

The Student Voice

Work Will Begin Soon On New College Farm

by Bob Enstad

Construction on the new college farm set-up is expected to begin in about two weeks, according to Dr. Richard Delorit, head of the Division of Agriculture. Total estimated cost of the project is \$220,000 with completion expected by Nov. 1, 1959. General contractor will be the George Olson Construction Co. of Stillwater, Minn., with a bid of \$118,868.

Cost of the electrification has been donated by the State Rural Electrification Administration. In addition to the initial cost not to exceed \$15,000, the REA has agreed to a continuing program which will keep the electrical wiring installation modern and adequate in terms of changing electrical uses and demands.

In return, the REA will use the project as a "showcase" where interested farm groups may see ideal farm wiring. The College will make available results of tests and research in electrical usage on the farm.

In addition to the Olson Co., other low bidders were electrical work, the Black Electric Co. of River Falls, at a cost of \$13,229.87; heating, the River Falls Heat and Sheet Metal, \$5,358; and steel building construction, the Armco Drainage and Metal Co. Metal buildings to be constructed include a machine shed and a hay storage building.

VOLUME XLV

NO. 29 RIVER FALLS STATE COLLEGE

MONDAY, MAY 18, 1959

SHOWN PRESENTING an \$800 check to President Kleinpell from funds raised by the Foundation Committee are Rae Buchholz, Bob Nelson, Jean McMillan, Marjorie Wallen and Nancy Ingwell. Absent from the picture were other committee members Dean Loree and Marion Haugen. (Photo by Harmann)

Foundation Gives \$800 for Sound System

An \$800 check was presented to President Kleinpell by this year's Foundation Committee. The money will be used for a public address system in the Student Union.

Money for the project was raised during annual Foundation Week activities held in January. With "Sound as a Dollar" as theme of the event, the committee sponsored an auction, dance, movie and button sale to earn money.

Chairman of the committee was Dean Loree. Other members were Rae Buchholz, secretary; Bob Nelson, treasurer; and Nancy Ingwell, Marjorie Wallen, Marion Haugen, and Jean McMillan. Faculty advisors to the committee

are Dr. Rowland Klink and Dr. Nancy Knaak.

Chosen as new officers for the group were Rae Buchholz, junior from Ladysmith, chairwoman; Nancy Ingwell, junior from Rice Lake, secretary; Bob Nelson, sophomore from Amery, treasurer, and Jean McMillan, freshman from Stillwater, publicity.

"Trim the Gym" has been selected as theme of next year's Foundation Week activities. Money raised will be contributed toward the purchase of bleachers for the new gymnasium. The week of Nov. 2-7 has been set as a tentative date.

The committee has announced that a \$20 prize will be awarded to the person who submits the skit to be used in the "Trim the Gym" activities.

Students Elect Carl Duch to Senate, Seven Incumbent Members Re-elected

Carl Duch, junior from Sarona, was the only new senator elected to the Student Senate in Thursday's election. Six members of last year's senate were re-elected.

Duch

Larson

Returning for his fourth year on the Senate will be Curtiss Larson, junior from Hillsdale. Other senate members re-elected were Carol Jennings, freshman from Mondovi; Arnold Kaluzny, junior from Milwaukee; Patty Ross, junior from Hudson; Ed Schlumpf,

Kaluzny

Ross

junior from Durand; and Ron Skone, sophomore from Cushings. Also serving on the Student Senate will be next year's class

presidents. Representing the sophomore class is Scotty Smith, the junior class president is Leon

Recognition Awards Will be Presented At Assembly May 20

River Falls students who have made outstanding contributions in extra-curricular events during the past year will receive special recognition at a Traditions Day Recognition Awards convocation Wednesday, May 20, at 10 a.m. in North Hall Auditorium.

An Honors Day assembly scheduled for Tuesday, May 26, will recognize students who have done outstanding work scholastically.

Principal speaker at the Recognition Day convocation, sponsored by the sophomore class, will be Dr. Robert Baley. Presiding at the assembly will be Robert Nelson, president of the sophomore class. Louis Pape will open the program with organ selections.

Awards will be made by the faculty advisors of the following groups: athletics, Fran Polsfoot; biology, Dr. B. H. Kettlekamp; chemistry, O'Neal Mason; WRA, Miss Emogene Nelson; dramatics, Dr. Blanche Davis; FFA, Dr. Richard Delorit; forensics, John Oos-

(Continued on page 2)

Soviet Diplomat To Speak Here On Foreign Policy

Youri V. Filippov, first secretary of the Soviet Embassy in Washington, will discuss "U.S. - Soviet Foreign Policy" on campus Thursday, May 21.

