Graduating Class College's Largest; Commencement June 4 in Karges

This June's graduating class at River Falls State College will be the largest in the school's history—but it will attain that distinction by the slim margin of one graduate.

A total of 250 candidates for degrees will be awarded diplomas at the June 4 commencement exercises, one more than the 249 who received degrees last spring.

Included in the graduating class will be 82 seniors in elementary education, 65 in secondary education, 59 in liberal arts, 34 in agricultural education and 10 in non-teaching agriculture.

Dr. Lindley Joseph Stiles, dean of the School of Education at the University of Wisconsin, will be the principal speaker at the commencement ceremonies at 2 p.m. Sunday, June 4, in Karges Physical Education and Recreation Center.

Other events of the commencement weekend will be luncheons at noon Saturday, June 3, for members of the classes of 1911 and 1921 and the annual Senior-Alumni-Faculty Banquet at 6:15 p.m. Saturday. John Davison, River Falls attorney and an alumnus of the College, will be toastmaster at the banquet.

The third annual "Distinguished Alumnus Award" will be presented by the College at the commencement exercises Sunday. The recipient will be introduced at the banquet Saturday night. Previous winners of the award have been the late Dr. Dean Smith of La-

Crosse in 1959 and Miss Helen Parkhurst of New York in 1960.

The commencement speaker, Dean Stiles, has headed Wisconsin's School of Education since September, 1955. He attended Ft. Lewis A & M College at Durango, Colo., for two years before going to the University of Colorado at Boulder. There he received an A. B. degree in 1935, an M. A. in 1939 and an Ed. D. in 1945.

He began his teaching career as an English instructor in the public schools of La Junta, Colo., and Louisville, Colo., and at the University Hill Junior High School in Boulder.

After that, Dr. Stiles was assistant principal at University Hill Junior High, then principal of the Casey Junior High School, director of instruction for the public schools and finally principal of the Senior High School, all in Boulder.

Next he was associate professor of education at the College of William and Mary, director of student teaching at the University of Illinois, associate professor of secondary education at Ohio State University and dean of the School of Education and director of summer sessions at the University of Virginia.

Dean Stiles' major efforts, in the two deanships he has held, have been directed toward improving standards in teacher education and extending the research services of the schools of education to teachers and school systems.

He has spoken out in support of the need to recruit greater numbers of more able young people into the teaching profession and has pleaded for greater general respect, better working conditions and higher salaries for those who teach.

New Art Facilities To Be Dedicated To Alberta Green

The new art studios in the remodeled basement of South Hall will be dedicated Sunday afternoon, May 14, to Miss Alberta Green, head of the College's art department from 1923 until 1955.

Miss Green, who was responsible for transforming a group of art classes into a department, will be the guest of honor at an open house and coffee hour from 2 to 4 p.m.

The Alberta Green Studios consist of ceramics and metalworking studio, a drawing and painting studio and small auxiliary rooms for printmaking and sculpture. The art department has been using the new facilities since the beginning of the spring quarter. The department also is continuing to use its older quarters on the first floor of South Hall.

Also included in the remodeled basement of the oldest building on campus are music practice rooms and a foreign language laboratory. The music rooms, together with new practice rooms and offices on the first floor, are in use but the foreign language lab is not completed.

Bourke-White Lecture Free With Activity Card

Students can attend the talk by Life photographer Margaret Bourke-White free Tuesday night by showing their activity tickets at the door.

The world traveler and best-selling author will speak at 8 p.m. Tuesday in Karges Physical Education and Recreation Center. Her appearance is sponsored by the College and the River Falls branch of the American Assn. of University Women.

One of Miss Bourke-White's photos was used on the cover of the first issue of Life a quarter century ago. Since then, she has traveled all over the world on her assignments for the magazine.

More than just a reporter or photographer, Miss Bourke-White has been called a "documenter of history." Her works hang in a number of museums and in the Library of Congress.

