FALCONS LEAD CONFERENCE **13 VICTORY OVER SUPERIOR CLINCHES TITLE TIE FOR FALCONS**

River Falls went into undisputed Conference lead here last Saturday night as they defeated Superior 21-13, in a hard-fought, thrill-packed ball game before a crowd of 2500 frenzied fans..

Superior scored first midway in the first period when Hank Ertman, a speedy halfback raced off tackle for 62 yards and a touchdown. Frank Pozega . converted to make the score 7-0.

RFSTC fought back in the second quarter when Tobias passed to DeLong to put the ball on the 19 yard line. Tobias went around end to the nine, just short of a first down, but on the next play Feiler cracked the middle for it. Tobias and Feiler made it to the two yard line from where Olson was thrown back for a five yard loss. On fourth down, Tobias passed to Tunney Burkhard, who made a sensational catch just inside the end zone for the touchdown. Cardinal kicked the first of his three goals to knot the score at 7 all at halftime.

Neither team could score in the third period, but the last quarter opened up with the Falcons in possesion on the 3 yard line, second down and goal to go. River Falls had brought the ball, in a sustained drive, all the way from their own 11 yard and served as his country's Min-line. Tobias had punted from ister to the Court of St. James in Tobias had punted from the 30, but an unknown, alert, River Falls man fell on the ball after a Superior fumble. Olson. Masquers Select made three on a quarterback sneak, passed to Delong for 3 more and Tobias ran for 10 yards to make it first down on the Superior 38 yard line. Shock went for two more first downs on consecutive plays and then 9 more as the quarter ended. Tobias then went through the middle of the line, fumbled and fell on the ball in the end zone for a touchdown. Cardinal converted and the Falcons led 14-7.

The next River Falls drive started when Tobias intercepted Moselle's pass on the Falcon 40 yard line and returned it to the Shock made 9 yards through the line and Gordie Olson made it a first down on the Vellowjackets 39 yard line. Tobias carried to the 22 for another first down.

Dr. Stefan Osusky Will Speak Here

Dr. Stefan Osusky, long time Czechoslovakian diplomat and at present Visiting Professor at Colgate University, will speak here on Wednesday, October 22, at 2:00 p. m. Dr. Osusky was Minister to France for 20 years up to the outbreak of World War II

Queen Candidate

Jane Ann Prescott was chosen by the Masquers as their representative and candidate for Queen of Homecoming at a meeting of the club last Thursday evening. Miss Prescott is at present the manager of the cabaret to be given by the Masquers the middle of Novemper.

An impressive candlelight initiation ceremony was the major event of the evening. New members joining the club found themselves in an eerie atmosphere facing three persons, masked and attired in black, solemnly performing the initiation ceremony.

The announcement of a play reading to be given at the next Masquers' meeting was made. Plans were also discussed for a skit to be presented and a float for the parade as the Masquers' contribution to a gala Homecoming.

1918. He was Secretary General of the Czechoslovakian delegation to the 1919 Peace Confer-League of Nations Assembly.

Among the honors received by Dr. Osusky are the degree of LL.D from the University of Dijon and the Czechoslovak Academy's Karlik prize, "for exceptional services rendered to Czechoslovakia". He also holds the degree of Ph.D. in Philosophy and psychology and the degree of J.D. in law from the University of Chicago. He is the author of several major works on international affairs which include "Essential Russia", published recently in London by MacMillan.

Dr. Osusky has long been recognized as an authority on Soviet Russia and will speak on the topic, "Is Peace Between the United States and Soviet Russia Possible?" His lecture here is under the auspices of the Assembly Committee and is in conjunction with a four week tour of Minnesota, Wisconsin, and the Dakotas under the direction of the Community Concert and Lecture Service of the University of Minnesota.

Romance Language Club Launched

Students of French and Spanish gathered at their first meeting of the season Wednesday night to officially christen the new Romance Language Club, and plan its general program for the year.

Lester Horn was elected president, Charlotte Route, secretary, and Bud Johnson, treasurer. Advisor Robbins suggested that once a week, members of the club should eat dinner together at the cafeteria, and during the course of the meal, converse entirely in one of the two foreign languages. This would prove to

be a great help in getting on "speaking terms" with the langauge. Another thought Monsieur Robbins proposed was the idea of presenting skits in Spanish and French, preceded by an explanatory English accompaniment.

