

College Prepares Program Of Summer Graduate Study

The State College board of Regents is expected to take action today at Superior giving final approval to a graduate program at River Falls and the other State Colleges for this coming summer.

The Coordinating Committee for Higher Education earlier this month approved the program and recommended it for action of the University and the State College Boards of Regents.

Before the program can go into effect for the summer of 1960 however, an appropriation of approximately \$80,000 for its financing must come from the state legislature which will reconvene the latter part of this month.

Although full details of the program have not been com-

pleted, a Graduate Committee of representatives from the State Colleges and the University has determined the general policies for graduate work to be offered. The River Falls representative on the committee is Dr. Walker D. Wyman, chair of the department of social sciences.

The program is a cooperative one, at the master's degree level, between the University of Wisconsin and the State Colleges and is designed for the classroom teacher in the elementary and secondary schools. Experimental in nature, it differs radically from the usual master's degree program in education. The program will be individually developed, within broad limits, to suit the background and needs of the student. The three broad areas to be included are: Liberal Arts Foundations, 3 to 12 credits; Area of Specialization, 9 to 15 credits, and Pedagogical Foundations, 3 to 9 credits.

Several new courses, especially designed for the program, are being developed cooperatively a-

(Continued on page 2)

English Jazz To Resound On Wednesday

Jazz in the English manner will be heard on campus Wednesday, Oct. 14, when Chris Barber's band makes its second appearance at the college. The program will begin at 8 p.m. in North Hall Auditorium. Tickets priced at 50c are on sale in the Student Center.

Critics have said that "Chris Barber is to Europe what Louis Armstrong is to this country." His jazz band is now considered one of the best in the world. In addition to recording, the band plays for concerts, radio, television, and films. Since 1948, when the band was formed, it has spent time touring all over the world.

His band is most remembered for its recording of "Petite Fleur," which sold over two million records.

Included in the six piece ensemble are Chris Barber, trombone; Monty Sunshine, clarinet; Dick Smith, bass; Pat Halcox, trumpet; Eddie Smith, banjo; and Graham Burbidge, drums. Vocalist for the group is Ottilie Patterson, an Irish blues singer.

Republican Congressmen to Discuss Party Policies at Convo Wednesday

Congressmen Robert Griffin, Melvin Laird and Albert Quie will speak in the North Hall Auditorium at 10 a.m. Wednesday, Oct. 14, as part of the "Recruits for a Sound America" program.

A press conference will be held

Griffin

in the Student Center beginning at 9 a.m. Several metropolitan newspapers and radio and television stations have indicated that they will send representatives.

Congressman Griffin is the co-author of the Landrum-Griffin labor reform bill that was recently passed by Congress. At 36, he has been mentioned as a possible candidate for his party's 1960 vice-presidential nomination.

A native of Marshfield, Congressman Laird represents Wis-

consin's Seventh Congressional District. A graduate of Carleton College, Mr. Laird was a member of the Wisconsin State Senate before being elected to Congress in 1952.

Congressman Quie, a native of Dennison, Minnesota, is a graduate of St. Olaf College at Northfield. He operated a farm and served in the Minnesota State Senate before being elected to Congress in February, 1958.

The program is being sponsored by the college Young Republican Club.

It is one of several programs to be conducted throughout the nation as part of the Republican "Recruits for 60" campaign.

DAD'S DAY DRAWS PARENTS TO CAMPUS

Approximately 100 parents attended the annual Dads Day, Saturday at the College.

The parents were guests at a buffet supper in the Student Center. Master of ceremonies was Dick Shimel. A. N. Johnson welcomed the guests and head football coach Fran Polsfoot gave a short talk. The principal speaker was Dr. Robert Berg.

Following the supper, movies of this year's Stevens Point-River Falls game were shown in the Little Theatre. The parents were escorted to the field by FFA torch bearers. Football Dads were introduced before the opening kick-off.

Campus Set for Homecoming

ONE OF THESE FIVE HOPEFULS will be chosen to reign over the 'Blugold Blackout' this year. Homecoming queen candidates are Delores Anderson, Charlene Crane, Lani Wolodko, Shirley Parker and Marge Wallen. The ballot box will open Thursday. (Photo by Blegen)

CAMPUS CALENDAR

Monday, Oct. 12

7 p.m. WRA Watermelon Bust, Glen Park.

Tuesday, Oct. 13

11 a.m. Class meetings, Freshmen, North Hall Auditorium; Sophomore, Little Theatre; Junior, Student Center; Senior, Student Center.

4 p.m. Student Center Governing Board, Student Senate Room, Student Center.

