RIVER FALLS, WISCONSIN, WEDNESDAY, APRIL 7, 1937

NUMBER 22

## Activities of Y.M.C.A. Draw to Close; New Officers Will Be Installed April 19

"The Things That Count on the Campus" Will Be Topic of Address at Meeting

Mr. Don Dailey, executive secretary of the student YMCA at the University of Minnesota Farm School will address the meeting of the local "Y" next Monday evening at seven o'clock.

Mr. Dailey is a young man, having received his degree from the University in 1936. He was a very popular student at the university, and was active in campus affairs. He was also a prominent athlete, and he excelled as a wrestler. During his last year at the "U", he was president of the YWCA there. He is a clean-cut young man with a pleasing personality. He is a convincing speaker.

His topic will be "Things That Count on the Campus."

This is the last regular meeting of the "Y" this year, and it is hoped that everyone will attend.

### Banquet Will Be Held

On Monday, April 19, will be held the annual installation banquet at the Congregational Church. Tickets for this banquet will be for sale soon.

The annual election of new cabinet members and officers of the YMCA for next year was held in the physics laboratory on Monday night.

Robert Johnson, junior from Almena, was elected president for 1937-38. Mr. Johnson has been a member of the cabinet for one year during which time he has been very active in the program of the YMCA. He has had charge of the plays which the YMCA has sponsored during the year. He has also been active in other phases of the program.

### Cabinet Is Replenished

Six new members were also elected to the cabinet at this meeting. They are: Ralph Baker, Glenn Benson, Norman Christianson, Myron Johansen, Lawrence Knutson, and Frederick Whitmarsh. Those who are leaving the cabinet by graduation this year are: Rolf Ordal, Everett Compton, Stanley Morgan and LeRoy Alexander.

Besides holding the election, the program was evaluated by three speakers. Glenn Benson gave the point of view of a lay member of the organization. Louis Zahradka presented the point of view of one who had been on the cabinet in the past, while Leonard Hermanson discussed the program from the cabinet standpoint.

## Election of Officers Is Held by Y.W.C.A. Group

Election of officers for next year's YWCA cabinet was held Monday evening, April 5, in the social room.

The new officers are as follows: president, Olive Joos who succeeds Elizabeth Griffith; vice president, Mildred Pedersen who succeeds Adeline Larson; secretary, Lillie Ahlgren who succeeds Phyllis Soderstrom; and treasurer, Mildred LePage, who succeeds Lucile Spriggs.

These officers will appoint the remaining members of the new cabinet, making a total of twelve girls.

Following the election, Miss Haddow spoke on books for leisure reading. Each girl received a list of the suggested books upon which Miss Haddow based her remark.

### SPECIAL NOTICE

All members of the women's chorus for the first and second terms are requested to be present at Shepard's Studio at 5:10 Thursday afternoon.

## Musicale Will Be Assembly Feature

Previously Scheduled Program Will Be Given by Students Under Miss Wharton

A special musical program will be presented by a group of college students under Miss Wharton's direction at this week's regular assembly, Thursday at 9:50.

This program was scheduled at a previous date but was postponed because of the illness of some of the participants. Included on the program are selections by a quartet, sextets, and octets, and piano selections.

The program follows:

"Come to the Fair" ----- Martin  
Mixed Quartet

"Polonaise" ----- MacDowell  
Nancy Njos

"Dark Eyes" ---- Russian Folk Song

"River, River" -- Chilean Folk Song

Miss Hamlett, Miss Wharton

The members of the mixed quartet are Frona Nelson, Betty Larson, Maurice Shepard, Eugene Egan.

The members of the sextet are Frona Nelson, Avis Swanson, Gwen Fox, Esther Faltiesek, Ruth Ames, Joyce Alton.

## Dr. J. Owens Plans Vaudeville

Preliminary planning for the annual vaudeville has been begun by Dr. J. Henry Owens, who will have charge of this event again this year.

Fore-curtain acts to fill the gaps between the organization stunts will be an innovation to the program this year. In order to insure interest in producing these acts a prize will be given for the best fore-curtain act, either single or double.

