's No Use Studying! Lets Go Ski

Vivian Riley

Keith Riley

Two married couples in three years. That's the record set at River Falls when Vivian and Keith Riley were elected king and queen of this year's Winter Carnival.

They succeed last year's king and queen, Paul Rogness and Abby Hanson Score. Tom and Marlys Wilkinson were the first married couple to reign over a Winter Carnival.

The royal couple were sponsored by the R club. Both are graduates from Menomonie High.

Vivian, a beautiful blonde, is enrolled in rural education.

Keith, an outstanding pitcher for the Falcons last spring, has entered the ag education field.

The skis are waxed and the skates are sharpened for the pell-mell rush to the hills and ponds when Winter Carnival breaks tonight.

Skaters have been whistling and skiers humming since the snow and temperature started falling Wednesday. Everything is set for a real winter holiday.

After the assembly the skaters will swoop down on the high school rink for races, fancy skating, and ice games.

Saturday morning the bowlers take over with a tournament at the C & S alleys.

Then it's back outside after lunch when the ski fans head for Hovde hill, followed by others with toboggans and sleds.

After half a day of romping in the snow, the students will put aside their sports equipment and troop to the gym for the River Falls-Superior basketball game and a dance.

The week-end will come to a climax with the coronation of the King and Queen at the dance.

Winter Carnival is a Student Senate project under the direction of Dean Kittel. Dean was appointed chairman by the Senate and has been in charge of all the preparations.

Carol Feiler

Bob Wickstrom

The co-stars of "The Male Animal" are one of the attending couples for the Winter Carnival. Carol Feiler, one of Elmwood's favorite redheads, and last year's Winter Carnival co-chairman, Bob Wickstrom, are again teamed in a campus activity. Bob's home is Frederic.

These two seniors are prominent in college affairs. Masquers, The Student Voice, Meletean, the Student Senate, the Social Committee are some of Carol's interests. Bob devotes his energies to the Masquers, The Student Voice, the Social Committee, and International Relations Club.

Both are enrolled in secondary education, and both are transfer students. Stout Institute lost Carol in 1947. Bob transferred that year from Washington State College.

Undefeated in their five conference games to date, the Falcons are set to keep their perfect record when they meet the Superior Yellowjackets tomorrow night. The Falcons are, from left to right: Charlie Most, Newman Benton, Nate DeLong, Wally Lindholm, and Harry Gibbs.

Carnival History

Twenty-five years ago the idea for a Winter Carnival was born. These first carnivals were sponsored by the Girls' Athletic Association.

Back in 1927 the carnival was a one-day event. They had no king or queen for the feature attraction of the Carnival was a snowfight between the freshman and sophomore classes which lasted for three and one-half hours.

As the Winter Carnival became a permanent fixture on the campus the idea of a king and queen was incorporated. The honor connected with being elected king and queen of the Winter Carnival has risen to the point where it is just as great as being elected Homecoming queen.

The duties of the king and queen are to reign over all Winter Carnival festivities. The queen rolls the first ball at the bowling tournament and the king and queen take the first slide down the hill on Saturday afternoon.

Yellowjackets Here

Coach Leo DiMarco brings his high-riding Superior Yellowjackets here tomorrow night in the feature game of the Winter Carnival. The Falcons must win this game to stay on top of the conference.

Superior is in second place in the conference with a 4-1 record. Their only defeat was administered by Platteville.

The Yellowjackets have the best defensive record of any conference team while the Falcons have the best offensive record and ranks fourth in team defense.

Milt Krznarich and Dom Moselle will start the game at the guards for Superior. Krznarich, a senior, is captain of the team. Moselle was an all-conference guard choice in 1946 and 1947.

Hub Dodge, a senior, and Fred Walker, a freshman, are the probable starting forwards. Dodge is a potent scorer while Walker is a former All-European selection. Gene Omernik, a six foot five inch sophomore, will be at center.

Mary Ann Most

Walt Larson

A newly engaged couple, Mary Ann Most and Walter Larson, are part of the Winter Carnival royalty. They were sponsored by the FFA.

Mary Ann Most was a candidate for Homecoming queen last Fall. She transferred here from the University of Minnesota.

A native of Prescott, Mary is a senior in elementary education. Dancing and music are her favorite hobbies while the ACE and CWA are her extracurricular activities.

Walt Larson is a senior majoring in ag education. He is a winter sports enthusiast and would like to get into soil conservation work at the completion of his college career.
