Annual Banquet to be Given for Basketball Men

Captain Will be Elected For Next Year; Johnson to Act as Toastmaster

Freshmen Are Invited

The annual basketball banquet sponsored by the men of the faculty will be given in the college cafeteria Thursday evening at 6:30 o'clock.

The basketball captain for next year will be selected by the lettermen of this year's squad.

A. N. Johnson, member of the athletic council, will be toastmaster. Mr. Johnson has taken charge before and handles that position in very able manner, according to reports.

The freshman squad will be entertained as well as the varsity squad. The banquet is financed by a group of faculty men.

It will be the last year for five men of the squad. Cecil La Dusire, Schofield; Ed Warwick, Barron; and Raymond Helixon, Marshfield, have played the three years permitted in conference competition. Leo Krueger, River Falls and Arnold Larson, Park Falls will graduate this spring.

River Falls has lost two games, each by one point, in the college conference. The games were lost to LaCrosse and Superior on the opponent's floor.

Roeses Take Over River Falls Times

Harry and Nelle Roeses, students at the college, last week became proprietors and editors of the River Falls Times.

The paper last week put out a college edition, featuring sports and the Superior game.

The smell of printers ink is not a new one to the Roeses. Their father was well known as a Wisconsin editor and owned a share in the Times.

Superior Regent Comments on Falls Atmosphere

Regent Curran of Superior visited the college last Friday and attended the basket ball game Friday evening. Mr. Curran writes to President Ames as follows in regard to his visit: "It was indeed a pleasure to be with you and Regent Grimm and have an opportunity to go through your College. I want to congratulate you upon being able to run your institution in the manner that it is quite evident it is being operated.....What I enjoyed as much as anything was the splendid atmosphere of friendliness indicated and expressed by all I came in contact with from your student body, faculty and organization. The basket ball game was one of the best I have ever seen. Both teams did their stuff like nobody's business and gave an exhibition of what I think real basket ball should be like. Your boys gave every evidence of being good sports and reflected a great deal of credit on their coach in so doing. Superior has never experienced finer treatment at any game away from home and we are looking forward with pleasure to meeting you again."

EASTER VACATION

Easter vacation will commence Thursday afternoon, March 24. All classes will be resumed Thursday morning, March 31, at 8:00 o'clock, according to the reports from the office. The vacation has been extended a few days due to a convention held at Madison.

Debaters Represent River Falls in "Round Robin" at St. Thomas

LUCILE GARLEY, '33, has an enviable record in forensic work at the local college.

Falcon Debate Team in Finals

Garley, Smith, Henry, and Merrill Compete With Seven Midwest Colleges

Lucille Garley, Robert Smith, James Henry, and Horace Merrill represented River Falls in a debate elimination tournament held in St. Paul on February 23, 24, and 25.

"It was one of the finest showings that any team representing the school has made, reflecting on the team, the coach, and the school", said J. H. Ames in commenting on the success of the River Falls squad.

The local debaters participated in thirteen debates during the three days. That they were strong contenders throughout was shown by the fact that River Falls and St. Thomas were the two schools to debate for first place on the evening of the last day. St. Thomas took the tournament after winning the decision 2-1, thus getting the large silver loving cup.

Lucille Garley and Robert Smith composed the team that represented River Falls in the final debates. During the contest, they won six of their eight debates. James Henry and Horace Merrill took two of their five debates.

Seven colleges of the northwest from the states of Minnesota, Iowa, Nebraska, North Dakota, and Wisconsin were represented, being invited to compete by St. Thomas. Debaters from the following colleges participated: Creighton University, Oklahoma, Nebraska; Iowa State Teachers College, Cedar Rapids, Iowa; St. Thomas College, St. Paul; Eau Claire, Stevens Point, and River Falls State Teacher Colleges; and Mayville North Dakota Teachers College. E. W. Harrington coaches this last school.

The debaters and their coaches were guests at a banquet given by St. Thomas during their stay in St. Paul.