Masquers Present Season's First Play

The first fall term presentation will be given by the famed Masquers in the auditorium, Wednesday night, October 22, just prior to the Golden Rod Room ence, as well as delegate to the dance. It will be the play, "The Reparations Commission and the Potboiler", written by 'lice Gerstenberg; a satire on pray production and management. It will be a play within a play, thus heightening the interest.

> "Pot-boiler" is student directed by Lorraine Thannum, the prompter is Henrietta Huenink, and stage manager is Lois Brandt.

Tickets? Nope— THIS TIME IT'S ON THE HOUSE! Be sure to watch the bulletin board for the exact time Wednesday night.

The Cast is:

Mrs. Sud Elaine Gibbon Playwright, producer and director.

Mr. Wouldby ... Kenneth Augst Hopeful playwright. Mrs. Pencil Elaine Peterson

The woman in the case. Mr. Ruler LeRoy DuBois The hero.

Miss Ivory Carol Feiler The heroine.

Mr. Inkwell John Rockman The villian.

Mr. Ivory Alan Peabody Miss Ivory's father. Stagehands, Al Prescott, Dick Carpenter, and Terry Hayes.

Whitaker Elected to Head New Club

John Whitaker was elected chairman of the newly organized Interdenominational Council at its first meeting, Tuesday evening.

The council is composed of the president and two representa-tives from each church club. The members of the council are:

John Whitaker, Louie Daniels, Betty Lou TeWinkle, Methodist.

Ray Polzin, Allen Danielson, Ben Frank, Lutheran.

Dave Benson, Lola Estenson, Dorothy Rumph, Congregational.

Homecoming **Plans Laid**

"Fold The Blugold" Is Homecoming Slogan

From over 100 entries, the one submitted by "Butch" McCardle has been chosen as the winner in the Homecoming Slogan contest.

Plans for the 1947 River Falls Homecoming, to be held November 1, are being pushed to completion by campus clubs under the direction of chairman Howie Kuhn.

As is traditional, the college FFA chapter will arrange for the bonfire materials and will organize the torchlight parade with Al Linster directing operations.

The senior class, under president Marguerite Baird is to be responsible for Main Street decorations. Jack Henneman's junior class will decorate the campus, while the sophomores, with Gail Crist in charge, will build the queen's throne and decorate the gymnasium. The freshmen will lime the "R" and decorate Ramer Field. One of the big jobs, the construction of the queen's float, will be shouldered by the YMCA.

Representatives of the Midguardians and the ACE have volunteered to send invitations to the alumni. Invitations to former "R" club members are being mailed by that group.

This year's celebration will be touched off officially at 8:00 p.m. Friday, October 31, at a mass pep meeting in front of North Hall. The auditorium will be used in, case of unfavorable weather.

The show will be run in the time-tested manner by Prof. Kettlekamp and will feature the band, several skits and speeches by campus and alumni notables. The climax of the program will be the coronation of the homecoming queen to reign over Saturday's events.

A torchlight parade will move at 10:00 p.m. from the campus to the site of the pep rally and bonfire west of the Maple Street bridge.

Spearheaded by Prof. Rozehn-

Shock hit the line twice, once for four yards and the next time for 18 yards and a touchdown. Cardinal again converted to sew the game up for the locals.

Superior made it 21-13 in the waning minutes of play when Moselle passed to Zell on the 11 and to Hubert Dodge, a sub end, for the touchdown.

River Falls may lose the services of Tunney Burkhard and Gordon Grilley for the Hamline game next week, due to injuries, but both are expected to be ready for the homecoming tussel with Eau Claire a week later.

YMCA Selects Queen Miss Lola Estenson is the YMCA's candidate for Homecoming queen. Miss Estenson, a senior from New Richmond, will be campaign.

Credit Rumors Unfounded

Rumors that certain credits received at RFSTC are not transferable to larger colleges and universities are unfounded, says Dr. Kleinpell. Any credits earned at River Falls may be transferred to such schools of the student's choice in the United States with

no resultant loss.

Students planning to attend other institutions are cautioned by President Kleinpell that indicision of vocational choice and a subsequent change of majors supported by a vigorous political may be responsible for a loss of credits.

The club will meet every two weeks at 8:00 p. m. in the Social Room. Any language student who is interested is urged to join.

Dancing Class Has First Lesson

One hundred twenty-five students attended the first dancing class on Monday evening. Included in this group were 15 women. The class is under the direction of Miss Bailey.

