Debaters Win From Superior and Eau Claire Chandler and Wirt Quints Carry On Teams Grab off Four Victories

DEBATERS WIN FROM SUPERIOR AND EAU CLAIRE

River Falls defeated both Superior and Eau Claire in the annual triangular debate last Friday night. The River Falls affirmative team met the Superior negative team in the Normal Auditorium while the Normal negative clashed with the Eau Claire affirmative team at Eau Claire.

The Normal affirmative team consisted of Laura Kellar, John Williams, and Melvin Thomson. The judges were Prof. N. A. Anderson of the Eau Claire University Extension Division, Prof. Adams of Hamline University of St. Paul, and Prof. Quigley of the University of Minnesota. President Ames presided.

The Normal team proved too powerful in argument and delivery for the Superior reciters. It is to be hoped that Superior will forever banish the idea that River Falls has the brawn, but not the brain. The Normal team completely outclassed their opponents from the north.

The argument of Coach Mitchell's team was based on the three fundamental needs of any railroad system, namely, 1, Harmonious Relations between employer and employe; 2, Adequate returns and a sound financial policy; 3, Consolidation of roads. They showed a thorough knowledge of the question, and contended that the Esch-Cummings Law failed to provide these needs. Melvin Thomson as third speaker for the negative advocated the Lenroot plan, under which he said all these needs would have been supplied. The Superior team were apparently loaded to attack the government ownership system and failed to make any serious argument against the Lenroot plan. The decision was two to one in favor of River Falls.

The Negative team consisting of Alvin Howalt, Leo Shannon and Edward Casey was accompanied to Eau Claire by Coach Mitchell, and on the basis of the three fundamental needs mentioned above, they held that the

GIRLS AGAIN SHOW THEIR SUPERIORITY

Completing the Friday night's quadruple victory for our Normal, the girls' basket ball team in a return game with the St. Paul institute defeated them by the overwhelming score of 61 to 22. The game was played on the Mechanic Arts High School Gym floor.

At the end of the first quarter, the game gave promise of being closely fought throughout as the score stood 17 to 12 in our favor. But the next quarter's play gave us a lead of 25 to 16, with our players hitting the hoop consistently and regularly during the last half.

Much of the credit for winning by such a wide margin is due to the work of Marie Moynihan and Mae Brown on the defense, as those who saw the game on the local floor doubtless realize the Institute boasts some formidable forwards if not diligently watched. However, time after time what seemed to be a clear pass down to the opponents scorumakers was intercepted by our guards and sent back to our territory for counters.

The regular center on the St. Paul team who did not play in the first game was in action Friday night, but her "action" was impeded by the careful guarding of Helen McNally. Line up and Summary.

St. Paul, Forwards, Edna Lindstrom, Irene Goette. Center, Celestine De Witte. Guards, Myrtle Schelene, Kate Ivey, Substitute, Grace Ivey. Forwards, Anne Hagestad, Honor McNally, Center, Helen McNally, Guards, Marie Moynihan, Mae Brown. Substitutes, Stella Collins, Janet McNabb.

Field Goals Edna Lindstrom 2 Irene Goette 8 Anne Hagestad 12 Honor McNally 15 Helen McNally 3.

Free throws Honor McNally 1. Fouls Celestine DeWitte 3 Helen McNally 1 Mae Brown, 1.

Much of the girls "pep" they attributed to the send off given them at the station. Thelma Segerstrom, who sold 64 tickets to our local game, accompanied the team.

EAU CLAIRE TUMBLES AGAIN

Ever since that eventful evening of January 28 when the Chandler quint snatched an apparent victory from Coach Phillips' crew, there had been a feeling prevalent in the Eau Claire camp that said victory was made possible through a bit of favoritism on the part of old "Dame Fortune" rather than to superior basket ball.

Last Friday the Purple and Gold contingent breezed into town backed by a delegation of devotees, confident in their teams ability to conclusively demonstrate that this feeling was more than a mere delusion.

Game Called Late

The gates were kept closed until the debate proceedings on the upper floor had terminated. This made the hour unusually late and when the entrance doors finally creaked open at nine o'clock a seething surging mass of humanity pressed the gate keepers for admittance. The congestion was terrific and the gate keepers experienced some difficulty in handling the impatient crowd. However when it was all over those irritably inclined had been soothed into a state of contentment and had once more been reminded of the fact that everything comes to those who wait—including flat feet.

Eau Claire Looks Formidable

When the two teams took their respective positions in readiness for the initial toss up, a tenseness stole over the crowded house that brought out the keen unprecedented interest taken in the big mill. The visitors looked formidable especially at the pivot position which was held down by the towering Swenson, a man of imposing proportions and of pugilistic prominence.

The game opened with a rush, the locals taking the offensive immediately. Anderson, the visitors right forward, drew a personal and Corolan negotiated a count from the one point line. Cummings followed with a technical and Corolan made it 2 to

THE LINCOLNIAN SOCIETY

The society was addressed by Miss Tilton last Wednesday evening. Miss Tilton is a very fluent speaker and had some rather unique ideas on the activities of young men. Her opinion was that men are like triangular polygons, they are not rounded out sufficient to meet the various phases of life that await them.

John Williams gave a very interesting reading, and the remainder of the time was devoted to parliamentary practise. Leo Shannon acted as presiding officer during the practise.

Y. M. C. A.

The second of a series of talks by students was given at the regular meeting of the Y. M. C. A. last Thursday evening.

The principal talk of the evening was by Earl Olson, who spoke on his experiences as a Y man at Wausau. Mr. Olson also gave some good points on how to organize a Y. M. C. A. in a small town.

The Normal quartette gave several appropriate selections, one of which was a negro revival song.