Entrants may tap-dance, vocalize, juggle, do a comic skit, or present any other suitable performance of which Dr. Owens approves.

## Honor Roll Shows Four Per Cent Gain Over Autumn Term

Approximately Eleven Per Cent of College Students Make Winter Honor Roll

Forty-nine students, or approximately eleven per cent of the total enrollment made the honor roll for the second term. Ten of the 49 students have a straight "A" average. The list for the second term is as follows:

## River Falls Contestants To Enter Speech Contest

Two River Falls contestants will participate in the Upper Mississippi Provincial Speech Contest to be held at Luther College, Decorah, Iowa, on April 9 and 10.

Mr. Rolf W. Ordal will represent Wisconsin Delta, the local chapter of Pi Kappa Delta, in the men's extempore speaking division. The general topic for discussion in this field is "The Twilight of Democracy."

Miss Joyce Leonard will enter the play-reading division with the selection entitled "A Bill of Divorcement" by Clemence Dane.

Participation in this speech contest will mark the first time that River Falls delegates have attended the provincial speech contest since affiliation with Pi Kappa Delta, the national forensic fraternity.

Accompanied by Coach W. D. Wyman, the two Wisconsin Delta representatives will leave for Iowa on Thursday.

Merlin Miller

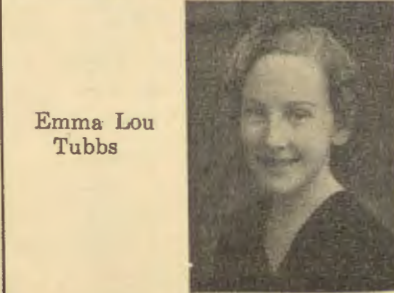

Merlin Miller, sophomore from Arcadia, passed away Sunday morning following an appendectomy at a Winona hospital. Mr. Miller leaves many friends on the campus who extend their sympathy to the bereaved family.

## Apprentices Enter Masquer Society

Apprentices Serve Trial Period for Two Terms; Board of Admissions Judged

The Masquers formally initiated 16 apprentices into the society Thursday, April 1. These people served a period of apprenticeship which extended over the first two terms of this school year.

This year the Masquers inaugurated this apprentice system as a more efficient, fair method of selecting members. The apprentice group was composed of 27 members. They performed the duties of regular Masquers. After serving their trial period, the Masquers Board of Admissions judged the apprentices on ability, willingness to cooperate, sense of responsibility, and versatility. Sixteen people were selected as members, while the remaining 11 will continue to serve as apprentices. In all probability these apprentices will become members of Masquers next fall.

The 16 new members are Lenore Anderson, Harriet Campbell, William Carlson, Alfred Chelgren, Vern Dahl, Lucile Evans, Olive Flathe, Betty Jane Hogue, Olive Joos, Adeline Larson, John Lowe, Cyril Lyons, Jack Osborne, Arnold Rhiel, Avis Swanson, and Lucile Spriggs.

The initiation ceremony was followed by dancing in the gymnasium and refreshments. The Arrangements committee consisted of Ruth Gullick, chairman, Adeline Larson, and Betty Larson.

### Operetta To Be Presented

"It Happened in Holland" an operetta for junior high schools, will be presented soon by pupils in the college training school under the direction of Miss Vera Moss and Professor B. J. Rozehnal.

The operetta tells the story of a rich Burgomaster's daughter who changes places with a gipsy girl and as a result uncovers a plot to destroy her father.

This performance has been in the process of preparation for a number of weeks and will be ready for production shortly after the middle of this month.

Two people have been coached for each part. Final selections have not as yet been made.

Marion Hawkins and Norman Christianson Will Lead the Grand March at 9:00

In a gay French vineyard the members of the Masquers and their guests will dance to the music of Ray Keyes' orchestra at the annual Masquers formal to be held Saturday evening, April 10, in the North Hall gymnasium at 8:30.