Tournaments in Bridge, Checkers Comes to Close

The bridge tournament is coming to a rapid close. The finals in the auction and contract groups are to be played this week. Finalists in the auction group are: Kuss-Krueger, Zorn-Hagestad; and Larson-Casey. In the contract group the finalists are: Hammer-Freeman, Cook-Vruwink, and Warwick-Helixon.

The checker tournament is in another characteristic stall. In the lower brackets Schiesser beat Mills and as the finalist Schiesser will meet the winner of the Morton-Hanna game. It is likely Schiesser will confuse his slower moving opponents.

Girls Complete Plans For Their Leap Year Dance

The girls of the school are making plans for a Leap-year party to be held in South Hall on Saturday evening. The committee in charge is composed of: Bernice Smith, Joyce Bergseng and Ruth Robinson. The girls are requested to make the dates, pay the admission, and ask for the dances. The boys will be advised not to ask for the dances, as this will afford the girls a fairer chance. The success of this type of party will depend on whether or not every girl tries to do her part.

Regional Secretary Y. W. C. A. Calls at College

Miss Alice Brown, the regional traveling secretary of the Y. W. C. A. was a guest of Miss Hathorn and the Y. W. C. A. girls on Tuesday.

She was present at a luncheon in the cafeteria Tuesday noon, with Miss Hathorn and the members of the cabinet. In the afternoon there was a tea in the Social Room where all the girls had an opportunity to meet her.

Miss Brown talked with each cabinet member individually and offered suggestions for their work.

Park Analyzes Fight in Orient

Gives Reasons For Enmity Between Nations; Japan Desires Manchuria

Japan cannot control its military clique and is forced to follow its dictates, according to No Yong Park, Harvard alumnus, at a talk in assembly last Thursday morning.

The original hatred, the weakness of China, the rich resources are causes for the enmity between Japan and China.

"Japan wants Manchuria and will resort to most any method to obtain it," said No Yong Park.

Japan furnishes the New World with propaganda to mislead them and try to keep them on their side.

Japan violated all the peace pacts and national unwritten laws of war in their fight against China. They have made disarmament impossible," No Yong Park stated.

Student Voice Staff Will Omit Issue Next Week

The Student Voice staff will not put out a paper next week. Their time will be devoted to reviewing and writing final examinations.

There will be an issue the following week. Several improvements will be adopted with that number.

ROBERT SMITH, '32, a debate veteran, is expected to bolster the River Falls chances in the conference race this year.

'32 Conference Debates Begin

Falcons Meet Whitewater and La Crosse Squads in First Round Clashes

Robert Smith, Leslie Libakken, and Horace Merrill, accompanied by Justin Williams, will leave for Whitewater March 3 where they will debate on Friday evening. On this same night James Henry, Morris Buske, and Lucile Garley, with Raymond and Glenn Benson as alternates will meet La Crosse at River Falls.

The debates held Friday night mark the first conference meeting this year for the local teams. Wisconsin's nine state teachers colleges will all meet their first conference competition this week. The schools having the highest percentages after the first debates will form a triangle to decide the state championship. The second contest will be held the latter part of March.

The question for debate this year is, Resolved: that Congress should enact legislation embodying the essential features of the Stuart-Chase plan for the stabilization of industry. The team remaining at home will present affirmative arguments, and the local team traveling to Whitewater will take the negative stand. The members of the squad have been working on debate since last October. During this time they have held forty non-conference debates with colleges in Wisconsin, Iowa, and Minnesota.

Prof. O. P. McElmeel, debate coach at St. Thomas, will give the decision at River Falls. Prof. A. T. Weaver, head of the public speaking department at Wisconsin university, will listen to the arguments at Whitewater.

The debate will begin at eight o'clock March 4 in the college auditorium. Students will be admitted by presenting their activity cards.

Let's All be Good Sports

By the Editor

Over 75 high school athletes are expected in this city the last of next week. The Students of the college are expected to show them true hospitality. Many of the players will be seniors who are considering some college to attend next fall. Let's make them feel like they would desire to come back to register here.

The school spirit will be increased if the rooming houses will select teams and support them in their games.

In all the games, let us show real sportsmanship and live up to the reputation the River Falls State Teachers college has established.

