

# King, Beards to Highlight FFA Talent Show Thursday

The crowning of the 1959 Winter Carnival King and judging of the beard growing contest will be the main features of the FFA Talent Show Thursday, Feb. 19. The program will be at 8 p.m. in North Hall Auditorium.

Vocal solos, a vocal quartet, guitar playing, and an organ number have been planned for the show, which will include a variety of talent. Anthony Koss, a senior from Deerbrook, will serve as emcee.

Three faculty members will judge the acts, with fifteen, ten, and five dollar prizes awarded to the three winning acts. An additional ten dollar prize will go to the most entertaining number.

The crowning of the king and the beard judging will take place during intermission. Awards will be given for the heaviest, longest and most unusual beards. Five, three and one dollar prizes are offered in each category.

Judging the beards will be Miss Vera Moss of the English department, Dr. Robert Berg of the social science department, and Shelby Ludwig.

Those who wish to participate in the program may still do so by contacting any member of the Talent Show Committee or coming to the auditions on Tuesday, Feb. 17, at 8 p.m. in North Hall Auditorium.

Allen Skotch, a junior from Independence, is chairman of the Talent Show committee. Working with him are Gary Dado, Ed Cunningham, and Glenn Samuelson. Walter Skroch is in charge of the ticket sales.

Tickets priced at 50c can be purchased from any FFA member and will also be on sale in the cafeteria this week.

## Poem Reveals Treasure Clue For Students

Students will have a chance to win \$10 if they can read between the lines of the Winter Carnival Treasure Hunt clues. The Treasure Hunt will begin Saturday, Feb. 21, at 8 a.m.

The first clue is:

"Hurry, hurry, busy day,  
Students notice on their way.  
Segregation is a clue,  
Go is another, that will do."

The second and final clue will be announced at the FFA Talent Show Thursday evening, and posted on the Winter Carnival Bulletin Board. The person who finds the treasure should report at once to a Winter Carnival chairwoman—Phyllis Anderson, Carol Korsmo, or Gwen Schlough.

Also beginning at 8 a.m. on Saturday is the annual mixed doubles bowling tournament at Collins Lanes. First, second and third prizes of \$8, \$4, and \$2, will be awarded.

"Fun" activity for Saturday afternoon is the Winter Carnival Midway beginning at 1 p.m. in South Hall Gym. A total of 15 booths will be set up to entertain Carnivalites. The booths are sponsored by various campus organizations and will include such things as nail pounding, a sponge throw, a telegraph booth, fortune telling, and a cake walk.

## Scientist to Complete Busy Schedule at RF

Completing a busy schedule during his two days on campus, Dr. R. S. Shankland, visiting lecturer in physics, will meet with classes, confer with students who are majoring or minoring in physics, and give two lectures.

Dr. Shankland, who will visit the college Monday and Tuesday, Feb. 23 and 24, is Swasey Professor and head of the physics department at Case Institute of Technology. His visit is under the auspices of the American Association of Physics Teachers and the American Institute of Physics.

An all-school convocation is scheduled for 10 a.m. Tuesday, Feb. 24, when Dr. Shankland will discuss "Nuclear Energy Sources."

His other major address will be Monday evening at 8 o'clock in the Little Theatre. Open to the public, his talk will cover "The Experimental Bases of Relativity." At both meetings, he will show slides to illustrate points in his speech.

During his stay on campus, Dr. Shankland will visit all of the

## Snow or Not --

### CARNIVAL PROGRAM AT SKI-MAC FRIDAY

Snow or no snow, the bulk of Winter Carnival activities will move to Ski-Mac Friday at 1 p.m., Feb. 20.

Chairwoman Carol Korsmo reported that there is a base for skiing and if it snows this week, there is a definite possibility that students can ski. Final information on skiing conditions will be announced at the Talent Show Thursday night.

Students planning to spend the day at Ski-Mac must sign up, so the chairwomen can determine the approximate number of meals to be served. A sign-up sheet will be provided in the cafeteria, on the Winter Carnival Bulletin Board, and in

## College to Gain UN Atmosphere

The Little Theatre in the Chalmers Davee library will take on the atmosphere of the United Nations headquarters in New York Tuesday, Feb. 17, when the political science department stages a mock security council session.