Life assignments have taken Miss Bourke-White to Japan, Korea, South Africa and India. During World War II, she was the first woman photographer to be credited to the U.S. Army Air Corps. She followed the war from North Africa through Italy into Germany.

After a long assignment in Asia, Miss Bourke-White wrote "Half-

Hathorn Hall Presents Mom's Day Style Show

"Through the Looking Glass" is the theme for this year's Mothers Day Fashion Show to be presented Tuesday, May 9 by Hathorn Hall. The fashion show will be held in the Little Theatre at 4:15 following a tea at 3 in the Hathorn Hall lounge. The fashions modeled will represent the passing of the season in college and will be highlighted by variety numbers directed by Jackie Bergquist. The banquet will be held in the Student Union at 6:30 for all the students and their mothers.

Co-chairwomen Ann Holzhueter and Darlene Erickson urge the students to buy their tickets in advance for the banquet as they will not be sold at the door. Following the banquet Margaret Bourke-White, guest speaker for the event, will speak in Karges Center at 8 p.m. All students will be admitted to the lecture by activity cards.

way to Freedom," a 1949 best-seller. Another of her books is "Dear Fatherland, Rest Quietly," a book of pictures and text about conditions in postwar Germany.

Another feature of Miss Bourke-White's life was her battle against Parkinson's disease, a battle that she won after seven years of struggling.

Student Senate Names Hendrickson President

Wayne Hendrickson, sophomore from Spring Valley, has been elected to serve as president of the 1961-62 Student Senate of Wisconsin State College at River Falls. He will succeed Ron Skone, senior from Cushing, as head of the student government organization, and will assume his duties next fall.

The elections took place at the regular meeting of the Student Senate last week, with both current and newly-elected members of the Senate participating in the voting.

Alpha Psi Omega, Masquers Present Modern Plays

Alpha Psi Omega and Masquers have joined forces to present five contemporary plays as part of the annual fine arts festival. The five plays will be presented Wednesday, Thursday and Friday, May 10, 11 and 12.

The plays to be presented are: *It Should Happen to a Dog* by Wolf Mankowitz, *The Sand-box* by Eduard Albee, *Professor Taranne* by Arthur Adamov and *Impromptu* by Tad Erickson.

The last play that will be presented deserves special attention because it was written and is starred in by Frederick Trautman, junior from Tomahawk. The name of Mr. Trautman's play is *Yes, No*. The style and content of the play is in keeping with the rest of the plays which are contemporary and very unusual. Tickets will be on sale in the Student Center Book Store starting today. (See background article on page 4)

Elected vice president of the new Student Senate was Patrick O'Connell, junior from Baldwin. As vice president, O'Connell will also be a voting member of the Student Center Governing Board.

Linda Berg, sophomore from Barron, was elected secretary of the new student government, and Jim Norrish, freshman from Durand, was chosen to be treasurer. Paul Kelly, junior from River Falls, was elected to head the Student Advisory Council next year.

Following the election of new Senate officers, the governing body went on record commending Carol Jennings Hanson, junior from Mondovi, for serving two years and as a "most efficient and capable secretary of the Student Senate."

In other action last week the Senate appointed seven persons to serve on the Social Committee for next year.

Social Committee incumbents re-appointed were Fred Froelich, Lu Ann Cipov, Becky Heiting, and Ben Stahl. Newly appointed members of the committee are Keith Dempsey, Joan Lenselink, and Diana Steen.

Other applicants for Social Committee positions were Larry Feltes, Harlin Owens, Marlyce Stunkel, and Wayne Viitanen.

Mayville State College Presents Band Concert

The chorus and band of Mayville (N. D.) State Teachers College will present a concert at 8 p.m. Friday, May 19, in North Hall Auditorium. Merwyn A. Green is conductor of the chorus and Armand Russell conducts the band.

COMMITTEE POSTS OPEN

All persons desiring to apply for the following positions should appear at the Student Senate meeting tonight, May 8, at 6:30 in Room 200 of the Student Center: Personnel Committee, Homecoming Chairmen (three), Concerts and Lectures Committee, Meletean Editor and Prologue Editor.

