LIVE STOCK SHOW PLANS

One of the biggest stock exhibiting contests ever held in this section of the state, will be held at the Normal school from June 16 to 17.

It has been the plan of the agricultural instructors, with the aid of the Normal school, to hold an annual Stock Show, and this year will likely prove to be the biggest of any of the years it has been held so far. There are all ready 273 animals listed for entry into this show. There are 63 contributors. The farmers of Pierce and St. Croix counties seem to feel that the Normal Stock Show is beginning to rank along in importance with the county and state fairs, and are very anxious to bring in their animals and help boost the work of the Normal school.

Farmers Assist on Sheds

The plan of building permanent sheds on the old athletic field for the housing of the animals during the show causes a campaign to be held throughout the counties, and a number of farmers, as well as the Normal Farm, are contributing a bull to be sold June 17. The entire funds derived from this sale will go toward paying the expense incident to the erection of the sheds.

BIG BANQUET

There will be a banquet June 17 for all the farmers and contributors, who are interested in the Stock Show. Invitations have been sent out to a number of the large breeders in Minnesota and Wisconsin, and to editors of farm papers. We expect to be able to gather some very good news, and pointers from these men, and we are sure we shall all find it worth our while to hear these men, who will be present at the banquet.

EMINENT MEN HERE TO

SPEAK DURING COMMENCEMENT WEEK

Dr. Magill of Washington, D. C., field secretary of the National Educational Association, who is the Commencement speaker, is one of the leading educational men of America. He has won a reputation, not only as an educator, but as a lecturer and orator. The school is, indeed, very fortunate in securing him for the commencement address.

Rev. Parr of the First Congregational church of Eau Claire, who will give the baccalaureate address, is also recommended to us by all who have heard him.

With this issue of the Student Voice, the work of most of the members of the staff has been completed. The last assignment for the majority has been covered and we are content to resign in favor of the staff for the coming year.

This year's staff has worked hard to make the paper one of interest and value to the readers. We have tried to give you at all times something worth while. How well we have succeeded we do not really know, we are content to let you be the judge of that. Still we hardly think that all of you appreciate the amount of time and work required to get an article ready for publication.

The success that we have made of this little school paper has depended, in a large measure, upon the hearty support and co-operation that has been given us by the entire student body, and we wish to thank you in-

dividually, and collectively for what you have done. We also wish to express our appreciation to Mr. Hanna for the work and advice as our faculty advisor, nor do we minimize the help that has been given us by the other members of the faculty.

Several members of next year's staff have already been appointed. Mr. Thomson, editor; Mr. Thorpe, athletic editor; Mr. Bartholomew, business manager, and Miss Adams, reporter. To them and whoever may be selected to help them, we offer our best wishes for continued success, and hope that they may enjoy the same hearty support and co-operation that it has been our privilege to enjoy.

To the seniors, who are graduating, may we suggest that you do not fail to continue your affiliation with the school through this paper. Continue to support the Student Voice, as you have supported it in the past, and by so doing support your alma mater.

The Student Voice wishes to express its thanks and appreciation to all of the advertisers who so consistently supported the paper with advertising throughout the past year.

EXTEMPORANEOUS

SPEAKING CONTEST

The Lincolnian Literary society and the Civic Club entered into an extemporaneous speaking contest at assembly last Thursday. Three members of each organization made a four-minute speech. The speakers were given fifteen minutes to prepare their speeches on any one of five subjects which had been selected by a faculty committee.

The Civic Club was awarded the decision by the judges, who were faculty members. Mr. Chapman was given first place and Miss Parnel Larson second place.

This contest was a success and similar contests should be staged often during the year.

GIRLS' BASE BALL

The finals in girls' baseball were played last Wednesday and Thursday between the Normal and high school teams. A third game was unnecessary as the Normal team won both games; the score being 39-5 in the first and 9-8 in the second. The under classmen handed up a surprise after their first stinging defeat by coming back strong in the second game. Both teams showed excellent catching.

GIRLS' TENNIS TOURNA- MENT RE-FINALS

The weatherman condescended to favor the lady net artists to the extent that their tournament is drawing to a close with Esther Smith, Helen McNally, Helen Sutherland and Honor McNally in the semi-finals. Helen McNally defeated Esther Smith Tuesday evening, and the former contended with Helen Sutherland Wednesday evening. The finals will be played on Thursday or Friday, the weather permitting.

G. A. A. HAS WEEK-END CAMP

Twenty-four blistered but happy G. A. A. members returned from their week-end camping trip on the St. Croix.

Volley ball, baseball, boating, swimming and K. P. duty occupied most of their time.

It is probable that seven senior girls will be the first to receive the regulation G. A. A. sweaters awarded

by the organization to girls in the senior year, who have won 250 points in various forms of athletics. The list of those receiving sweaters will appear at a later date.

Constance Johnson is the only girl in the third year class to win the gold "R" pin awarded by the G. A. A. to members of that class winning 350 points. The winning of this pin will give her 100 points toward her Normal school award of a sweater.

Mrs. Younggren entertained Miss Bridges' Bible Study class at her farm home last Tuesday.

Miss Mosher, Miss Haddow, Miss Weberg and Miss Mosher's library methods class journeyed to Hudson Tuesday in the Normal truck to visit

the libraries of that city. Miss Mosher entertained the group at a picnic supper in Prospect park. It was a very eventful trip in more ways than one, in which only those who went can appreciate.

MISS McMILLAN ENTER- TAINS CALCULUS CLASS

Last Tuesday evening Miss McMillan entertained her calculus class at a sumptuous six-o'clock dinner in the dining rooms of the home economics department.

A menu consisting of chicken and mashed potatoes, salads, asparagus in cream, plum ice, rolls with butter, olives and radishes, strawberry shortcake, coffee and bon-bons, was served by girls of the cookery classes. The tables were prettily decorated with pink carnations and candles.

After the dinner the guests, escorted by their hostess, repaired to the Wadsworth home where the evening was spent in a highly enjoyable sociable hour. Pleasing piano selections were rendered by Miss Hull and Mr. Segerstrom, following which came a series of trick games that proved a fertile source of amusement.

THE SOCIAL COMMITTEE WORK

The social committee of the school has done much to improve the social activities of the school. This committee was organized at the beginning of the school year and has had charge of the various social functions during the year. This organization will be carried over to function next year in a similar capacity. Officers for the first semester of next year have been elected. Claire Morgan will be chairman, and Alfred Kiefer will be secretary and treasurer.

Y. M. AND Y. W. PICNIC

The Y. M. C. A. and Y. W. C. A. enjoyed a picnic at Big Spring on Wednesday afternoon. About a dozen cars were loaded with enthusiastic Normalites who composed the party. Among other things that took place at the picnic was an exciting indoor baseball game. Finally there was an excellent feed for all. This was prepared on a natural stove by Prof. "Jake" and his crew of assistants. The event was a decided success.

N. C. A.

A large number of the N. C. A. met at the lawn in front of North Hall and from there left together for the Park Lodge.

A number of the Catholic ladies, Mrs. Prucha, Collins, Junkman, and others, furnished most of our picnic. After lunch they played games. About 7:15 they left for home, after a very enjoyable time.

Mr. and Mrs. Edwin Burnham and family of St. Croix Falls visited W. B. Davison and family Memorial Day.

Mr. W. B. Davison went to Athens Monday, where he delivered the Memorial Day address.
