VOLUME XLV

NO. 13

RIVER FALLS STATE COLLEGE MONDAY, DECEMBER 15, 1958

Honor Roll Lists 96 for Fall Quarter

Approximately 8 per cent of the students at Wisconsin State College at River Falls received 3.5 or better grade point averages for the fall term, thus placing them on the honor roll. This is the same percentage of students who in the fall of 1957 and 1958 also had grades midway between A and B or better.

Twelve of the 96 students listed received straight A's. They are: Jon Belisle, River Falls; James DeMarce, Spring Valley; Jon Fisk, St. Croix Falls; Judith Harmon, Clear Lake; Ronald LaGrandier, Chili; Curtiss Larson, Hillsdale; James Laue, River Falls; Froydis Myhrwold, Deronda; Barbara Scheffer; James Schlough, Boyceville; David Skoug, Chetek; and Gayle Wernberg, Arpin.

Students on the fall honor roll by course of study are:

ELEMENTARY: Phyllis Anderson, Centuria; LaVerna Brown, Afton, Minn.; Ellen Cooke, Spring Valley; Marilyn Elliott, River Falls; Merlin Fawcett, Marinette; Marie Forman, Cadott; Karen Gatten, Chippewa Falls; Suzanne Gayner, Webster; Maxine Hexum, Cameron; Iola Johnson, Stillwater, Minn.; Karen Johnson, Rice Lake; Sandra Kins, Ellsworth; Carol Myhre, Hammond; Patricia Norman, New Richmond; Lois Steffenhagen, Red Wing; and Mildred Veenendall, Baldwin.

LIBERAL ARTS: David Boatman, Ellsworth; Carolyn Brown, Somerset; Michael Dodge, Hudson; Daniel Gæu, Merrill; James Gardner, Pittsville; Byron Gores, Amery; William Hagestad, River Falls; Wayne Handlos,

(Continued on Page 4)

Choir Concert Set for Tonight

The College Choir will present its 13th annual Christmas Music Festival tonight at 8 p.m. in North Hall Auditorium.

In its program, the choir will sing Christmas carols from many countries and also traditional songs. Featured with the 56-member choir, directed by Chauncey King, will be Miss Cara Wharton with organ selections. Miss Wharton is a former teacher of the college.

There will be no admission charge for the festival, but a free-will offering will be collected during the intermission.

Following the program, Hathorn Hall and Hathorn Cottage will hold open house for all students, faculty members, and visitors to the campus. Tours and a coffee hour are scheduled.

Sigma to Aid Christmas Seal Sale

Sigma Chi Sigma, honorary society for women on campus, will sell Christmas seals at the college for the Anti-Tuberculosis Association. The seals will be on sale in the cafeteria the week of Dec. 15 to 19, giving students an opportunity to do their part in supporting the Christmas Seal program.

Locally the drive to raise funds is conducted by the River Falls Tuesday Club, and seals were mailed to residents in November. Fifty cents of each dollar collected remains with the local association and is used for such projects as the free x-ray survey held here last year.

WORKING ON A design for the Winter Carnival button are co-chairwomen Carol Korsmo, Gwen Schlough, and Phyllis Anderson. The annual winter event will be held Feb. 19 to 22.

PHOTO BY KLEMMER

Carnival Chairwomen Plan Events for Winter Weekend

The co-chairwomen for the 1959 Winter Carnival, to be held Feb. 19, 20, 21, and 22, have been selected by the Student Senate. Working together to plan a variety of activities will be Gwen Schlough, Carol Korsmo, and Phyllis Anderson.

Miss Schlough, a junior from Elkhorn, is active in A.W.S., Sigma Chi Sigma, W.R.A., Sitzmarkers, L.S.A., and is Vice President of Hathorn Hall.

A junior from Clintonville, Miss Korsmo participates in Sigma Chi Sigma, Math Club, German Club, and serves as Secretary-Treasurer of Sitzmarkers.

From Centuria is senior Phyllis Anderson, who is active in A.W.S., A.C.E.I., Choir, F.T.A., M.E.N.C., and is President of Sigma Chi Sigma.

Various groups will sponsor candidates for the Winter Carnival king and an all-school election will be held, rather than the usual petition method.

On Thursday, Feb. 19, the Winter Carnival will begin with a kick-off F.F.A. talent show. The king will be crowned, the beard-growing contest will be judged, and the basketball team will be introduced.

Outside activities and contests of skiing, tobogganning, "saucer-riding" and snowman building will be held at Ski-Mac on Friday. A lunch will be served and a dance in ski clothes will take place at the chalet.

Contributions have also been made to the University of Wisconsin for use in important research projects.

Approximately one-third of the total number of persons x-rayed when the chest x-ray visited River Falls last year were college students. Therefore, the local association feels that students will want to share in this project.

Faculty members who have not turned in their contributions may leave them with Mrs. Alice Davison.

