The three members of the 1952-53 Senate who are returning to school next year automatically receive seats on the Senate, according to a clause in its constitution. They are Margery Deans, Hammond junior; Bob Strain, Baldwin sophomore; and Jenny Sue Garnett, River Falls freshman. The four presidents of the classes will also serve on the Senate, bringing the total to eleven.

### JUNIORS PLAN PROM MAY 9

Saturday, May 9, has been set as the date for Spring Prom which will be held in North Hall Gym from nine p.m. until one a.m.

Joe Brabec and his orchestra, of St. Paul, has been engaged to play at the formal. Members of the junior class, which is sponsoring the dance, are busy making preparations for decorations, tickets and invitations.

## Emil Liers Brings Trained Otters To Convocation Thursday

The lives of otters will be the theme of the convocation on Thursday, April 23 when Emil Liers will bring his talented otter tribe to River Falls.

Mr. Liers, from Winona County, Minnesota, has the only Otter Sanctuary in the world. In fact Mr. Liers is almost another Piped Piper as he handles Toquesh, Tarka, Plunky, Tara, Tetawish, and the rest of his pets.

A conservationist and naturalist at heart, Liers tries to prove how valuable the otter is. He emphasizes the importance of protecting the otter population in interests of useful wildlife conservation.

Many a feature story has been written about Mr. Liers and his otters. Many leading magazines such as the Saturday Evening Post, have explored his ability to handle these animals.

Hollywood's Walt Disney thinks very highly of Mr. Liers. In fact so highly that he used him as a technical advisor to "Beaver Valley". Then in co-operation with a noted nature photographer Mr. Liers directed filming of the nature scenes for "My Pals" and "Playmates" which were released by Paramount Studios.

The assembly in North Hall Auditorium will be open to the

## It's Rough . . Now Only 2.1 Men Per Girl at R.F.S.C.

Attention girls! Chances for finding a man at RFSC are diminishing! According to enrollment figures released by the Registrar's Office last week, there has been a decline in the ratio of boys to girls.

Whereas in the fall term the ratio was 2.4 boys for each girl, in the winter quarter it dropped to 2.2 to one, and now it has again dropped. There are now 374 boys on campus, compared to 177 girls. This makes the present ratio 2.1 boys for each girl.

The total enrollment also has taken a drop. It is 36 less than last quarter, a drop from 587 to 551. This is 49 less than the first term total of 600. The freshman class has 16 less members than the winter term; sophomores, 8; juniors, 4; and seniors, 7. This puts the class enrollment figures at 237 freshmen, 136 sophomores, 73 juniors, and 105 seniors.

## Bob Gueldner Wins Class of '54 Presidency

Bob Gueldner, senior, became the first new member of the 1953-54 Student Senate when he was elected president of the class of 1954 last Wednesday. Gueldner's election as class president earns him a Senate seat as well. He is a physics and mathematics major from Spring Valley.

Other officers elected by the Juniors for next year were Bob Anderson, vice president; Beulah Dahlberg, secretary, and Barbara Aaby, treasurer.

Students from area high schools enjoyed the square dancing session put on by the rhythms class taught by Mrs. Helen McBride. The dance was in Hathorn Hall. Approximately 240 students attended the "Go to College Day" program sponsored by the college April 15.

## Drama Groups Plan Four Plays in May

Four drama productions which are in full rehearsals now are "Medea", "Helena's Husband", "The Boor" and "Arms and The Man". The first three are student productions, the latter a Masquers play.

The Greek tragedy "Medea" will star Marie Holmes, and Gayle Moen. It is under the direction of James Cerello, junior.

"Helena's Husband" a Greek comedy, will star Betty Wiskerchen and Robert Strain, directed by Thelma Erickson, junior. Both Greek plays will be presented May 6.

"The Boor" directed by Bob Jensen, senior, will feature Herbie Voss, and Betty Kostka. It will be presented May 20, in the Social Room.

Marilyn Murphy and John Bos will take the romantic leads in "Arms and The Man", under the direction of Dr. Blanche Davis. It will be presented May 13.

## SEVENTEEN FROM HERE ATTEND MUSIC MEET

Eleven local MENC members left RFSC for Milwaukee Thursday and are now attending the North Central Division of the Music Educators National Intercollegiate Choir.

