APPARENTLY THE CAST of "Teahouse of the August Moon" has adopted the Japanese custom of permitting women to do the heavy work. Al Phillips watches leisurely as Lynn Radkey measures bamboo for the set.—PHOTO BY DOETKOTT.

An August Moon Ready to Shine Over College Campus Feb. 25, 26, 27

An August moon in February will hang low over the River Falls campus Feb. 25, 26 and 27 when the Masquers under the direction of Dr. Blanche Davis present THE TEAHOUSE OF THE AUGUST MOON.

The play, written by John Patrick, was a successful hit in New York in 1953. Since then it has been made into a movie. It has also proved to be a very popular play for college and other amateur adaptations.

The action takes place on Okinawa and concerns the World War II occupation's program for the recovery of a native village, Tobiki. What happens is something that shouldn't happen to even the Army. The results are slightly humorous!

Henri Elzina, playing the part of Sakini, interpreter by profession, Okinawan by whim of Gods, heads a large cast.

Col. Wainwright Purdy III (Purdy Paper Box Co. of Patawatamie) is played by Richard Doetkott. The Col. is the commander of Okinawa.

Capt. Fisby (these things are always happening to me) is portrayed by Jim Laue. To Capt. Fisby falls the often frustrating task of overseeing Tobiki's recovery.

Don Negard is Sgt. (your weaving, Sir) Gregovich and to him falls the difficult task of keeping the Col. happy.

Capt. (I'll want plenty of manure) McLean is played by Jack Woodbury. Capt. McLean is an Army psychologist, who is sent to Tobiki to do, "some, some, ethno Tobiki to do some ethnological studies of the natives.

Taloea Starr is cast in the role of Lotus (she first class Geisha girl) Blossom and becomes Fisby's souvenir.

Bev Ramacier is Miss Higga (she make classy president) Jigga who discovers discrimination at Tobiki village.

Mr. (he champion wrestler) Ho-Hokaida is played by Jim Carew. Bill Clark plays Mr. (my youth has deserted me) Oshira.

Ramona Robelia portrays the Old Woman and Ora Fast, her daughter.

Mr. Seiko (he want to haul Lotus Blossom's sweet potatoes) is played by Min Sen Cho.

Mr. Omura, mayor of village is portrayed by Frank Holub.

George Beastman plays Mr. Keora, and Bernie Brohaugh is cast as Mr. Sumata.

The Ancient Man is played by Al Phillips, Patricia Wiff and Sue Christenson are members of the Ladies League for Democratic Action.

Rounding out the cast is Lady (she unmarried goat) Astor, name at present unknown.

All performances of TEAHOUSE are slated for the Little Theatre.

Dean Reports On First Year

by Mark Wyman

The trials and tribulations of her first year as Dean of Women are recounted in the February issue of the Wisconsin Journal of Education by Dr. Nancy Knaak, Associate Dean of Students at RFSC. The issue also featured a cover picture of President E. H. Kleinpell and Registrar E. J. Prucha discussing enrollment with a student.

In her article, Dr. Knaak stresses the fact that although she had at first felt that "The University which trained me for this frenzied future had given me a firm foundation", she soon found that it "had not provided the formulas I sought in problems of budget, blueprints, . . . bedrooms" and such.

Some of the problems encountered during her first year at RFSC were: women's housing (Hathorn Hall's third floor was not completed until Christmas), individual discipline, plans for the Student Union, and student psychiatric and vocational help. And what with baking cookies for a student auction, judging beards during the Winter Carnival, defending "the high mortality rate in dormitory ironing board covers" and such.

Ag Prof to Instruct Area H. S. Ag Teachers

Thorwald E. Thoreson will instruct a group of area high school agriculture teachers Saturday, Feb. 22, on a practical teaching aid in Electricity. The meeting will be held in the Industrial Arts Building.

Marvin D. Nobben, Farm Service Director at Northern States Power Company, will demonstrate the newly designed Electrical Panel and the self-teaching manual. The Panel is designed to make graphic impressions on high school students learning electricity.

The Panel was first used by Pennsylvania. Later, the University of Minnesota tested and accepted it as a teaching aid.

The manual by Mr. Thoreson and others is to be a guide to the demonstration.

A maximum of fifteen teachers will attend the instructions.

River Falls Debate Team Places Fifth in Eau Claire Speech Tournament

The River Falls debate team of David Madis and Lewis Schoenwetter won fifth place in the 14th annual Eau Claire Speech Meet Friday and Saturday.

