NUMBER 17

Passage of Appropriation Bill Provides Equipment

Second and Third Year Groups Pick Class Officials

Freshmen Wait For Return of President, Ralph Peterson To Make Nominations

Large List of Candidates for Offices in Upper Classes; Election Held To-day

Although Mr. Stratton was very busy he paused to say a few words about the nominees of the second year class. "I am very well satisfied with the nominees this term. The committee had a hard time to choose these people because there were so many possibilities. I wish that there were enough class offices for all the capable people in the class, but since there aren't, I am sure that the committee has chosen wisely."

The nominees are—

President—

Mary Catone
Norma Haunchild
Louis Troyer

Vice President—

Genevieve Hagg
Pauline McLaughlin
Irwin Taylor

Secretary—

Esther Bailey
Carl Briggson
Peter Vig

Treasurer—

Mary Burke
Harold Sombke
George White

The Third Year class will vote on the following candidates—

President—

Kurt Wennerburg
Robert Smith

Vice President

Lois Hunt
Thomas Barry

Secretary—

Helen Hughes
Lucille Mallott

Treasurer—

Donald Olson
Herbert Chapman

Because of the absence of their president the freshman have not yet had any nominating committee. Miss Chapman said to-day that the election would be held as soon as Ralph Peterson returned to school.

City Joins College In Rink Venture

River Falls Council Votes To Appropriate Finances For Maintenance of Rink

According to Bob Gardiner, the skating rink is completed, and the ice is in good condition. Bob says the committee has been handicapped by bad weather, but now they have been successful in constructing what they think to be the best rink possible.

The committee urges the student body to take advantage of these possibilities for outdoor recreation and use the rink.

The city council, when addressed by Mr. Spriggs and Bob Gardiner, gladly consented to aid in the upkeep of the rink. A motion was made by Mr. Hurd to co-operate with the committee in the care of the rink. The motion was unanimously carried. The council also provided for lighting of the rink. The rink is in better shape this year than it has ever been. There is a level space of ice that is entirely smooth. The foun-

STOUT HERE FRIDAY

On Friday night the River Falls quint will take on the Stout basketeers for their fourth conference game of the season for Stout; so they have had very little chance to show how they will stand in the conference. However, their outside games have proved that they will give the Falls a good fight.

River Falls must win this game or forfeit a chance to the state championship. Coach Diebold is putting his men through a very intensive workout so as to get them in shape for the game.

A large crowd is expected to be present as Stout will send down a large number of rooters.

Annual G. O. P. Ball Brilliant Success

Large Crowd Attends Annual Ball And Enjoys Excellent Music By Pirate Five

By M. F.

The annual G. O. P. Formal was held last Saturday night in the South Hall gymnasium which was prettily decorated in Colonial style, with rose and grey colors predominating.

The President of the G. O. P. Lois Hunt, and her partner, Robert Smith, headed the receiving line with President and Mrs. Ames, Miss Greene, Mr. Eide, and Miss Chapman completing it. The programs were given by "Bugs" Felsted and her escort Jules Reinhardt. Peyer's Pirates furnished the music for the dance. Caps and fans were used as favors in the two special dances played. The music was unusually good and novel, its presentation with the players performing in their pirate costumes being very striking. Punch was served by several of the ninth grade girls. About fifty couples attended the dance and every one present expressed the opinion that the party was a huge success. The G. O. P. pledges, however, felt less inclined to appreciate the dance when they had to roll out Sunday morning at ten o'clock to take down the decorations that they worked so diligently to put up. Seg, Alfonse, and Red Smith were there to help them.

Second Debaters Return From Trip

Debate High School Question Lose One Debate; No Other Decision Given Them

The second debate teams have been out debating several high schools on the high school question, Compulsory Automobile Liability Insurance, during the past week.

The debate at Hudson was held before the school assembly, no decision was given. The debate at Eau Claire was also a no-decision one. The affirmative team went to these schools under the tutelage of Marshall Norseng.

Mr. Mitchell took the negative second team to Chippewa where they lost two to one, and to Hayward for a no-decision debate.

