VOL. 6.

RIVER FALLS, WISCONSIN, OCTOBER 7, 1921.

NUMBER 4

TEAM PLAYS CARLETON TOMORROW

For the fourth time in the history of football at the River Falls Normal school the team will invade Laird Field to combat the strong Carleton gridders. Carleton has a record of never being beaten on her home field which gives every opponent a very strong incentive for putting up the strongest possible game. Twice they have defeated the locals by one touchdown and one game resulted in a tie.

The locals are showing very good early-season form and with this week's practice, which, judging from all reports and observations, has been a stiff grind, the team should put up a stellar game.

The team will leave the Normal campus Saturday morning at eight o'clock. Why not forget the usual Saturday morning snooze and have a big turn-out to give the boys a good "send-off?"

Saturday, October 15, River Falls meets St. Mary's College on Ramer Field.

DANCE ENJOYED BY ALL

The first dance of the year which was given last Saturday evening was well attended by both students and members of last year's class. An innovation was made in the form of a six-piece orchestra composed, with one exception, of Normal people. All who attended were enthusiastic in their praises.

JUNIOR CLASS ELECTS

President—Neil Martin
Vice-President—Landon Chapman
Secretary—Winifred Lynch
Treasurer—David Roberts
Social Committee

Josephine McQuillan, Lenore Reed, Virginia Hoeser, Romolla Cheney, Roland Donovan.

THE STUDENTS' DIRECTORY

Students will welcome the news of a Student Directory's approach. In a week or ten days this neat, concise directory will be ready for distribution. It will contain a great amount of information concerning the various interests involved in our Normal school.

It will contain information in detail concerning such things as school organizations, including the officers of each, athletics, committees, churches, train schedules, school yells and songs, as well as a complete record of each student as concerns his name, rooming place, home address, telephone number, course, and to what class he belongs.

Look for an announcement in regard to the time that this directory will be placed on sale.

The supply will be limited so you should get yours early if you wish to be sure of getting one.

MELETEAN STAFF

OFFERS PRIZE

A free copy of the Meletean will be given to the person contributing the best collection of ten or more comic or group pictures. The contest will close December 1, when competent judges will award the prize. Members of the staff are not eligible to enter the contest. The pictures should be given to one of our photographers, either Paul Bonnes or Claire Smith.

Meletean Staff.

RURAL LIFE CLUB

The Rural Life club held its first meeting Tuesday in the form of a mixer. The following program was given:

Songs by the Club
Reading, - - - - Miss Fowler
Piano Solo, - - - - Rose Golden
Reading, - - - - Miss McDermott
After the program the members played games and became acquainted.

WITH THE AG. MEN

The following prizes were won by the animals from the Normal Dairy herd entered at the New Richmond Fair:

Herd Sire, - - - - - First
Guernsey Cow, - - - - First
Guernsey Calf, - - - - First
Holstein Heifer, - - - - First
(Under 1 year)

Holstein Heifer, - - - Second
Grand Champ. Holstein, - First
Producer of Dam, Holstein, - First
Producer of Dam, Guernsey, - First
Out of a total of six animals entered 5 first, 1 second and 3 championships were won in a show where there was keen competition in every class.

Several herds shown at the Chipewa fair, as well as the best Guernsey herds in this section, were shown.

It has been decided to hold the annual grain and poultry show November 17 and 18. This is an event held every year and managed by members of the faculty and students of the Agricultural Department. The students get valuable training in conducting an activity of this kind and it has proven to be a valuable type of work for the community.

The Agricultural Department has a display of ribbons in their office, won at the Stock Shows this year.

M. R. Goodell of the class of 1915, is in charge of a community fair at Bloomer, October 8 to 10. A member of the Agricultural Department will be there to judge the exhibits.

James Ausland, Junior last year, enrolled Tuesday.

AURELIA

Twenty-six new members were initiated into the Aurelia Literary society last Wednesday evening. This group makes the full quota for the present. Any girls who still wish to join may put their names on the waiting list.

THE SOCIAL LIFE
OF THE SCHOOL

The Social Committee has endeavored to make each and every one of the students feel at home by the giving of social mixers and dances. This helps a great deal both in keeping students contented and in raising the standard of the school. Men are by nature social creatures, and when the opportunity to enjoy the society of others is denied them, backwardness and indifference are inevitable.

