Physicist Will Discuss Relativity, Atomic Energy

Dr. R. S. Shankland, Swasey Professor and Head of the Physics Department at Case Institute of Technology, will visit the River Falls campus on Monday and Thursday, Feb. 23 and 24.

During the two-day period he is on campus, Dr. Shankland will give two illustrated public lectures. He will speak on "The Experimental Bases of Relativity," at 8 p.m. Monday, Feb. 23, in

the Little Theatre. On Tuesday at 10 a.m. he will speak to the student body in North Hall Auditorium on "Nuclear Energy Sources." The lecture will be illustrated with slides.

On Monday afternoon, Dr. Shankland will hold a conference with juniors and seniors majoring or minoring in physics. He will also talk with underclassmen who intend to do further work in physics. In addition, Dr. Shankland will speak to each regular physics class meeting during the two-day period.

Dr. Shankland's visit to River Falls is part of a nation-wide program sponsored by the American Association of Physics Teachers and the American Institute of Physics.

Dr. Shankland received the B.S. and M.S. degrees from Case Institute and the Ph.D. degree from the University of Chicago. He was a physicist at the National Bureau of Standards and has been at Case Institute since 1930. In 1941 he was promoted to department head.

College Students Attend Session of Area Engineers

The Northwest Chapter of the Wisconsin Society of Professional Engineers and the Eau Claire Technical Society were hosts to 12 pre-engineering students from River Falls and a group from Eau Claire State College at a meeting held at Eau Claire Wednesday, Feb. 4.

Col. E. A. Airis, Project Construction Superintendent of the American section of the St. Lawrence Seaway was the featured speaker. The St. Lawrence Seaway began in 1954, and by 1960 ocean-going vessels will be able to reach all lake ports.

Thorvald Thoreson of the college engineering department is the president of the Northwest Chapter of the Wisconsin Society of Professional Engineers.

Pre-engineering students from River Falls who attended the meeting are as follows: Jack Tomhave, Stan Carlson, Ralph Carlson, Richard Jorgenson, Vincent Peterson, Hasson Nosrati, Gene Mundl, Jerry Derleth, Sherman Stromen, Kurt Peterson, Stanley Lehman, David Montbriand.

The joint meeting is an annual affair in observance of National Engineers' Week.

Crane to Give Lecture At Minneapolis Church

James Crane, chairman of the art department, will speak on "Protestantism and Art" in Minneapolis, Feb. 19.

His speech will be the first in a series of special lenten services to be held at the Hennepin Avenue Methodist church. The series is entitled "Christianity and Contemporary Culture." Mr. Crane will also exhibit his art works, beginning a week before the speech at the church.

On March 1, he will speak to the Wesley Foundation of Stout Institute. He rejoined the faculty here last fall after teaching a year at St. Cloud Teachers College.

Slonimsky Proposes Broader Education In Nation's Schools

Emphasizing his belief in a broad education for everyone, Nicholas Slonimsky, composer, pianist and musicologist who visited the campus last week, gave a new twist to the charge that such a plan leads to "mediocrity."

"Mediocre," said Mr. Slonimsky, means 'average.' If we could teach children to be 'average' physicists, geographers, historians, artists, and mathematicians, it would be wonderful."

Although not all are sufficiently talented to be able to sing or play a musical instrument, Mr. Slonimsky said, everyone should be exposed to music theory and should learn a little about the history of music. All should at least have an opportunity to discover what talents they have, he said.

While he would object to "militarizing" education, Mr. Slonimsky said he believes, that it must be more authoritarian than is now the case.

"It's ridiculous for a student to refuse to take a course because he doesn't 'like' it," he said. "Students have a healthy respect for the teacher who says 'You must do this whether you like it or not.'"

The practice of attempting to make the student "like" to work has produced a generation of "cultural illiterates," he said.

Mr. Slonimsky gave a lecture-recital to an all-school assembly at 10 a.m. Tuesday, Feb. 3, and again that evening in the Little Theatre. During his visit on campus, Mr. Slonimsky spoke to a number of music students and attended a music class.

Four Candidates Enter Contest For Title of Winter Carnival King

GETTING SOME POINTERS on layout, Warren Rogers, named Student Voice editor for next quarter, looks over a dummy sheet with Pat Lind, current editor. Photo by Klemme.

Highlight of the Winter Carnival weekend, scheduled for Feb. 19 through 22, will be the coronation of the Winter Carnival King at the PFA Talent Show Thursday, Feb. 19.