Wednesday, Oct. 14

10 a.m. Y-GOP Speech, N. H. Auditorium.

6:30 p.m. AWS Board Meeting, Knotty Pine.

8 p.m. Chris Barber Concert, N. H. Auditorium.

Thursday, Oct. 15

2 p.m. Y-Dem Convocation, Little Theatre.

Sunday, Oct. 11

3 p.m. Freshmen Women's Tea, Social Room.

ROD AABERG ENGAGED FOR SATURDAY DANCE AT ST. BRIDGET'S

Rod Aaberg and his fourteen piece orchestra will play for the 1959 Homecoming dance, Oct. 17.

Each year, Rod Aaberg and his Orchestra spend their time playing for engagements for over thirty universities and colleges in the Midwest. Still more time is spent appearing on TV, radio, and at clubs. Such great stars as Nat King Cole, June Valli, and The Crewcuts have appeared with the band.

In 1958, the Aaberg Band was named "Band of the Year" in a contest sponsored by the AFL Musicians Union in a five state area. In May, 1959, they were named "Band of the Month", by radio station KSTP.

Rod Aaberg has received his Bachelor of Science Degree from the University of Minnesota, and between engagements works on his Master's Degree.

The dance will be held in the St. Bridget's Gymnasium from 9 p.m. to 1 a.m. Tickets will be sold at the Student Center.

One of Five to Win Crown In Queen Contest Thursday

by Sandy Appleby

One of the biggest events of the annual Homecoming celebration will be the crowning of the Queen which will take place Friday night, October 16, at 7:30 p. m.

Five lovely girls, who are being sponsored by different campus organizations, will be competing for the crown. This year's candidates are Marge Wallen, junior from Prairie Farm; Shirley Parker, senior from Hayward; Delores Anderson, senior from River Falls; Charlene Crane, senior from Tomah; and Lani Wolodko, junior from Cameron.

Marge Wallen is the 5' 3" green-eyed blond who is being sponsored by the junior class. In addition to being an elementary major and an English minor, Marge participates in band, L.S.A., Sigma Chi Sigma, and A.C.E. She is also on the Foundation Committee and the Hathorn Hall and A.W.S. councils.

The Vet's Club and F.F.A. chose Shirley Parker as their candidate.

Shirley, who is an elementary major with a physical education minor, has brown hair, blue eyes, and is 5' 3" tall. Her activities include U.S.F., W.R.A., A.W.S., Ski Club, A.C.E., and the Young Republicans.

Lani Wolodko, a medical technology major, is the Newman Club's choice for Queen. Lani, who is 5' 8" with brown hair and brown eyes, is active in the Newman Club, Biology Club, Med. Tech. Club, Dramatics Club, and Alpha Psi Omega.

Representing the Senior class is Charlene Crane, who is an elementary major and art minor. She is 5' 4" and has brown eyes and brown hair. Her list of activities includes A.W.S., A.C.E., and Wesley.

Delores "Jitter" Anderson is representing the "R" Club and W.R.A. "Jitter", an English major with speech and physical education minors, is 5' 3½" and has blond hair and brown eyes. Kappa Delta Pi, Sigma Chi Sigma, W.R.A., N.C.T.E., dramatics and the Social Committee are her activities.

HOMECOMING SCHEDULE

Wednesday, October 14

Campus and window decorations begin.

8:00 p.m., Chris Barber Jazz Concert, North Hall Auditorium.

Thursday, October 15

9:00 a.m., Polls open in student center for queen election.

5:00 p.m., Vet's Pizza Supper, American Legion Hall.

Friday, October 16

Judging of window and campus decorations.

11:00 a.m., Classes dismissed for the day. Pep Rally and "Scream for the Team" contest on North Hall Lawn, followed by traditional snake dance.

5:00 p.m., Candle light pancake supper in the cafeteria.

7:30 p.m., Pepfest and Queen coronation in North Hall Auditorium.

9:30 p. m. Bonfire behind Hathorn Hall.

10:00 p. m., Informal Record Dance in Student Center.

Saturday, October 17

10:00 a.m., Homecoming Parade, Main Street.

11:00 a.m., Smorgasbord in the cafeteria.

1:30 p.m., Football, Blugold Blackout, Ramer Field. Presentation of Queen and court at halftime.

4:00 p. m., Coffee hour in Student Center Lounge.

9:00 p.m., Homecoming dance, featuring Rod Aaberg and his orchestra, at St. Bridget's gym.

Two River Falls Ag Students Win Top FFA Degree

Roger Christy, junior from Eau Claire and Herman Boettcher, sophomore from Bloomer, have been selected to receive the National Farmer Degree. The Degrees are to be awarded during the National Future Farmers of America Convention at Kansas City, Mo., Oct. 12 to 15.