The traditional treasure hunt will begin on Saturday along with bowling, card, and chess tournaments. The judging of the snow-sculpturing contest, a carnival midway, and a candlelight pancake supper are being planned for Saturday. The Superior-River Falls basketball game will precede the annual Winter Carnival dance.

Another Winter Carnival tradition—attending church on Sunday—will begin the final day of festivities. That afternoon, an ice hockey game will be held and an all-school swim will close the Carnival's events.

Anyone who has any suggestions should contact any of the three co-chairwomen.

Double Bill!

Two William Abbots To Share Podium at Barron Band Clinic

Barron, Wisconsin has the Abbott habit!! They have invited two William Abbott's to the annual Indianhead Band Clinic Feb. 7, 1959.

Dr. William Abbott of the college music department will serve as guest clinician and conductor.

William Abbott of Minneapolis will be the other guest conductor. He and Dr. Abbott will share the podium for an evening band concert.

The annual clinic will include band members and their instructors from high schools in Barron, Birchwood, Chetek, Cumberland, Rice Lake, Spooner, Shell Lake, and Turtle Lake. The guest conductors will work with the individual bands in the morning and specialists on various instruments will work with students, helping to solve problems and give demonstrations. In the afternoon they will hold rehearsals of the Indianhead Symphonic Band and a massed band composed of students who are not in the former organization.

Board Approves Plans For New Farm Set-up

CAMPUS CALENDAR

Monday, December 15
8 p.m., Christmas Music Festival, North Hall Auditorium.
9:30 p.m., Open House at Hathorn Hall and Hathorn Cottage.

Tuesday, December 16
7:30 p.m., Children's Christmas Program, North Hall Auditorium.

Wednesday, December 17
8 p.m., Basketball vs. Eau Claire, Here.
10 p.m., All-School Dance, Hathorn Hall.

Thursday, December 18
7:30 p.m., Wrestling vs. Stout, Away.
8 p.m., Movie, "The Storm Within," Little Theatre.

Friday, December 19
5 p.m., Christmas Recess Begins.

Monday, January 5
8 a.m., Classes Resume.
Basketball Game, Carleton, Away.

Wednesday, January 7
8 p.m., Basketball vs. Mankato, Here.

Thursday, January 8
10 a.m., Freshman Class Meeting, North Hall Auditorium.
8 p.m., Movie, "Scandals of Clochemerle" Little Theatre.

Saturday, January 10
Basketball Game, Superior, Away.
Wrestling, St. Thomas, There.

Approval of preliminary plans for moving the college farm and construction of new buildings was given by the Board of Regents of State Colleges at its December meeting.

The plans were approved earlier by the State Bureau of Engineering.

Richard Delorit, chairman of the Division of Agriculture, said that every effort will be made to have final plans and specifications ready in February so that bids may be let in April. It is hoped that work may then be completed during the summer months so that the farm will be ready for operation at the opening of school next fall, Mr. Delorit said.

The \$206,000 project will include approximately ten farm buildings to be located in the southeast corner of the present farm, about one and one-half miles south of the college on Route 35.

One of the outstanding features of the new farm will be the livestock pavilion to be used for instruction and college agricultural shows and which may be made available to farm groups for shows and sales. The pavilion will also house two students to be employed part time on the farm and will include a classroom.

A combination comfort stall barn and milking parlor is being planned for a dairy herd of approximately 50 cows.

In addition to the dairy barn and livestock pavilion, the farm will include a milking parlor with a milk room and office, a farm machinery building, a poultry house, a bull barn, a hay storage building and a dairy loafing area. Two residences also are to be moved to the farm.

In charge of drawing plans and supervising the relocation is Carroll Grubb.

In addition to the increase in the dairy herd, there will be an increase in the number of hogs kept on the farm. The poultry flock will be increased from the present 300 hens to approximately 1,000.

The farm at River Falls is unique in that it has been a self-sustaining operation, continuing without outside assistance.

CHISHOLM TO EDIT TWO PUBLICATIONS FOR ENGLISH GROUP

Dr. Francis P. Chisholm, head of the English department at River Falls, is working with the newly-formed Wisconsin Council of Teachers of English as chairman of the publications committee.

As part of his work with the committee, Dr. Chisholm will edit two publications. The Wisconsin English Journal will be issued three times yearly. It will contain such things as book reviews, students' and teachers' original poetry and short stories, and summaries of classroom projects. A mimeographed newsletter, The English Language Arts in Wisconsin, will be published six times a year. In addition, the committee will also issue Service Bulletins from time to time to members of WCTE.

The WCTE is a state-wide organization formed to help improve the quality of instruction in Language Arts and English at all levels and to improve the status of teachers of these subjects. It is an affiliate of the National Council of Teachers of English, which held its annual convention November 27-29 in Pittsburgh, Pa. Dr. Chisholm and William Hagestad, senior from River Falls, represented the campus junior affiliate of NCTE at the convention.

Christmas Carols Program Theme At Campus School

The annual Campus School Christmas program will be held on Tuesday, Dec. 16, in North Hall Auditorium at 7:30 p.m. under the direction of Nicholas Jadinak.

