Tom Schaffer New Senate President Burt Potocnik Gets No. 2 Post

TOM SCHAFFER

BURTON POTONIK

DAVE TAUBE

KEITH RODLI

Tom Schaffer, sophomore from North St. Paul, Minn., was elected president of the Student Senate for the next school year at last Monday night's meeting.

Schaffer, who has served on the Senate for two years, defeated Burt Potocnik for the position. Schaffer replaces graduating Senate president Gene Smith.

In the vice presidency race Potocnik defeated current Senate secretary Ann Schleicher. Potocnik, sophomore from Owen, is vice president of the Legislative Action Committee.

In other races David Taube, junior from St. Paul Park, Minn., ran unopposed for Senate secretary. Keith Rodli, sophomore from Baldwin, defeated Dick Carlson in the race for Senate treasurer.

Miss Schleicher, junior from Sheboygan Falls, was elected unanimously to serve as chairman of the Student Advisory Council (SAC). Marilyn Nielsen, freshman from Madison, beat Linda Farris in the race. Carlson was nominated but withdrew. Dennis

Muller, sophomore from Delevan, was chosen to serve as the Senate liaison to GLC. Potocnik and Schaffer were selected voting delegates to the United Council.

After nominations for each office, the Senate went into "executive closed session" to discuss the candidates qualifications. Senator elect David Taube moved that the meeting remain open during the discussions. Miss Schleicher pointed out that when Senate interviews for committee appointments it goes into closed session.

"That doesn't necessarily mean it's right," Taube answered. Taube's motion to keep the meeting open was defeated 18 to 3.

Potocnik asked the Senate to endorse Fred Markus for chairman of the Legislative Committee of United Council. Bob Shaw of Eau Claire, president-elect of United Council, has nominated Frank Boyle of Superior for the position but will appoint Markus if he receives 10 votes from the various state univer-

sities for the chairmanship.

Larry Minth of the Ferret requested \$105 from the Senate to cover the cost of fixing up the Ferret office and traveling expenses incurred by the Ferret. The Ferret is a publication of the Prucha Hall Club. Senate president Gene Smith said that a dormitory had never before come before Senate seeking financial aid and asked, "Is a dorm dependent on Senate for financial support?"

Smith said that he felt Prucha Hall should take financial responsibility for the Ferret. Harvey Stower moved and Jim Kubiak seconded to allot the Ferret \$50 to cover expenses. The Senate tied on the vote and Smith broke the tie by voting against the Ferret's request.

Dr. Thompson Returns From Ag Conference

Dr. Marvin Thompson, agriculture education professor in the College of Agriculture, recently returned from the National Conference on Off-Farm Agricultural Occupations held at Ohio State University at Columbus, Ohio, May 3-10.

Sponsored by the National Center for Research in Agricultural Education and the United States Office of Education, the conference "concerned itself with the vastly increasing field of the non-farm agricultural occupations and problems in administering related programs together with the development of curricular material for providing suitable instruction," Thompson said.

Year's Final Recital

Fifteen students and two faculty members will perform Thursday at 8 p.m. in the last music recital of the year, a program of music for two pianos.

Cheryl Oskey and Annette Bents will present "Allemande," from "Suite for Two Keyboards," by Mattheson and "Rondo Popolare," from "Balletto Grotesco," by Henk Badings. Sandra Senechal and Roger Dent will perform "Four Waltzes," by Brahms, and Sharon Johnson and Jeanne Allyn will be heard in "Jeux de Plein Air," by Tailleferre.

Linet Jolin and Carole May will play "My Pretty Little Pink," by Paul Pisk. J. C. Bach's "Sonata for Two Pianos" will be performed Margaret Hagen and Judy Scribner. Merry Jo Swanson and Betty Ingalls will play "Jig Waltz," by John Klein. Diane Hagen and Kay Vincent will perform "8 Exotic Dances." The program will close with the performance of "Quodlibet (The Fancy Blue Devil's Breakdown)" for two pianos, eight hands, played by Carolyn DeJong and Donald Nitz of the faculty and Diane Hagen and Kay Armstrong.

