## MILWAUKEE TROUNCED BY RIVER FALLS 25-15

Milwaukee's championship hopes had a sinking spell when they met defeat at the hands of the fast R. F.'s quint.

River Falls drew Milwaukee for their first game in the tournament. The game was played at 8.30 on Thursday evening. As both teams were winners all during the season, the spectators were looking for a very fast game. The game was not disappointing to anyone for it was one of the fastest games played at the tournament.

The blowing of the whistle found River Falls using her regular lineup. Shortly after the whistle blew, Reed found the basket with "Shorty" Kruse following. This gave River Falls the edge at the start. The team-work of both teams was exceedingly fast until one of the Milwaukee men "threw" his knee while trying to keep away from Capt. Peterson. This slowed up the game on Milwaukee's part, as they had lost their star forward and captain. However, River Falls kept the same old pace which gradually wore Milwaukee down.

At no time was our local quint in danger. The excellent basket-shooting of Reed, Mattson, and Kruse and the close guarding of Peterson and Hawley gave River Falls a lead of 14 to 7 at the end of the first half.

The second half started out very fast. In this half Milwaukee brought the score up by making several fine throws. The five man defense was used to advantage in this half, while Mattson, Reed and Kruse scored incessantly. This half ended with River Falls leading by a score of 25 to 15.

## RIVER FALLS DEFEATED BY WHITEWATER IN CLOSE GAME

In the drawings of the second day River Falls drew Whitewater. The game was played at 3:30 Friday.

Whitewater was fortunate in getting over 6 out of 7 long throws, thus getting the edge on the game in the start.

River Falls played the regular lineup, in its second game. The game started out with good speed and team-work on both sides. The five-man defense worked very efficiently in this game. In fact the Normalites made it impossible for the opposing team to get near the basket. Due to this fact Whitewater was compelled to make many long shots. Whitewater was very accurate in its shooting and pulled six long baskets in the first half, which gave them a good lead. The half ended with a score of 16 to 9 in Whitewater's favor.

The second half started out with River Falls using a different style of play. Instead of using the five-man defense so strongly, they broke in and broke up the play before it got started. In this half River Falls played Whitewater off her feet, but due to the fact that Whitewater had such a lead, the Normal quint was unable to tie the score.

The stars for River Falls were Hawley, Peterson, Mattson and Kruse, Reed being covered by two men throughout the entire session. Kruse pulled the "Big Dope" by making five field goals, several of which were made from toss-ups under the basket.

### Summary of the Game:

River Falls—	FG.	FT.	T.	P.	Pts.
Reed, rf.	1	4	1	3	6
Mattson, lf.	3	0	0	0	6

## River Falls "Hands" Second Defeat to "Cream City Five" by a 36 to 23 Score

Due to the fast team-work and accurate basket shooting by the River Falls quint, Milwaukee was "snowed under" in fast contest.

In the drawings of the third day River Falls drew Milwaukee for the second time. The game was played Friday evening.

The first half started out very fast. Krueger started the game in Reed's place, while Chinnock and Letendre substituted for Kruse and Capt. Peterson, respectively. The work of Mattson and Krueger throughout the half kept Milwaukee in the dark. At no time was Milwaukee very close to the basket so they were compelled to make long shots. However, River Falls went through the Milwaukee defense like paper, and made baskets frequently throughout the half. The half ended with a score of 24-12.

The second half started out with a dart. Milwaukee tried to break through the River Falls defense many times, but they were unsuccessful in the attempt. As Milwaukee was clearly outplayed throughout this game, they began to play rough but they found their equals when they met "Sleepy" Letendre, the fighting guard, and "Shorty" Kruse, whose long limbs formed a trap for the opposing quint.

One of the Cream City five was put out of the game for disputing the official's decision, and several minutes later their "star" guard was put out on personals. This left Milwaukee with only four men when they really could have used a dozen to counteract the fast playing and roughing of the local quint. However, River Falls allowed them to put in the first man that was put out by the official. There was only a few minutes left to play which River Falls used to good advantage in piling up the score and rubbing in the defeat which was so keenly felt by the Milwaukee five. The work of Mattson and Hawley in this contest deserves great credit, Mattson scoring 15 points while Hawley scored 7. However, the work of Letendre and Chinnock was felt severely by the opposing quint. Krueger's work throughout the game was exceedingly good. He made three baskets, two of which were made from difficult angles on the floor. The game ended with River Falls leading by a score of 36 to 23.

River Falls Defeats Eau Claire in Fast Contest

Small crowd attends afternoon game.

