RIVER FALLS STATE COLLEGE

MONDAY, DEC. 7, 1959

River Falls Receives \$38,100 Science Grant

Twenty-three Seniors Named To Who's Who Publication

Twenty-three River Falls seniors will be placed in this year's issue of Who's Who Among Students in America Universities and Colleges.

Delores Anderson, Alma Bents, Barbara Brickner, Carolyn Brown, Rae Buchholz, Shirley Christenson, Beatrice DeGidio, Carl Duch, Byron Gorres, Judith Johnson, Arnold Kaluzny, Carol Korsmo, Curtiss Larson, Wilbur Larson, Patricia Lind, Gerald Marlette, Charles Norelius, Edward Pronschinske, Marion Ross, Gwendolyn Schlough, Edward Schlumpf, David Skoug, and Janeth Taylor will be listed in the publications of leading students in every higher institution in the United States.

Eligibility in Who's Who is based on leadership qualities and scholastic achievement. The annual publication is published in recognition of outstanding college seniors.

A list of 42 candidates from the senior class was submitted by the Student Senate to the faculty personnel committee. The final 23 students were chosen on the basis of scholastic ability and contribution to the school.

Listed below with their extracurricular activities are the seniors who will appear in the publication.

Delores Anderson, from River Falls, English major, speech and physical education minors; AWS board; Vice-President Kappa Delta Pi; Vice-President Sigma Chi Sigma; Publicity Chairman NCTE; Homecoming Queen's Court; Dramatics; Choir; Social Committee; WRA; and LSA.

Anderson Bents

Alma Bents from Comstock, sociology major and psychology minor; Secretary LSA; Vice-President German Club, Secretary Junior Class, Health Sub-Committee, AWS, Choir, Sigma, Kappa Delta Pi, and NCTE.

Barbara Brickner from River Falls, English major and journalism and library science minors;

Young Dems Plan Holiday Banquet

The Young Democrats will hold their Christmas Banquet Monday, Dec. 14 at 5 p.m. The banquet will be held at the Glen Park Lodge.

The main speaker is to be Dr. Philip Anderson of the education department. Dr. Anderson will talk on "Public Education Legislation."

Tickets must be purchased before Thursday, Dec. 10. They may be bought from Lyle Hofacker and Kari Gatten or any of the officers of the club for one dollar and forty cents.

Program Chairman NCTE, President German Club, Publicity Chairman and Coordinator AWS, Student Voice Editor, Sigma, Newman Club and Meletean.

Brickner

Brown

Carolyn Brown, from Somerset, English major and library science, and journalism minors; WRA President, Editor Prologue, LSA, NCTE, Student Voice, German Club, and Meletean.

Buchholz

Christenson

Rae Buchholz, from Ladysmith, elementary major and physical education minor; Chairman Foundation Committee, Treasurer ACE, Treasurer AWS, Secretary Wesley, Vice-President Sitzmarkers, treasurer SN-EA, Falconettes, Band and WRA.

DeGideo

Shirley Christenson, from Chushing, elementary major and

(Continued on page 3)

ABBOTT WILL EDIT NEW 'BADGER NOTES'

Dr. William Abbott, chairman of the department of music at River Falls, has been named editor of a newly created magazine, *Badger Notes*, to be published as the official organ of the Wisconsin Music Teachers Association.

The magazine will include original articles by music teachers of the state, a column reporting new music written throughout the world, a column on Wisconsin composers, membership lists, convention notes, and papers or abstracts of papers read at conventions. There will also be announcements of forthcoming musical events in the state. The first issue is planned for December.

Dr. Abbott was elected president of the Wisconsin Theory Teachers Association, a section of the Wisconsin Music Teachers Association, at the annual convention in Madison recently.

CAMPUS CALENDAR

Monday, Dec. 7

8 p.m. WRA Christmas Party, 101SC.

8 p.m. Basketball game at St. Cloud.

Tuesday, Dec. 8

11 a.m. Class meetings.

8 p.m. AAUW meeting, 201 SC.

Wednesday, Dec. 9

4 p.m. Faculty council meeting, 103SC.

4 p.m. Social Science department meeting, 201SC.

