

Spring Quarter Counseling To Begin at 11 a.m. Tomorrow

Students registering for the Spring Quarter can have their trial study cards checked by their advisor tomorrow at 11 a.m. and Thursday, Feb. 25, at 11 a.m.

Excess load applications should be made with Dr. Akins in 117N before 5 p.m. Wednesday, March 2. Students should remain in the same sequence courses unless a section is discontinued. Instructors of sequence courses will hand out cards to students enrolled in their sections Monday and Tuesday, Feb. 29 and March 1. Students must have trial study cards initialed by their advisors before they can receive these cards.

Class cards for non-sequence courses can be picked up Wednesday, March 2, at designated locations at the following times: seniors, 1 p.m.; juniors, 1:30 p.m.; sophomores, 2 p.m.; and freshmen, 2:30 p.m. Faculty members will be available from 1 to 5 p.m.

Dr. Love Joins College Faculty

Dr. Love

Dr. Alan Love, who has received his doctorate in international law from the University of Vienna, has been named to replace Dr. Charles Graham. Dr. Graham left today to fill a position on Senator Proxmire's staff.

A native of Tucson, Arizona, Dr. Love earned his B. A. degree at the University of Colorado and then received a Fulbright Scholarship to Austria in 1954-55. While attending the University of Vienna he served as director of youth club activities and lectured on American political, social, and cultural life for Austrian teachers of English.

He served in the U. S. Army from 1957-59 and was stationed in Mannheim, Germany.

to issue cards and sign registration forms. All afternoon classes will be excused.

Instructor's initials opposite the course on the trial study card will indicate that each class card has been received. Personal information on the cards should not be filled in until all cards have been obtained. Students entering or changing new courses should return to their advisors and re-plan their schedule if the sections are already filled.

Class cards for unfilled sections may be obtained between 10 a.m. and 12 noon from the Registrar's Office beginning Thursday, March 3.

After all class cards have been obtained the remaining forms of the registration card and other registration materials can be filled out. Enter the department abbreviation and class number in the squares of "Daily Schedule" rather than an X or check. This step should be performed as soon as possible in order to obtain the counselor's signature on Wednesday afternoon.

Fees can be paid in 219N at the following times: 8:15 to 12 noon and 1 to 3 p.m. Monday, March 7; 8:15 to 12 noon Tuesday, March 8; 8:15 to 12 noon and 1 (Continued on page 4)

ANNUAL DINNER FOR RIVER FALLS ALUMNI AT COLLEGE FEB. 29

Tickets are being mailed out this week for the annual dinner meeting of the River Falls chapter of the Wisconsin State College Alumni association. The dinner will be in the Hagestad Student Center on Friday, Feb. 29, at 7 p.m.

This year's banquet will be a joint meeting with the Hudson Chapter of the Alumni Association. Approximately 75 members from the Hudson group are expected to attend.

President E. H. Kleinpell will discuss the future of the college and Charles Phillips, who is affiliated with KMSP-TV, will be toastmaster.

Tickets for the banquet are priced at \$2.50 with approximately \$1 of this amount going to the scholarship fund. The ticket sales committee is asking that anyone who does not receive tickets in the mail purchase them at the Jay H. Grimm Insurance Agency, Inc.

Sidd Brandt, president of the River Falls Chapter, said the mailing list was far from complete and many may have been missed with a personal letter.

A short business meeting and election of officers will precede the evening program.

New York Opera Group Will Present Concert

New York Opera Company

"The Merry Widow" will be presented in concert-theatre form by the Opera Players of New York Thursday, Feb. 25. Sponsored by the Concerts and Lectures Committee, the program will begin at 8 p.m. in North Hall Auditorium. There will be no admission charge.

The stage for this all time musical favorite will be set by descriptive narrative at the beginning of each scene, rather than through the use of scenery. Franz Lehar's familiar melodies, including "Villia" and the "Merry Widow Waltz," will be heard in the production, which is staged with dialogue and action. The cast will be costumed in the extravagant gowns and uniforms of Paris about 1900.

The operetta has been adapted from the original book by Robert Turoff, one of New York's most promising young directors. Glenn Jordan, well known stage director, serves as production consultant. The new version of the

operetta retains the story line without the frills of the productions around the turn of the century.

Eleanor LaForge will play the part of the Widow. She has been featured soloist with Fred Waring's Pennsylvanians for the past three seasons and has appeared on "The Voice of Firestone," "Telephone Hour," "Coca-Cola Show" and other musical television spectacles.