This class was started to make it possible for students to learn to dance by Homecoming. The class will meet Mondays and Wednesdays at 6:00 p.m.

The primary function of the organization is to co-ordinate the activities of the various religious groups. Plans are being made for a joint meeting of the clubs to be held in the very near future.

Temporary plans have been made for the homecoming float which the groups will sponsor.

N-O-T-I-C-E

Any veteran who is planning on quitting school is asked to report when he plans leaving to the Registrar, Mr. Prucha. Cases have occurred where veterans have left without letting the office know. The Veterans Administration must be informed by Registrar of any student who has left college, or action may be taken against that student for receiving subsistence money illegally.

al's marching band. Saturday morning's parade will move down Main Street past the reviewing stand at the flag pole where the floats will be judged.

Prizes are being offered by the Student Senate for the best float, the winning skit, business place window decorations and for the best-decorated rooming house.

Eau Claire's Blugolds will in-vade Ramer Field at 2:00 p.m. to test River Falls in the Falcons' conference finale and the biggest event of the Homecoming.

Immediately following the game a coffee hour will be held for alumni and faculty. Several groups on and off the campus plan to hold receptions for alumni at various times during the day.

A dance will be held in North Hall gym at 8:00 p.m.

Chairman Kuhn is being assisted in his planning job by Wally Mehlberg and Mark Stone.

Plain Talk With The Editor

A disdainful look thrown from the eyes of one of our instructors at two students enjoying the primary companionship of holding hands prompted this example of pseudo-editorialism.

It is not my intention to condemn the prudent instructor. I merely wish to make an apology for humans, and attempt to explain why they behave in such a human way.

Perhaps it would be most convenient for both the worried educator and the frustrated youth if Medical Science could develop a vaccine against young-love as it has against the other juvenile deseases. However, we cannot hope for such a simple solution even considering the potentialities of atomic energy.

It is saddening to recall that, once upon a time, in a less educated age, younglove was considered a natural, exciting and fundamental prerequisite to successful manhood. Those were the "good old days"! Now such emotion is looked upon by parents and educators as the thing most likely to "keep my son from becoming president" or to "keep my student from learning his geometry lessons."

Why has this change in attitude come about? As man has become more civilized and better educated what changes have followed which make human actions seem TOO human?

We can answer this question by comparing the economic and social status of Adam with John Doe. It is fair to assume that the Creator placed on earth a being adapted to the environment of the Garden of Eden, which was to be home. Look at this natural environment for which man was designed-the paradise of Eden. Economically it was a land of plenty, requiring the most simple endeavor to gain subsistence. Adam merely walked among the fruit trees plucking his dinner-for free. Furthermore, his mind was free of uncertainty and insecurity. There was no one competing for his position.

The social environment designed for Adam was no less free. Are you shocked students by name. Three members of to recall that Adam was mentally attuned to walk in nudity? Also, he was ignorant of any legal substitute for natural marriage. Yes, he was physically and mentally designed to exercise complete social freedom. Now, compare modern man, some X years later, who has the original mind and body, the same strengths and weaknesses, and the same desires and needs. What environment is he in? This School is our environment. Ar far as I know, the only fruit to be plucked in River Falls is off a grocery counter at inflationary prices. Our future is not certain as was Adam's, for we must let it rest in the hands of premiers and presidents far without the jurisdiction of our "garden". These economic changes lend themselves to the even greater social ones. It is decidedly frowned upon to walk about nude on the campus. If we did, a marriage

The cats and dogs on campus who occasionally attend classes whether they are enrolled or not, seem to be getting quite an education for themselves. Just the other day during Dr. Jurgen's morning German class a small cat walked sedately through the open door, across the front of the room, stopped abrutptly at Dr. Jurgen's feet and gazed all-knowingly up-ward. The situation fitted in perfectly with the lesson. Said Dr. Jurgens, (in German, of course), "Here comes a cat in the room!" Then brandishing a forbidding outstreched arm he ordered the cat out. "Herous mit der!" Thereupon, to the class' amazement, the cat immediately turned and trotted out!

