VOLUME XLVI NUMBER 19 RIVER FALLS STATE COLLEGE MONDAY, FEBRUARY 8, 1960

## Legislature Lengthens Summer School Session

The summer school session at River Falls, by authority of the Wisconsin State Legislature, has been increased to an eight week period which will allow students to enroll in up to thirteen credit hours of study. In previous years there has been a six week summer session with a maximum of nine credit hours available. The 1960 summer school program will begin on June 13 and will dismiss on August 5.

One of the most notable innovations of the extended summer session will be the addition of a graduate program leading to a Master of Science Degree in Teaching.

Upon the recommendation of the Joint Standing Committee on Higher Education, an experimental graduate program for experienced elementary and secondary school teachers is to be initiated and offered by the state colleges and the University beginning with the summer session of 1960. The program will also be open to graduating seniors who plan to teach. Such seniors would be eligible to continue the graduate program after one year of teaching.

The basic purpose of the program is to augment the preparation of experienced elementary and secondary school teachers. Research has shown that Wisconsin has a noticeable lack of teachers with a Master's Degree in comparison to neighboring states, and that of the teachers who do have their Master's, a greater amount of them are in the field of administration than in education.

In the summer of 1960, the State Colleges will be offering basic courses for the graduate program. It will offer non-specialized courses, with plans of developing into specialized fields next year.

The program is experimental in that it moves in new directions. It offers a new type of graduate study for the classroom teacher,

particularly the career teacher.

Three to six credits are to be taken in liberal arts foundation courses (general education), three to six credits in education, and twelve to fifteen credits in academic specialization. There is flexibility wherein each program will be tailored to meet the needs of the experienced teacher who seeks to improve himself.

Present plans call for about one-half of the graduate work to be taken at the various state colleges, and the other one-half either at Superior or the University, where the Master's Degree will be awarded. It is expected that the graduate program will be developed within the next few years so that other state colleges will be able to offer all of the necessary graduate work leading to the Master's Degree of Science in Teaching.

## Graham Accepts Position On Sen. Proxmire's Staff

Dr. Charles J. Graham, associate professor of political science, is taking a leave of absence to accept a position as legislative assistant to Wisconsin's Senator William Proxmire.

Graham will leave for Washington at the end of this month, where he will remain until Sept. 1. As legislative assistant he will help prepare bills to be introduced by Senator Proxmire and will do research on other legislation.

Commenting on his appointment Dr. Graham said, "I feel this will afford an excellent opportunity to observe the workings of government at first hand. I am looking forward to returning

Graham

to the campus and the classroom with an experience which will be of great help in teaching."

He was graduated with the A.B. Degree from the University of Illinois in 1950 and subsequently completed work on his M.A. and Ph.D Degrees at that institution. At Illinois he was member of Phi Kappa Phi, Phi Beta Phi, and held a University Fellowship and the James W. Garner Fellowship in Political Science. He has been a member of the faculty at River Falls since 1954.

Graham has also served as visiting lecturer at the University of Wisconsin and the University of Illinois. He worked in Washington in 1953 and 1954 as management intern and contract negotiator with the U.S. Navy Department, Bureau of Ships.

His wife and three children will join him in Washington in March.

## Foundation Gets Gift of \$500 for Student Loans

A gift of \$500 has been donated to the River Falls State College Foundation for the purpose of establishing a loan fund for students majoring in elementary education.

The gift was made by R. A. Gardiner, regional manager for E. M. Hale and Company, Publishers. Mr. Gardiner lives at Naperville, Ill. He was graduated from Wisconsin State College at River Falls in 1936 with the bachelor of education degree.

This is a short term loan fund given to elementary students in the degree program. The loans are interest free on a six-months basis.

Mr. Gardiner felt that many students were handicapped by a temporary lack of funds and this donation would enable them to further their educational program. Application should be made through the Dean's Office.

