Governor Names Rodli As River Falls Regent

David Rodli of Baldwin has been named to the Board of Regents of State Colleges by Gov. Gaylord Nelson. The appointment of the River Falls Regent, announced last Monday, still awaits confirmation of the Senate where action probably will be taken within the next ten days.

Mr. Rodli is manager of the St. Croix County Electric Cooperative. Born in Albert Lea, Minn., he has served as assistant manager of the Rural Electrification Administration there and has been connected with the REA since 1940.

He attended Juniata College in Huntingdon, Pa., and during World War II served with the Navy in the South Pacific.

His wife, Virginia, is a native of Iowa. The couple has three children, Jan Louise, 16 years old; Keith, 14, and Sue, 10.

Mr. Rodli attended the meeting of the Board of Regents in Platteville last week.

He said, "I enjoyed attending the meeting very much. The experience made me even more eager to serve."

At the same time Gov. Nelson announced Mr. Rodli's appointment, he announced the appointment of Mrs. Gordon O. McIntyre of Appleton to replace Regent Lewis C. Magnusen of Oshkosh.

Traditionally regents have been appointed from the communities in which the state colleges are located, but in announcing his appointments Gov. Nelson said, "I have decided not to abide by tradition because I desire to demonstrate a firm conviction that the state colleges have come of age as a vital part of a coordinated system of higher education in Wisconsin."

River Falls Senior Girl Wins Newman Club Award

Jane Aide was recently elected Miss Newmanite 1959 of the North Central Province. Miss Aide is a senior at the college. The election took place at the 11th annual convention of the North

Central Province Newman Club Federation, held April 25-26 at Madison. Twenty River Falls Newmanites were in attendance.

The 176 delegates representing 22 colleges and universities of

Upper Michigan and Wisconsin studied "The Educated Catholic Moves Forward" during their two day parley.

One of the outstanding features of the conference was Professor Edmund Zawacki, chairman of the University of Wisconsin Department of Slavic Languages, who spoke at the Communion Breakfast. Speaking on the topic, "The Modern Definition of Peace," he advocated a speedy implementation of the "open city" as an attempt at peace. This is a Zaroubin-U. S. agreement whereby there would be reciprocal exchanges between all cities, towns, and villages in the U. S. and the Soviet Union.

At the convention's closing business session, delegates elected Edward Pronschinske of Mondovi as student chairman for the coming year, and selected Stevens Point as the site for the 1960 Province Convention.

The Editor Speaks . . .

River Falls' students and the residents of surrounding areas will have placed before them this coming week a great variety of outstanding examples of fine arts.

The Festival opened yesterday with a concert by the College Choir.

This is the second "Festival of the Contemporary Arts" and will include lectures by a noted author, a sculptor, a painter and an operatic soprano. A student directed play, a French film, Madrigal recital and the College Concert Band will complete the fine arts education.

It is hoped by combining these many varieties of Fine Arts in a single week that a better appreciation of creative ability will be obtained. Many pre-conceived notions of painting, writing, and music are held. Only by attending this conference with an open mind will the fullest benefit be derived.

Heading this year's festival is the noted novelist, poet, and writer of short stories, Howard Nemerov. He will present a convocation Thursday, May 7, at 2 p.m. and then is scheduled to give a reading Friday. Mr. Nemerov has contributed his work to many of the leading periodicals including Atlantic Monthly, New Yorker, and Nation.

His novel, The Homecoming Game, published in 1957, was recently adapted into the play Tall Story, which is currently appearing on Broadway.

The Festival has been made possible by many hours of hard work and correspondence by a committee of students and faculty members. It is hoped that everyone will enjoy the conference and be able to gain a more realistic view of fine arts.

LITTLE MAN ON CAMPUS

Letters to the Editor...

In reply to opinions heard around the campus, I would like to inform the student body of the nature of the Bible. Many students will criticize various aspects of the Bible but don't really know much about it.

First of all, it is the Word of God. It was written by men inspired of God, who wrote down His Holy Teachings. The Bible contains 66 books written by some 40 inspired men over a period of 1600 years. Though some of the men knew nothing of other writings now in the Bible, there is no contradiction. Also the entire 66 books contain one central theme. This is proof of divine inspiration.