Coach Walter Simonson states that he was very pleased with the ratings of River Falls in the tournament of 37 schools.

Schoenwetter and Madis won five and lost none to rate fifth place among 120 teams in debate. They defeated teams from Hamline University, Bethel College, University of Minnesota at Duluth, Carroll College, and St. John's University. The Madis-Schoenwetter team has 17 wins against four losses in four tournaments this season.

Jerry Anderson won a superior rating in the extemporaneous speaking contest. Mr. Anderson also competed in oratory and

FFA MAKES PLANS FOR BANQUET

More than 100 FFA members will meet Thursday, Feb. 20 at the Lutheran Church for their annual Banquet.

Kenneth Wallin, manager of Badger Breeders Cooperative at Shawano, will be the principle speaker. Dick Vilstrup, fieldman for Central Livestock Association, has been asked to deliver the alumni address. Both men are graduates of River Falls.

Richard Waak, senior from Eau Claire, will serve as toastmaster. The college quartet will entertain the group with several numbers.

Noted Composer, Pianist To Headline Festival

by Bill Dobson

Percy Grainger, Australian-American composer and pianist, will headline the program for the Fine Arts Festival at the college the week of Feb. 23 through March 2.

The festival will seek to signify the interrelationship of the fine arts, to emphasize the cultural riches of our region, and to bring to students and friends of the college a number of outstanding performers and exhibits.

A concert by the men's chorus and the college orchestra will open the Fine Arts Festival at 2 p.m. Sunday. Sunday's activities will also include a piano recital by Mary Laura Johnson at 8 p.m. in the Little Theatre.

At 3 p.m. on Monday the college choir under the direction of Chauncey B. King will present a concert featuring a number of solos by college music students. Monday night "Oedipus Rex" a Canadian film will be shown at the Falls Theatre.

The movie "Julius Caesar" starring Charlton Heston will be shown at 2 p.m. on Tuesday in the Little Theatre. The Masquers will give the first performance of "Teahouse of the August Moon" at 8 p.m.

"Valpone", a French film will begin Wednesday's activities. It will be shown at 3 p.m. in the Little Theatre. A second presentation of "Teahouse of the August Moon" will be given at 8 p.m.

The Madrigal Singers under the direction of Miss Johnson will give a concert at 3 p.m. on Thursday. At 8 p.m. there will be a third presentation of "Teahouse of the August Moon".

Mr. Grainger, guest performer, will make his first appearance of the festival Friday at 3 p.m. He will give a lecture entitled "Melody vs. Harmony" in the Little Theatre.

High school band directors will be special guests at a concert of the college concert band under the direction of Mr. Grainger, Saturday at 1 p.m.

A concert by the college band Sunday afternoon under the direction of Mr. Grainger and a reception in Mr. Grainger's honor will bring the festival to a close.

In addition to the performances during the festival there will be a number of continuous exhibits. Paintings from the Walker Art Museum in Minneapolis and prints from the University of Iowa will be displayed. Exhibits of prints from the Wisconsin State College Collection and paintings and sculpture by state college students will also be shown.

Freshman Planning Night of Recreation

The Freshman Flip will be held tomorrow evening, Feb. 18, in North Hall.

Beginning at 7 p.m., a movie will be shown in the auditorium. It will be either "A Tale of Two Cities" or "Huckleberry Finn."

Following the movie there will be a sock hop in the gym lasting until 11 p.m.

Games will be played along with the dancing throughout the evening. Prizes will be awarded to the winners in Bingo, and some surprises are also in store for the evening.

Free refreshments will be served during the evening.

Only freshman will be admitted to this free social event. It is being sponsored by the freshman social committee.

FOR WOMEN ONLY! Valentine Formal Tickets On Sale in Cafeteria

Tickets for "Let Me Call You Sweetheart", the annual Valentine Formal, Feb. 21, are on sale in the cafeteria this week.

Phyllis Anderson, co-chairwoman for the event, urges women students to get out and invite the man of her choice to dance to the music of the Falconaires from 9 p.m. to 1 a.m. Friday evening.

This is the time of the year for the gals to repay the fellows

for their services by footing the bill, with the exception of transportation and flowers.

The dance to be held in Hathorn Hall Lounge, will be decorated in the traditional red and white. The reigning King and Queen for the evening will be picked at random from the ticket stub holders.

