

'Angel' Production Ready to Open

by Darlene Erickson
 "Look Homeward, Angel," a three-act serious comedy, will be presented at 8 p.m. Wednesday, Thursday and Friday on the stage of the Little Theater.
 The production is under the direction of Dr. Blanche Davis, head of the speech department. The technical work and scene construction is supervised by Dr. Richard Borchardt, new member of the drama faculty.
 Written by Ketti Frings the

play is based on the novel by Thomas Wolfe. The play won the Pulitzer Prize for drama and the New York Critics Award in 1958. It first was produced on Broadway in November, 1957, with Jo Van Fleet and Anthony Perkins heading the cast.

The story takes place in a small North Carolina town in the early part of this century. It centers around the lives of the Gant family at Dixieland, the boarding house they operate.

The play exploits themes of selfishness, a search for truth, dissatisfaction with oneself, a struggle for power and the despair failure. Contrasting these themes are a tender love affair and also the memories of happier days.

Heading the cast is Mrs. Donald Brod, who plays Eliza Gant, the selfish wife and mother. Her son, Eugene, is played by Robin Hoover, who was voted the best high school actor in South Dakota in 1958. The drunken, dissatisfied father and husband, W. O. Gant, is played by Dave Madis, a veteran performer in college productions.

Barbara Webb portrays the young Laura James, a guest at Dixieland. Paul Kelly is seen as Ben Gant, the tragic older son. Supporting roles are played by Jim Rankin, Joyce McKinley, James Schwenk and Tom Brucks. Other members of the cast are: Ray Christianson, Beverly Voight, Beverly Monette, Sandra Appleby, Sandra Anderson, Ernest Jurgens, Roy Gieseker, Steve Hay and Darlene Erickson.

Heading various crews for the production are: Jim Hay and Jim Rankin, scenery; Mavis Grover, costuming; Tom Fuzer, lighting; Joyce McKinley, properties; and James Schwenk, sound effects.

The public is invited to attend any of the performances.

Background of Christianity Topic for Peterson Lectures

Dr. Edward Peterson, professor of history at Wisconsin State College at River Falls, will present a series of ten lectures covering the background of Christianity. They will start Tuesday, Nov. 1, at 7 p.m. in the South Hall of the College. The cost for the series will be \$2.

Dr. Peterson earned his Ph.D. in history at the University of Wisconsin in 1953. While at River Falls he has incorporated religious history into the course, history of Western civilization, by offering lectures on various ancient religions, the origin of Christianity and its development, the nature of medieval Christianity and the Reformation.

Preparation for these lectures has encouraged him to continue an earlier interest in religion. Until becoming interested in history, Dr. Peterson held religion as his primary concern, serving for a time as a lay-minister.

Starting Nov. 1, he will try to present an objective non-sectarian analysis of this major thread in western civilization. The lectures will emphasize Christianity in history—how the Christian faith has affected and been af-

ected by its historical environment. It will begin with the Judaic background of Christianity and reach, it is hoped, the present status of Christian thought.

The lectures are open to both college students and the general public. They are sponsored by Gamma Delta and Lutheran Students Association.

FHA RELEASES FUNDS FOR DORM ADDITION

Federal funds were released last week for construction of dormitories at the Wisconsin State Colleges during the next two years. Included in the loan of \$6,960,000 from the Federal Housing Administration is \$325,000 estimated as the cost of the wing on Hathorn Hall, women's dormitory at River Falls.

The new dormitory wing is expected to house at least 120 coeds. Construction on the project is likely to begin before the end of the current fiscal year, July 1.

MAIN SPEAKER at the Saturday afternoon dedication ceremonies at the College Farm last week was J. P. Schaezner, agriculture engineer for the Rural Electrification Administration. (Photo by Blegen)

Russian Movies Coming to Campus During November

Two Russian films will be shown on campus in the near future, according to Dr. Edward Peterson, professor of history and instructor of the current course of Russian history.

The first of the films to be shown is "Lenin in October," scheduled for 4 p. m. on Wednesday, Nov. 9. This is a true classic in Communist historiography, showing the Russian Communist version of Lenin's role in the great revolution. It has scenes of his coming back from exile abroad, his meetings with other communists, including Stalin, and of his arguing for "revolution now."

