## Red and White Victorious on Northern Trip

### HOPES HIGH FOR ORATORICAL TITLE

Today is a big one at Stevens Point. Nine Wisconsin Normal Schools are lined up there for the race to oratorical honor.

We do not stand alone with soaring hopes for a victory. There are eight other groups who are just as anxious for the title as we. Let the best oration be awarded highest. We think Thompson has the best, and can certainly deliver what he has. We have every right to believe he will win. We have heard him, we know him, have steadfast faith in him, and we are behind him with every ounce of punch and go in our whole six hundred.

A new way of judging the oration has been devised. Each coach except the speaker's own, will act as a judge of the orations as they are given. This arrangement will allow eight individual scores to be taken on each speech. There are, of course, drawbacks to such a provision, but it also has its good points. These coaches know the ins and outs of oratory; hence they are very fit judges for the occasion.

### DANCE

Come to the dance to-morrow night at the North Hall Gym. Spring is with us, and this is the season for unbounded joy. Take advantage of an opportunity to express the feeling these glorious days have created.

You need not be urged further. We know that a word is sufficient. Al. Allbee, Brad. and all the others will submit syncopation to the satisfaction of all requirements.

### Y. W. C. A.

Election of officers took place at the Y. W. meeting last Thursday; Elva Clubb, president; Vidle Tubbs, vice-president; Gwen Canton, treasurer and Cecelia Suter, secretary.

Friday is Y. W. Tag Day. All members who have paid their pledge of 14c are wearing tags—pay up this old pledge and get your blue triangle.

### SOME EXCITING GAMES FIRST DAY OF TOURNAMENT

New Richmond, River Falls, Cumberland, and St. Croix Falls Win Games on First Day

The first game of the tournament was played between New Richmond and Elmwood. New Richmond had little trouble in downing Elmwood 28 to 12. Elmwood was held scoreless of field goals the first half but the early part of the second half, came back and for a few minutes outplayed their opponents: Williams scored six field goals for his team. Judging from games the first day, New Richmond seems to be the favorites.

#### River Falls Defeats Prescott 27-8

The local High School team had little trouble defeating Prescott. The Falls played an exceptionally good game and showed some very good team work. At times the Prescott team would rally and play good ball but could not get an effective offense started.

The evening games were more closely contested than the games in the afternoon.

The Cumberland-Clayton game was the fastest and closest game during the day. For the first few minutes neither team scored but toward the last of the first quarter Cumberland took a lead and held it for a while. The second quarter Clayton came through and at the end, led 13 to 7. The first part of the second half both teams were held scoreless. Toward the last of the game Cumberland started finding their basket and tied the score. The score see-sawed back and forth the remainder of the game and the end found Cumberland with a two point lead.

#### Ellsworth Defeated 9 to 6

The St. Croix Falls five held a 9-6 score on Ellsworth. This game was a slower game but due to the closeness of the score, was nobodys game until the end. Both teams showed very poor and inconsistent shooting. Both teams missed several chances to score by missing free throws.

### Defeat Superior 32 to 27 in Overtime Game Finishing Conference Season With 500 Percentage

Last Friday the Falls invaded the Northern territory and defeated Superior in the last conference game of the season. The Falls took the lead in the early part of the game and during the first half had very little trouble with their opponents.

The second half Superior came back strong and before many minutes had passed, tied the score. Hyatt played at guard in place of Fields a greater share of the game. For a while the score see-sawed back and forth neither team gaining a very big lead. With about 50 seconds to go Booty scored a two point ringer tying the score at 27.

In the extra five minutes period the Falls did all the scoring. Betzel and Carolan each caging a field goal and Carolan also made a free throw, boosting the score to 32.

#### Line Up

River Falls—		Superior—
Carolan	R.F.	Anderson
Betzel	L.F.	Fox
Butenhoff	C.	Whereatt
Fields	R.G.	Smith
Clafin	L.G.	Nelson
Substitutes—Hyatt for Fields.		

On Saturday the team went to Washburn and defeated the Washburn Badgers 42 to 11. The Falls had an easy time of it in this game and were able to cage baskets from all angles and positions. All the subs were used during the game.