Post War Notes

Many new members and many old ones have been selected for the Men's Glee Club. There are 33 men now in the club. They consist of: first tenor, William Bothun, Marvin Gilbertson, Willard Hamm, James Murphy, and Charles Sargent; second tenor, Dick Bodeen, Thomas Co-penhaver, Tryn DeCraciun, William Ehlert, Nyles Ellefson, Manley Fossen, Marshall Goodspeed, Marcel Olson, Leland Randall, Arthur Waters, Robert Wickstrom, and David Wilcox; baritone, Nicholas Dzubay, Calvin Krantz, Walter Monson, Alan Peabody, Reuben Roehl, Eugene Savage, Wesley Score, and Harold Tech; second bass, Floyd Amundson, Peter Fenors, Benjamin Frank, George Klingelhoets, Robert Potosnak, William Shafer, Ronald Sobottka, and John Wiff.

The Men's Glee Club was organized many years ago, but during the war, it lacked sufficient manpower to be upheld. Reorganized last year they sang at PTA meetings, high schools and was incorporated into the College Concert.

The club's main function is to spread good will to the community, and offer pleasant relaxation to its members; however it's not all work for the members. They are given an hour credit for active membership, and the fellows have a good time.

I WONDER!

The more we study, the more we know.

The more we know, the more we forget, The more we forget, the less we know,

The less we know, the less we forget, The less we forget, the more we know. Why Study?

WANTED

A student photographer to take snapshots of college activities. Contact Jack Wallace, editor, if interested.

Fair Play

A new system of recording grades after six weeks has begun at RFSTC. This is unfair to both the student and the instructor. The three hour courses have only met about 15 times. The shorter subjects have met even fewer times. Many of the instructors cannot call their the faculty openly said to their classes that fair grading is almost impossible after so few meetings. It does not take an experienced educator to see that this is the best example yet of inaccuate, worthless grading.

STATE OF WISCONSIN

BOARD OF REGENTS OF NORMAL SCHOOLS

MADISON 2

Les Gaylord The Student Voice River Falls, Wisconsin My Dear Commentator:-

I read with considerable interest your very well written comments in the Student Voice of October 6. It is encouraging to find students even considering problems of education since most school papers are mainly concerned with sports, dances, dates and the whole round of extra-curricular activities.

Your conclusion that education is a mutual process in which competent teacher both instructs and inspires is sound. Long, long ago a well known Roman, one Cicero, said," Most commonly the authority of them that teach hinder them that would learn". I judge you don't want a facist class routine with the teacher as a dictator, nor does President Klienpell want a communist organization, the dictatorship of the proletariat. You both want the learning process to be a cooperative enterprise under the leadership of professionally competent teachers.

Keep up the good work. River Falls has always had a good reputation for sound instruction.

Sincerely,

room.

EDGAR G. DOUDNA, Secretary of the Board of Regents

ning around the campus about the time that the cheerleaders practice every night? "She's got freckles on her, Butler sure is nice".

It seems to be a toss up between Warren Johnson and Gordie Olson as to who is going to get the "Bird" and whose going to get "Feathers".

If someone has a room to rent in the 400 block on East Cascade will they please notify Harry "Long Walk" Gibbs. He would like to be closer to his work. (This was a paid advertisement). Hey Bozie! Have you got a thumb?

Have you got a forefinger?

Club 21, where men are men and freshmen live there too, are going to install a revolving door so that the fellows with 8:00 o'clocks can push the second floor boys inside, thus ending death's caused by exposure, being stepped on, or just an overall run down feeling.

Many of the most photogenic people in school say that the only satisfactory type of pictures are those served, I mean displayed, at Thoms.

I hope everybody is getting their Schaer of things.

certificate would be essential.

We can now see that where man was designed to live in economic plenty and social freedom, he is now in an environment the exact opposite. When a person is born he has all of these natural original tendencies. Some time between his birth and when he enters society he must orient himself to the modern codes so different from his nature. What adaptations he must make in his short adolescence!

Please, those of you who have made the conversion, consider this difficult transition and be lenient.