The session is part of an international relations class, but will be open to the public with the program scheduled to begin at noon.

Topics to be discussed in the form of resolutions include German unification, Algerian independence, disarmament, Arab refugees, suspension of nuclear weapons, admission of Red China to the U. N., and the Quemoy and Matsu islands.

The students to represent various countries on the security council are: Joseph Falkner, senior from River Falls, United States; David Madis, sophomore from Maiden Rock, U.S.S.R.; Hussain Qureshi, junior from Karachi, Pakistan, United Kingdom; Terrance Shelstad, senior from Red Wing, France; George Banta, senior from Rock Elm, Nationalist China; Lutifali Ansari, senior from Karachi, Pakistan, Iraq; Sun Min Cho, senior from Seoul, Korea, Japan; Manley Olson, senior from Maiden Rock, Sweden; Rolfe Rodlyn, junior from San Diego, Colum-

## Four Candidates Hope For 'Biggest' Carnival

Hopes for the "biggest Winter Carnival there has ever been on this campus" were expressed by the four candidates for Winter Carnival King.

Campaigning for the title are Tom Shield, Jay Bergstrand, Al Wienke, and Gary Rhode. Candidates were nominated and sponsored by campus organizations.

Elections will be held on Thursday, Feb. 19, in the cafeteria and the winner will be announced at the FFA Talent Show that evening. The king will reign over the outdoor activities scheduled for Friday and the Winter Carnival Dance on Saturday night.

Tom Shield, a senior from River Falls, is being sponsored by Sigma Chi Sigma. Majoring in math, he is minoring in physics and psychology. Mr. Shield was co-captain of the football team this season, and has participated in basketball, track, Physics Club, Math Club, and R Club.

The Sitzmarkers are sponsor-

ing Jay Bergstrand, senior from Amery. With a major in biology and minors in chemistry and geology he plans to work for the Fish and Wildlife Service in Alaska this summer, then attend graduate school. On campus Mr. Bergstrand has been active in Sitzmarkers, Vet's Club, LSA, and is parliamentarian for the Young Democrats and vice-president of the German Club this year.

Al Wienke, sponsored by the FFA, is a senior from Emerald. His activities include the R Club, FFA vice-president, and co-captain of this year's football team. An agricultural education major, Mr. Wienke is minoring in industrial arts and plans to teach.

Sponsored by the SCA, LSA, and SNEA, is Gary Rhode, junior from Greenwood. His college activities have included LSA, FFA, football, basketball, and wrestling. He is vice-president of the YM-YW group this year. Mr. Rhode is majoring in agricultural education and minoring in biology.

## 'Grassroots' Conference to Consider Past, Present, Future of Politics

The past, present, and future of politics will be discussed at the "Second Conference on Grassroots Politics," to be held on campus Feb. 25-26. The purpose of the conference is to stimulate political discussion and participation on campus.

Climaxing the conference will be an address by Lieutenant Governor Philleo Nash. He will speak in the North Hall Auditorium, Thursday evening, Feb. 26.

Two other highlights of the conference are a debate between Claude J. Jasper, state chairman of the Republican Party, and Patrick J. Lucey, state chairman of the Democratic Party, and a panel discussion by Mr. Lucey, Mr. Jasper, and political science professors and students.

John Wyngaard, Madison columnist, will address the student body at an all-school convocation Thursday morning.

Tickets for the Young Democrat-Young GOP banquet are being sold by members of both organizations.

The schedule for the conference is as follows:

Wednesday, Feb. 25

7:30 p.m., Young Republican Young Democrat Banquet, College cafeteria.

8:30 p.m., "The Liberal Tradition in Wisconsin Politics," address by Professor William B. Hesseltine, University of Wisconsin. Little Theatre.

Thursday, Feb. 26

9:30-2:30, Registration, North Hall Auditorium.

10:00, All-school convocation, John Wyngaard, Madison columnist, "Wisconsin Politics Today," North Hall Auditorium.

# The Editor Speaks . . .

## WINTER CARNIVAL

While this column is ordinarily set aside for a different topic each week, we think the Winter Carnival is important enough to again urge participation.

With its innovations this year, there should be some Carnival activity to be enjoyed by every student on campus. The day at Ski-Mac is unique for this campus, and whether there is snow or not, students can have fun on this outing.

