Former Ag Head, John May, Dies

Prof. John M. May, director of the Division of Agriculture at the College from 1918 to 1958, died early Saturday morning at the Hudson hospital. He had been ill for several weeks after suffering a cerebral hemorrhage.

Mr. May joined the staff at River Falls in 1913, just a year after the agriculture department was established.

He was born July 27, 1888, in Marquette, Neb., but his family moved to Manhattan, Kansas, when he was two years old. He received the B.S. degree from Kansas State College and the M.S. degree from Cornell University. He did additional graduate work at Ohio State University.

Twelve delegates from the college will be taking part in the second annual Wisconsin State College Publications Association Conference, May 1 at Stout State College, Menomonie.

The participating schools will be LaCrosse, Eau Claire, Superior, Stevens Point, Stout, and River Falls.

At the conference there will be sectional meetings for those working with yearbooks, newspapers, and photography. Those attending the yearbook meetings will be Judy Johnson, junior from Hudson, Pat Lind, junior from Minneapolis, Harriet Kettelkamp, junior from River Falls, Sue Christensen, junior from Lomita, California, and Mr. Jim Harless, advisor to the Meletean. Warren Rogers, sophomore from Barron, Bill Finlan, junior from (Continued on page 6)

He married Miss Mabel McDonald of Manhattan, Kansas, on August 26, 1912. Prior to joining the River Falls faculty, he had taught in high schools at Central City, Neb., and Rochester, Minn.

Funeral services were this afternoon in the First Congregational Church where he was a member. Officiating was the Rev. John Merner. Burial followed in Greenwood cemetery with faculty members of the Agriculture Division serving as pallbearers.

John May

Surviving are Mr. May's widow and two sons, Donald of Niagara Falls, Canada, employed by the North American Cyanamide Co., and James of Minneapolis, employed by the Ford Motor Co. Also surviving are a sister, Miss Nellie May of Manhattan, and five grandchildren. A brother, Jesse May, died recently while visiting in River Falls.

During his 40 years as director of the Division, Mr. May was responsible for the training of approximately 950 men in the field of vocational agriculture. He was widely known in agricultural circles throughout the state. Many of his former students were present three years ago to pay tribute to him at a testimonial banquet at the college.

He retired last June as director of the Division of Agriculture but continued to teach courses during the fall quarter this year.

IMPORTANT SENATE NOTICE

MAN, HOME WAS OUR CASTLE!

But Only Audience Left Up in the Air

The audience will never forget the band they never heard. The Jimmy Dorsey Orchestra left a nearly filled auditorium up in the air Wednesday when it failed to appear for a scheduled two hour concert.

The confusion and misunderstanding resulted from the distribution of contract copies. The Social Committee signed a contract with the Music Corporation of America and returned the contract to their Chicago office.

MCA then forwarded the contract to Lee Castle's Personal Manager located in New York. He signed the contracts stating the Dorsey Orchestra would play at River Falls, April 22, at 8 p.m. Lee Castle's Personal Manager returned a signed contract to the MCA and the Social Committee.

Only one thing was wrong with this complicated circle — Lee Castle was left out. The band finished its engagement at Madison and was under the impression it had an off-night Wednesday so remained in Madison.

The Editor Speaks . . .

.. "And though Time, flying year by year,
Brings those who never knew his power,
His spirit always hovers near . . ."

"Professor May's 44 years of service to his students, the college and the state is the type of accomplishment that will continue to make itself felt in the future." This pair-of quotes expresses full the feelings of those who knew and worked with Mr. May and those who will continue to benefit from his many contributions.

When Mr. May came to the River Falls campus in 1913 (one year after the agriculture department was established) it was the only college devoted to training vocational agriculture instructors. The department occupied part of the third floor in South Hall and 80 students were enrolled in the two-year course. Through his diligent work the agriculture curriculum grew to a three-year course in 1922 and in 1927 was again enlarged to cover a full four year course.