There is a description of his hiding in St. Petersburg with his red wig and faked toothache to avoid the secret police; and scenes of the overthrow of the anti-communist regime and the role played in that success by Lenin. Dr. Peterson states that this film, though heavily slanted toward the Communist propaganda would be invaluable to any person interested in understanding Communism, its early enthusiasm, and the yeader Lenin.

"Battle of Russia", the second film, is a series of battle films taken by Russian war photographers of the first phases of the German attack in 1941. Scheduled for 4 p. m. on Nov. 16, it shows the early reverses of the Russians, the horrible winter of 1941, the atrocities of the Germans, the battle around Stalingrad and culminates in the victorious reconquest of the Soviet armies. "Though a wartime film which probably over-praises our ally and over-degrades our enemy," Dr. Peterson said, "this is a reasonably accurate description of one of the most horrible wars of all times."

Foreign Students To Present Talks

Three foreign students at Wisconsin State College at River Falls will relate the way of life in their respective native countries in a special public lecture at Hammond, Wis. on Wednesday, Nov. 2. The lectures, sponsored by the Hammond Civic League, will be at 8 p. m. in the Hammond Community Hall.

Speaking will be Bahzad Ben Bohloul, pre-med freshman from Tehran, Iran; Henry Cooper, pre-engineering freshman from Monrovia, Liberia; and Gloria Romero, freshman from Caracas, Venezuela.

Miss Romero came to the United States in 1958, and completed her high school work at Ellsworth, Wis., before enrolling at River Falls State College. Mr. Cooper and Mr. Bohloul both arrived this year at the beginning of the College term.

In their conversation, the students will discuss reasons why they decided to come to the United States, their opinion of relations between the U. S. and their respective nations, descriptions of the educational systems in their respective countries, and a brief sketch of their country's recreational and religious life.

Senator Wiley Will Discuss Foreign Affairs November 1

United States Senator Alexander Wiley, senior senator from

Wisconsin and the second highest ranking Republican in the Senate, will speak at River Falls State College Tuesday, Nov. 1, at 11 a. m. in North Hall Auditorium.

Sponsored by the young Republicans of River Falls, Senator Wiley will speak on foreign affairs.

The son of immigrants from Norway, Senator Wiley was educated at Augsburg College, the University of Michigan and the University of Wisconsin, where he received a Bachelor of Law degree.

Besides taking an active part in foreign affairs, Sen. Wiley has worked for many different things such as: financial assistance to small business, expansion of unemployment benefits, improvement of educational opportunities for youth, increases in social security benefits, dairy programs and many others.

The Editor Speaks . . .

Is there a parking problem at Wisconsin State College at River Falls?

This question has been the topic of some heated discussion on campus as of late, especially in the area of Prucha and Stratton Halls where tickets were recently placed on cars parked on Sycamore Street in a somewhat questionable manner.

The general consensus of opinion at the mens' residences — garnered from an admittedly unscientific but telling questionnaire — was that in the main parking facilities at the College are adequate although at times the situation becomes quite critical. The poll also revealed considerable resentment in that cars were allowed to park west of the dorms for nearly two months and then suddenly were ticketed with little or no warning. Actually, the defense of parking on Sycamore Street has become more of a discussion topic than the general parking problem itself.

Some of the reasons given for the removal of parking west of the dorms were that it hampered the flow of traffic along that street, that it was unsightly, that local residents have complained of blocked driveways, and that emergency vehicles might not be able to pass through. We would like to analyze these points.

It seems a safe guess that 95 per cent of all traffic on Sycamore Street from the Dairy Queen to the Corner Grocery is that of residents of the two dorms. We have yet to hear any of them make the complaint that they were bothering each other's flow of traffic. And certainly the cars were hampering less traffic on little-used Sycamore street than they do now where they have been forced to park on Cascade. According to the questionnaire, a very small number of the dorm residents felt that the cars were terribly unsightly.

