RIVER FALLS STATE COLLEGE

MONDAY, OCTOBER 3, 1960

QUEEN CANDIDATES for 1960 Homecoming are back row, Gloria Grover and Kay Holmes and front row, Nancy Fox, Criss Jelen, Edith Walker and Sue Dorgan.

## Homecoming Festivities Draw Near

### SIX COEDS VIE FOR HOMECOMING QUEEN

One of six campus lovelies will be crowned Queen of the 1960 Homecoming next Friday at 7:30 p.m.

Voting for the Homecoming Queen will be in the Student Center on Thursday, Oct. 6, from 8 a.m. to 5 p.m. Coronation will take place Friday evening following a pep fest at Ramer Field.

One sophomore and five junior girls constitute the field of six contestants. Edith Walker, sophomore from Edgerton, is being sponsored by the Vet's Club.

The five junior girls include Sue Dorgan, Rice Lake, sponsored by the Pinochle Club; Nancy Fox, Waukesha, sponsored by the FFA; Gloria Grover, Galesville; Kay Holmes, Nekoosa, sponsored by the Young Republicans; and Criss Jelen, Pepin, sponsored by the "R" Club.

The Friday night pep fest will include cheers, words from the coaches, introduction of the football players, and several dignitaries.

### 'La Strada' to Be Next Falcon Film

"La Strada," the second movie in this year's Falcon Film Series will be shown at 8:30 p.m. on Wednesday, October 12th in the Little Theatre. "La Strada" (The Road), like the great films of all time, creates a world of its own, investing the lives of its characters with screen poetry and speaking to the profoundest human emotions through real yet original film images. Fellini's story of a simple-minded waif, a brutish strong-man and a philosophical "fool" who travel the highway in Italy becomes, through the artistry of all concerned, a story of every man's loneliness and search for the way of his life.

Also on the program at the skit convo will be the College Choir, singing selections from South Pacific. The pep band will play several march numbers, and the cheerleaders will organize a cheering section.

### Psych Club to Sponsor Film 'The Fugitive Kind'

The movie "The Fugitive Kind" will be shown at the Falls Theatre on October 5 and 6 under the sponsorship of the College Psychology Club. "The Fugitive Kind" stars Marlon Brando, Joanne Woodward, and Anna Magnani.

Tickets will be on sale in the Student Center.

## Groups to Earn Points By Active Participation

A new system whereby all organizations entering Homecoming, Winter Carnival, and Foundation week activities will earn points toward a yearly trophy was announced this week by the Homecoming co-chairmen.

Each organization will earn a certain number of points for entering the various events of Winter Carnival, Homecoming, or Foundation Week. For instance, it

was explained that an organization would earn five points for entering a float in the Homecoming parade, and 50 points for first prize, 25 points for second, or 15 points for third.

An additional 20 points bonus will be given to any organization entering three of the five Homecoming events (float, lawn decorations, window decorations, queen contest, and skit convocation.)

A breakdown of the points and prize money for Homecoming is as follows:

**By Swami Schlumpf**  
In response to an inner urge to return to Voice readers the type of unbiased journalism to which they have become accustomed, this column will become a weekly feature as of this issue.

It will also continue to serve as the foremost authority in the world of prognostication. It seems as though neighboring forces are infringing upon this recognized record. Some would-be journalists have even gone so far as to imitate the name of Swami. I've used that title during my six years of sports writing and hold original claim to it in this area.)

One Swami Seezall and his insipid sidekick Socrates Nozall of the Eau Claire Spectator have awarded themselves a trophy for "Grand Champion Football Predictors of the Wisconsin State College Conference." Fortunately they have modified their claims from last season. Our percentage of 68% for 100 of the nation's toughest games in 1959 far outdistanced their mark of 60% arrived at by sprinkling their schedule with breathers like Eau Claire vs. Whitewater, Colgate vs. Palmolive Peet, and the like.

Thus we remain as the unquestioned champion in the field of forecasting. Especially after Mr. Seezall and Mr. Nozall failed miserably last week in correctly naming the winner in only two of

six area games. Though we are a week behind the schedule, we will get into the fray with these choice picks for this weekend's games.

- River Falls 14, Oshkosh 13
- Whitewater 21, LaCrosse 14
- Superior 14, Milwaukee 7
- Platteville 6, Eau Claire 2

## W R A

The Volleyball tournament got off to a slow start last Monday due to the absence of several teams. Many of the girls were not able to play because of the failure of their opponents to report. Absences deprive many girls who do make an effort to come, the enjoyment of playing.

If you are a member of a team it is your responsibility to play or get a substitute.

The schedules are posted in the girls' dorm and on the main bulletin board in Karges Center.

Girls who are still interested in playing on a team should come Monday evening or see Edie O'Mera.

The following is the Volleyball schedule for this evening:

- At 7:00 the Farmerettes play team 4, team 3 versus team 6.
- At 8:00 the Mc. Grants play team 5.