The breadth of Mr. May's popularity was evidenced when he was the guest of a testimonial dinner in 1956. He received a bound file of letters in which every state of the union was represented by testimonials.

In November of the same year he received an award for a "Lifetime of Service to the Welfare of Wisconsin Citizens and Agriculture Education".

The death of Mr. May is a great loss to our state and college but his work and contributions will never be forgotten. He is one of the college's foundation stones.

Senate Asks Students To Consider New Plan For Health Insurance

A new program of student health protection is under consideration by the Student Senate. The present student insurance program includes only accident protection. The Student Senate would like to know the reaction of students toward an insurance program which would include sickness and accident.

The cost of the present program is \$6 for the school year and \$9 for the entire year. Premiums on the proposed new plan are \$18 for the school year and \$24 for the entire year.

For each accident causing injury, the policy will pay up to \$750 to cover medical expenses incurred within 52 weeks of the date of each accident occurring during the policy terms. Any number of accidents will be covered and no limits are set as to the amount payable for each expense other than the limit on the total payment for any one accident.

Sickness benefits are designed to provide sickness protection to the student while he is at school or away. For each sickness causing the student expense commencing during the policy term, the company will pay for the expense according to the following benefits:

When the student is confined in a hospital, the company will pay the room and board charges up to \$10 per day with a limit for each sickness of 30 days.

When the student is confined in a hospital, the company will pay up to \$100 to cover all necessary and prescribed hospital miscellaneous expenses.

The company will pay surgeon's fees from \$7.50 up to a maximum of \$225 according to a surgical schedule.

The company will pay up to \$3 per visit when the student is confined in any hospital with a total allowable for all calls for each sickness of \$90. When a student is not hospital confined, visits by or to a doctor are covered up to \$3 per call, beginning with the third call, to a limit of \$75 for each sickness.

If a private nurse is required when the student is hospital confined, the company will pay up to \$12 per 24 hour day for such services of \$120.

The items not covered by the insurance are services rendered by the School Health Service; declared or undeclared war, or any act thereof; injury sustained or sickness contacted while in the armed services; eyeglass replacement or prescriptions thereof; aviation accidents other than to passengers on scheduled commercial airlines any where within North America; dental treatment, except that made necessary by injury to natural teeth; preventive medicines or vaccines, pregnancy, childbirth, or miscarriage; and injuries sustained as a result of the play or practice of interscholastic sports. Participation in intramural sports is covered by the policy.

The Student Senate asks students to compare the present program with the proposed one and express their opinions to any senate member. Any student who desires to find out more about coverages ask Patty Ross or come to the student senate meeting, preferably on May 4.

Citizenship Group Tells Of Summer Intern Plan

The Wisconsin Citizenship Clearing House has announced its Congressional Internship Program, which will begin June 8. The program enables students to see government in action by spending a week or one month in Washington in the office of a member of Congress from Wisconsin.

Any junior student at River Falls, or any Wisconsin college or university, public or private, may apply to attend. Activity in Young Democrats or Young Republicans, or regular party organization will be given weight in the choice of interns.

Each college screens its applicants, submitting two. Six students will be chosen from the state by a committee composed of a leading member of each political party, and a third member from education, not affiliated with any particular college.

Two of the winners will stay in the nation's Capitol for a month and four of the winners will stay for a week. Either or both time periods may be applied for. The

interns will be assigned to a Democrat or Republican with each student allowed to state his preference.

The Wisconsin Citizenship Clearing House is a state affiliate of a national organization devoted to promoting student interest and participation in politics. The state headquarters is on the campus of the University of Wisconsin.

The Clearing House will give each congressional intern \$100 toward his expenses for the week and \$350 for the month.

During the summer of 1957 Harold Greenhill, a 1958 graduate of River Falls, went to Washington as part of the program.

For applications and further information see Dr. Charles Graham of the social science department.