This year king candidates are sponsored by organizations, this procedure replacing the petition method. The four candidates vying for the title are: Jay Bergstrand, senior from Amery, sponsored by the Sitzmarkers; Gary Rohde, junior from Greenwood, sponsored by the SCA; Tom Shield, senior from River Falls, sponsored by Sigma Chi Sigma; and Al Wienke, senior from Emerald, sponsored by the FTA.

The candidates will be presented at an all-school convocation on Tuesday, Feb. 10, at 10 a.m. in North Hall Auditorium. Campaigns will begin the same day, and elections will be held on Thursday, Feb. 19. The king will reign over the outdoor activities Friday night and the Winter Carnival Dance on Saturday night.

Organizations sponsoring midway booths and snow sculptures must sign up on the Winter Carnival bulletin board by Wednesday, Feb. 11, the Carnival chairwomen announced. Work on snow sculptures may begin on Monday Feb. 16.

Clues for the annual Winter Carnival Treasure Hunt will be published in the Feb. 16 issue of The Student Voice.

Senate Names Rogers To 'Voice' Editorship

Warren Rogers, sophomore from Barron, has been named the new editor of The Student Voice by the Student Senate.

Mr. Rogers will assume his duties at the beginning of spring quarter. He succeeds Patricia Lind, junior from Minneapolis, whose term as editor expires with the March 2 issue of The Student Voice.

Majoring in economics at River Falls, Mr. Rogers has minors in mathematics and journalism. During his freshman year he worked on the Voice as a sports reporter, and edited the sports page this year. He was also sports editor of his high school newspaper, The Barron Hi-Life.

In addition to his work in journalism, Mr. Rogers is active in the Vet's Club, the Economics Club, and intramural bowling.

Working with Mr. Rogers will be Carol Truttschell, sophomore from Plymouth, who will be front page editor, and Anne Adams, sophomore from Sheboygan, who will be editorial page editor.

Debate Group Elects Eight

The Wisconsin Delta chapter of Pi Kappa Delta, national honorary speech fraternity, recently elected eight new members.

The new members are: Jean McMillan, freshman from Stillwater; Anita Munson, freshman from Minneapolis; Judith Gilbertson, sophomore from Black River Falls; Judith Harmon, freshman from Clear Lake; John Rice, freshman from Ellsworth; Tom Hinke, freshman from Jim Falls; Roger Schaller, freshman from Stillwater, and James Kenall, junior from Ellsworth.

Membership in Pi Kappa Delta is contingent on outstanding participation in intercollegiate forensics and good academic standing. Present officers are Dave Madis, president; Kenneth Bergquist, vice president; Muriel Peterson, secretary - treasurer, and Louis Pape, reporter.

The Editor Speaks . . .

Next weekend the mid-winter event of the River Falls school year will take place — Winter Carnival. Because there is such a fine and diversified slate of activities planned by our Winter Carnival chairwomen, we urge all students to dig out their school spirit from its Homecoming mothballs, don it, and join in the fun!

Last year shortly before Winter Carnival, the Sitzmarkers, who were in charge of outdoor activities, approached the Student Senate with a plan providing a day at a ski resort. The results of a student poll they had taken showed that 395 students, or one-third of last year's enrollment, were in favor of the plan. However, the plan did not reach the Senate in time to make it feasible. But the Senate was happy to learn that so many students were interested in an activity of this sort.