Thus all students should make it a point to take an active part in some of the social events of the season, thereby raising their own standards and also increasing the welfare and contentedness of others around them. It has been shown that one has to be alive or awake to others and their lives in order to accomplish the most for himself. Though associations with other people whose interests differ from our own, ideas are exchanged and our knowledge and sympathies are greatly extended.

The Social Committee is to be congratulated for the success of its opening events, and it is to be hoped that every student will get out and work for the success of some of the succeeding ones.

G. A. A.

The regular meeting of the Girls' Athletic Association was held last Friday. The girls voted to make an extensive study of football rules at their regular meetings. An amendment to the constitution was adopted which makes it possible for any girl to earn G. A. A. points by attending all practices regularly. Each girl who wants to earn a sweater or G. A. A. pin may start right now. Regular practices for Juniors, Seniors, and Third Year Seniors will be Mondays and Wednesdays at four o'clock; for Freshmen, Sophomores and Third Year Girls, at 4:00 p. m. Tuesdays and Thursdays.

Twenty-five girls reported for volleyball practice last Wednesday. Some of the classes were not well represented. Now is the time to come out and make your class team the best.

Watch for the poster announcement of the mixer luncheon and be sure to sign up.

Y. M. C. A.

The Y. M. C. A. held its regular meeting Thursday evening at 6:45 in Mr. Hunt's room in North Hall. The program was opened with a devotional service which was followed by a vocal solo by Mr. Koepf. The speaker of the evening was Mr. Mitchell, who gave a very inspirational talk on the "Value of the Y. M. C. A." After Mr. Mitchell's talk, the membership cards were given out and their value explained. This was followed by the closing song.

Y. W. C. A.

The Y. W. C. A. met last night at seven o'clock in the society room. The program was:

Hymns
The Meaning of Service,
Elizabeth Adams

Prayer
School Girl Friendships, Alice Mackin
The remainder of the evening was spent in singing songs accompanied by ukeleles. All-day-suckers were served. Candle-light service will be held a week from next Thursday for new members who have entered to that date.

N. C. A.

The N. C. A. held a weiner and marshmallow roast at Glen Park Lodge Thursday night. The evening was spent in playing games, dancing and listening to music. Everyone had a very enjoyable time.

CIVIC CLUB

Monday evening the Civic Club had a very "peppy" meeting and program in the society room.

Piano Solo, - - - Miss Kueski
Reading, - - - Miss Lovell
My Ideal Man, - - Miss Cheney
My Ideal Woman, - Mr. Chapman
Talk, - - - - - Mr. Davison

The club is putting on a membership campaign this week and at the next meeting will elect new officers for the year. If you are interested in modern, social and political questions and like to hear them discussed in an intelligent and broad-minded manner, this is the place for you. The Civic club is a national organization and is the only one in school that includes men and women of all creeds and parties. Everyone in school is eligible for membership, the only requisite is that you are a true American.

CAMERA CLUB

The second meeting of the Camera club was held Monday evening, Oct. 8, in the laboratory.

The evening was spent in developing films and printing pictures.

Exam question in one of Mr. Stratton's geography classes: Name five densely inhabited regions of Asia.

Student: Five densely inhabited regions of Asia are: India, Japan, China, Naples, and part of Africa.

LINCOLNIAN

The Lincolnian society will meet next Wednesday evening at seven o'clock in Mr. Mitchell's room in North Hall. Election of officers and initiation of new members will take place. Let each member regard his presence necessary.

Only two new members are needed to complete the roll. If you want to get in on a good thing, hand your name to Mr. Mitchell at once.

GIRLS' GLEE CLUB

The opening meeting of the Girls' Glee club gave promise of a banner year for that organization. About sixty girls attended. The club is fortunate this year in having an unusually large number of altos. There are also many good soprano and second soprano voices. Next week the club will hold its rehearsal and election of officers in the auditorium where there is more room. Be ready to name your candidates.

JUST GIRLS

The "Just Girls" organization held its first meeting of the fall during assembly period last Tuesday. An amendment was adopted making possible the selection of a council to discuss and study boarding and rooming house questions and other problems which confront the girls.

