RED AND WHITE LOSE TO CARLETON

Miss Schlosser enjoys Year in Washington

Brings Back Many Good Things
to School.

"Did you have an enjoyable time at Washington?" was asked Miss Schlosser, our dramatic teacher, who spent last year in Washington, D. C., taking work at the George Washington University.

"O, a splendid time!", she replied. "I couldn't begin to tell you of all the interesting places, and people, and plays I saw."

"About the most wonderful sight I have ever seen was the blossoms of the cherry trees that border a certain bend in the Potomac river. Japan could scarcely offer anything lovelier."

Miss Schlosser, at a visit to the White House, shook hands with President Harding, and stood next to him while he received 135 Indians who were in Washington with the Rodeo Show. This meeting of the President by the Indians was an intensely interesting performance to Miss Schlosser. She was impressed by the President's ability to say just the right thing.

Former President Crabtree of River Falls Normal school, now secretary of the National Education Association, was a familiar face to her at Washington. Mr. Crabtree is very much in demand for addresses by all kinds of organizations.

A R. F. N. S. student of years ago, Mr. Ruediger, was Miss Schlosser's professor in education.

"I'm sure the students would be interested in the 'Skinny Class' at the Wilson Normal school in Washington. No one is allowed to graduate if he is under or over weight. The overweight ones are instructed in dieting. The underweight ones are lectured on fattening; moreover, they are compelled to drink milk three or four times a day during the school session and to take short periods of rest. The pupils have named this latter class the 'Skinny Class'."

Annapolis, Arlington Cemetery, the Lincoln Memorial, Mt. Vernon, Philadelphia, New York, the Hudson, and other places of interest were visited by Miss Schlosser. She and her sister returned to the Middle West by way of the Great Lakes.

Raymond Heffron

Raymond Heffron was a consistent player at the right end position on last year's team. Heffron is playing the same position this year. Heffron was unable to be in Saturday's lineup, but will be able to take part in future games.

ORCHESTRA MAKES DEBUT AT ASSEMBLY

First Mass-Meeting Fairly Successful.

The new cheer-leader and the new orchestra were both initiated at last Thursday's assembly. The eighteen piece orchestra under the direction of Miss Lemmer, received some really genuine applause for both of the selections which it played. It certainly is good, and gives promise of becoming even better. The orchestra also played for the singing of "Victory" and "On, Our Normal". (Just a note of advice here. Better learn our school songs, you new students. It would certainly sound a great deal better if everyone could sing them). Don Boardman, who was appointed official cheer-leader after the try-outs on Tuesday, ably fulfilled his duties by leading in several yells. There is a great need of a little more spontaneity on such occasions. Please remember.

Coach Eggebrecht was the first of the speakers, talking for a few minutes on the personell of the team, and the probable line-up for the Carleton
(Continued on page 2)

Weight Handicap too Great

Meet Dayton Bluff Merchants
Saturday.

Carleton College of Northfield defeated the Red and White, 42 to 0, in a rather one-sided game at Northfield last Saturday. The River Falls team showed lack of experience against the formidable Carleton squad. Carleton has far more material to develop a heavy and fast football squad. This college had eighty players in uniform last Saturday.

River Falls was forced to play defensive football throughout most of the game. When River Falls possessed the ball, it was always near their 20 yard line, thus handicapping many plays.

Several of the new players on the squad made a good showing, hence with the experience of playing against strong teams and two more weeks of practice before the first conference game, they should be in good form.

Details of the game

Carleton won the toss and kicked to River Falls. Captain Moline, left end, received the ball on the 20 yard line and returned it to the 40 yard line. River Falls tried an off tackle play but made no gain. On a punt formation play, Follansbee passed the ball over Ziebell's head. Ziebell fell on it on the 10 yard line. Ziebell kicked to River Falls' 40 yard line. Carleton took the ball across the goal on off-tackle plays, Carleton kicked goal.

Carleton kicked to River Falls. River Falls failed to gain on two downs. On punt formation Follansbee again passed the ball over Ziebell's head. On fourth down Ziebell punted to 50 yard line. Carleton made two first downs. Sims, Carleton left end, booted a beautiful drop-kick from an angle on the 30 yard line. End of the first quarter, 10-0.