Six of the students represent the college band, and will be among 170 students from the state colleges of Wisconsin, including the University, who will make up the Intercollegiate Band. They will participate in two rehearsals before the performance on Sunday afternoon, which will be under the direction of Dr. Goldman of New York; Dr. Goldman ranks in first place with John Phillip Sousa as band director and composer.

Representing the band are: June Clark, baritone horn; Jean

## Wharton Students In Recital April 28

Miss Cara Wharton, piano instructor at the college, will present six RFSC students in a piano, organ and voice concert on April 28 in the North Hall. The concert will begin at 8 p.m.

Performing at the concert will be Joan Hanson, organist; Sally Malone, Louise Thompson, Jean Allie, and Joan Grandinetti, pianists; and Elsie Nordby soprano soloist. The concert will be the last under Miss Wharton's direction, as she is retiring after the Summer School session. The concert is free to the public.

## GILKEY HEADS U.N. SEMINAR

A United Nations Seminar meeting will be held in the South Hall Social Room on Thursday afternoon and evening, April 30. Dr. George Gilkey will be the Seminar Chairman and the Rev. John Fritzsche of the Congregational Church, the General Chairman of the conference.

Towns in this area will send representatives of church, school, and community groups to the meetings, at which UN observers for the past six years will speak and panel discussions will be held.

The meetings begin at 1:30 with a special workshop at 2:30 p.m. on "The Fight Against Hunger, Disease, Poverty and Ignorance," led by Dr. William Loos. Some United Nations films will be shown at 6:45 in the Social Room. At 7:30 p.m. another workshop will be held on "The UN and USA Foreign Policy" followed by a talk. These meetings at night will be held in the College Auditorium.

Faculty members and students are invited to attend the meetings, both afternoon and evening. The whole purpose of this Seminar is educational—to present the facts about what the UN has accomplished and hopes to accomplish.

Twenty students—the largest number in several years—received straight A's for the Winter term at River Falls, Registrar E. J. Prucha has announced. The term honor roll contains the names of 62 students who earned a 2.5 average for the term.

Sixteen freshmen, 17 sophomores, 12 juniors, 16 seniors, and one post-graduate student were included on the list. A student's grade points for the term must be 2.5 times greater than his credit hours for inclusion of his name on the honor roll.

The Young Democrats will manage the downtown buttons sales with Eugene Isaacson in charge. The buttons will be the admission to several activities planned for the week.

On Thursday evening the College band will present a concert of march music at the tennis courts just south of the new library. Admission—your old standby, the Foundation button.

### Dance Ends Activities

Final activity of Foundation week will be the Student-Alumni dance to be held in North Hall on Friday evening. Music will be provided by Dick Cass and his orchestra from nine to one. Tickets for the dance are on sale at \$1.50 per couple.

Students who have been working on Student Foundation Week this year are Paul Beckel, president of the Student Foundation; Mary Sauerman, secretary; Roger Knieff, Eugene Isaacson, Marcene Wiebusch, and Margaret Helmer. Leroy Schwan did the poster art work and constructed the large simulated scoreboard on the campus lawn to show the progress of the scoreboard fund.

## Fag on Rag . . North Hall Fire Alarms Authorities

River Falls firemen were called to North Hall Thursday evening at 9:45 when a smudge fire was found behind the lockers in the men's dressing room in the basement. The fire, discovered by the night watchman, was extinguished by the time the firemen arrived.

A cigarette thrown on a pile of rags was apparently responsible for the blaze. Students are reminded that smoking is permitted only in the basement lounge in North Hall and in the cafeteria, Knotty Pine Room, and Mahogany Room in South Hall.

# ACP Reports Poll On College Papers

from the Associated Collegiate Press

Most college students are satisfied with their campus newspaper—but not enthusiastic. This was learned in an ACP National Poll of Student Opinion.

Students across the nation were asked: How would you rate the job your college newspaper is doing in stimulating school thought? The answers:

- Excellent -----12%
- Good -----46%
- Fair -----31%
- Poor -----8%
- No opinion -----3%

"Has only student news," is one of the usual comments. Another common remark is, "Reminds me of our high school paper."