"Hi" Basketball Quints Appear Here on 9-10-11

Winning Team to Compete in State Tournament Held Later in Madison

H. C. Mason in Charge

The district high school basketball tournament at River Falls will be held from March 9 to 11. The following teams will play: Ialdwin, Boyceville, Hudson, New Richmond, Spring Valley and Woodville. Two games are still to be played between Elk Mound and Elmwood; and River Falls and Colfax to decide on who is to compete in the tournament.

Mr. H. C. Mason, the local district manager, announced that the pairings will be drawn upon results of the elimination games to be played this week.

The winners of the district tournament will go to the state tournament and compete for state honors against the winners of the other fifteen districts.

The teams have been selected on their strength through the season. The committee is composed of representatives at Eau Claire, Superior, River Falls, and Rice Lake who are affiliated with the W. I. A. A. under whose rules the tournament is to be conducted.

Officials for the games are Zorn of Eau Claire and Miller of LaCrosse.

A consolation round is to be played by those teams that are eliminated in the first round. Games will be played in the afternoon and evening at 3:00 and 4:00 and also at 7:30 and 8:30.

Stunt Night to be Sponsored by Y. W.

Keep March 18 an open date on your calendar; for this is Stunt Night. All organizations have been asked to put on a stunt. Every society is expected to participate with a good stunt. The faculty is even expected to be represented this year.

Last year the prize went to the Agrifallians. Who will capture it this year?

Stunt Night has become an annual event at the college. It was well attended last year and greatly enjoyed. It will be held in the college auditorium on March 18.

Watch the Voice for further announcements.

High School Musician to Play at Assembly

Mary Jane Larson, student under Cara Wharton, will be the soloist at the Thursday assembly. Miss Larson, a high school student, will play one of the piano contest pieces this year, "Butterfly" by Grieg, and "Goliwog's Cake Walk" by the modern French composer, Debussy. "A goliwog is a rag doll," says Miss Wharton. "It is very limber and has a hard time standing up. At the end of the dance the composer puts it on its feet with a jerk."

Notice to Graduating Students

All persons graduating at the end of this term are requested to see E. J. Prucha, registrar, before the close of this term.

CARD OF THANKS

I wish to take this opportunity to thank the students, faculty, members of the Agrifallian society, Press club, Senior class for for the kindness and consideration shown during my period of sickness.

Albert C. Hannemann.

Superior Falls Before Falcon Offensive 31-29

Kuss Finds Basket Seven Times; Three Play Last Basketball Game

River Falls won their final conference game over the Superior Yellow-jackets last Friday night 31-29. The victory placed the Falcons in first place with Superior and La Crosse. The River Falls scoring attack was started by Helixon with a long shot. Kuss then followed with a long shot, and Helixon repeated. The Yellow-jackets then called time out. In the resuming play Kuss scored on a short shot, on which he was fouled. Out of four attempts the Falcons had scored four times.

River Falls Steps Out
So far Superior had not counted. Kuss then sank another short shot to put River Falls in the lead 10 to 0. Superior called time out again. The Northerners then scored two points on free throws. Warwick came back with another basket and the score stood 12 to 2.

During the remainder of the half, Superior scored on free throws and only one field goal. At the same time the Falcons scored three additional baskets. The score stood 18 to 13 at the end of the half.

Kuss Finds Basket
Kuss started out the scoring of the second period with two baskets. Superior retaliated with a basket. Helixon was sent out on fouls with the score 22 to 15. With Helixon out, River Falls was greatly handicapped in guarding the fast breaking Superior team closely.

The Yellowjackets gradually reduced the lead established by the Falcons mostly by free throws. With about two minutes to play, the game turned into a rout as both teams desperately fought for possession of the ball.

With one minute left to play, Weiner, chubby Yellowjacket guard, sank a long shot, ending the scoring and bringing Superior's total count within two points of River Falls.

A feature of the game was the floor work and scoring of Kuss, Falcon guard. He led the River Falls attack with 14 points and his dribbling and guarding will long be remembered by those who saw the game. Warwick was second highest with 9 points. Borg and Arnovich starred for Superior.

Long Shots

By ZEKE

The visitors certainly took advantage of their opportunities, they sank 11 out of 12 free throws.