Second Quarter

River Falls received. Carleton kicked the ball over the goal line. River Falls punted. Carleton failed on several attempts at forward pass

A MISUNDERSTANDING

We have heard a number of criticisms on our editorial of last week on the grounds that we made the high school itself responsible for the acts of some of its individual members. Nothing was further from our thoughts than such an implication. The individuals referred to were designated as "high school students" merely to identify them, and even this designation was meant to include Normal high school students who have paid no social fee, and who are not eligible to attend the parties mentioned.

The writer himself is an R. F. H. S. graduate, and there is nothing he would rather see than a complete spirit of co-operation between the two schools of the city.

This is not intended as an apology for the stand taken last week, but merely as an effort to straighten out a misunderstanding of the content of the article. It has been a school regulation for many years that the school parties, including the Junior Prom, should be restricted to students and alumni of the school, except by special permission of the deans. If the city high school chooses to regulate its dances otherwise, that is an entirely different matter. We feel sure that any thinking high school student will be able to see our point of view and retain no hard feelings toward the school.

BE CAREFUL

A great deal has been said since the opening of school on the advantages to be gained by students in joining some of the various school organizations, all of which is very true. However, in organizing new societies, or in encouraging old ones,

we must remember that in order to really serve the school and to keep alive its traditions, an organization must be founded upon, and its spirit in accord with these traditions. One of the most important things for such a society to remember is that one of the strongest of River Falls ideals is democracy. Any self-selected group of students, whose membership is limited and non-representative, who set themselves up as an embodiment of River Falls spirit, and as the leaders in stimulating it, are almost sure to defeat their avowed purpose, if they do not die a natural death. Neither the students nor the faculty desire such organizations, and without such support, they cannot hope to serve the school.

Let's be careful, in organizing or joining societies, that they are founded on principles which will make it possible for them to advance the interests of the school in the best manner possible.

ORCHESTRA MAKES DEBUT AT ASSEMBLY

(Continued from page 1)
game. President Ames followed with an impromptu talk on enthusiasm, and why we believe in it. The chairman then called for speeches from members of the football team. Mike Smith, Ernie Ziebell, Quandt, Hanson, Heffron, and Matt Nelson got up enough courage to face the battery and deliver a few learned and weighty messages. Probably it would be a good thing to make a course in public speaking compulsory for athletes in school, although it might not do any good. This was the first mass-meeting for the season, and as such it was a success, although there is lots of room for improvement.

GRADUATE SENIORS ELECT OFFICERS

President—Mark Saxton
Vice President—Ray Hoffman
Secretary—Edith Nelson
Treasurer—Blake Phillips.
Social Committee—Romola Cheney, chairman; Lincoln Halverson, Glen Hutchinson.

JUNIORS ELECT

The Juniors met last week and elected the following officers to lead them during the first semester:

President—Donald McKinnon
Vice-President—Helen Sutherland
Secretary—Viola Bailey
Treasurer—Fred Wandrey
Social Committee—Earl Brakken, Donna Brown, Theodore Kexel.

A fine squad of runners is now training for the big cross-country run to be held on Home-Coming Day. However, more men are still needed, especially Juniors. This is going to be an inter-class affair, and the Juniors are going to find themselves severely handicapped if they can't enlarge their team. Come on, Juniors, any man who has ever done any running at all can get into shape for this race in the three weeks left. See Mr. Eggebrecht about it right away.

The course has already been selected. The runners will start four miles southeast of town and follow the roads to the finish in front of South Hall. The first five places will count for points—5 to first, 4 to second, etc. Each class may have an unlimited number of men on the team, but should have at least six.

Come on, fellows, show your class spirit and get into the game.

Y. M. C. A.

Mr. Chester Hartlett, who spoke in assembly yesterday morning, also was the chief feature of the Y. M. meeting last night. His talk was a revelation to most of us, opening up a elation to most of us, opening up a vista of new aspects which we had seen only hazily, if at all, before. We are always glad to have "Chet" with us. His experience and his willingness to offer concrete help in local problems are a wonderful assistance to the school Y. M.

Mr. Hartlett met with the Y. M. cabinet officers Monday night, and gave some helpful suggestions as to the work of the year. He also told us about a conference to be held at Indianapolis this winter, to which we should send delegates. To do this, however, will require money, and it was decided to start the Y. M. financial drive next week, on a plan which will be further explained in next week's issue.

"ALPHA OMEGA" SPEAKS

We, as an organization, are primarily interested in boosting River Falls Normal. We believe every last student, boy and girl, should be plugging, soul and body, for their school. It is an established fact that a school cannot truly be a school without spirit—spirit in a surging, passionate manner—not merely passive enthusiasm. Even if you think you have gone to a better school, or know of a better one; you are now at the Falls, and for that reason, if none other, you should strive with every atom of strength you possess to make it a real school, one that you feel proud of and will long to come back to, and one that you can sincerely urge your friends to attend.

