

The Student Voice

RIVER FALLS STATE TEACHERS COLLEGE

MONDAY, MARCH 12, 1951

RIVER FALLS, WISCONSIN

VOL. XXXVIII, NUMBER 12

'Faculty Frolic' Questions Answered; McCarthy Slated for M. C.

When the last issue of the Voice came out, many students asked staff members a number of questions about the "Faculty Frolic" scheduled for April 26 and 27. Here are some of those questions and their answers as given by Carleton Ames, director of the show.

Will there be only faculty members participating in the program?

Faculty members and their wives will participate in the show. What type of program will they present?

The program will consist of music, dancing, comedy, variety, novelty, etc. Anything and everything from the ridiculous to the sublime and back again.

Has a program such as this been given by the faculty at any previous time?

No, not that I can recall, although the faculty has put on a number of plays.

Who is going to fill the all important position of master of ceremonies?

Bernard McCarthy, social-science instructor, will be the mas-

Bernard McCarthy

ter of ceremonies. He is a man well-qualified for the job.

Will all the faculty members take part in the program?

Nearly all of the faculty will be participating.

Will there be any outstanding performers?

At this time I can release the name of one performer. President Kleinpell will sing a baritone solo. Beyond this the program will remain a secret.

When asked whether Miss Mitchell would present a strip-tease act Dr. Ames said, "No comment."

Be sure to leave April 26 and 27 open on your calendar for the "Faculty Frolic."

Special Summer Courses Announced by Dr. Stone

Dr. Gordon L. Stone, director of the Summer Session, has announced a number of special courses and workshops.

The special courses include a psycho-educational clinic, concerned with remedying educational ills; driver education, giving theory and behind-the-wheel driving in a dual-control car; Kindergarten - Nursery school training, and student teaching in all levels from nursery to high school. A coaches' clinic will be held June 14, 15 and 16.

Workshops include Nutrition Education, Problems in Education, Radio and Television in Education, and Art.

These special courses are in addition to the large number of regular courses taught each summer at River Falls. President E. H. Kleinpell reports that the teaching staff this summer will be larger than it has been for the past five years.

Work toward majors in music for those who wish to obtain a license in the state will be given during the summer session. B. J. Rozehnal, head of the music department, said.

New Equipment Added To Industrial Arts Shop

RFSTC's shop modernization program is beginning to shape up with the addition of some new equipment. The machinery, according to T. E. Thoreson, shop instructor, is the kind the students will find in high schools in which many will soon be employed. More compact than the old pieces, the new equipment allows for about one-fourth more students in the same space.

Included in the new items are a Delta 6-inch jointer, Delta 13-inch planer, Delta 20-inch band saw, power hack saw, grinder, two Atlas engine lathes, an Atlas shaper, two Atlas post drills, and a filing cabinet.

Governor Kohler Includes Library For College In Legislative Budget

Gov. Walter J. Kohler, Jr., has included a \$650,000 library at River Falls State Teachers College in a building program for state institutions submitted to the legislature.

Long range plans for arrangement of the college campus calls for construction of the library, a health and recreation building, and a campus training school in addition to the girls' dormitory which will be completed in the next few months.

The library will be constructed on South Campus, directly north of the tennis courts. No architect's drawings of the structure are available as yet.

Gov. Kohler's appropriation requests must be acted upon by the legislature.

Other college building appropriations requested by the governor included a library at Stevens Point and a training school at Platteville.

CWA Announces Slate 'n Wednesday's Election

Nominations for next year's officers of the College Women's Association were announced Tuesday by Carol Landberg, 1951 president.

For president—Elaine Flick, junior from Wilton, and Helen Peterson junior from New Richmond. For vice-president—Eleanor Thompson, sophomore from Hudson, and Jean Allie, sophomore from Ellsworth.

Nominated for secretary were Olive Ellen Esenbock, sophomore from Spring Valley, and Julian Ryan, freshman from Hudson. For treasurer—Susan LaBrash, freshman from New Richmond, and Margery Deans, freshman from Hammond.

The election will be held in the Social Room on Wednesday, March 22. All women students are urged to vote.