The well known West Coast baritone Lloyd Hanna plays opposite her as Prince Danilo. He studied in Italy and began his career with leading baritone roles at the Teatro Nuova in Milan. As soloist with the Roger Wagner Chorale, he toured the United States.

Other members of the Broadway cast are Barbara Cole, Sallie Coss, Marty Rogoff, Fidel Romann, Frank Shaw Stevens, and Charles Williams. All have a long list of experience on the concert and operatic stage, on radio and television, and in the leading summer musical theaters.

Harry Robert Valante, who was educated at the Eastman and Manhattan Schools of Music, is the musical director and pianist. He has worked as pianist and coach for a number of musicals and was musical director of "Lady in the Dark." A composer as well as pianist and conductor, he had one of his compositions performed in Carnegie Hall.

Student Teachers Plan March Tea

Students who are finishing their elementary student teaching will be hosts and hostesses at a tea for beginning elementary student teachers at a tea Wednesday, March 1. It will begin at 4 p.m. in Rooms 101-2 of the Student Center.

First quarter student teachers are invited to attend and discuss with "experienced" students the things concerning practice teaching.

Campus School supervisors will be present to become acquainted with the new teachers.

College Day at RF Feb. 27

A number of students from area high schools will attend the 10th annual "Go to College Day" at the college Saturday, Feb. 27.

Designed to acquaint interested students with the college, it

will also include special programs for parents and for high school teachers interested in guidance and counseling.

The program will begin at 8:45 a.m. with registration and a coffee hour. Morning features will be tours of the campus, special classes, and a faculty panel on "Educational Opportunities at River Falls." Phil Duff, General Manager of the Red Wing Daily Republican Eagle will speak to parents and counselors on "The Need for Education in Tomorrow's World." A panel of faculty, parents, and counselors will discuss "What Parents Can Do to Help Students."

Afternoon sessions will include discussions on "The Effect College Will Have on Your Son or Daughter," and "What Freshmen Want to Know." President E. H. Kleinpell will speak to parents and counselors on "College Going in Wisconsin." Special classes and meetings of interest groups are also scheduled in the afternoon. A coffee hour for students, parents, and counselors will conclude the program.

VOICE NOTICE

The next issue of the Student Voice will be distributed Saturday noon as a special issue for "Go to College Day." All announcements and stories must be in the office by Wednesday night.

Senate Appoints Pat O'Connell Voice Editor

Pat O'Connell, sophomore from Baldwin, has been named as the new Student Voice editor. He will replace Warren Rogers, who will complete his editorship at the end of this quarter.

O'Connell is majoring in English and history, and minoring in journalism. His activities include being a Student Voice reporter for two years, and circulation manager for one year. He has also contributed to the Prologue and is a member of the Social Committee.

Assisting O'Connell will be Dawn Bergstrom as front page editor, replacing Carol Truttschel.

Miss Bergstrom is a junior from Luck and has worked as a reporter for the Student Voice for two years. Her present activities are French Club, Young Dems, N.C.T.E. president, and Prologue copyreading. Previously she has taken part in S.N.E.A., has served as N.C.T.E. secretary-treasurer, and French Club secretary-treasurer, and French Club secretary.

NCTE Names Chisholm to Special Post

Francis P. Chisholm of Wisconsin State College at River Falls has been appointed Special Representative with the National Council of Teachers of English (NCTE), a professional organization of about 60,000 members and subscribers at all school levels.

In connection with the Golden Anniversary Convention the responsibilities of these representatives will be to inform the profession and the public concerning the achievements of the council during the past 50 years, the promise of the next 50, and the current status of the teaching of English in today's high schools.

This appointment is one of many being made by NCTE in connection with vigorous expansion of the organization in new directions according to Dr. J. N. Hook, Council Executive Secretary.

The Editor Speaks . . .

Open-minded discussions of campus, national, and international problems are essential facets of a college student's education. The breeding ground for most of these discussions is the cafeteria.

The easiest way to begin a discussion of this sort, and they usually prove to be the most interesting, is just to casually mention social organizations. Everyone seems to have his own opinion and the courage to express his views.

The type of subject matter discussed when social organizations are brought up has changed in the past two weeks. The topic of conversation now is the new plan for the re-organization and grouping of campus clubs, initiated by the Student Center Governing Board. The plan was recently brought before SAC and the Student Senate. The idea behind the new grouping is to diminish the over-lapping of interests which tend to make clubs less active.