Letters to the Editor . . .

Dear Editor:

Bravo! Dr. Tonn.

I bow my head in respect to you, Sir, and hope that we may meet again in the future.

It is a shame and a disaster that we are losing you, but your progressive spirit, knowledge and broadmindedness belong to others too, so we had better not act selfish.

I am sure that there are others who feel the way you do, but under the circumstances one must curtail his criticism and conform.

You have opened the door a few inches wider, both for students and faculty, and let the truth flow in; but it is a good thing that the door is not altogether open, for there would be a flood.

On behalf of the student body and faculty members, (minority is what counts), we thank you for your "Last Lecture," and have no fear, you surpassed others who spoke on their Last Lecture, and

you, Sir, will be remembered.

Nice going, Doc!

Yours truly,

Karl H. Lillienwald

Dear Editor,

In concern with the recent election, I would like to thank all those who voted for me. Also, much can be said for all those who helped with my campaigning, for without their work and cooperation my successful campaign would not have been.

The campaign was an enjoyable one as my opponent had very good support and portrayed an excellence in sportsmanship at all times.

I only hope that I can adequately fulfill the job before me. With the enthusiasm shown our incoming Sophomore Class I feel that there will always be the ability and help to accomplish any task.

Sincerely,
Ed Churchill

Pointers Defeat Falcons, Winona In Triangular

by Curt Thurston

A powerful Stevens Point track team picked up nine first places and rolled to an easy victory in a triangular meet held during a rain storm at Ramer Field Saturday. The Falcons finished third with 32 points behind Points winning total of 77 and Winona with 53.

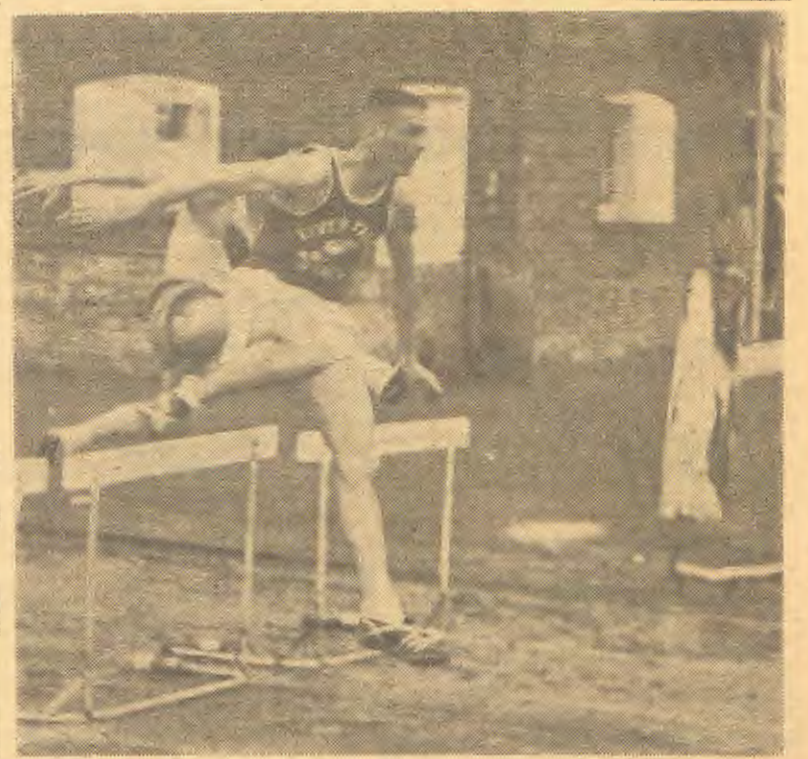

Gordie Olson, who set two school records last Tuesday, was the only Falcon to break the tape for a first place in the meet. He finished first in the 220 yd. low hurdles with a time of 28.9. Olson also finished second in the high hurdles and fourth in the broad jump.

