## 46 Students Make Honor Roll

17 Men-29 Girls.

The Registrar's office gives out the following named students as on the Honor Roll for work during the first semester. This roll is somewhat shorter than heretofore and is, therefore, all the more honor to those choice students who made this record.

Ernest Schmidt has the honor of being the only student in school to achieve an A. in every course taken.

The number of failures on the past semester's work was also somewhat less than usual.

Elsewhere on this page appears the ballot for the liquor referendum which we announced last week. The box for the reception of these ballots is fastened against the stairway adjacent to Professor Whitenack's room. Let us repeat our request that everybody vote once and only once. The voting will stop at noon tomorrow, and the results will not be given out until the next issue of the Student Voice. Let's make this a true indication of the school public opinion concerning this question.

#### LAST TUESDAY'S ASSEMBLY

Mr. Goble's address on Abraham Lincoln was indeed very interesting.

At the beginning of his talk Mr. Goble read Lowell's commemoration ode to Lincoln, which, though written shortly after Lincoln's death, was an excellent estimate of his greatness. Then, instead of repeating the cut and dried story of Lincoln's life, Mr. Goble showed how the attributes of Lincoln's ancestors had given him the qualities that have made him beloved throughout the world. Mr. Goble maintained that the things that have made Lincoln great-his largeness of heart, sternness, and integrity-were the embodiment of seven generations of pioneers whose characteristics were transferred to the son of Thoman Lincoln to make him one of (Continued on Page 4)

# Red and White Gets Even Break

Lose at Eau Claire-Win at Home.

The past week has been a ratherstrenuous week for the fighting cagesters. Aside from the regular workouts two games of the conference series have been staged which resulted in an even break in the won and lost column for River Falls.

The second defeat of the season was measured out to the local quint by the Eau Claire five at Eau Claire last Wednesday evening by the score of 21 to 14. This is the second time in the history of the school that Eau Claire has defeated River Falls in a basketball game.

Taking the lead with the first counter, Eau Claire maintained it throughout, though the Falls threatened them several times during the game. In the first few minutes' of play neither team managed to locate the hoop out of the many tries. Scoring began with a foul goal by Brown of Eau Claire. Eau Claire caged a field goal. River Falls was right on their heels until the final minutes of the first half, when Eau Claire slipped in two in rapid succession that put them on the long end of the 10 to 6 score at the end of the half.

Both teams started in with a rush in the second half. The Falls staged a short rally but failed to overcome Eau Claire's lead. Eau Claire's defense tightened up, and their eye for the basket improved. Horan and A. Olson at guard broke up many plays with which the Falls threatened to score. With a final plunge Eau Claire piled up a safe lead with the game ending 21 to 14.

The guarding of Horan and Olson, coupled with the floor work of Capt. Brown, featured Eau Calrie's playing. Cleberg was the big point-getter for the Falls. Ziebell had the toughest luck of any game. Repeated shots from the captain would circle the hoop and bound away.

We learn that two of the Moser brothers, both graduates of this school, are reflecting a good deal of credit upon this institution in their scholastic work.

Fred Moser will receive his Master's degree from the University this year. He is majoring in Economics, and is one of four who were chosen from 600 Economics majors as members of the National Honorary Society.

William Moser, '12, is now superintendent of schools at Keota, Iowa. He has been doing work at the University of Iowa, and took his degree there, last summer.

Both the Moser boys were among the best students while they were here, and we are glad to learn that they are keeping up the good name of the school by their excellent work after they left us.

our noses, they have been snooping around the court room, and around offices of Smith & Vasey, who are popularly supposed to be the attorneys for the prosecution, but in spite of the fact that one member of this firm is a member of the so-called fair sex, for once the woman "kept the secret" and we have still been unable to secure the shocking details for our eager readers. We request these readers to be patient, and before giving us up in favor of "True Stories" to wait a few weeks, and we will be able to give them the whole story in all its scandalous details.

### LAST THURSDAY'S ASSEMBLY

The assembly last Tuesday was turned over to an extemporaneous speaking contest, from which one representative was chosen to represent this school at Whitewater. The subjects discussed were: the "Eighteenth Amendment and its Effect on Industry," and "The Eighteenth Amendment and its Relation to Respect of Law." Reynold Jenson and Leslie Reardon spoke on the former; Carleton Ames spoke on the latter topic. Mr. Jenson was chosen to represent us at Whitewater at the State Extemporaneous Speaking Contest, to be held March 21.

Mr. Geere has at last found a way to get the boys, who sit back under the gallery, to sing in assembly. They were rather unresponsive on Sweet and Low, etc., but when asked to shout "fire" in the round, "Scotland's Burning", they grew so enthusiastic that they got all wound up, and couldn't stop when the time came. The rumor goes that the shouts of "fire" nearly roused the fire department.