The proposed plan classifies campus organizations into six groups: academic professional, academic interest, academic recognition, religious, social, and social interest.

Under academic professional falls such clubs as ACE, Chemistry Club, Economics Club, Agrafallians, and NCTE. Classified as academic interest are Forensics, Masquers, Toastmasters, Choir, Band, Orchestra, and Commentarians. Only Alpha Psi Omega, Kappa Delta Pi, and Pi Kappa Delta are included under the academic recognition classification. Religious groups are self-explanatory.

Social organizations are those organizations which are formed for the sole purpose of promoting campus social life. Vet's Club, Sigma Chi Sigma, Sitzmarkers, Pinochle Club, "R" Club, and International Club are listed in this classification.

The three dormitories, Y-GOP, Y-Dems, and FFA are listed in the final group, social interest. These proposed listings are not rigid and clubs maybe changed later.

The only campus organizations which will compete socially are the social organizations and social interest organizations. These are the clubs which are expected to sponsor floats, queen candidates, snow sculptures, and the like. The other classifications of organizations will not be permitted (except by special permission) to compete with these clubs. They will be permitted to sponsor other money raising projects as long as they don't compete with other club's activities.

This method should improve the quality of the displays at the college's major events as students will be free to concentrate their efforts on one project.

Also under this new system religious clubs could concentrate on the true purpose of forming their clubs, to further the students spiritual life. The same is true for other types of clubs. Economics Club members would be able to devote more time to arrange educational projects and meetings.

These are some of the points of this new system which might be put into practice on a trial basis. It is hoped that students will discuss this plan thoroughly and make suggestions on how it could be improved. If certain groups are dissatisfied with the plan they are urged to draw up a new plan and submit it to a Student Center Governing Board member for consideration.

Letters to the Editor . . .

Dear Editor:

In answer to the letter to the editor published last week in relation to the food and Slater Food Service in our student union.

The person who wrote it has some legitimate compliments I'll grant, but when it comes to complaining about the quality of the food, I don't believe any one on this campus can say it is "terrible" with a clear conscience.

The meal "Slater" presents is a balanced diet. Is this not an essential for healthful living, especially for students? The reason the meal is not made to be split up is for diet reasons. Everything we like is not necessarily the best for us.

As far as criticism of the service behind the counter, I don't believe anyone has any real gripe. I would like to see anyone do any better and have as freshly prepared food ready for the customers when they are ready to eat.

If any one has any suggestions for better service let it be known instead of telling what is wrong with the outfit.

As far as the price. I would be willing to wager that anyone could not go any place in the city of River Falls, outside of personal homes, and find any where as near the amount, variety, nor the quality of food, for the price that we receive our food in the union. If you actually looked into the things the "Service" buys and the prices paid, a person would realize the situation. I say, "do not criticise the whole from viewing one of the parts."

One thing I will go along with is the meal ticket situation. If the tickets could be used when desired, or transferable, there would be a much more favorable attitude towards the "Slater Service," and more people would eat more often at the cafeteria.

Student Senate Minutes

President Curtiss Larson called the Feb. 15 meeting of the Student Senate together. The minutes of the last meeting were approved as read. Ron Skone reports a balance of \$503.30 in the Student Senate Account.

Wayne Wolfe of the journalism department, submitted the name of Pat O'Connell, sophomore from Baldwin, in application for the job of Student Voice editor. Pat was invited to meet with the Senate, and at this meeting, stated he would accept this post if it was delegated to him. Carl Duch then moved that Pat O'Connell be appointed editor of the Student Voice, to serve from Spring Quarter 1960 until Spring Quarter 1961. The motion, seconded by Chuck Norelius, was unanimously carried.

"Go to College Day" will be on the River Falls campus Saturday, Feb. 27. Members of the Student Senate have been asked to serve as guides for this group of prospective students.

Karl Schmid presented estimates for the proposed pictures of government leaders on campus. A large frame can be made for \$8.84; a white background can be purchased for \$1.50.

In light of recent decisions it was moved by Ed Schlumpf, and seconded by Carl Duch, that the original motion granting funds to the Senate for the purpose of photographing student government representatives on campus be repealed. A nay vote from Arnie Kaluzny with all other members voting for the measure. Motion carried.

Complaints were registered with the Senate about the method being used to pay student workers in the cafeteria. In return for services, students receive a meal ticket which is neither refundable nor transferrable. Missing a meal, therefore, is actually a loss of pay to the students. Others felt that girls could not, comparatively, benefit as much as boys from this system. Dr. Knaak, Dean Rozehnal, and the Student Center Governing Board will discuss this issue at the Senate meeting Feb. 22.