Leon Headley, who has been Fran Polsfoot's ace dash man all season, tasted defeat for the first time. Headley finished second in the 100 yd. dash, behind Jack Bush, who ran it in a highly respectable time of 10.1. Headley did not place in the 220.

Tom Pride finished second in the 440. Point's Scott Muri won the event in :51.5.

In the field events Bob Radatz took second in the discus and third in the shot put.

Stevens Point had two double winners in the meet and Winona one. Points Jack Bush took the 100 and the 220 and Don O'Neil took both the shot put and the high jump. O'Neil tossed the iron ball 39' 11¾". and high jumped 5' 8". Winona's John Finnegan won both the mile and the two mile winning the former in 4:37.5 and the later in 10:41.7.

GORDON OLSON is shown on his way to victory in the low hurdles in the time of 28.9 seconds Saturday. He was the only Falcon to place first in an event against the powerful teams of Stevens Point and Winona. Tuesday at Northfield he set school records in the low hurdles with 26 seconds and the broad jump with a leap of 21' 1". (Photo by Blegen)

Pagemen Drop Twin Bill

by Warren Rogers

Combining steady pitching with 19 hits and 13 errors the Winona Warriors defeated the Falcon baseball team twice, 8-1 and 8-5. The double victory stretched the Indians win streak to seven games and was the third loss inflicted on the Page nine. The Falcon record now stands at 6-3.

Kermit Summers and Jim Norrish were the only Falcons to collect three hits off of Winona pitching. Summers, handling the catching chores in the second game, went 3-4 and Norrish banged out three singles in seven trips to the plate. Mike Sund held River Falls bats to three singles and a double in the first game and John Kosidowski scattered 11 hits in the nightcap.

The Indians waited until the third inning to start the fireworks in the opener. Starter Ed Gregorich served up a single to the lead off batter, Ed Ekker, and the Warriors went on to score three runs with three free passes and two errors.

Winona continued to pour it on, scoring two more runs in both the fourth and fifth, and adding a single tally in the sixth as Mike Wiskershen and Gary Kahl shared the mound duty.

Sund's bid for a shutout was stifled in the fourth when the Falcons, for the only time, collected two hits in the same inning. Jim Pohl greeted Sund with a double. Frank Gombold's smash to the shortstop was bobbled and Vern Wanish brought Pohl home with a single.

Coach Page's shuffled lineup of the second game momentarily worked as Glen Stuve found an opening for a single and Pohl followed with a long triple. Pohl scored on an infield ground for a 2-0 Falcon lead.

Falcon pitchers were again able to hold the Warrior's bats still for only one inning. Jim Chinander

I-M NOTICE

Would all captains of the softball teams turn in their score sheets to Ben Bergsrud's office and also post the scores on the sheets in the basements of Karges Center so that standings can be posted and announced in paper.

Falcons Face Active Week

The spring sports see plenty of action again this week as the golf team has three matches, the baseball team plays three double headers, and the track squad travels to Mankato.

Coach Ben Bergsrud and his linksters will host three golf matches here at the River Falls golf course this week. Tomorrow May 9 Eau Claire will be here at 11:30. Thursday May 11 Winona will play at 11:30 and on Saturday May 13 La Crosse will be entertained by the Falcons.

Facing three doubleheaders the hardballers will attempt to get back on their winning ways after losing three straight, today the Falcons traveled to Stout in a makeup game that was rained out Saturday.

Tuesday May 9 Mankato will be here for a non-conference game and on Saturday May 13 La Crosse will be here for a conference game.

Claire.

Netmen Bow To Bluedevils

The Falcons tennis squad went down to their second defeat of the season in as many matches at the hands of the Stout, 8-1. The Blue devils lost only the final double match.

The Falcons doubles team consisting of Jim Roy and Dick Jensen set back Stout's Skull and Zilisch, 6-3, 6-4.

