## JUNIORS TAKE EASY VICTORIES

Seniors place second and Third-Year Seniors take last place with a clean slate of defeats.

The Junior teams were easily the outstanding teams in the tournament and most of their men had been playing more or less all season. In the first game of the tournament the Senior firsts went down to defeat before the Junior firsts 26 to 5, and the second game the Junior seconds triumphed over the 3rd. year Senior seconds 25 to 6. The second day the Senior firsts and Junior seconds won their games, and the third day the Junior firsts and Senior seconds were triumphant.

This is the first year in the history of class basket-ball that the 3rd. year Seniors have been represented. Although they lost all games they made a good showing when you consider the small number of men they had to choose from, compared with the other classes. The last day of the tournament the 3rd. year Senior firsts held the Junior firsts to a 15 to 9 count, and the 3rd. year Senior seconds held the Senior seconds to 12 to 10 count.

The class spirit at the games this year was not so marked as it has been in previous years and there were not very large crowds in attendance at the games.

### G. O. P.

The G. O. P. held an initiation last Wednesday evening, March 22, in South Hall for the new girls that were admitted to the society. After the preliminary steps were taken, in which the new members had an opportunity to display their bravery and sportsmanship, the by-laws of the organization were read to acquaint those joining the G. O. P. of their duties as members. Some business was also attended to.

Miss Wirt went to St. Paul Tuesday, returning Wednesday.

## MILWAUKEE DEBATERS HERE TONIGHT

### Affirmative Squad at Stevens Point

Next Friday evening Milwaukee, Stevens Point and River Falls will meet in a triangular debate for the state championship. The local Negative will meet the Milwaukee Affirmative on the home platform, the Falls Affirmative the Stevens Point Negative at the Point, and the Point Affirmative the Milwaukee Negative at the Cream City. Each of these teams are the survivors of preliminary debates, Milwaukee having eliminated Platteville and Whitewater, Stevens Point Oshkosh and La Crosse and River Falls Superior and Eau Claire, in the first clashes.

The Fall's Negative team will be made up of Landon Chapman, Frank Allbee and Edward Casey. The Milwaukee team comes with a record of having defeated Whitewater Negative and Whitewater has always been strong in debate. Last year they won the championship of the southern league. The debate here, therefore, is sure to be hotly contested and very interesting. The judges for the debate will be President J. C. Brown of St. Cloud Normal, Prof. John H. Gray, of Corlton College, and Dr. J. C. Hazzard, of Macalester College.

The Affirmative team consists of Alvin Howalt, Rex Liebenberg and Melvin Thomson. All who attended the debate with Eau Claire a few weeks ago know that this team will give a good account of themselves and make things hot for the Point. Stevens Point has the record, however, of having won both of their debates unanimously and the local team will meet a team that will try their metal in the Pointers.

A win means a state championship for the Falls. Every loyal wearer of the Red and White should attend this debate and let the team know that they are backing them to the limit in their struggle to bring the champion-

## GIRLS OFFER EXCELLENT DISPLAY OF GYMNASTICS

A great many people displayed their interest in school work last Thursday evening when they came out to North Hall Gym to the gymnastic exhibition. The participants consisted of all girls who are taking physical training in and above the seventh grade.

This is the first time in the history of the school that such an entertainment has been given. As a result, people had an opportunity to see what educators are trying to do through means of physical training.

Under the skillful gymnastic directions of Miss Wirt, the following program was given:

Entrance of all classes.

Dresden China Gavotte,

Dorothy Baird and Avery Ames.

Wand drill,

Rural class.

Typical gymnastic lessons,

Jr. High School class.

Folk Dances,

Junior class.

(a) Virginia Reel

(b) Norwegian Mountain March.

Military Tactics, Sophomore class.

Apparatus work,

All classes.

Russian Dance,

Lillian Wirt.

Garland Dance,

Mildred Smith,

Irene Luberg, Marjorie Fay, Irene

Stewart, Marcella Gunderson, Lenore

Reed, Virginia Hooser, and

Mildred Heidbrink.

### Girls Prove Clever and Original

Every one of the eleven numbers on the program is worthy of honorable mention. Many spectators were pleasantly surprised to see the real success with which the girls carried out their respective parts.