Many of the fans became pop-eyed toward the end of the game. The excitement plus the temperature aided considerably.

Many a stout heart of the grads was strained under the manly vests.

Whitenack's shoe horn aided considerable in squeezing in the fans.

Kuss proved to be the Jonah of the visitors.

River Falls . . . down state village . . . cracker-box gym . . . some of the pleasant thoughts of the sports-writer of the Superior Telegram. He certainly changed his tune to a more respectful note when he wrote up the game.

The officials stood plenty. One sweet young thing tittered, "Dear! Their cute polo shirts are all mussed up." At that, they looked as though they'd been dragged through some knotholes.

Just before the final gun cracked more than half the players plopped to the floor like a tray full of cafeteria glasses. Looked for a moment as if both teams would be disqualified.

Coach Klandrud attended the Tullane-Southern California football picture at the Falls Theatre two times, so they say.

The relative merits of cars were being discussed and a certain freshman was advised that his best bet was to jack up his license and run a new car under it.

The preliminary exercises in zoology are especially beneficial to those boys who occasionally wish to take inventory of their moustaches.

Class Swimmers Prepare For Meet

The annual men's class swimming meet will be held Thursday, March 3 at 4:00 p. m. Captains of the teams are John Schlicht, Marshfield, seniors; Ray Helixon, Marshfield, juniors; Joe Braun, Algoma, sophomores; and Maurice Entner, Osceola, freshmen.

Events of the meet are: 40 yard free style; 40 yard breast stroke; 20 yard back stroke; 80 yard relay; 80 yard free style; plunge; 160 yard relay; 120 yard medley relay; diving.

From a consideration of the recreational swimming hour, it is very likely that many of the records will be broken. The senior class which won the meet last year, is considered the favorite although the juniors will give them some very close competition if not forge ahead. The freshmen are rated as the dark horses.

Augsburg Wins From Falcons by 48-38 Score

Falls Team Handicapped by Illness; Stars Remain Here For Rest For Superior

River Falls met defeat at the hands of Augsburg College of St. Paul last Tuesday night 46 to 38.

The game was fastly and cleanly played throughout. River Falls held a small lead at the half.

Augsburg soon overcame this lead after the start of the second period. They continued to pile up points and the end of the game found them with an eight point advantage.

Morrow and Kuss led the Falcons in scoring.

Mattson and La Dusire remained at River Falls for rest for the Superior game. Had they been in the lineup the result might have been different.

College Faculty Go to Madison for Conference

Improving Quality of the Teachers is General Topic to be Considered

Dr. Evenden, Speaker

More than three-fourths of our faculty is expected to attend the Biennial Conference of the Association of Wisconsin Teachers Colleges at Madison on March 28, 29, and 30. Among the cars that will go to Madison for this purpose are those belonging to Russell Johnston, J. M. May, O. M. Hanna, and A. N. Johnson.

Our faculty has charge of obtaining a speaker for the banquet to be given Monday. Some of the speakers for the conference will be President Frank, Secretary Doudna, and Dr. Mearns. Dr. E. S. Evenden of Columbia will talk at three meetings.

The general problem of the conference "What are the Best Methods of Improving the Quality of the Wisconsin State Teachers Colleges Product", is the general problem of the conference.

The tentative program of the Biennial Conference is given below:

Monday, March 28

2:00 p. m. Welcome by Governor Philip La Follette.
2:10 p. m. "Recent Trends in Teachers' Training" by Dr. E. S. Evenden of Columbia University.
3:00 p. m. La Crosse Report: "Factors to be Considered in Selection at Entrance."
3:30 p. m. Discussion.
4:30 p. m. Adjournment.
6:30 p. m. Banquet. Speaker secured by River Falls Faculty.

Tuesday, March 29

12:00 Adjourn.
12:15 Sectional Luncheon. Speakers, Dr. Mearns or Dr. Meikeljohn, or any member of University of Wisconsin or Minnesota assured by sectional chairman.