The honor is the highest recognition an FFA member can receive. Wisconsin FFA members will receive 13 of the degrees awarded.

Every state in the union will be represented at the national convention held annually at Kansas City.

The Editor Speaks . .

A problem that most of the River Falls homecoming and prom committee chairmen have had to deal with in the past three years is the hiring of a suitable orchestra for the dances. This year's homecoming chairmen met with difficulties in their negotiations with the Willard-Alexander Agency for the Sauter-Finegan Band. Bob Vermillion, acting for the chairmen, began dealing with the agency during June. The first week of August, Vermillion agreed to hire the Sauter-Finegan group and signed a contract which was sent back to the agency. The deposit of \$1,000 was sent at a later date but no signed contract was returned by the Willard-Alexander Agency.

Upon requesting a signed contract or a refund last Tuesday, Oct. 6, Vermillion was informed that the Sauter-Finegan group was not available but the agency could offer a substitute.

This was the same type of run-about the prom committee chairmen received two years ago. The chairmen dealing with the Music Corporation of America were led to believe they had Les Elgard under contract. At the last moment they were unable to secure the Elgard band and hired a band from the Twin Cities area.

One more incident was last year's 'embarrassing' Jimmy Dorsey affair. The Jimmy Dorsey Band, under the direction of Lee Castle, was scheduled to play a concert April 22 after an engagement in Madison the previous evening but failed to appear. The Social Committee again dealing with the MCA had returned a signed contract. Lee Castle's personal manager returned the band's signed contract but failed to notify Castle the band was to play at River Falls.

The only way the college can successfully deal with the music agencies is to arrange a corresponding engagement for the same weekend with one of the area schools. This was the reason given Vermillion for the failure to sign Sauter-Finegan to a contract. This was also the situation when Les Elgard failed to sign and the same reason the prom committee was successful in engaging Harry James three years ago. This seems to be the only solution if name dance bands are desired at future school dances.

The homecoming committee should be commended for its quick reaction to the Willard Alexander decision. Rod Aaberg has one of the finest dance bands in the midwest and was well received at last year's prom.

Student Senate Minutes

President Curtiss Larson called the meeting to order. The secretary's minutes were read and the treasurer reported a balance of \$82.32.

Tom Keefer, freshman class president, was welcomed to the Senate.

Cletus Hendrickson gave a talk on the operation of the Student Senate's monies. All money the business office collects goes to Madison. Only original, dated and itemized invoices will be accepted at Madison.

The motion was made and seconded that the Student Senate allow the sophomore class to use the Senate's piano with the stipulation that a janitor must be on hand. Motion unanimously passed.

Mr. Reynolds requested money for expenses for one student to attend the University of Purdue meeting on Student Union policies. It was moved that the Student Senate send one student to Purdue with expenses not to exceed \$50. Roll call vote: Aye: Norelius, Schmid, Schlumpf, Smith, Duch, Skone and Keefer. Nay: Ross, Kaluzny and Hanson.

Chuck Norelius reported on the committee check on the Student Center Governing Board and Social Committee. Recommendations were that the Student membership on the Union Board be five members and on the Social Committee five members.

The motion was made, seconded and passed unanimously

that the Student Center Governing Board student membership be increased to five members by including the president of the Social Committee and the vice-president of the Senate as voting members.

Motion was made to accept the new plan as regarding the status of the social Committee of Norelius, Smith and Duch. Motion carried.

There was a correction in the S.A.C. meeting minutes regarding the scheduling of meetings. A new request is not required by any organization which meets at the regularly scheduled time in the place already approved for this meeting. However, requests for special meetings must be made ten days in advance in the Dean's Office.

A motion was made to change the policy of the Student Senate in choosing cheerleaders in the future. One Senate member will serve as a delegate on the committee composed of the head of the men's physical education and women's physical education department plus one other member from the men's physical education department and the cheerleader with most experience. No one with an established grade point below 2.00 will be considered eligible.

Present: Duch, Hanson, Kaluzny, Keefer, Larson, Norelius, Schlumpf, Ross, Schmid, Skone, and Smith.

AROUND THE CAMPUS

Chemistry Seminars

The time for the chemistry seminars has been changed to Wednesday, Oct. 14, at 6 p.m. in room 318N. Scheduled speakers are Wayne Frank, "Ion Exchange" and Sidney Johnson, "Chemistry of Rare Earths."