The Soviet official will address interested students at the college at 2 p.m. An evening talk on "Soviet Education" has been tentatively scheduled at 8 p.m.

Sponsored by the social science department, the Soviet secretary's visit is for the purpose of assisting students at the college to a better understanding of the Russian point of view and to demonstrate the freedom to hear which is prevalent in America, a departmental spokesman said.

Mr. Filippov began his present tour of duty in the United States last September and has addressed a number of college groups in the eastern part of the nation.

Senate Names Pat Lind, Judy Johnson As Co-editors of 1960 'Meletean'

Pat Lind and Judy Johnson have been named as co-editors of the 1960 Meletean.

A junior from Robbinsdale, Minn., Miss Lind worked as assistant editor of the 1958 Meletean and as editor of the the Student Voice in 1958-59. She is active in Sigma Chi Sigma, French Club, N.C.T.E., Kappa Delta Pi; a member of the Student Union Board, and junior class treasurer. Miss Lind has an English major and minors in journalism and French.

Miss Johnson's activities include French Club, Psychology Club treasurer, Public Relations Committee, Kappa Delta Pi, Canterbury Club, N.C.T.E. program chairman, Concert Band, and Falconettes. She will serve as senior class secretary and president of Sigma Chi Sigma next year. A junior from Hudson, Miss Johnson has an English major with French and journalism minors. The two girls were nominated

Song Fest, Dance To Be Sponsored By Frosh Tonight

by Pat O'Connell

The second annual All-School Song Fest will be held on North Hall lawn at 7:30 tonight. Emceed by Ron Perrier, freshman from Stillwater, the song fest will be the opening gun of the 1959 Commencement Activities.

Barbara Nelson, in charge of the event, is asking all campus organizations to enter a group in the contest. To enter their group, organization leaders must sign up on posters provided in South Hall. Rehearsal will be held two hours before the song fest, at 5:30 p.m.

The song fest is sponsored by the freshman class, with the committee composed of all the candidates of the recent freshman class elections. Publicity chairwoman is Dianne Dvorak, and Ted Hughes is in charge of the mechanical arrangements.

Judges will be brought in from out of town. Last year's winner was a group of A.C.E.I. members. The name of the winning organization will be engraved on a trophy exhibited in North Hall.

The song fest, being in the peaceful hours of the evening, will be an excellent and pleasant opportunity to settle your supper, and a large turnout for this event will surely add to its success. Bleachers will be provided for the audience.

Following the song fest, an all-school dance will be held in South Hall. Sherri Brinkman, in charge of the plans, has arranged to have the women's gym and the corridors open for dancing. Music will be provided by the College Combo, and an admission of 25c per person will be charged.

RE Seniors Purchase Microfilm for College

A collection of microfilm abstracts on doctoral dissertations has been purchased for the college library by the 1959 senior class.

The collection is Volume VI which includes dissertations from 1938 to the present. The price of the collection totals \$105. The remainder of the money donated by the senior class, amounting close to \$200, will be allocated to departments for the purchase of additional research materials.

CAMPUS CALENDAR

- Monday, May 18
 - 7 p.m., All Campus Songfest, North Hall Lawn,
 - 8:30 p.m., All College Dance, South Hall.
- Tuesday, May 19
 - 11:30 a.m., Polio Injections, Social Room.
 - 1 p.m., Baseball Doubleheader, Mankato, Here.
 - 6:15 p.m., A.W.S. Senior Women's Supper, Glen Park Lodge.
- Wednesday, May 20
 - 11:30 a.m., Polio Injections, Social Room.
 - 10 a.m., Recognitions Day Convocation, North Hall Auditorium.
- Thursday, May 21
 - 2 p.m., Convocation, Youri Filippov, North Hall Auditorium.
 - 10 a.m., Student Advisory Council, 127S.
- Friday, May 22
 - 8 p.m., Social Committee Evening of Music, North Hall Auditorium.
- Saturday, May 23
 - Baseball Play-off, Southern Division, at Champions Home Field.
- Monday, May 25
 - State Conference Golf Meet, Green Lake.
 - 4 p.m., Faculty Women's Tea for Senior Women, Mrs. Kleinpell's home.
 - 4 p.m., Faculty Men's Smoker for Senior Men, Stratton Hall.

AN ARCHITECT'S SKETCH shows the agriculture pavilion which will be one of the buildings on the new college farm. Construction on the project will start this week.

