RIVER FALLS, WISCONSIN, WEDNESDAY, APRIL 18, 1923.

NO. 30

## FREAK SCORE STAINS BASEBALL OPENER

### ST. OLAF GETS TOP OF HEAP ON 20 TO 25 COUNT

#### Bad Sun Holds Field Men to One Catch.

Reports received here last night and early this morning, concerning the long-delayed baseball contest, which took place yesterday with St. Olaf College at Northfield, Minn., carried an element of comedy in the great likeness of the game to a spring track meet. Its big feature was that of a slugging match throughout the entire game, totaling forty-five scores.

Although our Reds fought with their usual gallantry, and led the Saints by heavy margins during the first seven innings, they slumped badly in the eighth and ninth, allowing the Olafs to make eleven counts. Throughout the game the object of each team seemed to be to out-swat and out-run the other.

A blinding sun directly in the eyes of the outfielders made any outfield fly a certain hit. Only one ball was held from the turf in that territory.

When the services of an adding machine can be employed, a box-score hits, twenty errors and forty-five hits, twenty errors, and forty-five scores were totalled by the combined efforts of both teams.

Keyes showed good form by striking out as many men as Lear did for St. Olaf.

#### Line-Up

River Falls—		St. Olaf—
Gurnoe,	3b.	Swanson
D. Smith,	rf.	Myhre
M. Smith,	lf.	Strand
Ziebell,	cf.	Swenson
Luther,	1b.	Fevold
Hyatt,	c.	Cole
Shannon,	2b.	Putgur
Miles (Capt.)	ss.	Enger
Keyes,	p.	Lear

#### Score By Innings:

St. Olaf	1	0	6	1	0	0	6	11	x	-25
River Falls	1	0	3	3	0	3	2	0	8	-20

Time of game: Three hours, thirty minutes.

### JUNIOR PROM TAKES SHAPE

#### Delinquency in Class Dues Now Slowing Up Work.

Plans for the annual Junior Prom, to be given in honor of the Senior Class on May 11, are materializing rapidly. The chairman of the general committee reports that the contract has been made with a good orchestra; also, that the programs have been ordered. The decorating committee is ready to begin work as soon as the gym demonstration is over.

There is one draw-back to these plans. Mr. Brandenberg has received dues from only one-half of the Junior class. In order to put on a good Prom, the working committee must have the money which at present they haven't received. It is now up to the Juniors who haven't paid their dues to decide whether or not these plans for the Junior Ball shall materialize completely. With no money there can be no Prom.

### CAMPUS DATES

Wednesday, April 18—Girls' Glee Club at 4 p. m. in the Auditorium.

Thursday, April 19—Aurelia meets in the Junior High School Assembly room. Civic Club party in Society Room.

Friday, April 20—Gym demonstration at 8 o'clock in North Hall Gymnasium.

Tuesday, April 21—Y. W. C. A., N. C. A., and Y. M. C. A. weekly meetings. The 1923-24 Y. W. C. A. officers will take charge of their first meeting.

#### Miles Awarded Captaincy

The team organized last Monday and elected "Pungy" Miles for their 1923 captain. The vote was at first tied on Keyes and Miles as high men, but upon the second ballot Pungy donned the ermine and purple by a narrow margin.

We congratulate Mr. Miles on his promotion, and are with him in leading as good a team as did Captain Keyes of last year.

### FEMININE ACROBATS ABOUT TO DRAW SPOT-LIGHT

#### Bright Colors and Busy Girls Are Forerunners of the Big Event.

Many students are still in the dark as to the big event Friday evening. Some of them have seen small bits of red, orange, green, and white turlatin in the halls, and yet they did not "snap out of it" and know that something unusual was materializing. Others thought sure the cafeteria cooks were making both banana cake and pie because of the strong odor in the air. They are all wrong, however, as it has to deal with costumes for the Gymnasium Demonstration which will be held Friday evening, April 20, at 8:15.

Besides dances, there will be drills, stunts, and a solo dance by Miss Wirt; also a basket ball game between two picked teams who were chosen from the girls doing the best playing at the girl's tournament.

Much time has been spent preparing for this demonstration. Don't fail to get your ticket now and boys, be sure you've asked that girl before some one else does.