Marion Hawkins, president of the Masquers, and Norman Christianson will lead the grand march which is to begin at 9 o'clock. Emma Lou Tubbs, vice-president, and Joseph Hyde will be second in line.

### French Theme Is Used

North Hall gymnasium will become a typical French vineyard for the event. Clusters of huge purple grapes and groupings of white latticework will add atmosphere to the scene. Punch will be served by waitresses garbed in colorful peasant costumes.

The members of the receiving line for the evening will be Marion Hawkins and Norman Christianson, Miss Nelle Schlosser, the Masquer adviser, Emma Lou Tubbs and Joseph Hyde, Robert Johnson and Phyllis Soderstrom, Dr. and Mrs. Walker D. Wyman, and Dr. and Mrs. Benjamin H. Kettelkamp.

The students who will serve as Masquers hostesses will be Adeline Larson, Lucile Evans, Avis Swanson, and Dora Mae Hocking.

### Music Is By Ray Keyes

Music for the formal will be furnished by Ray Keyes' 10 piece orchestra from Albert Lea, Minnesota.

Robert Johnson is the general chairman in charge of arrangements for the dance. Committee chairmen working under his supervision are Ruth Phillips, decorations; Ruth Gullick, punch; and Eugene Gossen, tickets and advertising.

## Supreme Court Question Will Be Discussed Here

President Roosevelt's plan by which he proposes to increase the number of members in the United States Supreme Court, will be the subject of a panel discussion to be held in the College Auditorium next Thursday evening, April 8, at 8 o'clock.

The leader of the discussion will be Attorney Marshall Norseng of Chippewa Falls. During his attendance at the River Falls State Teachers College, Mr. Norseng was an outstanding debater. He also did much work in oratory. He is a graduate of the University of Wisconsin.

The other panel speakers, Attorneys Henry Christopherson and Marshall Wiley, also from Chippewa Falls, are graduates of the Harvard Law School.

Following the panel, opportunity will be given for questions from the floor which will be answered by the speakers on the panel.

This discussion is sponsored by the Citizen's Council of River Falls. As this is a very important and interesting question, everyone is urged to attend. There is no charge for admission.

### SPECIAL NOTICE

All vaudeville stunt chairmen from the various organizations as well as those who wish to enter the fore-curtain contest are asked to see Dr. Owens this week. Tryouts will begin about April 14th.

## Campus Silhouettes

"Well, to begin with," explained this prominent senior, "I was born on March 15, 1915, at 5:55 p. m. I am a Swede and I am very proud of it."

This senior is also a product of Mann Valley, although he moved to California after he had completed the second grade in the rural school located in that same fertile valley. He lived in California for one year, after which he again returned to River Falls. He says that he can remember the Tournament of Roses in Pasadena.

Newell Younggren

(The silhouette failed to arrive in time so we had to substitute.)

"I spent several years in the grades in the training school," he continued, "and I can recall the only 'bawling-out' that John O'Brien ever received in school. I can also remember the first date I ever had. I was in the seventh grade at the time, and I took a sixth grade girl to a party. That girl is in college at present." (Name on request.)

Among his accomplishments while in high school are membership in the band, the dramatic club, and he was also a member of a basketball team that lost the final game in the class A tournament by only two points.

He stated that the most fun he ever had in his life was while he and a number of boys from the high school went to Madison with a one-act play entitled Valley of Lost Men.

He has been very active in the Masquers organization, and he was president of that organization last year. His role in the "Swan" during his sophomore year won him the title of "The Great Lover."

He spends his summer vacations in the National Guard Camp, and he attends drill regularly on Monday evenings.

Thinks that men should wear socks that match their neckties. Makes no choice between blondes and brunettes. Likes good orchestras, and claims that he can pick them even better than other seniors who come from Mann Valley.

He is a Democrat, but thinks that Wisconsin's Progressives are O. K. Most interesting subject he ever took was Doc Kettelcamp's course in embryology.

Pet Peeve: Couples necking in the theater.

Favorite foods: Chow Mein and Swiss Steak.

Best Pasttime: Attending a good movie.