Secondly, the Bible has proven to be correct in the light of scientific and archeological discoveries. The order of creation agrees exactly with the biological classification of the animal kingdom. Cities and people listed in the Bible, which scholars once said were fictitious, have been discovered by archeologists to be real.

Thirdly, the Bible is accurate in its prophecies. Its prophecies about the first coming of Christ, which were made 800 to 400 B.C., and of the formation of the state, of Israel, which occurred in 1948, proved to be correct. We can be sure that its other prophecies are correct. It prophecies the return of Christ and of judgement. There is a Heaven for those who accept Christ and a Hell for those who don't accept Him. Thus has God spoken in His Holy Word.

Bruce Harris, president of the Commentarians Club, presented the constitution of this new campus group to the Senate.

Proposed revisions to the Student Senate were submitted by the Senate-students committee. After much discussion and further revisions, a series of amendments were passed unanimously by the Senate. The amendments will appear in the Student Voice of May 11 to give students a chance to study them prior to a student body vote on May 14.

President Dulek announced that Dr. Oliver Eaton, coordinator of the North Central Association, will be on campus during the week of May 4.

Bethel Royals Flatten Falcons Baseball Team

by Tom Barry

An eruptive first inning, in which Bethel scored five runs, supplied them with the needed momentum as they continued on to defeat the Falcons, 10-8. Gordy Hoff, right handed hurler, started on the mound for River Falls but received very little defensive support and was replaced by Bill Freeman in the second inning.

The game was played despite the continued threat of rain and the strong winds which blew across Ramer Field most of the nine innings.

Bethel scored five big runs in the first inning as they collected a total of five hits and added two more runs in the second as a result of a walk and a home run by their centerfielder, Wynia.

The one bright spot of the game for River Falls was the fine relief performance turned in by southpaw Bill Freeman. After relieving Hoff in the second inning, Freeman struck out the first six men he faced and pitched no-hit ball for three innings until being replaced by Charlie Johnson in the sixth.

Neither team scored in the fourth or fifth inning but in the sixth, the Royals of Bethel scored twice as the result of two Falcon errors. Bethel added another run in the seventh.

In the eighth stanza, River Falls momentarily came to life and scored four runs with the combination of three Bethel fielding miscues and a base on balls. The Falcons had earlier scored two runs in the second inning and one in the third.

River Falls scored once in the ninth on doubles by Teska and Rhode. John Adelsman, Bethel hurler, went the entire distance for the Royals giving up a total of eleven hits. River Falls again faltered in the field with six errors.

After Dinner Speakers Form New Campus Club

A new club has been organized on campus. The group is called the Commentarians. Their purpose is to provide practice in speaking and the use of parliamentary procedure.

Officers for the organization include: president, Bruce Harris, junior from River Falls; vice-president, Gary Rhode, junior from Greenwood; secretary, Gerald Marlette, junior from St. Croix Falls; parliamentarian, Allen Hjelmsand, junior from Blair; and sergeant-at-arms, Elroy Johnson, junior from Brantwood. Mr. Setterquist is the faculty advisor.

"CREAM OF THE CROP" are these four student-owned foreign sport cars. Foreign Sports Car Popularity Increasing on College Campus

by Fred Gilbertson

Sports and foreign cars are becoming increasingly popular throughout the country and the college campus is no exception. Their ease of handling and gas mileage seem to be the biggest

arguments for buying one.

There are two Triumph TR-3's on campus — a 1959 owned by William Grubbs and a 1957 belonging to Ed Foss.

Mr. Foss says his Triumph has "very good roadability and is

tops in comfort (bucket seats). It's styling is its unique feature."

He reports that he gets between 28 and 32 miles per gallon with his dual carbureted Triumph.

In response to a question on the handling of his Triumph TR-3, William Grubbs commented, "It rides well except over frost heaves (probably owing to its short wheelbase). The wind causes some trouble, but it's a very good car over all."

The Triumph is made in Britain and is powered by an inline O.H.V. four-cylinder engine.

Leigh Marquardt has participated in several rallies and in an S.C.C.A. Invitational Race at Winoona, Minnesota. He owns an Austin-Healey 100-6. This 1959 model has a six cylinder O.H.V. engine.

Mr. Marquardt says, that "horsepower for horsepower it will out perform any stock American car."

The Austin-Healey is made in Britain also.

Another Austin-Healey is owned by Charles Stewart. It is a 1954 100-BNI. This model uses a four cylinder powerplant.