WRA

A special WRA business meeting will be held in room 127S, Monday, Oct. 19, at 8 p.m. following the softball game. Plans for the revision of the WRA constitution and election of sports heads for bowling and badminton is on the agenda.

Newman Club

Mass is scheduled for Monday, at 5:15. Rosary will be held every night in the Newman Chapel. On Thursday following the Rosary there is a benediction. Father John Tomre, will speak at the meeting Tuesday at 7 p.m.

Coronation Rehearsal

All Queen candidates and organizations sponsoring skits for the Friday night Pep Fest will meet in North Hall Auditorium on Thursday, Oct. 15, at 8 p.m.

Young Democrats

The Young Democrats will hold their regular meeting Monday, October 12, at 8 p.m. in room 203 of the Student Center. There will be a report of the political conference held at Stevens Point, October 9-11. The membership committee will give a report on their progress. The meeting will be followed by coffee in the private dining room. Everyone is invited to attend.

M.E.N.C.

M.E.N.C. will meet on Thursday, October 15, at 7:30 in the Student Center, room number to be announced in the daily supplement. Dr. Abbott will be the principal speaker.

Gamma Delta

Gamma Delta will have a meeting at 7 p.m. Tuesday, October 13. Slides of the Far East will be shown by Dennis Seefeldt, and the program will be followed by lunch.

RF Begins Plans For 'Rural' Week

The second annual Rural Life Conference at the College is scheduled for the week of Oct. 26 to 31. The conference is being sponsored jointly by the art department, social science department, and Division of Agriculture. Its purpose is to familiarize the student body and northwest area of Wisconsin with the problems and opportunities of rural life.

The art department is sponsoring a week long exhibition of rural painting. A \$100 prize is being offered by the First National Bank of River Falls for the best painting shown.

A banquet planned by the Pierce County Education Association will highlight activities on Wednesday, Oct. 28. Rural education will be emphasized that day by the social science department with discussions centering around the theory and practices of education in rural high schools.

The Division of Agriculture will present discussions on dairy farming problems in this area and display the facilities of the new college farm on Saturday, Oct. 31.

LITTLE MAN ON CAMPUS

"I ALWAYS GIVE THAT KID TOP PRICE FOR HIS BOOKS— I DON'T THINK HE EVER OPENS THEM."

GRAD WORK—

(Continued from Page one) mong staff members of the institutions involved.

The program will be open only to teachers or those who expect to become teachers. Although recent graduates may take a summer of work before they begin teaching, students must have had at least one year of teaching experience before enrolling for the second summer of work. Only experienced teachers may take the courses in pedagogy.

The degree will require the equivalent of one academic year or four summer sessions of eight weeks each. For the present, the program will be offered only in the summer on the campuses of the State Colleges and the degree will be granted by the University of Wisconsin where at least half of the work must be done.

To date, three curricula have been approved for the secondary teacher: science, social science and language arts. In addition, there is a fourth curriculum for elementary teachers.

In a study on the need and demand for such a graduate program, the Joint Staff of the Coordinating Committee for Higher Education and the Committee on Graduate Education reported that:

1. The Colleges of Wisconsin grant an appreciably smaller proportion of their master's degrees in the field of education than do colleges of the remainder of the nation.
2. The proportion of elementary and secondary teachers in Wisconsin holding a master's degree is low when compared with the proportion in neighboring states.

3. There is a growing realization that the welfare of the nation demands more effective teaching at all levels and that teachers need better training.

4. Surveys by the State Colleges of possible enrollments indicate that there are enough teachers desirous of and qualified for such a program in the area of each State College to justify establishment of a minimum program at each State College not now offering a graduate program.

Since the beginning of the discussion of graduate work at the State Colleges, the teaching staff at River Falls has been making plans for effective participation in the program and will be ready to begin by this summer if favorable action is taken by the Board of Regents and if appropriation for the program is made by the legislature.

Rural Life Conference To Feature Art Exhibit

In conjunction with the Rural Life Conference on the campus of Wisconsin State College at River Falls Oct. 26 to 31, the college is sponsoring an exhibition of regional amateur art.

This feature of the conference was begun last year and was so popular that it was made an annual event. Entries in the exhibit will be received at the College Oct. 19-24. The art show will continue throughout the entire week of the conference with a criticism by a guest artist scheduled for Oct. 29.

Certificates of award will be given to works of special merit and a purchase prize also will be awarded. Eligible to exhibit are amateur artists at least 18 years old who are residents of St. Croix, Pierce, Polk, Barron, Dunn, Eau

Claire, Pepin, Buffalo, Chippewa, Rusk or Trempealeau counties in Wisconsin or of Goodhue, Dakota or Washington counties in Minnesota.