Favorite Movie actress: Delores Del Rio.

Greatest Ambition: To become an M. D. and do better than Dr. Dafoe.

## Moment Musicale

"Ability should be regarded as a part of the fundamental equipment for an education in the art of music, just as the ability to read and write and spell is the basic equipment of students of English for a study of the art of literature. In other words, their performing ability should be a tool of understanding, a means, not an end.

"A university or college fulfills its obligation to the society which supports it if it develops audiences. It misses its calling and confuses its purpose if it tries consciously to give birth to artists." Randolph Thompson's Survey in College Music.

The above is also true in the matter of high school music. It is not the business of the public school to make musicians, but rather, "doers" and lovers of music. After all, we

## Have You Read . . . . . ?

Though River Falls is beautifully situated for long walks and Spring does seem to have come temporarily at least, we know there are some few people who still like to read some new books or at least about it in their idler moods. To these people we would like to introduce W. Somerset Maugham's new novel, Theatre. In his own explanation of the book, the author admits he has hazarded an experiment he has never before ventured upon. Jane Austen, whom Mr. Maugham considers the most perfect novelist England has ever produced, never reported the conversation of men except when they were in the company of women because she did not trust herself to narrate something which she could never have witnessed. Mr. Maugham, however, has made a dangerous attempt; he has set out to describe a woman from a woman's point of view, to see life through her eyes. Only a woman can tell how well he succeeded. "We all

make scenes," says Mr. Maugham in expaining why he chose to set his novel among stage folk, "but we have not all that little imp within us that knows and takes pleasure in the scenes we make."

If you are one of the many people who ask of a biographer little else than that she be entertaining, Bertita Harding's retelling of the old story of Emperor Franz Joseph of Austria and Elizabeth, his empress, should entrance you. She stops at nothing, and she has that air of awed irreverence which is so flattering to the reader. If you expect historical soundness in a biography, Mrs. Harding's Golden Fleece is not heartily recommended to you.

Are you reading The Nine Old Men which is running serially in the Minneapolis Star and Mrs. Roosevelt's biographical This Is My Story which is being printed in the Ladies Home Journal?

## Swats, Swipes . . . . . and Snatches

Snatch -- The dentist accidentally dropped a six dollar piece of gold into the patient's mouth. "Don't swallow that!" he shouted, and slapped him on the back -- but Brandt proceeded to do just that.

Lately, we have been digging around in the printed material of the last century. In the Atlantic Monthly for January 1861, there is an article entitled "Washington City." Will Rogers wasn't the first one to poke fun at our legislators.

Sample comment, from the paragraph about churches: "Heaven is regarded as another Chihuahua or Sonora, occupied at present by unfriendly Camaches, but destined to be annexed some day. In the meantime a very important election is to come off in Connecticut or Pennsylvania. That must be attended to immediately. Such is piety in Washington."

In a Carleton Publishers advertisement in the same magazine, Artemus Ward made an offer that might be a good idea for columnists. "Artemus Ward, His Travels Among the Mormons and Indians" -- is profusely illustrated with comic pictures, and the author says he will call on citizens at their private residences and explain jokes if necessary."

About twenty years later a certain Thos. E. Hill compiled a "Manual of Social and Business Forms" -- an evening with it is a course in Victorianism.

Sample from the section called "Love Letters."

"An invitation to a place of public amusement:

Miss Farrington:

May I request the very great pleasure of escorting you to Barnum's Museum, at any time which may suit your convenience? To grant this favor will give me very much pleasure. No pains will be spared by myself to have you enjoy the occasion, and I will consult your wishes in every particular as to time of calling for you and returning. Waiting an early reply to this, I remain,

Most sincerely,  
Chas. Stevenson.

Reply accepting:

"Mr. Stevenson:  
Dear Sir: I thank you for your very kind invitation, which I am happy to accept. I will appoint next Monday evening, at which time, if you will call for me at our house, I will accompany you.

Your sincerely,  
Clara Farrington."