8 p.m. Address by Dr. Caster, LT.

8 p.m. Basketball game, Mankato, St. Bridget's Gym.

Thursday, Dec. 10

11 a.m. Liberal Arts seniors meeting, LT.

11 a.m. M.T.A.I. test, N. H. auditorium.

6:30 p.m. Wrestling, Augsburg, N.H. Gym.

Saturday, Dec. 12

9 a.m. High School Wrestling Tournament, N.H. Gym.

8 p.m. Basketball game at La-Crosse.

Sunday, Dec. 13

7 p.m. Christmas Decorating and Caroling Party, SC.

Will Finance Institute For High School Teachers

A grant of \$38,100 from the National Science Foundation has been awarded to Wisconsin State College at River Falls to finance an eight-week summer institute for high school teachers, it was announced this week by Dr. E. H. Kleinpell, president of the college.

Open to teachers of vocational agriculture who also teach science courses, the "Institute in Chem-

istry and Chemical Advancements in Agriculture" is designed to improve the subject-matter competence of the participating teachers and to strengthen the capacity of the teachers for motivating able students to consider careers in science. The program also is aimed at bringing the teachers into contact with prominent scientists who will participate in the institute.

Director of the institute will be Dr. Richard J. Delorit, Director of the Division of Agriculture at River Falls. The institute will be split into two sessions of four weeks each with the first session beginning June 13 and the second on July 11.

Five members of the college staff will be in charge of instruction with nationally recognized scientists scheduled for lectures. The institute also will feature several field trips. Laboratory facilities of the College will be used and participants will live in college housing during the institute.

Teachers accepted for the program will receive maximum stipends of \$75 a week plus \$15 for each dependent and a travel allowance. Applications to participate in the institute must be postmarked before Feb. 15, 1960, to guarantee that the applicant will be considered, Dr. Delorit said.

FOOD SERVICE SETS MEAL TICKET PLANS

The Slater Food Service has made two types of meal tickets available to college students Ray Loughlin, manager, announced.

A ticket that provides 15 meals for five consecutive days in one week is priced at \$8.75. The other ticket is priced at \$10 and furnishes 21 meals for the week purchased.

The new plan went into effect Nov. 30.

Grainger to Appear Dec. 17

World renowned pianist-composer-conductor and arranger, Percy Grainger, will present the world premiere of his arrangement of "Let's Dance Gay in Green Meadows" in a concert here Dec. 17.

Grainger, who has performed in the Hollywood Bowl and before the crowned heads of Europe, is best known for his arrangement of "Country Gardens". He is also known for his arrangements of English-Australian folk songs.

Accompanying the pianist will be the college symphonic band, which Grainger himself will conduct for selected numbers. The program is to include "Let's Dance Gay in Green Meadows", which has never before been played publicly, his own arrangement of the "Light Hungarian Fantasy" for piano and band, which is believed to have been played only once before, and the "Children's

March", his own original composition.

This marks Grainger's second appearance in River Falls. Two years ago he was the headliner for the Fine Arts Festival on campus.

RF to Offer On-Campus Evening Courses Soon

On-campus evening courses have been organized for the Winter Quarter. The date of the first meetings are Music 174—two credits, 7 p.m., Dec. 8, 301S; Social Science 196-7-8 three credits, 7 p.m., Dec. 8, 227S; Education 111—three credits, 7 p.m., Dec. 8, 212S; and Art 182—three credits, 7 p.m., Dec. 15, 112S.

The regular meeting day may be changed after the first meeting.

Dr. Darr Appears Before Finance Committee Dec. 1

Dr. Richard Darr of the social science department testified on state tax problems before the Joint-Finance Committee, Wisconsin Legislature, Tuesday, Dec. 1.

Dr. Darr, as an economist, was one of several speakers who backed Governor Nelson's tax proposals. Nelson earlier in the day recommended balancing the 1960-61 budget immediately with the windfall from the withholding tax and the supplementary revenue measures.

"In regard to Governor Nelson's tax program, the implementation of withholding would not affect the existing income tax rate structure", Darr said. "The use of withholding makes for more efficient administration of the income tax, and although tax rates remain the same, total tax revenue increases", he added.