The team under Mr. Mitchell returned Friday.

The middle of the term has arrived and practice teachers are working in full swing. Many are beginning to feel like real teachers.

Inter-Mural Teams to Open Tourney on Wednesday, Feb. 1

Many House Teams To Compete for Honors with Societies in Basketball Contest

Contest Prophesied By Many To Be Close And Snappy; Schedule At Office

School organization basketball got off to flying start this week as the opening games of the big inter mural series occupy the sporting lime light.

All about school, dopesters argue the outcome of teams bearing organization banners. The schedule will be posted and percentages figured weekly. Following are the line-ups:

House of Lords—

Red Wile
Glen Lofgren
Clarence Lundeen
Vincent Crane
Hoyt Johnson
Don Olson
Edwin Lotz
Thomas Brinkle
Theron Hoke

West Side Cagers—

(Continued on page 3)

Concert For Band Benefit Attracts But Small Crowd

Only One Third of Debt Paid By Income from Program Everyone Satisfied

The Band Benefit Musicale, held in the Normal Auditorium on Friday evening at 8:15 o'clock, was given to defray the remaining expense of \$95 for band suits.

The crowd brought only \$38.25 however.

Every musicale organization in the school had some part in putting it on.

The program was one of the best ever given in this school. Every one seemed to be "primed up to his best, the best 25 cents worth of entertainment he ever had a chance to have.

The four main parts of the program were numbers by the Boy's Glee Club, the Orchestra, the Girls Glee Club, and the Band. The opinion was expressed by many that they had never heard any of these organizations perform so well.

An Xylophone solo by Al Hawkins delighted every one; as did a trombone and cornet duet by the well known Conselman and Johnson artists. Velma Dunn and Margaret Hellwig, two dancers of note danced a South American Tango.

A G. O. P. skit—a tragedy in 3 acts, put every one in good humor for the rest of the night. The young ladies who took part in this sad and tragic play were: Evelyn Rhiel, Cora Larson, Helen Nelson, "Peg" Fox, Matilda Zorn, Bernice Melberg, and Elna Stone.

Some "Jazz" was rendered by the girls' quartette, consisting of Marcella Oltman, Ruth King, Claudia Vassau, and Vivian Vassau; as well as a few numbers on the piano by Vivian Vassau.

The band closed the program with two well rendered numbers.

Gladys Mandor spent the week end in Boardman.

OFFICIAL NOTICE

The legislature of 1927 enacted a law which provides that all applicants for a license or certificate to teach pay a fee of two dollars. Section 39.31 governing this matter reads as follows:

"A fee of two dollars shall be paid to the state superintendent with each application for a license to teach school or for a renewal of such license, or for a state certificate to teach."

An announcement regarding the collection of such fees from all 1928 graduates who intend to teach within the state, will be made some time during the third term. Kindly watch for such announcement and respond promptly to it so that your license can be given to you with your diploma, at the time of graduation.

Valentine Season Visits Collegian

Students Discover Fondness for Respective Professors for Them After Six Weeks

ACT 1—Scene 1—

Student at Post office getting his mail from the box. He inserts his fingers into the envelope and extracts a business-like looking document. His face lights up with joy.

Stude: Why, here's a valentine from Prof Hill—and other from Mal-lot. How kind of them! I like them a lot. I didn't know that they knew me. What brilliant men these profs must be! For their classes I slept fine. No loathsome studying for mine. One time I made a recitation—just for a little variation, but nothing right I seemed to say. So I thought I'd said enough for one day. I was a dumbell all the time—and still I got a valentine. Those Profs. must think a lot of me—and, why, for the life of me, I can't see.

ACT 2—Scene 2. Home, Sweet Home Ma: shrdz xzafif cfy, cmfw! fw th?

Pa: Shrdl cmfw vbg cmf vbg vw!

Stude: I don't know, Honest. The Profs. seemed to like me all the time. Why they even sent me valentines.

CURTAIN

Freshman Plan to Have Party Again

Varied Program to be Feature of Freshman Party Staged Saturday in old Gym.

By M. F.