NEW FARM —

(Continued from page one)
Installation of barn equipment will be by the Clay Equipment Corporation at a cost of \$5,277, and of swine equipment by the Consolidated Lumber Company of River Falls, which sells Star-line Equipment, at a cost of \$2,607.69. Two silos will be constructed by the Madison Silo Company at a cost of \$3,693.40.

Contracts for plumbing and the installation of milking equipment are still to be let.

The construction schedule calls for completion of the silos by Sept. 1, and of the hay storage buildings by July 1. Dr. Delorit expects to have everything moved to the new farm by Nov. 15.

Planning of the farm was started in 1953. Existing farm buildings, with the exception of the corn cribs and the brooder house which will be moved to the new location will be sold and moved or dismantled. A house which was moved from the location where the new men's dormitory is being built, has been moved to the location and will be the residence of the farm manager.

TRADITIONS DAY —

(Continued from page one)
tendorp; mathematics, Dr. Lillian Gough; music, Dr. William Abbott; physics, Earl Albert; publications, Wayne Wolfe; Who's Who, Dr. Nancy Knaak; Kolberg Award and Belfiori Award, Mr. Palsfoot; and American Legion Award, LeRoy Veith.

The presentation of a trophy to the winner of the All-School Song Fest will be made by Carol Jennings.

SENATE ELECTIONS —

(Continued from page one)
Thompson and Chuck Norelius is the senior class president.

Schlumpf Skone

Other students who ran for the senate seats were William Finlan, Ted Hughes, Carol Korsmo, Gene Miller, Tom Motley and Robert Nelson.

The proposed senate amendments were accepted by a 416 to 45 margin. Less than 50% of the student body voted.

Carolyn Brown Is New Editor Of 'Prologue'

Warren Rogers, editor of *The Student Voice*, has selected Carolyn Brown, a senior from Somerset majoring in English, as Editor of *The Prologue* for the 1959-60 school year.

Miss Brown will succeed William Finlan, a junior from Escanaba, Michigan majoring in biology. He has been editor during the past year and will work in the capacity of associate editor next year.

Miss Brown has contributed many articles and poems to the magazine during the past three years. Included in her contributions is a poem, "Wasted Moments", which will appear in this spring's issue of *The Prologue* to be distributed Monday, May 25.

U of Minn. Accepts Four Pre-Vet Students

Four River Falls pre-veterinary students who applied for entrance to the School of Veterinary Medicine at the University of Minnesota have all been accepted, it was announced last week.

The four are James Dougherty, sophomore from Ettrick; Richard Faulkner, sophomore from Woodruff; Larry Hei, junior from Plum City, and Donovan Pihlaja, sophomore from Maple.

Enrollment, especially for out-of-state students, is limited in the School of Veterinary Medicine and it is most unusual for as many as four students from a single college to be admitted, according to Dr. Virginia Akins, advisor to students in the pre-veterinary curriculum.

Liberal Arts Placement Committee Votes College Into Midwest Bureau

A decision to have the College join the Midwest Placement Bureau and schedule a series of fall meetings for Liberal Arts seniors was made at a meeting Wednesday evening of the "Committee on Liberal Arts Placement."

In an attempt to improve the placement of Liberal Arts graduates, the Committee met with Dr. L. G. Stone, Director of the Placement Bureau; Dr. Nancy Knaak, Associate Dean of Students, and Dr. Gilbert Smith of the economics department.

The committee included representatives from the Economics Club, Math Club, Chemistry Club, Psychology Club, Agrifallians, and the social science department.

Dr. Stone opened the discussion by explaining the present methods of placement for education graduates and for Liberal Arts graduates. He expressed the idea that more cooperation is needed between the Arts graduates, the department heads and the placement bureau.

Since the installation of a Liberal Arts placement program two years ago there has been little interest shown by the graduates. Of this year's fifty Liberal Arts graduates, five (two biology majors and three mathematics majors) have joined the placement bureau. The first step in increasing the Arts placement program is enrolling in the bureau.

Club representatives presented information on other placement systems and what they thought the Placement Bureau could do to improve its service.

Wisconsin Education FORWARD

There is \$200,000 awaiting high school seniors who plan to enroll in a Wisconsin state college next fall.

Each of 17,000 high school graduates, from the upper ranking half, is eligible to reach for a \$117 handout. Last year 860 Wisconsin seniors took \$100,000 from the fund which is replenished and available again this spring.