Those interested in entering the exhibit may obtain complete information by writing to James A. Crane, chairman of the art department, Wisconsin State College at River Falls.

Faculty Members Attend Convention

River Falls State College was represented by 12 members of the Division of Teacher Education at the annual state conference for the Association of Student Teaching at Viterbo College at LaCrosse, October 2.

Ronald Laymon, fifth grade supervisor in the Campus school, was elected to the state executive committee.

Dr. L. G. Stone was chairman of a section on "The Supervisor and Public Relations." Dr. Stone is Director of the Division of Teacher Education.

Others taking part in the program were Dr. Rowland Klink, Mrs. Myrle Breck, Miss Opal Knox, Robert Krueger and Mrs. Naunda Tietz.

Congressman Reuss to Speak Thursday

Congressman Henry Reuss is scheduled to visit the campus, Thursday, Oct. 15. He will be honored at a 12:30 luncheon in the cafeteria sponsored by the Young Democratic Club. At 2 p.m. the congressman will address the students in the Little Theater.

The congressman's visit to River Falls is part of a tour through northern Wisconsin. Mr. Reuss hopes that his visit will promote better relations between the people from his 5th Congressional District and the people of northern Wisconsin. Congressman Reuss has just returned from a European tour and after his visit here he will leave for engagements at Arkansaw, Menomonie and other Wisconsin towns.

Arrangements for the appearance of the congressmen are being made by the college Young Democrats. Other Democratic law-makers, along with state officials, are expected to be on the campus during the year.

'Falls Gridmen Prepare For 'Blugold Blackout'

By Ed E. Schlumpf

River Falls' up and down Falcons will entertain Eau Claire's up and down Blugolds next Saturday afternoon in the feature attraction of the 1959 River Falls Homecoming.

Traditionally this Falcon-Blugold clash involves the league lead or at least second place. Such is not the case this year, however, as both teams have been having their share of troubles in the hectic WSCC race. Excluding last Saturday's games, Eau Claire and River Falls both had 1-2-1 records for all games played and 1-1-1 for conference play.

The Blugolds will field virtually the same team that bounded off to a 6-0 lead in last year's tilt only to wind up on the short end of a 27-6 count. An all-veteran line boasts end Bill Perkins

(185), tackles Ron Ganon (190), Hank Donatell (220) and Bert Webb (200), guards Dean Hugdahl (200) and Chuck Nyberg (200) and center Mike Friedman (175). Coach Jim Rice calls it a good line but not too big as college lines go.

Non-lettermen who will help in the line include Maurice Wozniak, Steve Kurth, and Bob Woletz. Arne Rongstad will supply added punch in the backfield, that has lettermen Dick Odegard, Ted Devine, and Don Lee returning. Dewey Carl, brother of the Wisconsin Badgers' Harlan Carl, has transferred to Eau Claire after lettering at the University as a sophomore.

Eau Claire looked impressive in roaring from behind only to tie Stout's upstart Bludevils 13-13. However everything went wrong when LaCrosse's rampaging Indians rolled up a 39-7 victory 10 days ago.

With the return of Frank Sprenger to the Falcon lineup, some of coach Fran Polsfoot's running problems may be erased. However, until better blocking develops in the Falcon line, the backs will continue to have their trouble gaining any yardage.

The River Falls defensive play has been something less than becomes a championship team. With speedster Ted Devine operating in the Blugold backfield, River Falls tackling will have to be improved.

The Blugold passing attack, featuring end Bill Perkins and quarterback Dick Odegard, has been clicking like a geiger counter over a pool of uranium. Unless the leaky River Falls secondary is patched up, footballs could be flying fast and furious come game time Saturday. Incidentally kickoff is scheduled for 1:30 in the only afternoon game of the year.

Women Make Plans For 1960 Meeting

Approximately 45 students and advisors attended the convention for the Wisconsin Athletic and Recreation Federation of College Women held on campus Oct. 2 and 3. Entitled "Competition or Fallout?", the convention attracted visitors from eight colleges in the state.

The bid for the 1960-61 WARFCW convention went to Oshkosh State College; Ripon College received the bid for co-ordinating school, and the University of Wisconsin at Milwaukee received the bid for recording secretary.

Playdays and sportdays set up at the convention are as follows: February 20 at University of Wisconsin, basketball, volleyball, bowling, and swimming; March 12 at LaCrosse State College, badminton; March 12 at Oshkosh State College, swimming and badminton; April 9 at River Falls State College, archery and other sports; May 6 to 8 at Green Lake, special playday in conjunction with the Wisconsin Athletic, Health, Physical Education and Recreation conference and May 14 at LaCrosse State College, archery, badminton and others.