Two points are being emphasized in this year's program. First, the program is planned to show the public what campus school students are learning about Christmas in their classes, and second, the emphasis is placed on preserving the true Christmas spirit, while keeping the program quite simple.

The entire program will revolve around Christmas carols, with an explanation of their origin and history. Marge Olson, senior from Amery, will accompany the children. Dr. Roland Klink, director of the Campus School said, "Far too many things, including Christmas, are being commercialized today, and we feel that the public will appreciate the type of program being prepared."

The program is open to all college students and those interested. There will be no admission charge.

Chemistry Group Names Karges as Life Member

Dr. R. A. Karges, former head of the chemistry department at the college, has received notice that he has been named a life member of the American Chemical Society.

The qualification for life membership is, that a person has been a member of the Society for 35 years. The life membership carries with it all privileges of the American Chemical Society including the Journals without expense.

The Editor Speaks . . .

The word "rule" is defined in Webster's Dictionary as a regulation or "the usual way of doing something." Taken literally, the second meaning is that some actions are performed in the same manner year after year.

Yet this is not always the case. There is an old saying that there is always an exception to the rule. Perhaps this is correct—all we ask is that the exception be reasonably consistent.

In the Bulletin of Wisconsin State College at River Falls there is a paragraph under Courses of Instruction which reads "Courses numbered 1 to 99 are intended for freshmen and sophomores; those numbered 100 to 199 are for juniors and seniors." We would call this a rule, or at least "the usual way of doing something."

Juniors and seniors now attending River Falls were refused entrance to certain courses numbered over 100 when they were sophomores. And now these same juniors and seniors find sophomores in these same upper division courses. Under the present system of registration, classes are closed after the enrollment has reached a certain point. Underclassmen have two to three years to finish work on their majors and minors. If a number of these persons take a junior or senior course they might "squeeze out" upperclassmen who need the course to graduate on schedule. Most students cannot afford to go an extra quarter or summer session to pick up a few credits they missed due to filled sections. We are not saying that this has occurred this year, but with growing enrollment it is a future possibility.

We do not begrudge these sophomores the seats they fill in the classes. If they can handle upper division courses along with their sophomore program, more power to them. But why is the rule held rigid one year and bent the next? Is it based on grade point averages? If so, this should be stated in the college bulletin so that all persons can take advantage of the exception. Is this done arbitrarily? If it is, perhaps the rule is not effective. Or perhaps we don't need the rule at all.

Student Senate Minutes

Nov. 18, 1958

The meeting was called to order by President Clarence Dulek. After the secretary's report was approved as read, the treasurer reported balances of \$993.75 in the Student Senate account, \$406.27 in the vending machine account and \$64.28 in the River Falls account.

Carol Korsmo, representing the Winter Carnival Committee, reported that members of the Committee decided not to carry on elections for a Chairwoman, feeling that they could work together more effectively as a group and could use the time otherwise devoted to campaigning for other Carnival work. The election of Winter Carnival king will be held earlier in the festivities than in previous years, and the king will be given more responsibilities. Dates for the big winter event are Feb. 20, 21 and 22.

The Valentine formal, sponsored by the AWS, has been officially scheduled for Feb. 6.

The Senate discussed the possibility of holding a leadership training clinic for new organization officers in the spring. Details will be worked out at future meetings.

A committee consisting of Jim Benson, Clarence Dulek, Arnie Kaluzny, Curt Larson and Jim Laue was named to accept and formulate student ideas and suggestions on registration, graduation requirements, plan of study sheets and other matters of academic interest.

The meeting was adjourned.
Secretary Jim Laue
Absent: O'Connell.

Dec. 9, 1958

The meeting was called to or-

der by President Clarence Dulek. The secretary's report was approved as read, and the treasurer reported balances of \$993.75 in the Student Senate account, \$406.27 in the vending machine account and \$64.28 in the River Falls account.

Carol Korsmo and Gwen Schlough, representing the Winter Carnival Committee, reported that king candidates will be sponsored by organizations as is done at Homecoming for queen candidates. Ski Mac at Somerset has been tentatively reserved for the Friday activities of the Carnival, including a dance at the chalet. A car pool for transportation will be arranged.

The Senate voted unanimously to send the three members of the Winter Carnival Committee to the College Ski Weekend at Virginia, Minn., on Jan. 31 and Feb. 1 to acquire ideas for improving the Carnival.

The Freshman Class will be in charge of putting up campus Christmas decorations.

Allotments for intramural basketball referees were voted to Mr. Bergsrud of the athletic department.

The Senate was reminded that no Campus School or music department pianos are to be used for social committee dances until proper arrangements are made with both departments.

In other business, the Senate voted to free the Student Center for use by the Tri-County Principals association on Dec. 10, approved Gamma Delta's request to sell Falcon window stickers, and agreed to inquire about the possibility of forming a skating rink behind Stratton Hall.