The military tactics swung by the sophomores were some of the snappiest movements of their type, and would do credit to any well trained group of militia. The Virginia Reel of the Junior class took admirably with the audience. Many an unused

**YOUR "SPRING FEVER"**

There is something wrong with the fellow who does not experience that inevitable restlessness brought on by the appearance of balmy spring weather. It is a hard thing to combat successfully, and keep under control. Some of us don't try to manage it, much to our sorrow, along about the first of June.

This sensation of discontent cannot easily be thrown off without some effort. The best way to get rid of it is not to hold it down by forcing it into the background. Such a resolution is hard to keep and seldom accomplishable. Too much mental exertion is required to slough off the feeling, as it persistently sticks to the consciousness. And then, mental exertion is needed by the student for something else about this time.

The best spring tonic for a stuffy mind and body is a lot of good exercise; not grandmother's sulphur and molasses. Outdoor exercise is the remedy. This spring uneasiness is nothing more or less than a craving for fresh air and sunshine. A long winter of indoor work and study is felt as the days grow longer and the year's gladiest season approaches. We are saturated with the old indoor stuff, and want to quit and loaf.

Physical exercise is so much like real work that the majority of students try to steer way around it. In order to feel fit, some bodily effort is a dead-sure necessity. A benefit that is satisfying is not derived without a favorable attitude on the part of the individual. Satisfy your "spring fever" by giving the mind and body what they are calling for, and joy will be yours upon scrutiny of the result. Expel the natural craving for a change

by taking advantage of the great healthful recreation,—outdoor and action.

**TOURNAMENT CHAMPS GET  
SECOND AT STATE MEET**

Nosed Out 22 to 19 by Fond du Lac  
Quint

The speedy New Richmond five worked their way into the finals at the State High School Tournament but were nosed out in the finals by Fond du Lac. From reports in the Wis. State Journal this game has never been equalled in the history of High School Tournaments. There were three undefeated teams, namely, New Richmond, Fond du Lac and Rhinelander. Fond du Lac was lucky on the draw and drew the bye leaving New Richmond and Rhinelander to battle for the chance to meet Fond du Lac in the finals. If New Richmond had had the same period of rest their opponents they undoubtedly would have won the finals as they were considered favorites through out the tournament.

Although New Richmond placed second, three of their men were chosen of the all state team, the other two places held by Fond du Lac men. Williams and McDermott of New Richmond were picked as the best forward and center, respectively, at the tournament. Brietzman, Fond du Lac, was chosen as the best guard with Hawkins of New Richmond a close second.

thirds of all games in the 1921-22 season with a percentage of 667. They totaled up a score of 384 points as compared with 319, the total of their opponents.

The Red and White finished the conference with a percentage of 500. La-Crosse, Oshkosh, Stout, and Eau-Claire are the teams that finished ahead of River Falls in respective order. All the other Normal quints had a percentage of below 500.

heart-string was pulled as the old familiar strains sent the girls capering and swaying about the floor. Miss Wirt's Russian dance won unbounded applause as she completed the combination of graceful steps. In the basketball game, the victor-imbued seniors slipped to defeat by a narrow margin at the hands of a picked team of Juniors and underclassmen.

This demonstration was new and novel. It took well with the people, and should be made an annual affair of the school. Miss Wirt cannot be too highly praised and congratulated upon the results of her long months of work with her classes in order to shape them for a public appearance.

NORMAL AGGIES COP ASSOCIATION TOURNAMENT

Defeat all other organizations by large scores with the exception of an 8 to 9 score over the Lincolnian five. This was probably the most closely contested game during the entire tournament. Neither team seemed to be able to locate the basket and several times should have scored. The Y. M. C. A. had predicted big things for their team but went down to defeat

before all the other teams. The N. C. A. and Lincolnian were evenly matched and with a little more luck in shooting the N. C. A. would have come out on top in the second game of the tournament. The Agrifallian five was easily the outstanding five of the tournament and came through with a clean slate.

RESULTS—

Agrifallian, 30; Y. M. C. A., 18.  
Lincolnian, 16; N. C. A., 13.