Gagers Dinner Tuesday

A steak dinner will be given the RFSTC basketball players on March 13. John Gage, cafeteria manager, is putting on the dinner. Any fans who would like to attend may do so by purchasing a ticket for \$1.50 which is the cost of the dinner. Those who want to attend should make reservations with Coach George Schlagenhauf.

Committee Working On A.B. Curricula

Following authorization by the Board of Regents last week, River Falls is preparing to offer the liberal arts degree this fall. A committee headed by Dr. R. A. Karges is working on curricula leading to the A.B. degree and will have preliminary work completed soon.

Announcing the new degree Dr. Kleinpell said, "This will provide an opportunity for young people in the area, not interested in teaching, to get a college degree more useful in their chosen vocation."

"The additional program will not in any way affect the training of teachers," he emphasized. "Those desiring to enter the teaching profession still will get the best training available at River Falls. The college will continue to grant the B.S. degree to those desiring to become teachers."

Students Organize Behind Drive To Enlarge Foundation Fund

Approximately one hundred and thirty-five students met last Wednesday morning to enter a new phase of the Foundation Fund drive. The meeting, addressed by President E. H. Kleinpell, C. G. Stratton, Miss Marion Hawkins, Elaine Fick, Bennie Green, and Norman Noah, marks the first large-scale effort on the students' part in the drive.

Faculty Honors Regent Davee

Dr. Chalmers Davee, Regent, was guest of honor yesterday evening at a faculty dinner. Held in the cafeteria, the dinner celebrated the granting of the liberal arts degree to the college.

Since Dr. Davee's appointment to the Board of Regents, the college has received the barracks apartments, completed the industrial arts building, secured the new dormitory, and been granted permission to give the liberal arts degree. A week ago Governor Walter Kohler recommended to the legislature allocation of \$650,000 toward a new library building.

Recently the faculty passed a resolution to Dr. Davee "expressing genuine appreciation for his significant contribution to the advancement of education in Wisconsin."

The resolution stated, in part, "The members of the faculty of the State Teachers College at River Falls are fully cognizant of the untiring efforts of Regent Davee in advancing the cause of education in the State of Wisconsin."

President E. H. Kleinpell received a letter from the faculty commending his "significant achievement." In closing, the letter says, "We want you to know that we appreciate your intelligent concern with matters of faculty and student welfare. We are glad you have become one with us to work for the good of our college and for what it represents."

Each student was selected as a committeeman to approach the alumni and friends of the college at his home town for pledges or contributions. The goal in the campaign is \$250,000 which will go toward the construction of a recreational and health building. It is hoped that once the college gets the \$250,000 the state will come through with an equal amount.

Because of our "cracker box," basketball teams such as the College of St. Thomas, Hamline, St. Olaf College, Augsburg College, and St. John's College have refused to play in River Falls. With its meager facilities, River Falls may be forced to play games in neighboring high school gymnasiums. The state has been slow to support a building program for the teachers' colleges but with the help of alumni and friends the college plant can be enlarged to meet its needs.

All students are asked to make it their job to help the Foundation. Easter vacation presents a good opportunity for contacting people in their home towns who may be interested in contributing. The pictures of the proposed buildings, which appear in this issue, may be of use in making contacts.

Another meeting of the student committee is scheduled for Wednesday, March 14.

Fisler Named Delegate

Robert Fisler, visual aids instructor, has been elected as delegate from district one of the Wisconsin Education Association to a west coast convention in July.

He will attend the National Education Association Convention in San Francisco July 2 to 7.

Pi Kappa Delta Will Begin Sale Of Stationery Bearing College Seal

The members of Pi Kappa Delta will begin selling stationery bearing the new college seal next Wednesday, March 14.

The idea of a college seal, a seal that would be a symbol of the spirit and philosophy of RFSTC, originated when a group of River Falls debaters journeyed to a tournament last fall.

With the help of Miss Marion Hawkins, debate instructor, the necessary steps were taken to formulate the idea. Louis Kollmeyer, art director, was asked to design the seal. This seal, which portrays a man and woman, represents the policy of this school to promote the interests of the students. The faces, symbolic of all River Falls' students, are turned toward a better tomorrow through their education.