One-Car Accident Injures 2 Students

Two River Falls students were among six persons injured and one killed when their car smashed into a concrete post at the Highway 10 approach to the Chippewa River bridge in Durand Sunday.

Robert Crownhart, 18, freshman from Elmwood, was reported in serious condition at St. Mary's Hospital, Rochester, with a possible fractured skull, dislocation of the right hip, fracture of the right ankle and facial lacerations. He was reported driving the car.

James Stewart, 19, sophomore from Prairie du Sac, also in the car, sustained a punctured lung, compound jaw fractures and other facial injuries.

The seven youths that were riding in the 1956 Pontiac that was demolished, were reported to be on their way home from a party.

Preliminary investigations by Art Show, Sale Set This Week

Art students of WSU-RF will hold the annual Outdoor Art Exhibition and Sale Wednesday between 9 a.m. and 3 p.m. on the lawn between the Student Center and South Hall.

Three graduating seniors will be picked by the art department to judge the work shown and award certificates of merit to outstanding exhibits of painting, drawing, graphics, sculpture, fiber, pottery and jewelry.

In case of rain Wednesday, the event will be held Thursday.

Pepin County traffic officers showed no skid marks leading to the abutment which was struck on the north side of the highway. Carol King, 19, Maiden Rock, who was killed was found in the back seat with another passenger. Three other occupants were thrown out of the car by the crash that forced the engine back into the front seat.

WSU-RF Royal To Be Held On Thursday

The River Falls Royal, annual fitting and showmanship show, will be held at 7 p.m. Thursday, May 20, at the WSU-RF Lab Farm pavilion.

Trophies will be given in each class.

The annual show, sponsored by the FFA and the Agrifallians, is open to the entire student body this year instead of only to ag majors as was formerly the case.

Rosettes will be given to first place winners in the classes of dairy, beef, swine and sheep, and ribbons will be awarded through fifth places. The 17 animals were assigned last Tuesday and have nine days to be trained and fitted for the show.

Tod Planer, Don Steffen and Lyle Bellin picked cattle at random from the University herd and assigned them to the competing students. There will be no admission charged at the Thursday night judging.

WSU-RF Freshman Is 'Alice' Finalist

WOODVILLE, Wis. --- A WSU-RF freshman woman was selected by judges Saturday to be one of two Region 8 finalists in the Alice-in-Dairyland contest.

Miss Bonita Kittelson, a speech and English major from Spring Valley, will compete with other regional finalists June 24-26 at Sun Prairie for the Alice in Dairyland crown.

The River Falls student is the daughter of Mr. and Mrs. Wayne Kittelson. Mr. Kittelson is a buttermaker for the Twin Cities Milk Producers Association in Elmwood.

The Region 8 contest was held in conjunction with the annual Syttende Mai celebration in Woodville.

A crowd of several thousand persons lined the main street in Woodville to watch the 70 unit parade, which included several high school bands, marching units floats and 30 Alice-in-Dairyland and Syttende Mai queen contestants.

The climax of the day came at 7:30 p.m. when, in ceremon-

ies held on a stage on main street, the two winners of the Region 8 Alice in Dairyland contest, and the new Syttende Mai queen and her attendants were named.

The other finalist picked at Woodville Saturday was Miss Marlys Ewing, the daughter of a Jim Falls farmer and a graduate of the Chippewa Falls high school. She is now a music student at Concordia college, Moorhead, Minn.

2 MONDAY, MAY 17, 1965 - WISCONSIN STATE UNIVERSITY-RIVER FALLS

CLOSED MEETINGS--

Time for a Change

It's time the Student Senate and other governmental bodies on the WSU-RF campus face facts and realize that they are dealing with 2,500 University students, not elementary school students.

For many years, the government organizations on campus have nurtured a secrecy-clocked system of closed meetings with nothing more to back up its use than the fact that "this is the way we always have done it."

We sincerely hope that the 1965-66 Student Senate takes a big, mature step beyond the present Senate, and refuses to use closed meetings merely on precedent.