In conclusion he said, "My plea is that we not engage in the irresponsibility of our Michigan brethren. The stability of government fiscal affairs should take precedence over political partisanship. If we act irresponsibly in the area of taxation, it is we who will have to bear the guilt for wrecking fiscal havoc on our increasing number of new citizens."

PERFORMING AT THURSDAY'S International Talent Show was this group of River Falls High School Girls: Bev Nelson, Sandy Nelson, Maralee McLaughlin, Pat Lundberg, Gloria Linehan, Jeri Ritchey, and Ida Mae Johnson. Photo by Blegen)

The Editor Speaks . .

Grainger Will Present World Premiere Concert

River Falls students will have the opportunity to broaden their cultural education next week (Dec. 17) when Percy Grainger, noted pianist and composer will appear on campus. He is to present the world premiere of his arrangement of "Let's Dance Gay in Green Meadows."

Grainger also appeared on campus during the 1958 Fine Arts Festival. He was very much impressed with the quality of the concert band and will again conduct the group in a few numbers.

Some of his works, known throughout the world, include "Country Gardens", "Mock Morris", "Shepherds Hey", and "Molly on the Shore". His life time total runs higher than 400 songs.

Grainger was born in Melbourne, Australia, in 1882 and made his concert debut as a pianist at the age of 10. He is also a specialist in folk songs, specializing in English-Australian arrangements.

The concert will be one of the college's finest entertainment highlights of the year. All students are urged to attend the world premiere.

A REMINDER

Students are reminded that there are cards, chess, and checkers available at the game room counter at no charge. Bridge lessons will not be held until after Christmas vacation.

Cost of Higher Education Will Continue to Increase

Who is going to pay the increased cost of higher education, the student or the taxpayer?

That question is generating heated discussion in Wisconsin and throughout the nation as college enrollments expand and educational expenditures travel the inflation spiral. In the final analysis, of course, it's probably the father-taxpayer who foots the bill, or much of it.

Tuition costs have increased at almost every college and university — whether state supported or private. Last year, for example, the national average tuition cost per year was \$221.50 for a state resident. This year it's up \$229. At the Wisconsin State Colleges this year it's nearly \$200, depending on a school's student activity fee.

These tuition increases have caused some to insist that education is in danger of pricing itself out of the market for capable students who have little or no support from their families and not much in the line of scholarship assistance.

Others retort, however, that such students should attempt to

procure low interest rate loans from state or federal governments, and they rejoice that people are beginning to recognize that it is as valid to borrow for an education as to borrow for the purchase of an automobile or washing machine.

Yet some see a danger that potential school teachers will go so far into debt that they will find it difficult to get out because their extensive training does not culminate in expansive salaries.

It is the contention of some that people with low incomes who complain about increased state levies for education are actually benefited because then the tuition does not increase and their children are more able to get a higher education. And getting such an education — if surveys and statistics are valid — will mean increased future incomes and more tax revenues to support the educational structure.

Interested individuals have suggested a flexible fee scale based on a student's means and talent as a partial solution to these problems.

And so it goes.

AROUND THE CAMPUS

Chess Club

The Chess Club will hold its first meeting of the year Wednesday, Dec. 9, at 7 p.m. in 218S. The club invites all persons who are interested in learning to play chess to attend.

Covenant Club

The Covenant Club will meet Tuesday, Dec. 8, at 7 p.m. at the Covenant Church. Rev. Beirdman is to be the guest speaker.

L.S.A.

The LSA will go caroling Tuesday, Dec. 8. Interested persons should meet at the church at 7:30 p.m. and bring a 25c gift. Refreshments will be served.

Tickets are now on sale in the Hagestad Memorial Student Center for the LSA Christmas Centquet, Sunday, Dec. 13.

M.T.A.I.

The M.T.A.I. Test is to be given Thursday, Dec. 10, at 11 a.m. in North Hall Auditorium. Third term sophomores and those sophomores and those students in Senior Division who have not already taken it should take the test at this time.

Music Students

All students registered for Music 26 A, B, or C and Music 27 (Class Piano) for the Winter Quarter will meet tonight at 7 p.m. in 321S for scheduling purposes.