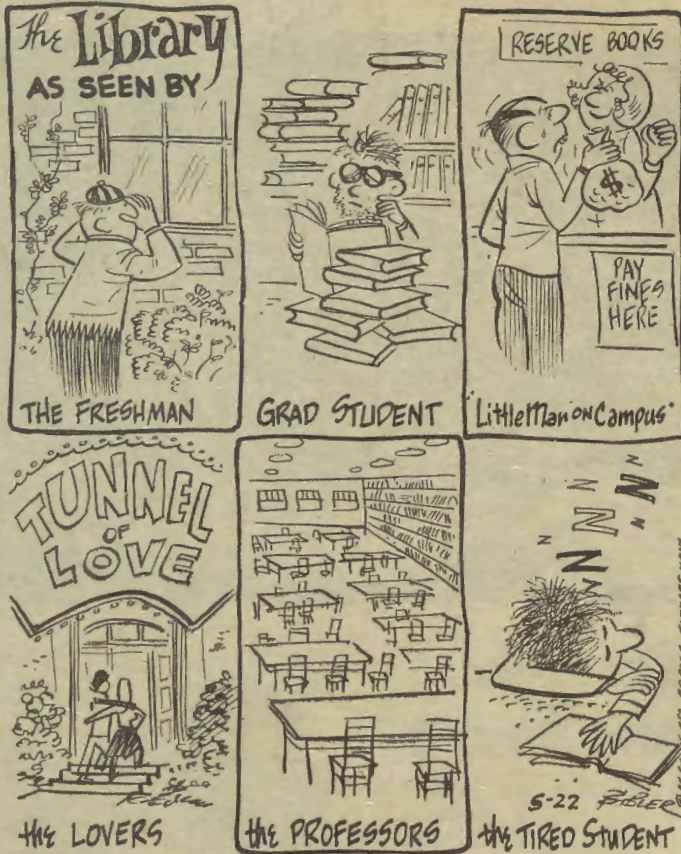

This year the plan is a reality. This is the first Winter Carnival with a full program of "winter" activities, and credit should be given both to the Student Senate and the Carnival chairwomen. The snow fun activities are planned for Ski Mac, Mother Nature seems ready and willing to contribute the snow, and all that is needed is student participation to make the weekend a huge success.

Whether you are an outdoor or chalet skier, there is something planned for you at Ski-Mac. For the outdoor enthusiasts there is, skiing, racing, tobogganing, and snowman building. For those who prefer a warmer climate, there are games, cards, dancing, and just plain "watching."

Aside from the day at Ski-Mac, the committee has planned a beard-growing contest, a treasure hunt, a midway, a candle light supper, and a skating party—and the Winter Carnival dance following the Superior ball game. Another highlight of the Carnival will be the King coronation.

The Carnival chairwomen, working with the Student Senate, have tried to include something for everyone in the Carnival activities this year. We hope they have succeeded.

LITTLE MAN ON CAMPUS

AROUND THE CAMPUS

SENIOR CLASS

Seniors and faculty will be measured for caps and gowns Tuesday, Feb. 10, and Thursday, Feb. 12, between 11 a.m. and 1 p.m. in the doorway of the Registrar's Office in North Hall.

SIGMA CHI SIGMA

Sigma Chi Sigma will meet Thursday, Feb. 12, at 7 p.m. in the Social Room. Miss Fleming of the social science department will be the guest speaker.

LSA

The first mid-week Lenten morning breakfast will be held at the Lutheran church on Ash Wednesday morning, Feb. 11. The devotional service will begin at 7 a.m. and breakfast will be served at 7:30. LSA invites the USF and Wesley groups to participate.

On Sunday, Feb. 15, LSA is planning a visit to Twin Cities' churches. Cars will leave from the Lutheran church at 1:30 p.m. The group will have supper with the LSA at the St. Paul Campus of the University of Minnesota at 6 p.m. The cost will be 60c.

USF

The USF program for Sunday, Feb. 15, will feature Dr. Samuel Saden of the psychology department, speaking on "The Beat Generation." Supper and recreation will start at 5:15 p.m.

OUT-OF-STATE STUDENTS

There will be a brief meeting of all out-of-state students on Tuesday, Feb. 10 immediately following the convocation at 10 a.m. in North Hall Auditorium. Attendance is compulsory—roll call will be taken.

SITZMARKERS

An important ski meeting will be held Thursday, Feb. 12, at 7 p.m. in Room 235L. Winter Carnival plans and future trips will be discussed at this time. A ski movie will be shown following the meeting.

Letters to the Editor...

To the Editor:

With the completion of the Student Union drawing near, the selection of a name for the new building is becoming an increasingly familiar topic on campus. With this fact in mind, and with all due respect for the suggestions made previously, I would like to offer two suggestions of my own.

First of all, I feel the naming of the Union should be accomplished through popular vote with both the student body and faculty participating. The details for same could be "ironed out" by the Student Senate and SAC members.

Secondly, I would like to suggest the name of a recently departed faculty member — E. J. Prucha. Mr. Prucha needs little introduction and his qualities and qualifications are still vivid in the minds of all of us here on campus. The Union could be called "E. J. Prucha Memorial Union," which would be a fitting tribute to a man who did so much extra for the student body and the college during his 43 years of service.