Students were also asked, "How would you rate the job your college newspaper is doing in covering campus life? Here are the results:

- Excellent -----32%
- Good -----45%
- Fair -----17%
- Poor -----5%

## Critic's Corner

by Marguerite Gotz

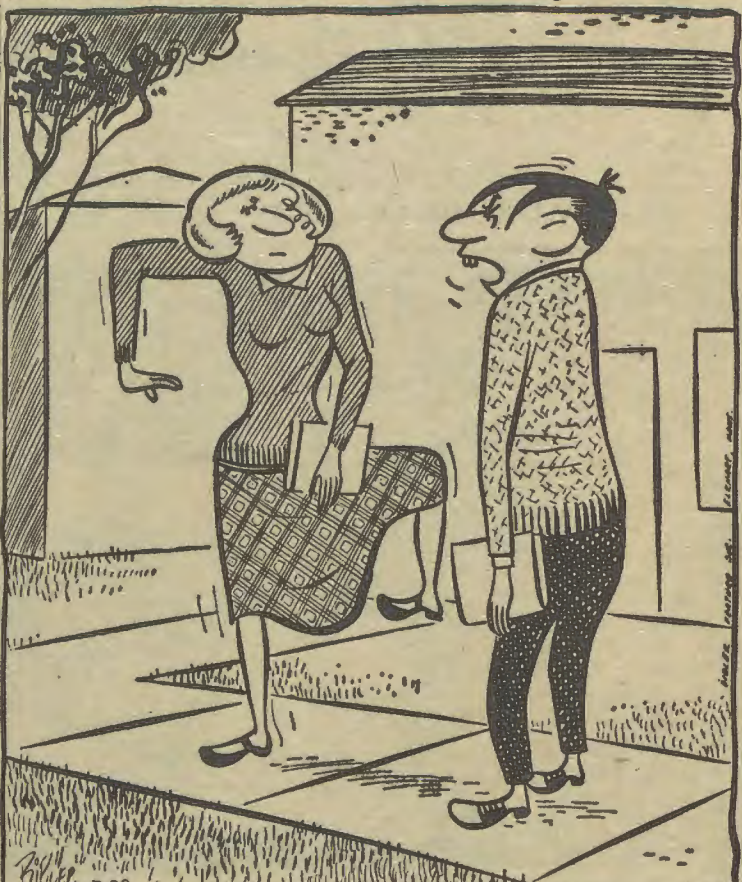

According to Johnson E. Fairchild, who spoke here Thursday, April 16, we know nothing about geography and our lack of understanding of people in other parts of the world is the direct result.

The fact that most people don't know why the animals in Kashmir snub the native's huts seem to be a matter of utmost concern to Mr. Fairchild. I venture to say the students here don't much care.

Although Fairchild rather underestimated the knowledge of the audience, his discussion, which was spiced with some really good description, seemed to hold the interest of the group.

## Deans Have the Darndest Ideas

From "The Saturday Letters,"

April 11, 1953

Some cards carry congratulations for staying married, some cards carry the message "Happy Birthday," some cards notify you to report to the mayor because you thought the fire hydrant was a hitching post, some cards urge you to vote for Silas Whipplespit, some cards carry a directive "Please Remit" and some cards just take up room.

When Jim looked in his post box he found an interesting card suggesting a mid-winter trip to the Dean's office and reference to a failure to attend class. He wasn't much surprised because there had been days when, from his point of view, going to classes seemed unnecessary and silly.

He had been tired, sleepy and unimpressed with higher education after three dances, two basketball games, four trips to the fraternity house and six dates with Hollywood prospects. It seemed quite logical to put out a lazy hand and turn off the alarm

and then with a deep relaxing breath sink down under the warm covers for another six hours of slumber.

The dean, however, didn't think much of the business. What about progress? What about ambition? What about success? What about the great challenge of the century? What about the sacrifice of Pop and Mom? What about—?

Well, "Gee Whiz!" A fellow has to have some extra curricular activities. Anyway, someone said that a student learn more outside the classroom than in it. Anyway, you can't expect a person to study all the time. Anyway, well, "Heck."

It certainly is rough when going to college means going to classes. "O.K., I'll go to classes but I won't learn anything." Well, "Not much of anything." Well, "Maybe there may be something worth while."

Deans have the darndest ideas! Raymond E. Manchester Dean of Men Kent State University Kent, Ohio.

## Board of Regents Votes in Favor Of Governor's Integration Bill

Regents of the Wisconsin State Colleges voted 6 to 3 in favor of Governor Walter Kohler's integration plan for the state colleges and the University of Wisconsin recently.

