College Goes All Out For Winter Carnival

RFSTC is going all out for a big weekend with the combination Winter Carnival-Homecoming on Friday and Saturday, February 9 and 10. The festivities begin with the pep meeting on Friday afternoon and will culminate with the big Homecoming game with Superior Saturday night.

Committees selected by the Student Senate which is sponsoring the Carnival-Homecoming and the chairmen are:

General chairman, Reuben Johnson.

Decorations, Betty Aasterud.

Refreshments, Gladys Leadholm.

Royalty, Gene Wirz.

Advertising, Merle Penman.

Paul Rogness is in charge of the pep meeting which will be held at 2:15 Friday afternoon in the auditorium. All organizations on the campus are going to present stunts at the meeting. The King of the Carnival, Sam Young, and the Queen Marilyn Mercord, will be crowned at the pep meeting.

After the pep session there will be skating events which will be held at the local high school rink.

There will also be a lot of rivalry between those who will be showing their skill in snow sculpturing. The idea of "Sleighbing Superior" will be featured by the ribbons which all college students will wear.

Saturday afternoon's activities will provide for plenty of opportunities to ski and toboggan on the Mound northeast of River Falls. Then the highlights of the weekend will be the basketball game with Superior at 8 p.m. Saturday. The game will be followed by a big Homecoming dance in South Hall gym. Harold Hunter and his orchestra will provide the music.

The plans are to make this Homecoming and Winter Carnival one of the outstanding events of the college year, and we want all students to come and join in the fun.

WANT TO EARN A LITTLE CASH?

Gals and fellows, here's your chance to make a little extra money, either for yourself or for the organizations to which you belong. The method is simple—just get out and win a bit of that prize money that is being offered this weekend for the different homecoming events.

To begin with prizes of \$2.00, \$1.50, and \$1.00 each will be awarded the organizations which give the best stunts during the Pep Rally on Friday afternoon.

More prizes will be awarded in the form of war stamps for the various sports events to be held on Friday and Saturday. These will include skating and skiing and even a bit of snow sculpturing.

To the alumni of RFSTC the Students and Party Committee extend the most cordial invitation to attend the Winter Carnival-Homecoming, February 9 and 10. Come and join the fun with skis, skates, all your pep and your fun-loving self. We'll be seeing you then.

PEP RALLY BEGINS EVENTS

Combined Homecoming and Winter Carnival begins Friday afternoon at 2:15 with a pep rally in the auditorium. It will star special yells, centering around the theme "Sleigh Superior"—and a program of stunts enacted by the various campus organizations, among them a specialty entitled "Murder Superior," plus other numbers—musical and otherwise (?????).

Perhaps the primary attraction of the rally will be the coronation of the King and Queen.

Don't forget an important time and occasion when Homecoming begins in full swing—2:15 Friday afternoon.

The unique advertising posters for the Homecoming-Winter Carnival that are displayed on the campus and down town were made by four members of Miss Greene's lettering class. The four are: Anna Mae Hoseid Sylvia Haugen, Hope Metcalfe, and Shirley Schillberg. Another member of Miss Green's class, Ethel Jones, made the wall decorations for the South Hall gym.

LAST CARNIVAL HELD IN '42

On February fifth and sixth of 1942, a Winter Carnival was held in River Falls, the first in several years. The main activities of the first night were skating at the rink and the coronation of Queen Amy Webb, who was crowned on a throne sculptured of snow at the rink. Saturday morning was well occupied with the judging of snow sculpturing and the afternoon with the skiing and tobogganing at the Mound. Ski jumping, slaloming, and cross country races were also part of the afternoon's fun.

The climax came with the playing of a game with La Crosse and with the school dance following the game.

HUNTER TO FURNISH MUSIC

As a fitting end to our Homecoming-Winter Carnival festivities, the party committee has engaged a four piece orchestra, formerly Harold Hunter's for the dance in South Hall gym following the game. It is the same orchestra that furnished the jive for the Christmas dance, and those present could certainly vouch for its being "on the beam."

Baby He's A Wolf

If he parks his little fliver
Down beside the moonlite river,
And you feel him all a-quiver,
Baby, he's a wolf.

If he says you're gorgeous looking,
And your dark eyes get him cooking,
But your eyes aren't where he's looking,
by, he's a wolf.

Perhaps when you are kissing
You hear his heart a-missing
You talk, but he won't listen,
, he's a wolf.

His hands begin to trifle,
And his heart pounds like a rifle,
And he says you are an eyeful,
Baby, he's a wolf.

If his arms feel just like sinew,
And he stirs the Gypsy in you,
And you want him closer agin you,
Maybe—you're a wolf.

(In case there are any post-dance affairs Saturday evening, just keep these bits of advice in mind.)

SLEIGH SUPERIOR

Buy a ribbon to "Sleigh Superior"; show your school spirit with one of these red and white trademarks.

The ribbons went on sale Wednesday at ten cents each. The money is to be used to finance the expenses connected with the carnival.

So buy a ribbon—help to "Sleigh Superior" and make this the most successful carnival we've ever had!

Don Miles, star forward for River Falls was badly injured while playing in the River Falls-La Crosse game. He suffered injuries to the inner cartilages of his left knee and had to walk with the aid of crutches for a few days. It is hoped that "Baldy" can get into the lineup before the end of the season.

The staff of the Voice wishes to take this bit of space to thank the Student Senate for financing this Homecoming-Carnival issue of the Voice. We of the staff offer a hearty welcome and wishes for a big weekend to all alumni.