Under Wisconsin law, closed meetings may be held during which prospective candidates for committee openings are interviewed, as the Senate did last week and will do again tonight, or to decide the fate of some poor mademoiselle whose extra curricular activity is collecting late minutes, as the AWS Executive Board consistently does. But this does not mean it is either right or beneficial.

Some of the students sitting on these governing bodies have said that the content of the matters discussed in closed sessions does not warrant secrecy. We heartily agree.

If a student is attempting to get a posi-

tion on a Senate committee, he should be willing to hear the Senate discuss his qualifications. He should also be intelligent and mature enough to accept careful, critical inspection of his qualifications.

Similarly, a woman with 253 late minutes should not be barred from hearing a discussion of her actions or her punishment. In many cases the women involved want to be able to hear the arguments presented for and against them. Students presenting cases to the AWS Board have said that the decisions made by the Board are not nearly so strict as the ones that go through the defendant's mind as she stands out in the hall waiting for a decision.

Perhaps the Senate is operating under the mistaken notion that students will not respect Senators who criticize a prospective committee member. But how much respect is due a Senator who is afraid to say what he thinks to the public.

A motion to open the meetings last Monday as the Senate decided committee chairman may present at least a crack in the wall. Although the vote on the motion ended 18-3 against it, we hope it is a sign of better Senate.

Professors In Residence

Last week Professor Ricardo Quintana from the University of Wisconsin was on campus in a role not used much at River Falls, that of professor in residence for one day.

Dr. Quintana, a specialist in English literature, spoke to two English classes and

talked to English teachers at WSU-RF, but did not address the campus community in a convocation.

Marion Hawkins, English professor and a former student of Quintana's, said that she hopes a program can be established here which would bring a professor in residence to River Falls for a day or two each year.

Miss Hawkins said a program such as this could turn out to be much more effective in educating students and in improving the content of subjects taught at River Falls than could all-school convocations.

The professor in Residence would have a chance to talk to students in the less formal atmosphere of the classroom, not in the auditorium. He would be able to speak on a more technical level with students vitally interested in his subject.

He would also be able to talk longer and in more detail to teachers about what is taught and what should be taught in a certain course.

Perhaps it would be well for the Concerts and Lectures Committee to devote a little of its time to investigating the possibility of setting up a program such as the one proposed by Dr. Hawkins.

LITTLE MAN ON CAMPUS

"YOU MAY AS WELL OPEN UP - I OVERHEARD ONE OF THE STAIRS SAY YOU HAD A SECRET!"

WE GET LETTERS

Reader Demands Unity, Better Administration

To the editor ---
NOW is the time for all thinking students of this "State University" to come to the aid of a cause most worthy! Let us begin... to seek reforms which will eliminate the bungling of the administration at this institution. It is most unfortunate that red tape and a very real lack of positive policy are so evident on the higher educational level.

Let us review some of the bungling of the past academic year. First, the manner in which the V.D. problem was handled was atrocious... to the point of ridicule as was the object of the Pilgrim Mothers. Second, the horrible nightmare of the AWS controversy and trauma of the situation in the women's dormitory, which has led many to think twice about ever subjecting themselves to the concentration camp again, let alone allowing future generations to be placed in the same position. Third, we had the fantastic situation of all-school convocations which were continually unannounced prior to the day of the convocation. Fourth, the mandatory attendance required by certain teachers has become the instrument of the very poor instructors to hold captive audiences. I submit, if we are here to learn and inquire, cannot we the students also be responsible for what we learn? If an instructor wants his students to read certain material, cannot they read it for themselves outside of class?

The fifth matter which has been bungled is that concerning national and religious holidays. Memorial day is coming, and this is supposed to be the day in which America honors its dead. But this is not allowed at WSU-RF. The students must study for tests which will be given on the day in which the rest of the country will be remembering those who made it possible for us to be here today.