A program such as Winter Carnival is designed for the students. If students do not show interest and take part, it logically follows that the program should be discontinued. We would not like to see this happen to our mid-winter festivity.

## BUSY, GROWING CAMPUS

(from Red Wing Daily Republican Eagle)

More Red Wing students are attending River Falls State College than any other college or university in the world. Russell Johnston, the college's former director of teacher training now retired and living in Red Wing, made this statement the other day and provided this additional information:

River Falls enrollment has grown from 600 to 700 a decade ago to 1,280 today. Six new buildings costing \$4,000,000 have gone up in the past ten years, and a new gymnasium and new student union are now under construction. Another dormitory and a new campus school for training teachers are included in future plans. Approximately 30 Red Wing high school graduates are now studying at River Falls.

All this, plus the prominent speakers and lively discussion programs which appear regularly on the River Falls campus, confirm our impression that Red Wing's nearest college is a wide-awake institution. This simply adds to our regret that the Wisconsin legislature didn't see fit to establish this college at Hager City!

# Student Senate Minutes

February 9, 1959

The meeting was called to order by President Clarence Duklek. After the secretary's report was approved as read, the treasurer reported balances of \$867.69 in the Student Senate account, \$654.23 in the vending machine account and \$12.89 in the River Falls account.

Don Swanson, representing a College hockey squad, asked and was granted the sum of \$100 to help finance the team for a meet in Milwaukee.

Jim Dougherty, speaking for the Newman Club, criticized the Social Committee for sponsoring a free movie at the Falls Theatre on the same night the St. John's Chorus sang on campus.

Winter Carnival Committee report: panic — no snow! Situation remedied at this writing.

A letter from Dr. McLaughlin was read thanking the Senate for suggestions on registration processes offered by the committee.

After much discussion, it was

unanimously moved that the Senate recommend as the name for the new student union, "E. J. Prucha Memorial Union."

Patty Ross volunteered to take over the handling of student insurance during the spring quarter.

Due to water pumping difficulties, the proposed skating rink on tennis courts is not yet in operation, but it is expected to be ready in time for Winter Carnival.

The constitution of the freshman class was approved.

Sandy Kins presented recommendations for alterations in the Senate constitution, which were followed by lengthy discussion.

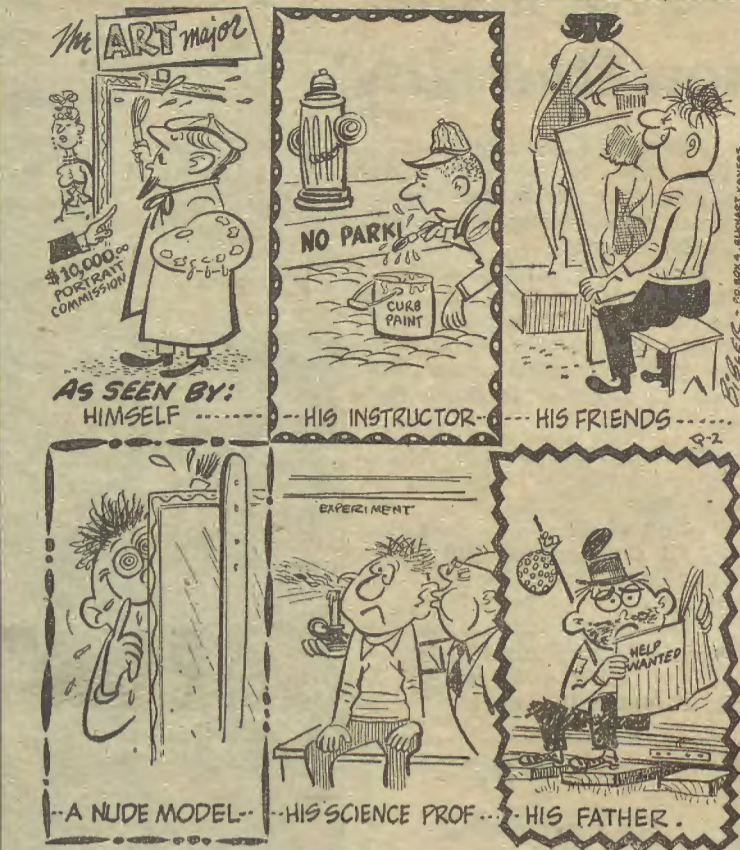

After expressing an official vote of congratulations to Pat Lind for an excellent job as Student Voice editor for the past three quarters, the Senate adjourned.