### HAROLD GIVES 'EM THE LAUGH

A real comedy was offered in "Grandma's Boy" at the Normal Auditorium, featuring Harold Lloyd as "Poor Sonny." The theme of the story is found in his attempts to overcome his cowardice and bashfulness. However, to the great relief of everyone, he finally succeeded in capturing in quick succession both his tramp and his fair lady. The many escapades and "scrapes" that entangled "Sonny" kept the audience in an uproar most of the time. Everyone who saw it will be willing to testify that it was the "funniest funny ever."

A two reel sentimental feature stood in strong contrast to the long comedy. This seemed to be highly appreciated by the students.

## G. A. A. INVESTS FOR TRAINING DEPARTMENT

### Fine Attitude Shown By Clubs.

Last winter the G. A. A.'s voted to give \$25 for play ground equipment. They secured the co-operation of Mr. Segerstrom, who has had a See-Saw made in the shops. He charged only for the cost of the material. This piece of play ground equipment is now finished and has been presented to the Training School and placed on a corner of the grounds.

The G. A. A.'s are considering another project for the first and second grades. It is hoped they will be as successful in this undertaking as they have been in the other. Their efforts are very much worth while and are greatly appreciated.

This wonderful spirit being shown by the girls' organizations is a change in the usual trend of club activities, and one that is really worth while. We cannot help but realize that they are expending their money in a way deserving much high commendation.

## MELETEAN BECOMING EVIDENT

The 1923 Meletean is going to be the best ever; in fact it will rival any university annual. So says the staff, and they ought to know. The work has been progressing rapidly; the engraving work has all been sent to the engraving company, and almost all the printing has been sent to the printer. The staff maintains that the scenic section is the outstanding feature of the book; although they wouldn't tell what the scenes were of. The athletic section is a big feature, also, and the humor section promises to be a screech. Every other section is equally good, so you students can expect to see a Meletean well worth your money when it comes out in May.

Agnes Fuller made the remark in Principles of Teaching class last week that River Falls commerce consisted of "trading money for an education." No wonder some of the students have resorted to clerking positions.

Frances Te Hennepe who recently underwent an operation at the Mayo Hospital in Rochester, Minn., is now at her home in Baldwin.

Helen Wasson, '21, who has been attending the "U" of Wisconsin, returned home after a seige of pneumonia.

### The Active Man's Underwear

SWINGING a racket or swinging a deal, at the "hop" or in the shop—you'll find the going a heap easier in Superior. For Superior is the energy union suit, built to give free play and sway to supple muscles, and active minds. It's the Perfect Union Suit men, America's greatest comfort and service value.

Come in and let us fit you the Superior Comfort Way—by tape measure.

Kulstad Bros.

## NEW APPOINTMENTS

### FOR "VOICE" STAFF

The most of the principal positions on the staff of The Student Voice for next year have been announced. Most of these are promotions from this year's staff. About all of the new members of the staff are serving apprenticeships throughout the second semester. A few positions remain to be filled next year.

The staff so far is as follows:

Editor-in-Chief, Carlton Ames,  
Athletic Editor, Mark Saxton,  
Business Manager, Carrol Brown,  
Reporters: Sigrid Rasmussen,  
Genevive Stewart, Frances Sharrar,  
and Margaret Bailey.

The positions remaining open will be filled from next year's entering Junior class.

## THE "BIGGEST" KID IN SCHOOL

He is tall; not very old; makes you think he is quite a philosopher; he is in love, or thinks he is; and spends much of his time in supervision class drawing cartoons of boys, girls, and other animals.

## G. D. Gallup, M. D.

**JUNIOR HIGH SCHOOL NOTES**

The Junior High School drawing classes, under the direction of Miss Wilson, have been working upon a border design to be used as a page decoration in the Junior High School annual soon to be published. Designs from plant units were studied and the principles of design thoroughly learned. Then the steps in making design units were illustrated, the boys and girls using a simple leaf and working it out in five different ways of developing units.

The principles of balance, harmony, rhythm, were studied; also ways of obtaining variety, and how to fit a unit into circles, squares, ovals, etc. Units were then made from different parts of plant elements, such as the snap-dragon, begonia leaves, and any plant material available. These units were then arranged into border designs, new shapes added to give greater beauty, and connecting units placed between. Care was taken to make all parts "fit" the space allotted to them. They were then inked in with black India ink.