The La Crosse, Superior, Platteville, and Oshkosh Teachers' Colleges will give reports on the following questions: "Factors to be Considered in Selection at Entrance"; "Factors to be Considered in Guidance and Selection While in the Institution"; "How May Instruction Within the Teachers Colleges Be Improved"; "What Makes a Teacher Valuable to Teachers' College".

Reproductions of Famous Prints in Art Display

Miss Alberta Greene, head of the art department, had an attractive display of reproductions of pictures and prints by modern French, Italian, and German artists in her room in South Hall last week.

The exhibit, which was open to the public, included some of her own work in etchings, water colors, and paintings.

Several faculty members arranged to purchase some of the pictures after the exhibit. The exhibit is used principally for class projects, but it also creates much interest among art-loving students, it is reported.

Speaks Here Friday

PHILIP LA FOLLETTE, governor of Wisconsin, will speak at the college auditorium, March 18, at 8:00 o'clock p. m.

The Wisconsin governor will speak on outstanding social and political current problems confronting the citizens of the state.

A special assembly for students may be called on Friday if La Follette arrives in time to give an address.

Debaters Enter Final Contest

Lucile Garley to Represent River Falls in the State Extemporaneous Contest

River Falls debaters have worked their way into the final contest which will decide the state championship. By winning from Whitewater in a close debate and by setting back La Crosse with a 100-98 score the debaters will argue with Oshkosh and Platteville for first place.

The affirmative team composed of James Henry, Morris Buske, and Lucile Garley won from La Crosse at River Falls. Robert Smith, Leslie Libakken and Horace Merrill accompanied by Justin Williams traveled to Whitewater and won the debate from the Whitewater affirmative. Prof. O. P. McElmeel of St. Thomas judged the debate at River Falls, while A. T. Weaver of the University of Wisconsin judged at Whitewater.

The River Falls representatives, in winning their first conference debate, have added to the record that has been characteristic of the forensic department.

Oshkosh and Platteville won both of their first debates, and thus should present strong arguments against the local teams.

Lucile Garley has won the local extemporaneous speaking contest, and will go to Milwaukee to enter the state contest which will be held on March 18. The winner in the college contest will represent Wisconsin in the Inter-State Contest, including the states of Iowa, Illinois and Wisconsin.

Falls to Send Delegates to Tulsa National Meet

Plans are being made to have the Forensic Department of the school represented in the National Pi Kappa Delta convention to be held at Tulsa, Oklahoma. The program at the convention will be composed of debates, an extemporaneous speaking contest for men, an oratorical contest for women, an oratorical contest for men, an extemporaneous speaking contest for women, and an extemporaneous reading contest.

If plans are completed, Robert Smith and Horace Merrill will participate in the debates, Lucile Garley in the women's oratorical and speaking contest, and Robert Smith in the men's extemporaneous speaking contest. This arrangement will include River Falls in four of the six contests.

Justin Williams will make the trip with the local representatives to the convention.

Organizations to Put on Stunts in Auditorium

"Stunt Night" is Annual Event at College; Sponsored by Y. W. C. A.

P. Isaacson in Charge

A big evening of entertainment may be had on "Stunt Night", March 16, at 7:30 in the auditorium, according to all reports. The program is being sponsored by the Y. W. C. A., and the admission is fifteen cents.

Pauline Isaacson, president of the Y. W. C. A., is in charge of "Stunt Night". Irma Hathorne, dean of women, has assisted her.

A silver loving cup will be presented to the organization giving the best stunt and there will be additional awards. Twelve school organizations and the faculty will put on stunts. The judges will be Mrs. Sutherland, Mr. Gaustad and Mr. Paynter. Special surprise features will be presented between the stunts. Lollypops will be sold also.

The organizations so far listed to give a stunt are the Y. W. C. A., Newman Club, G. O. P., Forensic Forum, Honor Society, Press Club, Agrifalians, "R" Club, W. A. A., Masquers, and Rural Life Club.

The money raised will be used to help send the Y. W. C. A. delegates to the Lake Geneva Conference held later. Both the Christian organizations send delegates to this conference.

Press Club Are Guests of Mr. and Mrs. R. B. Eide

The members of the Press Club were guests of Mr. and Mrs. R. B. Eide at a banquet in the cafeteria rooms 6:30 Monday evening.