Both Mr. Stewart and Mr. Marquardt remarked that the styling of the Austin does not change often (unlike Detroit cars), which accounts for their high resale value.

Glen Ertel is the owner of a 1958 Volvo. The Volvo is made in Sweden and uses an 85 horsepower O.H.V. four cylinder engine.

Mr. Ertel owned a Volkswagen prior to the Volvo. The VW got better mileage but he felt it lacked power and had a poor heating system. The Volvo gets between 25 and 28 miles per gallon.

"Looks like a bug!" is the way Jim Bastian describes his 1956 Volkswagen. He gets 30 miles per gallon with his air-cooled V-4 Volkswagen.

The feature of the VW its rear mounted engine, which gives added traction to the driving wheels. Mr. Bastian says that the roadability is good, although winds tend to sway the automobile.

When asked if he had entered any competition with the car Mr. Bastian replied, "Just with officer Perry. He won!"

A streamlined counterpoint of Volkswagen, the Karman Ghia, is owned by Gary Kochenderfer. The Karman Ghia is basically VW, but has a streamlined body.

Mr. Kochenderfer finds the Karman Ghia comfortable and the roadability very good. He gets from 33 to 35 miles per gallon.

With parts and service becoming easier to get, imported cars will be becoming even more popular. The prices of American cars and their ever decreasing gas mileage also seem to be factors in buying a foreign automobile.

Bill Halvorson Homers As Baseballers Split

First Game

Eau Claire's Denny O'Melia had the Falcons eating out of his hand in the first game Saturday as he spun a neat two-hitter in winning the opener at Carson Park 8-2.

Though the score doesn't indicate it, the game actually was quite a pitcher's duel between O'Melia and River Falls' Charlie Johnson. Despite severe control trouble, Johnson was trailing only 3-1 going into the sixth inn-

ANGELS, DIRTY SOX, FIREBALLERS PACE SOFTBALL ACTIVITY

by Slim Chelberg

In the second week of softball the fireballers shot into first place in the "R" league while the Dirty Sox and the Angels moved out in front of the pack in the "F" League. Each of the three top three teams has a perfect record of three wins and no losses.

"R" league action saw the Gops unable to register in the win column, taking their second loss at the hands of the league leading Fireballers, 5-1. Malony's All Stars set back the Lakers by a margin of 8-5 to give the Lakers one loss against one victory while the win gave the All Stars their first win. The Bad Actors made good on the multiple miscues of Emma's Boys and pushed across five unearned runs while Emmas loaded the bases time and time again only to have the Bad Actors speedy chucker, Glen Covey, retire the side.

In the "F" league the Dirty Sox outscored the Millers 17-13 to give them a league leading record of three wins and no losses. Orvin Olson, in his first pitching effort of the season, won for the Moonshiners their first victory with a 18-14 margin over the Wildcats. Olson has been the big gun in the hitting attack of the Moonshiners with a record of nine hits in eleven trips to the plate!

The Happy Wanderers got their first win by outscoring the Millers, 11-10, while the Moonshiners suffered their second loss, yielding to the Longballers 12-10. The Angels tied the perfect record of the Dirty Sox to give them a share of the lead by trouncing the Lumberjacks 11-3.

ing but the 90-degree heat began to tell as the Bluegold's pushed across five runs in a rally that featured only two singles.

O'Melia was superb as he notched 11 strikeouts whiffing Falcon clean-up hitter Jim Larson three times, and Duane Teska and Al Suezaki twice each. The only hits he allowed were Rog Piehl's single in the fifth and Bill Halvorson's run-scoring single in the seventh.

Halvorson started out the game as if it was going to be a hitter's day. He smashed O'Melia's first pitch into center field but Fochs made a shoe-string catch to rob him of a hit. O'Melia then recorded the next five outs via the strikeout route and settled down to complete mastery of the situation. He tired in the late innings too, thanks to the heat but his mates got to Johnson for enough runs to insure the victory.

Johnson issued 10 free passes to first and was constantly in hot water despite allowing only seven scattered hits. Back-to-back doubles by Slowly and O'Melia and a single by Jim Stolp garnered three runs in the second but Johnson managed to weave in and out of trouble without any runs scoring until the sixth.

The roof really fell in when two wild pitches, four walks, and two singles spelled disaster for the tall righthander. Five big runs crossed the plate before Johnson retired the side and the Bugolds had the first game safely tucked away by then.