LOCALS

Shirley White, who is teaching at Milltown, spent the week-end at her home in River Falls.

Leo Shannon, who teaches at Balsam Lake, was here over the week-end.

Evelyn Roloff visited in River Falls last Saturday and Sunday.

Miss Hathorn entertained the Y. W. cabinet at supper Wednesday at 5:30. The regular cabinet meeting was held at 6:30, which was followed by the Y. W. C. A. meeting in the society room.

Ruth Fuller, '21, who is now teaching at Excelsior, Minn., spent the week-end in River Falls.

A large consignment of books has just been received at the library.

Miss Mosher leaves this evening to attend the State Library Association in Milwaukee October 10 to 12.

Last Saturday Mr. Malott took his wife and daughter and Alice Montgomery to the Randall school for a community dinner. Mr. Malott spoke to the people there about community center work.

Mr. May and Mr. Koepf were at the Randall school Saturday judging agricultural exhibits.

The seemingly mysterious and invisible K. K. K. is now understood to mean, "Keep our Kampus Klean."

THINGS YOU THINK

A closed mouth is better than a closed car.

Give some people a bite of an apple and there'll be no core.

Those who live the most are the ones who live the fastest.

A conscience needs exercise to keep it in a healthy condition.

There is no man so poor as he who is rich in vain platitudes.

The man who never gives up will some day have money out at interest.

Repentance comes readily when you see what your sin has cost you.

Don't borrow trouble with the intention of returning it with interest.

Cheerfulness is about the only contagious thing we aren't afraid of.

Don't skim the cream off the milk of human kindness before peddling it out.

The man who makes the most noise talking makes the least noise thinking.

Some people rise by getting in on the ground floor of everything that comes along.

A woman often finds herself well fixed financially after having failed in marriage.

You never realize how many men there are out of employment until you start to do some outdoor job that is a little difficult of performance.

The man who is so constituted that you would be willing to do most any kind of favor for him is the one who seems to need help the least.

It is easy to be cheerful when those around you are cheerful—so, from a selfish standpoint, it is worth while to try to make happy those you associate with.—Ex.

Mr. Malott's Rural Economics class spent Wednesday afternoon visiting the county jail and Poor Farm at Ellsworth.

"Ernest," said the teacher, "tell what you know about the Mongolian race."

"I wasn't there," exclaimed Ernest. "I went to the football game."

Teacher: "Which eat most—animals or birds?"

Pupil: "Birds, sir, because they take a peck at a time."

"What are your thoughts for the future?" asked a solemn old man.

"Well, my girl's birthday is tomorrow and I'm thinking about the present."

They can't send mail to Washington any more."

Why not?"

"Cause he's dead."

"My father and I know everything in the world," said a small boy to his companion.

"All right," said the latter. "Where's Asia?"

It was a stiff question, but the little fellow answered coolly: "That is one of the questions my father knows."

River Falls Men Win Honors

We are always glad to note the success of our graduates. Just recently the school has reason to feel proud of two of the graduates of the Agricultural Department.

Irving Courtice, graduate of the class of 1920, has proven to be a remarkably successful county club leader in North Dakota. Immediately after graduation Mr. Courtice accepted the position as county club leader in one of the counties of North Dakota. This year Mr. Courtice won out in the state contest with a stock judging team. This team was taken to Sioux City, Iowa, to the inter-state fair where stock-judging teams from ten other states were present to compete for highest honors. The team coached by Mr. Courtice took first place.

Recently the officials of North Dakota, knowing the value of Mr. Courtice's work, sent in his name to become assistant state club leader. The application was turned down by the Washington authorities because he had not been engaged in the work long enough to entitle him to a position of that kind. The school feels justly proud of the work that Mr. Courtice is doing.

Norman Eckley, '16, carried off first honors at the State Fair this year with a poultry demonstration team. This team was sent to the Inter-state fair at Sioux City, Iowa, to represent the state of Wisconsin. In competition with several states Mr. Eckley's team won third place. Mr. Eckley has been in charge of the agricultural work at the Waterloo High School for the past five years, and he is considered one of the strongest men in the state engaged in that type of work.