College Qualification Test

The College Qualification Test will be given Thursday, Dec. 17 at 10 a.m. in the North Hall Auditorium for students entering Winter Quarter and those students who still require this test.

SNEA

The Student National Education Association will have their annual Christmas party on Wednesday, Dec. 9, at 7 p.m. in 205N. The party will include caroling, recreation and lunch. Members are asked to bring a 25c gift.

Math and Chem Club

The annual Chemistry and Math Club Christmas Banquet is scheduled for Thursday, Dec. 10, at 6:30 p.m. in the Student Center private dining room. Tickets priced at \$1.50 may be purchased from the officers of either organization.

Newman Club

There will be a Newman Club meeting Tuesday, Dec. 8, at 7 p.m. in 121S. A tree trimming party is scheduled for after the meeting at the Newman Center.

Mass will be on Wednesday, at 5:15 p.m. Rosary is said every Monday, Tuesday, and Thursday at 6:15 p.m. and Benediction is after Rosary on Thursday.

Wesley

The Wesley Foundation will be the guests of the USF at a party Tuesday, Dec. 8 at the Congregational Church.

Le Cercle Francais

There will be a meeting of the French Club on Wednesday, December 9, at 7 p.m. in the Social Room. Pictures will be taken for the Meletean.

Classified Advertising

LOST: Blue, wool, plaid scarf and pair of gray wool gloves on Second Street. Reward offered. Telephone HA 5-7364.

WANTED: Persons to form a car pool to and from St. Paul. Riders will be at school at 8 a.m. and leave at 4 p.m. Monday through Friday. Possible meeting places are White Bear Av. and Hudson Rd. or Tanner's Lake Rd. and Hudson Rd. Interested persons can call St. Paul PR 1-3820 and ask for Ken for information

"OH, I'M NOT TAKING ANY COURSES THIS TERM. I'M ON THE STUDENT COUNCIL, THE PARTY COMMITTEE, THE NEWSPAPER, THE YEARBOOK, THE....."

College Offers 'Tools' For Teaching 'Artist'

by Glenn D. Tinkham
Division of Education

Hundreds of students enrolled here at River Falls are looking forward to teaching. If you become a good teacher, you will possess the skills which study and experience bring and which prompt me to state that teaching is an art.

Certain courses in education are to help you examine and re-evaluate your decision to become a teacher. They are meant to assist, not hinder. Since education in America has become of prime importance to our health, happiness and very existence, I think all of us who teach should be certain we are qualified to be classified as ARTISTS, whose art is teaching.

Education, like religion, democracy and love, are enterprises so complicated - so intangible - that the concepts are not easily agreed upon; the more reason why teachers should represent the very finest segment of American society.

What to teach, how to teach, when to teach? - these and other questions must find their answers in responsible and competent teachers all over America, if they are ever to be satisfactorily answered for thousands of boys and girls. The search for TRUTH would seem to be our ultimate goal and the purpose of education in the United States of America the development of each individual for the fullest partici-

pation in the American democratic way of life. And schools and school teachers should ever emphasize the worth and dignity of all essential work.

"I have always thought that the joy and thrill of actually discovering, or helping another discover some bit of new truth is the keenest intellectual satisfaction the mind and heart can know.

"Art thou in earnest- Sieze thou this very minute and what thou canst or think thou canst, begin it!" May you not suffer from the fallacy of forever getting ready. Be not a victim, so to speak of what TOLSTOY once called "The share of preparation." Let not today or tomorrow be just a DULL preparation for tomorrow or the next day. Why not make your college courses the tools and techniques of the ARTIST who teaches.

My best wishes to each and every River Falls student who is giving serious thought to the teaching profession. May you someday experience the GLOW of teaching.

Note of Thanks

I wish to express my sincere appreciation to the Slater Food Service for the delightful birthday party. I commend them on the hospitality they showed me and the other members of my party.

Dr. Caster to Discuss Atomic Fallout Hazards

Fallout Hazards will be the subject of a public meeting to be held in the Little Theater Wednesday, Dec. 9 at 8 p.m. Dr. W. O. Caster, speaker for the evening, is assistant professor in physiological chemistry department at the University of Minnesota, and member of the Minnesota Atomic Development Problems Committee. Slides will be shown to illustrate the talk.