A committee of judges will decide which border will decorate the pages of the annual. The winning design will then be photographed upon a zinc plate, and will be somewhat reduced in size when reproduced.

The seventh and eighth grade boys and girls have worked hard and conscientiously and the results are worthy of a much older group of students.

**Junior High School Party**

Last Friday evening the Junior High School students and faculty gave a party in the girls' gymnasium. Games and different contests were indulged in, led by several of the young ladies who are doing practice teaching in the Junior High. Messrs. Chas. Gallup and H. Segerstrom gave an original song which made a big hit with the audience. Refreshments

were served. Everyone present had a most enjoyable time.

**Junior High School Year Book**

The students of the Junior High School are preparing to issue a Year Book which is well under way. Pictures of the different groups have been taken, and other material is being prepared for the printer. The publication will appear the latter part of May, and will be of great interest to those who know the students and activities on the upper floor of South Hall.

**Junior High School Students Prepare for Declamatory Contest**

A try-out has been held in each class to determine those who are best fitted to represent the school in the coming Declamatory Contest to be held April 25.

Those taking part in the seventh grade were: Robert Sutherland, Harriett Malberg, Dorothy Ingalls, Florence Mueller, Lynn Campbell. From the group Dorothy Ingalls and Lynn Campbell were selected to represent the seventh grade. The eighth grade was represented by Ethel Morgan, Margaret Fox, Nicholi Demuling, Gordon Grimm and Glenn Lund. Margaret Fox and Glenn Lund were chosen from this group. The students of the ninth grade who took part in the try-out were: Charles Gallup, Alice Swenson, Nellie Melle Reardon, Mary Martin, Raymond Bliss, Harold Segerstrom, LeRoy Luberg, Richard Follansbee, Warren Knowles, Franklin Standish and Burton Karges. From these Harold Segerstrom, Charles Gallup and Nellie Belle Reardon were selected. The seven students who survived the preliminaries competed with each other to decide who should

represent the Junior High School in the contest on the 25th of April.

This final elimination was held last Wednesday afternoon in the Junior High School Assembly room. At this time Charles Gallup, Margaret Fox and Harold Segerstrom were selected. Ellsworth, Hudson, and the River Falls Junior High Schools have entered the contest and each will be represented by one or more speakers. A gold medal will be awarded to the winners of first and second places. The judges will be Principal Hammer of Roberts, and Prin. Hawkins of Prescott, and Miss Belle Deans.

**DECLAMERS ARE LOOMING**

Mr. Davison went to Spring Valley Monday to judge a declamatory contest. Mr. Mitchell judged a similar contest at Baldwin yesterday.

Two sets of three faculty judges each will be made up shortly to give decisions on declamation meets at Hammond and St. Croix Falls. The winners of these leagues will perform on the auditorium stage soon.

## THE ANNUAL CONCERT

The annual concert by the Normal musical organizations will be given in the Normal Auditorium, Friday evening, April 27. The soloist will be Mr. Harry Larusson of the McPhail School of Music, Minneapolis. Mr. Larusson comes highly recommended as an artist of ability on the cornet. The other instrumental numbers will include a violin solo and violin quintet.

The principal choral number to be presented for the first time in River Falls, is the cantata, "King Rene's Daughter" by Henry Smart, for solo voices, Semi-Chorus, and Girl's Glee Club, with accompaniment by piano and the string section of the orchestra. The Girl's Glee Club has a membership of one hundred. Admission: twenty-five cents. Reserved seats, ten cents extra, on sale at Freeman's Drug Store April 24.

## NOTICE—GRADUATES

All orders for Commencement announcements must be in by 5 p. m., Friday, April 20th. The order goes to the printer at that time and you will be unable to obtain them after that date. A sample of the announcement selected by a vote of the class last week has been left in Mr. Mitchell's room and may be inspected at any time. A member of the Announcement Committee will be in the corridor, first floor, South Hall every afternoon from 3 to 5 to receive your orders. Orders may be left with Mr. Mitchell at any other time. Cash must accompany the order. Price is 8¼ cents each.

Mr. Goble attended the play "Macbeth" at the Metropolitan Theater, St. Paul, last Wednesday evening.

To everybody's surprise, a group of Junior girls appeared in Mr. Hanna's Comp. class in their gym outfits. It looks like everybody is working hard for the demonstration.