ACE VISIT GILLETTE-

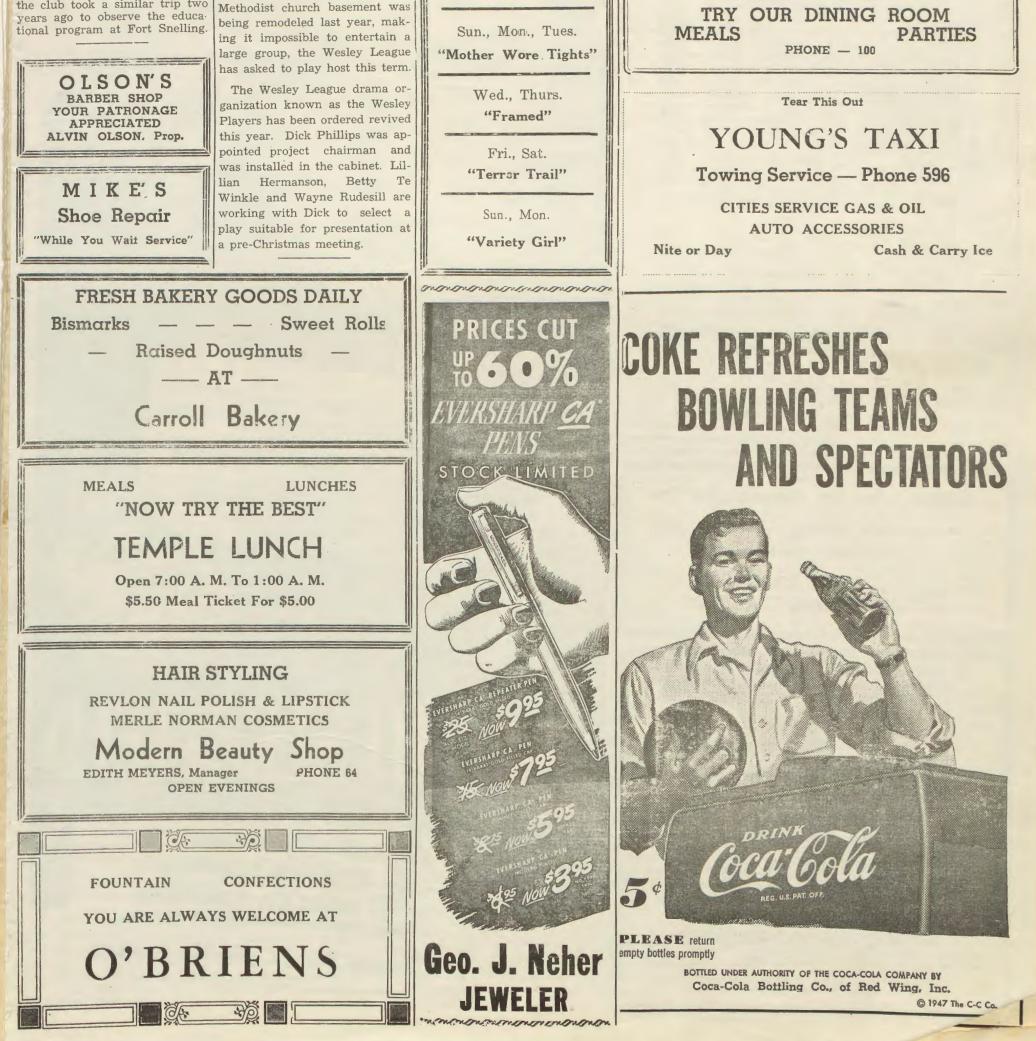

The ACE club visited the Gillette hospital for Crippled Children in St. Paul Saturday. They observed the educational program in practise there accompanied by Miss McGregor, superintendent of the hospital.

Afterwards, the group attend-ed a luncheon at the Women's City Club in St. Paul.

The ACE members hope to supply the children at the Gillette Hospital with small articles for entertainment later in the year.

The newly elected officers of organization are as follows: Jane Olson, president, Felice Jorstad, vice president, Margaret Rock, secretary, and Joan Johnson, treasurer. The members, 42 in all, are preparing to teach primary grades upon graduation.

Miss Zak, advisor, stated that the club took a similar trip two

WESLEY LEAGUE NOTES. Wesley Leaguers are planning a Halloween party to be held on Tuesday, October 28 at the church basement. Priscilla Sperbeck is in charge of the food committee while Betty Boe and Dick Phillips head the decorations and recreation committees, respectively. President Louis Daniel, Betty Te Winkle and John Whitaker

were selected by the cabinet to represent the League on the Inter-denominational Council. The council was organized last year for the purpose of coordinating the activities of the three churchsponsored student groups. The Lutheran Student Association and the Congregational Pilgrim Fellowship are the other members on the council. Its first effort this year will be a float for the homecoming parade.