Dr. B. H. Kettelkamp, head of the Biology Department here at the College, is chairman of the meeting. A panel of well known River Falls people will comment and ask questions. There will also be a question period for the audience. The Ecumenical Study Group, made up of Methodist, Congregational, and Lutheran students at the College, and the Human Survival Committee of River Falls are sponsoring the meeting.

The panel chosen represents a diversity of interests in the community: Mr. Oliver Lumphrey, a civic leader and business man; Mr. Peter Muto, chemist and instructor in the Science Department here; Dr. F. O. Grassl, a medical doctor; Mrs. Bert Halberg, a teacher and mother of three children; and Mrs. Carol

Jennings Hanson, college student. Dr. Caster has studied the biological effect of radiation as Public Health Special Research Fellow of the National Heart Institute. As member of the Minnesota Atomic Development Problems Committee he is chairman

Dr. Caster

of their Task Group on Known Quantitative Standards for Determining Degrees of Hazard to Human Beings from Radiation.

A collection will be taken at the meeting to defray the expenses of the speaker and to help toward sending a college student to the International Conference on Strategic Frontiers of the Church in the World Today.

Coach Bergsrud Announces Plans For I-M Sports

BASKETBALL

The intramural basketball season officially begins tonight at 5 p.m. in the North Hall Gymnasium. Two leagues have been formed this season. They are the "E" League with eight teams entered for competition and the "F" League consisting of eleven teams. All team captains are urged to check the schedule posted in the basement of North Hall.

PING PONG

The Fall Quarter table tennis tournament has not been completed. All persons who entered are urged to check the brackets in the basement of North Hall.

BADMINTON

More men are needed for the intramural badminton tournament scheduled to be held early in the Winter Quarter. Participants are needed in both the singles and the doubles. Sign up in North Hall basement.

OFFICIATING

All men interested in officiating intramural basketball are asked to contact Ben Bergsrud in the coach's office this week.

Falcon Wrestlers Top Stout In Pre-Holiday Skirmish

Larry Julien continued his winning ways as the Falcon wrestling team bounded off to a 22-15 win over Stout in the season's first encounter November 24 at the North Hall gym. Two forfeits in the 123 and 130 lb. weight divisions got River Falls started on the right foot and they were never headed.

Dick Culver got five points for the River Falls cause by applying the pin on Stout's Jim Schlumpf at 4:06 to make it 15-0 in favor of coach Byron James' Falcons.

RF's Pat Mrotek then wrestled to a 3-3 draw with Bluedevil's Fred Loomis and the team score read 17-2. Mrotek had a 3-2 lead at the conclusion of the match but Loomis picked up a point for riding time to gain the tie.

The visitors' Jerry Holabuts got an escape and a takedown for three points against Dave Garlie and made it stand up for 3-1 victory. But Stout still trailed by 17-5.

Things got closer as the meet progressed thanks to the efforts of Don Keller and Leon Stephenson of the visitors. Keller beat Jerry Halverson 2-0 for three more team points and Stephenson pinned LeRoy Watrud in 2:08 to pull Stout to within four at 17-13.

Neither Stout nor River Falls had a man in the 191 lb. division, so Ed Schlumpf (139) and Dave Nilssen (161) entered the division. Schlumpf jumped off to a 3-0 lead in the second period but

quickly lost it. The River Falls wrestler had a 5-4 lead when the match ended but Nilssen gained a point for riding time and the match wound up in a draw. This gave River Falls and Stout both two team points and the score read 19-15 with only the heavy-weight match remaining.

Larry Julien wasted little time in demonstrating who was the boss in this one but couldn't get in position for a pin. He wound up with a 2-0 decision however and the Falcons had win number one under their belt by a score of 22-15.

River Falls suffered in the middle weights when they were forced to enter men lighter than their opponents. Jim Drummy, the Falcons' regular 167 pounder was declared ineligible until the winter quarter and thus had to sit out the Stout match. This prompted some shuffling in the RF lineup that left the 150 lb. Watrud wrestling in the 177 lb. class and the 157 lb. Halverson grappling in the 167 lb. division.