SECOND DAY—

Agrifallian, 9; Lincolnian, 8.

THIRD DAY—

Agrifallian, 24; N. C. A., 9.  
Lincolnian, 24; Y. M. C. A., 14.

MUSIC DEPARTMENT

The Mac Dowell Club will meet in the Society Room Tuesday evening, April 4, at 7:30. The program will be furnished by the Normal orchestra and groups from the other musical organizations of the school.

The concert by the allied musical organizations, orchestra, Girls' Glee Club and Mens' Glee Club, will be without doubt, the most attractive entertainments ever given by these organizations. The Girls' Glee Club is singing with an artistic finish, seldom attained by so large a group. Royce's "burnt cork artists" promise something interesting when they reveal their "inside information" concerning faculty and students. Miss Wind's orchestra needs no comment; it will be there every minute.

Miss Pierce, the Y.W.C.A. field secretary, spent a few days with us this week. She has been holding meetings with the members of the Y.W.C.A. cabinet, giving them hints and suggestions for the betterment of the organization:

ASSEMBLY PROGRAM

The program given by Aurelia in Assembly Thursday was an effective harbinger of Spring.

- Vocal Solo, "An Open Secret" Virginia Hoeser.
- Duet, "April Showers," Mildred Heidbrink and Virginia Hoeser.
- April Shower Dance, Irene Luberg, Mildred Smith, Irene Stewart, Marcella Gunderson, Lenore Reed, Marjorie Fay, Virginia Hoeser, Mildred Hiedbrink.
- Story, "The Nightingale and the Rose," Alice Mackin.
- Song, "The Swallows," Mildred Hiedbrink.
- Duet, "An Invitation to Dance."
- Garland Dance, by eight girls named above.

The various numbers directed by Miss Schlosser and Miss Wirt displayed a good deal of work and skill. It is indeed an advantage for the students of the Normal School to have an opportunity to have programs of Music, Literature and Physical Culture, given by the students of the school, to add life to other studies.

THE FOUR HORSEMEN  
A GREAT SUCCESS

The movie, "The Four Horsemen of the Apocalypse," shown here last week by the Meletean staff, was a great success. Those who went expecting to see a great picture were not disappointed. Although the picture was advertised as a great thing, the statements made were wholly verified at the showing.

The Auditorium was filled the first evening, also a goodly crowd saw the picture at the next two showings, Saturday afternoon and evening. The proceeds go to the support of the 1922 Meletean, the staff of which wishes to thank the students and people of River Falls for the support they have rendered by attending the benefit.

That this picture made a great success shows that the staff knew human nature.

Miss Florence Elliott, who is attending St. Lawrence College, is spending her spring vacation at home, this week.

As a consequence of losing a bet, Ida Canfield, Lillian Brown and Earl Vance gave a party for a few of their friends Saturday evening at the home of Florence Smith.

N. C. A.

The N. C. A. had a mirthful as well as an educational meeting last Thursday. An excellent program was rendered which was enjoyed by all present, the Junior High being filled.

The business meeting preceded the program. A discussion on the advisability of forming a "State Normal Catholic Association" culminated in the decision that, at the suggestion of Platteville, we submit a suggestive constitution for the "State Association" to the Platteville Normal Association and await the decision of the other Normal.

The formation of a State Association would provide for a travelling chaplain or speaker who would visit each Normal school several times a year.

After the business meeting the following program was given:  
Community singing, led by

- Miss Engeldinger.
- Piano solo, Mr. Reardon.
- "The Irish," Mrs. Hollister.
- "The Moral Good a Teacher can be," Mr. Martell.

Too many students stay away from the N. C. A. meetings. Judging from the increased attendance lately our members are beginning to realize the merits of a live society.

Those who missed Mr. Martell's talk or Mrs. Hollister's surely missed the chance of a lifetime.

Next Thursday evening a joint meeting of the Y.W.C.A., Y.M.C.A. and the N.C.A. will be held in the Normal Auditorium. A good program has been planned by the three societies. A short social hour will be held after the program. Remember the date and watch for posters. It will pay you to attend.