Acting Secretary, Curt Larson

# Crowded Classrooms, High Enrollment Old Problem In State College System

Record enrollments and crowded classrooms are not new to the state colleges of Wisconsin. The newest record enrollment for the second semester this year of almost 13,000 is only a repeat of a record enrollment of 2,600 set back in 1900.

Worried regents and presidents of 59 years ago set a limit on enrollments after watching the number of students increase 75 per cent on the campuses in seven years.

"The great question," wrote an inspection committee in 1896, "is how to carry on the work on the present scale, without daring to contemplate where the future will land or strand us."

Now the colleges are five times as large as they were in 1900 and they're still growing. The prediction is that in 1970 enrollments will be double the present numbers, or 10 times as large as in 1900. Fortunately none of the regents of 1900 have survived.

Just as in 1959 the greatest needs in 1900 were for space and teachers. And although there

was a restriction placed on enrollment it was never successful. Students kept coming and space and teachers were provided.

The 75 per cent increase in enrollment in seven years prior to 1900 caused the overcrowded campuses. This month the state colleges reported a 123 per cent increase in six years and the campuses continue to be overcrowded.

There are new teachers, new students, and two new colleges (La Crosse and Eau Claire) since 1900, but the old problems are still here.

## Gough to Teach Math In South This Summer

Dr. Lillian Gough, chairman of the mathematics department at River Falls, will serve on the summer faculty at the East Tennessee State College at Johnson City.

Beginning June 15, Miss Gough will spend 10 weeks instructing the following courses: Differential Equations, Theory of Numbers, Solid Analytical Geometry, Determinants and Sematic Functions, and Modern Algebra.

# AROUND THE CAMPUS

## KAPPA DELTA PI

Kappa Delta Pi will meet at the home of Jim Laue, 120 N. Lewis St., at 7:30 p.m. on Tuesday, Feb. 17. The program will consist of a discussion of an article in the January issue of *The Educational Forum*, "A Wise Herd . . .", by John E. Drevdahl. All members are urged to read this article and bring the *Forum* to the meeting. Plans will also be made for the Regional Conference of Kappa Delta Pi, to be held on campus March 21.

## NEWMAN CLUB

Tuesday, Feb. 17, there will be an executive board meeting at the Newman Center at 6:30 p.m.. Mass will be offered at 5:15.

Thursday, Feb. 19, there will be a rosary and Benediction service beginning at 6:15 p.m.

A cost supper will be held on Sunday, Feb. 22, at 5:30 p.m. at St. Bridget's School. Cost is 40c.

## SNEA

A panel entitled "Problems of Teaching" will be featured at the SNEA meeting Thursday, Feb. 19, at 6:45 p.m., in the Social Room. Members of the panel will be an elementary teacher, a secondary teacher, a rural teacher, and a practice teacher. The meeting will conclude in time for the PFA Talent Show. Lunch will be served.

## YOUNG DEMOCRATS

The Young Democrats will hold a general business meeting Tuesday, Feb. 17, at 8 p.m. in 127S.

## TREASURE HUNT— from p. 1

One of the most unusual booths will be that sponsored by the Psychology Club. Prizes will be offered in psychological tests — the Lippman Memory Drum and the Purdue Pursuit Meter: "If you can't win a prize at our booth, you'd better make an appointment to have the more expensive services of this profession rendered," said a Psychology Club Member.

Snow sculptures will be judged at 4 p.m. Saturday and prizes of \$7, \$5, and \$3 will be awarded. Judges for the sculptures are William Ammerman of the art department, Craig Sides, Stratton Hall counselor, and Kathleen Hartwig.

Highlight of the evening will be the River Falls-Superior basketball game, followed by the annual Winter Carnival Dance in North Hall Gym. The orchestra of Chuck Mills will play for the Carnival dancers. The King will be presented during the game half-time and at the dance. Admission to the dance is by Winter Carnival Button.

## Twelve RF Debaters to Participate In Eau Claire Forensic Conference

Twelve River Falls students will represent the college in the annual Eau Claire College Forensics Conference Feb. 19, 20 and 21.