At a joint legislative hearing on Assembly and Senate bills which would set the integration proposal in operation, College Regent President W. D. McIntyre, Eau Claire, announced the result of the vote on integration. Voting for the merger plan was McIntyre, Barney Barstow, Superior, Lewis Magnuson, Oshkosh; Chalmer Davee, River Falls; Eugene Murphy, La Crosse; and George

Watson, state superintendent of public instruction. Miss Catherine Cleary, Milwaukee; Mrs. Helen Eby, Madison; and Elton S. Karmann, Platteville, opposed the plan.

No action on Kohler's integration plan has been taken by University of Wisconsin regents. U W Dean Mark Ingram opposed the plan. "The best ways to improve higher education would be to develop a strong college system," he stated. "They should combine a strong liberal arts college system with teachers colleges and bolster the educational system in Milwaukee."

## SWEEP OUT-MOP UP-TEAR DOWN WEEK'S COMING

# Put On Your Noseplugs—It's Cesspool Day

by Dirty Mary

Hi kiddies! Official proclamation from the bowels of North has designated April 27 to May 3 as national Sweep Out-Mop-Up-Tear Down Week on all college campuses. Moo Tech, which was named the second cleanest college campus last year (losing out to Whitewash University of Scrubbucket, West Virginia) will be bidding for first honors in 1953.

A faculty committee has been appointed to direct the Sweep Out-Mop Up-Tear Down campaign. Members include the instructors with the neater desks: M. Wayne Wolfe, Dr. F. P. Chisholm, David Fleischer, and Dr. J. J. McLaughlin.

Among the projects to be carried out under the committee's direction will be the cleaning of

the cesspools on the campus, which will be done on "Cesspool Day", April 30. "Cesspool Day" takes the place of "Rec Day" this year, and all students are asked to report for duty early in the morning and to bring their shovels and buckets. The smaller co-eds are advised to wear raincoats and hipboots, as they may be lowered into the cesspools to scrape out stubborn dirt.

A summons has been served on the Dramatics Department to soundproof its Little Theatre on third floor South Hall. Petitioning for the summons were the librarians, who complained that the loud noises coming from the Little Theatre interrupted their conversations behind the Main Desk.

The Health Cottage will be dismantled during Sweep Out-Mop

## The Editor Speaks

# Let's Keep a Sensible Senate

By far the most important election of the school year will be held on Thursday of this week when the student body votes for four new members of the Student Senate. The success of this election depends upon the people chosen in it.

Unfortunately, the election of these four people for the 1953-54 Senate may prove to be another popularity poll. The BMO's and the best-looking girls may have the greatest chance of winning. Or the organization with the most members may have the easiest time of electing their candidate.

The Senate doesn't need BMO's, good looking girls or people elected to it because their organization wanted to be sure of representation. The Senate shouldn't be nutshell of popular people; it should be a group of 11 RF students who intend to do their darndest to govern activities on our campus the way they think it should be governed.

Before you vote Thursday, think a little about the candidates. How much do you know about so-and-so besides the fact that he's a good football player, gets straight A's, or is a member of your organization which nominated him?

Is he interested enough in RFSC to voice his likes and dislikes about it? Is he interested in the Senate? Is he concerned about criticism of it? Does he have ideas for improving various activities and situations on the campus, or reasons for defending their status quo? This interest and concern for his college should be the first qualification of a potential Senate member. Intelligence (not necessarily of the grade-point variety), responsibility, and independence are other important characteristics.

The Student Senate has done a superb job of directing activities on the campus this year. It has proved to those people who have suggested a faculty advisor for it that an advisor is not necessary for a group which has so thoroughly lived up to its tremendous responsibility as the most important and hard-working group at River Falls. The three members of the Senate who are returning next year will form an excellent nucleus for the '53-'54 Senate. The others must be just as hard working and concerned with campus life.

If the four classes elect presidents who will serve conscientiously on the Senate (the junior class already has); and if the student body elects four people on Thursday who will do likewise, then River Falls may be assured of a Student Senate which will be representative of student interest and opinion. And it will see to it that this interest and opinion is expressed as plainly and frequently as it has been this year.

## Senate Minutes

Tuesday April 15, 1953

The meeting was called to order by Pres. Ken Nehmer. The secretary's minutes were read and approved.

Roger Knieff, representing the Student Foundation Committee, reported the plans for Foundation Week. They are as follows:

- Monday-assembly at 10:00 in auditorium;
- Tuesday-baseball game in afternoon;
- Wednesday-"R" Club boxing show in gym;
- Thursday-band concert in evening

Friday-social dance in gym. The two political organizations on campus will sell the Foundation buttons beginning on Monday-April 20.