Secretary, Jim Laue
Absent: O'Connell, Bents
Excused: Kins, Benson

LITTLE MAN ON CAMPUS

"WELL WE CAN'T PROMOTE TH' WHOLE FACULTY - GET ME A LIST OF THE TEACHERS WHO OWN A HOME, HAVE A LARGE FAMILY AND CAN'T AFFORD TO MOVE AWAY."

AROUND THE CAMPUS

NOTE OF THANKS

The Children's Library would like to extend its thanks to the Student Senate for the Christmas Tree they donated.

SNEA - ACEI

There will be a joint Christmas Party for members of SNEA and ACEI on Monday, Dec. 15, from 6:45 to 7:45 in the Social Room. Members planning to attend are requested to bring a 25c gift to exchange. The party will be over in time for the choir concert.

Sigma Chi Sigma

Sigma Chi Sigma will hold their annual Christmas meeting Thursday, Dec. 18, at 7 p.m. in the Social Room.

MATH-CHEMISTRY CLUBS

There will be a joint Christmas Banquet for members of the Math and Chemistry Clubs on Thursday, Dec. 18, at 6:30 p.m. at Glen Park Lodge.

YMYW - LSA

Members of the YMYW - LSA will meet Tuesday, Dec. 16, at the Lutheran Church at 7:30 p.m. for a caroling party. Refreshments will follow.

PROLOGUE

Students interested in contributing stories, poems, essays or good photographs for the Winter Issue of *The Prologue* should contact William Finlan, Editor, before Christmas vacation.

YOUNG DEMOCRATS

The Young Democrats will hold a meeting on Tuesday, Dec. 16 at 8 p.m. in 121S. Reports will be given concerning the state activities of the Young Dems as a whole, and of the state executive board.

STUDENT ACTIVITY COUNCIL

There will be a SAC meeting Thursday, Dec. 18, at 10 a.m. in 127S.

Letters to the Editor...

Dear Editor:

Lying dormant in the student recreation room is a television set, serving no immediate, practical purpose. If this set were re-located in some quiet room, equipped with chairs or desks, it could prove to be a helpful supplementary aid to college education. By engaging some astute pre-engineering student's talent and time, the set could be locked to one station—KCTA, Channel 2, St. Paul-Minneapolis.

Many good educational programs are telecast by that station. Students could sit in unmolested solitude while taking advantage of the programs offered during the day and evening.

The set would have to be for Channel 2 only, for the popularity of Captain Kangaroo and Sheena is hard to overcome in the present TV viewing area. We need TV for entertainment and education, but the two do not reach an intelligent balance in the present viewing quarters.

As a service to students The Student Voice should print a weekly Channel 2 program schedule.

No, let's not wait until the new student union building is completed. There are seniors who would like the installation of the set in its new quarters now.

Meletean Staff Schedules Organization Pictures

Group pictures of all organizations will be taken for the '59 Meletean Thursday, Jan. 8, and Monday, Tuesday and Thursday, Jan. 12, 13, and 15.

The Meletean staff requests that the president of each organization have the information form completed and ready to hand in at the time scheduled for the organization picture.

The staff also asks that each group have some definite plan for the location and content of their picture. Desiring to have as much variety as possible in these photos, the staff is encouraging the use of props, "different" locations, and other devices.

Many senior pictures and information forms have not been turned in for the '59 Meletean. Pictures and information forms must be in by December 18. Students not making some arrangement with the editors by this time will not be pictured in the book. The information forms are available in the Meletean office.

Listed below is the organization picture schedule. All groups are to meet in 121S before going to their planned photo location.

Late-coming groups causing a delay in the schedule will not be photographed.

Thursday, Jan. 8
 6:30 ----- M.E.N.C.
 7:00 ----- Young Republicans
 7:30 ----- Young Democrats

Monday, Jan. 12
 6:30 ----- Pi Kappa Delta
 7:00 ----- Kappa Delta Pi
 7:30 ----- Sigma Chi Sigma
 8:00 ----- F.F.A.
 8:30 ----- French Club
 9:00 ----- German Club
 9:30 ----- A.C.E.I.

Tuesday, Jan. 13
 6:30 ----- Atelier

AROUND CAMPUS— (Continued from Page 2)

ALL SOPHOMORES
 The M.T.A.I. will be given on Jan. 27 at 10 a.m. in North Hall Auditorium. All sophomores whose present program brings their total credits above 80 should arrange to take it at this time.

NEW STUDENTS
 The C. Q. T. will be given on Jan. 13 at 10 a.m. in North Hall Auditorium and the Triggs Reading Test will be given on Jan. 20 at 10 a.m. in North Hall Auditorium. All new students—freshmen and transfers and those who have not taken tests previously should arrange to take them at this time.

NCTE
 NCTE will meet Monday, Jan. 5, at 8 p.m. in the Social Room.

GAMMA DELTA
 The Gamma Deltans will carol to the homes of various members in the congregation on Tuesday, Dec. 16. Members should meet at the Chapel at 6:15 p.m. Transportation will be furnished and refreshments will be served.