Students who will enter the discussion contest on "How we can best improve our relations with Latin America" are: Arlo Miller, sophomore from Amery; James Kenall, junior from Ellsworth, Terrance Shellstad, senior from Red Wing; Kenneth Bergquist, junior from Amery; John Rice, freshman from Ellsworth, and Tom Hinke, freshman from Jim Falls.

In addition, Mr. Bergquist will enter the interpretative reading contest, while Mr. Rice and Mr. Hinke will participate in the extempore speaking and after dinner speaking categories, respectively. John Kevin Johnson, freshman from Baldwin, will enter the original oratory contest.

Eight students will enter the debate section. They are: Mr. Bergquist, Mr. Rice, Mr. Hinke, Anita Munson, freshman from Minneapolis; Jean McMillan, freshman from Stillwater; Carol Jennings, freshman from Mondovi; Judith Harmon, freshman from Clear Lake, and Judith Gilbertson, freshman from Black River Falls.

Last year a River Falls team placed fifth in the Eau Claire meet. Another River Falls representative received a superior rating in the extemporaneous speaking contest.

SHANKLAND— from p. 1

physics classes meeting on Monday and Tuesday. Monday afternoon he will confer at 2 o'clock with juniors and seniors majoring or minoring in physics. At 2:30 p.m. he will meet with freshmen and sophomores who have signed previously for the conference. Those wishing to attend should see Prof. Earl Albert in 216 N. Both conferences will be in 118N.

From 3:30 to 4:30 p.m. Monday, interested students and members of the science faculty will meet with Dr. Shankland at a coffee hour in the Social Room of South Hall.

Dr. Shankland will be guest at a luncheon at noon Tuesday with juniors and seniors majoring in physics and with the faculty of the physics department.

He will be interviewed by Bob Smith over radio station WAVN from 1:15 to 2 o'clock. From 2 to 4 p.m. Tuesday he will visit the general physics lab, 216N.

## Darr Receives Ford Grant

Dr. Richard K. Darr, of the River Falls social science department, is one of ten economists chosen to receive a Ford Foundation Fellowship from a nine-state area in the midwest.

Dr. Darr, along with other economists, under the leadership of Dr. Walter Adams of Michigan State University, will make an intensive eight-week study this summer of the problem of "Industrial Organization and Public Policy."

Dr. Darr joined the faculty in 1956, coming here from the University of Nebraska.

## Krueger Is Publicist For Brotherhood Week

Richard Krueger, senior from Loyal, is serving as publicity chairman of the Pierce County observation of National Brotherhood Week, Feb. 15 through 22.

Brotherhood Week has been sponsored annually since 1934 by the National Conference of Christians and Jews. The Pierce County program will be aimed at reducing group tension through programs of an educational nature.

## Wyman, Chisholm Will Study West Coast Grad Program

While the rest of the campus recovers from Winter Carnival, prepares for more cold weather and the struggle with finals, two faculty members will be winging their way to California sunshine.

Dr. Francis Chisholm and Dr. Walker Wyman will visit four West Coast colleges early in March under the auspices of the Ford Foundation.

The trip is in connection with the Wisconsin Experimental Graduate Program for Classroom Teachers, in which the

WALKER WYMAN

Ford Foundation for the Advancement of Education has become interested.

The experimental graduate program to be offered jointly by the State Colleges and the University is designed to improve the educational background of the classroom teacher.

Under the program, half the work would be done on the State College campus and half on the University campus. It would be largely subject-matter oriented.

It is being designed by a State Committee on Graduate Study made up of four representatives from the University and one from each of the State Colleges. There are also four sub-committees on subject matter formed on the same basis. Dr. Wyman is a member of the State Committee and Dr. Chisholm is chairman of the Languages Arts Committee. Other River Falls faculty members included are Dr. Edward Peterson on the Social Science Committee, Dr. Lillian Gough on the Science Committee, and Dr. Philip Anderson on the Elementary Education Committee.

The Ford Foundation has encouraged the committee to apply for funds to carry out its experiment and suggested that each member of the standing committee and the chairman of the subject matter committee visit Ford experiments in various parts of the country.