AWS members will be selling tickets for \$1.25 in the cafeteria.

The Editor Speaks . . .

If activity is the sign of a growing, alert college, River Falls must rank high on the list. So far this year, the calendar has been filled with both educational and recreational activities. Many of these have been traditional with the college, but many others are comparative newcomers.

The activities and events have great variety, and should give everyone on campus an opportunity to participate and contribute to them.

Some of the old traditionals — Homecoming, Winter Carnival, Foundation Week, sports events, musical programs and annual dances — have been considered adequate in the past.

But in the last two years the college has widened its scope of activity to include a Science Fair for high school students, the 1957 Conference on Conformity, the Conference on Grass Roots Politics, and the Fine Arts Festival. The Social Science department's conferences received state-wide recognition. The Fine Arts Festival is still to be held but promises much in the way of opportunities for students.

Students (and perhaps others) are discovering that education needn't come entirely from textbooks; meeting leaders is also a great educational opportunity.

Since the kind of programs offered are so varied, no student need be left out. None need sit at home aloof from school activities. The opportunities are here on campus. One just has to know what to do with them.

If a calendar of events has any meaning, students this year have perhaps more opportunity than any other student body ever on the River Falls campus to foster their educational growth and, in turn, to keep expanding the outreach of the college.

Krug Wins Carnival Chess Tourney

The Winter Carnival Chess Tournament sponsored by the Chess Club, began with Mr. Muto stating the first commandment of tournament play. "Thou shalt not blow smoke in they opponents eyes."

Eighteen players entered, each one intent on winning the coveted trophy for first place. Douglas Krug emerged as the only unbeaten player and new champion. Mr. Krug bested Robert DeGregory in a two and three-quarters hour struggle to clinch the championship. This resulted in a four

way tie for second place, eventually won by George Banta, a gain by virtue of defeating Mr. DeGregory.

In winning the championship, Mr. Krug played deliberate, methodical chess, gaining a versatile attack from a Queen Pawn opening.

Tentative plans for the Chess Club include a trip to St. Paul to play the St. Paul Chess Club and an exhibition with either Mr. Krug or Mr. Muto meeting all comers in a round of simultaneous play.

"THAT'S A RIDICULOUS RUMOR, DEAN I RUN HERE A VERY DEMOCRATIC CLASSROOM."

Knowledge for College

by R. E. Manchester, Dean of Men, Kent State University, Kent, O.

THE ALMIGHTY DOLLAR

Yes, we do work to get the dollars. We need them for food, clothing, shelter, utilities and entertainment but we need them also for the Red Cross, the March of Dimes, the Freedom Train, the Heart Foundation, the Cancer Clinic, the recovery of Europe, the aid to the hungry, the education of the ignorant and a thousand other things connected with the desire we have to promote the welfare of the race.

Yes, we do work for the dollars and there is competition and rivalry but when we get them we use them for hundreds of projects designed to ease suffering, promote better social relationships and to relieve and protect the oppressed. No group of people on this planet are so active in unselfish effort to elevate the living standards of all regardless of race, religion or color.

We do not worship the dollar for itself. We worship the idealism that the dollar supports. We do believe in free enterprise and free competition and we do scram-

ble to earn as much as we can but having earned and received the dollars we immediately throw them back into the pool through purchases and gifts. It is ridiculous to say that because we engage in free enterprise that we lose our moral and spiritual appreciations. opportunities to bring to fulfillment our moral and spiritual objectives.

We are sentimental. We do build schools, churches, play grounds, parks and hospitals. We do invent, produce and trade but we dream always of better living for more people.

The next time a critic says "Materialistic", reply by saying, "Look at the record".

ENROLLMENT DOUBLES IN STATE COLLEGES IN LAST SIX YEARS

The most astonishing fact in Wisconsin higher education is the rapid growth of the state colleges. Since 1952 the enrollment on the campuses has doubled.

At a meeting of the college Regents, February 18, the presidents reported a total of more than 11,600 students in the 10 colleges for the new semester. Just six years ago the total was 5,750.

"The equivalent of another 10-college system has been added in student population," says college director, Eugene R. McPhee. "Problems of space and teachers have almost doubled too."

The college Regents are adding 21 million dollars worth of buildings in the most ambitious construction program in the colleges' history. Teachers at the schools in 1952 numbered 560; today there are 800, and more will be added next fall.