FRENCH CLUB PLANS JEAN COCTEAU FILM FOR THURSDAY SHOW

The French movie, "The Storm Within," will be sponsored by Le Cercle Francais on Thursday, Dec. 18, at 8 p.m. in the Little Theatre.

One of Jean Cocteau's best plays, it is a skillfully written and directed drama about a neurotic and disordered middle class family. The plot centers around the reactions of a hysterical and possessive mother to her son's love for a young girl. With realism he creates tense, witty and ironic adult film entertainment.

Of the movie Cocteau says: "I wished to try to solve the problem of transferring the theatre to the screen and of filming a play, that is of keeping it intact."

Starring the original Paris cast, the movie has French dialogue with English subtitles. Tickets can be purchased from members of the French Club for 35c.

Debate Teams to Attend 'B' Tourney Here Jan. 17

The 14th annual River Falls Class B Debate Tourney will be held on campus Saturday, Jan. 17.

Beginning at 8 a.m., the tournament will consist of four rounds of traditional debate, with ten minute constructives, and five minute rebuttals. The national debate topic "Resolved: That nuclear weapon tests be banned by international agreement" will be used.

Each school participating in the tournament may enter up to four debate teams. A team will consist of two affirmative and two negative speakers. Students will debate one side of the question only. Participation in the

tournament is limited to those students who have not debated in more than three college tourneys.

Another feature of the tournament will be after dinner speaking, with the theme: The New Congress. Each school will be allowed to enter two speakers. Finals in after dinner speaking will be held at the luncheon. The speeches will be five minutes in length.

Last year a total of 18 schools participated in the B tournament, one of the largest sponsored by River Falls. Teams from the college taking part in last year's tourney won 62.5 per cent of their debates.

SEASON'S GREETINGS

THEY SAID IT COULDN'T BE DONE - BUT TODAY'S L&M GIVES YOU-

Four field goals in one game by a man who'd never kicked one before! Bobby Conrad himself said, "I never kicked a field goal in high school or college. In fact, I never even tried." But the amazing Texas A&M back broke two All Star records by booting four three-pointers, including one for 44 yards, as the 1958 college stars upset the Detroit Lions, 35 to 19. Conrad is now a Chicago Cardinal.

Falcon Fanfare

by Jim Laue

Tom Shield, Mick Lauber, Jack Omer and Bob Brunette are some of the Falcon athletes for whom the switch from football to basketball season makes little difference in their athletic activity. All four have proved outstanding for RFSC on both the gridiron and the hardwood.

Shield is the only senior in this group. The 6-3, 210-pound center from River Falls will be seeking in his third Falcon cage letter. He won four straight letters as an outstanding end in football, and was a regular from the moment he stepped on Ramer Field as a freshman.

Seeing limited action as a freshman in basketball, Tom scored 24 points, hitting 10 of them in an outstanding performance at Superior. He counted 93 points as a sophomore, averaging five per game, then decided not to take up the sport last winter. Falcon coaches are happy to see him back now, for his experience, weight and rebounding skill will help bolster this year's front line.

At River Falls high school, Shield was a key figure during the 1954-55 campaign when the Wildcats won seven of eight football games and then went

on to an undefeated basketball season under former Falcon great Rog Kuss. Tom averaged 20 points a game to rank as the top scorer for Kuss' team. He won three high school letters in football and two each in basket-

TOM SHIELD

ball, track and baseball.

Shield's college major is math. His other college activities include membership in the R Club and recognition as one of the most avid squirrel hunters among Falcon athletes.

Honor Roll— (Cont. from p. 1)

Hudson; Gerald Lindabauer, River Falls; Sylvia Miniatt, Bruce; Marvin Muhlhausen, Ellsworth; Dennis Nordstrand, Ellsworth; James Poukey, Cumberland; John Rice, Ellsworth; Mildred Seeger, Prairie Farm; Wayne Sukow, Merrill; and Robert Wynveen, Baldwin.

SECONDARY: Robert Ames, River Falls; Bernice Amundson, Emerald; Esther Ard, New Richmond; Richard Bader, New Richmond; Jerome Benson, Pepin; Aaron Burchell, Hillboro; David Cook, Colby; Patricia Dague, Cumberland; William Dobson, Black River Falls; Michael Durand, No. St. Paul, Minn.; Joseph Falkner, Plum City; Elvin Flemming, Pepin; Joan Gilbertson, Barron; Janice Greenberg, Marshfield, Russell Helwig, Eau Claire; Carol Korsmo, Clintonville; Robert Lundberg, River Falls; James Mountain, Ellsworth; Anita Munson, Minneapolis, Minn.; LeRoy Norderhaug, River Falls; Neil Nordquist, Centuria; Carol Naiberg, Cadott; Francis Peichel, Almena; Muriel Peterson, Grantsburg; Gwendolyn Schlough, Elkhorn; Mike Smoczyk, Stanley; Thomas Steele, Hudson; Victoria Surge, Buhl, Minn.; Leon Thompson, Elmwood; Bruce Weeks, Barron; and Charles Zellmer, Wilton.