On March 6 and 7, Drs. Chisholm and Wyman will visit the University of Southern California to study its graduate program in which USC offers seminars on teaching problems to liberal arts graduates. The program is financed by the Ford Foundation and the Los Angeles public schools.

The next college on their itinerary is Claremont College and its associated colleges. Dr. Chisholm and Dr. Wyman will spend two days at Claremont studying the graduate program called "intercollegiate program of graduate studies." The program consists of a number of inter-subject seminars.

They will also visit San Francisco College and Stanford University. Students taking graduate work at Stanford spend one semester on campus and one semester in a secondary or elementary school, taking their education work by discussion.

All the graduate programs at these colleges are or have been financed through Ford Foundation grants.

Explaining why he felt the Ford Foundation was interested in the Wisconsin experiment, Dr. Wyman said, "This is the only plan in which a whole state is working together on a graduate program. The work will be done on two campuses, and the graduate degree would be one of the few which is subject-matter centered for the classroom teacher."

# ECON CLUB TO HEAR BANKING OFFICIAL

David A. Shern, an officer of the 1st National Bank of St. Paul will speak to the Economics Club on Tuesday, Feb. 17, at 7:30 p.m. in the Social Room.

Mr. Shern will discuss banking procedure and give an outline of the different careers available in the banking field.

The newly-formed economic group has organized a program for the remainder of the year. Other speakers to be heard at later dates include Bernard Benyton of St. Paul Fire and Marine Insurance Co., and G. A. Wobig of the Merrill Fenner, Lynch and Smith Stock Broker Agency.

All majors and minors in economics are eligible to join the organization and invited to attend these lectures. The club meets every first and third Tuesday of the month.

# SKI-MAC— from p. 1

In the event that there is a snow shortage, tobogganing and races will take place at Ski-Mac. Meals will be served from 5 to 7 p.m., followed by a record dance in the chalet. Cost of the meal is 65c.

# Non-Teaching Ag Students Form Agrifallian Society

A club for non-teaching students in agriculture has been organized on campus. The "Agrifallian Society" consists of students working on Bachelor of Science and Bachelor of Arts degrees in agriculture.

A. N. Johnson, of the agriculture department, is the group's advisor. The officers are: Martin Feld, president; Don Patin, vice president; Bill Dobson, secretary; Fred Gilbertson, treasurer; and Bernie Feld, SAC representative.

The club is designed to acquaint the members with the job opportunities in industry and related fields. The organization will also offer fellowship for students with like interests.

Merton Hansen, a 1958 graduate of the college, spoke at a meeting Thursday evening. Mr. Hansen is employed at Doughboy Mills in New Richmond.

# Methodists to Hear Former RF Student

The Rev. Marshall Kammerud, a former River Falls student, will speak at the Lenten service at the Methodist church Wednesday, Feb. 18 at 8 p.m.

Rev. Kammerud attended River Falls from 1953-54 and served as president of the Wesley Foundation that year. He is now serving the Methodist churches at Independence and Whitehall, Wis. He plans to enter the seminary next year.

Also performing at the service will be the Wesley choir, composed of River Falls students. Organ accompanist for the choir is Rae Buchholz, junior from Ladysmith.

## Carlton Opens 'Falls Grapplers

The River Falls wrestling team showed encouraging improvement Tuesday night, losing to a strong Carleton squad 28-15. The Carls also won three out of four exhibition matches.

The Midwest Conference school racked up five pins and a decision for their game-winning total. Jerome Braun, Arvid Flanum and Larry Julien all scored pins for the Falcons.

In the only match to-go the distance, Tom Overman lost to his Carleton opponent 4-0. Dick Sulewski picked up two points in the first period on a take down and then increased his lead to 4-0 in the second three-minute session on a reversal.

Chuck Swan, wrestling in the 167 pound class was leading 8-0 before he was able to get his fall on Sadjia Herzog in the second period in exhibition matches.

In last week's article on the Steven's Point wrestling match it was erroneously reported that the Falcon grapplers were winless this season. The wrestling team defeated Stout before Christmas 16-14 and will be trying for the second victory over the Bluedevils Friday evening.

## Cagers Top Whitewater Fri. 86-78 Bow to UWM Cardinals Saturday

The Falcons, with Manley Olson scoring from his pivot spot and John Lauber hitting from the outside, won the first game of the "Valentine doubleheader," defeating Whitewater 86-78 Friday night.