It was moved the meeting be adjourned; motion carried.

Present: Duch, Hanson, Kaluzny, Keefer, Larson, Norelius, Ross, Schlumpf, Schmid, Skone, Smith.

These are the silver wings of a U. S. Air Force Navigator. As a flying officer on the Aerospace team, he has chosen a career of leadership, a career that has meaning, rewards and executive opportunity.

The Aviation Cadet Program is the gateway to this career. To qualify for this rigorous and professional training, a high school diploma is required; however, two or more years of college are highly desirable. Upon completion of the program the Air Force encourages the new officer to earn his degree so he can better handle the responsibilities of his position. This includes full pay and allowances while taking off-duty courses under the Bootstrap education program. The Air Force will pay a substantial part of all tuition costs. After having attained enough credits so that he can complete course work and residence requirements for a college degree in 6 months or less, he is eligible to apply for temporary duty at the school of his choice.

If you think you have what it takes to earn the silver wings of an Air Force Navigator, see your local Air Force Recruiter. Ask him about Aviation Cadet Navigator training and the benefits which are available to a flying officer in the Air Force. Or fill in and mail this coupon.

River Falls Wrestlers, Cagers Humiliate Stout

Matmen Chalk Up Eight Win In Ten Starts

River Falls' fighting grapplers snowballed their record to 8-1-1 Friday afternoon with a convincing 24-6 trouncing of Stout's matmen at Menomonie.

Coach Byron James crew chalked up its second win of the season over the Bluedevils with a amazing ease. Jerry Fehlen and Marv Gorres got the Falcons off to a quick 10-0 lead with a pair of pins in the lighter weight divisions and from there on in the match was strictly River Falls.

Fehlen was leading Stout's Fumitake Asano 3-0 when he applied the pin in the second stanza and Gorres had a 7-0 bulge when he downed Ron Bergman also in the second period.

Ron Asmundrud, who started the season in the 157 class, had a tough customer in Fred Loomis but came out on top 3-2 in the 137 lb. division.

Pat Mrotek went into the last period leading 2-1 but Stout's Jerry Holubats picked up an escape and a takedown in the final session to win 4-3.

Dave Garlie had things all his way against Don Keller but couldn't gain a pin. He finished with an 8-0 decision that included three points for a near-fall in the last period.

Jim Drummy got back on the winning trail by pinning Frank Zabo. Stout's much heralded Leon Stephenson salvaged some glory for the Bluedevils by winning a hard-earned 5-1 decision from Jerry Halverson. Larry Julien had his hands full with Bob Raczek but gained a 4-1 decision never-the-less. Kent Keenlyne copped a 6-1 victory in an exhibition match with Dick Chier at 157 lbs.

The Falcons will face Macalaster there Friday at 3:30 p.m. Stout edged the Macs earlier this season.

Who is "Wilt" Chamberlin? The Falcon fans will tell you it's Charlie Johnson, coach Don Page's freshman scoring ace from New Richmond. Although he is seven inches shorter than the famed Philadelphia star, Johnson is a stuff shot artist and has a fine hook.

The future is looking brighter all the time for the River Falls basketball team as the scoring freshman keeps turning in one sparkling performance after another.

He enjoyed his best night of the season a couple weeks ago against LaCrosse. Johnson, a real whiz for the Falcons, tailed 36 points. Currently he leads coach Don Page's regiment in scoring

Varsity Tops Alumni in Benefit Game as Lauber Pours in 25

by Ed Schlumpf
Voice Sports Editor

The reflexes were a bit slow but shades of past performances were evident in abundance in Wednesday's 3rd Annual Phil Bel-fiori Scholarship Fund Varsity-Alumni basketball scrimmage held at the St. Bridget's gym. Mick Lauber poured in 25 points in leading the varsity to a 93-81 win in a game that featured nearly every "name" player of the past decade except the famous Nate DeLong.

It was a game that started out to be a spine-tingler but ended with the grads running out of gas against a varsity team that for once was able to score with consistency.

Newman Benson swished 18 points on nine beautiful baskets to pace the Alumni and Helms Foundation's Player of the year, Rog Kuss netted 16 in an equally brilliant performance.