The administration approved the plan wholeheartedly and with an OK from the Student Senate for the use of the seal, the members of Pi Kappa Delta purchased paper to be sold as school stationery bearing the new official college seal. Harley Wehrwein has made the necessary arrangements for the printing of the stationery.

Pi Kappa Delta hopes that other organizations will also use the seal for any appropriate purpose.

Funds received from the stationery sales will be used to purchase recognition pins for the members of Pi Kappa Delta.

Arnie Schultz Elected Toastmasters' Pres.

At a recent meeting of the Toastmasters Club, Arnie Schultz was elected president for the Spring term. Other officers elected are: Jim Kierstyn, vice-president; Leroy Young, secretary; Ernie Wallin, treasurer; Norman Noah, sergeant-at-arms; Ken Lemere, last term's president, is deputy governor.

Men students interested in joining Toastmasters are asked to contact one of the members or attend one of the meetings which are held every Wednesday at 5:30 p.m. in the Calico room South Hall.

The fundamental purposes of the Toastmasters Club are: (1) to aid its members to master the difficult art of public speaking; (2) to teach them to appear effectively before any audience; and (3) to train them for leadership, and for chairmanship in meetings of all kinds.

These purposes are accomplished through the standard club procedure, which includes speech practice, speech evaluation and parliamentary training. Toastmasters is more than a club — it is an education.

River Falls Debaters Attended St. Thomas College Tournament

Last Thursday, Friday, and Saturday the River Falls debaters journeyed to the St. Thomas Debate Tournament in St. Paul, Minn.

The teams of Jack Hanson and Ernie Gay, Dick Vilstrup and Heather Dopkins and Margaret Helmer were accompanied by Marion E. Hawkins, forensic instructor at River Falls State Teachers College.

St. Olaf won the men's division and Eau Claire won the women's division in the finals Saturday afternoon.

River Falls' girls team won four out of eight debates with 90 points; Vilstrup and VanTatenhove won four out of eight with 89 points, and Hanson and Gay won three of the eight preliminary rounds with 93 points. Heather Dopkins, Jack Hanson and Dick Vilstrup had 93 individual points apiece, Jim VanTatenhove received 81, Margaret Helmer 75 and Ernie Gay 91. The minimum team rating necessary for entering the quarter-finals was 112.

Dopkins and Helmer met the U. of Minnesota, U. of Nebraska, Bradley, U. of Illinois, Augustana, U. of Rock Island, Ill., Hamline U., Macalester College, Northwestern Schools, and Nebraska State, Wayne, Neb.

Gay and Hanson met Concordia U., St. Cloud, U. of Nebraska, Bradley U., Eau Claire State Teachers, Augustana, Omaha U., and the U. of Illinois, Chicago, Ill.

Vilstrup and VanTatenhove met the U. of Wisconsin, Hamline U., U. of Chicago, U. of Omaha, Augustana, and Eau Claire.

Of the 90 debate teams from 38 schools, 16 entered the quarter-finals Saturday morning. In the

nine divisions there were two Northwestern Schools teams, St. Thomas, Luther College, Kansas State, St. Olaf, U. of Kansas, and Nebraska Wesleyan. The College of St. Catherine, Augustana, College of Western Michigan, Eau Claire, St. Olaf, Nebraska Wesleyan, and Luther College had a team enter the quarter finals in the women's division.

Luthereans Plan Banquet For Tuesday, April 10

Lutheran students will hold their annual banquet on Tuesday evening, April 10, in the church parlors. A program is planned with Pastor Bill of the University of Minnesota campus as the main speaker. Tickets may be obtained from any of the LSA members.

On the week-end of April 27-29, the local student group will be host to the Land O' Lakes Regional Workshop. Approximately 100 delegates and officers from 12 colleges in Minnesota and Wisconsin will attend. A complete program is planned; registration and mixer Friday, business meeting and discussion groups on Saturday, banquet Saturday night, and closing services on Sunday morning.

New College Seal

The Critic's Corner The Wizard Says --

by Margaret Anderson

Alan Peabody did a superb job of a difficult assignment in dramatizing "The Double Axe" of Robinson Jeffers. The experimental drama was presented February 28 in the college auditorium.