Olson dumped 11 field goals and nine out of 11 free throws for a 31-point performance. Lauber scored 19 points on nine buckets and a gifter. Whitey Verway led the Warhawks scoring with 20.

Whitewater jumped to an early 21-14 lead before the Falcons caught fire and tied it up at 21-21 with just 10 minutes remaining in the first half. John Lauber and Mick Collins put the "red and white" out in front and they maintained their margin for a 41-36 halftime lead.

The Falcons enjoyed their biggest margin at 65-61 when Olson poured in eight straight points with Cassidy and Fisher connecting for the southern division team.

In the preliminary game the Frosh dropped a 97-86 thriller to the unbeaten Teska All-Stars. Mick Lauber paced the Stars with 40 points, Charlie Johnson had another fine night for the Frosh, collecting 38 points.

Hitting on 21 of 26 free throw attempts the Milwaukee Cardinals squeezed by the Falcons Saturday night 89-83. River Falls outscored UWM from the field 37-34 but was unable to hit from the foul line, shooting an anemic 43 per cent.

The ball-hawking Cardinals capitalized on the Falcons' early game mistakes and took a 41-33 lead at halftime intermission. The "big Red" were able to keep UWM from pulling away until, with the score at 66-57, Dave Vincent scored three quick baskets to push the lead to 72-57 with 8:10 remaining on the clock.

The Falcons took good advantage of a Milwaukee let-down and led by John Lauber and Manley Olson scored ten straight points and moved within four points 71-75 of the Cardinals. The 'Falls quintet continued to climb and knotted the score with 1:15 showing on the scoreboard block at 81-81.

Ken Zack, UWM's fine forward, hit from way out and Dave Vincent added two free throws with 45 seconds to put the Cardinals out of reach.

John Lauber led the Falcons in scoring with 24. The high-scoring Milwaukee five placed five men in double figures with guard Dave Vincent topping the list with 21. Ken Zack and Ron Stanton each garnered 19.

## Matmen Face Busy Weekend

A Winter Carnival double-header is on tap for the Falcon wrestling team with a pair of meets this weekend scheduled for the North Hall Gym. Stout furnishes the opposition Friday at 8 p.m. and Stevens Point is here for an afternoon match Saturday starting at 5:30.

The Falcons will be gunning for win number two of the campaign in the Stout encounter. Their only previous victory was over the Bluedevils at Menominee in December. Larry Julien's pin in the contest's final event provided the margin of decision as River Falls won 16-14. Both squads have improved since then and Friday's tilt could be another squeaker.

Stevens Point's rugged team battered the Falcons once already this year. In fact, so decisive was the win that only Julien managed a victory for Ben Bergsrud's crew. The final tally read 27-5 in favor of the Pointers.

Saturday's match could be a lot closer depending on the performances of three Falcon grapplers. Lloyd Danke, Ed Schlumpf, and Jim Drummy all lost close decisions at Stevens Point two weeks ago. A win by any or all of them would tighten up the final results considerably.

Exhibition matches will be included on both day's cards. Only one match remains following these two programs with Macalaster coming here March 3.

## SCHOLARS, BURLIES, BUMBLE BEES CINCH TOURNAMENT BERTHS

The Bumble Bees, Burlies, and Scholars have all cinched titles in their respective intramural basketball leagues. Unblemished 7-0 records belong to the class "A" titlists, the Bumble Bees, and the "C" league pacesetters, the Scholars.

Dick Miller poured 44 points through the nets last week to lead his "B" league champs, the Burlies, to 75-33 victory over the Rounders and a final 6-1 record.

The free throw tournament will be held this week and any necessary play-off games.

## Varsity to Battle Alumni In Belfiori Benefit Tilt

Two of the nation's former top small college basketball greats will be among the star-studded line-up the Alumni will throw against the present Falcon cagers tonight.

Nate DeLong (1946-1950) and Rog Kuss (1951-1953) will try to lead the fine Alumni team to a revenge victory over the Varsity. In last year's Alumni-Varsity scrimmage Darrell Hart sank a set shot with four seconds left to give the Varsity a 78-76 victory.