Reply refusing:

"Mr. Stevenson:  
Dear Sir: I am grateful to you for should not be concerned about how much music a child knows but we should be very much concerned about how he feels toward music. Performance is not half so valuable as appreciation in the life of a child. Performance should be the means to an end, not THE END!

your very polite invitation, but, as I should go only with my own family were I to attend any place of amusement, I am unable to avail myself of your kindness. Thanking you, I remain,

Clara Farrington"

Reply with conditions:

Mr. Stevenson:  
Dear Sir: I shall be most happy to visit Barnum's Museum with you, but will prefer being one of a company in which yourself is included, such also being the wish of my mother, who sends her kind regards. A visit from you at our house, next Tuesday evening, will enable us to decide upon the time of going.

Clara Farrington"

Ah, what a boon to youth is the brain-child of Alexander Graham Bell.

## Varsity Intra-Mural W. A. A.

### Rurals Win W.A.A. Tournament to End Basketball Season

#### Manske's Team Made Rally Too Late to Win; Grupe's Team Garners Third Place

The W. A. A. has just completed a very interesting and colorful basketball season. In the last week's games, Manske's Team hit their stride to take both Grupe's and Deiss's teams into camp. The hard drive displayed by Manske's team in a last desperate attempt to beat the Rurals was the main factor in their achieving this win. They scored 18 points before the Rurals tallied one; however, the Rurals then put on a drive that netted them 14 points before Manske's team rallied their defense and went on to win by the decisive score of 45-18. The game against Deiss's team was a loose, ragged display of basketball, but Manske's team put on enough fight to win 22-9.

The tournament consisted of a round of 18 games, played in round-robin fashion. Much improvement has been shown in team play, passing, and shooting since the start of the season. As a result of the excellent play of its two Honor Team guards and forwards, and the general all-around good play of the rest of the squad, the Rurals took first place in the tournament. Hats off to them, for it is the first time that they have had girls enough for a team, let alone a championship one! Manske's team placed second, developing their power too late in the season to overcome the early lead of the Rurals. Deiss's team, though it displayed much ability, placed third, this being due to the ill-luck of continually losing by a few points.

#### Final Standings

Ardyth Grupe, Eunice Manske, and Bernice Deiss acted as captains, and La Vernia Jorgenson was basketball sport head. The following people participated: Ardyth Grupe's team: Stella Tobiasen, Effie Tobiasen, Viola Granicia, Joyce Snow, Edith Stewart, Marion Boles, Rhoda Hawn, Florence Greeley, and Virginia Roehl; Bernice Deiss's team: La Verne Jensen, Lillie Ahlgren, Mary Werts, Mary Griffith, Emma Svoboda, Josephine Ryan, Helen Pedersen. Eunice Manske's team: Bill Pedersen, La Vernia Jorgenson, Edith Bauer, Lucille Striebel, Lucille Kay, Mary K. Prucha, Lucille Creswell, and Jeanette Griffith.

Of these, an Honor Team of 10 was selected, on the basis of ability, improvement, sportsmanship, and interest. The following are members of the Honor Team: Forwards—Stella Tobiasen, Ardyth Grupe, La Vernia Jorgenson, Eunice Manske, Bernice Deiss; guards—Effie Tobiasen, Lucille Creswell, Emma Svoboda, Edith Stewart, Jeanette Griffith.

Credit for the success of this basketball season should be given to Miss Branstad for her management and advice, and to the sport head and players for their cooperation and good fellowship. Miss Branstad, with the help of some of the players, managed the officiating for all games.

With the finish of this basketball season, volleyball has become the major interest of W. A. A. members. If any other of you women feel the urge to play volleyball, come out to play on Tuesdays and Thursdays. Stella Tobiasen is sport head of volleyball; captains and teams will be selected next week.

### Intra Mural Volleyball Finals Will be April 19

The intra-mural volley ball league hit its stride last week with 14 teams seeing action, with one team drawing a bye. The games were fast, and several of the teams showed good teamwork although not having the margin of practices.