The outstanding role, Hault Gore, was played by the director, Mr. Peabody, who did a convincing performance as a dead man who has come back to life. One could feel, along with Jeffers, a hatred of mankind.

The scenery was well done and the lighting gave an interesting effect. There was some expression of opinion in the audience that the play was "shocking" and that some of the language and implications might have been omitted. The drama remained true to the way Jeffers wrote, following the poem closely. This writer feels it is time college students were exposed to unorthodox ideas and other ways of life than their own.

Technically there may have been many things that could have been improved. The adult-minded in the audience, however, seemed to enjoy the production.

From Our Files

One Year Ago

Charles Schillburg and Jerry Finn competed in their last collegiate debate at the Northwest Tournament, March 2 and 3, at the college of St. Thomas.

Shakespeare's "Othello" was presented by the college Masquers. Robert Demueling played the part of Othello.

The Falcons meet Eastern Illinois State tomorrow. It is considered the fourth best team in the 32 team tournament.

Seven Years Ago

Soldiers, sailors, and marines have been back on the campus in the past two weeks. They are former RFSTC students. Baldwin captured the 1943-44 Tournament Championship by defeating River Falls 25-18.

Fifteen Years Ago

Fifth Annual Spring Band Concert will be held March 23.

Captain A. Hasselt, commanding officer of CCC Camp at Ellsworth, tells of Arctic Flight before history club.

Falcons start spring football practice in preparation for strongest football schedule they have had in years.

Nineteen Years Ago

Music pupils of Miss Wharton will give a program on Wednesday.

Sixty members of the Honor Society will be entertained Saturday evening in the social room. The affair is being given by the faculty members.

by D. D. T.

Congratulations to Joe Anderson and Jean Jancoski. They were married this week-end.

The lingerie manufacturers' song: "Underwear My Baby Is Tonight."

The report from the boys who took their physical in the Cities is— If you can walk and talk you're in!

His face was flushed, but his broad shoulders saved him.

I have been asked to request those people who are eating bananas on the third floor of South Hall to please throw the skins in the waste basket.

A RF student would like to find a girl. She must be 21 or over, 5 ft. 4 in. tall, blonde hair, blue eyes, have a 36:24:36 figure, and be able to get her hands on at least \$100,000.00. Anyone qualifying may get in touch with him through the Student Voice.

It doesn't amaze me so much that they can get milk from peanuts, but how can they find a stool low enough?

The Badger Room seems to be taking over as a place for college students to hang out. Especially on week-ends.

Then there were the two nudists who quit going steady because they were seeing too much of each other.

"Am I the first boy that ever kissed you?"
"You being funny or working for Kinsey?"

This is the best I could steal:
Little Miss Muffet decided to rough it
In a cabin quite old and medieval.
A rounder espied her
And plied her with cider
And now she's the forest's prime evil.

"I didn't raise my child to be fiddled with," said the cat as she rescued her child from the violin factory.

The snow was falling softly. The scene was beautiful winter time. Poetically spoke the senior as he turned to his freshman date while riding in a sleigh: "Winter draws on."

Freshman girl: "Is that any of your business!"

That sit.

Little Man On Campus

by Bibler

"I'd say something to Professor Snarf, only Lord knows we're not paying our instructors enough."

Safe Branch in War?

Dr. R. C. Cook, president of Mississippi Southern college, recently set down four reasons why college students should wait to be drafted rather than enlist. These reasons, as published by the Student Printz, were as follows:

"With the emergency over, the drafted soldier gets the final discharge—the professional (volunteer) soldier waits until the end of his four-year enlistment."

"The drafted college student goes into the army with a heterogeneous group. From the first, he stands out as a leader. In a new organization promotions are fast, and college men are eagerly sent to Officer Candidate School..."

"Will you be safer if you choose the Navy, Air Corps or Marines? There is no 'safe' branch of the service in time of war..."

New Theme to be

"We Love Russians"

by Jack W. Hanson

Every day at least one more hair-brained scheme to win the "peace?" with Russia is proposed somewhere.

The new secret weapon propounded by the Yugoslavs is a case in point. It seems that the military strategists in the land of Tito are not strictly militaristic, they also know psychology.

