Governing Board Adds Activities Committee

The Student Center Governing Board has recently obtained approval from the Student Center for the creation of a Governing Board Activities Committee, and names are now being taken for positions on the proposed group.

The Activities Committee would have an important role in determining the cultural, social and recreational activities of the students at this college, according to the Governing Board members. It would sponsor programs involving interests in music, recreation, art, literature, social sciences, and limited social activities.

Persons interested in working on this committee may leave their names in the director's office of the Student Center.

Dr. Peterson will emphasize the role played by the Apostle Paul in the formulation of doctrine and the spread of the Church from the origins among the Jews to the gentile world beyond, and will analyze the problems faced by the early Christians in dealing with the suspicious Roman Empire.

He will also discuss the problems faced in dealing with the hostile rival religions of the East; will investigate the origins of creed and Church organization to maintain a Christian minority in a world dominated by a pagan majority; and will touch on the "enormous response to an enormous challenge which saved the religion from obscurity."

The Editor Speaks . . .

Is the fallacy that College students tend to become lazy and physically "soft" coming true at River Falls.

One would sometimes wonder upon looking at the worn, brown paths which border the new Health and Physical Education Building, the area between the Ag Building and the Industrial Arts Building, and the corners of sidewalks near the men's dorms. Possible shortcuts across an otherwise unobstructed and beautiful expanse of lawn seem to be just too tempting for several students.

Last spring we mentioned this topic of "shortcutting" across lawns when several of the buildings on campus were still under construction and when there was a definite shortage of completed sidewalks. Now, however, the buildings are finished and the sidewalks are in. There no longer seems to be any excuse for these traits of laziness.

We question how "short" these shortcuts are anyway. Last night we paced off the "sidewalk route" from the west door of the Student Center to the northwest corner of Karges Center, which was approximately 145 paces. We then paced off the well-worn "shortcut" across the lawn in front of the building, which was 130 paces, only 15 steps less!

Upon a little further investigation it was found that we took an average of 2 paces per second, and thus concluded that one would save only 15 steps, or approximately 7 seconds, by taking the "shorter" route. When considering what this does to the appearance of the lawns at our College, it just doesn't seem to be worth it. And if one should come to a class seven seconds late, we feel sure that a professor would accept the excuse, "I started taking the long way around."

Once again the traditional battle between Wisconsin and Minnesota approaches and of course that means its time for the coaches of the Wisconsin State College Conference to gather for their annual fall meeting. The biggest item of business, as is usually the case, will be the selection of an All-Conference team.

First of all, it is worthy to note that the coaches seldom follow the same pattern. One year they will pick a northern-division team and a southern-division team. One year they will pick a 22-man squad including both divisions. Another year they may pick an offensive team and a defensive team. The latter is probably the best because some players don't compete both ways.

But in picking our selections we will name a northern division first and second team only, since we are more familiar with performances of Stout, Eau Claire Superior, La-Crosse, and River Falls than we are with those of the southern schools.

Last fall the coaches named one 13-man squad for the northern half of the circuit with all other players mentioned getting honorable mention.

River Falls' Falcons placed Mick Lauber, Jack Neuer, and Jim Carlew on the All-Star aggregation last season. Lauber was the only one that returned this fall.

In all fairness, it must be said that the knee injury suffered by the Falcon flyer this year can be held directly responsible for our holding him off the All-Conference teams. When he wasn't injured, he was one of the most feared breakaway threats in the league.

Before explaining our picks, we'll list them for you. Save the boos until later.

1st Team		
E.	Cliff Moldenhauer	Lax
T.	Jim Killian	Lax
G.	Rodney Daniels	Sup
C.	"Cuddles" Kundles	Lax
G.	Duane Zellmer	Lax
T.	Pat Krall	Stout
E.	Dick Frederickson	Stout
QB.	Bob Dawson	RF
HB.	Glen Harke	Stout
HB.	Fred Pongratz	Lax
FB.	Duane Jensen	RF
2nd Team		
E.	Jim Hugdahl	Sup
T.	Ron Ganong	EC
G.	Jim Lebiecki	Lax
C.	Bob Raczek	Stout
G.	Jim Blank	RF
T.	Dean Hugdahl	EC
E.	Duane Tollefson	RF
QB.	Dave Ruder	EC
HB.	Larry Lloyd	RF
HB.	Dan Conway	Sup
FB.	Don Lee	EC

Already we can hear the complaints being registered so before the din becomes unbearable here's a brief defense of our selections.

Ends—Frederickson of Stout is a rugged flanker that played both offense and defense all year. Extremely fast. Moldenhauer the veteran La Crosse performer really hurt River Falls here this year. Hugdahl and Tollefson were the best of the rest.

Tackles—Killian of LaCrosse and Krall of Stout are both repeaters from last year's team. Eau Claire's Ganong and Hugdahl are two veterans that did a tremendous job for the surprising Blugolds.