### MUSICAL ORGANIZATIONS

The annual concert by the allied musical organizations will be given in the Normal Auditorium April 12. The program will consist of selections by the orchestra, a cantata, and other short part songs by the Girls' Glee Club, and last but not least, a short, snappy minstrel show by the Men's Glee Club, with Royce Dodge master of ceremonies.

SPRINGTIME

Have we fooled ourselves into belief that springtime has come, or has the brighter part of the year really returned to us? Which ever way it may be, the warmer weather has served to give us a new lease on life. The number of happy faces has increased; there seems to be a new zeal, a new ambition in everyone. Think of what it means to everyone to have this realm of life laid out before him, and to know that nature's wonderful plan has again brought back that glad-some springtime.

What does this season of the year mean to us? Does it mean what seems to be the usual attitude taken toward it; that of having "Spring fever" and feeling very lazy; or has it a wider meaning or possibility? Analyse it for yourself and see what your final conclusion will be. Did not nature mean this change of season should be a turning point in the year's work, so that the real work may begin? The resting or dormant period of winter has passed and the waking time has come. Get out and show your thankfulness to nature by showing her that you are alive to the beauties and possibilities that she has placed forth for your appreciation.

AURELIA

The joint meeting of the Aurelia and the Lincolnian was postponed for Wednesday evening because of the basket-ball tournament. This meeting is to be held next Tuesday, and all members of both societies are urged to be present.

FREE TICKETS TO  
FOUR HORSEMEN

You will have a chance to obtain free tickets to the Four Horsemen, the movie to be shown here next week, Friday and Saturday nights, March 24-25. There has been placed in the Kandy Kitchen window, a jar of candy hearts. This is to decide who will obtain the free tickets. The qualifications are:

First—Guess how many candy hearts are in the jar. Place name and number guessed, on slip of paper and drop in can.

Second—Only one guess to each person.

Third—Three having nearest to correct number, get two tickets each, free.

In case over three tie in nearest correct amount, there will be a draw to determine who shall receive the tickets.

It costs nothing to guess—you have everything to win and nothing to lose. Let's guess.

The Normal Junior High pupils who took part in Miss Fossing's last recital, repeated their part of the program for the Junior High Assembly this week.

Clayton and Elmwood won out in the tournament games Thursday afternoon, Clayton winning over Ellsworth by a score of 20-14, and Elmwood winning over Prescott by a score of 15-12.

There is a growing tendency on the part of a few members of the Glee Clubs to allow committee meetings, athletic contests, etc., to interfere with attendance at rehearsals. Please remember that the club needs your presence at every rehearsal and that your credit is based upon attendance, one avoidable absence means loss of credit.

A picture of historical interest to all, has just been hung in the Junior High corridor. This is a collection of small steel engravings of the presidents from Washington to Roosevelt. The set of engravings is the last set from plates made specially for the purpose, and no more are obtainable. The picture was given to the school by Mrs. Frank Ensign.

Dr. Clafflin, assistant state Veterinarian, was here last week and tested the Normal herd. The test showed that the herd is entirely free from tuberculosis and is now placed on the Federal Accredited Herd list. Dr. Clafflin expressed himself well pleased with the condition of the herd.

**RIP VAN WINKLE**

The program given by the Junior High School at the assembly last Tuesday was of more than usual interest.

Washington Irving's Rip Van Winkle had been used as a basis for a series of lessons in literature. In the history classes the children had studied pictures and the history of the early Dutch settlers in New York in order to design their costumes, and arrange the stage for the various scenes. The dramatization was the outgrowth of these studies.

In the final presentation Tuesday morning no teacher was behind the scenes to give assistance to the children. This certainly shows evidence of the pupils interest in the play, and the quality of the training given.

An entertainment of this kind, based on regular school work, is very much worth while. It offers splendid suggestions to young teachers who are planning to give programs in their schools and communities next year.

Jim: Gee I'm unlucky. Just now missed my train. I'm always that unlucky."

John: Huh, that's nothing! I'm so unlucky that if it were raining soup I'd have a fork in my hand."—Ex.

Supt. H. A. Aune of Baldwin visited school Thursday.

Mrs. Haft and Mrs. Proulx are visiting Miss V. M. Haft.

Lois Richardson has as guests, Pearl and Aleda Richardson.

Mr. Leo Shannon visited friends in River Falls last week-end.