Richard J. Patin

EDITOR'S NOTE:

We appreciate the point of view expressed in this letter. Mr. Prucha gave many years of service to this college and was a friend and counselor of innumerable students.

However, we suggested that the new union building be named the Hagestad Memorial Union because we felt that Mr. Hagestad had a close association with that particular building. At the same time, we knew that serious consideration was being given to naming the next men's dormitory Prucha Hall. We believe there could be no more appropriate name for the dormitory.

by C. B. King

A special "thank you" to St. Bridget's Church and the Newman Club for bringing the St. John's University's Men's Chorus to River Falls Feb. 4. The two-hour performance of great choral music by these college men represented many hours of grueling rehearsal and afforded the audience first hand contact with many masterpieces seldom heard in concert. The appearance, the stage deportment, and the general effect of the performance were superb. No details that might interfere with appropriate staging were overlooked. For the most part, the concert was formal and the dress was very formal. But in the final group of folk songs, the attire became informal. This is commendable.

From the standpoint of the music critic, it seemed unfortunate that the bass section could not balance the tenors. As is sometime the case, it was probably necessary to use lyric baritone for the bass part. It is necessary to say also that the over-all quality of tone was indifferent and that a unification of the vocal lines was therefore difficult.

Good musicianship asserted itself by the fact that this chorus sang in tune. Its diction is to be commended as well. It is significant to note that the group sang in Latin, in German, in Japanese, in Sicilian, in Dutch, and in English.

The fact that Part I, representing early church music, left the audience cold was not entirely the fault of the audience. While this music is objective and does not "parade" the emotions, it is none-the-less vital and vibrant. Perhaps because of its difficulty, these musicians gave the impression of too much technical seriousness with a limited understanding of content significance.

Religious Groups To Meet Weekly For Lenten Study

by Carl Zache

Four River Falls college religious organizations will meet together during Lent to study the book, *Conscience on Campus*. Members of the YM-YW, the Covenant Club, the USF and the Wesley Foundation will participate in the ecumenical study.

Speakers at the series of six programs will include River Falls ministers and advisors of the religious groups. "The programs should be lively and stimulating," said Shirley Christenson, secretary of the ecumenical study. Discussions after each meeting will be led by trained students.

The programs will be held each Tuesday evening at a different church. The first study group is scheduled for Tuesday, Feb. 17, at the Methodist Church. The schedule for each evening is as follows: 7 p.m., worship; 7:15 p.m., speaker; 8 p.m., break up into buzz groups; 8:20 p.m., reassemble to question speaker; 8:30 p.m. refreshments.

The program is open to all students who wish to participate.

Larson science.

Berkley Larson, from New Richmond, will take over librarian duties and teach Spanish in the junior high school at Beloit, Wis. Mr. Larson has a major in geography, with minors in geology and library science.

Rice, Hinke to Debate St. Olaf at Prescott

Two River Falls freshmen will give an audience debate with St. Olaf College of Northfield, Minn., at Prescott High School Tuesday, Feb. 10.

John Rice from Ellsworth and Tom Hinke from Jim Falls will uphold the negative of the proposition of banning nuclear weapons development.

Freshmen Plan Talent Show For Presentation In March

An all-freshman Talent Show has tentatively been set for the middle of March, according to a committee planning the program.

Working as co-chairmen to help the freshmen plan the evening are Dave Johnson and Kar-

en Gatten, sophomore class representatives to the Social Committee.

A panel of four judges, representing the fields of speech, music, and the arts, will be chosen to select the Talent Show winners. Three winners will be chosen, with ten, seven, and five dollar prizes awarded.

A small admission fee will be charged. All proceeds will go toward the establishment of a scholarship fund for a deserving member of the freshman class.

Featuring a variety of freshman talent, the program will include an orchestra, vocal solo, interpretative reading, and an interpretative piano selection. Try-outs will be scheduled at least three weeks in advance of the program.

A definite date for the Talent Show will be set soon and further details will appear in the Student Voice.

Committee members working on the plans are Carol Jennings and Jim Murphy, freshman representatives to the Social Committee, and Ron Williams, Jackie Berquist, Anita Munson, Neil Warren, Gail Kahabka, and Bob Radatz.

RF SENATE TO SEND FIVE DELEGATES TO STOUT CONFERENCE

Five members of the Student Senate will attend a conference of student governing bodies at Menomonie Saturday.

