"Jester" Starts Tonight

Author to Direct Play

"It comes to the edge of pronouncement and laughs itself," says a University of Minnesota review of "Jester in The Hall of Dying Kings," to be presented here beginning tonight in the Little Theater at 8 p.m.

"Jester" is being directed by its writer Mrs. Elizabeth Johnson, an alumni of River Falls State College. The play will run through Saturday.

The play centers around an ugly jester "who makes a flower, an ugly flower, and asks for identity in a world obsessed with labels and destruction," said Mrs. Johnson. "He fails," she added.

The cast is as follows:

Kathy Boehlke, sophomore from Farmington, Minn., majoring in education, plays the character "Mary." Clara Schommer, freshman from Hastings, Minn., is majoring in English and plays the characters "Mother" and "Mop." She has appeared in high school productions of "Gentlemen Prefer Blondes" and "Down to Earth."

Kathy Pennington, freshman from River Falls, is majoring in speech and plays "the woman." Barbara Kepner, a freshman majoring in journalism, is from Cannon Falls, Minn., and has appeared in "A Thurbur Carnival." She plays a "neighbor lady." David Gilstad, senior from Eau Claire, is majoring in English and plays a "bartender." He has appeared in "A Thurbur Carnival" and "A Nude With a Violin."

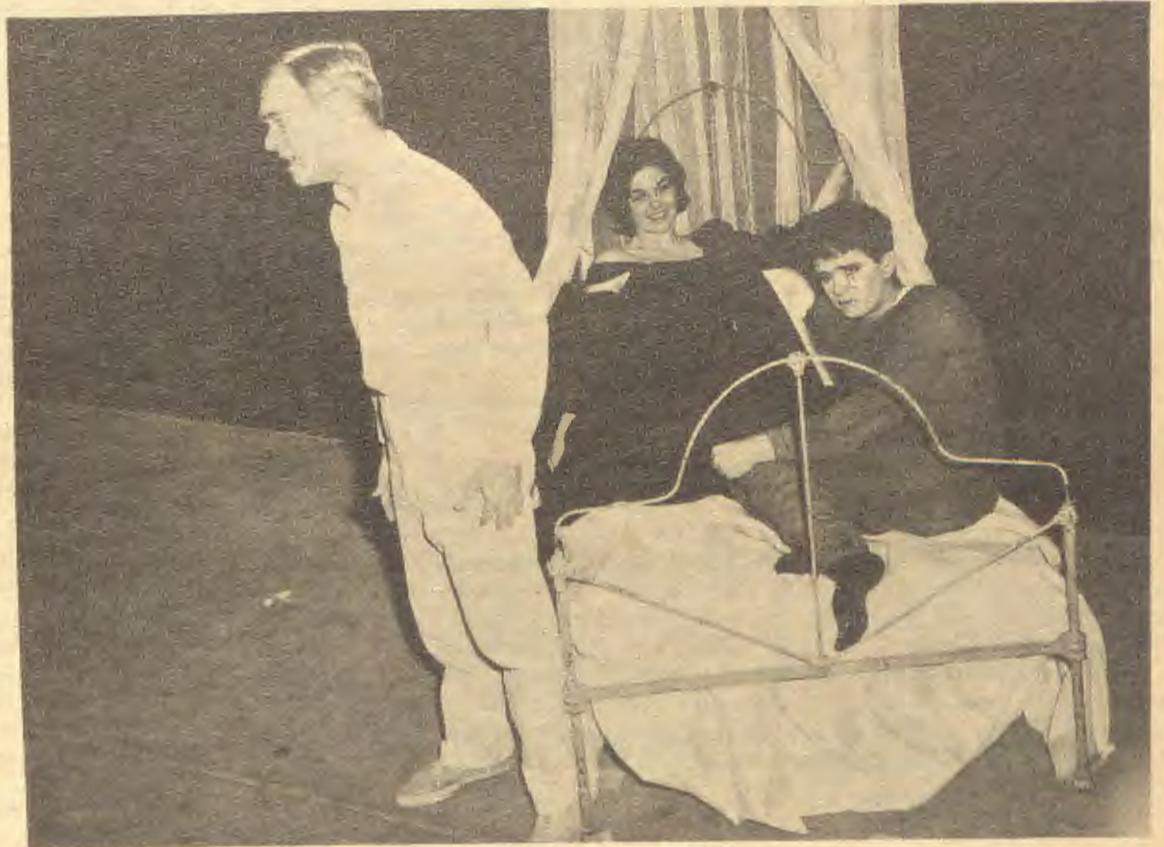

Larry Baker, sophomore from Massillon, Ohio, majors in speech and has appeared in "Under Milk Wood," "Zoo Story," "Arms And The Man" and "Long Day's Journey Into Night." He plays a "young man." Christian Becker, sophomore from Cudahay, majoring in journalism, plays "Rimbo." Mavis Grover,