Finally, we have the complete-

ly messed-up farce concerning seniors and final exams. A list is published to the effect that those listed do not have to take finals, subject to the instructor. But have you ever tried to get the instructors to go along with this? They do as they please!!! Therefore, while the seniors should be studying they are required to attend various rehearsals and a ceremony which few care about due to concern over the tests which lie ahead.

STUDENTS UNITE! DEMAND BETTER ADMINISTRATION NOW BEFORE IT GETS WORSE!!!

Food Service Gets Thanks

To the editor ---
The Physical Science 113 classes wish to take this opportunity to thank Ace Foods for the wonderful fried chicken lunches which they prepared for the field trips of the 11th and 13th day of May. We especially thank them for providing extra lunches for those few who forgot to register. Students in Physical Science 113

Rodli Praises Helpers, Donors

To the editor ---
I would like to take this opportunity to thank all of the blood-donors and those who came to donate but for some reason were rejected, the many students who volunteered their time to help in administering the donation process, and a special thanks to Mr. Jack Couteaux and the University Food Service for the outstanding cooperation which they provided.

A combination of these people helped to initiate an impressive first on the River Falls campus, that of having our own blood program.

It is hoped that the enthusiasm of these people will be echoed in the future years of this program.
Keith Rodli

And On Other Campuses...

By MICHAEL BRECKE

The members of Sigma Pi Kappa, a local social sorority, officially pledged the national fraternity Alpha Xi Delta. (The Spectator-WSU Eau Claire)

Eau Claire is advertised as "Wisconsin's most beautiful campus." This comes from an editorial in the WSU-Eau Claire-Spectator. A quote also from the editorial reads as follows: "River Falls finds itself with enough room for two or three more pastures, but current construction has just about obliterated their scenery." The editorial continued that River Falls is probably the main challenge to Eau Claire's claim.

Stout students last week were hit by spring fever when the male students united to perform a panty raid. Quotes from girls anticipating the raid went something like this: "I don't want to lose my pants." "Lock your doors." and "You're kidding-I don't believe it." The raid was stopped when the standard procedure to insure safe keeping of their underwear was enforced. They locked their doors. (Taken from the Stoutonia)

With the cooperation of the dean, department heads and the faculty, the problem of the students' right to see final exams has been clarified. All concerned recognize that reviewing a test after it has been corrected is one of the best ways to learn and remember the correct answers. This is reported by The Racquet of WSU-LaCrosse.

Academic freedom was challenged in a University of Wisconsin demonstration. In an editorial in the Daily Cardinal a demonstration by 250 students was described as turning a fruitful dialogue into a three-ring circus. The demonstration was a reaction to three speakers the Committee to Support the People in Viet Nam sponsored. Professors who support these groups were also lampooned and ignored when their efforts to stop the demonstration were voiced. The speakers attempted an explanation of the Viet Nam situation.

"This University," stated the Cardinal "is too great for either the far left or the far right to destroy it. If we're not careful, a combination of the two will do it."

Superior Twin-bill Rained Out

Dennis Stern
VOICE Staff Writer

The doubleheader at Superior on Saturday was rained out as the Pagemen made the journey to Yellow-jacket land only to come back in the afternoon without playing.

With one week left in the conference season, four teams have a shot at the championship. Whitewater is leading the conference with a 4-1 record, Stevens Point is 6-2, RF is 3-1, and La Crosse is 4-2. To win the title, a team must have played at least six games and have the best won-lost percentage.

For River Falls to have a chance for the title, conference leading Whitewater must be rained out or split with LaCrosse next Saturday. The Falcons must take two from Eau Claire tomorrow.

Whitewater can win it if they beat La Crosse twice and Stev-

ens Point can if Whitewater and River Falls lose one apiece, and they sweep Stout today.

La Crosse will have to sweep Whitewater, and RF and Stevens Point lose one.

To complicate matters more, La Crosse is checking with their athletic department to see if they can replay a RF rain-out here. Also Whitewater and Oshkosh will attempt to make up one rainout sometime this week. Platteville and Whitewater will not attempt to make up their rainout doubleheader, thank goodness.