Representing the Senate will be Clarence Dulek (president), Curt Larson (vice - president, Jim Laue (secretary), Arnie Kaluzny (treasurer) and Chuck Swann. Attending the all-day session will be student government representatives from Stout, Eau Claire and River Falls.

Some of the topics to be discussed include student government constitutions, relation to the administration, successful communication with the entire student body and orientation procedures.

College Receives Bid to Take Part In Card Tourney

River Falls has received an invitation to participate in the 1959 National Intercollegiate Bridge Tournament sponsored by the Games Committee of the Association of College Unions.

This tournament is an annual contest in duplicate Contract Bridge in which men and women at colleges and universities throughout the country compete for national and campus championship titles and trophies awarded by the National Intercollegiate Bridge Tournament Committee.

Now in its 12th year, the tournament is devised as an interesting feature in the collegiate social program.

The Association of American Playing Card Manufacturers provides partial support to the tournament by providing the services of a bridge authority in preparing and scoring the hands. The only expense is an entrance fee of 75c per contestant.

Although River Falls is not a member of the Association of College Unions, non-members are welcome to take part in the tournament.

Interested students can contact any member of the Social Committee or attend a Social Committing meeting on Monday, Feb. 9, at 6 p.m. in the Calico Room.

TWO DEBATERS WIN EXCELLENT RATING AT RED RIVER MEET

Two River Falls debaters were rated excellent at the 25th annual Red River Valley Debate Tournament held Friday and Saturday, Feb. 20-21, at Moorhead, Minn.

They were: John Rice, freshman from Ellsworth, and Tom Hinke, freshman from Jim Falls. The Rice-Hinke team won four of six debates.

Falcon Fanfare

"With three of our last four conference games at home, I think we can definitely show a rise in the standings before the season's end." This optimistic view on the Falcons' basketball fortunes was offered by a rugged forward named Rock Hanson who always seems to have views on everything.

When asked for a quote for the paper for instance, Rock came up with several including "look out for the Dodgers this year," "my life's ambition is to become an outfitter in northern Minnesota."

HANSON

and "just call me a 12th-term freshman."

But his comment on the cage

season was serious. Noting the Pagemen's recent success against La Crose and Stout in the "Cow Palace" at North Hall, Rock asserted that the friendly confines there could enable the Falcons to close out in rousing fashion what has been a rather dismal season. Whitewater and Milwaukee play here this weekend and Superior comes to town during Winter Carnival Days.

Rock is striving for his fourth RF basketball letter having earned three prior to his service hitch of 1956-58. He also won a letter as a pitcher for the Falcon baseball team and hopes to give it a fling again this spring.

Hanson's athletic career started at Rice Lake High School where he played football, basketball, and baseball. At San Diego Marine Base, he helped win the All-Marine Championship both in basketball and baseball. He returned to the gridiron this fall and helped Aunt Emma's Boys romp undefeated to the intramural football crown at River Falls.

A hard-working comedian, Rock will probably be best remembered for his performance in the St. Cloud game. That was the night he brought a pillow to use on the bench. But if his desire shown in recent games is any indication, he won't need that pillow very often.

Pin Setters Top Stratton Keglers

Phil Volreth's 204 game and 358 series helped the "Pin Spotters" defeat the "Turkey Pin Headers" three games as the "A-A-A's" lost two games to the "Achin Pootches." It is still a close race and with Ron William's 157 average and Phil Vollreth's 160 average it looks like the "Pin-Spotters" will put up a hard fight for their first place position.

Next week's schedule finds the "Achin Pootches" vs. "Pin Spotters," "A-A-A" vs. "Goof Offs" and the "Turkey Pin Headers" vs. "Tequila Kids."

Falcons Outstrip Stout, Bow to Eau Claire

River Falls in one of its better efforts of the season, defeated Stout 76-66 here Monday night to record their second conference win of the season.

The Falcons sprung to an early lead and at the quarter were out in front 21-15.

Midway in the second period Stout closed the gap to two points, 29-27, but the Falcons were able to score on three straight attempts and once again pulled away for an eight-point lead. Near the end of the quarter, Stout's Bob Sorenson scored three field goals and the halftime margin was four points, 39-35 in favor of River Falls.

The third quarter was even with neither team making a gain. The Falcons scored 21 while Stout scored 20. At the third quarter mark, River Falls had to their advantage 60-55.

The Falcons built their lead and the final score read 76-66 in favor of River Falls.