The fellows were parking only on the east side of the street, where there is but one residence; although it certainly might happen, we have never seen the driveway of that residence blocked so that a car could not drive out of the yard. And with cars parked only on one side of Sycamore, there seems to be plenty of room left in which any mis-routed emergency vehicle might pass.

Students seemed inclined to accept parking in the questioned area on a limited basis. Perhaps there could be a 15-minute parking to enable drivers to load and unload near the dorms or to make fast stops at their residence. Probably parking could be permitted in that area on weekends only, to alleviate the loading-unloading situation and to save guests the trouble of climbing out of the parking lot. Possibly a drive could be built behind Prucha similar to that behind Stratton. We feel that almost any part-time parking arrangements would be better than the present situation of no parking at all.

AROUND THE CAMPUS

Psychology Club

The Psychology Club will meet Thursday, Nov. 3, at 7 p. m. in Rooms 101-2 of the Student Center. The speaker will be Dr. Peek, chief clinical psychologist at Hastings State Hospital, Hastings, Minn. Dr. Peek is regarded as one of the finest psychologists in the state of Minnesota. Refreshments will be served.

S. C. A.

The regular meeting of the S.C.A. will be held Tuesday, Nov. 1, at 6:30 p. m. in room 201 of the Student Center. YM-YWCA Camp Manikiki conference highlights will be discussed. Everyone is welcome.

Young Dems

The Young Democrats will campaign this week in New Richmond and in Hudson. All members interested in canvassing New Richmond Tuesday afternoon should meet that day in the Private Dining Room at 4 p. m. and those interested in covering Hudson Wednesday afternoon and evening should meet at 4 p. m. Wednesday.

Newman Club

The regular meeting will be held in North Hall Auditorium at 8 p. m. on Tuesday. Following the short business meeting there will

be a showing of the film "Operation Abolition." The film is put out by the F. B. I., and deals with the problem of communist infiltration in America. There will be choir rehearsal Monday at 6:30

Foreign Students

There will be a meeting of all students interested in joining the Foreign Students Association on Monday, Oct. 31, at 8 p. m. in room 103 S. C. Election of officers will be the main order of business.

N.C.T.E.

The National Council of Teachers of English will meet Monday, Oct. 31 at 8 p. m. in Rooms 101-2 of the Student Center. There will be a discussion of the novel "Elmer Gantry," and the group will then see the film version of the story which N.C.T.E. is sponsoring at the Falls Theatre.

Students who are interested in being candidates for chairwomen of the 1961 Winter Carnival are asked to contact the Student Senate as soon as possible. Three women must be chosen for the posts before the end of fall quarter. Candidates will be judged on the basis of campus contributions, leadership, originality, and responsibility.

Foundation Week Gets Point System

A point-system for the social and social interest groups for the coming Foundation Week activities was approved Monday night by the Student Senate. It was also decided to encourage all interested organizations not included in the point system to sponsor booths for the Midway.

All social and social interest groups which sponsor booths will be awarded 25 points. An additional 25 points is to be given to the booth which contributes the most money.

The "Ugly Man on Campus" contest will also come under the point system with entering clubs receiving 15 points. The winning campaign is worth 50 points.

Point totals through Homecoming are as follows: Vets Club 150; FFA 135; Pinochle Club 125; Y-Dems 90; Sitzmarkers 80; "R" Club 65; Y-GOP 60; Sigma Chi Sigma 55; Prucha Hall 30; Stratton Hall 5; Hathorn Hall 5. The International Club failed to pick up any points.

Arlyn Wollenberg Visits RF Friday

Arlyn F. Wollenberg, candidate for State Superintendent of Schools, visited the campus last Friday, talking to students and faculty in the Student Center.

Mr. Wollenberg stated he believes we are wasting taxpayer time and money in our primary and secondary schools by stressing the wrong areas. These areas he thinks are athletics and physical education, as well as extra curricular campaigns which set up psychological barriers to learning and involve student body time and effort while only a few benefit. He believes that eventually football will be eliminated from the primary and secondary schools and hopes that it will also be eliminated from colleges "in favor of more intramural sports types of exercise."

