## Homecoming Game To Be Battle Royal

### Team Beats Soldiers In Practice Tilt

#### Fort Snelling Makes Better Showing Than Year Ago

In a real practice tilt River Falls Normal downed the Fort Snelling eleven here Friday, twenty-one to nothing. The game kept the crowd on edge till the last half, when our fellows found themselves and started tearing through the heavy artillery of the Army squad. The soldiers put up a good battle throughout the first half. They came onto the field apparently fresh and determined to march through enemy territory, and they succeeded in holding our fellows on even terms. Our forces did not start the fight with their regular field strength, which was apparent on the first few plays. As the fellows had not played together regularly, teamwork was quite lacking, and it took a few minutes to get organized. Gibson and Miller were at the ends and O'Malley and Buckholtz started in the backfield. They all had difficulty in getting started; Buckholtz appeared for the first time in a Normal game and incidentally in a new position, and naturally found difficulty at his new berth. Franks' position is at end.

### DEBATE SQUAD ASPIRANTS BEGIN PREPARATIONS FOR TRYOUTS

Mr. Mitchell tells us that up to the present, only twelve people have started preparations for the try-outs for the five open places on the debate squad. These twelve include William Williams, Rollie Williams, Reynold Jensen, John Burke, Walter Lawrence, Wayne Taylor, Frances Lethlean, Donald Brownson, Philip Kelly, Sidney Scoville, Mildred Ingalls, Marshall Peterson, and Walter Dunbar. Mr. Mitchell would like to

### HOMECOMING PROGRAM

Red-letter events of our homecoming this year are the following:

Friday evening there will be a big mass-meeting, followed by a torch-light parade. If you want a real torch, bind a couple of gunnysacks on the end of a broomstick with wire, and set the torch to soak in kerosene. The longer it soaks, the better it will be.

The first thing on the program Saturday morning is the big parade.

(Continued on page eight)

### G. A. A. BENEFIT MOVIE IS VERY SATISFACTORY

The G. A. A. benefit movie "Richard the Lion-Hearted," which was shown in the auditorium last Friday evening was a big success in every way. Those who saw it felt more than satisfied with the movie; while the G. A. A. is highly pleased with the amount of money they took in.

These benefit movies are a mighty fine way of raising money for school purposes, as it is possible to put on a high class offering at current prices and still make a big profit.

Fellows, get a stiff upper lip and ask the girl who parks next to you in the library for a date for the Homecoming Ball. Remember, all the girls want to go, and you can't stag it; so buck up and do your stuff.

### Will Be Practically A State Championship Game

#### Several Hundred Alumni Will Be On Sidelines

With our game with Eau Claire here Saturday, River Falls Normal will face what will probably be its hardest game this season, according to the dope thus far. Eau Claire has defeated both of the conference teams we have yet to meet. Two weeks ago they upset Superior by a 17-7 score, and last Saturday they downed Stevens Point 20-0, making all their scores in the first half. We have beaten Stout which in turn has also defeated Stevens Point early in the season. Last Saturday Superior came back again, and sent Stout home on the short end of a 28-0 score. Last Friday River Falls scored 21-0 over Fort Snelling, and three weeks ago Eau Claire beat them 14-0. Consequently, the game Saturday should be a battle from start to finish. Inasmuch as both teams are tied for first place, and barring a tie, one is doomed to be upset, this game is going to be upset.

### G. O. P. PREPARE PLACE FOR GRADS TO TALK IN COMFORT

The G. O. P., working in cooperation with the reception committee of the graduate Senior Class, is preparing a comfortable room in South Hall where alumni can visit with old friends with some degree of ease. This room will open immediately after the game, and will not close until just before the dance in the evening. The Eau Claire team and rooters have also been extended an invitation to make themselves at home in this rest room.

We feel personally that the alumni should have been given the freedom of the library instead, as that is where they did most of their conversing when they were here.

# Organizations

## RURAL LIFE CLUB

The program last Thursday evening consisted of:

- Piano Solo—Marie Kisner
- Current Topic—Margaret Prosser
- Violin Solo—Evelyn Moen
- Educational Topic—Mr. Christian-son
- Reading—Mary Falstead
- Parliamentary Practice.

## AURELIA

A Hallowe'en program featured the Aurelia meeting last Thursday evening. The spooky program consisted of:

- 1. A Poe Story—Frances Squares
- 2. "When de Folks is Gone"—Isabelle Hart
- 3. Hallowe'en Pantomime—Helen Mooney, Maeta Hanson, Christine Larson, Margaret Hanley
- 4. Gruesome Tale—Amy Fuller.