Mr. Eide, advisor, acted as toastmaster. He called on various members of the staff for short talks.

Leonard Warner, Smith-Hughes teacher at Roberts, was present for the banquet. Warner was managing editor of "The Student Voice" last year.

All School Dance Opens Social Events of New Term

The all school dance held in North Hall gymnasium, March 14, opened the social events of the new term.

Arnie Kuss and his Royal Badgers furnished the music. An enjoyable time was had by all, according to reports.

The dance was sponsored by the baseball club. The proceeds will be used to defray expenses of new equipment, trips, and so forth.

Examination "Boners" Furnish Profs Entertainment

"Boners" relieve the dullness of reading examination papers, according to a prominent professor.

A few are listed below:
"Cicero must have been a very careful critic and a very careful writer. His writings are forever emphasizing the point he wishes to emphasize."
"As the moon approaches full and is nearer the earth, it has stronger attraction and effects (sic) the apple."

"Mass in a body is solid, it is the force attracted to the earth. A football player needs mass."
"Since women can vote, voting has ceased to be a privilege."

"Mass is an object that contains weight is what the object weighs."
"When someone applies an epithet to you it is sometimes very hard to reply."

"The average man is rather below normal."
"When it says here 'Compare with civilized communities' it would be alright to take the United States."

The Student Voice Decides to Join NCPA

The River Falls Student Voice has joined the National Collegiate Press Association after investigating several press associations.

This association has in its membership the universities, colleges and teachers colleges of the country. It is open to four year colleges offering degrees.

Some of the outstanding teachers colleges of the country are members of this organization. Unlike the National Scholastic Press Association and the Columbia Press Association, which are principally high school organizations, the NCPA does not believe in rating college papers. Any paper desiring advice on any subject may have it, however, for the asking.

The convention next year is at Tulane University at the time of the Mardi Gras. Efforts will be made to send a Voice representative to the meeting.

New Students Enter for Term

Some Have Attended This Institution Before; Few Withdraw

Six new students, some alumni of the college, enrolled for the spring term at the River Falls State Teachers College.

The newly-enrolled students are Stanley Koenig, Washburn; Glen C. Olson, Holman; Nila Carter, Rhineland; Loretta Jung and Dorothy Davin of New Richmond; and Alfred Falteisek and George Hyatt of River Falls.

There have been few withdrawals, according to reports from the office. Registration of classes for the spring term took place the last part of the preceding week and Monday of this week.

Entrance Tests Reviewed by Johnston at Meeting

Russell Johnston, head of the training school, was the faculty speaker at the meeting of the group last week. Mr. Johnston reviewed the work that had been done at De Kalb and other schools relating to selection of students in these schools.

The tests given at entrance are as effective a method of eliminating undesirable students as the common method of flunking them out later, and less expensive, the tester seems to believe.

Social Group Announces College Masquerade Dance

The Social Committee announces the All-School Masquerade Dance to be given Saturday, April 2 in the North Hall gymnasium.

There will be no charge for admission. Prizes will be awarded for the best individual, couple, and group costume.

Plans are being made to carry out a colonial theme throughout in keeping the Bicentennial celebration of the year. Details will be given later. Watch for them in "The Student Voice".

Publicity Editor Desires Students' Contributions

Students of the college have been asked to contribute their talents to the pictorial bulletin that will appear in a few weeks, according to R. B. Eide, who is in charge.

Miss Alberta Green's art students have submitted cover designs. O. M. Hanna's special class this term in composition will write articles. Frank Vuchetich has taken photographs for it. The bulletin will be made up principally of Meletean cuts. Two thousand copies will be printed. Carroll Grubb, '25, has the contract for the job.

Hudson Wins Silver Trophy at Tournament

Spring Valley Wins the Consolation Prize; Large Crowds See Games

Mason Gives Awards

Before one of the largest crowds in the history of the River Falls district basketball tournament, the rangy Hudson high school team easily defeated the "Fighting Irish" of New Richmond 19-10 for the championship of this district and the right to represent it at the state tournament at Madison to be held the latter part of this month. Hudson had defeated Boyceville and Elk Mound by fair scores to play in the finals while New Richmond scored one point victories over Spring Valley and Woodville.