Discussion of "Rec" Day followed. It was decided by the Senate that "Rec" Day be postponed until later in the term.

The Blood Mobile will be on the campus during the second week of May. The Student Senate appointed the F.F.A. to take charge of the details for bringing the Mobile on campus.

Discussion then began on the Student Handbook. Duane Westerberg set up the following committee:

Organizations-Marge Deans and Jim VandeBerg; Athletics-Oedema, Easton, and Schoedal; Publications, student assemblies, and activity ticket-Wyman and Strain; Student Senate and Social Committee-Jean Allie and Mary Shannon and Jenny Sue Garnett; The meeting was adjourned.

Secretary, Margery Deans

Present: Nehmer, Allie, Wyman, VandeBerg, Schoedal, Strain, Westerberg, Garnett, Deans.

## Justa Minute

A Prof brought a copy of his final exam to be mimeographed. The girl looked it over and said, "But Professor, this is the same exam you gave last quarter."

"I know," said the Prof, "but I've changed the answers."

"Do you believe in free love?" "Did I ever send you a bill?"

"How did you like the bridge party last night?"

"Fine, until the cops looked under the bridge."

Home is where you can scratch any place that itches.

Housemother: "Don't use such bad words, my dear."

Dorm girl: "But Shakespeare uses them."

Housemother: "Well, don't go out with him any more."

# Kuss Chosen N.A.I.A. Basketball Player of the Year!

## IT'S BASEBALL SEASON Big Squad Tries For Team Positions

It's baseball time at River Falls. Coach Bill Solley has a large squad competing for several positions left open by last year's team. The Falcons opener is at Mankato, April 25.

Pitching seems to be wide open school last December. Jerry Route as the team lost their star hurler, Ken Barrows, who withdrew from looks like the top candidate along with Cabby Wild who pitched a couple of games last season, and Ernie Essen, a husky right hander. Others trying for the mound duties are Kassera, Van Dettay, and Van Dehey.

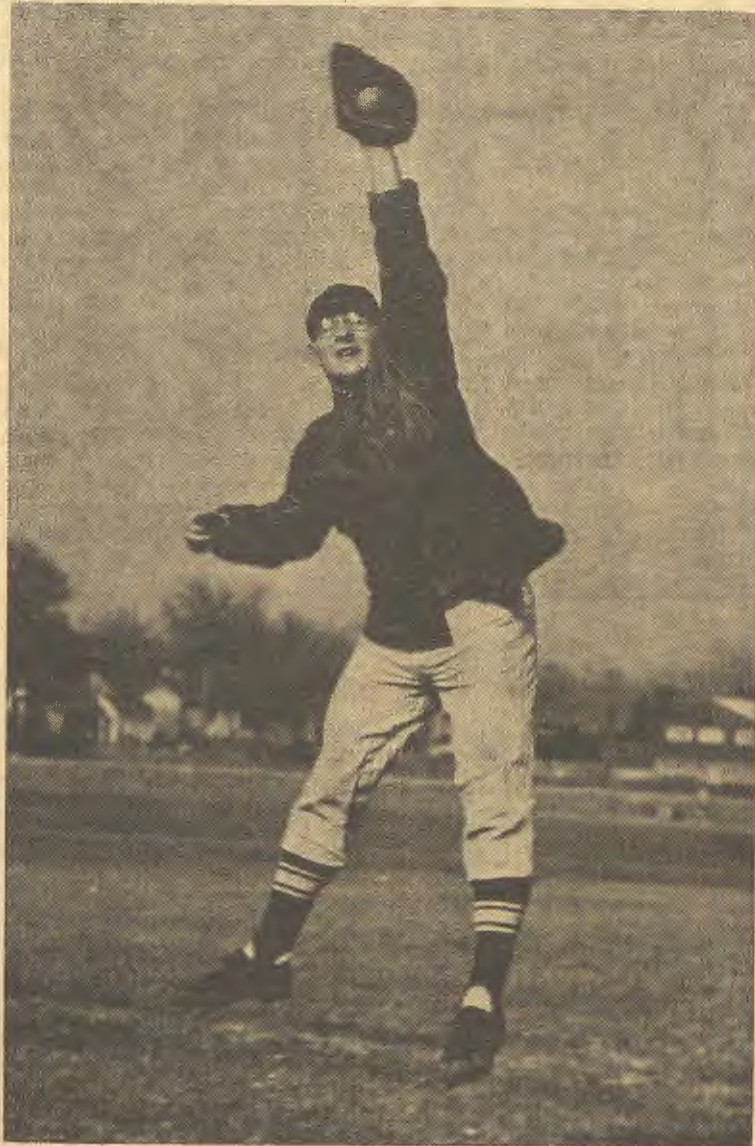

There is keen competition for second and third base. Battling for second is letterman Rube Eckhardt along with Louie Lundmark, Dan Linehan, and Jim Taylor. Trying for third are Bill Donahue, Marv Fait, and Vernon Christensen.

