering in Labor Unions." His speech is scheduled for North Hall auditorium at 8 p.m.

The college will be host Tuesday, May 3, to Mrs. Eleanor Roosevelt who will make the first address in the new Health and Physical Education building at River Falls.

# The Editor Speaks . . .

Those of us who have been chosen to edit the *Student Voice* for the next three quarters will try our best to maintain the present high standards of this official publication of Wisconsin State College at River Falls.

We would like to take this opportunity to congratulate Warren Rogers and his most loyal and capable staff for the many struggling hours they have put in during the past year, and for the fine quality of work they have produced.

I am open to any suggestions from faculty or students upon improving "The Voice", and am hoping eagerly — almost desperately — that we will receive the fine cooperation from organizations which has been enjoyed in the past. I would also like to encourage anyone who is interested to join our staff.

Patrick M. O'Connell

## AROUND THE CAMPUS

### Student Teachers

All students in secondary education who expect to be doing their student teaching either in the Fall or Winter quarters next year must see Dr. Siemers by Friday, March 18, at the latest.

### Prologue

Anyone wishing to contribute material to the Spring issue of the *Prologue* should turn it in now. Since the publication date will be approximately two weeks earlier to insure publication, it is important that contributors submit articles as soon as possible. Short stories, essays, features, poetry, and cartoons are needed. Contributions may be given to Carolyn Brown or left in the *Student Voice* office.

### NOTE

There will be an NCTE meeting tonight in the Social Room at 8 p.m. A student-faculty panel comprised of Patty Ross, Mary Ziegewald, Dr. Engler, and Dr. Störta will discuss Sinclair Lewis' novels.

### Kappa Delta Pi

Kappa Delta Pi will meet tonight at 8 p.m. in room 101 of the Student Center.

### Honors Course

The Honors Course will meet at 7 p.m. on Tuesday evening, March 15, at Hathorn Cottage.

### Young Dems

The Young Democrats will hold their regular meeting Monday evening March 14 at 8 p.m. in rooms 201-2-3 of the Student Center. Final plans for the St. Patrick's Day dance will be reported on at the meeting. Plans for the Young Democrats' State Convention to be held in Racine will be discussed. All members are urged to attend, especially those interested in attending the convention at Racine March 18-20. Free coffee will be served after the meeting in the private dining room of the Student Center.

### Newman Club

Ed Pronchinske will speak on "Why Newman is Our Patron" at the regular Newman Club meeting Tuesday night. Nominees for office will also be introduced. Free coffee and cookies will be served. Rosary is scheduled for 6:15 each night and Mass in the Newman Club Chapel each Wednesday at 5:15 p.m. A cost supper (40c) is planned for Sunday night at 5:30 p.m. at St. Bridget's dining hall.

### Music Students

All persons enrolled in Music 26 A, B, C. and Music 27 (Class Piano) will meet Monday (tonight) at 7 p.m. in 317S (Mr. DeJong's office) for scheduling purposes.

## Coeds Attend IAWS Meeting

Today's college student is ready for a higher level of achievement, academically, socially, and morally, than students of past generations, Dr. Edward D. Eddy Jr., vice-president and provost of the University of New Hampshire told women attending the IAWS Regional Convention at Purdue University.

The convention was centered around the theme "The College Influence on Student Character". Judy Monchilovich, Edith O'Mera, Kathy Hartwig, and Jean McMillan represented River Falls at the meeting on March 3 to 6.

Dr. Eddy, author of *The College Influence on Student Character*, delivered the keynote address. He described the students of today with such terms as conservatism, because he felt it accompanies prosperity, and privatism, because the student searches for and is concerned with a full rich life for himself. He said the primary goal of liberal learning should be "intelligent dissatisfaction."

Other features of the convention were discussion groups, elections, business meetings, and cultural events.

## Gameroom To Introduce New Accounting System

A new accounting system for the game room play in the Student Center has been announced by Mr. Richard Reynolds, Director of the Student Center. To become effective Wednesday, March 16, the new system will be an attempt to assist game-room attendants in their supervision of the area and to anticipate the desires of the financial auditors.

The following procedure will be followed:

1. Players will pay the game-room attendant for the time desired for their game.
2. The attendant will record the player's name and activity card number on special forms in duplicate, giving the carbon to the player.
3. The player will attach his or her copy to the clip fastened to the pool or ping pong tables. This signifies that they have paid for their play.
4. At the end of the game, when the players turn in their equipment they will also return their carbon copy. Until the carbon copy and equipment are returned the play will be considered to still be in progress and cost figured accordingly.
5. At the end of a play, when the carbon copy is returned, any financial adjustments for the time played will be made.