There's nothing slow about the freshmen! Next Saturday night they are planning a secon class party. The last one proved such a huge success that all members of the class are looking forward to another big time.

Committees have been chosen and plans for a diversified program are being made. There will be dancing as well as games of all kinds. Light refreshments will be served to complete a successful evening.

The study of the pictures included in the contest is going on enthusiastically. Picture lessons have been given in art classes and themes on favorite pictures have been written in English classes. The final test of the contest comes this week.

The Eighth Grade had a sleigh ride party Monday night. It was a "howling" success.

Houses Pass School Bill; Zimmerman's Signature Hoped For

Three Departments of College, Agriculture, Science, And Rural To be Benefited

Funds Will Provide For Much Needed Equipment; School's Efficiency To Improve

The Teachers College Appropriation Bill passed both houses of the legislature Friday and Saturday of last week and has been presented to the Governor for his signature. It is expected that Governor Zimmerman will approve the bill within a few days.

This bill in most details, a duplication of that vetoed by the Governor at the last regular session, except for items pertaining to major buildings. The building program of the Normal Board of Regents was presented to the Finance Committee with a recommendation that it be given separate consideration from the general appropriation bill providing for operation and maintenance of the several schools. The Finance Committee did not recommend any buildings to the legislative body and no bill was drawn for buildings.

It is held that the present bill providing operation and maintenance funds is generally satisfactory. Funds are included for heating plants at the Oshkosh and Stevens Point schools; funds are also included for the equipment of the training school buildings at River Falls, Stevens Point and Oshkosh.

For the Teachers College at River Falls, the appropriation bill reads: "July 1st, 1927, \$115,200 be appropriated for teachers' salaries only, with a similar amount provided for the fiscal year beginning July 1st, 1928. For Maintenance, \$7,363 July 1, 1927 and \$5,375 July 1st 1928, there is further appropriation on July 1, 1927, \$44,745 and on July 1, 1928, \$11,998 for permanent property and improvements, except purchase of land. This item includes funds for the complete equipment of the training school addition, and for the equipment of the science and agriculture laboratories. An additional appropriation of \$80,000 per year is made to the Board of Regents to be distributed among the schools for salaries of teachers and for other operation. \$7,500 per year is appropriated to the Board to be distributed for lectures and additional teachers for the summer sessions in the several schools.

The funds appropriated for the local school will be used first to complete the new addition, installing lockers in the corridors and completing the remodelling necessary in connecting up the new addition with the present North Hall. The training school rooms will be provided with necessary furniture and equipment. The agriculture department will be provided with class rooms and laboratories on the first floor of North Hall. Three laboratories—crops, bacteriology and a dairy laboratory will be fully equipped. The geography and general science department, now in South Hall, will be removed from the second floor of North Hall occupying the south rooms.

The physics department will occupy the north rooms on the second floor. The basement of North Hall will be remodelled and will be utilized wholly for the department for physical training for men. A room for lockers will be fully equipped. The

(Continued on page 4)

Falls Cagers Lose Tilt With Superior Quint 24-28

Superior Comes Back Strong in Stirring Rally

River Falls, after taking seven point lead at half, is smothered beneath tremendous scoring attack of superiorities. Hunt high point man again.

Confronted by a supposedly overwhelming lead of 9 to 0 before five minutes of the game was finished, Superior State college basketball team opened up a whirlwind offense that found the basket for four points too many for the River Falls team and the Superior team won 28 to 24 at Teachers college gym Friday night.

Four lightning field goals and a free throw gave the visitors the early lead when DiMarco slipped one through the hoop to make the count 9 to 2. The River Falls team seemed stopped for a few minutes while Horyza dropped two shots through the meshes. One more River Falls basket brought the count to 11 to 6 and after DiMarco made the score 11 to 8, the River Falls cagers jumped to a lead of 17 to 8 without apparently trying. The visitors threw passes that always found a receiver and the ball headed straight for the iron ring whenever it left one of the red and white clad cager's hands.