Saturday classes have been scheduled at many of the institutions. Class sizes are larger and teachers have more themes to read, papers (Con't. on Page 4)

Student Senate Minutes

The Feb. 10 meeting of the Student Senate was called to order by President, Louie Johnson.

The treasurer reported a balance of \$270.89 in the treasury.

Louie Schoenwetter has been appointed as Senate Representative on a combined Public Relations and Alumni Foundation Committee for "Go to College Day".

As the first order of business, a discussion of the past elections made it apparent that there is a need for flexible policy regulating campaigning or posters which are used at/near the polls. The subject will be discussed at future meetings and will cover such aspects as: time limitations, distance from the ballot box, the fact that the name of the supporting organizations should appear on campaign material used, the use of pictures (which would include using college photographic facilities).

The Senate has received complaints from students on the public address system used in North Hall Gym. The possibility of having one person in charge of the public address system was discussed and will be decided upon at another meeting.

The meeting was adjourned. Absent: Stern

Coach Ben Bergsrud's River Falls State College wrestling team got its first taste of action last Thursday night as they lost a 32-0 decision to Stout at Menominee.

River Falls boasted only one grappler with any previous experience but still looked fairly impressive considering the fact that Stout has had three meets this season.

Only two RF grapplers gained any individual points as all but one match ended in a pin. Ed Schlumpf was trailing by only 6-4 when his opponent, Jack O'Brien applied the pin at 8:43. Bob Nelson picked the only other individual points, he was behind 8-2 when Berndt of Stout won on a fall at 8:38. A full match consists of a trio of three-minute quarters.

Cecil Brighton was the only Falcon to last the entire nine minutes but he lost a 10-0 decision to Neverdahl in the 130-lb. class. In the 167-lb. division, Hank Smith of River Falls was pinned.

Tomorrow night starting at 6:30 an intrasquad meet will be held in the North Hall gym in an attempt to stimulate interest in the new sport on the River Falls campus.

Falcons Drop 85-80 Tilt To Milwaukee Nip Quakers as Six Hit Double Digits

MILWAUKEE

The rapidly improving Falcons gave it all they had Friday night but couldn't quite catch the Milwaukee Cardinals as the home team eked out an 85-80 win at Baker Fieldhouse in Milwaukee.

River Falls continued its excellent rebounding and showed a much more potent scoring attack than has been seen since the season started. Four RF players hit double figures for coach Don Page as the Falcons shot at a 43 per cent clip from the field. Griff Howell was tops for the Falcons with 19 and Mick Lauber was close behind with 18. Mick Collins regained his early-season form and connected for 14 while his Mondovi teammate Darrell Hart contributed 10, all in the third quarter when the Falcons tied the score but couldn't gain the lead.

Tom Kneusel and Jack Grochowski, both of whom rank in the top ten WSCC scorers, poured in 24 and 23 points respectively for the winners. Ken Zach added 18 and Dave Vincent had 12.

LATE SPORT FLASHES

The Falcons have three "home" games in four nights coming up. Saturday night, Feb. 22, will find the Red and White playing host to the Bethel Royals in the Hudson High School gym. Bethel copped a 56-52 decision in an earlier game this season.

A week from tonight, Monday, Feb. 24, Coach Don Page's crew will entertain the St. Cloud Huskies at Amery in the Sports Palace. Since whipping the Falcons decisively early in the year, St. Cloud has gone downhill somewhat but still ranks as one of the strongest teams in the area. Little All-American Vern Baggenstoss, seventh ranked rebounder in the nation, is again expected to pace the Huskies.

WHITEWATER

I - M Basketball

The Falconiks and the Phi Sigs have proved to be the teams to beat in the intramural basketball tournament as they both won their first two games of the double-elimination tourney. These two unbeaten teams will face each other tonight in a semi-final game at 8 p.m. in the North Hall gym.

After an easy opening victory over the Swedes, the Falconiks ran up a stubborn Bombidier team but eked out a 51-50 victory. The Phi Sigs needed a strong second half rally in their opener to defeat the Court Martials after trailing 22-21 at the intermission. In their next game they defeated the Ricketts 65-55.

Despite their heart-breaking loss of the previous night, the Bombidiers bounced back Thursday to defeat the Court Martials 73-63. Ole Fimreite poured in 31 for the best individual performance of the tourney thus far and Gene Johnson added 22 for the winners. Gar Lenander paced the losers with 22.

