SEVENTY-FIVE STUDENTS AT-TEND CONTEST VIA SPECIAL COACH

Marshall Norseng, '28, the gifted speaker of the Red and White, won first honors with his oration "The Harvest of Hate" at the state oratorical contest at Eau Claire last Friday, March 18. Bernard, Morton '28, of Ellsworth, won second place in the extemporaneous speaking program.

This makes the second state championship that Norseng has brought to the school in his two years here. Last year he won first honors at both the State and Inter-State contest in extemporaneous speaking.

WHAT'S IN A NAME

The title "The Western Wisconsin self. State Teacher's College" recently officially decided upon by the school administration to be used henceforth in place of "The River Falls Normal School, or "The River Falls State Teachers College" has a pleasing sound and is really about as an appropriate a title as can be imagined.

River Falls is located in the western part of Wisconsin, the only school in the state, in fact, that can lay claim to the term Western, since Superior is Northern rather than Western. LOCAL FANS PREDICT A BIG SEASON FOR SCHOOL IN BASEBALL

Prospects for a real baseball team are very bright at River Falls Normal this spring, predict local fans.