Most of the money goes automatically to the 1,000 top-ranking graduates of the state's 500 public and private high schools. The valedictorian of a high school with less than 250 enrolled gets a state college scholarship of \$117 to pay college fees. Both the valedictorian and salutatorian of high schools from 250 to 750 in size are granted scholarships. And three are available to the top three graduates of schools enrolling more than 750.

When a graduate does not plan to enroll at a state college, the next in line becomes eligible for the scholarship.

Another 683 graduates this spring, not at the top but in the upper half, will get the same \$117 scholarship by proving that they need the money to go to college and that they have leadership potential. The college president decides who shall get these scholarships from the applications he receives. He is limited in the number he may grant.

Funds for the scholarships are approved by the legislature in an effort to attract capable young Wisconsin men and women to college.

The \$200,000 fund is fenced in by scholarship requirements but the gate swings easily to the touch of the high ranking Wisconsin graduate.

Harvey Rice to Speak At Graduation May 31

The largest graduating class in the history of the college will receive degrees this year. Taking part in the June Commencement will be 231 graduates compared to 173 last year.

For Mor Quartet, Nygaards to Star In May 22 Show

by Gary Madson

The Nygaards, a teenage brother and sister team from Minneapolis, will share the spotlight with the fabulous For Mor quartet in a program of music Friday, May 22, in North Hall Auditorium, at 8 p. m.

Tommy and LuAnn Nygaard will be remembered by the R. F. student body for their appearance at last year's Vet's Club Variety show. Tommy is an accomplished trumpet player and has been hailed by some as a "youthful version of Harry James". Tommy's

Included in the graduating class will be 52 seniors in elementary education, 64 in secondary education, 58 in agriculture and 57 in liberal arts. Of those in liberal arts, 50 will receive the B.S. degree and seven will receive the B. A. degree.

Harvey M. Rice, president of Macalester College in St. Paul, Minn., will be the principal speaker at the Commencement exercises Sunday, May 31.

Mr. Rice received his A. B. degree from Concord College, Athens, W. Va., in 1921. He received his M. A. from West Virginia University and his Ph. D. from Ohio State University.

He has taught at Athens (W. Va.) High School, Spanishburg, (W.Va.) High School, Ohio State University, and New York State College for Teachers. Before coming to Macalester, he served as president at State Teachers College, Oswego, New York, and State University College for Teachers at Buffalo, New York.

sister, LuAnn, accompanies him with her accordion. The Nygaards have been exposed to the professional music world since birth, due to the fact that their father is the leader of Nygaard's Nite-hawks; a Twin Cities dance band.

The For Mor quartet from Madison, which appeared on campus last year with the carnival of harmony, will alternate spots on the Friday night show. This group which has been together for 12 years, received their first break into the professional ranks as a fill-in for The Cardinals, a well known barbersop quartet. The For Mor were to sing in Menomonee, Michigan, as a replacement for the Cardinals, but due to a blizzard they arrived as the show was closing; began to sing and held the audience in their seats until 3 a.m.

The quartet is composed of Don Ring, Harry Nesberg, Tod Davidson, who does nothing but imitate a base violin, and Kenny Davidson, "the biggest bragger in the quartet world", who sings lead. Some of their most requested numbers are "Umbrella Man," "Lazy River", "Bless You" and "If I didn't Care."

The evening entertainment is being sponsored by the Social Committee for the student body free of charge.

Campus Kappa Delta Fetes New Members At Annual Banquet

Twenty-eight juniors and seniors will be initiated into the Eta Lambda Chapter of Kappa Delta Pi at the annual banquet Thursday at 6 p.m. in Glen Park Lodge.

To be eligible for membership in this national honor society, students must be registered in the education curriculum, possess senior college status and maintain a grade-point average of 3.0 or better.

Accepting membership Thursday will be Jane Aide, Delores Anderson, Alma Bents, La Verna Brown, Ellen Cooke, Jack Dodge, Merlin Fawcett, William Finlan, Nancy Ingwell, Iola Johnson, Judith Johnson, Karen Johnson, Neal Jorgenson, Carol Korsmo, Curt Larson, Jane McKinley, Verna Neumann, Charles Norelius, Manley Olson, June Orne, Patty Ross, Gwen Schlough, James Schlough, Richard Smith, John Staiger, Hilda Stein, Janeth Taylor and Mildred Veenendall.

Guest speaker will be Richard Cooklock, head librarian at the college, who will discuss implications of the lack of reading interest in our society. His topic is titled "Why Read? It's Un-fashionable."

Other guests will include faculty members who were Kappa Delta Pi members in their college days, or have been made honorary members of Eta Lambda Chapter.