'Falls Golfers Bump Bethel, Augsburg Lose to Eau Claire's Bugolds Again

Ralph Ryan's six over par 76 set the pace for the Falcon golf team last Friday and locals went on to post a 16½-11½ win over Augsburg and a 6½-5½ victory over Bethel. The match was played on the Como Park Course in St. Paul.

Coupled with Saturday's loss at Eau Claire, the Friday results leave Ben Bergsrud's team with a 7-3 mark overall. They have five meets scheduled in the next seven days so should have plenty of activity before the conference meet May 25 at Green Lake.

River Falls Tracksters Bow To Stevens Point, Winona

Fran Polsfoot's River Falls thinclads wound up on the short end of a 67½ - 55½ - 38¼ score in last Thursday's triangular track meet with Stevens Point and Winona held on the Central State track.

Brightest spot of a mediocre

team performance by the Falcons was the relay team composed of Frank Sprenger, Tom Pride, Rog Huser, and Fred Colman. Their combined efforts resulted in a time of 3:39.0 in the mile event which won first place handily.

It seems like they're taking turns but this week it was Huser's turn to shine and Sprenger's turn to play bridesmaid. Huser barreled home in front in the 220 with a time of 22.6 with Sprenger finishing a close second. In the 100 yard dash Huser wound up second behind the Pointer's time of 10.0 and Sprenger had to settle for third.

The only other winner for the Falcons was Dan Teetzen who breezed home first in the two-miles run. The Falcons best over-all showing was in the 880 where Colman finished second, Duane Jensen third, and Neil Nordquist fourth.

FALCON LINKSTERS DROP CLOSE MATCH IN TRIANGULAR MEET

Ben Bergsrud's erratic golf team lost another close one last week finishing second behind defending WSCC champion LaCrosse in a triangular meet at LaCrosse. The final score read 16½ - 15 - 13½ with Winona coming in last.

The Falcons' Ralph Ryan tied for medalist honors with Gordy Elliott of Winona. Both carded 18-hole totals of 76. Ryan came in with a 39 on the front nine and close out with a 37 on the back nine.

Jerry Paul, the Indians number two man shot a sharp 78 and won six points for the LaCrosse cause. Jim Hallen had a big 81 but still won three points as Winona's Ken Smelzer ballooned to a 90.

RF's George Derleth had his troubles too and finished with a 90. The Falcons' other entry, Gerald Stern, fired an 85.

The complete results:
Number one man: Ralph Ryan (RF) 76, Gordy Elliott (W) 76, and Ralph Conner (LX) 85.

Number two men: Jerry Paul (LX) 78, Jim Hallen (RF) 81, and Ken Smelzer (W) 90.

Number three men: Jack Baldwin (RF) 79, Bill Mower (LX) 83, and Earl Boswell (W) 85.

Number four men: Jim Jacobs (W) 78, John Sciborski (LX) 84, and George Derleth (RF) 90.

Number five men: Wayne McMahon (LX) 83, Jerry Stern (RF) 85, and Doug Page (W) 87.

Number six men: Jack Grupa (W) 79 and Darrold Hill (LX) 88.

Second Game

Bill Halvorson's first inning homerun over Carson Park's left field barrier started the Falcons off on a five-run uprising in the initial frame and the Bugolds never recovered as River Falls ran up a 16-9 victory.

The Falcons shelled starter Bill DuBrava from the mound in the wild first inning and continued blasting relievers Bob Ringlien, Ron Indgjer, Jim Horsecraw, and Len Van de Hey throughout the contest finishing with 12 hits.

Jim Turnquist, Howie Madsen, Al Suezaki, Mick Lauber, and Duane Teska paced the onslaught with two hits apiece. One of Suezaki's blows was a booming bases-loaded triple in the fifth that nearly cleared the right field fence.

Eau Claire had its share of big base-knocks and chased starter Bill Freeman in the third when Frank Benevides and Van de Hey banged back-to-back doubles and Arlyn Turnquist delivered a clutch single. Mick Lauber came in to put out the fire and survived some rocky going to pick up his second win of the season. Eau Claire came back from the early 5-0 deficit to knot it at 7-7 in the fourth. Van de Hey singled one run home in that frame and Fochs drilled a single that scored two more. The Falcons came back with seven runs in the fifth however when 12 men came to the plate. Even then the Bugolds kept hammering away but Lauber salted it away by striking out the last two men he faced in the final frame.