They purchased a couple million dollars worth of cheap Swiss watches to be used in case of invasion. The watches would be catapulted into the enemy lines and in the mad scramble for watches it would be a simple matter to round up the Ruskies.

Last week, 23 United States Senators came up with an equally hilarious proposal. But on consideration it might have its point.

The Solons are in favor of "killing the Ruskies with kindness." They feel that at heart Ivan Kuznetsov, the Ruskie counterpart of our own John Doe, is a very soft-hearted, kind, considerate, friendly, jovial, and honest fellow. He is in short the guy all the girls dream about.

Senator McMahon of Connecticut feels that the average Russian is a sucker for sentiment. He weeps for joy over a long lost friend and has a regular field day using terms of endearment in even casual relationships.

So, it seems logical that if we swamp Ivan with leaflets and pamphlets phrased like elementary school love letters it will make the average Ivan Q. Citizenski feel very friendly toward us.

The senators want to tell Ivan: "Ivan, we love you. We'd love to be friends with you. We'd love to visit you and sit down at your table and swap yarns with you, and give you a hand when you need it. But your boss won't let us. Your boss has sealed you up because he doesn't trust you. You are his prisoner. What a pity! We could be such great friends!"

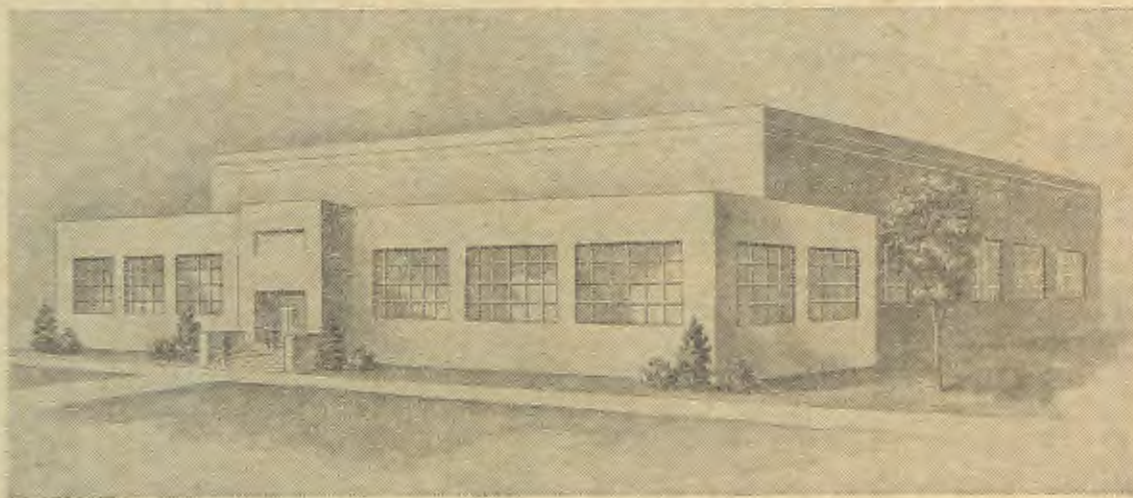

When are we going to realize that because a person does not live in the United States he is not ipso facto a moron.

Undoubtedly such a letter would stir dear Ivan to the quick, and set him to slobbering in his vodka.

