'Grassroots' Conference Will Feature NFO Head

Oren Lee Staley, president of the National Farmers Organization who led his Midwestern followers in a widely publicized "meat holdout" last fall, will be one of the speakers at the sixth Grassroots Politics Conference at Wisconsin State College at River Falls.

Scheduled for Feb. 6 and 7, this year's conference will explore "Politics and the Farm Dilemma." Sharing the spotlight with Staley will be Rep. Vernon Thom-

son (R-Wis.). The conference, sponsored jointly by the social science department at River Falls State College and the Wisconsin Center for Education in Politics, will begin at 3:30 p.m. Feb. 6 with a talk by Lauren K. Soth, editor of the editorial pages of the Des Moines Register. Author of the book, "Farm Trouble," Soth formerly taught at Iowa State University. Congressman Thomson, who represents an agricultural area, Wisconsin's third district, in the U. S. House of Representatives, will speak at 10:40 a.m. Feb. 7.

Three farm leaders will be on the program at 1:30 p.m. Besides NFO President Staley, the speakers will be Percy Hardiman, president of the Wisconsin Farm Bureau Federation, and Gilbert Rohde, president of the Wisconsin Farmers Union.

The Young Republicans and Young Democrats at River Falls State College will sponsor a banquet at 7:30 p.m. Feb. 7, and two members of the state senate's agriculture committee will debate the farm question in Wisconsin. Participating in the debate will be Carl W. Thompson (D-Madison) and Walter Hollander (R-Rosendale).

Director of the Grassroots Politics Conference is Dr. Charles Graham, chairman of the River Falls social science department.

Carnival Button Must Be Worn To Top Events

Buttons are now on sale in the Student Center for the 1963 Winter Carnival. Featuring a snowflake motif, the buttons will be required to gain entrance to Monday evenings style show, the FFA talent show on Wednesday, the dance on Thursday following the basketball game and for Friday's outing at Ski-Mac. Buttons for these events will

also be available at the door, according to Student Foundation committee members, who are handling button sales this year. Cost of the "Frosty Frolick" em-

blem is 25 rents.

Committee members also noted that the skating rink behind Hathorn Hall is now ready for use. The rink was first flooded during the Christmas holiday and plans called for the rink to be flooded during the past weekend to bring the area financed by Foundation committee funds, to full readiness.

All snow sculptures must be completed by Thursday, Jan. 24, at noon. Judging will be done on Thursday afternoon.

The third annual broom-ball contest between the Pinochle Club and the "R" Club will take place on the Hathorn Hall rink at 3:15 p.m. Thursday.

A non-conference basketball game with Winona will be held Thursday, Jan. 24, at 8 p.m.

Following the game, the Young Dems will sponsor a dance in the Student Center. Entertainment will consist of a night club act. Larry Williams and his band will play for the event. Admission will be 35 cents stag and 50 cents per couple.

A day of skiing and tobogganing is planned for Friday, Jan. 25, at Ski-Mac. Classes will be dismissed at 9:45 Friday morning. Students will leave for Ski-Mac A semi-formal dance is set for 9:30 p.m. Saturday evening and will last until 1 a.m. The dance is sponsored by the Vets' Club. Sigma Chi Sigma will decorate. All college women who attend the dance will be given 2 a.m. Sunday morning, students may attend the church of their choice.

Aqua Frolics, a swim show featuring the Syncho-Paters and the men's swim team, will take place at 1:30 p.m. Sunday in the college pool. Highlights are a diving exhibition and a scuba-diving demonstration.

An ice-fishing contest, sponsored by the 4-H Club, will begin at 3:30 p.m. Sunday.

"Diary of Anne Frank," a movie sponsored by the Social Committee, will be shown in the Little Theatre Sunday evening at 7:30.

There are four activities in which campus organizations can (Continued on Page 4) were the main order of business at the Jan. 14 meeting of the Student Senate. Sixteen amendments were proposed, of which 14 passed. In order for these amendments to become part of the Constitution, they must also be ratified by a student vote. Twothirds majority is required, provided at least one third of the student body votes in the election.