# Eau Claire Topples Falcons 20-7 For First Conference Setback

by Curt Thurston

## Out on a Limb —

by Hus Foresight

Once again it's time to don the specks and gaze into the crystal ball to see how the pro gridders will finish in the 1960 National Football League race.

But before the writer sticks his neck on the chopping block several developments over the past twelve months in the pro leagues should be noted. A new football league, the American Football League, has been formed, two franchise changes have taken place in the NFL, and a new Commissioner, Pete Rozelle, has been named to succeed the late Bert Bell.

It should be interesting to note what the advent of the new American Football League will do to the fast rising and expanding NFL.

For the last five years everything was coming up roses for the National Football League — the pick of the best college players, lucrative television contracts and rising attendance each year (reaching an all-time high in 1959, 3,140,409, a four per cent increase over 1958).

Already the NFL owners have been startled to see six of their top twelve first round draft choices grabbed off by the AFL and over 75% of all their draft choices wooed over to the new renegade league. The old saying "money talks" was never used more appropriately than in the battle being waged over the cream of the rookie crop. Texas millionaires Lamar Hunt and Bud Adams, co-founders of the AFL, have lured top college stars to the AFL by simply outbidding their NFL rivals.

From this corner it looks like the Baltimore Colts and the Chicago Bears will rule the roost in the Western Division of the NFL. Baltimore is seeking an unprecedented third consecutive World Championship. The Colts, led by Johnny Unitas and company, copped the crown last year by rolling over the New York Giants 31-16.

The Bears, for the last five years sleeping giants, seem about ready to wake up and make a serious bid for the crown. After losing four out of their first five games last year the Bears finished with a flurry, winning their last seven games to finish in second place in the Western Division, one game behind the pace setting Colts.

Vince Lombardi's (Coach of the Year in '59) Green Bay team should be rated as a strong dark horse on the basis of last year's 7-5 record and the addition of two or three blue chip rookies. Such standouts as halfback Paul Hornung, (NFL scoring champ in

'59), Boyd Dowler, last year's rookie of the year and the continued improvement of Quarterbacks Bart Starr and Lamar McAnn should propel the Packers right into the title picture.

Talent laden New York, last years Eastern Divisional champs, should keep right on rolling providing their rocking chair quarterback Charlie Cornerly can stay healthy. The Giants boast a superb backfield, perhaps the NFL best. Frank Gifford, Mel Triplett and Alex Webster add speed as well as power to Coach Jim Lee Howell's attack. Blend this with a defensive line anchored by Sam Huff and 285 pound Rosy Grier plus Don Chandler, (a 46.6 average) the league's second ranked punter and it's easy to see why the Giants will be formidable in '60.

Cleveland, once virtual lords of the NFL, still seeking a replacement for their all time pro quarterback Otto Graham. The Browns boast the best one-two running attack in pro football with 228 pound Jimmy Brown and scatback Bob Mitchell. But unless Milt Plum can have a banner year the Browns will finish no higher than second.

How the will finish:

### WESTERN DIVISION

- (1) Baltimore
- (2) Chicago
- (3) Green Bay
- (4) San Francisco
- (5) Los Angeles
- (6) Detroit
- (7) Dallas

Coach Fran Polsfoot's grid team dropped their first conference game of the season to a determined Eau Claire team 20-7, in a game played in Carson Park Saturday night.

The loss became even more significant when the Falcons lost the services of veteran guard Tom Sacket for an indefinite period. Sacket, one of the mainstay's of the Falcon forward wall, left the game with two bone dislocations in his hand.

Eau Claire wasted no time lighting up their side of the scoreboard. The Blugolds brought the opening kick-off up to their own 32. Two plays later fullback Don Lee dashed through an opening in the Falcon line for 56 yards. On the next play Lee carried for another first down and later plunged over for the TD. The score remained 6-0 when the Blugolds missed their extra point attempt.

The Red and White took the kick-off on the 17 and marched down to Eau Claire's 25 where the Blugolds held and took over on downs. Through the remainder of the first half neither team was able to come up with a dangerous scoring threat.

In the second half the Blugolds were forced to punt and the Red and White took over on their own twenty via a touchback. The Falcons picked up five yards on an offside penalty before being forced into punting situation. A bad pass from center gave Coach Rice's squad first and ten on the Falls' 3 yard line. On the first play halfback Merle Johnson carried the ball up the middle of the Falcon line for Eau Claire's second TD of the evening. The extra attempt was good making the score 13-0.

Eau Claire's third touchdown came when the Blugolds took over on their 29 yard line. The Blugolds quick kicked on the third down and recovered a Falcon fumble on the Falls 19. Five plays later the Blugolds dented the goal again. The conversion attempt was good.

River Falls came right back with their only successful drive of the evening. The drive was spearheaded by the hard driving of Duane Jensen and the passes of Bob Dawson. Jensen hit pay dirt with a four yard plunge late in the fourth quarter. Mick Lauber added the conversion making the score 20-7.