The Falcons scored well from all positions and placed four men in double figures. Manley Olson continued to score well, contributing 17 points to bring his average to 21 for the last five games. Mick Collins added 16 for his best effort of the year with Jack Omer and Bob Brunette each adding 14 points to round out the Falcons' scoring.

Stout's Art Hanke was high for the losers with 21.

Matmen Play Host To Carls Tuesday

Coach Ben Bergsrud's wrestling squad will make its second home appearance of the season tomorrow night when they host Carleton in a meet scheduled for 7:30 in the North Hall gym.

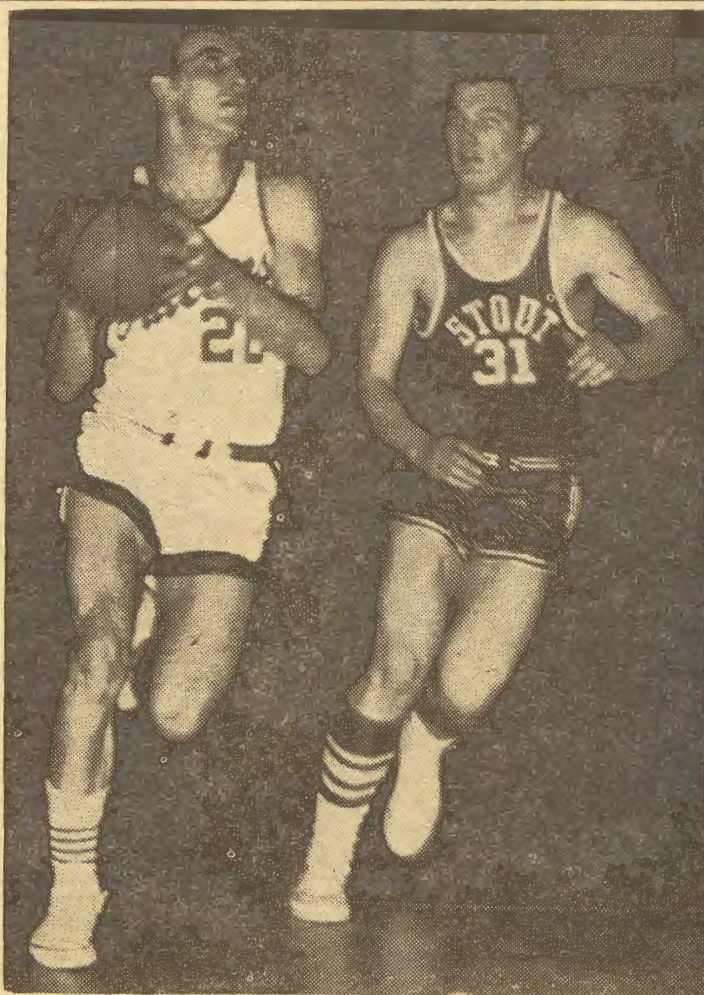

Carleton's wrestling team, consistently one of the top teams in the Midwest Conference, will have a decided edge in experience with four lettermen returning from last year's crew. They all compete in the lighter weights however, so River Falls will be on even terms in the heavier classes which are admittedly the Falcons' best.

Double letterman Dick Starch will lead the Carls in the 130 lb. class. Hans Nelson, a letterman transfer from Mankato, will face Ed Schlumpf in the 137 lb. division. Jim Miller, a rugged football halfback, trims down to 147 in the winter to grab the No. 1 position in that division. One of the top wrestlers on the Carleton crew, he'll be opposed by Pat Mrotek, the Falcons' Golden Glover. The other returning Carleton letterman is captain Al Gibbons who competes in the 167 lb class. He'll have his hands full with RF's Arvid Flannum, who has looked better every meet.

The Carls apparently are weak in the heavyweight division which comes as good news to Falcon followers. Larry Julien should be at his peak for this one. The entire starting lineup for the Falcons isn't definite but it should be Tommy Braun in the 123 class, Bill Willis in the 130 class, Ron LaGrandier in the 157 class, and Jim Drummy in the 177 division.

The activity gets underway at 7:30 sharp with exhibitions preceding the regular events.

The Eau Claire Bugolds out-shot, out-rebounded and out-played the River Falls Falcons Saturday night at Eau Claire when it counted most to whip the Falls quintet 93-83.

This was the second win of the season over the Falcons for Coach Zorn's squad and evened their conference record at 4-4 while the Pagemen have a ninth place record of 2-6.