When you are at a mass meeting don't let timidity or lack of interest be a check to your cheering. Think of the school and all it is doing for you. It is forming some of the most binding friendships of your life, and, if you could only see it, it is offering you more real fun than you can ever again hope for. It is "possessing eyes and seeing not" that makes things appear dark and uninteresting. When we attend these mass meetings and pep fests let's cut loose and show some real spirit. When you cheer pour your whole soul into it, experience a genuine thrill and see how good you feel afterwards. Get behind the teams and activities representing your school and make them feel that you are one with them in victory or defeat. But, most important of all, sear into your very character a reverence and love for River Falls Normal.

This is our ambition and we ask you to make it yours.

—The Alpha Omega Club.

Wallace Cole

Wallace Cole is one of the most valuable of this year's players. Cole is a heavy man and plays a great game at tackle. "Wallie" took a part in all of last year's games.

WEIGHT HANDICAP

TOO GREAT

(Continued from page 1)

es. Three plays from regular formation results in two 15 yard gains. End run from punt formation brought ball near the goal line. A delayed play to the left results in a touchdown. Carleton misses goal. At this time Hansen is out from injuries. Moline is shifted to tackle Radde-macher goes in as left end. During the rest of the period the game saw-sawed back and forth, River Falls played its best game. Matt Nelson was injured, and Maier took his place at half back. Score first half, 16-0.

Third Quarter

River Falls kicked to Carleton. Carleton stopped on their 35 yard line. Moline and Hansen were injured at this time, Reilley relieved Hansen at tackle. Carleton tried several long passes from the 50 yard line but failed. They punted on the fourth down. River Falls was forced to punt on the next down. Carleton completed a long forward pass to the two yard line and made a touch down on the next attempt. River Falls kicks and downs Carleton on their 35 yard line. Carleton uses shift formation plays. On a series of off-tackle plays and end runs Carleton makes another touchdown.

Fourth Quarter

River Falls kicked to Carleton. Carleton held on their 30 yard line. They made first down once, but they were forced to punt on the second try. River Falls downed on their 25 yard line. River Falls punted to Carleton's 40 yard line. Carleton was penalized 15 yards for blocking from the rear. After a series of incomplete passes, Carleton punted across

goal line. A beautiful pass from Ziebell to Raddemacher was missed by Raddemacher by inches and caught by a Carleton half-back, who ran for a touchdown.

River Falls kicks to Carleton. Carleton again attempts forward passes. Feske takes Reilley's place. Hagen relieves Ingli at right end. Carleton completes a long forward pass which puts them in a position to secure another touchdown. Score, 42 to 0.

Carleton kicks to River Falls. River Falls is downed on 20 yard line. A pass from Ziebell to Raddemacher gains 12 yards. Carleton completed two out of nine passes. River Falls completed two out of three passes.

Average punt, 35 yards.

Fort Snelling infantry team will play here Friday, Nov. 2. This will fill the schedule to a game every week, five of which will be played on the local gridiron.

BURSTEDT & BENSON

Your Satisfaction Our Success

WE WANT SOME PEP!

We have a bunch of fellows who go out to Ramer Field every night, at four o'clock and stay until six or later. They don't go out there for fun either; they go out and get bumped around, kicked about, and bruised and knocked black and blue for their school. Football is no joke; it takes time and hard work and an enormous amount of both.

Oh yes, we also have a big group of students, who don't play football; they go out to watch the game that the fellows work so hard to win. Oh yes, they are good scouts, full of pep, enthusiasm, school spirit, and cheers—as long as our team is winning.

The team needs and wants backing all the time. They haven't been getting it; they know it, and so do you!

We have a mighty good cheer leader; if your pep is real pep, your school spirit the best school spirit, your enthusiasm downright enthusiasm, and your cheers the kind that come from way down in your toes, you can not sit at the game and let the other fellow back the team. You'll get down and yell; if the team is winning you will let them know that you see it and appreciate it; if the team is losing, you will get your fighting spirit up, you will tear the air with your cheers and put the fight that wins into the fellows. That is what the team needs; real backing and support from the side-lines. What is more that is what every student, who is a "good sport," a "real fellow" and a genuine backer will do.

That is what every real River Falls Normal school student can't help doing.