## R F Film Service To Begin Tuesday

"Beauty and the Beast", the first of four movies contracted for a Falcon Film Series, will be shown in the Little Theater Tuesday, Feb. 9, at 8:30 in the evening.

"Beauty and the Beast" was adapted by Jean Cocteau from the original fairy tale by Mme. Le-Prince de Beaumont. "A haunting classic of imaginative cinema, with magnificent technical artistry, Cocteau's retelling of the story of Beauty and the Beast becomes a modern parable of the eternal struggle between good and evil. A girl's faith is rewarded by love — this theme is developed in the subtlest, most visually exciting style of the man who has been called 'poet of the screen'".

The film has been credited with the Prix Louis Dellus award. "A sensuously fascinating film... priceless, gorgeous, exquisite," said the New York Times in a review of the film. Newsweek termed it a "brilliant example of what cameras can do with a poet in charge."

Remaining films of the Falcon Film series to be shown in the Little Theater are "Potemkin", "Open City", and "Camille".

Single admission to the films will be \$.50. Season tickets for the entire series are \$1.50. Tickets are now on sale in the college bookstore.

## Y-Dem Group Supports Hubert Humphrey Club

Karl Schmid, junior from Chilton, was elected chairman of the newly-formed "Humphrey for President" Club at its first meeting last week.

Lyle Hofacker, senior from Elmwood, was chosen executive secretary-treasurer. Roger Schaller, sophomore from Stillwater, and Larry Gansluckner, senior from Plum City, are in charge of publicity.

The state constitution of the Young Democrats states that no Young Dems can endorse a candidate before the primary election. However, individual members may support the candidate of their choice.

## Top Politicians Will Debate Wisconsin's Tax Problems

by Dayle Maloney

North Hall Auditorium and H. T. Hagestad Memorial Center will become political battlegrounds Wednesday and Thursday when state political leaders appear at the third annual Grassroots Politics Conference.

Headlining the conference are Gov. Gaylor A. Nelson, Philip G. Kuehn, State Sen. Robert P. Knowles, and State Sen. Lynn E. Stalbaum.

Gov. Nelson will open the conference Wednesday with an 8 p.m. address in North Hall Auditorium. The governor is expected to defend his administrations' tax policy and outline his proposed withholding tax program. Kuehn, Republican gubernatorial hopeful, will speak in North Hall Thursday at 11 a.m. The former chairman of the Wisconsin Republican Party will undoubtedly blast the governor's tax structure, for he has stated that taxes should be the main issue in the upcoming campaign.

This clash may ignite a political fireworks that could continue until the November election.

A debate between State Senators Robert P. Knowles (Rep., 9th District) and Lynn E. Stalbaum (Dem., 21st District) will highlight the Young Democrat-Young Republican Banquet Thursday evening in the Student Center. The senators will debate which party can give the strongest financial leadership in Wisconsin.

Tickets for the banquet can be purchased for \$1.50 from any Young-Dem or Young-GOP member.

Several other speeches are also planned for the conference. Prof. Harold M. Groves, co-chairman of the University of Wisconsin tax impact study committee, will appear in the Little Theatre at 10 a.m. Thursday. His

topic will be "Who Pays Wisconsin's Taxes?"

Prof. Ralph K. Huitt, director of the Wisconsin Citizenship Clearing House (WCCH), will speak at the WCCH luncheon Thursday noon in the Student Center.

"Does Wisconsin Need More Revenue?" will be the subject of a panel discussion Thursday afternoon at 2 p.m. Five well-qualified speakers from various state organizations will participate in the panel.

"Each session of the conference will be open to questions from the audience," says Dr. Charles J. Graham, conference chairman. "We believe the question periods will be an important part of each session."

The conference is sponsored by the Social Science Department and the Wisconsin Citizenship Clearing House.

## Journal Publishes Wurman Article

Dr. Eliahu Wurman of the geology department had an article published in the January, 1960 issue of "Soil Science," a professional journal of geology. The title of the article is "A Mineralogical Study of a Gray-Brown Podzolic Soil in Wisconsin Derived from Glauconitic Sandstone." He explained that it means "a mineralogical study of a soil developing in green sandstones occurring in west central and south central Wisconsin."