The Alumni led only briefly in the first quarter but were very much in the game throughout the entire first half. After the varsity had spurted to a 17-11 bulge, Dave "Birdie" Herum sparked a rally that produced a 21-21 deadlock but the grads couldn't get the lead. After Herum delighted the crowd by stuffing Charlie Johnson's hook shot down his throat, the two-time WSCC scoring champion dumped in a short jumper that tied it but the red-hot Lauber (he finished the first half with 17) meshed a long one and the varsity moved out in front again.

The Alumni were visibly tired by halftime when the score had stretched to 54-37 thanks to the efforts of Lauber and Toby Garey. Lauber hit eight points out of 10 when the varsity spurted from that 21-21 tie to a 31-23 lead. Garey tallied eight out of 12 when the Pagemen stretched a 36-29 lead to a 48-35 advantage.

The varsity tried to apply the coup de grace at the outset of the second half by forging to a 22-point lead at 61-39 and even the hardest rooters for the Alum-

ni didn't vision much of a comeback.

But the fabulous Benson wasn't finished yet and neither were his younger cohorts Neil Christenson, Jim Saxon, and Herum. Trailing by a seemingly insurmountable 20 points at 81-61, the grads produced a last-ditch rally that had everyone in the stands pulling for them. They scored 12 straight points to cut it to 81-73 and the final basket came on a fade-away left handed layup by ageless Charlie Most following a breath-taking behind the back pass from Benson that brought a tremendous ovation from the crowd.

The varsity had too much steam in the end however and had things well under control when the buzzer sounded.

Lauber, who certainly will be back performing for the grads in years to come, was at his peak for this one and could have easily scored 30 or more had Falcon mentor Don Page chose to play him the entire game. Gary Scharfenberg seemed totally unawed by the presence of his famous predecessors and came through with a big 15 points. Freshman Don Koepnick added a helpful 12. It might have been a different story had DeLong been there. Still it was treat for the spectators and players alike.

I-M BASKETBALL

by Bill Armbruster

The North Hall "cracker-box" was filled with excitement last week as two I-M basketball games went into overtime periods and the winners emerged with scant one point victories.

The Court Martials, tied for second place in the torrid "F" League, won their overtime game by downing the Honkers 54-53. The Court Martials' scoring attack was led by Tom Motley, Mike Finney, and Don Blegan. The Honkers were led by high scoring Larry Hopkins. Hopkins is leading the "F" League in

Pagemen Upset Devils 90 - 88 On Late Rally

by Pat Higgins

"It seems just as if we were winning the championship," exclaimed a jubilant Don Page just after seeing his Falcon cagers post their first conference win of the campaign by edging out arch rivals Stout State 90-88 at Menomonie, Saturday night.

With Stout holding a 76-71 lead at 7:23 remaining in the contest the Falcons exploded. A long jump shot by freshman forward Toby Garey, a turnaround jump by center Chuck Johnson, and a jumper by Gary Scharfenberg gave the visitors the lead at 76-75 with 5:25 left in the game. From that point on, they were never headed. River Falls increased their lead to 86-76 before a lay-up by John Milhalko broke Stout's six minute scoring drought.

The win gave the Falcons a 1-9 conference record and a 3-15 overall record. The Bluedevils record stands at 4-7 in the conference. Earlier in the season Stout defeated the Falcons 84-73 at River Falls.

The victors were sparked by Chuck Johnson's 24 points, 16 of them coming in the second half. Freshman forwards Gary Scharfenberg and Toby Garey notched 20 and 19 points respectively. Guard Mick Lauber, turning in his usual fine game, finished with 16 points.

Jumping-jack center, Fred Seggelink and Milhalko, shared point scoring honors for the Bluedevils with 28 points apiece.

River Falls hit 37 of 85 floor attempts for 43 percent. Stout hit on 36 of 79 attempts for a 46 percent shooting percentage.

In other conference action Eau Claire defeated La Crosse 82-73 and Stevens Point upset Platteville to knock the Pioneers out of a chance for a tie for the title in the Wisconsin State College race.

with 292 points. This figures out to a fine game average of 17.3 points. Johnson is a real thorn to the opponents of defense, specializing in swiping rebounds and blocking shots.

"The Mankato game was one of the toughest games I've ever played," said Johnson. The Falcons lost this one 75 to 67.

"Sidney" likes talking about his high school days at New Richmond. In his senior year, Johnson amazed the Middle Border Conference by scoring 56 points in a league outing against Colfax. He really put New Richmond on the map with that show. That year, New Richmond won the conference title with a 15-1 record and Johnson averaged better than 25 points a ball game.

Also while in high school, Johnson's pitching arm sparked New Richmond to the state baseball tournament in 1956-57 and 1958. One of his biggest thrills in baseball was a one hit performance against Medford in the state tournament.