Dr. Foote Will Speak On 'Existentialism'

"Existentialism — From Job On" is the title of a lecture to be given by Dr. Arthur Foote Sunday, May 3, at 8:15 p.m. at the Glen Park Lodge. Dr. Foote is the pastor of the Unity Church located in St. Paul.

The Unitarian Fellowship is sponsoring this lecture as a prelude to Fine Arts Week.

College Plans Aid in Making Moisture Test

County Agents from four counties in the area will meet with Dr. Eliahu Wurman, assistant professor of soils and geology at the college to discuss a soil-moisture survey of the four county area.

The meeting is scheduled for Wednesday, April 29, at 7:30 p.m. in the agriculture building. The survey is being considered to facilitate crop planting and fertilization with the soils department of the college running the moisture determinations. Sampling procedures will be planned at the meeting.

Attending will be Bernard Drevwiske, Pierce county agent; E. E. Anderson, St. Croix agent; Howie Kuhn, Dunn county agent; and T. Parker, Pepin county agent. Others interested are also invited to attend.

Freeman Wins Third Game; Falcons Split with Winona

The Falcon's baseball team snapped Winona's five game winning streak Tuesday by capturing the first game of a twin bill 3-2 in nine innings. The Minnesota Redman came storming back to take the second tilt 11-5.

Bill Freeman won his third straight game of the young season, scattering six hits and setting 10 Redmen down on strikes. He needed help in the ninth and Mick Lauber came in to provide the stopper.

Bill Halverson, leading Falcon

hitter, led off with a single and Al Suezaki rapped a befuddler to the shortstop to set up the Pagemen's first two runs. Frank Gombold rapped out the clutch single, good for two RBIs.

The Redmen were unable to get to Freeman until the fourth when Johnson collected a triple. Bob Rogneby then found the range for a round tripper and Winona added one more in the sixth to knot the score at 2-2.

In the top of the ninth Don Swanson collected his first hit of the season and then raced to third when Halverson singled. The tie breaker was pushed in on a singleton by Suezaki.

Winona collected nine hits in the second game and also capitalized on five Falcon errors and eight free passes.

The Falcons again jumped into a first inning lead using three hits, two errors, an error and a balk to score three runs. Winona tied it up in the second.

After the Pagemen had again taken the lead in the top of the third with a brace of runs, the roof fell in on Mick Lauber when the Redmen came to bat in the same inning. Grob and Montgomery rapped out singles, Lauber appeared to settle down as he got Ring to fly out to Gombold and Gruden went down on strikes.

Gordie Hoff relieved Lauber after he preceded to give up another single and a walk. Before the disastrous inning was over the Redmen sent 12 men to the plate and took a 9-5 lead.

Gaspar took over the Winona pitching chores in the fourth and allowed one hit the remainder of the game. The Redmen picked up single runs in the final two innings to hand the Falcons their worst defeat of the season.

Sprenger Dashes To New Record In '100' With 10.0

Frank Sprenger, fleet-footed Falcon dashman from Hayward, smashed one school record and tied another Saturday but his brilliant efforts were in vain as LaCrosse racked up a 102½ - 48-8½ win in a triangular meet in LaCrosse.

Sprenger reeled off the amazing time of 10.0 seconds in the 100 yard dash to tie Rog Huser's mark set in 1956 and followed it with an equally amazing time of 21.9 in the 220 to break Huser's .22 flat. Huser, the Falcons' other fine sprinter, had to take a back seat on this clear cool day as Sprenger forged ahead from the start and held his lead to the end in both events.

Del Mottaz also set a school record as he soared 11' 3" in the pole vault event. He also placed third in the javelin toss.

Fred Colman turned in a sparkling time of 52.8 in the 440 but had to settle for a poor fourth in the 880.

The Falcons were without the services of distance man Dan Teetzen.