If that isn't enough, Whitewater and River Falls could be rained out before they play their required six games which possibly could eliminate them.

Another remote possibility could be that one of these assorted teams could win the conference championship and still another could win the state championship. Stevens Point and La Crosse did not indicate they

But take heart, God's in His Heaven, all's right with the world, and the Falcon freshman squad

would be interested in the state playoff May 25.

beat the St. Paul Bible School 14-6 on Wednesday. Trailing 6-2, the frosh scored six runs in the sixth inning. Jim Hughes pitched the sixth and seventh and was the winning pitcher.

Led By Miller Golfers Trounce Bethel 13-2

The Falcon linksters led by Captain Roger Miller's 79 completely dominated golf play as they trounced Bethel 13-2 Tuesday in St. Paul. The five representatives of the University Golf Team all won points on Como Golf course.

A fine showing by freshmen Bill Abel, John Ganske and Ken Olsen tallied 7 1/2 points and they shot a 82, 82 and 83 respectively.

Senior Ed Ganske shot an 88 which was good enough to win 2 1/2 points. Plus Miller's 3 point win led to the rout.

The next match for the Falcons is here against Stout on Wednesday. On Thursday, five golfers will travel to the Green Lake golf course in Green Lake, Wis., for the conference meet held on Friday and Saturday.

3 Week I-M Play Completed

Three weeks of scheduled play have been completed in intramural softball and the battle lines between the top teams in each league are being drawn for the final two weeks.

In the "R" League the Herd has been running rampant and had put together a string of five victories before being stopped last week by Alpha Gamma Rho by a 3-2 margin.

In the "F" league the Astronauts and the Jack Pine Savages remain undefeated with records of 5-0 and 4-0 respectively. In games last week the Astronauts stopped Jim's Boilers 14-0, Special Exports 19-5 and Alpha Gamma Rho B 13-3. The Jack Pine Savages also collected victories over Jim's Boilers by a 5-2 count and the Rat Finks 17-12.

In the "S" League the Celler Dwelling Ceiling Seekers are sporting an unblemished record of 4-0 with the Tap Hounds and Kappa Theta close behind with records of 3-1 and 4-1 respectively.

The Sluggers are leading the rest of the pack in the "C" League with a record of 2-0. Close behind are the First Nine and Rizzo's Raiders each having one loss.

The standings after three weeks of play are:

	Won	Lost
"F" League		
Astronauts	5	0
Jack Pine Savages	4	0
Special Exports	2	2
Rat Finks	1	2
2nd Floor West	1	3
AGR B	1	3

The Toads	3	1
Ric's Rec	3	1
AGR A	3	1
Celler Nine	2	2
Jolly's Boys	1	3
Red's Rogues	0	3
I-Felta-Theta	0	5

Net Win Skein Broken By 5-4 Loss to Bethel

The Falcon net squad ran its unbeaten string to five by downing Eau Claire 7-2 last Tuesday, but suffered its first loss to Bethel 5-4 two days later in St. Paul.

"We took them too much for granted," said coach Byron James of the Bethel match. The Falcons had previously beaten Bethel on the local courts.

River Falls faced their opponents from Minnesota without the services of their number four man, Ralph Rossing, who has only been beaten once in singles play. Winning singles matches against Bethel were Doug Hanson, Jim Daniels and Randy Klink as the latter two remained undefeated in six starts.

With the score knotted at 3-3 after the singles matches the Falcons were able to win only one of the doubles contests as Al Carrier and Daniels formed the only winning combo.

Invading the Bugold's home

court on Tuesday, the Falcons ran their conference mark to 3-0 with their second win over Eau Claire. The Falcons won five singles matches to wrap up the contest even before doubles play began.

Dan Carlstrom, the number one man was the only singles loser as Hanson, Daniels, Rossing, Carrier and Kling were all victorious. The Falcons had previously beaten Eau Claire by a narrow 5-4 margin at River Falls.

The Falcons will play two meets at home this week, facing Stout on Tuesday and Hamline on Thursday, before heading for the conference meet at La Crosse next Saturday.