Scouts were fast to recognize Johnson's supreme pitching talents, and he received major league bonus offers from Cincinnati, Milwaukee, New York, and San Francisco. His outstanding feats in basketball and baseball will be something the people of New Richmond will never forget.

Johnson is a social science major and a phy ed minor. He hopes someday to become a coach.

In his spare time, Johnson likes to hunt and fish. He also plays an occasional round of golf.

Falcon Bucketeers Face St. Cloud, Eau Claire

The Falcon cagers will have their final opportunities to win before the hometown fans this week as they face St. Cloud and Eau Claire at St. Bridget's Gym. The Huskies from the Minnesota State College Conference will be in town Wednesday night with fire in their eyes and revenge on their minds. The Falcons edged St. Cloud earlier in the season 69-67. Presently they are tied for the top spot in their conference with Mankato.

Leading the scorers that night were Bill Carruth with 17, Milt Campbell added 12 and Jack

Cummings collected 11 points. The Pagemen over a space of three seasons have lost four straight to the Eau Claire Blugolds who are furnishing the competition for the conference finale at home Saturday night. Nemising guards plagued the Falcons in the first encounter at Eau Claire as Jim Bade poured through 18 points in the second half, finishing with 24 points, and Al Urness played his usual sharp floor game. The cagers proved their ability to score last Wednesday against the Alumni and could with the same brand of ball finish the season strong.

scoring with 93 points in six games for a 15.5 per game average.

The Cherry Bombs exploded with 50 points to remain on top of the league with a perfect 7-0 record. The Floor Burns, led by Loyal Monson, annihilated the Fumble Bums by the score of 60-27 to remain tied with the Court Martials for second, both teams with 6-0 records.

In the "R" League the first place Mooses downed the fourth place No Names 47 to 42 to retain the top spot. The Buzzards defeated the Bee Bees 44-43 in the other overtime tilt.

Rog Knutson of the Bee Bees took over scoring honors in the "R" League with 129 points for a respectable 18.8 average.

REGISTRATION —

(Continued from Page 1)

to 3 p.m. Wednesday, March 9.

When paying fees students must present (1) a permit to register, (2) a fee card, (3) an auditor's card (if not enrolled during the Winter Quarter), (4) a registration card, (5) class cards, and (6) a plan of studies form.

Fees from late registering students will be received in the Business Office from 1 to 3 p.m., March 10, 11, 14, and 15, and 3 to 5 p.m., March 16. Registration materials must be validated in the Registrar's Office before paying late fees.

A student may not attend a class unless the instructor has a class card for that student. Auditor's cards may be obtained by applying at the Registrar's Office.

The faculty has ruled that "anyone" in residence register-

ing for the Spring Quarter will be expected to attend each class or laboratory during the first week of classes or will have his load reduced to not more than 14 hours. No exceptions will be made unless authorized by the Registrar. Absences during the first week of classes will be reported to the Registrar's Office.

Drop-adds will be processed in the Registrar's Office between 10 a.m. and 12 noon March 10 through March 16. Class cards for classes being dropped will be accepted during the same hours through April 5. Adds may not be made if the section requested has reached the limit set by the Registrar or a student's load totals 18 hours or more.

Textbooks will be issued from the basement of the library starting Thursday, March 10. Textbooks in sequence courses need not be returned for re-issuing. Winter Quarter texts should be turned in immediately following examinations.

BROHAUGH RECEIVES SECOND AT EC MEET

SPORTS WRA

by Ginny Rogers

The Odd Balls were really on the ball Monday night when they trounced the Court Jesters 57-17. The Court Jesters seemed to consist of the shortest girls on campus and they couldn't get anywhere.

The victors had control of the game right from the beginning, leading at the end of the first quarter 23-2. There was no stopping Grace Maule for the Odd Balls as their leading scorer dumped in 26 points. Nancy Fox contributed 15 and Marian Kapusta added 12 more.

The schedule for tonight (Feb. 22) has the Hot Shots (2) shooting against the Bettie Bubs (5) at 6 p.m. At 7 p.m. the Dribble Drops will face the Globetrippers (1). Make sure your teams are there and ready to play at the appointed times. Any team that does not make an appearance will be dropped from the schedule.

The WRA now has equipment for fencing and Wednesday at 6 p.m. is reserved for this sport. This is a sport that is not only for the girls but also for any of the fellows interested. The club invites all interested boys to come and try their hand at it.