## AGRIFALLIAN

The Ag. program for tomorrow night is as follows:

- Cornet music
- Debate—"An Important Question of the Day," by Hagg, Owen, Hooch, Krueger.

Talk—Prof. Walter Davison.

We are especially interested in getting all the new Ag. students to join up with the organization. Come out, fellows, and see what we are offering.

## Y. M. C. A.

The financial drive put on by our organization last week was surely a success. Every committee took hold of the work in a most creditable manner. The winning committee will be treated to a feed at Professor Jacobson's. The winner will be announced next week.

Mr. Mitchell gave us a very interesting talk at our meeting on October 21.

Mr. Goble spoke to us on Tuesday evening, October 28. His subject was, "Are we as professing Christians better than those who do not profess to be?"

Mr. Davison will speak on "Law Enforcement" at our November 4th meeting. The quartet is preparing some special music for that meeting.

## G. O. P.

The new G. O. P. members would feel right at home in a chain gang since the night of the initiation after walking a mile in lock-step formation to the top of the mound.

The only thing lacking in the meeting on the mound to make it a real K. K. K. meeting was the fiery cross.

The old members believe in sweets for the sweet, so the new members are to be well supplied with home-made candy this week with which to treat the old members.

This year we hope to make the aim of the organization higher and more beneficial to the members themselves.

## LINCOLNIAN

It was decided several years ago that only those students possessing an unlimited reserve of endurance and courage were fit to become members of the Lincolnian; for a man must often have lots of endurance and a strong will to keep from committing murder during some of the

heated debates that take place in our business meetings. The initiation held in the basement of North Hall last Thursday evening was designed to test these qualities in the new members. Among the ordeals that they had to pass were electrocution, jumping on tacks with bare feet, and allowing the Lincolnian symbol to be burnt onto their backs with a redhot iron. The fact that practically all passed every test may be taken as indicative of the kind of an organization we are going to have this year.

# This and that

Marion Simonson was in St. Paul Saturday.

Joyce Wiberg spent the week-end in Red Wing.

Frances Squires spent the week-end in Hastings.

Mildred Randall spent Wednesday afternoon in the City.

Violet Bates spent Saturday and Sunday in St. Paul.

Avery Ames and Litha Gregor "bummed" in St. Paul Saturday.

Attractions in River Falls kept Lucile Johnson here over the week-end.

Everett Smith visited St. Paul, New Richmond, and Hudson last week-end.

The Y. W. C. A. held a candy sale in the South Hall corridor Thursday after school.

The matinee dance at High School Thursday afternoon was again well attended by alumni.

Al. Hyatt, '22, Kerrick, Minn., drove home to attend his sister's wedding last week-end.

Beach Pearson sojourned in the cities over the week-end, drawing pretty pictures, as usual.

George Swenson is one of the little boys that like to swing over on the Training School Playground.

It will take the old gops about a month to reduce after eating the candy passed around by the new members.

Mr. Karges and Mr. Prucha went fishing at Amery last Saturday. Although neither had any luck, we are unable to state their alibi.

Quite a few students attended the Hallowe'en party given by the Episcopal church in the Gladstone Hotel last Friday evening.

It is quite evident that we fair ones shall be more accomplished in the art of asking and taking a man to a dance after further practice.

The girls who went on the G. A. A. hike last Saturday started out with one head, but returned with two—a cabbage head and a regular head.

At the G. O. P. initiation Annette Langton said she went with Harold Heggen because he gave her a kick. We all wondered why Harold limped so.

On entering the library, do not be surprised if you see members of the library methods class "running over the shelves" or "running up the shades" at the request of Miss Kimball.

Downey says he will shave off his tickler after he has his Meletean picture taken. We hope someone will lead him to the photographer soon.

Hen and Jennette Anderson, Donna Brown, Marie Lundy, Ursula Gauvin, Thelma Segerstrom, Helen Sutherland, and Sigrid Rasmussen gave a picnic supper in the park last Sunday evening in compliment of Gen. Stewart, who reached her sixteenth (!!!??) year on that day.

have at least four more people try-out.

These speakers will have about three weeks to prepare for the try-out, which promises to be a very closely contested affair. It may be necessary to hold the tryout in the assembly room to accomodate all of the admirers of Burke's fiery oratory, but Mr. Mitchell has not made any definite decision on this matter as yet.

but as our ends were well taken care of, coach Eggebecht the past week has been grooming this speed demon for a backfield position.