Spring Valley Wins

In the consolation championship game Spring Valley nosed out the fighting Baldwin team 23-21. The game started slow, but developed into one of the closest games of the tournament as time progressed.

Although bad roads prevailed, the crowd was equal to that of any other tournament held here in the past years. Hudson and New Richmond sent a large delegation to cheer their team on to victory. The doors were opened about 6:15 and at 6:30 all the choice seats were occupied. The early arrivers were entertained by a game between Coach Klandrud's seniors and those who will make up the personnel of the college's future teams.

Mason in Charge

The tournament this year was again in charge of H. C. Mason, principal of the local high school. Immediately after the championship game he announced the three all-tournament teams and presented Hudson with the large silver trophy and Spring Valley with the smaller trophy signifying championships of the district and consolation honors respectively.

The district tournament has always been held here, except last year when the local tournament was transferred to Watertown. High schools of this section objected and held an independent tournament last year, but this year the W. I. A. again shifted the tournament to River Falls. Supporters of high school basketball in this section feel confident that Hudson can make an impressive showing at Madison and thus not cause the W. I. A. any regrets for their action.

Minneapolis Soloist to Present Assembly Program

Adrian Revere, Minneapolis soloist, will present a musical program before the students at assembly, March 17.

Mr. Revere appeared as soloist for the "Community Quartet" in an assembly program held here during summer school. His songs met with great approval according to those who heard him.

Adrian Revere now acts as soloist of the "Sunshine Quartet" which broadcasts over radio station KSTP.

College Students Put Education in Practice

Palmer Severson, a junior from Holmen, and Jewell Crogen, a third-year man from Baldwin, are among the city's regular surveyors. The two men have taken the surveying course offered in the manual arts department and are said to be very proficient at their work. Their most recent project was surveying for a new sewer project carried on by the city on the north side of town.

Walter Hagestad, junior, is making the plans for Russell Johnston's new house. He has been working on these plans for the last few months under the direction of R. E. Spriggs of the Manual Arts Department.

Hudson Defeats New Richmond in Final Game

Sandeen, Jensch, Stevenson Star for Victors: Sias and Walsh Lead Losers

Running true to pre-tournament dope the Hudson high school team captured first place honors in the local district basket ball tournament by defeating New Richmond in the championship game 19-10.

The first few minutes of play looked anything but well for the Hudson supporters when New Richmond started with the gun and garnered three baskets from mid court. The score at the end of the first period was 6-4 in favor of Hudson.

The much larger and more experienced Hudson team soon found its stride and at the end of the first half was leading 13-6. Sandeen, Jensch, and Stevenson were playing an outstanding game.

The third quarter found both teams fighting for supremacy, which developed into the finest defensive quarter of the tournament, neither team registering a field goal or free throw. New Richmond however, suffered the loss of Sias, their offensive and defensive star.

The final quarter again found Hudson taking the upper hand. They passed effectively and did not permit the New Richmond offense to function. New Richmond finally resorted to long shots, which failed to hit their mark, often by inches. During this quarter Hudson worked the ball in close often, but could not make their shots.

The outstanding players in this game were the three mentioned for Hudson and Sias and Walsh for New Richmond. Sandeen with 12 and Sias with 5 were the high scorers.

General Resume of Preliminary Games

By Albert Hannemann

Elk Mound 27—Baldwin 14
Elk Mound upset the dope in the first game of the tournament by defeating the smaller Baldwin team 27-14. The game was fairly close up to the first half, but after this Elk Mound played for rebounds and soon had a comfortable lead. Braaten starred for Elk Mound while Kunny played consistent ball for Baldwin.

Hudson 28—Boyceville 15
Hudson lived up to all expectations in winning from Boyceville 28-15, in the second game of the tournament. Hudson held a 8-2 advantage at the end of the first period, but Boyceville rallied desperately to tie the count at ten all at midway. The third period ended with Hudson holding a 3 point advantage, but after that the Boyceville team tired and Hudson coasted home to victory.