Pagemen Split Twin Bill

by Rock Hanson

River Falls' baseball team, still unable to notch a muchneeded double win in conference play, gained a split with the Superior Yellowjackets last Tuesday.

Charlie Johnson started the first game and gained the victory, despite some shaky fielding behind him. Superior opened the game with a single run in the first inning. But the lead didn't last long.

River Falls put together one of the biggest scoring outbursts of the entire campaign in the second inning. Teska led off with a single. Johnson, Rhode and Turnquist then followed with consecutive singles thus shelling starter Hawley from the mound. Benson came in only to be greeted by a two-run double by Frank Gombold. Two errors and a pair of walks resulted in the Falcons scoring seven runs.

Superior scored three runs in the third on two hits and four Falcon miscues. They added another run in the fourth on two more hits and two more RF errors. A triple and a wild pitch netted another in the fifth.

The summaries:

	R	H	E
River Falls	7	7	7
Superior	6	6	4

Rhode, Peper Pace Falcons' Batting Corps

Gary Rhode, hard-hitting reserve outfielder, and Dick Peper, handyman who played five different positions for the Falcons this spring led RF hitters last

Rhode Peper
week. Rhode blasted out twin hits against Superior while driving in four runs and Peper collected the only two hits River Falls got in the second Stout game Saturday.

Second Game

by Rock Hanson

The second game followed the same pattern as the first in that both teams were characterized by shakiness in the field. Superior managed to eke out a 7-6 margin, however.

The yellowjackets again started off by scoring in the initial frame and were immediately tied by the Falcons in the top of the second. In the third inning, River Falls came to life. Two walks coupled with singles by John Gregorich, Gary Rhode, and Mick Lauber produced three after two men were out.

The Falcons added what seemed to be some insurance runs in the fourth when Rog Piehl singled following two errors by the Yellowjackets' infield sandwiched in between a pair of passes. The Falcons closed the inning with a seemingly comfortable 6-3 margin.

The picture changed however in the fourth when the home team capitalized on two wild pitches from the Falcon hurler, a pair of errors, a walk, a single, and booming triple. After the smoke had cleared the 'Jackets had tied it at 6-6 and the stage was set for the final climatic innings.

In the hectic fifth, Superior loaded the bases with the help of a walk and an error. Bill Freeman then picked the runner off first and the man on third dashed for home only to be cut down by Lauber's throw to Piehl. The next man blooped a single over the infield however, and the game was history, the losing 7-6.

Again in both contests, the Falcons seemed to have the jitters afield granting extra bases on mental errors and just being too charitable overall.

Falcon hopes are now rather dim as they sport a 3-3 record while LaCrosse has the top spot with a 5-1 mark. A double win over LaCrosse by Eau Claire and the same margin for the Falcons over Stout (see results elsewhere on this page) will leave the Falcons in a three-way tie for first.

Next action for RF will be a doubleheader with Mankato here Tuesday. The final play of the season is scheduled to begin at 2:00 at Ramer Field.

Mankato Cops Bi-state Track Meet Huser Sets Mark As RF Ends Fourth

by Dick Enstad

Mankato State put on an awesome display of power Saturday to win the Bi-State track meet at Winona. River Falls State finished fourth in a field of five teams.

The Indians grabbed first place honors in no less than ten events to amass a total of 120 points. Winona State finished second with 47, followed by St. Cloud with 25½, River Falls 23½, Eau Claire 0.

Fran Polsfoot's squad failed to win a single first place and only one second. This went to Hayward's Frank Sprenger who ran the 100 yard dash in 10.1.

So spectacular were the Indians that Falcon sprinter Rog Huser set a new school record in the 440 yard dash only to finish fourth.

Other Falcon point-getters were Fred Coleman a third in both the 880 and mile, Dan Teetzen a fourth in the two mile, Del Mottaz a tie for third in the pole vault and fifth in the javelin, and Ron Durand a fifth place tie in the pole vault. The River Falls relay team finished third.

First place winners are as follows:

- Mile run — Middlestad (M); 4:30.7
- 440 yard dash — Glazier (W); 51.1
- 100 yard dash — Ryme (SC); 10.0
- Pole vault — Maren (W), and Mracek (M); 11'6"
- High hurdles — Hansen (M); 15.4
- 880 yard run — Nelson (M); 1:55.3
- 220 yard dash — Falk (M); 22.6
- Shot put — Peterson (M); 49'
- High jump — Iverson (W);
- Broad jump — Rouse (W); 20'11½"
- Two mile run — Middelstadt (M); 9:58.9
- Low hurdles — Weed (M); 25.0
- Discus — Sullivan (M); 137'8"
- Relay — Mankato; 3:25.8
- Javelin — Near (M); 175'11"

A TOUCH of old France has been added to River Falls curriculum. Lloyd Danke and Merlyn Jones (front row) and Norm Hanson and Ron William (back row) demonstrate fundamentals of fencing. (Photo by Blegen)

Out on a Limb —

by Ed Schlumpf

Golf
Golf is a form of work made expensive enough for a man to enjoy it. It is physical and mental exertion made attractive by the fact that you have to dress for it in a \$200,000 clubhouse.