Tuesday night games saw seven teams eliminated and seven winners via the 2 out of 3 series. The scores by games for this night were as follows:

Dale Johnson's team was defeated by Roberts' outfit 11-8, 4-11, 11-7. Staley's team eliminated Stenback's sextet 11-1, 4-11, 11-7. Gerhardt's won over Hylkema 11-8, 11-8, 3-11. Hehnke's sextet defeated Stuner's 11-2, 11-10 with ease. Gossen's men won a hard fought game over Peterson's team 11-9, 11-9. It took Niccum's team three games to overcome Lyons' 11-8, 9-11, 11-5. Frank's outfit won easily over Martin's 11-8, 11-8.

The winners of the first night's games played each other Wednesday night which eliminated four more teams from the pennant race. Those eliminated were Niccum, Staley, Gerhardt, and O'Brien. The winners; Roberts, Frank, Hehnke, and Gossen earned the right to semi-final play this week and a chance at the athletic awards and the championship.

The schedule for the semi-finals is as follows:

- Hehnke vs. Roberts
- Frank vs Gossen

### R Club Arranges Vaudeville

The weekly meeting of the "R" Club will be held Wednesday, April 7. This will be an important meeting and every member is expected to be present. The arrangements for the coming vaudeville and the "R" Club dance following have been made. The club has selected a short play as their part of the evening frolic. The parts in the play are to be given out at this meeting.

### Boxing Tourney Is Planned

There have been well founded rumors around the conference that plans have been made for a boxing tournament among the teachers colleges of Wisconsin to be held at Superior next year. This will be a new venture for the conference and should be very successful. Amateur boxing has been very popular at some of the Big Ten schools in the past few years. The University of Wisconsin has had a great deal of success with this form of athletics.

### Ping Pong Tournament Eliminates All But Six

The "College Humor" ping pong tournament is now nearing its final stages after the pause for Easter vacation. The ability of the various players make the league play a center of interest. Ping pong may be considered a minor sport by many people but those who participate feel otherwise. It takes speed, deception and a quick eye to master the game. The six survivors of this elimination tourney are: Ronnigen, a heavy favorite, D. Johnson, L. Anderson, S. Nelson, R. Kurtz, the favorite for the crown, and John O'Brien. These players will meet to see who really is the master.

### Dan's Dope

Chuck Osborne and Joe Baker, Falcon athletes, have distinguished themselves this past season by their stellar playing as members of the Prescott Flyers, fast traveling independent basketball team. Prescott recently won the Cannon Falls, Minnesota, independent tournament in which 16 teams competed. Baker and Kulas, 1936 Falcon captain, were given positions on the all-tournament team. By virtue of being total high scorer as well as high scorer for individual games, Kulas was selected as the outstanding man of the tournament. His total was 73 points with a high game of 22 points.

Three Falcon hardcourt artists received recognition last week when the teachers college coaches picked their annual all-conference teams. The first team selected consisted of Juedes, La Crosse; Pederson, Eau Claire; and Herkal, River Falls as forwards; McGrath, Superior, center; Caldwell, LaCrosse; McPherson, Superior; Nystrom, River Falls, guards. "Slim" Jim May was voted a guard position on the second team.

The latest word from Al Erickson states that he is now a member of the Springfield, Missouri base club. The Springfield Cardinals are members of the Western League which has a class B rating.

The boys are getting impatient waiting for the diamond to dry, in order that they may begin intensive outdoor practice. The University of Minnesota, the Falcon's first opponent, has been playing some of the southern universities and already have five games under their belts. Their record shows four defeats and one win. While this is not impressive, the Gophers have had time to experiment and gain experience, and therefore will have a big jump on the Falcons.

Coaches and students should be congratulated for the keen interest taken in intra-mural sports during the past year. There is unquestionably more participation in these activities than ever before. Intra mural soft ball teams would be a good follow up of the present program.

Joe Williams says 60 per cent of the current major league yearlings have been exposed in one form or another to a college education. "Life" magazine states there are 368 players in the two major leagues. Fred Nimz, elongated center, was recently elected captain of the Stevens Point cagers for next year.