A brief explanation of the major amendments follows:

Art II Sec. 3 provides that a member of the senate will be removed after missing two meetings, and that justifiable cause shall be determined by the president, subject to senate approval.

Art IV Sec. 3 will be changed to read that minutes of the Senate meeting will be submitted to the Student Voice for publication, rather than will be published.

Art. V Sec. 1 sub-sec. b will be struck from the Constitution.

Art. VI Sec. 1 will be changed to read that the Student Senate office at a regular hour.

Art. VI Sec. 2 is changed so Senate meetings will be open to interested spectators. It will take a two thirds vote of the members present to make it a closed session.

Art. VII Sec. 2 Sub-sec. a will be changed so the president of the Senate may not hold the presidency of any other organization. Since the Senate has not yet

completed its action on the Constitution, a complete list of the proposed changes will be published at a later date.

In other Senate action, Joan Lenselink submitted the spring quarter budget of the Social Committee, and reported that the Cabaret will cost about \$1,050.

The question of fraternities on campus was delayed because the faculty committee desired more time to do research. Findings have shown that there is no official document outlawing the establishment of fraternities on campus. The rink faces its first severe test this week when several tons of R Club members collide with challenging Pinochle Club stars in the annual broomball contest.

Future Interns To Hold Meet

A meeting of all students (preprofessional, liberal arts or teaching curriculum) who are interested in the Ford Foundation internin-team teaching program will be held Wednesday, January 23 at 1:25 p.m. in 201 Student Center.

The intern program involves either taking an additional year of work beyond the bachelors degree or within the four year program substituting a semester of interning for the traditional student teaching. In either case the intern is paid \$1200 for the semester's teaching.

Segregation

"... Because the natives are filmed 'as is', gentlemen's shows are Tuesday and Wednesday, ladies on Thursday.

The above is part of an advertisement for the movie, "The Sky Above, the Mud Below," which will be at the local theater this week.

What is the reason for this segregation? There are a few conclusions we may draw from this ad.

First of all, it may just be a promotional stunt, to stimulate business. By making the film to appear as a "shocker" the theater owner would increase its appeal to an uninformed public. (Actually, the film is a documentary, an anthropological study of a tribe in New Guinea.)

Or it may be that the theater owner panders to the children in this town. While undoubtedly this may be a good business policy to follow, we can't see the children dictating what shall be seen by whom, when, as they would be doing so in this case.

Possibly he feels that he is doing the whole town a favor by protecting their virtue in some manner. We fail to see how. The film is not supposed to be a sex stimulant, which does not hold true for some shows. If he were to be consistent, he would not run movies such as "La Parisienne" which are more of a moral-destroying type, in the minds of the general public, at least. This idea of movies and children's moral are a subject in itself and is too complicated to discuss here. At any rate, the best method for protecting children's morals would be to refuse them admission to the movie.

Incidentally, we wonder if the owner of the theater places college students in the children category. It is true that the he schedules many pictures that other small town theaters don't run, and in turn, he is rewarded by a good attendance from the college. In the case of this movie, it is a different matter. It is difficult to see why he would segregate a man and his wife that wanted to see the show, but it is not hard to understand why he would separate a college couple (unmarried) if he placed them in the children category. It is possible, though, and we certainly hope so, that we, the college students, must suffer with the rest of the adults in River Falls for the children's sake.

Letters to the Editor

Dear Editor,

After a long, hard struggle, we now have an amateur radio club called the Falcon Radio Society, here on campus. The idea for a radio club actually started last year when a few radio amateurs here at the college tried to get a station going. But now that the constitution has been passed, we can concentrate on getting a station on the air. The officers for the club are: President, Bob Erickson; vice-president, Jerry Solberg; Secretary, Mike Reynolds; and treasurer, Ted Sch-midt. The advisor for our club is Mr. Harless.