As three teams were to compete for the northern championship, two of the three teams had to play on Saturday afternoon to determine which teams would compete for third place. The teams that drew were Eau Claire, Stevens Point and River Falls. In the drawing River Falls drew Eau Claire, and the winner of this contest would play Stevens Point.

The game was fast and shifty, but due to the fact that the teams had been playing so much, the game was somewhat slower than previous games played by the local quint. River Falls played very heady ball and kept a good margin on the opposing team all through the game.

The stars for River Falls were Mattson and Reed. The work of these two forwards in this game was as good as any that had played previously. Their passing was quick and snappy, and they shot baskets from all angles and distances. The game end-

ed with a score of 31-25.

Summary of the Game:

Eau Claire—	FG.	FT.	T.	P.	Pts.

River Falls Wins Northern Championship by Defeating Stevens Point 25 to 20 in the Fastest Game Seen at the Tournament.

River Falls defeats the Point by a wider margin than La Crosse.

Even though River Falls was handicapped by over-work they came back strong after one hour's rest and staged the fastest game seen at the tournament. The left the floor at 5:15 Saturday p. m. and were on the floor again at 7:30 to play for the northern championship. This was the local quint's fifth game in two days and a half. By defeating the Point in this "scrappy" contest River Falls got second in per centage. They won four out of five games while Whitewater, who received second place, won only three out of four.

At the blowing of the first whistle a day's rest to recuperate for the battle, they were cleanly out-played by the "shifty" River Falls quint. Coach Anderson used the regular line, making but one substitution in the game. In the second half LeTendre was substituted for Kruese.

At the blowing of the first whistle River Falls were on their way to victory. The game was going but a few minutes. When River Falls' five-man defense got the ball from the Point and dribbled and passed for the first basket. At no time was the local quint in danger. Although the score was close River Falls managed to keep on the top. They not only had the Point puzzled by their defensive work, but their offensive work in this game was unparalleled by any team at the meet. Our "shifty forwards" and "blocking guards" made it impossible for Stevens Point to get "over the top" on the score. The team work of both teams was fast and shifty, River Falls beating Superior in the defensive work. Krueger of River Falls played the best game of the season by guarding one of the fastest forwards in the state to two baskets.

Krueger not only held his man to two baskets but made a very difficult basket when it was needed. Hawley played the other guard, made two of the most spectacular shots seen at the tournament. One shot which was made in the second half covered a distance of three-quarters the length of the floor. This was undoubtedly the best shot made at the meet. Kruese making three baskets, and out-jawling his opponent throughout the game.

Summary of the Game:

River Falls—	FG.	FT.	T.	P.	Pts.
Reed, rf.	3	5	0	1	11
Mattson, lf.	1	0	0	0	2

A TRIBUTE

In the library of the State Normal school hangs a picture of Miss Alice H. Schultes, who for nearly 30 years was at the head of the Normal Training school.

Miss Schultes passed into the "Great Beyond" four years ago on February 26. Each year Mrs. Sophy Shultes Jackson of Minneapolis, a niece of Miss Schultes and a graduate of our school, sends pink roses to be placed under the picture, a most fitting tribute, and a reminder of the work of one of the noblest women who was ever a member of the faculty of our Normal school.—River Falls Journal.

SOME GOOD HARD SENSE

"Friends don't make a man, but if a man has the right qualities, the right personality, the right calibre, he cannot help but making friends; they just feel drawn to him. The thing to do is not to set out to cultivate friends who, you figure, may prove useful, but to cultivate and develop qualities and abilities that increase your own usefulness. If you do that, and it, of course, on the square, the friendship part will take care of itself.

—Albert Wiggin.

## High School Tournament Won by Cumberland Over New Richmond

### RESULTS OF TOURNAMENT

First Place—Cumberland  
Second Place—New Richmond  
Third Place—Ellsworth  
Fourth Place—Elmwood

### All Tournament Teams

1st Team—	(Position)	—2nd Team
Hawkins	right forward	Brooks
Headrich	left forward	Oustad
Gibson	center	Singer
Higgins	right Guard	Gaerth
Burgett	left Guard	Moline

### SECOND GAME

**Cumberland Defeats Glenwood City In  
Fast Contest. Time, 4:40,  
Thursday P. M.**

Cumberland and Glenwood City staged the best and closest game of the day. Both teams were evenly matched. Shortly after the whistle blew Glenwood City scored a basket and a free throw. This was followed by two consecutive baskets by Cumberland. Both teams demonstrated some good team work in this half, Cumberland having the edge. Glenwood tried many shots but could not find the basket for a count. The end of the half found both teams playing fast ball. The half ended with a score of 9 to 7 in Cumberland's favor.