### SLATER FOOD—

(Continued from page 1) pay less than \$4.8 for each meal and affect an overall saving of \$3.65 for each week's meals.

The local Slater manager, Ray Loughlin, says he is open to suggestions and ideas to improve the food service consistent with the facilities of the cafeteria. Students are welcome to visit the office and discuss any problem which may arise, he said.

## Student Senate Minutes

President Curtiss called the February 29 meeting to order. The minutes of the February 22 meeting were dispensed with due to lack of time and will be submitted at the next meeting. Treasurer Ron Skone reported a balance of \$362.03 in the Student Senate Account.

Students have recently been employed by campus organizations as projectionists. No definite wage has been set for them as yet and the Senate has been requested to act upon this matter. Following discussion Arnie Kaluzny moved that a wage of \$.75 be established for students who serve as projectionists on campus. Chuck Norelius offered a second; the motion was unanimously carried.

Arnie Kaluzny reported on the recent meeting of the Student Governing Board. New members for both the Governing Board and the Social Committee are to be chosen soon. Also, a Junior Governing Board has been established for the purpose of public relations.

Albert Hadawi submitted to the Senate Constitution Committee a copy of the constitution of the Foreign Students Association of Wisconsin State College, River Falls.

It was then moved the meeting be adjourned; motion carried.

Sophomore forward Bobby Blizard's 21 points propelled the Eau Claire State basketball team past River Falls 80-74 at St. Bridget's gymnasium, February 27.

Eau Claire defeated the Falcons 78-62 earlier in the season at Eau Claire.

The win moved Coach Bill Zorn's Blu Gold into a three way tie in the WSCC race with Oshkosh and Platteville, each with 7-4 marks.

The score was tied six times, the last time at 43-43 with 14:30 remaining. Eau Claire held its largest lead of the game at 69-59 with about four and a half minutes remaining in the contest. The Blu Golds also led 36-31 at halftime.

Three straight field goals, two by Mick Collins, chopped Eau Claire's lead to 71-67 with 3:32 left. But that's as close as Coach Don Page's charges could come as former prep all-stater Jim Body once again lit the fuse which sparked the triumph, scoring ten straight points for the game, as did his running mate at guard Al Urness.

Eau Claire won the game from the foul line, meshing 20 of 28 attempts, while the Falcons hit 12 of 18 attempts.

From the floor River Falls hit on 31-67 shots for a very respectable 46%. Eau Claire hit 30 of 76 attempts for a 42% shooting mark.

Forward Mick Collins and 6-6 center Chuck Johnson paced the hosts scoring attack with 17 and 15 points respectively.

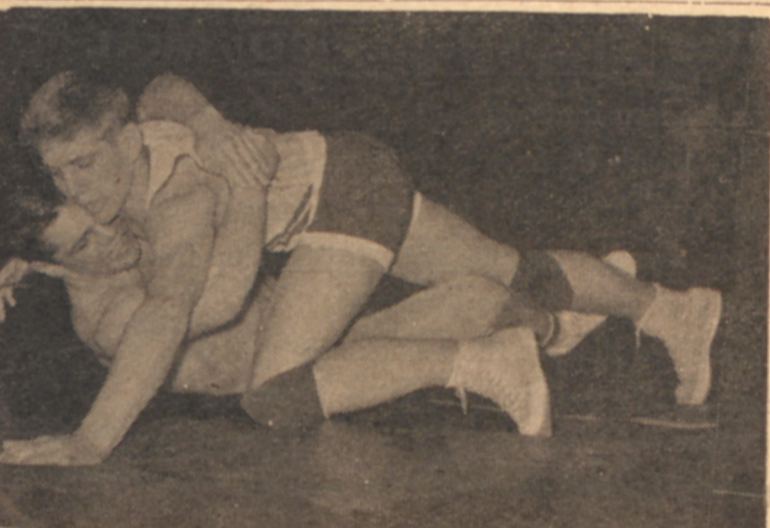

### Frosh Take Ninth Win

Coach Fran Polsfoot's freshman team completed their season with an astounding 112-66 victory over Westwood. The win was their ninth of the season, against three setbacks.

The frosh completely dominated play throughout the game. They held a 58-37 half time lead, which was increased during the second half. Tom Sempf led all individual scorers with 27 points.

River Falls' fighting Falcons make monkeys out of the odds-makers by smashing Superior's Yellowjackets with a lopsided 83-62 lesson in the final basketball game of the 1959-60 campaign Monday, February 29, in the northern city.