### Badminton Tournament To Be Held Next Week

A badminton tournament is to be started next week. The date set for the entries closes Thursday, April 8. This is a men's tournament and all students are urged to enter the contest. Both singles and doubles will be played. A fee of 25c will be charged to enter the tournament. A person can play both singles and doubles on payment of this fee. The tournament is not of the ladder type but set matches will be fixed and played off according to schedule.

On Monday night, April 19, at eight o'clock will be held the final contests of several of the intra-mural sports which are now being played.

The semi-finals of the volleyball tournament were played on Tuesday night, April 6, and the finals are being held over until the date set for the other sports contests.

A ping-pong tournament which is now in session will have played all of its matches except the finals by that date.

### Important Notice!

The ladder tournaments close at 6 p. m. Thursday, April 15th. Beginning Saturday, April 17, there will be an elimination tournament in mixed doubles, to be run off on Saturday and Sunday, April 17 and 18. The players will be selected for this elimination tournament according to their final positions in the ladder tournament. Rules for the final tournament will be posted soon. Pay your entry fee before the tournament closes.

### Seven Lettermen to Bolster Falconite Baseball Prospects

#### Prospects Point Toward Very Successful Season; New Men Give Promise

The local baseball team has run into a lot of tough weather and haven't been able to get much of a practice session in yet. The prospects for a winning team look favorable, but for the possibilities of individual performers little can be said until the boys have a chance to work out a little.

Veterans who have already reported for practices include; Stenback, Rendler, Wulf, Mel Erickson, Herkal, Nystrom, Johnson, and Christianson. This array of veterans will be strengthened by the following new recruits Nickerson, Teeple, Moore, and Baker. Undoubtedly there will be many more men reporting for baseball as soon as the regular practices begin. Coach Lowery hopes to get started in earnest this week.

The schedule includes games with the University of Minnesota (here), Gustavus (here and there), St. Cloud (here and there). There are also tentative plans for games with Concordia, Mankato Teachers College, and Eau Claire Teachers.

### Arrow Shorts can't bind or chafe

Arrow shorts have no rasping center seam to chafe your crotch. And because they're cut fuller, they won't ride when you walk, or bind when you sit down.

These patented *seamless crotch* shorts can't shrink either—they're Sanforized-Shrunk for lasting comfort.

# Faculty Members Attend Conference

## Combined with Conference is Clinic of Minnesota Band Masters Association

Several members of the college music department are attending the North Central Music Educator's conference in Minneapolis this week.

Professor B. J. Rozehnal, head of the college music department, and Professor N. Jadinak of the local high school attended the conference on Monday. In addition to the general session consisting of a number of addresses, the program on Monday included band and orchestra clinics.

Today's sessions are planned especially for high school and junior high school music educators. Miss Vera Moss, junior high school critic and Mr. Rozehnal are attending the conference today.

Mrs. Adeline Patton, fourth grade critic, plans to be present at the sessions tomorrow. They will deal with the field of grade school music. Miss Cara Wharton, pianist, may attend some of the evening programs.

"It Happened in Holland," the operetta which the training school is preparing under Miss Moss' direction, will be produced tonight by pupils in the Ramsey Junior High School.

Miss Moss plans to see both this operetta and a pageant, "A History of Music in Dramatic Form, which will also be a junior high school performance.

### Students Receive Positions

The college placement bureau reports that several students have already received teaching positions for next year. In addition to those mentioned in previous issues of the Voice, the following students have signed contracts: Francis Haugh, agriculture at Webster; Adeline Larson, seventh and eighth grades, Chetek; Manghild Peterson, Half-Moon rural school near Milltown; Helen Rein, Clipperdale rural school near Plum City; Leota Elliott, Maynard rural school near Ellsworth; Esther Berndt, seventh and eighth grades, Clintonville, Wis.

### Power Plants Are Discussed

At the Science Club meeting held last night Dr. Karges spoke briefly on his trip to Niagara Falls and the adjoining power plants and industries. Located at that place is the huge carborundum manufacturing industry which Dr. Karges inspected. Plants for the extraction of aluminum from its ore owned largely by Andrew W. Mellon, are located at Niagara Falls but are not open to visitors.