Guards—There was a definite shortage of interior lineman in the loop. Daniels, a sophomore for Superior, hit hard for his 180 Pounds. Zellmer of LaCrosse anchored the Indian forward wall. His running mate, Lebiecki made the second team along with River Falls' Blank who didn't play much on offense but was an outstanding linebacker on defense.

Centers—Bill Kundles of La-Crosse rates the nod over Stout's Raczek. The rest were simply outclassed.

Quarterbacks—It has to be Dawson. His passing game was the best of any signal-caller in the division. His daring was unmatched. Ruder finished with a flourish for the Blugolds combining a lot of leg work with passing when needed.

Halfbacks—Always a wealth of talent available it seems. Harke and Pongratz are repeaters though the latter is technically a fullback. Both are devastating. Lloyd, the Falcons' sophomore sensational speedster, and Conway the Superior workhorse that beat us here edged in on the second group.

Fullbacks—With Pongratz given a halfback slot, its Jensen of River Falls without question. Lee, of Eau Claire is not really a fullback but gained a tremendous amount of yardage for his size.

So here they are. We picked 'em and we'll stick by 'em. The coaches may not agree come the conclave this weekend but then they never do.

Next Week—The Swami's glances at the upcoming Wisconsin State College basketball race.

Swimming Notice

A swimming squad of 20 to 30 members is now being organized and men are being solicited to represent River Falls on the team. Any men who are interested and who have swimming ability are eligible to try for the team.

Tryouts will be held at the pool this week at the following times: Tuesday, 3 - 5 p.m.; Wednesday, 3 - 5 p.m.; and Thursday, 3 - 5 p.m. Fellows must bring their own swimming suits for these tryouts.

Cagers Open Hopeful Season With Auggies Here Monday

by Pat Higgins
 "Optimism" is the key word as another basketball season rolls around. Coach Don Page has a lot to be optimistic about as he drills his Falcon cagers for their season's opener with Augsburg here next Monday night. The optimism Page carries around stems from the following points:

- Seven, possibly eight returning lettermen.
- Five returning starters.
- Several noteworthy transfer students.

● A new million dollar gymnasium.
 ● One of the tallest, if not the tallest all around quints in Falcon cage history.

Heading the cast is 6'6" sophomore center Charley "Sid" Johnson from New Richmond. Johnson, last year's scoring and rebounding leader, averaged slightly over 18 points a game.

Mick Collins, a 6'3" senior from Mondovi, is expected to hold down one of the forward spots, with 6'5" Tobey Garey, a sophomore from St. Croix Falls, the other. Collins is a three year letter winner and Garey a one year monogram winner.

Darrell Hart, who lettered his freshman and sophomore year but missed last year, is expected to be back in uniform for the Red and White this season. Hart, a 6'4" senior from Mondovi, is expected to see plenty of action as a possible starter or first line reserve.

Duane Jenson, who lettered last season is not certain whether he will be able to play this season or not. Jenson hasn't reported yet. (Continued on Page 6)

Matmen Train for Heavy Schedule

by Warren Rogers
 Falcon wrestlers, with the intent of placing another Wisconsin State College Conference trophy in the Karges Center show case, reported for opening practice sessions last week.

Coach Byron James has the awesome task of getting his squad ready for a Dec. 17 engagement with the national NAIA champions. Bloomburg, who haven't lost a dual meet in two years.

Forming the nucleus for the defending champs are two state titlists and a pair of third place finishers. Anchoring the Falcon squad for the past two years and compiling an overall 30-5-1 record is heavyweight Larry Julien, junior from Fairchild. Included in his skein of victories is the 1959 Wisconsin AAU heavyweight crown and two WSCC crowns.

Fabled as the "smartest man on the River Falls mats" is the Falcons' 157 pound champion, Dave

Garlie of Northfield, Minn. As a freshman last year he wound up with the team's second best record 12-1-3.

Continuing the youth look for Coach James is Jerry Fehlin, 123 pound freshman from Hampton, Minn., who placed third for the grapplers in the State tourney. Pat Mrotek, the 147 pounder from Owen, also finished third at Stevens Point.

Other returning lettermen include Jerry Braun, 123 pounder from Loyal; Dale Diedrick, 130 pounder from Athens; and Dick Culver, Ellsworth and Jerry Halverson, Luck, wrestling in the 147 pound class.

Missing from last year's championship team is the WSCC 167 pound champion, Jim Drummy, 130 pound champion, Marv Gorres, and Ron Aasmundrud, who finished second in the 137 pound class.

Expected to fill up the gap in

the heavier weight divisions are Ron Marshall, freshman from Amery, and Wayne Garlie, sophomore from Northfield, Minn. Arvin Jacobson, freshman from Grand Meadow, Minn., is expected to push Mrotek in the 147 class. Jacobson ran up an impressive 34-5 record as a junior and senior in high school.

In the lower weights Dave Bartels of Rice Lake and Jim Schuler of Marshfield will be fighting for the Gorres vacancy. Filling the 137 pound spot should be Myron Hall of Grand Meadow, Minn. He finished last year with a 9-1-2 mark and has plenty of strength.