The fans were treated to an exceptionally close, as well as clean, fast game on Saturday night when Platteville met defeat on the local floor by a score of 26 to 25. The Falls started the scoring and maintained a lead continually during a large part of the game; however this lead was anything but a safe lead, for at no time until the final minutes was there over a three count difference on the score board.

Coach Eggebrecht started the game with the lineup considerably changed from the regular formation. Ziebell held down the point position with Kees in the right forward section. Kees was forced out on personal fouls and Beron then took up the pace in this position. Miller relieved Bergie as running guard. Both Miller and Beron made a creditable showing in their initial appearance.

The thrill of the game came in the last few minutes of play. With a five-point lead the locals seemed to have the game cinched when Platteville in a final spurt located the hoop for two sensational field goals

and were desperately playing the ball in their section at the blow of the whistle.

The basket shooting of "Red" Mingst of Platteville was the sensational feature of the game. From beyond center this stellar forward caged four baskets that never grazed the hoop. The floor work of Cleberg and the goals made by Bergie were the biggst features of victory for the Red and White.

Platteville has played a hard luck conference. This normal school has lost three conference games, but the total number of points by which she has been defeated in all games amounts to nine.

Other Games of the Week: Superior, 19; Oshkosh, 40. Stout, 13; Oshkosh, 12. Eau Claire, 24; Stevens Point, 20. Superior, 20; Eau Claire, 19.

Revenge will be sweet when Superior plays their return game here Friday night. This will be the final conference game on the home floor; however, several more games are expected to be staged with Minnesota college teams here. The expectations are that games will be scheduled with Carleton, Macalester, and St. Mary's.

The organization basketball league is proving to be an exciting affair. After a week's layoff the four teams renewed hostilities on Monday evening. The dope of the series was completely upset by both games. The seemingly undefeatable N. C. A. team bowed to the Agrifallian by the score of 22 to 14. The Ags proved

a wicked bunch in the first half when they shut out the N. C. A.'s with a 11 to O count. The N. C. A. five rallied in the second half but were kept smothered by the Ags., who kept tossing them in from long range. With Madison in the lineup the Ags. (Continued on page 4)

### THE BOOTLEGGER'S ALPHABET

(From the Saturday Evening Post) Last night after supper I dozed in my den,

And a Goblin sneaked in and sequestered my pen;

Mischievous, sly little son of a gun, And when I awoke and saw what he had done-

I know you'll forgive me for getting so mad,

For this is the stuff that he wrote on my pad:

A is for Apple. You squeeze it, and

You put it in some yeast and some raisins; and when

It starts to cut up-why, you swallow the kick

And rush out to look for a lion to lick.

B is for Bottle, Bootlegger and Booze-

All of them hard for the country to lose;

While many Best People are down

on the Brew, And perfectly Dry—their stomach is too. (Continued next week)

### RED AND WHITE GETS EVEN BREAK

(Continued from Page 3) were considerably strengthened.

The biggest surprise was thrashing the Lincolnians gave the husky Y. M. C. A. five. Calling on the able assistance of "Pungy" Miles, and with Heebink, Cole, Heggen, and Ingli for a lineup, it looked like slaughter for the coachless, "practiceless" debators. But the Lincolnians started with a pace that stunned the Y. men and astounded the fans. The speed of Eggers and Preston as forwards simply could not be checked, and the Y. men were held to a single foul goal in the first half.

The Y. men finally came too in the second half and seriously threatened to win when they brought the count up to withi one point of the Lincolnian total in the last half minute. Final count, 19 to 18 in favor of the Lincolnians.

A double-header will take place Wednesday afternoon at four o'clock. Standings:

#### BENEFIT MOVIES

"Hook and Ladder" was greeted by a large crowd in the Normal auditorium last Tuesday. This was a firemen's benefit play, and people responded well, netting a neat little sum to them. We are sure that when our houses catch fire, we shall be glad that we contributed a little bit to the cause of the firemen. Hoot Gibson, as usual, lived up to expectations, and highly entertained the audience.

The Y. M. C. A. staged the second benefit play of the week, Friday "The Flirt" was all that everyone expected of it, even our most accomplished maidens. least most of the girls appreciated the part that Buddy Messenger played. Most boys seem rather talented when it comes to troubling their sisters and their beaux. The play was one of the best given at the Normal. It was good, clean, and full of wholesome fun for everyone.

Mr. Goble's treatment of the subject was unusual. He had gained some of his material in the neighborhood of Lincoln's early home in Illinois, which was not far from his own family's home.

Not as usual, Lilah Thoen and Lois Torpey were in town last Saturday. We wonder if Lois got more thrills from the game than if she had remained in Hudson.