FREELOAFERS WIN AS GREEN STARS

With Ralph Green blasting the pins all over the place, the Free-Loafers smashed to the intramural bowling championship by dumping the Lakers last week. Green averaged a glittering 194 for the nine games during the playoffs. He carried a 178 average for the entire season.

The FreeLoafers had to knock off three teams before winning the title. First they bowled over the Grubbs from the "A" league and then they downed the Jokers who gained the semi-finals by whipping the Greenwoodites.

Green rolled scores of 231, 204, 203, 201, and 200 in the playoffs and carried the FreeLoafers on a crest that began about mid-season. After hanging back in fourth place for much of the campaign, the FreeLoafers suddenly caught fire and with Phil Knuf and Green leading the way shot to the top of the standings to stay.

Other members of the winning team in addition to Knuf and Green were John Nelson, Gordie Nelson, Ron Losness, and "Curly" Hanson.

River Falls' 11 Errors Give Stout First Game; Charlie Johnson Hurls 3-Hitter To Win Second

Falcon Tennis Team Loses

River Falls' tennis team lost its second straight meet of the season bowing to Stout 7-2 Saturday on the Falcon courts. The victory made it two in a row for Stout since they had downed the Falcons last year for their only win of the campaign.

Again it was Steve Sandburg highlighting the show for River Falls. He won his singles match with Lloyd Hoettner in straight sets, 6-4 and 6-4. Bill Hanley garnered the other win for the Falcons as he won his singles match. He was forced to the limit to win the first 7-5 but copped the second with comparative ease by a score of 6-0.

Keith Ronningen won his first set, 6-2, but lost the second 7-5, and dropped the final by 6-2.

Hanley and Paul Anderson shot off to a good start in their doubles match winning the first set 9-7 but then dropped the last two by identical 3-6 scores. Al Rosenthal and Bob Graham did the same, winning the first set and then losing the last two.

The Falcon team faces a heavy schedule of activity for this week with two matches arranged

for sure and a third match ranking as a definite possibility. Friday they will have a return engagement with Bethel's Royals in St. Paul and Saturday they meet Eau Claire on the Blue-golds' court. Eau Claire may be here for a match Thursday afternoon if the details can be worked out.

by Ed Schlumpf
River Falls' charitable baseball team fell all over itself in generosity Saturday committing 11 blundering errors in handing Stout the first half of a doubleheader, 13-2. Charlie Johnson made his first start of the season a successful one, setting down the Bluedevils 6-1 on three hits in the nitecap.

First Game
The issue was never in doubt after a first inning that bordered on comedy. Stout pushed across seven runs as 13 men batted in an inning that saw River Falls commit three costly errors, allow one passed ball, and contribute some erratic pitching as well.

Bill Freeman, who entered the game with a 3-0 record, just didn't have it and his mates didn't either. The first man up led off with a single and the merry-go-round was started.

The next man walked and the third smashed a hard single to right. Frank Gombold rifled a strike to Howie Madsen at home to cut down the score but Madsen dropped the ball as he applied the tag. Don Swanson's error allowed Duke Severson to reach first and there was still nobody out.

At this stage, Freeman settled down but the rest of the squad was still in a charitable mood. Madsen threw the ball into center field on a pickoff attempt and another run scored. Freeman got two batters to fly out but the following hitters clubbed a triple and a double and the slim lefthander was through for the day.

Mick Lauker came in to put out the fire but he faced six men before retiring the side and the Falcons trailed by 7-0 before they even had a chance to bat.

It didn't make much difference because Stout righthander Denny Chase handcuffed the Falcons with five hits. River Falls did manage two runs in the fourth when Swanson walked, Lauber doubled and Bill Halverson drove both home with a single.

Falcon generosity was by no means limited to the first inning, however. One error in the second inning, four in the third, one in the fifth, and two more in the seventh gave Stout all the help it needed.

Only Frank Gombold and Halverson played up to par in this wild woolly affair.