Coach James said that he could not recall the Falcons ever scoring in a conference meet and said that he expected LaCrosse, Oshkosh, and Whitewater to be the teams to watch.

Kappa Delta Psi - Phi Nu Chi Win Greek Week Game Night

The second annual Greek Week Game night was held last Tuesday, May 11. Kappa Delta Psi sorority and Phi Nu Chi Fraternity came up the winning teams.

Kappa Delta Psi scored an overwhelming victory as they rang up 115 points on three firsts, three seconds, and two thirds to easily outscore Phi Delta Theta and Delta Iota Chi who tied for second and last with 40 points apiece.

The fraternity competition was much closer with Phi Nu Chi getting 55 points, Sigma Tau Epsilon 40 and Alpha Gamma Rho, Sigma Rho and Kappa Theta all getting 35.

At the pool table Speed Hyland of Phi Nu Chi, last years champion, successfully defended his title winning 50-42 over Lane Esswin of Kappa Theta. Third place went to Harv Ankley of Phi Nu Chi and Sigma Tau's. Jim Terrano took fourth.

Jane Blakesley and Ann Schleicher took first and second for Kappa Delta Psi, Ellen Blank took third (Phi Delta Theta) while Judy Rehz brought home fourth for Delta Iota Chi in Sorority competition.

In Euchre competition Alpha Gamma Rho and Phi Nu Chi went down to the wire before Alpha Gamma's team of Bill Jacobson and Orlin Berg came up with the winning hand over Bill Eulberg and Tom Knutson of Phi Nu Chi.

Third went to the Sigma Rho team of Jim McLaughlin and Neil Ihrke while Kappa Theta's Neil Bishop and George Ritter took fourth.

Phi Delta Theta's team of Mary Hyde and Cynthia Scholough took first in the girls Euchre. Kappa Delta Psi grabbed second and third with the teams of Sue Gregg and Mary Schweetee, and Chris Kapun and Carol

Fuhs. Fourth went to Delta Iota's Bev Enloe and Bonnie Kittlesen.

The Sorority Ping Pong contest first two places were won by Kappa Delta's Chris Kapun and Sylvia Wears. Janet Kraft and Barb Anfinson took third and fourth for Delta Iota Chi.

Randy Klink won the men's competition in Ping Pong for Sigma Rho. Frank Fanello took second for Sigma Tau and Reno Rizzo picked up third for Phi Nu Chi and Paul Diedrich took fourth for Kappa Theta.

Sigma Tau's Bowling team of Dave Balke and Vern Andren "eked" out a narrow two pin win in the first game and roared back to win the second two out of three by a 92 pin spread over Alpha Gamma Rho's Gary Anderson and Roger Neitzel.

Jim Bloomquist and Curt Weber took third for Kappa Theta, while Sigma Rho with Jim Spindler and Danny Filkins picked up fourth.

Kappa Delta Psi won the sorority bowling competition with the team of Linda Wickard and Sue Finke. Delta Iota Chi's Pat Pornell and Linda Ueland took second, while third went to Phi Delta Theta's Donna Newman and Mary Paulson.

Bowlers Award Night

According to Sue Fink UAB Games Chairman, bowlers will be awarded and or recognized Tuesday night. This is open to all students. Trophies will be presented to the winning teams, high average, high series and high game league bowlers. Awards night will be held in Rms. 101-102 in the Student Center at 8:30 p.m. Tuesday May 18.

Miss Fink added that the game-room has purchased a badminton and croquet set for student rental. The rental fee for the badminton set is 25 cents for 1/2 hour, 50 cents and hour and \$2.50 daily. The croquet set can be rented the same on the half hour and hour basis but the daily fee is set at \$4.00.

GIVING BLOOD to the Red Cross is the Rev. Richard Truitt, left, and Bob Machacek, senior

from Glenville, as Sharon Lee, freshman from Rochester, Minn., keeps an eye on them.

Bloodmobile Collects 132 Pints

WSU-RF students gave 132 pints of blood last Tuesday to the Red Cross Bloodmobile, 27 pints more than the quota set for the University.