Following the talk a film entitled "The Jewels of Industry" was shown. This film pictured the carborundum plant which the speaker had discussed. Scenes of Niagara Falls and the electric plants were displayed. The entire process in the manufacturing of abrasives was shown, from the raw materials to the finished product and the uses to which they are put.

The election of officers for the coming year followed the program.

The officers chosen were: president, Leonard Hermanson; vice president, Ralph Baker; secretary, Frederic Johnson; treasurer, Russell Gettinger.

### Courses Added to Curriculum

The new courses added to the college curriculum for the spring term have been welcomed by a number of students. The largest enrollment, 56 students, is in the lecture course in cooperative marketing and conservation taught by Professor J. M. May and Professor C. G. Stratton. This is a required subject for seniors under a new state law.

The enrollment in new electives ranges from 43 in Professor Walter Hunt's class in parliamentary procedure to five in Dr. Catherine Lieneman's class in plant anatomy.

## Seniors Fox "Nosey" Reporter

"Won't we look just darling? I can hardly wait?"

"Boy, is mine ever going to be billowy, if I get out in a high wind I'll take off in a minute."

A wistful voice added, "I do wish mine would have a lovely cape on it to match the color of my eyes."

After listening in on some more hall gossip of this type we were just about sure that the sweet young things were again throwing some more of that "formal lingo" about soft and rippling skirts, the sort of thing that always displaces armaments, French heels, and even sit down strikes this time of year.

But, wait a minute, what kind of sense does this excited report make!

"Say! do you know I'm five feet, five? They tried to make out that it was five feet, six, but I foxed 'em. I bent my knees when nobody was looking."

We threaded our way down the

hall deep in a brown study, as we tried to connect up the last remark with "soft lights and sweet music." Looking up just in time, we narrowly avoided walking into a small army of the strong sex talking even faster than their weaker sisters.

"Boy, oh boy! Will we look nifty?"

"Gosh, wonder how I'll get at my pipe."

"I'll bet those nose ticklers cause more than one explosion during the affair."

"What," we wondered, "are the fellows going to follow suit and blossom out in trailing gowns too? Was this school getting a little touch in the head?"

Still struggling over the strange bits of hall conversation that had come our way, we stalked in front of the bulletin board. There in bold letters was the answer to our problem. "Seniors! Have measurements taken for caps and gowns."

### Wagner Is Clef Club Topic

Wagner and his place in opera will be the theme of discussion at the monthly meeting of the Clef Club on Wednesday, April 14, at 7:30. The Wagnerian opera, "Tristan," will be considered from the dramatic as well as musical standpoint. Wagner's use of the "leading motive" will be particularly stressed. Several of his musical selections will be played. A discussion of current music topics will conclude the meeting.

### Mathematics Club to Meet

An all-freshman group will discuss various topics in "Numerology" dealing with different kinds of numbers, at the regular Mathematics Club meeting Wednesday evening, April 14, in Mrs. Eide's room.

Speakers will include Ulrich Bents, Carl Miller, Willard Klugow, Donald Monson, and Loren Lund. Such topics as perfect numbers, primes, Pythagorean numbers, and similar topics and related theorems will be discussed.

A brief introduction will be given by the club president, Everett Comp-ton.

### College Art Club Has Party

The Palette Club, the art organization of college, had a party in the social room last Wednesday evening, March 31.

After an hour of exciting progressive games, the high prize was awarded Elva Vruwink and the consolation prize to Joseph Hyde. A lunch of ice cream and wafers was served.

A business meeting followed the party, at which plans were made for the remaining spring meetings.

### Seven New Students Enroll

Seven new students have enrolled for the spring term, making a total enrollment for the term of 526. The new students are:

Gordon Amphlett, Joseph Baker, Esther Berndt, Rev. G. Henning Erickson, Cecil La Dusire, Roger Moore, and Elsie Schorta.