The second half started out with fast playing on both sides. Glenwood speeded up in this half and proved too good for Cumberland. Glenwood's star center puzzled the Cumberland team throughout the half. He outplayed any man on the team, breaking up many plays and shooting baskets for counts from all angles and distances. Just before the shot which ended the game Glenwood's center shot the prettiest basket at the game from the center of the floor. This made the score 13-11 in Cumberland's favor.

Cumberland's forwards played well, while the center and both guards played well for Glenwood.

**River Falls Defeats Elmwood in First  
Tournament Battle—Score 10-7  
Time, 3.30, Thursday P. M.**

River Falls started out with a dart. Goodie of River Falls got the first jump which placed the ball close to the River Falls basket. After demonstrating some good team-work River Falls scored, Johnson making a running basket. Many baskets were tried by both teams but neither team seemed able to locate the ring. Fouls were called throughout the half on both teams, Johnson of River Falls throwing two out of five free throws for a count. Just before the whistle blew ending the first half, Nelson of River Falls scored a basket making the score 6-3 in favor of River Falls. Elmwood scored one basket and a free throw in this half.

Both teams used the same line-up in the second half. River Falls scored first count by Johnson's free throw shortly after the whistle blew. Elmwood missed many free throws in this half. Johnson and Goodie worked well, while the River Falls guards kept the opposing team from scoring. Johnson scored four free throws, making score 10-7.

Goodman, Moline, and Johnson starred for River Falls. Elmwood showed no stars in this game, although each man fought hard.

**Ellsworth Takes Third Place by De-  
feating Elmwood 12-10**

The game between Ellsworth and Elmwood resulted in a victory for Ellsworth, who took third place at the local tournament. Both teams fought very hard all through the game. Elmwood's center played his best while in the Falls. Both teams played well all through the half. The guarding of both teams was exceptionally good, compelling both teams to make long shots. Hyatt of Ellsworth was put out on personals just before the end of the first half. Ames substituted for him and pulled a basket from the center of the floor shortly after he was put in the game.

The second half was a little slower than the first. Each team scored a basket shortly after the whistle blew. Elmwood made two free throws which tied the score in the middle of the half. Ellsworth rallied at the close of the period and netted the leather bag for a basket. The game ended with a score of 12-10 in Ellsworth's favor. Hyatt, Ames and Hagerman played well for Ellsworth, while Capt. Kennet played well at center, and Elmwood's right forward did good work for Elmwood. This gave Ellsworth third place and Elmwood fourth.

**Ellsworth Gets Revenge on Hudson  
By Defeating Them in Second  
Game by a Score of 9-7**

This contest was very close from start to finish. However, the game was very slow due to the fact that this was the third game for both teams during the day. Both teams played a very good defensive game. The basket shooting was long and uncertain. Singer of Hudson made many efforts to score but he was unsuccessful in the attempt. Ellsworth played fairly good ball but they also were unable to make long shots. The game ended with a score of 9-7.

The stars of the game were Burgett, Beggs and Blier for Hudson, while Hageman and Hedrick played well for Ellsworth.

**Spoooner Defeated by Elmwood 10-7**

This was a rather slow but close game. The guarding of both teams was good, but the passing uncertain. This resulted in victory for Elmwood. However, Elmwood had the better of the fight all the way through. Both teams made many efforts to score but failed. There was practically no close shooting done throughout the half.

**Spoooner Scores 13-10 Victory Against  
Osceola**

This game was played Friday morning. Spoooner proved too much for

Osceola in this contest. Walker, Spooner's forward, scored three field baskets in this game which won the game for Spooner. Although the game was close throughout the entire contest, at no time was Spooner in danger of defeat. The Osceola forwards were unable to score against the Spooner guards.

**Elmwood 22—Glenwood 17**

This game was played at eleven o'clock Friday forenoon. The contest was very close throughout the entire session, first one team scoring and then the other. At the end of the game the score was a tie. This required five more minutes of play. In this short period Elmwood's center played very fast. It was due to his passing and basket-shooting that Elmwood's score was 16 to 22. Lee of Glenwood showed his usual good style of play in this contest. The game ended with a score of 22-17.

**Ellsworth 15—River Falls 10**

River Falls and Ellsworth played a fast game here on Friday afternoon. Ellsworth got the first basket from the center of the floor. This was followed by a free throw and two baskets by Johnson of River Falls. Other than Johnson's two baskets River Falls could not locate the basket. Moline tried several long shots but failed.