The radio equipment is located in Room 106 of Stratton Hall. The purpose of the club is to promote

Club to Sponsor Chess Tourney

The chess club will sponsor its usual "Winter Carnival Tourna-ment" this coming Friday. This tournament will be held in the Falcon room of the Student Center. All students are invited to attend.

There will be an entrance fee of 25c per player. If anyone wishes to join the chess club the

the general interest in the grand and glorious hobby of amateur radio, and to establish a station from which licensed amateurs here at the college can operate. We will gladly help those who are interested in obtaining their amateur radio license.

Forming a club here on campus will enable us to check into the amateur nets and take active participation in the handling of traffic or messages. Students will be able to contact their families by means of messages through the airwaves no matter where in the world they are.

We hope that the club will interest more students in the hobby and that in the future we can become more successful! Jerry Solberg

RF Swimmers **Go Under**

The La Crosse Indians gave Ri-ver Falls its third laceration of the current athletic year as they drowned the Falcon swimmers 67-27 in Saturday's final home meet.

Once again, River Falls had little in the way of firsts. The only individual winner was a young reliable by the name of Gene Kidd. This remarkable freshman once again captured the diving honors as he edged out his La Crosse opponents by a mere .6 of a point. However, Gene felt he had this coming after last week's .2 of a point loss to a Carleton diver.

The other first was scored by the team of Nelson, Hirschinger, Olsen and Wilson in the 400 yard freestyle relay. River Falls walked away with this one as Warren Wilson touched the goal one minute and 18 seconds ahead of the La Crosse man.

Coach Russel Gerber saw this meet as a contest between two teams that were weak in the freestyle events. However, Coach Gerber found himself in need of manpower in other events, as River Falls was forced to forfeit the 200 yard butterfly. Steve Hay has the chicken pox and will be out for at least two weeks.

Jerry Sargent has a shoulder injury and wi'l not return, and Winfield Mitchell is ineligible for conference meets.

Coach Gerber praised freshman Rolf Darikartz who showed great improvement on his turns and finished second in the 200 yard breaststroke. It was Darikartz who couldn't even do an open turn two months ago.

Falcons Over Stout, 78-76

MENOMONIE - After possessing a seven point lead at halftime, the Falcons had to fight desperately in the second half to down the Bluedevils of Stout, 78-76 here Saturday night.

Playing before a large crowd, many of whom were loyal Falcon supporters, River Falls started out as if they were going to take the Bluedevils apart. On some fine outside shooting and an aggressive defense, River Falls led by as many as 14 points in the first half and went into the locker nall and went into the locker room with a 44-37 half time lead. The second half started out much like the first ended with

both teams hitting well, but River Falls having the upper hand. Then the tide began to turn and as hot as the Falcons were in the first half, they suddenly went just as cold and with 14:05 left in the game, the Bluedevils tied the score at 51-51.

With 10:40 left in the game, Falcon forward, Gordy Olson picked up his fifth foul and a few moments later center, Toby Garey got his fourth. Garey fouled out with 3:21 to go in the game.

River Falls was paced by Don Koepnick with 23, Garey and Lee with 16 apiece and Al Kohl with 13.

Grapplers Stop Stout To Take Third Straight

MENOMONIE - The Blue Devils of Stout got their tails twisted Saturday afternoon when the River Falls Falcons rolled up a 22-8 score in a wrestling match here.

River Falls won all but two matches as Kanable, Mrotek, Culver, Halverson and Dix defeated their men.

As a rule, the Falcons looked good in picking up their third dual meet victory in a row. Culver, Halverson, and Dix all won close exciting matches, while Kanable buried his man 9-2 and Mrotek picked up his second pin in a row.

Chuck Hindes won by forfeit and Ken Trudell lost a tough one to Hardy, Stout's experienced 177 pounder. Fehlen of River Falls was pinned in the second period of his match.

Friday evening the Falcon squad literally pinned the Bethel "B' team to the mat as all but two of the Bethel grapplers were shown the lights. The Jr. Falcons piled up 31 points on five pins and two decisions as Bethel failed to score.