Kappa Theta fraternity won first place in the Bloodmobile contest after 29 students donated their blood in the name of that organization. Phi Kappa Psi was second with 1 and Alpha Gamma Rho third with 15 pints.

Keith Rodli, campus Bloodmobile chairman, said Kappa

U. of W. Prof Will Speak To Engineers

Richard W. Heine, chairman of the department of mining and metallurgical engineering at the University of Wisconsin, will meet with faculty members and pre-engineering students at 4:15 p.m. Wednesday in Rooms 101-102 of Hagestad Student Center.

All students interested in engineering and particularly those planning to transfer to the University of Wisconsin should attend, T. E. Thoreson of the Agricultural engineering department said.

UAB Plans Social Calendar

Students interested in securing a room for meetings for student organizations next year may talk to Robert Brock, Student Center director, to reserve the room and the time for their meetings, the University Activities Board (UAB) announced.

The social calendar of the UAB for next year is in the process of being put together. There are still several weekends to be filled for next year.

Geology Prof Will Speak

Dr. L. J. Brown, professor of geology at Baylor University, will speak at an all school convocation Tuesday, May 25, in North Hall at 9:45 a.m. The subject of his talk will be "The Growing Importance of Earth Science in Urban Development."

He will also give a lecture concerned with "Earth Science and its Sociological and Economic Importance in the Texas Southwest," on May 24 at 1:25 p.m. in the Little Theater for science students and others who may be interested. According to Dr. Brown, this lecture will be a "general consideration of geology, geography, soils, climates, and other earth science-related factors which bear on economic and social problems in Texas."

Tuesday evening Dr. Brown will be guest of the Geology

Club, where he will speak on "Selected Geologic Problems in the Texas Cretaceous and Carboniferous Rocks." The club will

meet at 7:30 p.m. in room 208 of the Student Center and the meeting will be open to all interested persons.

Eight Graduates Placed

Six June graduates and two August graduates of WSU-RF have accepted teaching jobs, the Placement Bureau has announced.

Miss Viola E. Carlson, Glenwood City, has accepted a job as second grade teacher with the

Class to Meet

There will be a meeting of the sophomore class Thursday at 4:10 p.m. in the North Hall Auditorium. The new class officers will be introduced to class members at this time.

Six RF Exhibits at Stout

Three art students and three art faculty members are exhibiting prints at the "Wisconsin Printmakers 1965" art show at Stout State University, Menomonee.

Works by Miss Mary Barrett, Larry Rosing and James Sampson of the faculty are included

in the exhibition, with prints by Roger Bartlett, Lu Ann Cipov and Anne Kingsbury.

More than 100 Wisconsin printmakers submitted prints and 32 works were selected to be hung. Sampson's print, an intaglio entitled "Study of A Night Creature," was purchased to be a part of the Stout permanent collection.

Donald Reudy, a 1964 graduate and now a graduate student in art at the University of Wisconsin, submitted a print which was also chosen to be hung in the exhibition.

-Meleteans-

Any student wishing to have the 1965 MELETEAN mailed to him during the summer may pay 25 cents to cover the cost of mailing, on Wednesday, Thursday or Friday of this week in Room 221 North Hall between 1 and 4:30 p.m., Editor Helen Avery announced.

Interview Tuesday

Representatives of the Oscola public schools will be on campus Tuesday, May 18, between 1 and 4 p.m. to interview prospective teaching candidates. Any students interested must make an appointment with the Placement Bureau, located in Room 114 North Hall, before the interview.

Jack Lemmon
"How To Murder Your Wife"
In Color

Wed., Thurs.

MAKE ROOM AT THE TOP FOR "NOTHING BUT THE BEST"!
The love scene in a canopied bed in a deserted castle is the funniest since Albert Finney and Joyce Redman munched and leered their way through dinner in 'Tom Jones'! — LIFE

Fri., Sat.
"A Boy 10 Feet Tall"
Edward G. Robinson
This Show Only Shows at 6-8 & 10 p.m.