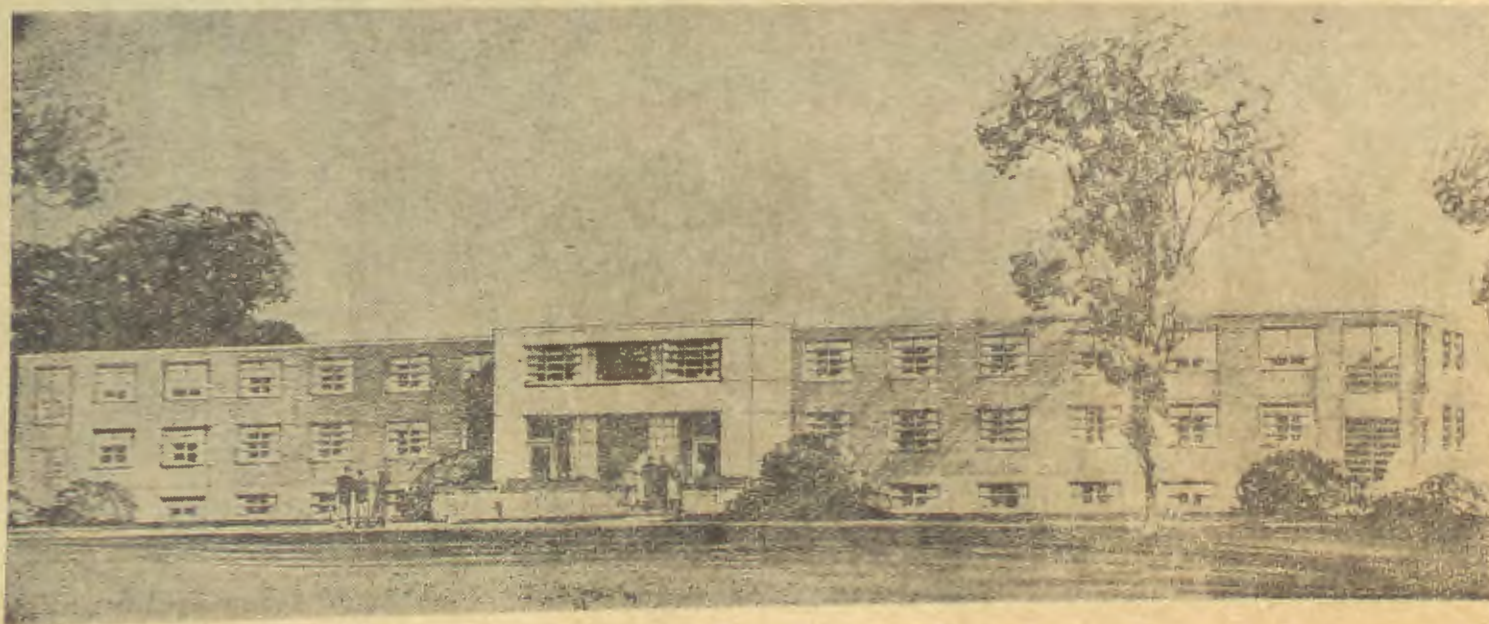

Propaganda has its purpose, but let's give Ivan credit for having at least as much intelligence as the man on the street in the United States.

Team, Field Rebuilding Delays Home Baseball

by Bob Potosnak

With the close of the basketball season, thoughts have turned to Spring and the coming of baseball. With two feet of snow on the ground and zero degree weather it doesn't seem like baseball will soon be here, but in a little more than a month the first game will be played.

The Falcons will have to do a lot of rebuilding before they take the field. Lost from last year's team are ten lettermen, four of whom comprised the infield and three the outfield. Seven lettermen will be out for Spring practice: pitchers, Bob Salmon and Keith Riley; catchers, Bud Fossen and Bill Morgan; infielders, Dale Kannel, Howard Matthias, and Harlan Nelson. The latter three will probably make up the nucleus for this year's infield with Don Barlow playing first base.

The pitching and outfield departments are decidedly lacking in manpower. With three double-headers on the schedule there

NOTICE
 All prospective baseball candidates report to the auditorium tomorrow afternoon, Tuesday, March 13 at 4 o'clock. Pictures of last year's World Series will be shown at this time.

should be five capable pitchers to handle the chucking duties. The outfield is similarly handicapped without a returning man left from last year's squad.

Bob Salmon will undoubtedly bear the brunt of the pitching duties the same as last year. Bob became a little round during the winter months, but that'll come off with some exercise, especially the 20 laps around the running track in the gym.

Last year the Falcons battled with Winona for the conference lead and came out second best with a 7 won, 3 lost record. The Falcons over-all season record was 8 won, 4 lost for a .667 percentage. Following is last year's standings for the Minnesota-Wisconsin College Conference baseball standings.