Paced by freshman surprise Don Koepnick the Falcons spurted to a 49-31 halftime advantage and were never headed. They increased their lead to 28 points at 76-48 with 4:48 left and then coasted in as five men hit double figures in the greatest team effort of the season for the Page-men.

The Jackets' high-scoring Jim Patritto had trouble getting many shots off thanks to the defensive efforts of Charlie Johnson and Mick Collins, and wound up the night with a meager 11 points.

Mick Lauber capped a brilliant college career by playing his usual top-flight floor game feeding Johnson and Toby Garey with his dazzling passes and scoring 16 points besides.

Eighteen die-hard Falcon followers made the trek to the north and weren't disappointed for their efforts. They hoisted a jubilant Don Page to their shoulders at the end of the game and carried him to the dressing room.

## SPORTS WRA

by Ginny Rogers

The Dribble Drips were victors again Monday, Feb. 29, as they came up for an 18-11 win over team 4. They were ahead throughout the game, but were in the advantage position as team 4 was playing minus a player. To team 4 this proved to be fatal as Nancy MacNeil went out on fouls. Because of a lack of players the game was called a default, the final score was 18 to 11.

Leading the Dribble Drips in scoring was Toots Hunter with 10 points, Carolyn Brown and Barb Meyer both came up with 4 points. Kay Holmes from Team 4 dropped in 5 points, Nancy McNeil 4, and Sue Dorgan 2 points.

In the second game the Hot Shots continued their winning spree to sizzle out the Court Jesters 38-24 in quite a spirited game. The Court Jesters remained close throughout the first half, but lost steam in the third quarter. The Hot Shots played a five girl team in to win, but it seemed to make no difference as they shot on to win. Judy Goldsmith proved quite an asset to the Hot Shots as she hit for 14 points, Nancy Fox was right behind her team-mate scoring 11 points.

## Winona's Grapplers Hand River Falls Second Defeat 19-11

by Dayle Maloney

Whitewashing the Falcons 14-0 in the first four matches, a highly-regarded Winona State wrestling team defeated the de-JULIENized River Falls grapplers 19-11 in a recent North Hall match.

Dave Garlie, Jim Drummy and Jerry Halverson scored impressive wins to dent the scoreboard for the Falcons.

The long-awaited duel between Larry Julien and Jerry Wedemeier, Winona's NAIA heavyweight champion, never took place as Julien had been sick all week.

Winona held a slim 14-11 lead going into the heavyweight tussle so Julien could have tied or won the match for the Falcons by decisioning or pinning Wedemeier. Newcomer Kent Keenlyne, weighing only 160 pounds, took Julien's place and was pinned by the 220-lb. Wedemeier in 27 seconds to make the final score 19-11.

Gary Mitsch opened the scoring for Winona by decisioning Jerry Fehlen 10-4 in the 123-lb. class. Larry Willis increased the Winona lead to 8-0 by pinning Marv Gorres, Falcon 130-pounder, at 2:05 of the third period.

Dave Moracco, classy Winona import from New York, outscored Ron Asmundrud 10-2 and Ron Musil edged Pat Mrotek 4-2 to give Winona their 14-0 shutout at the midway point.

Dave Garlie ended the scoring drought for Coach James' Falcons by pinning Tim Baxter at 1:54 of the third canto. Garlie was leading 8-6 when he decked Baxter to keep his win streak intact.

Jim Drummy continued his winning ways by outclassing Bernhard Pieper 7-2 in the 167-lb. class. Jerry Halverson finished the River Falls scoring by decisioning Bruce Burmeister 5-3 in the most exciting match of the night. Halverson scored a take-down in the final three seconds to gain the victory.

The River Falls wrestling team has been literally burning up the league, concluding their regularly scheduled season with a 14-11 victory over LaCrosse. By winning they remained undefeated against conference teams.

The win brought the Falcon's season record to 10-2-1. The LaCrosse team tied River Falls 15-15 earlier in the season in an away match.

The meet showed a well balanced effort on the part of both teams, as no individual was able to perform a pin. The outcome was not determined until the last match.

Larry Julien provided the winning margin by decisioning Bob Waltzer 6-1 in the final match.

Bob Downing and Dave Garlie wrestled to a 6-6 draw in the 157 pound class.

### Results

123 - Jerry Barr (LaC.) decisioned Jerry Fehlen (RF) 3-2.

130 - Marv Gorres (RF) decisioned Chuck McPherson (LaC.) 6-1.

137 - Jeff Washa (LaC.) decisioned Ron Asmundrud (RF) 3-1.

147 - Pat Mrotek (RF) decisioned Darrell Lashen (LaC.) 7-4.