He feels that the colleges should develop a philosophy and maturity in their graduates and a sense of dedication to service rather than the spirit of crass materialism and hunger for dollars.

Wollenberg is the author of the book "Sumida," published by Comte Press. His second book, "School Junto," is in the manuscript stage. He is a veteran of two infantry campaigns in the Pacific Theatre of World War II, and is a graduate of Wisconsin State College at Oshkosh and of the University of Wisconsin.

Student Senate Minutes

President Ron Skone called the October 24 meeting of the Student Senate to order at 6:30 p.m. in Room 2 of the Student Center.

The secretary's minutes of October 17 were approved as read. Treasurer Smith reports a balance of \$699.32 in the Student Senate account.

Mary Ann Walsh, freshman from New Richmond, and Ben Stahl, freshman from Stillwater, were interviewed for positions on the Social Committee.

It was moved by Smith that the Student Advisory Council's recommended campus calendar be accepted by the Senate. Dennis Seefeldt seconded the motion which was unanimously carried.

Warren Rogers moved that a registration fee of \$15 be given to start an intercollegiate bowling

program. Dennis Seefeldt seconded the motion; motion carried.

Roger Christy, representing the Homecoming Committee, lists their total expenditure as \$1106.35.

Hanson moved and Hendrickson seconded a motion stating that all organizations be urged to participate in Foundation Week, with only social and social interest groups to enter the Ugly Man on Campus contest which will be based on the point system.

Hendrickson moved and Hanson seconded an amendment to read that the point system also be in effect for all social and social interest organizations who sponsor a midway booth. Roll call vote: Nay: Bergstrom; Aye: Rogers, Hanson, Smith, Seefeldt, Norrish, Wagenbach, Schmid, Skone, Hendrickson and Miller. Motion and amendment were carried.

Seefeldt moved and Miller seconded the use of the following points: 25 for entering a booth, 15 for entering a person in the U.M.O.C. contest, 25 points for the organization contributing the most money, and 50 points for the winner of the U.M.O.C. contest. The motion was carried.

Smith and Miller volunteered to meet with the Social Committee to discuss a social committee for the Student Center.

Wagenbach was excused at 9:02. Schmid moved for adjournment at 9:06. Bergstrom seconded the motion. Meeting adjourned.

Gridmen Face 'Kato Eleven Saturday in Season Finale

Fran Polsfoots' upset minded and patched up gridgers wind up the 1960 campaign next Saturday night at Mankato State.

Mankato clinched the Northern States conference title when they whipped Michigan Tech 20-6 two weeks ago. Tech had a nine game winning streak going into the contest.

Since an opening loss to unbeaten Iowa State Teachers and a 0-0 standoff with Winona, coach Bob Otto's Indians have rolled to five straight victories largely due to their two fine halfbacks, Larry McKeever and Joey Giammona.

Giammona, from Eau Claire, is living proof that you don't have to be a behemoth to play college football. Little Joe (5-5 and 143 pounds) has returned four kick-offs for 108 yards, four punts for 117 yards, and three intercepted passes for 95 yards. In addition, he has rushed for 201 yards in 22 carries—a 9.1 average. Giammona, who is a sophomore at State, capped off his brilliant season by being named to a first team berth on the Northern States all conference eleven.

Aside from Giammona the Indians boast a veteran team with the 16 lettermen returning from the 1959 squad, including their all-conference guard tandem, Marlen

Amos and Jerry Sylvester. Jim Siedl, an all-conference fullback in '59, is also back. Stan Kukuzke, who last year was chosen as "Mankato's Most Valuable Player", and was the Indians leading ground gainer in '59, won't be a round due to scholastic technicalities.

Mankato's line will outweigh the Falcon forwards by about 22 pounds per man. The Indians from end to end average 210 pounds while River Falls will average between 185-190 pounds per man.

However, this doesn't seem to perturb Coach Polsfoot, who is a firm believer in the old adage if you can't get through them, go over them with the well oiled arm of Robert Dawson. Dawson is hitting at about a 50 per cent clip through the air waves.