AGRICULTURE: Durwood Amundson, Taylor; Leonard Becker, Almena; Alan Krause, Ellsworth; Gerald Palesh, Wausau; Sam Perry, Aniwa; Dan Porfilio, Wausaukee; Wayne Tomfohrde, Arpin; and Irvin Vanasse, Spring Valley.

TWO-YEAR RURAL: Donna Lou Berg, Almelund, Minn.

PRE-PROFESSIONAL: Stanley Carlson, Glenwood City; James Esswein, Boyceville; Larry Hei, Plum City; Jan Ihrke, Roberts; John Kauphusman, River Falls; Harriet Kettelkamp, River Falls; David Madis, Maiden Rock; James Murphy, River Falls; Kurt Peterson, St. Croix Falls; Donovan Pihlaja, Maple; and Wallace Simons, Lodi.

Late grade reports may place a few more students on the honor roll.

Planning 'Blueprint for the Future' Is Task of RF Development Committee

When River Falls State College celebrates its 100th anniversary in 1978 what kind of institution should it be? What services should it be offering to its students? What functions should it be performing for the citizens of the state?

These are the questions being answered by the Faculty Development Committee headed by Dr. Melvin Wall, Class of 1936.

Realizing that plans must be made now to determine the character of the College during the next 20 years, the Development Committee has drawn a list of objectives which will require the support of alumni, business and industry, the state, and other friends of the College.

The plans, being submitted for the consideration of the Board of Directors of the River Falls State College Foundation, are based on studies made by the Coordinating Committee for Higher Education and other groups interested in the future of education. These studies show projected enrollments for the colleges of the state, anticipated needs of the students and the portion of the program the state might be expected to support from tax funds.

Currently, the committee is completing a long - range blueprint for the continued growth of the College in terms of personnel, curricula, research, scholarships and loan funds, and the physical plant.

The plan is being divided into convenient stages to be completed within specified time limits.

In line with the traditional

policy of keeping the institution "student centered," much of the projected plan deals with the area of student services. These include a program of scholarships and loans, visiting lecturers and artists, traveling collections and exhibits, and greater opportunities for student creativity.

Other facets of the program include "Improvement of Teaching and Research," "Area and Community Services," and "Capital Outlay."

Falcons Bow to Mankato 63-62, Stout 75-70

The common adage "free throws win basketball games" showed its influence Wednesday night as Mankato State hit on 21 of 30 gifters to drop the Falcons in a 63-62 thriller. Gene Wiebusch iced the game with 1:10 remaining scored on a field goal.

After trailing 37-28 at halftime the Falcons found their shooting eye along with some stout defense and tied the score at 49-49 midway through the second half.

Coach Page's quintet knotted it again at 56-56 with 4:4 remaining and then went ahead on Mick Collins' lay up. The Indians remained in the game sinking three free throws as River Falls managed only one gifter for a 59-59 game, with just under three minutes remaining.

Tom Shield dropped in a short bucket which was again off-set by two Indian free throws. As the parade to the foul line continued, Griff Howell gave the Falcons a 62-61 lead which set up the dramatic game-winning shot by Wiebusch.

The "Big Red" held Manato to six field goals, four by Jim Weed and two by Wiebusch, in the second half, while they were hitting 15 out of 33 from the field for an improved 42 per cent.

Manley Olson topped the offensive statistics, getting 15 points and 11 rebounds. Collins showed improved play at the forward position, grabbing seven rebounds and 12 points. Jim Weed took scoring honors for the victorious Indians, with 24 points.

Next RF Foe Is Eau Claire

Coach Don Page's Falcons will play their first home conference game Wednesday evening when they entertain Eau Claire State at 8 p.m. in the North Hall gym. Last season the Falcons and Blugolds split in their two games with River Falls taking a substantial drubbing at Eau Claire only to come back and upset the Blue and Gold in the last game of the year.

Coach Bill Zorn of the Blugolds has lost his two top scorers of last year, Bob Morgan and Leon Etten, but still has a fine nucleus of returning lettermen to build this year's squad around. Leading the pack are two former all-staters from Eau Claire Senior High, guard Duffy Erickson and forward Jet Johnson. At the other position is another Eau Claire boy, Jon Wensel. Rounding out the lineup are southpaw guard Al Urness of Mondovi and center Leonard VanDeHey of Loyal.

The Blugolds opened the season with a win over Augsburg and then lost a close one to Hamline. Last week, however, they bounced back with a re-sounding 79-44 win over Bethel.

Four Teams Have Perfect Records

The first week of intramural bowling under the handicap system produced some surprises. The new addition to the "A" league, the Greenwoodites, rolled a 823 game and took three points from the kingpins to tie with the the Pinsetters who also took three points from their opposition, the Fireball-5. Last league hot shots, the Jokers, fell victims to the handicap and the Free-Loafers. The "B" League found the Markers and the Happy-Jacks tied with the top spot with 3-0 records.