senior from Nekoosa, is majoring in speech and has been seen in productions of "The House of Bernarda Alba," "The American Dream," "Under Milk Wood" and "A Thurbur Carnival." She plays a "girl."

Kenneth Nelson, freshman from New Auburn, majoring in agriculture, plays a "recorder." Burton Potocnik, freshman from Owen, is majoring in pre-law and plays the "Jester." Steve Hay, senior from Lake Geneva, plays a "drunk" and has appeared in productions of "Billy Budd," "Glass Menagerie," "Merchant of Venice," "Look Homeward Angel" and directed "Zoo Story."

Sandra Phillips, freshman from Waukesha, is majoring in sociology. Dennis Regele, freshman from Marshfield, is majoring in dramatics and appears in the play as a "dirty man." Wayne Iverson, freshman from Amery, is majoring in sociology and is a "voice."

Others in the play are Judy Beauvais, freshman from Balsam Lake, and Jim Laatch, Freshman from Neillsville.

THE "BAR SCENE" FROM "JESTER IN THE HALL OF DYING KINGS," which will be presented tonight through Saturday night in the Little Theater, features, left to right, the neighbor lady, Barbara Kepner; the bartender, David Gilstad; and the Jester, Burton Potocnik.

Tickets for Nero Concert Go on Sale Next Tuesday

"We're off to a slow start because our publicity hasn't come yet, but once it does, we'll blitz the area. Publicity will go from deep into the Twin Cities to deep into Eau Claire," announced Vince Di Salvo about the March 10 Peter Nero concert.

Di Salvo's "blitz" area includes 25 Minnesota high schools and academies, over 20 Wisconsin high schools, and over 14

Minnesota and Wisconsin colleges and universities. In addition, publicity will be made over more than 15 AM and FM radio stations in Wisconsin and Minnesota, and a TV shot has been scheduled.

At the Feb. 10 meeting of the Student Senate, the constitution of the River Falls Collegiate Rodeo Association, Inc., was accepted, and \$200 was allotted for the club's construction of a rodeo chute at Hammond. A rodeo will be presented on May 16-17 by the club.

In other Senate action, it was decided to eliminate the annual Cabaret this year because of the full social schedule in other areas this spring.

Senators who had attended the

Parliamentary Course Is Set For Next Term

A course in the fundamentals of parliamentary procedure will be offered spring quarter. Student Advisory Council initiated action to have the course offered, and about 25 people have already signed up, according to Hampton Wilmot, SAC president.

The class will meet Monday and Friday at 3:15 to 5 p.m. in Room 127 of South Hall. It is a two-credit course offered by the speech department and will be taught by John Oostendorp.

SAC has urged all organization officers and prospective officers of campus organizations to take the course based on Robert's Rules of Order.

United Council meeting on Feb. 7-8 reported their findings to the Senate. The Senate commended the fine job done by Fred Markus and David Frazer of the Student Center Governing Board in their representation of River Falls at the United Council.

As a result of United Council findings, a committee has been formed by the Governing Board to check on the Food Plan at River Falls.

PETER NERO

Friday is Last Day to Pick Up Registration Material for Spring

Preregistration began Wednesday when students started picking up registration materials at the Registrar's office. The last day to obtain registration forms is this Friday, Feb. 21.

One big change in registration procedure this quarter is that students will receive blank class cards with the usual permit to register, fee card and plan of studies.

The period from Wednesday, Feb. 12, until Friday, Feb. 21, is to be used by students to meet with advisers and plan programs for the spring quarter.

Then on Monday and Tuesday, Feb. 24 and 25, students will hand in class cards to instructors in sequence courses. Students will hand in cards for non-sequence courses on Wednesday, Feb. 26. Classes will be dismissed from 1:25 to 3:15 p.m. for this purpose.