Fort Snelling kicked off defending the north goal, a brisk wind hampered punts and passes and made the attack on the south goal more difficult, thus giving the opposing forces an advantage. O'Malley returned twenty yards. The soldiers were on guard and did not yield much ground. Frequent fumbles aided them. Falls made two first downs, but these were nullified by penalties. The Army came through with two first downs. They were first to open the aerial attack and progressed quite successfully until Radmacher and Heggen were sent in near the end of the quarter to subdue the barrage. Heggen immediately threw them for a loss.

In the second quarter Quandt replaced Buckholtz. O'Malley and Mike made first downs and Maier tore off fifteen yards for another down. The attack was short lived as the Army fortified and held. Mike punted—a boomerang. The Army drive began to slow up. Charges were made at our line with no gain. Meanwhile the Army flanks began to succumb to our artillery. We had them backed to the wall where they were forced to punt. Our line charged through and blocked. They attempted another and again our line stormed through. After chasing it around back of the goal post a soldier finally fell on the ball, giving the Falls a safety and the army the ball on their thirty yard line when their big chief attempted a dropkick and nearly succeeded. Ingli got a pass to Mike for twenty-five yards but the half ended with the Falls storming the Army goal.

In the second half, Captain Smith outgeneraled the army captain and kept him on the defense. They showed a flash of new life at the outset with a thirty yard run around end. Thereafter the pass word was, "they shall not pass." Mike got away for forty yards, and then Maier took the ball over for a touchdown. Dawson relieved Mike. The soldiers opened an aerial attack, but this was soon quenched, Hageman and Ingli relieved Hardy and Laurenz. Nelson went in for Maier and grabbed a pass from Dawson. The next try a soldier grabbed.

Shortly after the start of the fourth quarter, with the Army backed to the goal line, Heggin broke through, blocked a punt and converted it into a touchdown. Ingli kicked goal. Jensen went in for Quandt. Fort Snelling kicked off and the Falls watched the ball percolate through. Ingli then got away with a beautiful punt. The Indian trailed it across the line and fell on it in front of Rady. Our fellows worked the ball down and Nelson grabbed a pass and scored the third touchdown. This was meat for the bench warmers. Dunbar, Brown, Fat Nelson, Begley, Miller, Gibson, and L. Smith went in and amused the soldiers the rest of the game. The soldiers were all real sports, and our fellows had a world of praise for their clean playing. Seldom is such a good feeling apparent after a football game.

FOOT BALL REVIEW

(Continued from page seven) after the one R. F. touchdown. The Northern Championship went to River Falls when a trip to Stevens Point resulted in a 0-0 tie.

Ramer Field was dedicated in 1920, and everything pointed to a big year. By virtue of winning over Superior and La Crosse, and playing a scoreless game with Stevens Point, the Northern Championship was at stake when River Falls met the Point on the Stout Field to decide the title. This is a red-letter day in many an old grad's memory—the battle extending even to the sidelines—it was a hot time all around and resulted in a 3-0 score for River Falls, Gurnoe's dropkick saving the day. Oshkosh won the State Championship 6-0, however, in the final quarter. A big year, '20.

1921 was a disastrous year, Stout, Oshkosh, Eau Claire all walked off with the bacon, but R. F. held Superior to a tie and defeated La Crosse 3-0 when Ted Whitenack kicked to victory.

The first Homecoming year in 1922 saw River Falls holding Eau Claire to a scoreless tie, winning from Stout 3-0, and La Crosse defeated 10-7. Defeats administered by Superior 12-0 and by Oshkosh, 3-0, shut out all hopes of a championship. Lipke was captain and Reinke Captain-elect.

In 1923, the team started the conference season with a 22-0 win over Stout, in which Rady made a 70-yd. run for a touchdown. The next week they trounced Platteville 13-0 at our Homecoming. Then came the Fort Snelling game, 41-0. The next game was a thriller; Quandt's touchdown in the last minute gave us a 7-3 win over Eau Claire. The last game of the season was that against Superior in which we took the small end of a 14-0 score.

1924—If a crystal was at hand, and we could gaze a while, we might be

able to write here the record of '24. But we haven't and we can't, so we can only hope. The team has made a fine showing so far, we have a great record behind us, a great school, and everything looks good. Here's hoping '24 can boast a State Championship team. Eau Claire must fall!

Here is a chance for all students with any originality to design comic floats and compete for prizes.

The next thing is the annual inter-class cross-country race. This will end up in front of South Hall at about 11:45. The following will probably compete: Juniors—Gluheison and Meyer, Seniors—Foster, Bracken, Biles, and Peterson, Grad. Seniors—Taylor and Smith.

The game in the afternoon needs no comment; all students have been thinking about it the past couple of weeks.

The G. O. P. will serve a luncheon at 5:30 in the Methodist church dining room.