Polsfoot can't recall a Falcon team which has suffered as many injuries as the 1960 edition. The injury roster reads more like a roll call at the local hospital than that of a college football team. Tom Sackett, Ken Kraft, Gary Wagenbach are definitely out for the season and Ken Mouw, Duane Tollefson, Tom Overman and Fred Colman are doubtful starters in the Mankato game. The last four mentioned players comprise the first and second team end corps.

Out on a Limb -

by Garwin Lenander

Pro basketball has started with a bang. The Cincinnati Royals won their first four in a row, but Big Oscar can't carry them forever. The Royals and the Lakers should improve but poor Detroit.

St. Louis Hawks: This is the best team in the West. Bob Pettit, Cliff Hagen, and Clyde Lovellette are unmatched in either league. A new slimmer Woody Sauldsberry should really help here. Little Dugie Martin is gone and so is a great era. As usual a new coach is in St. Louis. This time it's Paul Seymour.

Cincinnati Royals: Oscar Robertson will either make or break the Royals. If he becomes a great star and the Royals finish second or he flops and the Royals finish last, I think he will be great. New coach Charlie Wolfe has one other great star in Jack Twyman. These two will be tremendous. A new coach, new style of play and the two superstars should bring Cincinnati its highest finish in years.

Los Angeles Lakers: The Lakers added Jerry West to go with Elgin Baylor. They also added Rudy LaRusso. It makes a great threesome, but 68,000 miles to travel before playoff time is too many miles. The Lakers need a pivot man and they don't have one. New coach Fred Schaws is in for trouble.

Detroit Pistons: At the bottom will be the hopeless pistons. They have only last year's freshman, the great Bailey Howell, and Gene Shue, the all-star guard. Where else are Dick Guire's boys going to get help? It must come from the rookies, and Detroit doesn't have any. Ron Johnson and Jackie Moreland are like babes in the woods.

NEXT WEEK the Eastern Division.

Due to the aid of Miss Bowman, the Farmettes plowed under the Shady Six last Monday night to become the 1960 W. R. A. champions. After interviewing a member of the losing team, it was found that Miss Bowman had a hand in causing the defeat of the Shady Six. It seems that she fed one of the members a large quantity of lemon sherbet topped with chocolate sauce just before the game. The team member felt this was one of the contributing factors in the defeat of her team. So a final thought to all athletes—don't eat lemon sherbet topped with chocolate sauce before a big game.

Falcon Fanfare

By Jim Norrish

The hustle and spirit of Peter Hubin will surely be missed on the gridiron next year. Not big as football players go, he made up for lack of size by determination and hustle.

The eight man football played at Shell Lake didn't seem much different to Pete than the eleven man played as he lettered his freshman year. He is now shooting for his fourth "R" of his college career. At Shell Lake, Pete was a four year letterman in football, basketball and baseball.

Pete at 160 pounds, tackles hard from his defensive linebacker position. Although hampered by injuries somewhat this year, he continues to play inspiring football. Mostly a defensive man, Pete is ready and able to fill the fullback spot any time Coach Fran Polsfoot calls on him.

A big thrill for Pete was playing on the '58 championship team. His biggest thrill and satisfaction this year was beating Stout, which darkened their homecoming.

After graduation Pete hopes to go into coaching. A major in bio-

Hubin

logy and a minor in Phy. Ed. will be the product of four years hard work.

The Hubin name shall still go on here at River Falls since Pete's brother Dan is a promising freshman tackle.

Point Rallies to Clip Falcons 35-25

by Ed Schlumpf

River Falls ran up its highest point total of the season but couldn't contain a fleet of speedy Stevens Point backs and dropped a 35-25 conference game in the central city Thursday night.

More than 100 enthusiastic Fal-

con backers had plenty to cheer about in the first three quarters, but the hurrahs turned to moans in the final stanza as the Pointers kept scoring while the River Falls attack sputtered.

The game was only minutes old when Pointer quarterback Bill

Kuse capped a 58-yard march by plunging over from the one-foot line. Mike Liebenstein's placement was good for a 7-0 bulge.