The Shawnees remained in contention despite one loss by winning two games on Thursday. They defeated the Savages 66-54 and the Rockets 52-46. Rog Reguse banged in 22 points in the second game, 16 of them in the second half as his team stormed back from an eight point halftime deficit to win.

The final tournament games as well as the free-throw shooting contests will be held this week with the championship game scheduled for Thursday night.

NOTICE

A wrestling challenge is scheduled for Tuesday, Feb. 18, at 6:30 p.m. before the freshmen basketball game. Anyone wishing to challenge a varsity member and who is in the same weight class may do so.

Rugged rebounding and continued red-hot shooting from the field paid off for the Falcons Saturday night as they trounced the outclassed Whitewater Quakers 83-73 at Whitewater.

The Red and White pulled down a total of 58 rebounds—their second highest total of the season. (They had 63 against La Crosse). In addition they placed six men in double figures—by far their most balanced attack this year! Hitting at a 41 percent pace from the field, the Falcons actually won the game at the free throw line where they notched 31 of 46 attempts.

Biggest surprises of the evening were the return to form of Jack Omer who hit double figures for the first time in quite a while and the free throw shooting of Mike Rice. The wiry 5-10 Rice swished 10 of 12 at the charity line and finished with 14 points for the night. It was his highest output of the season and gave him scoring honors for the Falcons along with Griff Howell who also netted 14.

Mick Collins and Darrell Hart both had 13 while Mick Lauber contributed 11 and Omer 10.

Collins did a tremendous defensive job again as he held Quaker forward Dick Hannick to a meager two points after the 6-0 Hannick had pored in 32 the night before in the Quakers' 99-90 loss suffered at the hands of Eau Claire.

Bruce York drilled in 15 to lead Whitewater. Brittilli with 14 and Don Lund with 13 were the only other Quakers in double digits.

The 83 points poured in by River Falls was their highest output thus far this year topping their previous high of 80 which came the night before against Milwaukee.

NOTICE

The game with Bethel at Hudson, Saturday, Feb. 22 and the one with St. Cloud at Amery Monday, Feb. 24, will be treated as home games. Student activity tickets and season tickets will be honored.

RFSC Group Makes Trip To Research Lab

The Physical Chemistry class, composed of thirteen students and Richard Swenson of the chemistry department, visited the Research Laboratory of Minneapolis Honeywell, Thursday afternoon, Feb. 13.

The students were given a three hour tour of the laboratory by Dr. John Dempsey, Head of the Research Division.

This was the first tour conducted for students at the Minneapolis Honeywell Research Laboratories.

On the tour, students were given the opportunity to talk with any of the scientists at their work and view the projects. Some of the sections visited include X-Ray Diffraction, Solid state Physics and Low Temperature Laboratory.

YOUNG REPUBLICANS TO ATTEND CAUCUS

A Young Republicans 9th District caucus will be held at Menomonie on Thursday evening, Feb. 20.

The meeting, at Stout State College, will have a discussion on the party's future precinct evaluation project. Students from Stout, Eau Claire, and River Falls will be present at the meeting.

Campus young Republicans are urged to attend this meeting. A sheet will be posted on the South Hall bulletin board for those wishing to attend to sign.

A party will follow the meeting in Menomonie.

NOTICE

An intramural swimming meet will be held for anyone wishing to participate. Sign up on the North Hall or South Hall bulletin boards. No date has been set yet for the meet.

Kappa Delta Members To Attend Convention

Chicago, Illinois, will be the destination of five RFSC students late in March when the national convention of Kappa Delta Pi takes place there. Besides the local organization's lone voting delegate, Len Olund, other members attending the March 20-22 meeting will be Joanne Crownhart, Bob Miller, Dean Johnson, and Betty Olson.

Kappa Delta Pi is a national honorary scholastic fraternity in the field of education. Officers of the local club are president, Len Olund; vice president, Lynn Radkey; secretary, Joanne Crownhart; and treasurer, Bob Seltrecht. Advisor to the group is Dr. Walker D. Wyman.

PROMOTIONS AWARDED RF AIR RESERVES

Two River Falls College students have received promotions with the local River Falls Specialized Training Flight of the 9705th Air Reserve Squadron in St. Paul.

Airman Second Class Eugene Gullickson has been promoted to Airman First Class, and Airman First Class Dennis Gorder was promoted to Staff Sergeant.