Woodville 19—River Falls 14
River Falls was the victim of an upset when Woodville eked out a five-point victory winning 19-14. River Falls led 4-1 at the end of the first period, but Woodville's giant forward soon was about his work and at the end of the half River Falls trailed 12-6. Solem scored all 12 points for Woodville. This lead was too large for River Falls to overcome and Woodville won 19-14.

New Richmond 20—Spring Valley 19
The first evening game between New Richmond and Spring Valley turned out to be a thriller. The larger New Richmond team held the smaller, but faster, Spring Valley

team at bay during the first half, which ended 12-7 in favor of New Richmond. This meant little to Spring Valley as they had not led a team at midway during the entire season, but had lost only one game. Hanson's sensational play brought the score up to within one point of New Richmond's 16. With one minute to go the score was 18-17 in favor of New Richmond. McLaughlin then sank a long one for Spring Valley to put his team in the lead. On the tip off Walsh of New Richmond got the ball and sank the winning goal as the gun sounded.

Baldwin 35—Boyceville 33
The small crowd that gathered to see who played for consolation honors the following night received the surprise of their life when Baldwin eked out a sensational shooting contest over Boyceville 35-33. Both teams made long shots with amazing accuracy. Baldwin finally winning after staving off a desperate Boyceville rally that fell two points short of tying the score. Kunny at center for Baldwin and Karlen at forward for Boyceville starred.

Spring Valley 17—River Falls 14
Both Spring Valley and River Falls played a superb defensive game in the second consolation play-off. The half ended with River Falls leading 5-4. The offense of both teams failed to click, both being tired from hard games the day before. The third quarter found Spring Valley leading 14-8, but as the game progressed River Falls narrowed this to within three points, Spring Valley winning 17-14.

Thursday evening's games were not covered by the sports reporter. Woodville lost a heartbreaking game to New Richmond 13-12; Hudson recovered in the last half to defeat Elk Mound 38-21.

Spring Valley Wins Consolation Trophy

Spring Valley 23—Baldwin 21
Spring Valley again remained behind the first half in the consolation championship game, but rallied the second half to out point Baldwin 23-21. The Baldwin team held a 12-7 advantage at the half, scoring from far out in the court almost at will.

At the end of the third period the smaller but faster Spring Valley team was still behind, but had narrowed the margin to two points, the score being 15-13. They had apparently solved that highly-touted zone defense which all but Elk Mound found a rather difficult defense to get through. Spring Valley no longer tried to work their bounce passes in close, but shot from mid court more often with fair success.

Baldwin fought desperately, however. After Spring Valley tied the score at 15 all and then again, Baldwin came back with sensational shots to tie the score at 17 and 21 all. The game was anybody's all through the last quarter. Although close, the game was very clean neither team having many personals against it.

Long Shots

By ZEKE

About the only things on most people's minds are the tournament and the exams. The tournament is the only thing on my mind.

Here are two fine high school players: Jensch of Hudson and Kunny of Baldwin. This Kunny plays as cool as a pro.

The Hudson fans had pretty long faces for about eight minutes in the final game with New Richmond. But soon their faces showed smiles, and after that, monotony of routine.

Here's one guy's version of the championship game: "I had a wonderful unobstructed view of the ceiling. The gym was so packed that the census man should been there."

At times Spring Valley showed a very smooth working machine. Their guards knew how to recover lost balls, and how to take them off the backboard.

Big Solum of Woodville should have been the highest scorer in the tournament. His only misfortune was that the opposing team simply would not give him a chance.

Hudson deserves to go to the State Tournament from this district!

I don't think River Falls High produced a very good brand of ball here. Still they have a few good players.

Almost forgot the preliminary to the championship games! Reckon any team in the tournament could learn plenty from those boys. Looks nice to have 1932-1933 beat 1931-1932! That game reminded me of the old maxim: "Where there is smoke there is fire". Those two college teams don't smoke but they had plenty of fire that nite.

Soon the spit-batters and the Ruths start opening their bag of tricks on the baseball diamond. I inquired around to find out who pitched them. One fellow told me Prof. Whitenack. All joking aside, I reckon River Falls State Teachers College will have one of the best baseball clubs in the conference.