Registrar Melvin Germanson said that students will be asked to fill out all the class cards in

advance, except the information in the upper left-hand corner (course title, department number and instructor).

The remainder of the card, Germanson said, is to be completed by the student when the instructor agrees to accept it.

The new procedure, according to Germanson, is expected to speed up the bookkeeping operation in the Registrar's office and will give the instructor a quicker accurate account of the number of students in his classes.

Seniors to Check Graduation List

The Registrar's Office has asked all seniors to check the tentative 1964 graduation list that has been posted on the bulletin board between rooms 105 and 106 of North Hall. Any student not properly listed should inform the Registrar's Office.

Gene Smith, junior from Clear Lake, adjusts a notice on the three-sided announcement board in the main lounge of Hagestad Student Center. The board, telling of all the day's meetings in the Center, made its appearance about a month ago.

Local Rights Survey

Last Wednesday we conducted a telephone survey of the pastors of the churches in River Falls to determine what their churches, locally and nationally, are doing concerning integration.

Each of the pastors contacted was asked three basic questions: 1. Does your church have a committee on civil rights or integration? 2. Does your church have any non-whites in its congregation? 3. What is your church doing for integration?

To the first question, all of them said "no." However, most answered that their churches have other established committees that would include this topic as part of their business.

One added that there was no need for discussion of this issue now, because there is no such problem in his church at the present time.

Question two's response was two yeses and six no's. Also, five said that their church has a national study group or committee on human rights.

Three pastors volunteered that they had used the pulpit to promote human rights for all people. One said he thought that sermons promoting human rights were ineffective. Another said that there is a lot of segregation in that church in the South. One mentioned that he knows there is prejudice in the local church. Four pastors said that although there are no non-white members of their congregations, that non-white college students attended their churches occasionally.

Letters to the Editor

Dear Mr. Editor:

The BRAVE fellas who BRAVELY withheld their names either need glasses or were "py-eyed" when they looked up our names in the Student Directory. If they will carefully open the book to page 35 and count down to the 50th name or count up from the bottom 8, they will find the name of one of the co-authors of the Letter to the Editor of Jan. 27th, 1964. The other was not enrolled fall quarter and so was not listed. However, the co-authors are roommates.

Where did the author of the letter of Feb. 3, 1964, get the idea that the girls here on campus will not go out with the guys who have no cars? Are they not generalizing extremely? And speaking of generalizing, did we not say in our last letter of Jan. 27 that we were generalizing and that we took that liberty because the original Mr Name Withheld generalized? Why didn't they read more carefully the material they criticized?

We'll admit that you see a few PY-EYED coeds out at Shady's but don't try to tell us that that group is characteristic of all the girls on this campus. The percentage of girls that spend their social hours at Shady's is a far cry from any significant number that would make ANY

such conclusion reliable.

Because the student who is writing such ridiculous accusations about the female population on this campus is too much a coward to let his name go in print we would like the editor to relay a message from us. WE DARE YOU, MR. NAME WITHHELD, TO MAKE YOURSELF KNOWN TO THE CO-AUTHORS OF THIS LETTER. Only then can we stop what has become a personal feud. We think that these columns being wasted in the STUDENT VOICE could be used much more effectively with other material.

Eileen Rogers and
Laura Marek

International Relations Club To Form Here

A meeting to organize an International Relations Club on campus will be held in the Falcon Room at 4:10 p.m., February 18. The general purpose of the Club is to enable members to study and discuss international affairs in an honest effort to clarify their own ideas as to present world problems and to undertake such programs and projects as will contribute to (a) better understanding of world affairs on the campus and in the community and (b) improved relations between nations.

Membership in the Club is open to all students who are seriously concerned with international affairs. Faculty advisers are Dr. Raymond Anderson and Mr. Richard Condon.

The local Club will apply for affiliation with the Association of International Relations Clubs and plans will be made to participate in the Regional IRC Conference and the Annual Conference of the Association of IRC.

42 Attend United Council Meet

In attendance at the winter meeting of the United Council of Wisconsin State College Student Governments held at Platteville, Wisconsin, on Feb. 7-8 was a record-breaking group of 122 delegates. Representing River Falls were 42 students, a number which almost tripped that of any other college.

Resulting from the meeting was the passing of a bill stating the United Council's urging state college administrators to withdraw approval from any housing units in which discriminatory practices occur. It was recognized by the Council that discriminatory practices regarding race, creed, and national origin are most likely to occur in the area of off-campus housing.