The stars of the game were Goodie, Johnson, Moline of River Falls, and Hyatt, Peterson and Hageman for Ellsworth.

**Ellsworth 13—Hudson 16**

Hudson and Ellsworth played one of the fastest games at the tournament on Friday at 3:30 p. m. The game was featured by strong defensive work and long basket shooting on both sides. Singer seemed to out-jump the Ellsworth center which gave Hudson a great advantage. Beggs of Hudson scored the first basket from the center of the floor. Singer played his best game at this contest, making good jumps and shooting long baskets for a count each time. Holden and Burget of Hudson played great ball, while Peterson of Ellsworth guarded his men well and shot a long basket from the center of the floor which brought the crowd to its feet.

The stars for Ellsworth were Peterson, Hyatt and Hageman, while every man on the Hudson team played wonderful ball, Singer getting the edge on the long basket-shooting and free throwing.

**New Richmond and Hudson Stage Fastest Game of Tournament**

New Richmond and Hudson played the fastest game of the tournament on Friday evening. The game was witnessed by a large crowd who expected their money's worth, and they

got it. The game was fast and scrappy throughout the whole period. Hudson got the better of the jumps, but New Richmond's clever team-work and guarding proved too much for Hudson. Every man on both teams played well, each man holding his man to a level with himself. The defensive work on both sides was very good until Hudson weakened in the five-minute over-time period. Then New Richmond played the fastest ball seen at the tournament. The game ended in a tie. This condition necessitated five minutes more of play which New Richmond used to advantage and scored two baskets and a free throw. Hawkins of New Richmond played the best ball seen at the tournament in this game. Brooks of New Richmond played very good ball, but due to an injury received previous to this game, he was unable to compete with his other forward Hawkins.

Great credit is due to the men who competed in this contest for they certainly gave the best demonstration of basket ball seen at the Normal in this tournament. It would be hard to pick stars for each team as they all starred. However, New Richmond's endurance won the game for them, for during the last five minutes of play the Hudson team was completely out-played in every phase of the game. The New Richmond guards slipped in on Hudson's passing incessantly and brought the ball to the goal where the little forwards would shift and pass and shoot until it counted. During this period New Richmond scored three points while Hudson was unable to find the ball in their territory long enough to score. The game ended with a score of 12-9 in New Richmond's favor.

**Cumberland 7—River Falls Normal High 19**

In a contest between the Normal High and Cumberland the Normal High played the best game of the season. Snodgrass' quint guarded and passed all around Cumberland throughout the entire game. River Falls got their share of the jumps and each time they got the ball they made it count for a basket. Ted Whitenack, River Falls' center netted the leather bag for five baskets while the floor work of Bergman and Bird proved too much for Cumberland. The game ended with a score of 17-19.

**Local High Loses to Cumberland 15-11**

Cumberland won from the local high in a rather slow contest. The game was featured by close guarding and good defensive work on Cumberland's part. The local high being outweighed and inexperienced could not keep up to their opponents.

Moline of River Falls played a close

guarding game, but failed to make any of his long baskets. The Cumberland team done very good guarding and seemed to be able to locate the basket for a count quite frequently. Amundson played very well for Cumberland.

**Cumberland Wins Tournament by Defeating New Richmond 12-13**

The final game of the tournament resulted in a victory for Cumberland. Though both teams fought hard to the last New Richmond was unable to tie the score.

The first half was not as fast as the spectators expected due to close guarding on both teams. Hawkins made the first basket of the game by dribbling cleverly through Cumberland's defense. Hawkins followed this with the prettiest basket of the game by throwing the ball directly over his head while running at top speed under the basket. After this basket was made Cumberland got through New Richmond's defense for two baskets and one free throw which netted them a score of seven points. Brooks of New Richmond scored another basket and one free throw shortly before the whistle blew which tied the score, 7-7.

The second half was played at top speed. Hawkins again proved too much for his opponent and dropped in a basket which he followed with a free throw. In this half Cumberland made two baskets and two free throws which made the scores 10-11. Brooks failing to make any free throws out of six chances gave Hawkins, New Richmond's star forward, the ball and he made three out of four free throws. This credited Hawkins with 9 points out of 12 for his team. New Richmond had the ball in their territory most of the time the last three minutes of play, but they missed the basket time after time. The sound of the shot found the score 12-13 in Cumberland's favor.

Although Cumberland played a very good game which resulted in a victory for them, they played a team who met their off day. The fouls missed by Brooks of New Richmond, who is very consistent in this part of the game, was the cause of New Richmond's defeat.

The stars of the game were Hawkins, Higgins and Heffron of New Richmond, while Cumberland's guards and center, and one forward played the game for Cumberland.