Florence Alberts visited with her sister in St. Paul the latter part of last week.

Ruth Heebink and Francis Te-Hennepe spent Saturday and Sunday at Baldwin.

Glen Morgan, who is teaching in Cumberland, is having a vacation, the school at that place being closed because of the influenza.

Mr. J. H. Grimm was here last Friday at 8:45. He talked to the Rural Economics; Rural Civics and Arithmetic Classes on Taxation.

Harriet Olson and Louise Dodge made a trip to St. Paul Saturday. The former's sister, Leona, returned with them, and spent a few days in River Falls.

The G. O. P. Girls displayed some of their interest in the tournament by furnishing a room in the North Hall for the visiting teams, and by decorating some of the windows in the stores down town.

Among the former students, who are visiting here this week, are Helen Lamson, from Cumberland, Wis.; Robert Scott from Cumberland; Mr. Luther from Menomonie, and Irving Jacobson from Minong.

The Sophomore Normal girls played basket ball with the Sophomore High School girls last Thursday evening. The teams were very evenly matched, and the game was close throughout the whole time. The Normal girls were victorious; winning with a score of 24-20.

We have no objection to a man knocking at our door if he quits after he gets in.

**COMMITTEE MEETING**

The members of the social committee for the school held a business meeting Tuesday last week. The officers for this semester follow:

- President, Claire Morgan.
- Vice president, Chalmer Davee.
- Secretary, Marian Wasson.
- Treasurer, Al Kiefer.

Plans were made for the dance to be given tonight, March 17. There was a discussion of matters pertaining to an all school party which may be given soon.

THURSDAY'S ASSEMBLY

An Irish program was given at the Thursday's assembly period, in honor of St. Patrick's day. The Current Topic "Radio for everyone" was given by Claire Morgan. After this, Irish songs were sung by the assembly; then followed the Irish program. Irish stories were told by Mr. Shannon after which twelve Normal school girls sang an Irish song. Then followed an interesting talk by Mr. Hunt on the characteristics of the Irish; and last came a debate on the question "Should the Irish be allowed to wear green on St. Patrick's day." The affirmative was upheld by Mr. Casey and Mr. Dan O'Brien. The negative was upheld by Mr. Howalt and Mr. Kiefer.

PICK UPS

A blotter is what you look for while the ink dries.

If a man doesn't believe the world is getting better, he isn't.

He—"Dearie, may I print a kiss on your lips?"

She—"Yes, provided you don't publish it."

She—What are you thinking about?  
He—Just what you're thinking about.

She—If you do I'll scream.

Officer—"Why don't you salute, don't you see I'm an officer?"

Private—"That's a darn good job; hang on to it."

When a woman wants sympathy, weep with her. When a man wants it, swear with him.

Ours is no- infant- republic, but weaning us from the bottle is, nevertheless, a tedious and costly process.

History repeats. The first man fell for an apple. Now-a-days many a man falls for a peach.

Mr. Powers: "Write these two notes as close together as you sometimes find chairs in the parlor on Monday morning."

Ro: "I owe a great deal to that lady."

Ho: "Sort of a guiding sprit?"

Ro: "No, she's my landlady."

Girl, 18, Holds Two Men at Bay with a Hat Pin—Headline.  
Some girls don't need hat pins; many men have become trapped and tangled up in a hair-net.

Bob—"If I were as dead as you are I'd check out, toot sweet."

Mertys—"Well, dear heart, if brains were clothes, you'd be a Kewpie till you froze to death."

Mr Spriggs. "If you have the tractor on a muddy field, only one wheel can pull."

Major. "Ain't that one on the slippery mud?"

Ho: "Look at the goat chewing that dress."

Hum: "Must be a dinner gown."

McCarthy—"Where is steel wool obtained?"

McCleary—"From a hydraulic ram."

Once they read the fashions to see what was going on. Now they read them to see what's being pulled off.

Prof: "What is the most intelligent animal next to man?"

Student: "Woman."

Mr. Powers: "Yes, we were married when we were just kids. Sometimes I even forgot, and went home to my father's."

Worth and Worth

A man named Du Bose met a girl, Who lisped through her teeth of pure pearl,

"I'll hug you or kiss you," he swore with an oath.

She cried with surprise, "Oh, Mr. Du Both."
