VOL. 6.

RIVER FALLS, WISCONSIN, NOVEMBER 18, 1921.

NUMBER 10

A REMARKABLE DAIRY RECORD

Word has just been received from headquarters of the Holstein Advanced Registry Association at Madison that the world's record for production of milk and butter of the three-year-old class has been broken by a full sister to Ormesby Mercedes Pride, the Holstein sire at the Normal Farm.

The cow, Wis. Pride second, is owned by Mr. John Erickson, Waupaca, Wisconsin, who also owned Ormesby Mercedes Pride before his purchase by the Normal in January of this year.

Wis. Pride second has to her credit for one year 29,502 pounds of milk and 1,327.9 pounds of butter. She also still holds the state record she made as a two-year-old and has the distinction of having made more milk and butter than any cow of any breed in Wisconsin for her first two-years' production.

Another full sister to the Normal Herd Sire, Wis. Pride the third, has also broken the state record as a two-year-old with a production of 22,011 pounds of milk and 1000.55 pounds of butter in one year.

Bess Johanna Pietertje Mercedes, a half sister is also the state champion four-year-old for Wis.

These records of performances are all phenomenal in that they have all been made by the same man with the same cows out of the same sire and dam. Also these records that have just been completed during the last week are well above any former records for their respective classes.

These records will serve to place the Holstein herd sire at the Normal School among the prominent sires in the country.

SPECIAL ASSEMBLY

LAST FRIDAY

A special assembly was called for last Friday in celebration of Armistice Day. An excellent Program was given which included speeches by Mr. Mitchell, and Supt. Robert Lohrie of New Richmond. Both spoke on subjects relative to the disarmament conference and the stand that the United States would, in all probability, take on the subject. At eleven o'clock a silent tribute was paid to the representative of the dead soldiers of the great war. The program was enjoyed by all present.

DEBATE QUESTION SELECTED

The debate question for the Inter-Normal Debates which will be held in March was decided upon at the teachers' convention which was held in Milwaukee about two weeks ago. The question is: "Resolved that the Kansas Industrial Court Law should be extended to the whole country through a National Law." This question deals with the labor problem which, no doubt, is one of the most important problems which faces the American public today.

Last Tuesday Coach Mitchell issued a call for debaters for the tryout which will be held Dec. 7. Between twenty-five and thirty people were present at the meeting and drew for sides to prepare speeches on. With three members of last year's one-thousand per cent squad back and a large number of other experienced debaters out it seems as though River Falls should have two winning teams again this year.

Last year River Falls defeated both Eau Claire and Superior in closely contested debates. As a result those two schools are out for revenge this year and undoubtedly will send their best teams against River Falls.

THANKSGIVING VESPER SERVICE

The three Christian organizations are planning a Thanksgiving vesper service for next Sunday afternoon at four o'clock. A program which will consist of some special music, a speaker and other numbers is being arranged. The townspeople as well as the students are invited to be present.

Y. W. C. A.

At the Y. W. C. A. Meeting last night a letter was read from Mrs. Elizabeth Dunning Zeeman, the Field Secretary in Tokio, Japan. It described Miss Dunning's wedding and her experiences since her letter last May. Pauline Norseng gave a piano solo. Ruth Hinman explained the Budget System. Last year's total receipts were \$308.26, and expenditures, \$290.51. The estimated budget for this year is \$249. Members are urged to pay their subscriptions as soon as possible. The meeting closed with the benediction.

RED AND WHITE HOLD

SUPERIOR TO TIE

With all the dope in their favor, the Northern team invaded Ramer Field with high hopes of handing the local eleven a defeat. To their surprise they found Coach Hayward's pig skin carriers pushing the skin over the goal within three minutes of play. From this stage on neither team scored until the very last of the game when Superior completed a pass to the Falls' twelve-yard line and in seven downs went over the goal and by kicking goal tied the score. The Falls' aerial attack was very effective as over half of the passes tried were completed. Butenhoff completed four passes out of four attempts; Raab completed three passes and intercepted several passes which if completed would have given Superior substantial gains. Superior made several long end runs but at times our men got through and threw them for a loss. The line put up a stone-wall front and Capt. Murphy easily outpunted his opponent. Most of the playing throughout the game was in Superior's territory.

First Quarter

The Falls kicked to Superior and on the first play lost the ball on a fumble. On our first series of plays Superior intercepted a pass but lost the ball on downs on their twenty-five yard line. A pass, completed to Raab, placed the ball on their five yard line and in three downs Capt. Murphy went over for a touchdown and kicked goal. Score 7-0. The Falls kicked to Superior and for a while the ball was kept in midfield. Superior made two good gains on end runs but lost eight yards on a third attempt. Gerretson intercepted a pass and returned to the forty-five yard line. A pass to Raab netted first down. River Falls was penalized but a second pass, completed by Butenhoff, netted thirty yards and first down again. River Falls failed to make the required yardage and was forced to punt. The quarter ended with the ball in Superior's possession on their twenty-five yard line.