Wurman

Wurman said Paul Carroll, soil scientist at the Soil Conservation Office in River Falls, should get credit for most of the field work behind the article. Wurman and Carroll have worked together for

After ten years in this country, Dr. Wurman will return to Rehovot, Israel, where he has accepted a position as soil research specialist with the Soil and Water Research Institute. He expects to leave for his homeland about Sept. 1 of this year.

### A.W.S. Formal Saturday Nite

'Tis Leap Year and girls will have a chance to take advantage of the season by asking their favorite fella' to the annual AWS Valentine's Formal. The dance is scheduled for Saturday, Feb. 13, from 9 p.m. to 1 a.m. in Hathorn Hall Lounge. Decorations will center around "A Funny Valentine" theme. Furnishing the music will be the Continentals.

A drawing of ticket numbers at the dance will select a King and Queen to reign over the formal.

The girl pays for the dance tickets and food and the guy is expected to buy flowers and furnish transportation. Tickets priced at \$1.50 per couple went on sale today. The ticket committee urges girls to buy tickets early so plans can be made accordingly.

Girls from Hathorn Hall and Cottage who attend the dance have been granted two o'clock hours for that night.

# The Editor Speaks . . .

The following article appeared in the Milwaukee Journal Wednesday, Feb. 3, in the Column "On Wisconsin" and entitled "Great Debate on Taxes at River Falls is a Contribution".

"The Tax Debate in Wisconsin" is the subject of a "Grassroots Politics Conference" at River Falls State College Feb. 10-11. It is the third annual affair of this sort and should prove of unusual interest and value in the area.

The tax debate is a hot and heavy one in Wisconsin, since it appears practically certain that there will be tax increases and perhaps some significant shifting of tax burdens soon. Certainly many persons in the River Falls region will welcome an opportunity to hear the whole question discussed.

The governmental-political side of the matter will be treated by Gov. Nelson and by Philip G. Kuehn, who is seeking the Republican nomination for governor. Tax analysts and others will explore the effect of present taxes and of various tax changes proposed. The whole effect will end with a Young Democrat-Young Republican dinner at which State Senator Knowles and State Senator Stalbaum will debate, "Which party can give the strongest financial leadership in Wisconsin?"

It should be an informative and lively session for students and non-students. The River Falls College is performing a real service in sponsoring these annual affairs, which deserve increasing popularity and attention. The conferences are education in the truest sense, for students and faculty, not just because of what is said or heard but because there is brought to the campus better understanding of the serious public affairs of the day, the men who are struggling with them, and the busy outside non-academic world with which college people are apt to lose touch.

So the folks who take time to attend the conference on Feb. 10-11 will not only be getting something worth while, but contributing something to the college and the democratic process of government as well.

## AROUND THE CAMPUS

**Sitzmarkers**  
There will be a Sitzmarkers meeting tonight at 7 p.m. in 101SC. The ski trip to Indianhead on the weekend of Feb. 13 will be discussed. The club urges those interested in the trip to attend.

**Young Democrats**  
The Young Dems will meet at 8 p.m. tonight in 201-2-3SC. A record of Senator Kennedy's speech at the Al Smith Memorial Dinner will be played. A tape of Senator Humphrey's speech will also be heard.

**LSA**  
The LSA roller skating party at Forest Lake is scheduled for Tuesday, Feb. 9. Rides will be available from the Lutheran Church at 6:30 p.m. Lorin Halverson will discuss "Love in Action" at the cost supper Sunday, Feb. 14, at 5:15.

**Prologue**  
The deadline for Prologue articles has been set for Friday, Feb. 12. Poetry is especially needed. Contributions may be given to Carolyn Brown or left in the Student Voice office.