Golf is what letter-carrying, ditch-digging, and carpet-beating would be if those tasks had to be performed on the same hot afternoon in shorts and colored socks by gouty-looking gentlemen who required a different implement for every mood.

Golf is the simplest looking game in the world when you take it up, and the toughest looking after you have been at it ten or twelve years.

It is probably the only known game a man can play as long as a quarter of a century and then discover that it was too deep for him in the first place.

The game is played on carefully selected grass with little white balls and as many clubs as the player can afford. These little balls cost from 75 cents to \$25 and it is possible to support a family of ten people (all adults) for five months on the money represented by the balls lost by some golfers in a single afternoon.

A golf course has 18 holes, 17 of which are unnecessary and put

in to make the game harder.

A "hole" is a tin cup in the center of a "green." A "green" is a small parcel of grass costing about \$1.98 a blade and usually located between a brook and a couple of apple trees, or a lot of "unfinished excavation."

The idea is to get the golf ball from a given point into each of the 18 cups in the fewest strokes and greatest number of words.

The ball must not be thrown, pushed or carried. It must be propelled by about \$200 worth of curious looking implements, especially designed to provoke the owner.

Each implement has a specific purpose and ultimately some golfers get to know what that purpose is. They are the exceptions.

After each hole has been completed the golfer counts his strokes. Then he subtracts six and says, "Made that in five. That's one above par. Shall we play for fifty cents on the next hole, too, Ed?"

After the final, or eighteenth hole, the golfer adds up his score and stops when he has reached 87. He then has a swim, a pint of gin, sings "Sweet Adeline" with six other liars and calls it the end of a perfect day.

For real, down-to-earth smoking enjoyment, there's nothing else like Camel. No other cigarette brings you the rich flavor and easy-going mildness of Camel's costly blend. More people smoke Camels than any other cigarette of any kind. Today as always, the best tobacco makes the best smoke.

Rise above fads and fancy stuff...

Have a real cigarette — have a CAMEL

"Only time he comes down is when he wants a Camel!"

R. J. Reynolds Tob. Co., Winston-Salem, N. C.

Baseball Team Drops Doubleheader As Stout Yields Three Hits

The River Falls baseball team squad closed its conference campaign on a rather dismal note Saturday dropping both ends of a twin-bill to Stout at Wakanda Park in Menomonie. Bluedevil hurlers had things all their own way doling out one miserly hit in the opener and limiting RF to only two in the nitecap.

Denny Chase had a no-hitter going for six innings in the first game. In the seventh he got the first man, Duane Teska, on a fly-out but an error and a pair of

walks left him in a jam. Bill Halverson then spoiled the stylish righthander's bid for a no-hitter by singling home the Falcon's only two runs.

Meanwhile the Bluedevils had been hitting Charlie Johnson pretty hard. Wayne Hejny paced the onslaught with 3 for 4 and Dean Abbott and Pat Roach both collected 2 for 4. Johnson struck out five while Chase only fanned two. Johnson only issued three walks and Chase had five. But Stout finished with 11 hits off Johnson and a comfortable 8-2 victory.

FALCON GOLFERS BOW TO SHARPSHOOTING CARLETON LINKSTERS

The Falcon linksters traveled to Carlton Monday, May 11, to be handed their seventh loss in seventeen matches.

Jim Hallen was the only Falcon to score as he shot a 75 to gain the only 2½ points his team was to get. The Carls bested the remaining four Falcons, Barrows, Ryan, Stern, and Derleth to collect a total of 15½ points and easily take the match.

The Falcons will meet Stout on Tuesday, May 19 and not on Saturday as was previously scheduled.

On Monday, May 25, the River Falls team will travel to Green Lake for the conference meet which is their last engagement.

The second game followed much the same pattern as the first in that River Falls had trouble getting any hits. They didn't get many runs either and lost 8-0. Dick Peper greeted Denny Hafeman with a single right of the bat in the first frame. But that one and his single in the fourth were the only ones RF got.