# Walker Wyman to Head Convention Of Area Teachers at Eau Claire

The 69th Annual Convention of the Northwestern Wisconsin Education Association will be held in Eau Claire October 6 and 7, 1960, with Walker D. Wyman, River Falls, President of the NWEA, presiding over the general sessions.

The NWEA was officially organized in the Senate Chambers of the Wisconsin Capitol on December 30, 1890, and the first annual meeting was held in Eau Claire on April 3 and 4, 1891. Mr. W. J. Brier of River Falls was the first president. The NWEA has held an annual convention every year since its founding with the exception of 1918, due to an influenza epidemic.

Principal speakers at this year's conference include Dr. Bergen Evans, moderator of the TV program "The Last Word," and Drew Pearson, Washington, D. C., columnist.

Several River Falls faculty members will take part in the convention program with Dr. Wyman. Conrad DeJong will direct the River Falls College Brass Ensemble at an opening session on October 6. Also on Thursday, October 6, Peter Muto of the science department at River Falls will be chairman of a roundtable discussing recent developments in the teaching of science.

Miss Anne Dubbe, Miss Opal Knox, and Dr. Chisholm of River Falls will take part in an elementary language arts roundtable discussion on Thursday. Dr. Stiemers of the education department at River Falls will speak on the teaching of history and social sciences in high schools.

Mrs. Tietz and Dr. Rowland Klunk, both of the River Falls campus school, will take part in a discussion of school administration problems.

Thursday afternoon will also see a speech clinic with two River Falls alumni and a River Falls high school teacher. Kenneth Ames, Spring Valley, and Robert Pickering, Cumberland, will cooperate with Mrs. Rose King, River Falls high school speech therapist, to discuss forensics from the judge's point of view.

The River Falls College Alumni will have a reception, dinner and entertainment at the Hillcrest Country Club on Thursday, Oct. 6. There will be a reception at 5 p. m. with dinner to follow at 6 p. m. Principal speaker will be Dr. Delorit, of the River Falls agricultural school.

and white photographs are also needed for the "photo" section of the magazine.

Contributions may be given to Dawn Bergstrom or left in the Student Voice office anytime between now and the deadline November 4. The editor would appreciate any suggestions for the magazine and urges all interested persons to attend the Tuesday meeting.

# Adventurous Faculty Men Make Annual Canoe Trip

By Freddy Falcon

A cafe in Spooner, Wisconsin, early Sunday morning, Sept. 25, was the scene of 25 male faculty members gathering to go on their fourth annual canoe trip down the Namekagon River.

The embarkation point was the River Rat's Camp on the Namekagon, just above Hayward. The bold explorers started downstream about 11 a.m. in twelve canoes, with each of 11 ships carrying two passengers and the twelfth carrying a third person traditionally called the "squaw."

They pulled up on a bank for lunch, which included everything from charcoal broiled steaks to plain sandwiches and warm coke.

# Frosh Elect Jim Norrish Class Prexy

Officers for the Freshman Class were elected Wednesday, September 28, in North Hall Auditorium during Freshman Orientation.

President, Jim Norrish, Rock Falls; vice-president, Warren Bovere, Centuria; secretary, Karen Wears, Amery; treasurer, Dean Houschildt Ellsworth.

A nominating committee was picked by the freshmen to screen all freshmen students and to decide who would be best for each office. The committee chose two people for each office. It was from these candidates that the officers were elected.

# Dr. Graham Speaks On New York Panel

Dr. Charles Graham, associate professor of political science now on leave of absence, participated on a panel at the American Political Science Assn.'s annual meeting in September at the Statler-Hilton Hotel in New York.

A member of the River Falls faculty since 1954, Dr. Graham is serving as legislative assistant to Sen. William Proxmire (D-Wis.). Dr. Graham's job is to do research on legislation and to help prepare bills to be introduced by Sen. Proxmire.

As they were pushing off again, the ship carrying seamen Cooklock and Henrickson was struck by a very large tidal wave, which capsized the craft and sent the occupants into the drink.

The canoe carrying the "squaw" who, incidentally, was Don Page, was definitely not without incident during the voyage, as it tipped over twice. Chief petty officers Bergsrud and Setterquist, occupying the craft along with the "Squaw," were unable to avoid striking a huge boulder which someone had placed in the stream, and as a result their seaworthy craft was no longer seaworthy, but sported a gaping hole in the helm. While frantically manning the pumps, they struck a tree, broke their oar, and finally lost the battle entirely, ending up in the hydrogen hydroxide "without a paddle." At this point they decided to portage the rest of the trip.

The excursion ended about 5 hours, 15 miles, and three tip-overs after departure, with 22 of the original 25 mariners dragging themselves out of the ocean. There they met the three landlubbers who had taken the native foot trails, and after a short rendezvous all 25 headed home, anxiously waiting for Monday morning classes.