DiMarco Outstanding

Cook and DiMarco started the scoring in the second half, Cook leading off with a free throw followed by DiMarco's field goal. The River Falls five assumed a five point lead when Manion sunk a free throw. DiMarco scored by the same route. DiMarco dropped in another basket, this time counting from the floor and the score stood 22 to 20. B. Manion gave River Falls a four point lead when he sunk a field goal and the visitors began to stall.

During the final few minutes River Falls peppered the basket from far out, close in, from the sides, at the front, but when they needed the points they couldn't seem to make them. Superior's defense was close to perfect but the River Falls forwards slipped through at times and brought the crowd to its feet by shots which seemed to be sure throws but which slipped off the rim or bounced off the banking board.

The box score:

Superior (28)	FG	FT	PF
DiMarco, f.	4	2	0
Pepper, f.	0	0	0
Cook, f. and c.	1	2	0
Horyza, f.	2	4	4
S. Nadolski, g.	2	0	3
Letourneau, g.	0	0	1
St. John, g.	1	0	1
	10	8	9
River Falls (24)	FG	FT	PF
B. Manion, f.	2	3	1
Hunt, f.	3	2	3
N. Manion, c.	3	2	4
Case, c.	0	0	0
Bliss, g.	2	1	1
Segerstrom, g.	1	0	1

MASS MEETING FINDS STUDENTS PEPPED UP

A peppy mass meeting was held Thursday evening, January 26, in the gym to give the boys the proper send off for the Superior game the following evening.

Spirit was far from lacking. In the first place, a record-breaking crowd was there.

The band contributed their part in livening up things, and the cheer leaders were in the best condition.

The chairman, John Burke, had a short snappy program cooked up.

Prof. Johnson, with his ready store of Scandhiavian jokes, gave a splendid talk on "pep meeting when he was a young feller in school."

(The scene behind the piano is still a mystery. What did Seg play anyway?)

Henry's Quartet sang two numbers that received a hearty applause. The students never tire of hearing this gang sing.

As usual the dessert was saved for the last. Coach Deibold made his first appearance before the student body. Even though his speech wasn't thirty minutes long he said enough, so that the students were impressed by his cleverness, ready wit, and sincerity.

The meeting closed with the time-honored Pledge Song, Onward Falls, and the favorite yells.

DIEBOLD EXPRESSES OPINION OF POSITION

Marshall Diebold of Madison, an all-western guard when he starred on the University of Wisconsin basketball teams, was in Madison Tuesday for a short time and expressed himself as being enthusiastic over his new coaching position at River Falls, where his team has already won two games.

The former Badger star was in a hurry to get back to his coaching duties because of a hard game against Superior normal.

Diebold was on a hurried business trip to Rockford and was in Madison for only a short time.—State Journal.

MANY AG. STUDENTS ATTEND INSTITUTE

Another Farmer's Institute was held in the Legion Hall last Thursday and Friday, which many students in the Agriculture Department and members of the faculty attended. Some of the college men took charge of the crop show which was held in connection with the Institute. The faculty men judged the exhibits.

Mr. May, head of the ag. department, was chairman of the local Institute committee.

Special interest was shown in regard to co-operative marketing of butter, which subject was brought up at the meetings both days. Another topic of special interest was the care and culture of farm orchards.

A spray ring was organized among the farmers of the community, thus giving the future teachers an idea as to how it is done.

Lice of Spife

A Chronicle of the Campus

She's little sweet and hardly shy,
She's black of hair and brown of eye.

We couldn't tell you how or why
An orator should catch her eye,
But that is what did happen.

Who's Who

Raymond Bliss, basket ball captain for 1928, has a long record of achievements behind him. He played stellar basket ball on the River Falls high school team, and in his third year was captain. He was chosen unofficially by several newspapers as all state guard. Last year Bliss played on the college state championship team, where his work was notoriously brilliant and fast. It is very unusual for a second year student to be chosen captain of a college basket ball team, but Bliss has this distinction.

A student says of Bliss, "He is the man for the job. He has the good will of all and that is what gets co-operation."

Tryouts in Extempo Speaking, tonight

Five Men Enter Preliminary Competition; Three Best to Be Chosen by Profs

Preliminaries in extemporaneous speaking will be held in Mr. Mitchell's room at 7:30 on Tuesday, January 31, 1928; three will be chosen from the five competing for the final at school.