But the Falcons came swooping back as Bob Dawson hit Larry "Pork" Lloyd with a 47-yard touchdown pass that found the sophomore halfback wide open. The pass from center on the PAT attempt was bad so the Falcons trailed 7-6.

Duane Jensen gave RF rooters another chance to scream moments later as he put the Falcons ahead with a one-yard touchdown plunge. Mick Lauber's PAT gave the Polsfootballers a 13-7 spread.

The scoring parade was far from over, however, as Pointer speedster Jack Bush scooted over from 10 yards out following a sustained march of 69 yards. Liebenstein added conversion number two, and Central State forged ahead again at 14-13.

River Falls got the better deal on an exchange of punts when Lloyd fielded a kick on his own 15-yard line and electrified the crowd with an 85-yard scoring scamper down the sidelines. Lauber's placement was wide, and the Falcons retired to the bus with a 19-14 halftime advantage.

The Pointers' scoring machine kept grinding away in the third quarter. They took the second half kickoff and marched 65 yards again with Liebenstein on the final five on an off-tackle slant.

But the inspired Falcons were not to be denied as they surged from behind for the third time. This time it was a pass again. Dawson lofted one to Jensen, and the sophomore blockbuster barreled 39 yards to paydirt for a 25-21 River Falls lead.

Pounding away at the vulnerable spots in the tired Falcon line, the Pointers pushed over the go-ahead tally early in the final period. Liebenstein lugged it over from the four and Central State had a 28-21 spread. Bush added another one late in the period on a 32-yard jaunt. Starting on a swing around his own left end, the Pointer flyer came face to face with a host of Falcon tacklers so he stopped dead, turned around and raced 32 yards around his left end untouched. Liebenstein added his fifth straight conversion to make the final score 35-25.

Central State won the battle of statistics handily rolling up 26 first downs on 340 yards while RF managed only 9 first downs on 199 yards.

Linebackers Pete Hubin and John Rassbach headed the defensive corps with 9 tackles each.

St. Olaf Harriers Top Falcons 19-36

by Roger Pehacek

The Falcons cross country team dropped their third meet of the season last Monday, to a strong St. Olaf team 19-36. It was a cold windy day, but it didn't stop St. Olaf from gathering respectable times. Wze, Rogness and Pyvig took the first three places for St. Olaf. Wze's time for the 3.2 mile course was 16:41.

Martin Haider and Jerry Halvorson captured fourth and fifth for River Falls. Final results as follows.

1. Wze ----- St. O.
2. Rogness ----- St. O.
3. Pyvig ----- St. O.
4. Haider ----- RF
5. Halvorson ----- RF
6. Hove ----- St. O.
7. Kooser ----- St. O.
8. Thurston ----- RF
9. Nordquist ----- RF
10. Kelly ----- RF

Sportniks

by Swami Schlumpf

The weary wanderers returned to the roost Friday, satisfied that their beloved Falcons gave it all they had against the Central State Pointers.

The statistics made the game look like a runaway which it certainly wasn't. Point gained 340 yards on 26 first downs and River Falls managed only 199 on a mere 9 first downs. Again, the defeat could be attributed to our inability to gain on the ground and our failure to stop the opponents' running attack. In all fairness, it must be noted that the Pointers possess probably the finest set of running backs in the league next to Whitewater.

When speedster Jack Bush started around his left end in the final quarter he found himself confronted with four redshirted defenders. So he merely stopped, turned around and sped around his right end untouched for 32 yards and a score. The blinding speed of the Pointer hurriers spelled the difference in the end.

POOL REOPENS

The new college swimming pool was closed a week ago yesterday because of lack of attendance the previous week. Two life guards had only one swimmer to worry about as balmy weather kept students outdoors hunting, golfing, etc. But Ben Bergsrud says he is confident that the pool will continue to remain open in the future and that students will take advantage of the weekend recreational asset.

LADEWIG HERE

Chatting with "Skin" Collins the

other day, we found out that Friday, Nov. 11, will be a red letter day at the Collins Lanes. Marion Ladewig, Women's National Match Game Champion for five straight years, will be on hand at 3:00 p. m. to offer free instructions to anyone desiring help with their bowling problems. Then at 7:30 that night, she will roll an exhibition match game or series with a local bowler to be determined next week.