The only other Falcon to win a set was Ray Christianson over the Bluedevil's Dejardin as he started the match out with 7-5 win only to lose the next two sets 6-4.

started for River Falls and was relieved in the fifth by Wiskershen. After being shutout in the first, Winona scored three times in the second; once in the third, fourth, and sixth; and twice in the fifth for their 8-5 victory.

Norrish and Summers singled in the fourth to score a single tally for River Falls. Norrish came home on Kahl's fielder's choice.

Fighting back in the top of the seventh Stuve led off with a single and after Pohl flew deep to center, Gombold singled and Wanish and Strasser walked.

Golfers Increase Record to 2-3

Stout

Coach Ben Bergsrud's golfers took another one on the chin last Tuesday as Stout upended the Falcons 12½ to 8½ on the Menomonie Country Club course.

Freshman Bill Randall turned in a surprising 79 for River Falls to gain three team points. Barry Lindsay also picked three points firing an 81. Wayne Hanson with an 87 notched two points and Chuck Wall's 83 was worth ½ point.

Stout's Bob Lorenz and Denny Standiford ranked one-two in the match with a 75 and 77 respectively. Randall's 79 followed and Lindsay's 81 was the same score posted by Stout's Jim Schlumpf.

Mankato and Carleton

Mankato and Carleton's powerful linksters sent the Falcons reeling to their third defeat in four outings by posting a 21½-21½-5 win on the Carls' home course in Northfield, Minnesota, Thursday.

Barry Lindsay fired a sizzling 74 but had to settle for second place behind medalist Chuck Greer of Carleton who notched a 72. Lindsay shot the best nine-hole score of the day coming in with a brilliant 34 on the front nine. His score was worth five team points, the only ones the Falcons received.

Other River Falls scores included a 79 by Val Barrows, an 87 by Bill Randall, a 92 by Wayne Hanson and a 105 by Chuck Wall.

St. Olaf Golf

Freshman Bill Randall continued his phenomenal work on the links and veteran Pat "Huss" Higgins regained some of his old form as the Falcon golfers edged St. Olaf 15-12 in a dual match at River Falls Country Club Friday.

Randall fashioned an 18-hole score of 75 and Higgins carded a 77 as the Falcons experienced their best afternoon of the spring. Charles Skarshauge of St. Olaf also had a 77 and Barry Lindsay and Val Barrows weren't far behind with a 78 and an 80 respectively. Chuck Wall finished with a fine 82 compared to the 105 he posted Thursday at Carleton.

'Drama of Our Times' Marks Recent Theatre Development

by Clair "Bernie" Brohaugh
Drama of Our Times, the theme around which the theatre has based its contribution to the spring Fine Arts Festival marks a fairly recent development in the field of dramatic arts and is certain to offer to the theatre-goer a unique and challenging experience. The program, a series of contemporary one-act plays under the direction of Dr. Blanche Davis, will be presented in the Little Theatre, May 10, 11, and 12 at 8 p.m.

This presentation is the first of its kind at River Falls, and, as Dr. Davis has explained, it represents an experimental effort by contemporary writers who have found the traditional forms of drama unsuited to the communication of twentieth-century thought. In order more clearly to study man's place in the modern world, they have discarded many of these forms and have founded a form of art which, to this writer, is similar to Abstractionism and even Cubism in painting and to some modern symbolic poetry.

To say that these dramatists are entirely responsible for the new trend would be untrue. They have contributed to its development and should receive most of the credit for its growing popularity. But as early as 1902, August Strindberg published *The Dream Play*, which, in many ways, might be considered the forerunner of the contemporary trend. *The Dream Play*, with its intensity, subjectivity, and staccato scenes pointed the way toward expressionism, and through it, Strindberg exerted his most potent influence on the younger dramatists of the twentieth century.

Among the ideas treated by the contemporary disciples of Strindberg can be found his conception of life as a walking dream where time and space do not exist and where the workings of imagination replaces reality. Anything may happen; everything is possible and probable.