Hafeman whiffed eight Falcons in his seven-inning stint and had plenty of help from his mates who bombarded Mick Lauber for 10 hits. Stout erupted for six runs in the sixth on four hits, two errors, and a walk. Combined with a single run in the third and a single run in the seventh, the big inning produced a 8-0 margin and that's the way it ended.

Hejny again collected three hits and finished the day with a brilliant 6 for 8. Stan Hilgendorf also banged out three base knocks in the nitecap.

Eight More Students Sign For Teaching Positions

The Placement Bureau has reported that eight more students have signed contracts to teach next fall.

Mountain Marlett

James Mountain, senior from East Ellsworth, will teach chemistry and biology in the Los Angeles, California, school system. Mr. Mountain has a major in biology and minors in chemistry and economics.

Meulemans Schmid

Mary Marlett, two-year graduate from New Richmond, will teach at Star Prairie next fall.

Teaching music at Edgar will be Richard Meulemans. Mr. Meulemans is from Downing and has a major in music with a minor in art.

Braker Lein

David Schmid, senior from Chilton, has signed a contract to teach science at Cadott. Mr. Schmid has a mathematics and physics major and a chemistry minor.

George Pederson Wins FFA Tractor Contest

George Pederson, senior from Cumberland, was awarded first place prize of \$10 at the annual F.F.A. Tractor Driving Contest held on the college farm last Tuesday May 12. Roger Baumgarten, freshman from Tomah, won the \$7 second prize, and Gary Solum, senior from, Deer Park, won the third place prize of \$5. Those who participated in the event were judged on their ability to maneuver their tractors through various farm practices.

MAXINE HEXUM, freshman from Cameron, and John Doyle, freshman from Bruce, go through the Grand March tunnel at the Junior Prom held Saturday night. (Photo by Hammann)

Janice Braker will teach seventh and eighth grades in Prescott. Miss Braker, who has upper elementary major and a library science minor, is from Alma Center.

Also teaching seventh and eighth grades at Prescott will be Ronald Lein, an upper elementary major from Hudson. Mr. Lein also has a minor in history.

A graduating senior from Grantsburg, Marilyn Hedlund, will be teaching physical education in

Hedlund Parnell

the Rice Lake school system. Miss Hedlund has a biology major with physical education and health minors.

Wilford Parnell has signed a contract to teach in Kenosha next year. Mr. Parnell, who has a mathematics major and chemistry and physics minors, is from Somerset.

Iranian Student Contributes Book

Hamid Kharrizi, senior from Iran, has presented the English Department with a personal copy of "The Rubaiyat of Omar Khayyam." It was sent to Mr. Kharrizi by his parents in Tehram, Iran. The book is written in five languages: German, English, Arabic, Persian, and French. Reproductions of miniature colored paintings opposite the context offer an exciting feature. The original paintings, done on ivory, are preserved in an Iranian museum.

Library Donation Buys Doll Books

The Children's Library has received a donation in memory of Margaret McLaughlin announced Clifford Fortin, librarian. Because dolls are something that every child comes in contact with during his life, the money was used to purchase about 25 books on dolls.

The books are on display in the library now. Included among the titles are *History of Dolls*, *How to Make Doll Puppets*, and *Dolls from Foreign Countries*.

Clifford Fortin, Richard Cooklock, Dr. Stone, Nancy Johnson, and Mrs. Mary McLaughlin worked on the book purchasing committee.

FROSH ENROLLMENT AT RECORD HIGH IN WIS. COLLEGES

The Wisconsin state colleges reported this month that 1,573 freshmen have already enrolled for September. The "early birds" are signing up for college at a rate 18 per cent higher than a year ago, according to the college admissions directors.

At every college the April freshman admission are higher than last year when the colleges had a record high fall freshman enrollment of 5,252.

The biggest advantage of registering early is the assurance that a dormitory room will be available. The colleges have space for 4,000 students in dormitories and on most campuses the space is gone before classes begin in the fall.

"Every college has room in the dormitory today," says College Director Eugene R. McPhee. Tomorrow, next week, or next month this may not be so."

Last year the college dormitory for girls at Whitewater was filled early in April. Most of the other college dormitories were filled during the summer with a waiting list of students ready to take any room not occupied at the last minute.

Five new dormitories will be ready in the fall of 1960 to house 1,000 more students but that will be of no help to 1959 high school graduates this fall.

BURTON, BERGSTRAND GET ASSISTANTSHIPS FOR FURTHER STUDY

James Burton, who will be graduated in June with majors in chemistry and mathematics, has been awarded a teaching assistantship in chemistry at the University of Iowa in Iowa City for the coming school year.