She set an all-time record for both men and women in 1951 at the All-Star Tourney when she averaged 247 for eight games! The proud possessor of a multitude of trophies and records, she undoubtedly will have numerous tips and suggestions for any bowler that needs the advice. Mark down the date. I have.

Some people don't appreciate our using "Polsfootballers" to describe the Falcon grid team. They may be interested to know that back when Bill Zorn was coaching in Eau Claire, they called their squad the "Zornadoes". . . The peerless prognosticator hasn't picked a River Falls game right for weeks, but this week we've tuned up the frequency on our "Super Duper Football Scooper" and offer these selections for your consideration:

- Mankato 28, River Falls 14
- Bemidji 20, Superior 13
- Whitewater 21, St. Norbert's 20
- Eau Claire 13, Oshkosh 6
- Bradley 33, Milwaukee 7
- Platteville 19, Carthage 14

Bowling Tryouts For College Team Are Scheduled

by Ron Zirbel

Any student interested in trying out for the intercollegiate bowling team should meet at Collins Lanes on November 1st at 4 p.m. Three games will be bowled on each of the following nights: Tuesday, Nov. 1st, Thursday, Nov. 3rd and Tuesday, Nov. 8th. If necessary there will be roll-offs on the 10th of November in order that all bowlers will have nine games to establish an average. Intramural bowlers who have bowled at least 10 games by the 2nd of November will not be required to bowl these try outs unless they want to try and improve their averages. The cost of bowling will be the same as it is in intramural bowling.

This is a scratch league so the best bowlers in college are needed. Everyone is encouraged to try out. Those who plan on trying out and who are not members of intramural leagues and cannot make the try outs are requested to contact Ron Zirbel at 5-5669 or leave his name with Mr. Bergsrud as soon as possible.

Head basketball coach Don Page has announced basketball tryouts for this year's varsity team will begin Tues., Nov. 1, at 3:00 p. m. Any student wishing to try for the team is to report at this time. All players will furnish their own equipment. Any student having a class conflict should see Mr. Page in office as soon as possible.

I-M Bowling

by Keith Olson

The Tequila Kids behind Denie Seefeldt's 223 game rolled over the Gutter Dusters who last year beat the Kids out of the championship with games of 784 and 865 to set a season's series mark of 1649. The Kids are now in sole possession of second place, as the Alley Cats took 3 points from the Nine Pinners with games of 756 and 775. Jack Ekstrom had games of 198 and 168. The first place Elmer's Boys had an easy night by taking 3 points on forfeit.

In Wednesday night's action, the Pin Boys managed to hold down fourth place by taking two points from the King Pins. Jim Chinander's 199 game paced the Pin Busters over the Alley Playboys and the Splitters took three points from the Weasels.

The standings are now:

Elmer's Boys	14	1
Tequila Kids	12	3
Alley Cats	11	4
Pin Boys	10	5
Nine Pinners	9	6
Splitters	8	7
Pin Busters	7	8
Alley Playboys	6	9
King Pins	5	10
Gutter Dusters	5	10
Pea Knucklers	2	13
Weasels	2	13

This week's schedule:

- Monday, Oct. 31**
- Alley Playboys vs. Pinboys
 - Elmer's Boys vs. Nine Pinners
 - Pea Knucklers vs. Tequila Kids

- Tuesday, Nov. 1**
- King Pins vs. Weasels
 - Splitters vs. Gutter Dusters
 - Alley Cats vs. Pin Busters

Wrestling coach Byron James reports that the first scheduled workout will be Tuesday, Nov. 7, at 3:00 p. m. Interested students are asked to report at this time.

Foundation Week Activities Will Feature UMOC Contest

A contest to find the Ugliest Man on Campus will be staged in conjunction with Foundation Week by the Student Christian Association.

Social organizations will receive 15 points for entering a candidate and 50 additional points if their candidate wins.