Larry Hanson kept the Falcons within striking distance by racking up 14 points in the first ten minutes as the Bugolds took a 25-20 lead. By half time Eau Claire had lengthened the gap to nine points 46-37.

River Falls, aided again by Hanson and Manley Olson under the nets, pulled within three points of the Bugolds with just over eight minutes left, only to have the gap spread out as Jim Bade hit from the outside.

Eau Claire placed five men in double digits with Jim Bade hitting for 18 points; Urness hit seven for eight from the foul line for 17 points. Wensel and Bautch scored 15 and Len Van De Hay hit for 14 from his pivot spot.

The splendid showing of Larry Hanson was an encouraging factor for the Falcon fans as he took scoring honors of the night with 24 points. Manley Olson continued to score hitting for 16 and John Lauber got back on the scoring trail with 15.

Hitting on 33 of 85 attempts from the field the Bugolds hit at a 38.8 clip. The Falcons bucketed 30 of 81 attempts for a 37.1 per cent.

Pointers Stop Grapplers In Saturday's Meet 27-5

The River Falls wrestling team's quest for the initial victory of the season was again fruitless Saturday afternoon at Stevens Point as they lost to a superior Central State College team 27-5.

Heavy weight Larry Julien was the only Falcon grappler to score as he pinned his opponent in 2:11 of the first period.

The Pointers scored on three pins and four decisions. In the 177 pound class Gene Sorenson scored two points on the Falcons' Jim Drummy with a reversal in the second period for the only points of their match.

In another close contest, Ed Schlumpf last a 3-2 decision to scored in the final three minutes Bill Freiman. All the points were as each wrestler scored on an escape and the Pointer matman took the match with a take down.

In exhibition matches Chuck Swann scored the Falcons' only victory in four contests by decisioning his Central State opponent 5-4.

AUGSBURG HERE TONIGHT

The Falcon cage team will play host to Augsburg tonight with game time set at 8 o'clock in North Hall Gym. The Freshmen will play a preliminary game starting at 6:30. Starting line up for the MIAC invaders will be center, Dick Ofstum 6-3; forwards, Ted Malmsten 6-2 and Lowell Ziemann 6-3; guards, Dick Robinson 5-9 and Dick Thompson 5-10. The Auggies are sporting a 5-5 conference record, having won their last five in a row prior to Saturday's encounter with UMD.

Basketball Team Faces Whitewater, Milwaukee In Weekend Twin Bill

by Dick Enstad
River Falls State will face two strong ball clubs this coming weekend when they entertain Whitewater State and the University of Wisconsin-Milwaukee, Friday and Saturday night respectively.

Whitewater, although standing only 2-4 in conference play, has one of the leading scorers in the league in J. P. Fisher and an outstanding freshman prospect in guard Dale Holzhter who started with Madison East's state champions of last year. Earlier this season the Quakers lost a heartbreaking one-point verdict to undefeated Platteville.

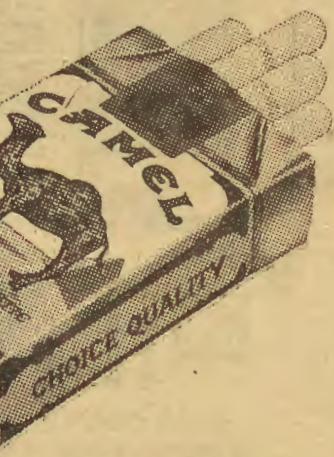

Milwaukee, on the other hand, is still very much in contention for the league crown and will bring to town one of the highest scoring quints in the WSC. Coach Russ Rebbholz's Cards are averaging 93 points a game in seven loop contests. Leading the parade of point makers is Tom Knuesel, a 6'3" center from West Milwaukee. Rounding out the starting five will probably be guards Dave Vincent and John Misorski and forward Jerry Crochowski and Ken Zach.

Tip-off time for games is 8 p.m. in the North Hall gym.

FAST VALENTINE DRAW— Catches Royalty Off Guard

"OH, no!" was the comment made by Mary Ellen Walters, sophomore from Durand, when she was chosen Queen of the 1959 A.W.S. Valentine Formal. Her fiance, Don Brue, remained calm and remarked, "We're honored . . ." Don who is from Spencer, is a 1959 graduate of WSC-RF.