	Won	Lost	Pct.
Winona S. T. C.	9	1	.900
River Falls S. T. C.	7	3	.700
Mankato S. T. C.	4	4	.500
St. Cloud S. T. C.	3	3	.500
Stout College	3	7	.300
Eau Claire S. T. C.	0	8	.000

Baseball is starting a little later this year because it will take quite a while to put the new diamond in playing shape. The first two games are away from home for a similar reason.

A 12 game schedule will be played this year, six of the games going to make up three double-headers, two of which will be played here. Following is the baseball schedule:

- April 21, Minnesota State Prison — there
- April 28, Stout — there
- May 4, LaCrosse — here
- May 8, Eau Claire — there
- May 12, Mankato, 2 games — there
- May 15, Eau Claire — here
- May 19, St. Cloud, 2 games — here
- May 22, Stout — here
- May 25, Winona, 2 games — here.

Kuss Totals 384 in 12

Roger Kuss has topped another mark of his predecessor Nate DeLong, highest scoring player in national collegiate basketball history.

Totalling 384 points in twelve Wisconsin State Teachers College Conference games this season, Kuss topped by 12 points DeLong's record total of 372 points last season. Kuss previously topped DeLong's record of 45 points in a conference game when he piled up 52 points against Eau Claire State Teachers College.

Kuss' feat is all the more remarkable when it is noted that River Falls lost eight of its twelve games this season. DeLong's record was made last year when the Falcons lead the conference. Counting both conference and non-conference games, Kuss scor-

ed a total of 502 points this season for an average of 26.4 a game. His conference average was 32 points. During the season he made 196 out of 388 attempted baskets for a shooting average of .505.

Humanities Professor to Discuss 'The Writer in our Society'

A thorough academic background in contemporary literature and a varied writing experience combine to qualify Edward Rosenheim for his discussion concerning the writer in our society. His evaluation will be presented at 10 a.m. March 20 in North Hall auditorium.

Mr. Rosenheim is examiner and assistant professor in humanities at University of Chicago, where he is currently a candidate for a Ph. D. degree.

While an undergraduate at University of Chicago, Mr. Rosenheim was editor of Pulse, a University monthly magazine. He has handled publicity and promotion for a variety of industrial, social service, religious and entertain-

ment enterprises.

Mr. Rosenheim has performed editorial work and publications production for several periodicals, among them Spires, a defunct Protestant journal. He has published criticisms and literary studies in such publications as Poetry: A Magazine of Verse, and Common Cause.

Currently Mr. Rosenheim is working on "The Satiric Method of Jonathan Swift." He also has written a study of Themiseul Saint-Hyacinthe, the 18th Century French satirist.

Mr. Rosenheim's lecture will constitute the final one in the series on "The Arts in Our Industrial World" which has been presented this season at River Falls State Teachers College through the cooperation of the University of Minnesota Concert and Lecture Service.

Edward Rosenheim

Dr. Wyman's Reviews Appearing in Journals

Dr. Walker D. Wyman, head of the history department, has had two reviews of books appearing in recent journals.

In the January issue of the Pacific Northwest Quarterly, Dr. Wyman reviews "Cowboys and Cattle Kings: Life on the Range Today," by C. L. Sonnichsen. In the winter issue of the Wisconsin Magazine of History, the local teacher reviews "Northwoods Sketches" by C. S. and Stella Osborn.

Dr. Wyman is currently writing a book entitled "Nothing But Prairie and Sky."

'Wrestling' In Gym Follows Boxing Bout

Attendance picked up markedly Wednesday at the sophomore all-school dance following the Jersey Joe-Ezzard Charles bout. When the fight was over, many students came in to display the new steps used by the heavyweights.

Some observers attributed the larger attendance to the snow storm, feeling that the wind blew them in. Music for the dance was furnished by the Falconaires.

CIGARETTES

FOR YOU

PROOF of MILDNESS

"When I apply the standard tobacco growers' test to cigarettes I find Chesterfield is the one that smells milder and smokes milder."

Statement by hundreds of Prominent Tobacco Growers

PROOF of NO UNPLEASANT AFTER-TASTE

"Chesterfield is the only cigarette in which members of our taste panel found no unpleasant after-taste."

From the report of a well-known Industrial Research Organization

LEADING SELLER IN AMERICA'S COLLEGES