Let us get behind our team and show them that we can give them some real support. Everyone be out at the next game determined to yell until your throat prevents you. Follow the cheer leader!

EXCHANGES

Stout—

Seven dollars a year (\$3.50 a semester) is the price at Stout for their social activities fee, which includes the lyceum course. The Stout Student Association, which is similar to our Athletic Association, has just been organized. The purchasing of these tickets is voluntary on the part of the students.

If \$3.50 a semester is paid at Stout, couldn't our compulsory fee be raised to \$3.00? Then the Athletic Association would be relieved of part of their worry, and the students would receive a larger Student Voice.

The enrollment at Stout is 508. The Stout band has an enrollment of 30.

Superior—

S. N. S. gave \$48.37 to the Superior Red Cross fund for Japanese Relief.

Milwaukee—

Three hundred students less at M. N. S., is the result of the withdrawal of the college course. The elimination of this course was required of all the Wisconsin normals.

Whitewater—

Two of the ex-editors of the "Royal Purple" are writing up their trips as they are touring the world. The W. S. N. paper, as well as various Wisconsin newspapers, will publish the observations.

Oshkosh—

President Brown of Oshkosh Normal was awarded the degree of Master of Arts in Education at U. of Colorado this summer.

La Crosse—

La Crosse Normal School is now a

member of the Western Intercollegiate Conference in response to an invitation given them last year as the "most representative school in Wisconsin." She has almost completely withdrawn from the Normal School Conference in search of "real competition", as the Racquet implies. We handed them by the River Falls football team in the past, if not competition.

The Third Year Class met Thursday afternoon in Miss Weberg's rooms to vote for their officers. The following people were elected:

President—Ida Blegen
Vice President—Lucile Olson
Secretary—Verna Glous
Treasurer—Theodore Goble
Social Committee—Louise Blegen, Erma Johnson, and Harriet Beebe.

"Keep that school girl complexion," said the young man, "off my sleeve."

THE SUPREME PICTURE OF ALL TIME

"Robin Hood"

WITH

Douglas Fairbanks

The Storehouse of History Ransacked!

The age of Romance, Chivalry, Adventure, transplanted from Twelfth century dust and nourished in the genius of a great artist till it blossoms forth into a gorgeous spectacle of Twentieth Century realism! A tenderly beautiful love story in the midst of marching crusades, the clash of broadswords, the hum of singing arrows. Robin Hood and his band, Maid Marian and her peril, Sherwood Forest and its greenwood, with the Sheriff of famed Nottingham Town.

AT THE NORMAL AUDITORIUM

FRIDAY AND SATURDAY, OCTOBER 12 AND 13

THIS WEEK

8:00 P. M.

Admission, Adults, 50c; Children, 35c

YOU WILL AGREE!

BE SURE AND SEE THIS!

Some of the former students who turned out to support their alma mater at Carleton last Saturday were "Gin" Hooser, '23, New Richmond; Helen Vangen, Annie Vangen, Gordon McConnell, '22; "Ed." Casey, Nellie Roese, Fran Gartland, Jo Anderson.

Doris Condie, '23, of New Richmond visited friends in River Falls last Saturday.

Jean Scott has been annoyed by the impression that "Fatty" Hanson is her brother.

The Pomeroy tonsorial parlors conducted by the Misses Quinn and Gabriel, had a very thriving business this week-end, if we can judge by appearances.

"Peg" Brown, '22, who teaches at Sommerset, spent the week-end at her home in River Falls.

Floyd Slauson says she loves the moon (Moen) and "nothing else but."

Ursula Gauvin, Viola Bailey, Annarose Schmidt, Arthur Behnke, Carroll Brown, and Carleton Ames motored to St. Paul Friday for dinner and a show.

Some of the inhabitants of Northfield wanted to know what high school a group of R. F. N. students attending the game represented.

"Those Poor Missionaries" is the topic for discussion at Christian Endeavor next Sunday at the Congregational church at 7 o'clock. You are invited.

A joint Hallowe'en party will be put on by the Epworth League of the Methodist church and the Christian Endeavor of the Congregational church. More about it later.

An initiation of the two entering classes of the Senior Department of the Congregational Sunday school will be given by the present members of the department (composed of Normal and H. S. students) tonight (Wednesday) at 7:30 in the church basement. Initiation stunts, games, eats.

Myrtle Score spent the week-end at her home in Menomonie Junction.

It looks as though "Pungy" Miles has re-entered school.