DeLong, in four years of varsity, set a national scoring record of 2592 points. Kuss, who has two brothers presently playing for the highly regarded River Falls high school team, was Nate's successor and was chosen as the N.A.I.A. College Basketball Player of the Year in 1953.

One of the finest floormen will also be in the Alumni line-up, Newman Benson. Other Falcon greats will be Charlie Most, Harry Gibbs, and Wally "Itch" Lindholm all members of River Falls' championship teams. More recent stars for the "red and white" will be Dave Herum, Don Fick and Carver Fouks. Last year's only senior, Neil Christenson, will also be on hand.

The preliminary game will feature the Faculty All-Stars and the WRA girls. The faculty line-up will include the "old pro" Fran Polsfoot, elusive Ted Setterquist, historic Ed Peterson and acidic Dick Swenson. This colorful line-up is under the direction of President Kleinpell. Game time will be 6:15.

**PLAYER OF THE YEAR** in 1953, former RFSC basketball great Rog Kuss will return to play for the alumni against the varsity in the second annual Phil Belfiori benefit scrimmage Monday, Feb. 16. Kuss averaged 39 points a game his senior year, and was named the outstanding small college basketball player in the nation by the Helms Foundation. Admission to the alumni scrimmage will consist of a donation to the Belfiori fund.

## Kingpins Take "A" League Top Spot Happy-Jacks Pace "B" League Keglers

The deadlock for the leadership in the Intramural Bowling "A" League was broken last week as the Kingpins dropped two games to the Greenwoodites to gain the top spot. The Jokers fell victims to the Free Loafers and lost all three points.

In the "B" League the Pinky Panthers continue to climb knocking off the top ranking Happy-Jacks twice on the strength of their handicap. The 'Jacks had to roll an 826 series in order to win the second game by a single pin. The Alley-Sweepers missed a golden opportunity to narrow the gap by winning only one game from Filkins.

The Kingpins will be facing a 113 pin handicap next week when they bowl against the Fireball-5.

## Yellowjackets Will Meet RF This Weekend

As part of the festive Winter Carnival activities the Falcon's cage team will play its final home game of the season Saturday night, clashing with the Superior Yellowjackets.

The northern invaders will be bringing one of the league's finest brother combinations to town with them in their quest for their second win over the Falcon this year. Earlier, paced by Gene and Jack Evans and Rog Lowrey, Superior rocked the "big red" 73-60.

Coach Carl Vergamini's squad has a 4-3 conference record and a fine over-all record of 11-4. They just recently split in a pair of games with MIAC's pacesetter UMD. The La Crosse Indians whipped them 98-75 in their last conference outing. The past weekend they played host to Milwaukee and Oshkosh.

Starting line-up for Superior will be last year's conference scoring leader, 5-11 Jack Evans, all-conference guard Rog Lowrey, 5-8, Gene Evans, the younger brother, 6-0, Dale Westerback, 6-6 and probably Hal Anderson.

## Augsburg Clouts Falcons; Olson Collects 25 Points

Lowell Ziemann, Dick Thompson and Dick Robinson combined for 62 points to lead Augsburg to an 85-73 victory over the Falcons here Monday night.

The Auggies jumped to an early lead and were out in front 10-1 after only two and one-half minutes of play. But the Falcons fought back, led by John Lauber and Manley Olson, and at the end of the first quarter were down by 2, 23-21.

River Falls finally caught fire in the second period and commanded a five point lead most of the way, only to have the Auggies catch up and pull ahead by one, 43-42 at the intermission.

The third period saw River Falls hitting on only 1 of 6 free throw attempts and three field goals for a total of 7 points

while Augsburg scored 20. At the three quarter mark the Pagemen were down 63-49.

Manley Olson was high man on the floor with 25. Mick Collins and John Lauber, who were handicapped by four fouls throughout the second half, each scored 14.

The Falcon's potential great, Mick Lauber, once again saw only limited action and was unable to register in the scoring column.

The 'Falls quintet was able to connect on only 15 of 33 free throw attempts for a rather dismal 48%. Augsburg grabbed 54 rebounds, while the Falcons gathered 46. The Auggies shot 46% from the floor while River Falls shot 40%.

Augsburg's balanced and consistent scoring proved too much for the Falcons as Ziemann tallied 22 and was followed closely by Thompson and Robinson with 22 and 19 respectively.