Officers of the WARFCW were co-advisors, Miss Emogene Nelson, River Falls and Miss Beatrice Baird, La Crosse; president, Carolyn Brown, River Falls; corresponding secretary, Dorothy Braun, River Falls; recording secretary, Geri Meyer, UWM, and the co-ordinating school was Platteville.

Edith O'Mera was the River Falls delegate to the convention. Unofficial delegates were Virginia Rogers, Barbara Blaisdell, Carol Frier, Dorothy Braun and Mary Viitenen.

Schools attending were LaCrosse, Platteville, Eau Claire, Oshkosh, Ripon, University of Wisconsin, University of Wisconsin at Milwaukee and River Falls.

Falcon Fanfare

One of Coach Fran Polsfoot's major problems this year has been the lack of depth at many positions. The bright spot has been the quarterback potential with four lettermen, Bob Dawson, Tom

est team he played against this season.

Back in his high school days Jim was a three year letterman in basketball, football and baseball.

Everson

Dawson

Everson, Jim Hallen and Jon Hillstead, returning.

Tom Everson — As many a Falcon fan knows Tom Everson has been throwing the football for head coach Fran Polsfoot for the past couple seasons. This season Tom has also seen action at the halfback slot. He does most of the punting and kick-off chores for the Falcons.

As a member of last season's championship team, Tom says his biggest thrill came in the Whitewater game. Upperclassmen need not be reminded that it was his passing that sparked the Falcons to a 14-0 win.

After graduating Tom would like to get a coaching job with some high school.

Jim Hallen — Starting most of this year's games at quarterback has been Jim Hallen. Jim's hometown is Clear Lake, but he now makes his residence in Hudson.

Jim is probably a better runner than the other signal-callers but he is also a fine passer. He says that Whitewater was the tough-

His top thrills have been being a member of the championship

Hallen

team and beating Eau Claire twice since losing to them in his fresh-

Stool Bums Lead Pack In I-M Football Race

The Stool Bums remain on top of the intramural football league with a perfect 4-0 record and are followed by the QB's who have a 4-2 record.

Two games last week were called off because of bad weather. However, the game of the year was the game between the Stool Bums and the QB's played on Monday.

The QB's jumped off to a 6-0 lead when Paul Wright caught a touchdown pass from Al Ormson. Then the Stool Bums came storming back when Al Ormson went to pass and Gary Scharfenburg deflected the pass into the air and Ed Schlumpf caught it and scampered 50 yards for a TD and tied the score at 6-6. The remainder of the game was mostly a defensive battle until on the last play of the game Tom Sempf

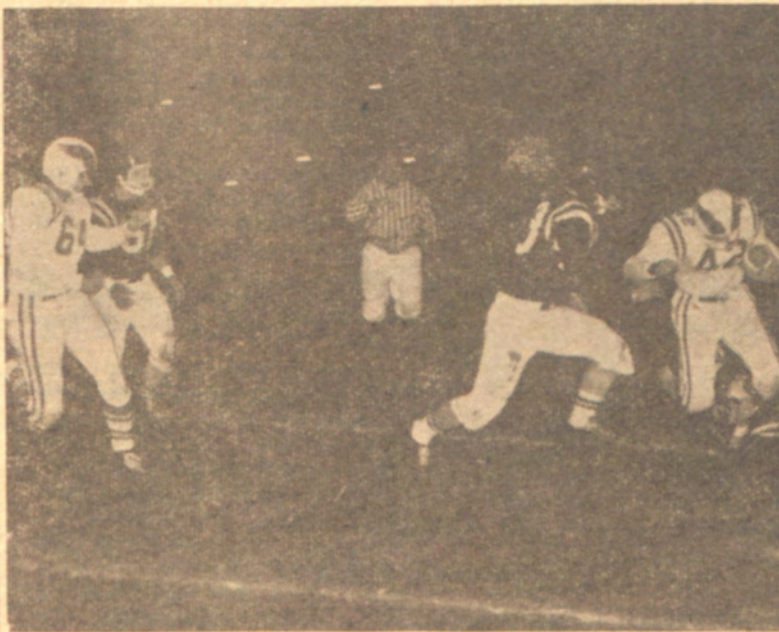

snagged an aerial and raced for the goal ending the game and giving the Bums the winning score of 12-6.

Curley Hanson Tallies Twice In Onslaught

River Falls' fired-up football team turned a predicted "close" game into a rout Saturday night by walloping Stout State 40-7 before an enthusiastic Dad's Day crowd at Ramer Field.