Falcons Drop Pair of High-Scoring Thrillers

Auggies Nip Pagemen As Johnson Stars In Overtime Opener

by Eddie Fisk

The River Falls Falcons bowed to a spirited Augsburg five Thursday night 93-89 in an overtime game held in the Minneapolis Armory.

The Falcons were lead by freshman Charlie Johnson with 27 points and 14 rebounds while teammate John Lauber added 20 points. Dick Thompson and Pete Lier shared scoring honors for the Auggies with 24 and 23 points respectively.

The Red and White held a quick 2-0 lead but then dropped behind until a Mick Lauber free throw and a Collins jump shot sent the Falcons into the lead 21-19 with nine minutes remaining in the first half. The next five minutes saw the Falcons outscore the Auggies 14-6 giving the Big Red a sizeable 12 point lead.

The second half once again found Johnson and Lauber brothers hitting the nets with consistency and with ten minutes left in the game the Falcons pushed their lead to 15 points 72-57. Fred Halverson, 6'6" center for the Auggies, hit on a pair of jump shots and a follow up and two jump shots by Thompson cut the Falcon lead to five points 72-67.

Within two minutes Mick Collins and Gary Sharfenburg fouled out forcing Page to send in his reserves. Once more the Auggies hit a hot streak and tied the score 80-80. A pair of charity tosses by Mick Lauber and a tip in by Lowell Ziemann tied the game at 82-82. With only four seconds left Johnson had a free throw but missed it sending the game into an overtime.

The Falcons held on to a two point lead for the first three and a half minutes of the overtime but Augsburg went ahead to stay on a lay up by Thompson giving the Auggies a hard earned 93-89 victory.

When asked what he thought of the Falcon opener Coach Don Page said, "I was pleased with the way we played but not pleased with the outcome." The loss of two of our regulars meant a lot in the outcome of the game and we will need additional strength from our reserves.

CHARLIE JOHNSON (45), the Falcons 6-5 center, gets two easy points on this layup against Augsburg last Thursday night. The lanky pivot-man poured in 27 points in his first college game and came back with 24 against Bethel Saturday. (Photo by Harmann)

RF Grapplers to Entertain Augsburg Matmen Thursday

This Friday evening Byron James' wrestling squad faces Augsburg at home. It will be their last meet before the holidays. Both teams were entered in the Carleton Invitational meet last Saturday, the results of which are unknown as this article is written.

The Auggies, under coach Edor Nelson, have a 1-1 record as this paper goes to press. In their first match against St. John's the Auggies were defeated 29-13. Last week they snapped back with an impressive victory over Concordia Junior (St. Paul) 31-8.

In the Falcons' first match they toppled Stout State 22-15. Members of the Falcon squad and their prospective opponents are as follows:

Jerome Braun, a sophomore letter winner Loyal, does his wrestling in the 123 pound division. Braun had no high school experience and won his first match this year by a forfeit.

Dale Diedrich heads the 130 pound class. Dale is another letter winner who had no high school experience at Athens. He

will probably face Jeff Peterson who won the MISL championship in his weight class for three consecutive years.

In the 137 pound class Richard Culver will probably get the nod over John Gorres, mainly on his showing against Stout. Culver is a freshman from Ellsworth with a year's experience. His opponent for the meet will be Jerry Larson, a sophomore at Augsburg.

Coach James has not made a definite choice on his 147 pound entry. Arlyn Mrotek, Jerome Halverson, and James Kanable are fighting for the opening position.

In the 157 pound class, David Garke, freshman from Northfield, Minn., will probably face Oscar Blegen. Garke has had three years of high school experience and was captain of his high school team.

James Drummy, ineligible last quarter, returns to the 167 pound class where he earned a letter last season. Drummy's opponent appears to be Chuck Daggett. He was the 167 pound champion of the MIAC conference last year. He also was named the "most outstanding wrestler".

Norman Johnson, freshman from River Falls with no high school experience, will be the Falcons' representative in the 177 pound class. Chriss Wagner, Minnesota state high school champion, will be his opponent.

In the heavyweight class Larry Julien, sophomore letter winner from Fairchild, will face Paul Casperson or Bob Tufford. Julien won the Wisconsin State Championship last year and finished the season with a fine 16-3 record.