Reinforcement and clarification of a previous resolution stating that students 21 years of age and over should be freed from campus housing regulations was made after long discussion by many of the committees.

Also included in legislative action was the passing of a bill resolving that legislative committees be formed by each school's student government to study legislative issues and to draft resolutions to the legislative committee of United Council.

Another bill was passed urging the transferral of jurisdiction of the state FM radio network by Wisconsin State Legislature to the state college system.

The meeting began with the opening of buzz sessions on ideas and problems of the nine state colleges. Topics of discussion were: Student Courts, Honors Program, Homecoming Procedures, Student Insurance Program, Election Procedures, Progress and Results of Student

Housing, Effectiveness of Student Government Committees, the Textbook Library, and the Potential of Fraternities and Sororities.

Of interest at almost all meetings was the subject of housing for students 21 years of age and older. Featured at the meeting on student housing were the results of a questionnaire sent out to all college Deans. This questionnaire concerned such matters as current policy regarding housing regulations, student views on these policies, and whether a standard policy of regulation as set up by the United Council would be accepted. It was pointed out that the type of questions sent

out got an unfavorable response from the Deans.

In most schools, off-campus housing is permitted for students who are 21 years of age and over; however, these accommodations must be approved by the college.

The meeting on Student Government Budgets featured a resume of each college's budget setup. Controls of budgets range from complete control by the students to overseeing in the Dean's office with no student control.

Legislative action was taken by the United Council voting delegates in the afternoon business session.

The spring meeting of United Council will be held at River Falls campus sometime during spring quarter.

Nero "Blitz" Pledged

Peter Nero, classical and jazz pianist, will perform in concert in the Karges Center, Tuesday, March 10 at 8 p.m. Tickets will go on sale starting next Tuesday in the bookstore and upstairs in the Student Center.

Tickets purchased in advance will cost \$1.25 and will jump to \$1.50 at the door the evening of the concert.

Nero is a new young pianist, who has been described as a flawless and imaginative artist. The classical influence is readily apparent in all of his selections, for he started at the keyboard at the age of 7 and by the time he was 14, he was the recipient of numerous awards, had made symphony hall appearance and was the possessor of a Julliard scholarship.

"Both jazz and classics are part of my musical up-bringing and I merely combined, through a natural process of practice, these elements into the kind of music I play," he says.

"There can't be a constant sameness in the rendition of tunes, otherwise you are not creating anything at all. The

artist cannot become a mere 'echo' of the written composition, he must allow his won musical personality to come to the fore," he adds.

In addition to playing in the nation's leading concert theaters and supper clubs, he has become one of RCA Victor's leading LP sellers with six albums now on the shelves.

Nero's concert here is being sponsored by the Student Senate in conjunction with the social Committee. Vincent Di Salvo, senior from Cudahy, is in charge of the event for the Senate.

51 Teachers Meet Here

Student teachers, College faculty and public school supervising teachers met Feb. 1 at the College to discuss student teaching.

Addressing the Elementary Education Student Teaching Conference were Dr. Rowland Klink, co-ordinator of elementary education, and Drs. Dan Brown and Leland Jensen, of the education department.

Klink addressed 51 persons at the opening session on "Goals of Student Teaching." Dr. Brown told the group about "Cooperative Planning" in education at the same session.

Jensen, director of the Placement Bureau explained the services of the College bureau at the final session of the conference.

Two Faculty Help Write Girls' Booklet

"Policies and Standards Governing Sports for Girls in Wisconsin Public Schools," a booklet published by the State Department of Public Instruction, is the work of two members of the physical education faculty of River Falls State College.

The three-member committee which wrote the 11 page booklet consists of Miss Marilyn Hinson and Miss Emogene Nelson, both of the River Falls faculty, and Orlo Miller, co-ordinator of health, physical education and safety, Department of Public Instruction.

Miss Nelson is on leave of absence this year while working toward the Ph.D. degree at the University of Minnesota.

College Econ Club Is in Fourth Place

A group of River Falls State College Students are busily engaged in an intercollegiate game, but instead of using a basketball and a gym the items used are a computer and pencils.

Ten members of the RF Econ Club are the participants. They make all the decisions and James Winjum of the Economics department acts as their consultant and coordinator.