Miss Daisy Burke returned to her home at Winona, Minn., Monday, March 3, where she expects to undergo an operation for appendicitis. Miss Burke's absence will mean a decided loss to her classes.

Miss Ruby Hunter has gone to accept a position at Wausau.

**SIDELIGHTS ON  
THE TOURNAMENT**

Now that the first, and we hope the last, inter-normal tournament has been history, a few reflections on the outcome might be in order. To one who has been a follower of athletics and a believer in inter-normal home and home games, the result of the tournament was not surprising in the least and affords an illustration of the unwisdom of deciding the state title by a three-day scramble in which science, luck and fate are indiscriminately mixed, and the laurel rests on the brow of him who had his head in the way when it fell from the hands of the goddess of victory.

There is no denying the fact that a tournament played on an elimination basis will produce a clean-cut championship leaving one team as the unbeaten and undisputed champion, but when that possible advantage of the tournament plan is admitted, all arguments in favor of the plan are exhausted. The disadvantages are many and obvious. The most serious objection is that all inter-normal games on the home floor are eliminated and the home fans and the local student body are not given a chance to see their team in action against other normal schools. This is manifestly unfair to the students and removes one of the most attractive features of athletic competition, the student rivalry and enthusiasm at the home games. Another serious objection is possibility that a good team through some misfortune may be unable to present its fighting strength at a tournament, and in this way lose out. An example of this in the La Crosse tournament was the misfortune of the Milwaukee team in losing their captain and star forward in the first five minutes of play. This necessitated playing the remainder of the tournament with a weakened team. Had they been playing out a schedule on the old plan of home and home games the possibilities are that they would have had the services of this man in their other games as the time between games would have enabled him to return to the game, or another man could have been developed for the position.

Another indictment against the tournament plan is the inadvisability of forcing a team to play four or five games in three days. No team is capable of playing four consecutive games in for that will do justice to the men of the team or their coach. The strain resulting from such a series not only reflects on their team-play, but is also a terrific drain on the vitality of the individual players.

Norseng Bunch.

**LOCALS**

On the last half.

We wonder if we shall have to do eighteen weeks' work in fourteen.

No, honestly, did the teacher flunk you, or did you fail?

Fred Sweitzer spent a few days last week at his home in Wilson.

George Reid has returned to Normal to resume his school work.

Mr. Karges went to New Richmond to act as one of the judges at a debate Friday, February 28.

Bill Smith visited his French class on Wednesday, February 26. (That was exam day.)

Mr. Hamquist, a returned soldier and a recent graduate of the school, visited us one day last week.

Miss Ina Knight has gone to take a position in Madison. She expects to return for summer school.

Mr. Hunt went to La Crosse to attend the basket ball tournament. He just could not stay at home.

Arthur Eckley, the new member of the Smith club, has decided that after another week he will be ready to start grabbing.

(At the Hotel Sherman game.)—Referee: Foul.

Freshmen: Where are the feathers? Standerby: This is a picked team.

The class in fussology will meet in the usual place this semester at 12:15. But unless there is less chalk thrown the class will be discontinued and disciplinary action will be taken.

Christine Pederson will turn in any books to the text library. A box of fudge is required or Miss Pederson will not lend her services. This is for students who have maltreated their texts.

Harold Vanderhoof, who left here in November to enter a training school for Ensigns in the U. S. navy, is at present in New York awaiting assignment to a merchant vessel. He was one of twenty selected to act as color bearers at the memorial service for Theodore Roosevelt held in Trinity church February 9.

Sometimes they talk of the tournament and wonder what "Doc" is doing now, or maybe it is Kruse jumping a foot higher than his former record. Then they talk of exams. "History was awful, but English was easy." And later they talk of Reed and wonder if the two men that are riding him have spurs. They can see Mattson going in circles, and Hawley deliberately making a basket from far beyond center. And then it is time for "him" to go home. "Well,— ! ! ? ? ! ! Good night!"

It would give us great pleasure to show you our new line of

**SPRING HATS,  
CAPS AND  
SHOES**

**ALLARD'S**

**C. F. WINTER**

STORE  
River Falls -:- Wisconsin**

The Student Voice has come at last. Send the Student Voice to the one back home.

Miss Kathleen Walsh and Lieutenant Guy H. Smith attended the Hotel Sherman vs. River Falls Normal game last Saturday night. On their way home they passed by President Ames and were greeted with the salutation, "Good evening Miss Behrend and Mr. Smith—Oh, it isn't Miss Behrend, as it sometimes is. It is Miss Walsh."