"A" LEAGUE Standings	
Greenwoodites	3 0
Pinsetters	3 0
Free-Loafers	2 1
Grubbs	2 1

Jim Kahl	181
Severt Olson	169

The Falcons dropped their conference opener Saturday night to Stout 75-70 as Coach Bostwick pulled his all-conference guard, Keith Moessner, off the bench in the second half who calmly dumped in 18 points on driving layups, jump shots and free throws.

Trailing 31-30 at halftime the Falcons quickly tied it up at 33-33 with Tom Shield dropping in three gifters as Bob Sorenson hit from the field. Jack Omer gave his teammates a 36-33 lead as he scored on a fast break and the resulant free throw.

With the Falcons leading 37-35 Moessner came out of the wraps and promptly displayed his speed, scoring on a fast break, free throw and a driving lay up for a 40-39 Stout lead. The "Big Red" were scoring also, with John Lauber hitting twice from the field and once from the foul

line. Omer added another bucket and Shield hit a free throw to give River Falls a 43-42 lead.

The lead continued to change hands as Art Hanke, Fred Seggelink both hit from the field to give the Blue Devils a 48-43 lead with 12:19 showing on the scoreboard clock. Coach Page's boys stormed back to cut the lead to 50-48 with Larry Hanson scoring on a gifter and a tip in and Mick Collins adding a field goal from the circle.

Hanke and Moessner then attempted to break the ball game open for Stout combining their efforts for a 59-50 lead. With 6:48 remaining Bob Brunette came off the Falcon bench and cut the lead to 61-60, scoring on six straight gift shots and a jump shot from the outside. The "see saw" then swayed back towards Stout to stay, as they took a seven point lead with 2:45 re-

maining. John Lauber led the Falls quintet in scoring with 15 points; Collins continued his fine play collecting 14 points and 12 rebounds. Moessner paced the winners with 18 points, with both Sorenson and Howard getting 15. The Falcons continued their fine accuracy from the foul line hitting on 22 of 29 attempts. Stout came up with a great percentage, missing only 3 of 20 free throws.

Grapplers Lose to Winona As Flannum, Drummy Win

The River Falls grapplers lost their opening match to Winona State last Friday, Dec. 5, 28-6.

Arvid Flannum and Jim Drummy picked up the points for the Falcons. Flannum, wrestling in the 167 lb. class, outscored his Winonian opponent, Bernhard Pieper, 7-5. In the first period Flannum picked up his seven points on a take-down, a near fall and a reversal. Pieper came back in the final three minutes and also scored on a reversal and a near fall.

The Falcons picked up three more points when Jim Drummy decisioned his man 3-0, gaining all the points in the second period with a reversal and an escape. Winona scored their points on five pins and a decision.

MATCHES
123 lb. class, John DeLozier (W) pinned Jerome Braun (RF) in 1:2:10; 130 lb., Douglass True (W) pinned Dave Diedrick (RF) in 1:1:38; 137 lb., Mike Riley (W) decisioned Ed Schlumpf (RF); 147 lb., Glen Johnson (W) pinned Pat Mrotek (RF) in 1:2:15; 157 lb., Dale Vagts (W) pinned Don LaGrandier (RF) in 3:1:10. 167 lb. class, Arvid Flannum (RF) decisioned Bernhard Pieper (W); 177 lb., Jim Drummy (RF) decisioned Roger Helgeron (W); HWT, Jerry Wedemeier (W) pinned Larry Julien (RF) in 2:1:08.

EXHIBITION
157 lb. class, Dean Sanderson (W) pinned Bill Willis (RF) in 1:0:55; 167 lb., Emery Johnson (W) pinned Bob Nelson (RF) in 3:2:18; 167 lb., Paul Evenson (W) pinned Gary Rohde (RF) in 2:1:40.

SEASON PLAY BEGINS IN I-M BASKETBALL

Intramural basketball play opened last week and was marked by the absence of high individual scoring performances. Freshman Jim Hay topped the list scoring 19 points to lead the Scholars to a 54-31 win over the Goops in the "C" League.

The Bumble Bees, a concoction of last year's I-M basketball stars, and the Court Martials pace the "A" League with 2-0 records. A trio of teams lead the "B" and "C" Leagues. The Burlies, Roundies and Gruetzmarkers pace the "B" League while the Scholars, Sam's Saps and Bull Dogs top the "C" League with identical 1-0 records.

STANDINGS "A" LEAGUE	
Court Martials	2 0
Bumble Bees	2 0
Emma's	1 1
Sharp Shooters	1 1
Big Swedes	1 1
Stags	1 1
Lakers	0 2
Bird Dogs	0 2

Cal's Boys	0 0
Boobs	0 1
Goops	0 1
Tall Enders	0 1

Julien Makes Finals Of Wisconsin Tourney

Larry Julien, the Falcons' bull-like heavyweight from Fairchild, advanced to the finals before bowing in the Wisconsin Collegiate Wrestling Tourney at Madison this past weekend. Julien pinned two opponents before dropping a 2-0 decision to Wisconsin footballer Terry Huxhold in the championship event. Huxhold was one of six University grapplers copping first places in the meet. Other teams competed from Marquette, Carroll, Lawrence, Stout, Stevens Point, Beloit, and Milwaukee.