The team from River Falls consists of Duane Anderson, president of the corporation; John Huffcutt, treasurer; Don Hueftle and Ron Nordstrand, controllers; Jerry Haug and Bill Weisner, sales; Terry Slattery, production; Dave Frazer, special studies; and Dick Culber and Iräj Amirarjomand.

They compete with "business" teams from the other state colleges and the University of Wisconsin to see which company can come up with the most profit, capital stocks and surplus, share in the market and in current assets.

The game is set up with each school forming an imaginary corporation which manufactures and sells an imaginary product.

Every other Wednesday the students meet for two hours to discuss their plans for the next two weeks which incidently comprises a three-month period

in the game.

During the time between the sessions each student does research in his area of the company and reports his findings at the next meeting. They then make the decisions and send the data they have compiled, which includes such things as product prices, salaries and production costs, to the University of Wisconsin School of Commerce. There a computer receives the data sent in by the nine companies in competition and evaluates the company's profits and losses.

The competition started in October and will end sometime in the middle of May. Right now, according to Anderson, River Falls is about fourth in the conference. La Crosse leads in profit and in share of the market thus far. The University now leads in current assets and Stevens Point is tops in capital stock and surplus.

MEMBERS OF THE NEW YORK BAROQUE ENSEMBLE will appear in concert here Thursday, February 20, at 10:40 a.m. in North Hall Auditorium. The group features music of the 17th and 18th century.

Eastern Baroque Ensemble Will Present Concert Here

The New York Baroque Ensemble, featuring music of the 17th and early 18th century, will present an all-school convocation Thursday, Feb. 20. The concert will be at 10:40 a.m. in North Hall Auditorium.

Organized in the spring of 1961, the group's first recital was presented at Carnegie Recital Hall in May, 1961.

Since that time, the ensemble has given four subsequent recitals at Carnegie Recital Hall, has performed at libraries and colleges in the New York City area and has toured the United States and Canada, including a recital last year for the Pro Musica Society of Montreal.

Founder and director of the New York Baroque Ensemble is Howard Vogel, who plays bassoon and recorder.

Minnesota Prof Will Describe Music Careers

Dr. Anthony L. Chiuminatto, from the music department of St. Thomas College in St. Paul will speak to the Music Educators National Conference Thursday, Feb. 20, in the Social Room of South Hall. He will speak on possible careers in music.

Dr. Chiuminatto has been chairman of the Department of Music since 1946, and received his Ph. D degree from Northwestern University.

At present he is chairman of the Accreditation Committee for the Minnesota Music Teachers Assn.; and is also a past president of the State Assn.

He is chairman of the Music Council of 15 Minnesota colleges in charge of music departments TV faculty programs on Channel 2.

He is a member of the Music Advisory Council of the St. Paul Civic Assn. He is also a fill-in member of the viola section of the St. Croix Valley Symphony Orchestra which is under the direction of Dr. William Abbott.

Newman Sponsored Film Depicts Priest's Story

The Newman Club is sponsoring "The Cardinal" at the Falls Theater Feb. 22-25. Tickets may be purchased from any Newman member.

"The Cardinal is a saga of a fictional American priest. At the heart of this very ambitious undertaking is the story of a parish priest from Boston, played by Tom Tryon, who becomes a Cardinal in the Catholic Church.

Other members of the ensemble are Bonnie Litchter, flute; Judith Martin, oboe; Laurence Shapiro, violin; and Eugenia Earle, harpsichord.

All members of the group are not only experienced ensemble players but solo performers in their own right.

Debators to Host Irish, Louisiana Teams In Spring Meets Here

Two visiting debate teams--one from University College of Dublin, Ireland, and the other from Louisiana State University--will be on campus.

John Oostendorp, River Falls debate coach, said last week that the Irish team will compete with a River Falls State College team on March 17.

LSU's debate team will be here from April 27 to May 1. It will compete with River Falls teams at area high schools and in one public debate on campus.

Oostendorp said that two questions would be debated in the LSU-River Falls series--"Resolved: That the present system of selecting committee chair-

Cake Drawing

The Meal Plan Birthday Drawing will be held on Tuesday, Feb. 18, and the winner will be given a cake at the evening meal. Those students eligible for this drawing are:

Franklin Hobbs Makes Hit Here With Students

Through the efforts of the foundation committee, a majority of college students and friends hobnobbed with the star of Hobbs House, as Franklin Hobbs, M-ceed a dance in the Student Center Saturday night.