RF Athletes Face Hectic Week Of Play

The golf team faces its heaviest activity of the spring, the tennis team takes a vacation, the track squad hosts a "breather", and the baseball crew plays five games in five days as another week of hectic sports activity swings into view.

If Ben Bergsrud's golfers don't have blisters after next week, it won't be because they haven't had a chance to develop them. Starting with a match with Carleton this afternoon on the local course, the Falcon linksters begin a week of activity that includes five meets in seven days.

Tomorrow, the golfers travel to Winona to play a match on the Westfield course starting at 1:00 p.m. On Thursday Bergsrud's blasters will participate in the second annual St. Cloud Invitational Tournament that will feature teams from five different states. The 18-hole event will be played Friday in case of rain. Saturday the linksters will face St. Olaf there and next Monday they are scheduled to meet Carleton in a return engagement on the Carl's course.

Fran Polsfoot's track squad should have an easy time of it when they host Bethel's Royals here on Saturday. The Royals proved an easy foe in the Winona Triangular held there last month. Bethel picked up only seven points while the Falcons were finishing second with 58½.

Don Page's baseball team may find itself short of pitchers before the week is over with a single game Tuesday, a doubleheader on Wednesday, and a twin bill on Saturday.

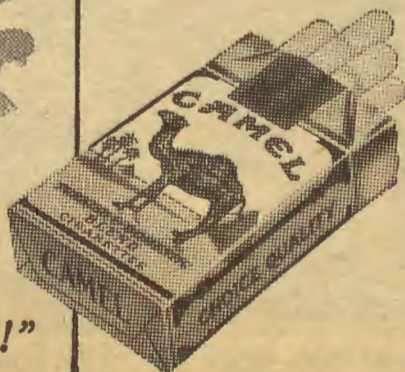

Tomorrow the Pagemen will attempt to reverse an earlier decision as they play at Bethel in a non-conference tilt. Gordie Hoff or John Gregorich will probably get the nod for the pitching choice.

Wednesday, Mankato will be at Ramer Field for a non-conference twin bill starting at 1:30. Bill Freeman and Charlie Johnson will probably get the call for mound duty Saturday when LaCrosse (Continued on page 6)

Bill Handley, from River Falls, was the only winner in the Eau Claire fracas. Hanley bested Ray Cahoon 9-7 in the first set, lost 7-9 in the second, but edged the Blugold player 8-6 in the finale to gain the win.

Not so fortunate were Steve Sandberg, Al Rosenthal, Bob Graham, and Rog Reguse.

Sandberg, coach George Johnson's number one man, fell before Eau Claire's Tom Lee 5-7, 6-4 3-6.

Bill Elstran walloped Rosenthal 6-1 and 6-0 in straight sets with Graham falling before Bob Lane 7-5 and 6-1 and Rog Reguse losing to John Grimmer 6-1, 6-3.

In doubles play River Falls dropped two more matches by lop-sided margins. Elstran and Lee teamed up to club Sandberg and Rosenthal 6-1, 6-1. Cahoon and Lane dropped Raguse and Hanley in similiar fashion 6-2, 6-2.

RF Prof Attends Pre-Med Meeting

Dr. B. H. Kettelkamp, chairman of the department of biology, attended the annual State-Wide Pre Med Day held at the Wisconsin General Hospital Medical Center on Saturday, April 25. The day's program was primarily devoted to speeches and discussion on the field of medicine in education.

John Z. Bowers, dean of the University of Wisconsin Medical School, and O. A. Mortenson, associate dean, led an informal discussion on the admission requirements of the university medical school and the position of the three basic sciences in the medical program. Dr. Kettelkamp, who is the president of the Board of the Basic Sciences in Wisconsin, stated that this was one of the more valuable features of the conference.

Speeches in the afternoon session of the conference covered the opportunities available in medicine and the research being carried on at the medical school. Also included were ten tours and demonstrations through the research projects. Al Kind, Dick Stafford, and Glen Hartman, all former students at River Falls, were among those conducting the tours.

Dr. Kettelkamp hopes that some River Falls students can attend the future medical conferences. This is the primary benefit to be derived, he said.

At present there are six former River Falls students attending the medical school in Madison.