From the minute the Falcons scored their first TD early in the opening stanza, the outcome was never in doubt. Coach Fran Polsfoot's gridders combined a crushing defense with a razor-sharp attack in completely dominating play throughout the game.

Stout, which has been accustomed to scoring first this year, fell behind at the outset and never threatened thereafter. The initial RF tally was set up when Ed Olund picked up a blocked kick on the Bluedevil 34 and lumbered to the 15 before he was nailed. Moments later Tom Everson swept into the end zone for a 6-0 spread.

Towards the end of the period Curly Hanson reeled off one of the prettiest plays of the year when he gathered in an Everson aerial, hurdled a would-be tackler, and sprinted some 40 yards to pay dirt. Jim Hallen's placement made it 13-0.

Mick Lauber, the Falcons' all-conference halfback, turned in another one of his patented jaunts early in the second quarter when he intercepted a Stout pass on his 18-yard stripe and raced 82 yards down the sideline to score. Tom Sackett threw a crashing block at midfield and Duane Tollefson erased the last defender near the 20 to clear Lauber's path.

Stout's Glen Harke, showed his all-conference form when he returned an intercepted pass 15 yards to score the visitor's only touchdown. Jim Payne's placement was good but RF left the field with a comfortable 20-7 halftime bulge.

As has been the case all year, Stout came all unglued in the second half. Action had hardly been resumed when Howie Hofschild jarred the ball loose from a Stout back and Ed Olund pounced on it for the Falcons. Hallen then shot a pass downfield which Mick Lauber grabbed one-handed for a 40-yard gain. After driving to the 25, the Falcons fumbled only to regain possession when Karl Schmid recovered a Stout miscue moments later. Lauber then lofted a scoring pass to Jack Neurer and it was 27-7 as Hallen notched his third conversion.

Hanson picked up his second TD of the evening towards the end of the third period when he caught a screen pass from Hallen on Stout's 38 and scampered downfield to score.

Replacements saw plenty of action in the final stanza and they put on quite a show. Sophomore end Tom Overman's defensive play was certainly one of the highlights. Time and time again he barged into the Stout backfield to drop the ballcarriers for a loss. His recovery of a Bluedevil's fumble on the 38 set up the final tally.

With sophomore halfback Mick Rogers running like a deer, the Falcons pushed down to the one-yard marker where freshman Larry Lloyd crashed over to score. Hallen's kick was good making it an awesome 40-7.

Still the reserves weren't finished. Jon Hillstead's passing arm led a last-ditch drive that almost produced another touchdown. His completion to sophomore halfback Dave Swan moved the ball down to the 20 but an offside penalty and an interception halted the threat.

Cross-Country Runners Bow To Winona 21-38

The Falcons cross country team was beaten 21-38 at Winona Friday afternoon. The meet was held on a 3.9 mile course at Lake Park.

The winners were led by Dick Anderson and John Gruden who finished one and two. The winning time was 20 minutes 30 seconds. Jerry Halverson came in third for River Falls. Dan Teetzee took fourth, finishing a step behind Halverson.

FALCON FANFARE

(Continued from page 4)
man year. He is hoping he can help make it three in a row Saturday.

Bob Dawson — A native of River Falls, he is working toward his second letter at River Falls. Bob is temporarily out of action with a stomach ailment.

Bob won high school letters before entering the University of Wisconsin. After being at Wisconsin a year and a half he entered the service and upon his release he transferred to River Falls.

According to Coach Polsfoot, Bob is his most gambling quarterback.

Hillstead

He can throw either the long or short pass with consistent accuracy.

Jon Hillstead — Jon, from Spring Valley, is a senior letterman. He doesn't see as much action as he would like but provides the Falcons with more depth at the signal-calling position. His athletic career started in high school where he earned letters in football, basketball and baseball.

During the off-season Jon is active in intramural sports.

One of his top sport thrills came in his high school career. His team was tied for last place in basketball in the conference, but won the sub-regional championship.

Upon graduation Jon would like a job in the teaching and coaching profession.

BEGINNING PREPARATIONS for a SHACH meal at Stratton Hall are advisor, Sheppard Black, Steven Kelly, Jim DeLestvy, Tom Davee and Fred Mickruh. (Photo by Harmann)

GALS, TAKE HEED

RF Boys Turn to Cooking

by Dayle Maloney

The hamburger stroganoff was delicious but an amateur chef burned the broccoli at the first meeting of the Stratton Hall Association of Chow Hounds (SHACH) last week.

SHACH, also known as Cooking 101, is a group of 21 Stratton Hall residents who meet once a week to prepare a meal under the watchful eye of Mr. Black, resident counselor. Since too many cooks spoil the broth, the class has been divided into three sections that meet on different nights each week.