November 16 has been propos-ed as a tentative date for an interdenominational supand get - together. Each per of the three groups will entertain during the year. Since the

YMCA MEETING HELD-Arthur Waters, Charles Schillberg, and Mr. Ladd gave short talks at the YMCA meeting last Wednesday, October 15, about their experiences at the Camp Tipiwacan Area Conference. Mr. Ladd, the new YMCA assistant advisor, was impressed by the "Faith in Action" theme of the conference. All members were assigned to permanent committees for the year's program. Coffee and doughnuts were served at the close of the meeting.

MONDAY, OCTOBER 20, 1947

FALCONS DOWN **INDIANS 27-14**

River Falls continued on their winning way October 11 as they completely outclassed a fine La Crosse team to the tune of a 27-14 score.

The Falcons opened up early in the game and drove to the opponent's two yard line where a fumble recovered by La Crosse interrupted the River Falls touchdown plans. Later in the quarter, however, Gordon Grilley scored on a 25 yard end run, and Gene Cardinal booted the point to give the locals a 7-0 lead. In the second period the Falcons made it 14-0 by sending Clair Tobias around his own right end for 70 yards on a beautiful run. the big guns showing more speed Cardinal again kicked the point.

From this point until the end of the game River Falls suffered a slight let-down and La Crosse opened up with its very potent passing game, so that with seven minutes remaining in the game the score was tied 14-14.

The Falcons finally found themselves, and after an 82 yard sustained march, in which they counted five first downs, Gordon Shock went over for the touchdown. made it 21-14.

The next Red & White score came as the whole Falcon line went up in the air to block one of Ed Nirschl's troubling passes, and the ball fell into the arms of end Bill Vanderhoof, who raced 35 yards to score. A pass play failed in the extra point attempt. The game ended a few plays after the ensuing kickoff, and the sprinkling of Falcon fans who witnessed the contest breathed a deep sigh of relief.

Sports Highlights -By Bob Gavic "House mother" McCardle must

be getting hard up for coal money. The other night as I was diligently going up to the library to study, I met Butch by the stair-way stuffing the ballot box with homecoming slogans. I wonder how much coal that buck will buy?

Before I forget I better mention Nate Delong made a "sensational" catch in the end zone for an extra point against Stout. He's been after me to put that in the column ever since the game, haven't you Nate?

The Stout and La Crosse games showed a big improvement in the Falcons, especially in the backfield. Tobias and Shock were and power than any of the bacl's the Falcon opposition thus far has been able to produce. Along with Cardinal, Grilley and Fieler I think River Falls has one of the strongest back fields around. If the Falcon line was as strong in reserves as the backfield is, nothing would have touched them this year. As it is, the starting Falcon line is better than average and a lot of the reserves have been showing improvement. Burkhart has been "Automatic" Cardinal one of the most outstanding newcomers this year and will, or rather should be playing a lot of ball for the Falcons from now on. His sensational catch was one of

the highlights of the Stout game. In picking the most outstanding lineman for the Stout and La Crosse games, I think the nod goes to Al Werndl and Bill Vanderhoof. Their defensive and offensive play has been outstanding throughout all the Falcon games thus far.

I certainly received a lot of comment (not good) on my little quotation after predicting the Minnesota-Northwestern game. I didn't realize we had so many loyal Minnesota fans on the campus. If the Golden Gophers get by Illini and Michigan I'm afraid I'll be forced to undecline that quotation.

I think I should put a note in here about the River Falls high school game with Spring Valley a week from Friday. River Falls is still undefeated and Spring Valley has but one defeat, a rather freakish one, 20-19 at

Serving Regular Meals, Short Orders, All kinds of Sandwiches, Home Made Pies. SPECIALS FOR SATURDAY

the hands of Hudson. This should really be a thriller and will also decide conference championship. These two teams are trounce their neighbors. the best the Middle Border Conference has produced for a long time. Gonna be a good one to see.

After hitting .858 on last week's predictions I present the follow-Army over Columbia. Army still better than the Lions even without Blanchard and Davis.

California over USC. If they're easy too. good enough to trounce Wiscon-sin, they're good enough to

St. Olaf over Carleton. Rivalry will make this a close one.

Superior over Eau Claire. That should be pretty easy.

River Falls over Hamline, providing they don't repeat their playing performance against Hamline last year. Illinois over Purdue. Rather

Indiana over Northwestern. Crippled Cats continue to lose.

Notre Dame over Iowa. This is gonna be close.

Wisconsin over Marquette. It should be a breaker.

Michigan over Minnesota. Do I dare say anything about this one? Michigan gets the nod.

River Falls High over Spring Valley High. A successful homecoming for R. F.