The attendance has not been taking an upward trend as it should be, and Pres. Gerretson desires to see a larger attendance at the future meetings.

Y. W. C. A.

The following program was given at the Y. W. last week.

Talk Miss Mosher
Piano Solo Pauline Hull
Reading Miss Armstrong
After these there was a general song service.

N. C. A.

The N. C. A. program last week was as follows:

Piano Solo Blanche Ba Dour
Question Box Mr. Lee
Vocal Solo Katherine Shannon

This program was followed by a short business meeting.

LOCALS

Alwin Howalt stopped off on his way back from Eau Claire for a visit in the cities.

Ed Schroeder had to undergo an operation for a mastoidal abscess upon arriving at Eau Claire.

Clara Peterson is now visiting at our school.

Prof. Mitchell spent the week end in the cities.

Mrs. Powers and Miss Hathorne entertained the members of the girls Operetta at a supper Tuesday after rehearsal.

THE STUDENT VOICE

In the opinion of Coach Keeler, River Falls has one of the strongest basket ball teams that he has ever seen, and one that would make a strong impression against any of the Big Ten Conference teams of the present time. They are experts at the passing game, and accurate shots. Those who saw the game played on the local floor will recall the speedy work of the River Falls quint.—The Racquet, La Crosse.

SUPERIOR AND EAU CLAIRE FROM NORMAL DEBATERS WIN

(Continued From First Page)
Esch-Cummins Law had provided for these needs, that the system was meeting the needs, and giving the most efficient service. The Eau Claire team advocated the pre-war system, and based most of its argument on the excessive rates and watered stock of the new system.

The negative team gave a very fine exhibition of argument and oratory, winning by a two to one decision.

Edward Schroeder was unable to debate due to a sudden illness, which overtook him on Friday afternoon. Alwin Howalt took the place of Mr. Schroeder although his preparation was very limited.

The debating teams certainly did some very excellent work. Prof. Mitchell has won the distinction of producing two winning teams in his first year as a debating coach. The faculty and students realize that the victory was due, not only to the ability of the debating teams but to the very excellent coaching received under Prof. Mitchell.

**HIGH SCHOOL TOURNAMENT
OPENS THURSDAY EVENING**

The high school district tournament in which eight high schools are to be represented will be officially opened next Thursday afternoon. The eight quints hail from Hudson, Prescott, Elmwood, New Richmond, Cumberland, Clear Lake Osceola and St. Croix Falls.

The pairings of the teams will be determined by the coaches Thursday forenoon at 10:30. Two games will be played in the afternoon and two in the evening. The semi-finals will be played Friday morning and in the evening the winners of the morning games will play for first and second place while the losers in the morning melee will clash for third and fourth honors.

The single admission will be twenty five cents for the Thursday and Friday morning games and fifty cents for the finals Friday night. Season tickets will be sold to students for seventy-five cents and to the general public for \$1:00.

CAMERA CLUB REPORT

The Camera Club held a lively meeting Monday night. Mr. Seefeldt made several enlargements which he tells us are for the Meletéan. We don't know. Other members are working diligently for the same end, John Gerretson developing all four films during the evening.

Juins Blaha has charge of the developing department and thought he would try initiating the new members by giving them an acid bath. We won't tell what Mr. Jacobson did.

**Eau Claire TUMBLES
(Continued From First Page)**

O. Gurnoe then darted under the draperies and tossed the first field basket. Cummings again fouled, this time a personal, and Carolan continued his scoring. Eau Claire took time out for a conference. When play began, Carrol carried the ball under for a close shot, but the sphere rolled off. He then got two free throws on fouls by Carolan and Rice but he missed both. Two field baskets and some more accurate free throwing by Carolan and field counters by Gurnoe and Wright brought the mid-way count up to 16 for the locals, while the annexation of two free throws out of seven attempts was the best the visitors could do.

The Champs were outplaying their rivals in every department. Their offensive play seemed to be a bit off color but their slashing defense throttled all attempts at scoring by the Phillips crew.

The second half saw the home team rolling up a dominant lead while the invaders were going scoreless. The score stood 26 to 2 when thirty minutes of play had transpired and it began to appear as if the enemy were in danger of going through the game without a field counter. But Shultz averted this danger by sinking one through from mid floor. Anderson then caught the contagion and dropped in two in quick succession bringing the score to eight, and concluding the field scoring for his team. Two more free throws by Carrol ended the scoring for Eau Claire while the local team brought their total to 30 on a clever side shot by Carolan and a one hand close in shot by Gurnoe.

Line up and Summary.

**CHAMPIONSHIP SERIES WITH
OSHKOSH BEGINS TUESDAY
NIGHT**

Monday morning Coach Chandler and his team departed for Oshkosh where they will match their skill with the Normal aggregation of that

place on Tuesday night in the first game of the series to determine the state championship.

The game is expected to be a hotly contested affair, both teams having a 1000 per cent record behind them to spur them on. Local fans are confident however that the Champs cannot be stopped and that they will return home with the state title with them.

"VICTORY"

The lecture given Monday night by Edward Amherst Ott made a profound impression on those who heard it. "Victory" is not a war lecture, but is an after the war lecture. Mr. Ott was very forceful in his plea that we have no more war. Other points revealed through his lecture answered the questions: What did we gain by the War? What can we do locally to get the full benefit of the military victory? Is Re-construction or Real-Construction the word? How much democracy have we in America? These and many other questions were answered by Professor Ott in his popular lecture on Victory.

Professor Ott is a native of Youngstown, Ohio and a man of wide experience as an instructor and lecturer. He now lectures to practically two hundred thousand people a year. An Ott lecture is sure to make a profound impression on any community.