Falcon Athletes Face Heavy Slate

by Tom Barry
All four Falcon teams — golf, tennis, track, and baseball — will be in action this week. Of all the events scheduled, only one will be played at River Falls. That will be Tuesday's baseball game with Bethel. The rest of the time the Falcons will be on the road. Ben Bergsrud's golf squad will begin a busy week of action tomorrow when they travel to LaCrosse. Friday, May 1st, will find the team at Como Golf Course for a meet with Bethel. On Saturday the squad will journey to Eau Claire for a meet beginning at 1:00.

Wednesday morning the track team will leave for Stevens Point where they have a meet with the Pointers that same afternoon.

Tomorrow afternoon the baseball team will entertain Bethel at Ramer Field. On Saturday the Falcons will travel to Eau Claire for a doubleheader with the Bluegolds.

George Johnson's tennis team go against Bethel on Friday at 1:00 in St. Paul. On Saturday the court crew will again be on the road with a meet at Eau Claire starting at 1:00.

On Saturday, May 2nd, Eau Claire will be host to the tennis, golf, and baseball team.

Second Game
Big Charlie Johnson salvaged the second game of this conference-opening doubleheader by twirling a neat three-hitter to win 6-1 behind an erratic hitting attack. The Falcons stranded the almost unbelievable total of 15 men on the bases in the seven-inning game.

Just when it looked like River Falls was going to have a big inning, the side was retired and two or three men would trot out to their defensive positions dejectedly.

Six men batted in a hectic Charlie Johnson first frame but nobody scored as Rog Piehl ended the inning by flying out with the sacks full. The situation was the same in every inning thereafter but Johnson got all the support he needed when the Falcons scored three runs in the second. The big righthander struck out five and walked just two in this his first game on the hill for the Falcons.

Despite the Falcons' inability to produce runs, several bright spots did appear in the second game. One was the return to form at the plate of third-sacker Don Swanson. He went two-for-three and showed definite signs of shaking off a slump that has plagued him since the season's outset. Duane Teska also banged out two base blows and may also be on his way to recovery from a hitless spree that has impressed no one.

The second highlight was the return to action of outfielder Jim Larson. Due to an injury and practice teaching commitments, Larson has seen only limited practice this year and had played in no games at all. He managed only one hit in six trips Saturday but hit the ball hard on several occasions.

EC Linksmen Win Tri-Team Meet Saturday

Eau Claire State won a closely contested golf meet at the River Falls Golf Club Saturday by edging the River Falls State squad 19-18½. Stout the third entry in the triangular match finished with 7½ points.

For the second straight week the Falcon squad captured a share of medalist honors. Jim Hallen and Jack Baldwin both clouted scores of 77 to tie with Eau Claire's Frank Schrader for low total.

In individual matches Ben Bergsrud's boys dropped a tight 8-7 count to the Bluegolds and then rallied to stomp Stout 14½-3½. Eau Claire also racked up an easy 11-4 triumph over the Menomonie aggregation.

Baldwin proved to be the big point getter for the locals on the strength of his 77 in the number five position. Hallen picked up four points in the number two spot as did Bergsrud's fourth man, Jerry Stern.

Complete results are as follows:

Number one men: Herb Brown (EC) 80, Bob Eggleston (S) 80, Ralph Ryan (RF) 82.

Number two men: Jim Hallen (RF) 77, Dick Green (EC), Jim Schlumpf (S) 90.

Number three men: Frank Schrader (EC) 77, George Derleth (RF) 85, Lloyd Wiberg (S) 90.

Number four men: Jerry Bass (EC) 83, Jerry Stern (RF) 84, Bob Lorenz (S) 94.

Number five men: Jack Baldwin (RF) 77, Bill Goldsmith (EC) 81, Wally Klosterman (S) 95.

Number six men: Val Barrows (RF) 79, Willie Larkin (S) 89.