Second Quarter

The first half of the second quarter

CAN YOU TELL?

One week ago today the disarmament conference began its proceedings at Washington. The foremost thinkers and statesmen of the world are there representing practically every nation of any importance or size. They are there to voice the sentiments of their people and to help bring aid to this old tax burdened globe. The eyes of the world are focused on this conference for upon its outcome depends the fate of more than one nation, almost the fate of civilization. Complete disarmament is impossible. Even if it were possible it is doubtful if war could be done away with, for the ingenuity of modern science knows no bounds. Our only hope is that the arms conference will serve to start a movement which will grow in importance as time goes on, until some adequate machinery for the peaceful settlement of international disputes can be formed. The god of war has a firm clutch upon the world, and it will be no easy task to shake him off.

What can I do to help this movement along? The least that you can do is to read the newspapers and keep posted on what is going on at Washington. Some very worth while articles on the subject of disarmament are appearing in practically every daily paper, and one is cheating himself out of a great deal of valuable information if he purposely passes them by. May be you think that this question of disarmament does not concern you, but let us not forget that the people who are the students of today will be taxpayers tomorrow. Part of your annual income will go toward the construction of those so-called huge iron kettles that one day steam majestically up and down our coast and the next day serve as targets for airplane bombs or cannon fire. It is

certainly plain to see how vital a problem it is and how far-reaching will be the effects of the decisions which the arms parley will make. So let's keep posted on what is going on at Washington.

Do you know who called the arms conference together and the reasons which prompted the person to do so? Do you know who the men are that are representing the United States at this conference? Do you know the content of the proposal which Secretary Hughes made at the opening of the conference? What is the attitude of the other nations toward it? What are the problems of the Far East which the nations are anxious to have settled? Can you answer these questions? If not, then we suggest that you spend a little more time reading the important parts of the newspapers.

RED AND WHITE HOLD
SUPERIOR TO TIE

(Continued from Page 1)
the ball changed hands in midfield several times, Captain Murphy clearly outpunting his opponent. Steadily the visitors were forced back toward their goal line and twice the Falls threatened the Superior goal. The Falls lost the ball on downs on their twenty yard line but immediately Raab intercepted a pass on the thirty five yard line. Butenhoff completed a pass for first down and the half ended with the Falls in possession of the pig skin on the fifteen yard line. At no time during the first half did Superior seriously threaten our goal.

Third Quarter

Superior kicked to the Falls, Standish returning the ball about fifteen yards. Due to a penalty they were forced to punt. Superior made first down and on the next play again found their pass intercepted by Raab. The Falls did not seem to have the drive that they showed in the first half and were unable to gain, so punted.

Superior made four successive first

downs and then lost the ball on downs on our twelve yard line. The Falls punted out of danger and the ball exchanged hands a couple of times, the quarter ending just as the Falls recovered a fumble on the forty-five line.

Fourth Quarter

The Falls made three successive first downs, two on passes and a third on getting the ball from a pass where the receiver was tackled before catching the ball. They lost the ball on downs on the visitors twelve-yard line. Superior punted out of danger and the ball changed hands in midfield. Raab intercepted a pass and immediately Butenhoff completed the fourth pass during the game but the next pass was intercepted. Superior lost five yards on an end run and Garretson intercepted a pass. The Falls did not gain so punted, Superior returning to our forty-five line. They completed a pass to our twelve yard line.

Superior Scores Within Two Minutes
of the Finish

With the pigskin on our twelve yard line Superior took seven downs to put

LOCALS

Stella Wolfe has been very ill, but she is better now.

Lois Mitchell is ill and has been out of school several days.

Four girls started a snowball riot down town Tuesday night.

Mr. Hunt attended the Polk County Teachers' convention last week.

Lois and William Hunt gave a dancing party Monday evening at their home.

Coach Hayward and Captain Murphy attended the La Crosse-Oshkosh game Saturday.

Esther Gregerson had another operation Wednesday, and at the time of this writing, is critically ill.

A party at Esther Smith's home, for her brother Douglas, entertained a group of friends Saturday night.

Mr. and Mrs. Roese, Nellie Roese, Al. Keifer, Florence Alberts, and Claire Morgan drove to St. Croix Falls, Miss Alberts' home, Saturday.

The Y. W. C. A. wishes to collect all of the pledges as soon as possible. There will be someone in the halls at the noon hour from Friday until next Thursday. Will all members please pay promptly.