The avant-garde theatre is often a bewildering melange of fantasy, realism and symbolism. Frequently man finds himself in a world which is no longer familiar nor friendly. His sense of insecurity and his bewilderment change to horror and despair as he discovers that his old values and everything else

which once made him feel at home in his society have disappeared. In his search for identity he questions his purpose, his relationship with his fellowmen and his reason for being. Ultimately he discovers that life is a meaningless thing, that man is a silly, vain, irrational and hypocritical little animal, and that the false manners and mores of civilization are at once a comedy and a tragedy.

Thus, the over-all tone is highly critical and pessimistic. The scenes are a mixture of memories, experiences, free fancies, absurdities and improvisations. The settings are imaginative and distorted, but the distortion is not to be found in the environment itself but in man's conception of it.

Dear River Falls Students:
I regret to relay to you the news that, contrary to previous plans, we will be forced to postpone our return meeting in the "College Bowl" against your school.

Student Senate Minutes

President Ron Skone called the May 1 meeting of the Student Senate to order at 6:30 p.m. in room 200 of the Student Center. The secretary's minutes of April 24 were approved as read. Treasurer Smith reported a deficit of \$462.69 in the Student Senate Account.

The following persons were interviewed for positions on the Social Committee: Joan Lense-link, Marlyce Studkel, Wayne Viitanen, Harlin Owens, Keith Dempsey, Larry Feltes, Diana Steen, Fred Froelich, Becky Heiting, Luanne Cipov, and Ben Stahl. Those selected were: Lense-link, Dempsey, Froelich, Cipov, Steen, and Stahl.

The next item of business was election of officers for the 1961-62 Student Senate. The following were elected:

President, Wayne Hendrickson; Vice-President, Pat O'Connell; Secretary, Linda Berg; Treasurer, Jim Norrish.

It was moved by Hendrickson, seconded by Hanson, that the Senate cast unanimous ballot for Paul Kelly for the office of Student Advisory Council President. Motion carried.

Schmid presented the Governing Board report, listing the members of next year's activities committee. Nancy MacNeil was approved as Activities Committee chairwoman.

Paul Kelly's report on the committee to look into the Student Senate was presented to the Senate. The committee's finding was that "the Senate had complete authority" to act as it did in the

removing of a candidate from the ballot. The committee's further suggestions will be printed in the Student Voice.

It was moved by Rogers, seconded by Hanson, that the meeting be adjourned; at 9:50 the meeting was adjourned.

Carol Jean Hanson, secretary
Present: Bergstrom, Hanson, Hendrickson, Miller, Norrish, Rogers, Schmid, Seifeldt, Skone, Smith, Wagenbach.

College Herd Average Highest In Ten Years

The Holstein-Friesian Association of America has announced a new lactation average for the registered Holstein herd of Wisconsin State College Farm, River Falls, has 17 completed production records averaging 12,575 lbs. of milk and 475 lbs. of butterfat. Lactation averages are calculated on the commonly-employed two-milkings a day, 305 day, mature equivalent basis. This provides a uniform basis for comparison and selection in registered Holstein breeding programs.

University of Wisconsin supervised the weighing and testing of production as part of the official herd testing programs of the national Holstein organization.

During the 1950-51 testing period the College farm had an average 338 lbs. of butterfat and in a ten year period has increased to a very respectable 489 during the 1960-61 testing period. The College farm is on the DHIA testing program in butterfat production since starting.

BENSON'S

River Falls Newest and Most Modern Store for Men & Boys

After checking our calendar for the remainder of the year, we found only a few open dates, and these were rather late in May. Both President Haas and the new chief executive of our College Senate, Jan Hehli, felt that it would be wiser if we let this go until early fall, as there are so many activities during May, not to mention final exams.

I assure you that this postponement does not indicate lack of confidence, rather, we thought that we would give our faculty a few extra months to do research on the questions they will submit.

We are very much interested in continuing this series, and would like to see this competition spread throughout the state. We will take the initiative in the fall.

Sincerely,
Bill Christofferson
Eau Claire College
Editors Note: We hope the Eau Claire contestants will also utilize the time to do research.