Due to previous commitments the show was not broadcast or taped for a later broadcast; however in the near future Mr. Hobbs will feature River Falls on one of his night time shows.

Excelsior Food

Excellent Food

Dinners - Lunches

Short Orders

Boles' Cafe

Personnel for the River Falls teams will be selected later, he said.

Dancing began at 9:30 with a call by Hobbs for a twister and the promise of free record albums to the first three couples participating. This mode continued throughout the evening with other albums being given and frequent call up of students from the dance floor to speak before the mike. The climax of that was the 12-year old girl from Babbitt, Minn., who was visiting her sister on campus and who to the consternation of Hobbs had never heard of WCCO----she got an album.

As an added attraction and change of pace, The Short Cords, a barber shop quartet of college students sang a few selections.

Cagers Drop Two

By BOB BROWN

The past weekend was anything but profitable for Coach Page and his cagers as the Falcons took two thorough beatings. On Friday night the Pioneers of Platteville State wiped out River Falls 102-68. The Pioneers scored only 10 less points in the second half, than River Falls could muster for the game. Saturday night, things weren't much better as the Oshkosh Titans knocked the Falcons from their perch once again, this time 94-73.

The two weekend losses left River Falls with seven wins and 11 losses for the season and four

and six in the conference. The defeats dropped River Falls to seventh position in the WSCC.

Stevens Point, Superior and Whitewater are all deadlocked for third place with five and four marks.

La Crosse knocked off both Whitewater and Stevens Point over the weekend to boost their record to 11 and one.

Platteville and Oshkosh picked up two victories each to move into a second place tie. Oshkosh downed Eau Claire Friday night while Platteville upset Superior Saturday night.

Platteville and River Falls

stayed fairly close in the first 10 minutes Friday. Then the Pioneers broke loose, gunning through 27 points to the Falcons 16 for a 44 to 27 half-

time lead. Bob Brenegan led the first half attack for the Pioneers with 12 points. After the intermission the Pioneers let fire with all guns, as they rang up 33 points to the Falcon's 16 in the first 10 minutes.

Platteville boasted six players in double figures for the game, with Brenegan leading the way with 18. Bob Schroeder had 14, Sprague and John Shelton had 11 each, while Dennis Zoltak and

Erv Henderson counted 10 apiece.

Paul Kramer paced River Falls for the third straight game with 21 points. Ken Lee followed with 13.

The Falcons were unusually cold as they shot 27 per cent for the game, making good on only 21 of 78 attempts. Platteville attempted 116 goals and connected on 45 of them for 38 per cent.

Saturday night at Oshkosh, River Falls shot much better as they connected on 44 per cent of their shots, however Oshkosh shot well also, hitting on 49 per cent of their attempts. Oshkosh also attempted 12 more goals than did the Falcons, the result: Oshkosh 94, River Falls 73.

River Falls trailed the Titans 51-39 at the half and at the third quarter mark were down by seven, 66-59. At that point, Oshkosh went off on a blistering scoring pace as they struck the hoop for 32 points in the next 10 minutes. During the same time River Falls tallied 14 points.

Titan guard Cariveau was the leading gunner for the game with 29 markers, 12 of them coming in the last 10 minutes. Following him for Oshkosh were Neveau with 17 and Dieters with 14.

The leading marksman for the Falcons were Nate Schilling with 16, followed closely by Kramer with 14. Schilling's point output was his personal high this season.

Leading Falcon scorer Ken Lee, was held to eight points.

River Falls has only one game on tap this week, against Superior on the Yellow Jackets home court Saturday night.

Matmen Fall to Warriors Sport a 3-5 Overall Record

The loss of a match by forfeit, which if won would have meant victory, spelled defeat for the Falcon wrestlers in last Friday's 22-13 battle with Winona State in Karges center.

The grapplers now sport a 3-5 overall record and remain 2-2 in the WSO circuit. Winona upped its won-lost mark to 4-5.

The forfeit occurred when the attending physician ruled that Larry Johnson could not wrestle in the optional 191 lb. weight class. The ruling was made after the opposing coaches had consented to the optional match.

Two scheduled meets remain this season for RF and they both take place this week. On Thursday the Falcons are host to a powerful St. Cloud State team and on Saturday they travel to Stevens Point for the final conference tilt.