Candidates should be chosen and their names put on a list in the Student Activities Office, Room 2 of the Student Center, before Monday, Nov. 7. Candidates will be introduced on Monday night, Nov. 7, and voting will commence on Thursday, Nov. 10. Votes in the election of the Ugliest Man on Campus can be bought for a penny. PETERSON SPEAKS AT HISTORICAL MEETING

Dr. Edward Peterson spoke to the Upper Midwest Historical Conference Friday, Oct. 29, at Coffman Memorial in Minneapolis.

The subject of the talk was "Kings and People: An Inquiry into Eighteenth Century Absolutism." In the talk Dr. Peterson drew comparisons between the monarchs Louis XV and Frederick and Catherine the Great, suggesting that none of them had anything like the power of the twentieth century leaders because none of them had a real contact with the people.

Bailey to Address Wesley

Dr. Robert Bailey, social science and sociology professor, will speak on the topic "Cutting the Roots of Prejudice" at a meeting of the Wesley Foundation on Tuesday, Nov. 1, at 8 p. m. The meeting will take place at the Methodist Church.

Falls in 1957. He received his B.A. Degree at Talladega College, Ala., and his M. A. degree at Birmingham University, England. He earned his Ph. D. at the University of Utrecht, Holland.

The discussion will be open to the public, and the Church will be open for informal recreation prior to the meeting time.

Hiebert Donates File Of 'Korean Republic'

Gareth Hiebert, author of the "Oliver Towne" column in the St. Paul Dispatch has donated to the College a file of The Korean Republic, English language newspaper published in Seoul during the revolution that ousted President Syngman Rhee.

Mr. Hiebert was in Korea at the time of the revolution and acquired the newspapers during his visit.

The first issue of April 20 proclaims "Order Restored Following Violence, Gen. Song Says." Subsequent issues indicate continuing violence and unrest through April 27 and the newspaper headline "Rhee Offers to Resign from Office." The April 28 issue carries the story of the suicide of Ki Poong Lee, speaker of the house and running mate of Dr. Rhee, in the March 15 elections.

The newspapers will be placed in the Chalmer Davee Library.

NINE HIGH SCHOOLS WILL TAKE PART IN ANNUAL DEBATE MEET

Nine high schools from western Wisconsin and eastern Minnesota will participate in the first annual High School Debate Clinic at Wisconsin State College at River Falls, Saturday, Nov. 5. The debaters will participate in three rounds of debate on the proposition, "Resolved: that the United Nations should be significantly strengthened."

Schools participating will include: River Falls, Hudson, New Richmond, Barron, Menomonie, Eau Claire Regis, Prescott, Stillwater, and Red Wing. In addition, Luck High School will observe the event.

The Clinic will start at 9 a. m. Saturday morning in the Hagesstad Student Center. It is sponsored by the Pi Kappa Delta National Forensics Honorary Society of the College.

JACK SAVED HIS COMPANY \$10,000 ON HIS FIRST ASSIGNMENT

While Jack Trabert was in college he had some definite career ideas. He knew what he wanted—a job with a payoff for good judgment and hard work.

With a B.S. in Business Administration from the University of Nebraska, Jack knew he could look in many directions. And he did. He talked to 20 companies. And then in August, 1957, joined Northwestern Bell, in Omaha, Nebraska.

His chance to show what he could do was not long in coming. On his first assignment Jack came up with answers that made it possible to handle long distance calls made at night in the Omaha area with less force and equipment than was needed under the old system. This resulted in a \$10,000 annual saving.

Next, Jack worked on a training and devel-

opment program for "mark sensing"—a new method for mechanized processing of long distance charges.

Today, Jack has an important role in planning and developing telephone facilities to keep pace with Omaha's ever-increasing need for long distance services.

Jack puts it this way—"If a guy can keep his average up, there are places to go in this outfit. A man doesn't have to wait around for opportunity to knock—he has all he can handle right from the start."

If you want a job in which you're given a chance to show your stuff, and held strictly accountable for your decisions, right from the start—then you'll want to visit your Placement Office for literature and additional information.

"Our number one aim is to have in all management jobs the most vital, intelligent, positive and imaginative men we can possibly find."

FREDERICK R. KAPPEL, President American Telephone & Telegraph Co.