Three other Falcons were eliminated in the first round. Ed Schlumpf lost a 4-0 decision to Mack of Wisconsin, the eventual 137-lb. champ. Arvid Flannum was decisioned by his Carroll opponent 3-0. Jim Drummy came out on the short end of a 2-1 score in his match with Don Seeman of Wisconsin. Julien pinned the heavyweight entries from Carroll and Stevens Point before losing to Huxhold in the finale. He received a medal for his second-place finish.

River Falls will compete in a dual meet at Stout this Thursday.

POLSFOOT LISTS CROSS COUNTRY AND FOOTBALL LETTERMEN
A total of 33 gridmen and cross country men won letters for the 1958 football and cross country seasons announced Coach Fran Polsfoot last week.
Letter winners included:
ENDS: Jack Neurer, Tom Shield, Bob Brunette, Martin Stelter, and Fred Coleman.
TACKLES: Jim Carew, Ed O-lund, Larry Julien, Dave Le-Claire, John Lynch, Fred Schmidt and Howard Madsen.
GUARDS: Dick Shimel, Al Wienke, Tom Sackett, and Phil Lindemann.
CENTERS: Gordie Hoff and Roger Piehl.
QUARTERBACKS: Jim Hallen, Tom Everson, Bob Dawson, and Jon Hillstead.
HALFBACKS: Mick Lauber, Frank Sprenger, Curly Hanson, John Rassbach, Jack Delahunt.
FULLBACKS: Jack Omer and Pete Hubin.
MANAGER: Manley Olson.
CROSS COUNTRY: Dan Teet-zen, Bill Shimel, and Ed Fisk.

THE 112 LB. CHAMP, David Rhone, of Amery eliminates his opponent from Ashland in the elimination matches of the high school tournament that took place Saturday in North Hall. Amery took the team championship with 126 points. Three of the other high ranking teams were Menomonie with 56, Eau Claire with 49, and Rice Lake with 40. Amery placed champions in all but two weight divisions.

English at Top Of 'Useful' List Collegians Say

One high school course tops all others in preparation for college. Mathematics? Chemistry? Physics? Latin? Important, all of them, but towering high above is English.
Every student-survey made by the state colleges finds high school English above all other courses as the most important preparation for college. Among student leaders, almost half name it as "most useful." Among coeds living in the dormitory, it surpasses all other subjects in importance. Scholarship students rank English as more useful in college, by more than two-to-one, than the next in importance, mathematics.
Almost every college course demands the ability to write. The poorly written paper with disconnected sentences, grammatical errors, and misspelled words rates only low grades in biology and history, as well as in advanced composition.
The ability to read and understand is basic in college work. Outlining and writing summaries of articles and books are essential. The fast reader has a definite advantage over the slow reader.
No other collegiate handicap is as severe as weakness in English. There may be a place in college for the student who has trouble with long division, who can't sing, who can't draw a straight line, or who "runs" 100 yards in 30 seconds or more. But there is no place in college for the student who can't read and write.
"The best college preparation," says one college student, "is to take four years of high school English and stay awake in class."

SENIORS
There will be no senior class meeting this week. Announcement will be made of the next meeting, sometime after Christmas vacation.

Do You Think for Yourself? (HERE'S A TEST THAT WILL TELL YOU!*)

1. If the salaries were equal, would you rather be a college professor than a movie star? YES NO
2. Would you rather borrow money from a bank or institution than from a friend? YES NO
3. Would you rather have tests sprung on you than be warned about them in advance? YES NO
4. Do you think it's foolish to daydream? YES NO
5. Do you believe it unwise to eat at irregular hours, even though you're hungry? YES NO
6. If you actually saw a "flying saucer" land, would you run for your life? YES NO
7. Would you be inclined to follow the latest style in clothes regardless of how it looked to you? YES NO
8. Would you feel badly if you thought nobody at all knew where you were? YES NO

9. Are you confused by the clamor of conflicting claims so many filter cigarettes are making these days?
YES NO
The fact is, thinking men and women don't let themselves get pushed and pulled by all those filter claims. They know what they want in a filter cigarette. And they know only VICEROY gives it to them. A thinking man's filter, a smoking man's taste. Makes sense.
Should you smoke VICEROY? If you think for yourself—chances are you do already!

*If you have answered Yes to two out of the first three questions, and No to five out of the last six... you think for yourself!

Familiar pack or crush-proof box.

The Man Who Thinks for Himself Knows — ONLY VICEROY HAS A THINKING MAN'S FILTER...A SMOKING MAN'S TASTE!