Five Pre-engineers Attend Professional Meeting

RF NEWMAN CLUB TO HONOR PATRON

In connection with National Cardinal Newman Week, the local Newman Club has planned a week of activities for club members.

President Edward Pronschinske reports the week will get under way on Tuesday evening at 7:30 with the continuation of the Church History class. Wednesday, being Ash Wednesday, there will be Mass in the morning and devotions at 8 p.m.

Sunday, which is observed by all Newman Clubs, will begin with Mass and Holy Communion for the group at 8:45 a.m. At 4 p.m. there will be benediction and rosary at the church.

The climax of the week will be the annual banquet at 6 p.m., Sunday in St. Bridget's School. Attorney Lawrence Gherty, District Marshall of the Knights of Columbus, will be the main speaker. Tickets can be obtained at the Newman Center or from executive board members.

Five RFSC sophomores registered in pre-engineering were guests of the Northwest Chapter of Professional Engineers, Feb. 5, at Eau Claire. The principle speaker for the annual affair was Mr. Werwath of the Milwaukee School of Engineering.

The five students, Donald Waalen from Amery, Raymond Meyer from River Falls, Walter Wanzong from Turtle Lake, Paul Bork and Jerome Guest from Ellsworth, went with Mr. Thorwald Thoreson, who is a member of the organization.

Also in attendance were five students from Eau Claire.

FFA To Publish Paper For RF Ag Graduates

A newspaper is being published by the college chapter of the Future Farmers of America. Lyle Henning, junior from Eau Claire, will serve as editor, Bill Dobson, junior from Black River Falls, as assistant editor, and Merton Hanson, senior from Deer Park, as business manager.

An issue will be printed each term. The first one will be distributed to members of the agriculture department Feb. 20. It will also be sent to River Falls agriculture graduates of the past 20 years.

One page of the four-page newspaper will be devoted to general information for high school students. Another page to scientific developments in agriculture and the remainder to college happenings and commentary by ag faculty members.

DEBATE— (Con't. from Page 1)

long with Mr. Madis rated in the top ten per cent among 135 taking part in the discussion groups. Other River Falls debate teams were Jerry Anderson and Dick Waak, Honey Berg and Muriel Peterson, and Judy Simonson and Arlin Albrecht. They all won two and lost three rounds.

Northwestern University won the sweepstakes title at Eau Claire. Charles Bush of Eau Claire College won first place in both the after-dinner and extemporaneous speaking contests.

Thirty-seven colleges and universities from Wisconsin, Minnesota, North and South Dakota, Michigan, Illinois, Iowa, Missouri, and Oklahoma participated in the meet.

There was a lot of talking from 350 speakers who took part in the 600 debates, 34 discussion groups, and 122 individual speeches.

ENROLLMENT— to grade, and tests to score. Guidance, counseling, and placement of graduates takes an increasing amount of time.

What worries college officials most, though, is that the big wave of students is yet to come. There has been only a small increase in the number of 18-year-olds in the state since 1952. In 1965 thousands more will be ready for higher education and enrollments are expected to double again.

The 100th birthday of the state colleges of Wisconsin in 1966 may be celebrated by 20,000 students singing "Happy Birthday" in very close harmony.

Note of Thanks

On behalf of the Winter Carnival Committee, I would like to thank all the organizations for participating in the numerous activities.

It would be impossible to mention all the individuals and organizations that gave their wholehearted support in making the Carnival the success it was.

Your interest and support made it a pleasure for me to lead the week-end's events.

Marie Forman
Winter Carnival Chairwoman.

Sticklers!

WHAT WILL LUCKIES BE IN THE SPACE AGE?
(SEE PARAGRAPH BELOW)

25TH-CENTURY SPACESHIPS? They may have wall-to-wall gravity, wide-screen radar and pine-scented oxygen. But one thing's sure—they'll be loaded with Luckies! After all, what on earth (or off) tastes better than a Lucky? So when man makes his splash in the Big Dipper, Luckies will be a *Stellar Seller!* (It's universal knowledge that you can't beat fine, light, good-tasting tobacco that's toasted to taste even better.) But don't put off till the 25th century what you can do today. Try Luckies right now!

STUDENTS! MAKE \$25

Do you like to shirk work? Here's some *easy* money—start Stickling! We'll pay \$25 for every Stickler we print—and for hundreds more that never get used. Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (Don't do drawings.) Send your Sticklers with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mount Vernon, N. Y.