Elsewhere in the infield, it looks like Joe Burgoyne will hold down shortstop and Tom Linehan first. Other contenders for infield spots are Polkeski at short and Jim Saxton and Bob Margotto at first base.

Leading contenders for the catching shape up to be Teska and Rudesill. Giving them a run are Werbeckes, Korhonan and Gorman.

Outfield duties will be handled by E. P. Hight in left field, Clair Murphy or Gene Boll in center, and Sues, Ellis or maybe Marv Fait at right field.

There are four home games this year including a double header. The first one is with Eau Claire, see the schedule on this page.

Joe Burgoyne, shortstop, reaches for a high one. The Falcons' first contest is at Mankato, April 25. The first home game is April 30 against Eau Claire.

## Rog Picked by Helms Athletic Foundation

Roger Kuss, brilliant Wisconsin State (River Falls) center—a six-foot, five-inch, 180 pounder - who averaged 38.9 in 21 contests, chalking up a total of 817 points, has been chosen N.A.I.A. College Basketball Player of the Year for the season, by Helms Athletic Foundation.

During the past three campaigns, Kuss has registered a total of 1,843 points for his River Falls teams—817 in 1953, 524 in 1952, and 502 in 1951. Although River Falls was beaten in its initial encounter in the N.A.I.A. Championships, at Kansas City, in March, it wasn't Kuss' fault, for the big Wisconsin State star collected a count of 38 points in the engagement—against Mississippi Southern.

Rio Grande's Clarence "Bevo" Francis (Ohio) gave Kuss closest competition for N.A.I.A. Player of the Year laurels. The Wells-ville, Ohio, man-mountain registered 1,954 points during the 1953 season in 39 skirmishes, for an average of 50.1.

The only team to nab two berths on the Helms Athletic Foundation's N.A.I.A. All-America squad was Hamline, of St. Paul, Minnesota. Hamline placed two sturdies on the Second Team—Jim Fritsche and Lloyd Thorgaard.

Of the thirty players who were singled out for N.A.I.A. All-America honors (First, Second, and Third Teams) the Helms Athletic Foundation's All-America Board Chairman, Bill Schroeder, has seen 22 in action. The remaining eight, all brilliant stars of the '53 season, were recommended highly to Helms Athletic Foundation by coaches and basketball authorities throughout the nation.

## Track Team Needs Men

"More members are need for the college track team if there is definitely to be track team," said Coach Phil Belfiori last week. At present there are so few out for the sport that it is doubtful if River Falls will participate in track and other meets already scheduled.

If there are any students interested they are requested to report to the Athletic office at the earliest possible date.

### Bloodmobile Here May 25

On Monday, May 25, the Red Cross Blood Mobile will again be here at the college. It will be open between the hours of 10-4 in South Hall gym. FFA members are in charge of arrangements.

Blood is especially needed now for the Gamma Globulin program. This Gamma Globulin is used very beneficially in combating polio. It counteracts the polio virus.

Further information about signing up will be in the next Student Voice.

## Intramurals

On this coming Thursday, April 23, the finals of the men's table tennis will be held in the Girls Dormitory. Please watch the bulletin board for pairings and the correct time of the matches.

All entries for both Intramural tennis and softball must be handed to intramural director Dr. William Solley by Friday, April 24.

The tennis tournament will be held on an arrange basis. A deadline will be set for all matches in the tournament. However, each match will be arranged by the two participants.

The softball teams are to be composed of nine men on a team plus reserves. All students participating in varsity track and varsity baseball are ineligible for the softball league.

Miss Marion Hawkins, chairman of the Faculty Forensic Committee, was elected Governor of the Upper Mississippi Valley Province of Pi Kappa Delta, national honorary debate fraternity.

Miss Hawkins was elected for a four year term. She will be in charge of the Provincial Convention in 1954. She also was in charge of the Women's division at Kalamazoo where she was assisted by Richard Granum.