The five who are competing Tuesday evening are: "Jack" Davison, "Bob" Smith, "Don" Olson, "Tom" Barry, and "Bong" Luberg. Three of these will be chosen for the school final which will be held in assembly Tuesday, February 7. Mr. Hanna and Mr. Mitchell will act as judges.

The one who is chosen in assembly on Tuesday, February 7, will go to Oshkosh with Burke for the state contest March 16.

Everyone who is interested is invited to attend this preliminary contest.

CITY JOINS COLLEGE IN RINK VENTURE

(Continued from page 1)

dition for the rink was leveled early in the fall, and a new hydrant was installed to insure flooding.

The committee hopes that every person will send home for his skates. We urge the townspeople to join us.

Rules of the Rink

Grade school children may skate only in the afternoon.

The rink manager George White, will be in charge of all games.

No game may be played without his permission.

The lights will be on on Wednesday, Friday, and Saturday.

MUSIC

Lovers of music will be glad to hear that we have prospects of good things in music this year.

A light opera is to be put on in the spring under the direction of Prof. Geere, for the benefit of the music department, in which all musical organizations will take part.

Prof. Geere says he has two or three light operas in mind, but he has not decided which one he will put on.

The quartets, glee clubs, orchestras, and bands will be included in the staging. There will be some dancing of which Miss Smith will have charge.

"The Crucifixion" is to be given Easter by the Mac Dowell Club of the city under the direction of Mr. Geere.

Crise Wacks

But Then They are Room Mates
Betta: I was told last night that I looked like a queen.

Irene: You look more like the deuce.

Bert: Why did you break your engagement with the school teacher?

Bartz: Because she wanted a written excuse from my mother any night I didn't call on her.

Kempter: Have you seen Lohengrin?

Laurie: No but I've heard Minnehaha!

Rodeghier: Don't step on that insect.

Charmoli: Why not?

Rodeghier: It might be the new Ford car.

And That Was That

Raymond: You look like a sensible girl Let's get married.

Mildred: Nothing doing. I'm not as sensible as I look.

What happend to the chauffeur that came out to help you farm, Ed? He crawled under a balky mule to see why he didn't go."

Out At Last

We know now where the word taxi cab originated. It is a short for taxidermist cab. They skin the hide off a fellow.

STUDENT VOICE TO HAVE LOST — FOUND COLUMN

Any students who wish to do so may publish notices of lost or found articles in the Voice. We believe that this is the right of the students, and if they wish any notice to be given, they should drop the same in the Voice box.

Play Ball

Pat: I see where Frances left Atlanta after a short stop.

Kate: Well, she always was crazy about these athletes.

Young Man: "Do you think that after I have bought my girl flowers, taken her to the theatre and to supper afterward, I should have kissed her good night?"

Old Grouch: "No, I think you have done enough for one evening."

Chemistry Note

This interesting bit of information was found in one of our text books. "Chlorine is very injurious to the human body. Therefore the following experiment should be performed only by the instructor."

The speaker waxed eloquent and after his pre-oration on women's rights, he said: "When they take our girls away from our co-educational colleges, as they threaten, what will follow? What will follow, I repeat?"

And a loud masculine voice in the audience replied: "I will."

Heard in the Library

"Have you Colonial Lindberghs book 'It'?"

Wuxtra Speshull—The railway line was flooded on account of the heavy rainstorms, and the traveler was obliged to break his journey at a village. He made his way in the pouring rain into an inn, and said to the waiter there "It is like the Deluge."

"The what?"

"The Deluge. Haven't you read about the Deluge—Noah and the Ark and Mount Ararat?"

"No, sir," said the waiter; "we have had no papers here for three days."—Ellsworth Herald.

Mr. Frazee (impressively): Why should we endeavor to rise by our own efforts?

Howard Lee: There is no knowing when the alarm clock may go wrong.

Do You Remember Way Back When—

If you detected the odor of tobacco in a room you took it for granted a man had been there.