Mr. Burton, from Hudson, will receive the B. S. degree in liberal arts at River Falls. The assistantship carries a stipend of \$2,000 for the school year with an opportunity for summer research with additional salary. He plans to major in analytical chemistry with a possible minor in inorganic chemistry.

Jay Bergstrand, senior from Amery, has received a Wildlife Research Assistantship and will attend Southern Illinois University in the fall to work on his Masters Degree in zoology. Mr. Bergstrand has a major in biology with a minor in chemistry.

Miss Sylvia Fleming Speaks to Psych Class

Miss Sylvia Fleming, of the philosophy department, addressed the students of the Readings in Psychology course. Miss Fleming gave the Psychology majors and minors insights on the eclectic nature of the behavioral sciences in conjunction and relation to the underlying tenets of philosophy. The interchanges of the group and Miss Fleming revolved around existentialism, dialectic materialism, phenomenology, pragmatism, and naturalism.

RF to Host Conference

River Falls will be the host for the Third Annual Wisconsin College Publications Association Conference next year. It will be similar to the conference held May 1 in Menomonie. Stout State College will conduct the newspaper and yearbook contest.

Eau Claire State College's "Spectator" placed first in this year's newspaper contest. Other colleges were: Stout, River Falls, Superior, and Stevens Point.

State Department Sets Up Foreign Service Tests

The United States Department of State will hold its next written Foreign Service Examination on December 5, 1959 in approximately 65 centers throughout the United States. In announcing the examination the Department is seeking to interest undergraduate and graduate students who have studied in such fields as economics, public and business administration, language and area studies, history and political science.

To be eligible to take this examination, candidates must be at least 21 and under 32 years of age as of October 19, 1959. Persons 20 years of age may also apply if a college graduate or a senior in college. They must be American citizens of at least 9 years standing.

Candidates who pass the one-day written examination, which tests their English expression, general ability and background, will later be given oral examinations by panels meeting in regional centers. Fluency in a language, while not an examination requirement, must be attained before an officer can advance in the Service.

Those candidates who pass the oral test will be given a physical examination and a background

investigation. If found qualified in all respects, candidates will be placed on a register and appointments will be made as needed, in the order of test scores.

A newly appointed Foreign Service Officer may serve his first tour of duty in the Department's headquarters in Washington, D.C., or at one of the 286 American Embassies, Legations, and Consulates abroad. The new officer may be assigned to several functions to give him varied training and experience in consular work, in administrative assignments, including ones in the accounting and management fields, and in political, economic, international finance and commercial reporting.

The starting salary for the officers ranges from \$5,225 to \$5,885 per year, depending on the qualifications, experience, marital status, and age at the time of appointment. Certain allowances, plus insurance, medical, educational and retirement benefits are granted, as well as annual and sick leave.

Application forms and other information may be obtained by writing to the Board of Examiners for the Foreign Service, Department of State, Washington 25, D.C. The closing date for filing the application is October 19, 1959.

EMPLOYMENT OPPORTUNITIES!

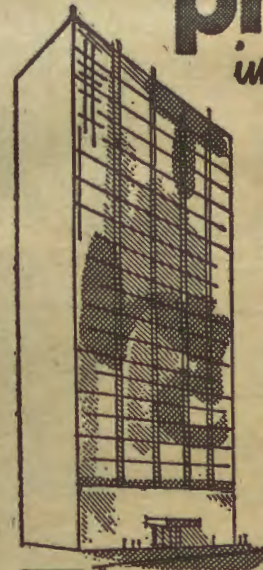

Congratulations graduate! The big day is almost here when you close those books and start to use all the knowledge and skill you've been "collecting" these past few years.

Naturally you're eager to find a promising beginning in your chosen field. Perhaps you've already been interviewed by employment recruiters sent to your school by large industries. You've no doubt applied to some of the major companies in your area. But, have you investigated the excellent career possibilities being offered by the hundreds of medium and small size concerns? To personally make the rounds of these smaller but equally progressive businesses would be a very costly endeavor in both your time and money.

There is, however, an efficient and selective method of checking openings in these firms... through the services of a nationally recognized employment service. Here at Walker we have a selection of job listings from all fields... sales, technical, advertising, merchandising and administrative. Our listings include promising positions for women as well as men. It costs you nothing to investigate these opportunities... there is no charge unless we place you. We would like to assist you in locating your employment opportunities! Why not write or drop in and see us.