James expects his squad to have real good balance, something which is essential for winning wrestling. Last year his matmen compiled a 10-2-1 record with defeats coming at the hands of highly rated Winona State and Moorhead State. Strength in the conference is uncertain with LaCrosse a perennial contender in any sport, and UWM sporting a new coach and strength in the lighter weights. Superior thinks they are tough and Point still has wind in their sails. It all ads up to an interesting winter.

Falcon Fanfare

Bracing the center of Coach Fran Polsfoot's lines for the past three seasons has been Karl Schmid, senior guard from Chilton. Schmid switched to the Falcon's offensive unit this year after being a member of Polsfoot's "Hamburger Squad" for two years.

The Chilton senior came off the bench two years ago when all-conference guard Dick Shimel suffered a shoulder separation and has played a lot of football since.

When queried about Falcon football possibilities he came up with the impression that this year's freshmen and sophomores have the potential to play winning football. Schmid was a member of the 1958 championship squad.

Active in campus affairs, he has served on the Student Senate for two years and was his class's president as a junior.

Schmid is majoring in mathematics with minors in chemistry and physics.

ing will be open to the public and refreshments will be served.

Dr. Wyman To Address Writers Club

Dr. Walker D. Wyman, chairman of the history department, will address the Regional Writer Club of Northwestern Wisconsin on Wednesday, Nov. 16, at the River Falls public library.

Dr. Wyman will build his discussion around the books he has written, telling how he originated his ideas for books, how he developed the ideas, and the problems encountered in publishing the books.

Among the several publications and books which Dr. Wyman has authored are "Wild Horse of the West" (1945); "California Emigrant Letter" (1952); "Nothing But Prairie and Sky" (1954); and "Frontier in Perspective" (1957). He is now writing an American history textbook based on the problems of history, scheduled for publication in 1961.

but Falcon mentor Don Page is still hopeful.

Vern Wanish, a graduate of Medford Normal School, is spending his first year at River Falls. He is expected to give the Falcons bench a needed shot in the arm.

Wanish, who is 23 years old, graduated from Phillips High School three years before Duane Jensen. After graduation from Medford Normal Vern taught grade school for three years before he decided he wanted more education.

Page feels that this year's yearling squad will fall short of last year's talent laden group as far as ability is concerned but expects at least one or possibly two, to see some action in varsity games.

George Wolf, Larry Greenwood, and Jerry Gotham were three freshmen that Page singled out as the best of the yearling crew.

Wolf, a 6' 5" strongboy from nearby Prescott, is given the best chance of breaking into the lineup this season, while the Falcon head master lists Greenwood from Barron and Gotham from Chetek as bright prospects.

Oshkosh, which tied Eau Claire in the conference standings last year has last year's conference scoring champion Ron Dibeluis. Dibeluis averaged 25.1 points per game last season.

Don Borchardt New Member Of Speech, Drama Faculty

A new member of the faculty, Dr. Donald Borchardt, will begin teaching in the speech department beginning Winter Quarter.

Dr. Borchardt is a graduate of the University of Minnesota, where he received his B.A. degree in 1953 and his M.A. in 1959. He received his Doctorate of Theatre Arts from the University of Utah, where he wrote his doctoral dissertation on the dramatic nature of the English morality play last August.

While at River Falls, Dr. Borchardt will teach communications, fundamentals of speech, and stagecraft. He will also be in charge of the technical work for coming theatre performances.

While studying at the University of Minnesota, he played the

title role in "Peer Gynt." which requires being on the stage for three hours solid. He also played the Fool in "King Lear" and directed "State Fair," "Room for One More," and "The Curious Savage."

He was director of the Rochester Civic Theatre for a season while studying for his master's degree. He was also a member of the cast of "Midsummer Night's Dream" which was produced by the U. of M. for the defense department and toured American bases in Germany and France.

Dr. Borchardt is originally from Alma Center, Wis., and is now residing in St. Paul. Mrs. Borchardt, who holds a master's degree in theatre arts, will accept a teaching position in the Twin Cities area in January.

"Extend Hearty Welcome To All Students"

Don discusses the promotion of the new "Princess" telephone with some of his supervisors.

DON WANTED TO GROW WITH A FAST GROWING COMPANY

When Don Franklin got his degree in Business Administration three years ago, he knew his training could take him into virtually any type of business.

He talked to 21 companies—added up the pros and cons—and joined Pacific Telephone. He reasoned that the telephone business, keeping pace with the fast growing West, offered unlimited opportunity.

He was more right than he knew. Last year rapid growth caused Pacific Telephone to split into two separate operating companies with redoubled opportunities in many areas.

In three years, Don has held six different assignments. During that time, he had learned

the things a manager must know about policy, equipment and people.

Today Don is telephone manager of a large part of residential Seattle.

"I don't know why you singled me out," Don told us. "There are a lot of recent grads around here who have come along fast. A business can't grow as fast as we're growing without people that can move along with it. The whole point is, the opportunity is here—if you can handle it."