"I didn't realize we had so many cooks in Stratton," said Mr. Black. "Section one is the only section to try a meal so far but the other groups will start this week."

Last week's menu included assorted canapes, fruit cocktail, onion soup, hamburger stroganoff, rice, broccoli, salad, ice cream

and cake, coffee and tea. The feast was scheduled for 7 p.m. but there was an hour delay when the "chow hounds" forgot about the boiling broccoli.

"Put seven men around a stove and you don't know what may happen," says Mr. Black. "Each member of the Gourmet Society selects what part of the meal he would like to prepare. I then give each chef a recipe to follow."

SHACH invites several guests to each dinner. Arnold Kulzny and Gene Miller, student counselors, were guests at the stroganoff supper.

Each guest is given the SHACH menu that describes the evening meal. On the bottom of the menu is a special note, "It must be said, in parenthesis and in a whisper, that we not only reserve the right, but actually delight — in sudden changes in our menu!"

Faculty Attend NWEA Convention

Walker Wyman, vice-president of the Northwestern Wisconsin Education Association, and five other River Falls' faculty members participated in the recent N.W.E.A. meetings held in Eau Claire.

Miss Ann Dubbe and Miss Opal Knox, campus school supervisors, spoke on "Creative Activities in Language Arts in the Elementary School. Dr. Abbott, chairman of the music department gave a talk on "Are College Musicians Prepared?"

Acting as vice-chairman of the High School roundtable was Peter Muto of the science department. Vice-chairman of the Primary Grades roundtable was Miss Naunda Tietz, education department.

Dr. Wyman, chairman of the Social Science department, presided over Thursday's general session held in the Memorial High School Gymnasium. Dr. Wyman has been a member of the executive board since 1955.

A Campus Coed May Be Welk's "Champagne Lady"

River Falls coeds with a good voice, charm and neatness may have the chance of being Lawrence Welk's "Champagne Lady".

The procedure for the selection of a "Champagne Lady" is by the way of tape or disc records submitted to the band's office. A talent committee will select candidates to be given an all-expense trip to Hollywood as the guest "Champagne Lady" on the national television show. Final selection will be determined by audience reaction and the show's production staff.

The following qualifications must be met: A professional-quality vocal talent in the popular style, personal character and charm, and appearance (neatness, wholesomeness).

Interested women should con-

tact Dean Knaak for further information.

Do You Think for Yourself?

(BLAST OFF ON THESE QUESTIONS AND SEE IF YOU GO INTO ORBIT*)

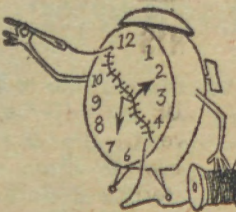

Do you believe that when a man insists on doing what he can do best, regardless of where he finds himself, he's (A) a valuable member of the community? (B) an independent spirit? (C) apt to be pretty silly?

A B C

If you saw a fully clothed man about to jump into a river, would you (A) assume the fellow was acting and look for a movie camera? (B) dismiss the whole thing as a piece of personal exhibitionism? (C) rush to stop him?

A B C

Do you believe that "a stitch in time saves nine" is (A) an argument for daylight saving? (B) a timely blow against planned obsolescence? (C) a way of saying that when you use foresight you get along better?

A B C

In choosing a filter cigarette, would you pick one that (A) says it has a new filter? (B) merely says it tastes good? (C) does the best filtering job for the finest taste?

A B C

When you think for yourself . . . you depend on judgment, not chance, in your choice of cigarettes. That is why men and

women who think for themselves usually smoke Viceroy. They know only Viceroy has a thinking man's filter—the most advanced filter design of them all. And only Viceroy has a smoking man's taste.

*If you have checked (C) in three out of four questions . . . you think for yourself!

Super Sub!

It's been said that the atomic submarine "Nautilus" stays submerged so long that it only surfaces to let the crew re-enlist.

Perhaps for this reason, the Navy has taken valuable space aboard the "Nautilus" for the only soft-drink vending machine in the entire submarine fleet.

Naturally (or you wouldn't hear about it from us) it's a Coca-Cola machine. And not unexpectedly, re-enlistments are quite respectable.

Rugged lot, those submariners. Great drink, Coke!

SIGN OF GOOD TASTE

Bottled under authority of The Coca-Cola Company by COCA COLA BOTTLING CO., RED WING, MINN.

The Man Who Thinks for Himself Knows — ONLY VICEROY HAS A THINKING MAN'S FILTER . . . A SMOKING MAN'S TASTE!