Fran's Fledglings Down Determined Stillwater Team

by Curt Thurston

Coach Fran Polsfoot's Frosh team opened their season in St. Bridget's new gymnasium with a 75-73 victory over the Stillwater City team Saturday.

The Falcon Frosh jumped off to an early 10-6 lead, but the Stillwater team closed the gap and forged ahead 17-16. Then Tom Sempf led an attack which saw Polsfoot's boys score 14 quick points while Stillwater couldn't buy a basket.

At half-time the score read River Falls 43, Stillwater 33.

During the early part of the second half the Frosh continued to hold their ten-point advantage. At one time midway through the second half they increased their lead to 60-46. At this time the Stillwater team finally found their scoring eye. As they began to close the gap the Falcon team showed signs of weariness. The Stillwater squad spurred to within 3 points of the Falcons but the rally fell short.

Tom Sempf lead the Frosh with 14 and Rog Lange had 12.

Stillwater's leading scorer was former Falcon Dan Corcoran with 15 and Thompson with 14.

Three Falcons Hit In 20's But Bethel Posts 88-83 Win

by Jim McGann

The River Falls Falcons lost a real heartbreaker to Bethel College of St. Paul, 88-83, in a non-conference cage outing Saturday night at St. Bridget's Gymnasium.

Both teams played great basketball. The fans witnessed beautiful hook shots, hard driving lay ups, and terrific outside shots.

Collins

The floor play of both teams was also outstanding.

Bethel's main victory weapon was outside shooting. Merwyn Sheplee, the Royals scrappy little guard, put on quite a show, hitting on nine goals of 12 feet or more.

Bethel guard Dale Eckblad, opened the scoring in the first half with a jump shot from five feet out. John Lauber hit from the side to tie the score at 2 all and the show was underway. Wayne Kindall and Sheplee, the Royals one-two punch, sparked their team to a 25-18 lead midway through the first half. Mick Lauber and Mick Collins added a little scoring zip and the Falcons came to life, outscoring the visitors 22 to 14 in the final 8½ minutes to go in front 40-39 at intermission.

The Royals were back to their old tricks in the second half. They couldn't miss from outside. At one time Bethel held a 70-61 lead over River Falls.

The Falcons stormed back on the strength of some fine shooting from Charlie Johnson, Mick Lauber, and Collins, but it wasn't enough to overcome Bethel's lead.

The Falcon five came within two points of the Royals, 83-81 late in the game. Bethel then tossed in five free throws to tuck away the victory. With the final seconds ticking away, Charlie Johnson swished a short side shot to end the Falcons scoring.

Sheplee led Bethel's scoring attack with 26 points. Kindall, Truman Turnquist, and John Peterson chipped in with 21, 17, and 15 points respectively.

Johnson was high point man for Coach Don Page's crew with 24. The Falcon's big center also did a fine job on the boards. Mick Lauber, a real spark plug to RF's offense, followed with 22 points. Mick Collins, a real hustler, did a great job in the clutch for River Falls. He finished the night with 21 points.

Mrotek Gains Secood In Carleton's 10th Annual Mat Tourney

Pat Mrotek, a former Golden Glove boxer, paced Coach Byron James' Falcon wrestlers to a 10th place finish in the 10th annual Carleton Invitational tourney held there Saturday. Mrotek, went all the way to the finals on the strength of an opening round bye, a 3-0 decision over Concordia's Carlson, and a 3-1 verdict over Fletcher of Gustavus Adolphus, before losing a 5-1 decision to the

Mrotek

champion, Ron Musil of Winona.

Dale Diedrich won two matches in the 130 lb. class pinning his opponent from Concordia and

Biology Students Plan Beta Beta Beta Chapter

by William Finlan

The first meeting of the biology students for the purpose of establishing a chapter of Beta Beta Beta on campus will be held Jan. 5 at 7:30 p.m. in the biology laboratory (320N).

Students attending the meeting will be presented with two proposals. The first, advantages and disadvantages of establishing a National Honorary Society of Beta Beta Beta here on campus. This is an honorary society for under-graduates in biology. Individual expenses and prestige involvement will be explained and discussed. In the event the students decide not to accept Beta Beta Beta the possibilities of developing a Biology Club on campus will be presented and discussed.