157 - Dave Garlie (RF) and Bob Downing (LaC.) came to a 6-6 draw.

Hwt. - Larry Julien (RF) decisioned Bob Waltzer 6-1.

## WRA Sports

The basketball schedule for tonight has the Globetrippers (1) shooting against the Hot Shots (2) at 6:30. At 7:30 the Odd Balls (7) face team 4.

Plans are now underway for the annual WRA playday which is held every spring for area High School girls. The date for this year's playday has been set for April 9th; co-chairwoman selected were Nancy Fox and Jean Lindquist.

Coach Byron James' wrestlers put the finishing touches on a brilliant season Saturday by running away with the Wisconsin State College Conference meet held at Stevens Point.

The Falcons amassed a total of 67 points to far outdistance defending champion Milwaukee who finished in the runner-up spot with 45. Stevens Point was third with 42, followed by LaCrosse with 38, Stout with 28 and Superior with 9.

Jerry Halverson had an infected ear and didn't make the trip so the Falcons were forced to compete with only 7 men, but undermanned or not, they completely outclassed the field.

None of the seven finished any worse than third and four Falcons wound up as titlists in their divisions. Larry Julien successfully defended his crown in the heavyweight division while teammates Marv Gorres, Dave Garlie and Jim Drummy also placed first in their weight classes. Ron Asmundrud placed second and Jerry Fehlen and Pat Mrotek gained thirds.

Fehlen gained a first round bye Friday night and then got pinned by the Pointers' Art Rouse before decisioning LaCrosse's Jerry Barr Saturday for third place in the 123 lb. class.

Gorres won the 130-lb. title by displaying his finest form of the season. He swamped Steve Boesi of Superior Friday night by a 10-0 score, came back minutes later to register a 4-1 win over Gary Schubert of UWM and won the crown Saturday with a hard-earned 2-1 decision over Chuck McPherson of LaCrosse.

The Falcons' fifth finalist, Ron Asmundrud in the 137-lb. class, came within six seconds of winning the title but lost a heart-breaking 3-2 decision to Jim White of Stevens Point instead. Had he amassed six more seconds of riding time the match and title would have been his. However the lack of sufficient time forced the scrap into overtime and Asmundrud couldn't escape the grasp of the hustling White. Asmundrud had downed Virque of UWM 4-1 to gain the finals.

Mrotek pinned Superior's 147 pounder Friday night and then lost a close 3-2 decision to the eventual champion Tom Kelepouris of UWM. In the clash for third place on Saturday, Mrotek eked out a 2-0 win over Andy Fenderson of LaCrosse.

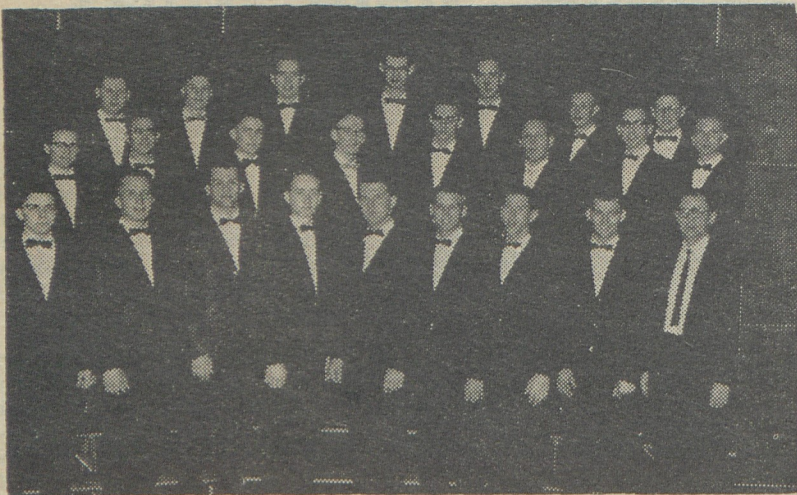

Dave Garlie had a 10-0 lead over Jim Sheridan of Superior when he applied the pin Friday night. He followed that with a win over Don Keller of Stout before decisioning Al Pelakowski of UWM 7-2 in an overtime thriller that was definitely one of the most spectacular of the meet.

Drummy also was forced into overtime before downing Lyle Buss of Stout 2-0 in the 167 lb. finals. He had decisioned Anderson of Superior 5-3 and beaten Lieske of UWM in earlier matches on Friday.

Only four heavyweights were entered in the tourney and Julien, the defending champion, stood head and shoulders above them all. After gaining a first-round bye, the burly Falcon decisioned Walters of LaCrosse 4-1 before crushing Bob Verba of Superior to the mat at 2:54 of the second round in the championship final.