Against the Huskies on Thursday, River Falls will face two of last years N.A.I.A. victors in the Hazelwinkel twins. They will fill the 123 and 130 lb. classes for the visitors.

In battling Winona, freshman Tom Bauman sustained his first loss of the season in eight starts as he lost a close 3-2 decision to the Warriors' Larry Marchionda in the 123 lb. class. Bauman will again see tough opposition on Thursday when he faces one of St. Clouds wrestling twins.

Larry Madsen, 130, and Jim Gargulak, 137, turned in impressive performances as both men pinned their Warrior opponents during the second period of their respective matches. Madsen fell Chuck Hoiness at 5:15, climax-

ing a 7-0 lead, and Gargulak pinned opposing Perry King at 3:54 of their bout.

Besides Madsen and Gargulak, the only other Falcon to light the scoreboard was Joe Jelek. Jelek edged Pete Blum of Winona, 4-2 in the 167 lb. division.

River Falls' Gary Knefelkamp, 147, was shut-out 5-0 in his tangle with Buzz Matson and acting captain Fred Lindberg, 167 was decided by Dave Hainess, 4-2.

With two matches remaining, the host RF squad was only down by one point, 14-13, with forfeit points included. Either team could have won, but as has hap-

pened previously this year, the Falcons couldn't meet the test in the late stages. At 177 lbs. Dave Wirtala lost to the Pat Flahterty, by a 5-1 score and in the heavy-weight class, Winona's Larry Wedemeier pinned Ken Trudell at 5:34 at their bout.

"Tough breaks hurt us", said coach Al Evans, who added we put out a real good effort and should have beaten them.

The college wrestling season will be capped off by the conference meet on Feb. 29 at Superior and the N.A.I.A. tournament at Black Hills State (S.D.) on March 12, 13 and 14.

Lee Has High of 37, Average of Nearly 20

by Mike Halko

The slender 6 foot 1 inch River Falls guard fainted to his left and left his defender behind as he drove in for an easy layup. The next time his opponent got the ball the Northland guard laid back on defense anticipating a similar play. This time the Falcon fainted a drive but stopped about 15 feet out and ripped the cords with a jumper.

This was the Falcon with the short name in action against Northland. His name is Ken Lee and he scored 37 points that night.

At the season's 15 game mark the phenomenal Falcon was averaging an even 20 points per contest; an average that has kept him in contention for the Wisconsin State College Conference scoring title. His field goal percentage is a sizzling 47 per cent while his average from the free throw line is 76 per cent.

Last season while playing in the shadow of two All-conference teammates the wiry guard car-

ried a 13 point average.

What is the reason for such improvement in a single season? Ken explained in an interview, "I've just been getting the shots this year and in the last couple of games my outside shooting has been improving."

But that isn't the way River Falls coach Don Page sees it. Page related the improvement to Ken's ability to face up to the responsibility of being a team leader. Page also added that he felt Ken is "more of a driver this year."

While it is known that driving is his specialty, Ken also pointed to it as being a weakness. Ken explained that the weakness stems from his lack of ability to dribble and shoot layups well with his left hand.

In discussing the River Falls team, Page stressed that his team is not a one-man team; but he acknowledges Ken as being an outstanding player. In praising the 19 year-old sophomore from Durand Wis., Page said, "I feel that Ken has an excellent chance of following in the footsteps of

Toby Gary and Don Koepnick by making the All-Conference team this year."

At Durand high school Ken averaged 17 points a game in his junior and senior years. As a sophomore he was a reserve on the 'A' team and played on the 'B' team as a freshman.

In his senior year at Durand his team came within one game of gaining a berth in the state tournament. But a tall Eau Claire five defeated Durand in the final game of the sectionals.

Two other high school games that Ken recalls vividly were victories over Spring Valley in regional play. Durand won both of these encounters, in 1961 and 1962, by a single point.

Near the end of the interview Ken gave a very philosophical answer to the question whether or not he was aware of the crowd while playing, when he said, "You're only aware of the fans if they're not there."

After answering this reporter's questions with extreme modesty and cautiousness he ended the interview by thoughtfully adding, "I just know that I wouldn't be playing ball if it wasn't for my dad, he taught just about everything I know." Since these were the most words that Ken had said in sequence; I knew that he meant them.