Twenty-seven girls were voted into G. O. P. last Thursday. It was decided not to have the annual G. O. P. luncheon at home-coming time.

NEW BOOKS

If some one of you wants to read a really good book, one which will help you in making a philosophy of life or straightening out the one you already have, get Corby's "What Men Live By," from the library. It is a simply written but fascinating book, and it treats of some of the fundamental things in life—work, play, love, and worships. We are brought up in a whirl of routine activities which leave us little time to find out what we really think about, the really important things. "What Men Live By" may help someone to straighten out his life. In any case it will make the reader think.

If you have't read Frederick O'Brien's "White Shadows in the South Sea," and you want a gripping story of the islands of the Southern Pacific, get that book also from the library. The haunting songs of the dying Polynesian race, the legends and traditions of a unknown white people, their customs, manners—these are all in "White Shadows." Travel, Adventure, and romance.

CIVIC CLUB

Because of their fundamental differences from men, women have made a peculiar contribution to civilization. Woman's part in civilization was the topic of the first meeting of the Civic Club. An animated discussion ensued on the statement that women, more than men, marry for economic security in preference to love.

The program also included musical selections by Ruth Kuske, Mary Dittes, and Miss Lemmer, and reading by Romola Cheney.

Ben Conger, '21, spent the week-end here visiting Ellen Hanson.

Frances Sharar lightened the weight of her purse in St. Paul last week-end.

ROBIN HOOD COMING

Robin Hood is coming. The Senior class is bringing to us a really good show, one of the very best that can be obtained. It is our opportunity to get in touch with something that is above the ordinary, that is educational, uplifting, and at the same time very entertaining. Everyone can afford to spend his time and money for this. Be there at the Normal auditorium Friday and Saturday evening, October 12 and 13.

HOMECOMING

A meeting of the Athletic Council and the heads of all the student organizations was held on last Wednesday evening and committees were organized to begin the work of preparation for Homecoming, Saturday, October 27. The plans have been made, and the first steps have been taken towards making this an eventful day. Plans, no doubt, will be similar to those of last year which was much of a success in every way, except the losing of the football game. This year Platteville Normal will play here.

Mention will be made of definite plans in subsequent issues of the Student Voice.

AG. NEWS

The first meeting of the Agrifal-
lian club was held Thursday evening,
Oct. 4, in North Hall. About forty
men were present, but the most con-
spicuous part of the meeting was the
large absence of new ag. men.

A very interesting program was
prepared by the committee. The fol-
lowing numbers were enjoyed: Trom-
bone solo, by Prof. Anderson, "The
Future Prospect of the Trained Agri-
culture Teacher," Mr. May, initiation
of new members, and a talk by Mr.
Johnson. The election of officers
took place and the following were
elected for the first semester:

- Harry Roesé, President.
- Wm. Moore, Vice President.
- Malcolm Madison, Secretary.
- Wm. Wickelman, Treasurer.

By this time every one had let his
appetite go so far that something had
to be done, so all assembled in Mr.
Prucha's "Ag. Parlor," where sand-
wiches and coffee had been prepared
by the "advance crew." Here every-
body did justice or injustice to every-
thing put before him. Knoll having
fasted for three days, probably won
the prize for the most sandwiches,
while others were not far behind.

As was mentioned before we only
regret that more of the new men
were not present. You who stay
away from these meetings are the
big loses, so let's try and have a 100%
attendance at the next meeting.

A. L. Liebenberg, '23, is planning
for a community fair at Princeton,
where he is teaching this year. He
plans to have his agricultural stu-
dents give demonstrations along the
ag. line which will be of interest and
benefit to the older folks.

M. R. Goodell, '16 ag. graduate,
was recently elected county superin-
tendent of schools of St. Croix coun-
ty.

At a meeting of the River Falls
Poultry Association, it was decided

to hold a poultry show at the Normal
the first week in December. Many
men in the ag. department assist in
the managing of this show. This
gives those who take part some valu-
able experience which they can use
when they get into schools of their
own. So be ready, men, to do your
part in making the coming show the
best ever put on.

HIGH SCHOOL FOOT-
BALL GOING STRONG

We are glad to note the excellent
showing being made by the River
Falls High School football team.
Since the opening of their season,
they have defeated the strong teams
of both Red Wing and South St. Paul,
and although outweighed by a large
margin, they fought gallantly and
held the heavy Stillwater team to a
7-0 score. We wish them all success
in the rest of their season.

Date one of the fair sex up for
Robin Hood... They want to see it
and so do you.