No offence—We like to pass occasionally too

"Should I call you Doctor or Professor?"

"Some people call me an old idiot."

"Oh, but they must be the people who know you very well."

Mr. Goff: "Who wrote these jokes?"

One of the staff: "I did, sir."

Mr. Goff: "Hm. You must be older than you look; I read them over twenty years ago."

Minnie Cohen: Don't you speak to him any more?

B. Volkoff: No; whenever I pass him I give him the geological survey.

Cohen: Geological survey?

Bertha: Yes; that's what is commonly known as the stony stare.

The Mathematical Serpent.

Mr. Frazee: The snake to which I refer, is said to strike with mathematical precision.

Horace Daley: I suppose you mean an adder, sir.

Why He Needed Strengthenin'

Why Rastus, dis are de fust time dat I have seen you at our church. I'se mighty glad to see you here.

"Well, pahson, you see, I need strengthenin' an' had to come. I'se got a job fencin' a watermelon patch and whitewashin' a chicken coop."

HOUSES PASS SCHOOL BILL; ZIMMERAMANS SIGNATURE HOPE FOR

(Continued from page 1)

south room in the basement will be remodelled to provide suitable accommodations for men students. The physical training director will be given a new office. An equipment room will also be provided.

Some remodelling will be carried out in South Hall. The society room will be completely refinished and will be given full equipment in the way of furniture and furnishings. One small room will be annexed to the women's gymnasium as an apparatus room. The room at present used for the geography class room will be utilized for a girls locker room. The Rural Department will be removed to the third floor of South Hall where it will be fitted up with new equipment. These changes will bring about a much more satisfactory organization of the work and has been needed at the school for many years.

Y. W. C. A.

"The Sign We Hang Out" was the topic our discussion was based on last week. Miss Haddow was our leader, and we derived much from the meeting. We drew up the following as a list of signs that would be worth while to hang out:

1. Cheerfulness and courage based upon a sound philosophy.
2. Sympathy and understanding, having for its foundation experience and genuine brotherly love.
3. Dependability on our moral code.
4. Poise and self-confidence based on our intellectual sense of values.
5. Sociability also based upon sound philosophy.
6. Energy founded on good health.
7. Initiative having a definite aim or purpose.
8. Courtesy, thoughtfulness, and friendliness, having for their foundation experience and brotherly love.
9. Sincerity, frankness, and naturalness all based on our moral code.

Miss Haddow concluded the discussion with this verse to be used as our guide:

"Even so let your light shine before men that they may see your good works and glorify your Father who is in heaven."

Mrs. Hoisington, with the help of four girls, will lead the discussion tonight, "If Jesus Should be Your Guest For a Week."

N. C. A.

The N. C. A. met Tuesday evening, January 24, in Miss Arnold's room.

Miss Arnold entirely captivated the audience with her violin solos, which was shown by hearty response which followed her second number. The applause brought from her. "There aint no more."

Mr. Prucha's talk on the development and origin of the Church was very good. He brought many interesting and worth while facts to the N. C. A.

Election of officers followed. Rhenhart Gruber was elected president, Joe Ricci, vice-president, and Mona St. Louis, secretary-treasure.

The next program will be planned and organized by the new officers. Let's have a record-breaking crowd out tonight to support this new staff.

AGRIFALLIAN

Agrifallian meeting Thursday evening at 7:00.

Wanted, a full attendance!

There will be an election of officers for the remainder of the year. Come out and support your party.

A good program is being prepared

by the program committee, who are attempting to show what a good program for a community club should be like.

Special numbers on the program are: Community singing and games; a parliamentary play which will deal with the following resolution: Be it resolved that a society be formed whose duty it shall be to enforce all the rules given out to women students by Miss Hathorn; a rope demonstration and a short talk by one of the members.

The Weld Book
and Art Shop

YOUR CHOICE OF MEATS will always be right if you make your meat purchases from us. For with this market, there is no such thing as an off-day, or an off-color cut. Our meats are superlatively good all the time and we guarantee your absolute satisfaction. How about a nice roast of beef today, or some delicious chops?