### BASEBALL NOTICE

All interested candidates planning to try out for the baseball team this spring should sign up with Don Page in the Coach's offices this week. Practice for catchers and pitchers will start today in North Hall Gym.

### ALUMNAE DAY—

(Continued from Page 1)  
Topic of his speech will be "Your College and It's Future".

In the afternoon will be group meetings to discuss case studies presenting a college educated woman in a community situation.

At 3 p.m. there will be a final meeting for the entire group, for reports from case study group chairmen, summary of meetings in morning groups, and a general summary.

The Alumnae Day program will come to a conclusion with a coffee hour at Hathorn Hall at 3:45 p.m.

More than one hundred women are expected to attend the event. Reservations may be sent to Dr. Nancy Knaak, Associate Dean of Students.

### NTCE PANEL—

(Continued from Page 1)

Lewis was awarded the Pulitzer Prize for **Arrowsmith** but refused it, saying he did not believe in prizes, and thought many other authors more worthy than he should receive this one. In 1930, however, he accepted the Nobel Prize and went to Stockholm to receive it formally.

Most of his later years were spent in Europe, except for a visit to the United States in 1949. He finished writing his last novel, **World So Wide**, in Florence in March 1950, and set out on what was to have been a long trip throughout Europe. After three months of travel, illness forced him to settle in Rome, where he worked intensively on poems until his death. He was known to be a brilliant and dynamic man, deeply concerned with social problems, generous, restless, often unhappy, whose most obvious trait was a morbid fear of loneliness.

## Fire Ruins Wrestling Room

A fire of unknown origin broke out in the wrestling room of North Hall on Tuesday, March 1, causing an estimated \$5,000 to \$6,000 damage. No one was injured in the blaze, which was quickly brought under control by the city fire department shortly after they were summoned at approximately 12:55 p.m.

Puzzled investigators said the fire evidently started on a table top, and spread to the walls, ceiling, and window fixtures. A complete fire inspection of the building had been made just a short time before the incident.

Damage to wrestling equipment was set at approximately \$2200. Destroyed in the blaze were some mats, weight-lifting equipment, and some headgear.

The room itself suffered extensive damage, as the windows,

sills, doors, asphalt tile floor, and plastered walls will all have to be completely re-installed. The room will also have to be completely rewired.

As a result of the smoke damage, some of the rooms of the placement department and the campus school office will have to be redecorated and have the furnishings cleaned.

Investigators can find "absolutely no clues" as to a possible cause of the fire. It was reported that some athletes were in the room lifting weights at 12:30, and that they noticed nothing unusual when they left.

This was the first fire at the college which has resulted in extensive damage since the State Normal School caught fire and burned to the ground on the night of November 29, 1897.

### MUSIC TOUR—

itorium. While this year, as in recent years, the annual music tours have been one or two day visits to area communities, it is the hope of the music department to set up a program whereby they might go on a more extended tour, and present their groups in such suggested cities as Winnipeg and Chicago. However, these plans are strictly tentative.

## Bloodmobile to Visit River Falls April 6

Students and faculty of the college will have an opportunity to donate blood when the bloodmobile visits River Falls on Wednesday, April 6. The bloodmobile will be at the Congregational Church from 11 a.m. to 5 p.m.

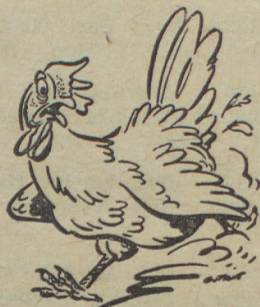

Mr. Page's first aid class will have charge of the campus solicitation.

Any one between the ages of 18 and 60 may donate blood, providing they are in good health. Blood donors must never have suffered from malaria, jaundice, diabetes, or bleeding ulcers. They must weigh at least 110 pounds.

Unmarried students under 21 must have a "consent slip" signed by a parent or guardian. These slips should be sent or taken home promptly for signature, as they must be in the donor's possession when he reports to the blood center.

Donors may eat a normal diet prior to giving blood.

Even Virgil is with the Winston beat

I Sing Of Arms And Like **FILTER-BLEND**, Man,

For if you dig a modern filter cigarette

It figures that it's what's up front that is the most

Like pure Flavorsville, orbit stuff, and all that jazz;

And only Winston swings with **FILTER-BLEND** up front,

A real gone combo of golden, rich tobaccos

Selected and processed like for filter smoking;

That's why, dear cats or even squares, it's understood

**Winston tastes good like a cigarette should!**