Hindes, Flifeit, Ritche, Gutting and Langkos came up with pins, while Lindberg and Norling won handily on points.

Coach James is now pointing his men toward next Friday night when arch-rival Superior comes to River Falls.

Superior finished second in the conference last year behind the Falcons, while the year before the Falcons finished second to Superior. Last years dual meet between the two schools, held at Superior, resulted in a tie.

I-M Games Get Tight; Johnson Tops Scoring

The last two weeks have produced a barrage of tight games in both intramural leagues. It seems last Tuesday's games, especially, were played for blood as at least three games went down to the wire. These battles showed the Vet's Club squeeking by the All-Americans 57 to 55, the Steve Allen All Stars overturning the Rinky-Dink's apple cart by just two points, 42 to 40 and the Chargers sneeking by the Basketeers 41 to 40.

The "R" league claims three favorites this week as three teams have come out of battle with un-scarred 4 and 0 slates. Kings of the hill so far are the Mophia, the Untouchables and the Vet's Club.

The "F" league boasts its leaders also. So far it looks like the Amery Red Wings, the 409's and the Little Falcons are the teams to beat. They've produced 4 and 0 slates but breathing down their winning necks are the Fab-ulous 5 and Prucha 3 teams with 3 and 0 marks.

High Scorers in Both Leagues for Last Tuesday Are:

Kegler's Korner

The River Falls bowling team traveled to La Crosse on Dec. 12 to participate in a four team meet. The local kegler's were paced to a one and a half point victory by John "Jelly" Painter.

River Falls arrived 30 minutes late, only to meet Mankato. Mankato won an easy four points with a 2,236 total compared to R.F.'s 1,923. The bowling for the local kegler's was just about as bad as the weather outside, they got snowed under.

After some nourisnment, in the form of food, John Painter and combined to provide

After only the second "700" series of the day, River Falls was able to take an undisputed point from the home team, La Crosse "Jelly" Painter, River Falls 250 pound bowling sensation, rolled high games of 225 and 199. Dave Balke rolled the high series of the day with 540. The only threeyear veteran on the team, Vic Londo, averaged a consistent 170. The local kegler's were unable to come up with a top team effort throughout the day.

River Falls will travel to St. Olaf for the next Intersectional match on Feb. 9. After facing the three top teams in the last two matches, our local kegler's can hope to advance in the standings when they meet Wahpeton School of Science, Willmar and North Dakota State University.

Kappa Delta Pi Aids in Teaching In New Program

The local chapter of Kappa Delta Pi, the national educational fraternity, has instituted a new program for its members this year.

This new program is the homebound teaching program. The members have volunteered services to tutor students who are missing school due to illness. This service covers the River Falls school system; elementary, junior high and high school.

The tutoring is done for a student in the field in which he feels he needs the most help, so he is able to rturn to his classes without having fallen behind in his studies

Before going into the student's home, the volunteer contacts the teacher and determines the area which will be coverd during the student's absence.

Linda Nelson, one of the volunteers in the program reported that, "The home-bound teaching plan can be of considerable assistance to students who must miss school for a long time.

"As the plan becomes better known, we hope to be able to help more students and more schools."

Prospective Teachers Must Talk With Profs

This is the last week for 1963-64 secondary student teachers (not including agriculture) to interview with professors Beck, Perrin or Siemers in 110 or 112 North Hall. If you intend to enroll for student teaching next year you must hold an interview this week.

THE BELL TELEPHONE COMPANIES SALUTE: PAUL DOWNING

How can telephone craftsmen be kept up to date on the sophisticated equipment of the Telstar age? Paul Downing (B.S., 1956) solves this problem for Illinois Bell.

Paul's job is to evaluate Illinois Bell's plant training methods. He came to this job from one in which he supervised 72 repairmen and installers. As Test Center Foreman for the Franklin District of Chicago, Paul learned the business quickly and showed a strong knack for handling responsibility. This important ability led to his promotion as Telephone Wire Chief.