The winning ticket, number nine was drawn by Phyllis Anderson, Vice President of A.W.S., and the royal couple was crowned by Marilyn Gullickson, co-chairwoman of the event.

Approximately 100 couples danced to the music of the Falconnaires from 9 p.m. to 1 a.m. in the lounge of Hathorn Hall, which was decorated to carry out the theme, "Marshmallow World."

Johnson Hits 40 As Frosh Subdue St. Croix Falls

Charlie Johnson ripped the nets for 40 points Monday night to offset the St. Croix Falls' City team's balanced scoring and give the Frosh an 87-79 victory.

With Johnson leading the way with 23 points in the first half, the Frosh took a 53-31 lead at halftime. The Falls quintet scored nine straight points to open the final 20 minute session and cut the margin to 53-42.

St. Croix Falls continued to cut the lead as center Ed Horsmann scored repeatedly on fast breaks. Guard Rich Olson, sharp shooting from the outside, knotted the game at 71-71 with 4:10 remaining. Johnson connected on three successive free throws for a 71-74 Frosh lead. Horsmann found the range again only to have the Falcon fledglings jump to a 77-73 margin.

Horsman cut the lead to a bucket hitting on two gift shots. Johnson quickly scored five points and Ross McCoullough hit for two points to push the Freshmen out of reach and put them on the winning trail again.

Hitting on 16 of 9 attempts from the foul line (12 in a row) and 12 field goals, Johnson put together his finest performance this year. Charlie is now averaging 27 points a game for five games. Ed Horsmann and Rich Olson each hit for 24 points to lead the well balanced St. Croix Five.

Nine of State Colleges To Have Unions by Spring

The first of nine new student union buildings at the Wisconsin state colleges will open this month. Superior and Eau Claire buildings will open soon afterward and all nine will be occupied late this spring.

The nine student centers on the nine campuses have cost six million dollars to build and equip. Most of the money was borrowed from the Federal Housing and Home Finance Agency on a 40-year loan. A fee of \$9 a semester per student will repay the loan.

Jokers, Kingpins Continue Deadlock For 'A' League Lead

Four slim pins were the margin of victory for two league-leading Intramural Bowling teams last week. The Jokers remained in a deadlock for first in the "A" League with the Kingpins as both teams earned sweeps. The winning "bulge" for the Jokers in their second game against the Greenwoodites was four pins.

The "B" League continues to tighten up as the Happy-Jacks dropped two points for the second week in a row. The Markers missed taking the 'Jacks for three points by the four pin difference in the second game.

SCHEDULE

Monday, February 9: Alley-Sweepers vs. Filkins (9); Happy-Jacks vs. Pinky Panthers (37).

Tuesday, February 10: Markers vs. Short-Timers (20); Fireballs vs. Lakers (34); Jokers vs. Free-Loafers (65).

Wednesday, Feb. 11: Blackballers vs. Grubbs (4); Pinsetters vs. Fireball-5 (58); Kingpins vs. Greenwoodites (29).

Dining facilities alone in the new buildings will seat a total of 4,000 students at one time. More than 7,500 chairs have been purchased for the buildings, 75,000 plates, 12,000 forks, 10,000 cups, and 40 ping pong tables.

Of brick construction, the new student buildings range in size from the largest at La Crosse, costing \$850,000, to the smallest at Menomonie, costing \$500,000. There are conference rooms, game rooms, music rooms and offices for student and alumni activities. The 600 dining room tables fold away so that the dining room can double as ballrooms for proms.

Purchasing of equipment has been handled by the state Bureau of Purchases with standard equipment used as much as possible to keep costs down. All chairs, for instance, are standard with only slight variation in color from college to college. Each center is of a unique construction with five architectural firms designing the nine buildings.

Just three years ago the college Regents applied for the loan to build the student unions. Temporary student snack bars and game rooms have been set up in academic buildings. This space will now be remodeled for classroom and laboratory use.

Bumble Bees Undeclared in 'A' BB League

The climax of the Intramural Basketball program draws closer as the final schedule of games swings into action this week. The Bumble Bees continue to go unmolested in the "A" League upping their record to 6-0.

The real battle for a play-off spot is shaping up in the "B" League. The Burlies, led by the league's leading scorer, Dick Miller, rest in first place with a 5-1 record. The Glueck Boys, Rounders, and Rebels are all bunched in second place with 4-2 marks.

In the "C" League the Scholars and the Goops seemed headed for the tourney.