Among the new people who have entered this quarter are Thelma Sangestad of Baldwin, Mrs. Weinzirl of Eau Galle, and Bernice Thompson from Elmwood. Ella Clark, who attended here last year, has written that she is planning to re-enter also.

Last Friday the Misses Feeney, Wirt, West, Flasch, Sims, and Davis, Messrs. Eggebrecht and Stevenson, drove to Madison to attend the Michigan-Wisconsin game. On Sunday afternoon a reunion of River Falls people was held at Miss Feeney's home. Those who attended were Miss McKenzie of Milwaukee, Helen Wasson, Douglas Allard, Mildred Will, Galen Kirchner, Arnes Anderson, Emily Mackin, Ted Dodge, and Mr. and Mrs. Chandler. The party returned Monday.

DEDICATION OF NEW PICTURE

Miss Bridges' room has purchased a new picture, "The First Recognition of the American Flag by a Foreign Government," by Edward Moran. It shows Paul Jones' "Old Ranger" in a French Port. Talks by Miss Pardee, Mr. Davison, Mr. Davee, and other members of the faculty were given Thursday at a luncheon for practice teachers who have taken work under Miss Bridges during the last quarter.

LUNCHEON FOR

PRACTICE TEACHERS

A twelve o'clock luncheon was given Friday noon for the practice teachers in the primary department by the primary teachers of the training school. Several girls who finished work at the end of the quarter, and Mr. Davee, director of practice, were present. Alice Mackin told a story, and several selections on the victrola were given.

GIRLS' GLEE CLUB

The regular practice of the girls' glee club was held Tuesday night. Delay in the shipment of music ordered last summer has made harder the work of the Librarian, Marion Wiger. The constitution and by-laws will be read next Tuesday.

DANCE ENJOYED BY ALL

The dance given last Saturday evening in North Hall gym, in honor of the Superior aggregation, was very well attended. Besides the graduate Seniors, Seniors, Juniors, Third year students and faculty members, a large number of old graduates were in attendance. A five-piece orchestra furnished the music. Every one reported a very enjoyable evening.

NO STUDENT VOICE NEXT WEEK

Due to the fact that school closes early next week for the Thanksgiving recess, there will be no issue of the Student Voice.

LINCOLNIAN-AURELIA

Last Wednesday evening the Lincolnian and Aurelia societies held a joint meeting in the society room of South Hall. President Casey, of the Lincolnian, opened the meeting by calling for the presentation of business.

A unanimous vote was taken on the motion that the two societies arrange for a dance to be given soon. A program of humorous readings, songs, and music was given as follows:

Community Singing.

Life of Edmund Vance Cook, and reading of "Moo Cow Moo"—Josephine Sonmor.

Life of Charles Fallen Adams, and reading of "Der Oak und Der Vine"—Chalmers Davee.

Piano Solo, "Russels of Spring"—Irene Luberg.

A reading of Charles Fallen Adams, "Dot Little Baby of Mine"—Zelma Lomness.

Life of Ben King, and reading of "If I Could Be By Her"—F. W. Allbee.

Song of the Leaves—Joyce Taylor, Elizabeth Adams, Josephine Blomgren, Winifred Bird.

Life of T. A. Daily, and reading of "The Irish Bachelor"—Virginia Holser.

Violin selection—Miss Wind.

CAMERA CLUB

At the regular meeting of the Camera Club Monday night enlarging pictures held the center of interest. Developing and printing was done. Some members are working on individual snapshots for the Meltean.

ASSEMBLY TALKS

At the Tuesday assembly President Ames talked on the disarmament conference and what was necessary to the complete bringing about of a lasting peace between the nations of the world. He also talked of the possibilities of eventually averting a war with Japan that has been threatening. He also brought out why, merely changing the naval program, would not insure the permanent peace.

Two boys were watching Mr. Koepf playing his slide trombone in assembly some days ago and one of them, after observing every movement very closely, said, in a very excited fashion, "Bill, did you see that?"

"No, what was it?"

"There he goes again! That fellow runs half that born down his throat."

THURSDAY ASSEMBLY

Provision had been made to arrange the Thursday assembly so that a representative of the Y. M. C. A. would be present to give a talk on the Y. M. C. A. A few minutes before the assembly time, a telegram arrived stating that it would be impossible for the representative to be present. In place of this talk a short program was substituted, consisting of:

Song, Assembly
Student Topic, Miss Alberts
Reading, "School Spirit," Pres. Ames

NOTICE

Miss Hathorne requests all girls who have changed their programs since the beginning of the year, and have not yet reported it, to see her at once.

G. A. A.

G. A. A. girls are contemplating buying a tobogan so as to take advantage of the snow. They will rent it out to parties and thus, in time, pay for it.

The girls are planning to prepare a basket of eats for the team on the way to LaCrosse.