The Beta Beta Beta Society requires that interested students be in the upper half of their respective class (a 2 point average or better), and that the student is in his fourth semester or in the third quarter of his sophomore year.

Students will probably be required to meet these standards for admittance to a biology organization here at River Falls. However the standards of the organization will be discussed and established by the students who participate in the organization.

The January 5 meeting will consist of a get together, a discussion, a snack and coffee.

Students interested in helping to make this first meeting a success are asked to contact Bill Finlan before Christmas vacation.

WOMENS RECREATION ASSOCIATION NEWS

by Gretchen Mallory

The WRA will have a Christmas "Splash Party" at 8 p.m. tonight in the North Hall pool. There will be games in and out of the pool and refreshments will be served. Admission will be 1c per inch of the length of the right foot. Because of this party the badminton tournaments will be postponed until next week.

Results of this week's bowling tournament were Strike Tykes over Spare Squares 837-756; Pin-Ups over Nebishes 787-777; Four Strikes over Gutter Rats, forfeit; and Tarnished Angels over Alley Cats, forfeit. Individual high scorers were Jean Bhyre 143; Toots Hunter 140; Shirley Parker 132; Pat Grant 131; and Jean Lindquist and LaDonna Lewis 128.

Berquist Wins First Place In Iowa Reading Conference

Kenneth Berquist, senior from Amery, won first place in an Interpretative Reading contest at the State University of Iowa's Conference on World Affairs Friday and Saturday. Berquist read a selection from the William Faulkner's short story "The Tall Men".

In addition to winning the reading event Berquist received an excellent rating in discussion.

Other students making the trip and participating in discussion and debate were Arlo Miller, junior from Amery; John Rice, sophomore from Ellsworth; Judith Harmon, sophomore from Clear Lake; and Anita Munson, sophomore from Minneapolis.

SWAMI SAYS

By Ed Schlumpf

Get out and see those Falcon basketballers at St. Bridget's this Wednesday! Though they lost their first two games they've left little to be desired as far as action-packed play is concerned.

They hit 89 points against Augsburg in the season opener despite the fact that five players were competing in their first college game and then followed it up with 83 points against Bethel on a night when they weren't really hot from the field. Guess is that the Pagemen will be really exciting to watch this year with their new fast-break style of play.

Charlie Johnson is going to be tremendous, Mick Lauber looks like the Mick of old, and Mick Collins has finally added some scoring punch to his defensive abilities. The whole team looks good.

An affirmative team from Wisconsin State College at River Falls won two of three debates at the Twin City Debate League meet at the University of Minnesota Thursday. The team was composed of Jean McMillan, sophomore from Stillwater, and Carol Hanson, sophomore from Mondovi.

Others competing in the Twin City meet were Jackson Huntley, junior from Garntsburg; Leroy Watrud, freshman from Clayton; Wayne Hendrickson and Robert Richardson, freshman from Spring Valley.

WRESTLING —

(Continued from page 5)

decisioning his foe from Gustavus. Two losses sandwiched in between the wins kept him from placing.

Larry Julien, the Falcons, champion heavyweight started off with a bang by pinning Philipson of St. John's but got a dose of his own medicine from his Luther opponent while leading 9-2! In the 167 lb. division, Jim Drummy opened with a 2-0 decision over Burch of Carleton but then lost to Johnson of St. Olaf by 3-0.

Tom Kluck got by the first round by chalking up a 3-0 verdict over Loucks of Concordia but then dropped a 5-0 count to St. Marie of St. Cloud.

In other action Tommy Braun got a bye and then lost a decision; Marv Gorres was pinned by his St. Thomas opponent; Dave Garlie lost a close 1-0 decision to his Augsburg foe; and Jerry Halverson lost twice in the 177 lb. class.

St. Cloud took the team title with a total of 72 points as Winona State finished in the runner-up spot with 64. Winona had four individual champions including their sensational heavyweight Jerry Wedemeier, the defending NAIA champion. He pinned all opponents Saturday in times of 1:07, 42 seconds and 1:37!