**Newman Club**  
Tonight after Rosary at 6:15 is Choir practice. The regular meeting is Tuesday at 7 p.m. in 121S. Speakers Father Higgins and a Registered Nurse will continue the series "Teaching Sex to Children". Mass is Wednesday at 5:15 in the Newman Club Chapel and the Sunday cost supper is at St. Bridget's School dining hall.

### Dems Name RF Senior County Vice-Chairman

Larry Gansluckner, senior from Plum City, was elected vice-chairman of the Pierce County Democratic Party at a recent meeting.

Dr. Clarence Storla of the sociology department was re-elected secretary of the organization for the coming year.

Plans were discussed regarding the Precinct Workers School which was held in January under the direction of Dr. Richard Darr, professor of economics.

Slides taken at the National Young Democrats Convention in Toledo, Ohio, last November were shown by members of the College Young Dems Club. Approximately 50 people attended the meeting.

## LITTLE MAN ON CAMPUS

### Divers Name Club 'Fathom Falcons'

The Fathom Falcons was chosen by the members of the College Skin Divers Club as the official club name. Upon Student Senate acceptance of their constitution the group will begin entry exams and an instruction program. Club membership has increased to 39.

**TYPISTS NEEDED**  
Job opportunities for skilled typists are available. Interested persons are requested to contact Dean Knaak.

**FORMAL—**  
(Continued from page one)  
Carol Wenner and Muriel Peterson are co-chairwomen of the event. Other committees are: Kay Holmes and June Orne, publicity; LaDonna Lewis, punch; Kay Berry, decorations; Ann Holzhueter, tickets; Mary Viitanen, programs; and Dodie Braun, crowns.

### Student Senate Minutes

President Curtiss Larson called the Feb. 1 meeting of the Student Senate together. The minutes of Jan. 24 were approved as read. Treasurer Ron Skone reports a balance of \$1190.86 in the Student Senate Account.

Carl Duch reminded the Senate that they were to control the Carnival election which was specified on the Senate Calendar as lasting until 5 p.m. and not 4 p.m. The mix-up was the result of lack of communication between the Senate and the Carnival Committee.

Barbara Brickner submitted to the Senate the total expenses for Winter Carnival. Among the outstanding bills: Ski-Mac, \$203; flowers, \$37.60; Werth Print Shop, \$7.75, the treasurer, \$10; etc. Total expenses incurred for the event were \$298.65.

The constitution of the proposed Pinochle Club again came up for discussion. After much discussion, Patty Ross moved we table ratification of said constitution. The vote: aye, Ross, Schmid, Kaluzny, Hanson, Norelius, Keefer, Skone, Smith. President Larson broke the tie with a nay vote.

It was then moved by Scotty Smith that a table of standards be set up which a group must meet before they will be recognized as a legally operating group on campus. The motion was seconded and unanimously carried.

Arnie Kaluzny, Chuck Norelius, Curtiss Larson, and Carol Hanson will serve on this Standards Committee.

The constitution of the Pinochle Club then came up for a vote. It was moved by Chuck Norelius, seconded by Tom Keefer, that the vote be called. Roll call vote as follows: Aye: Norelius, Schmid, Keefer, Skone, Smith. Nay: Kaluzny, Hanson, Ross. The constitution stands approved.

Karl Schmid moved that Don Blegen be commissioned to take pictures of student leaders on campus, specifically those members of the Social Committee, Student Governing Board, and Student Senate. The pictures will be hung on the first floor of the Student Center. This idea, proposed by the Governing Board, was presented to the Senate by Arnie Kaluzny.

The recent service and quality of food in the cafeteria has caused much comment from both students and faculty as of late. Mr. Reynolds has reported to the Governing Board that improvement is promised.

It was moved that the meeting be adjourned, motion carried.  
Present: Duch, Hanson, Kaluzny, Keefer, Larson, Norelius, Ross, Schmid, Skone, Smith.  
Absent: Schlumpf.

### Letters to the Editor...

**Editor:**  
I would like to express my enjoyment of the F.F.A. Talent Show. I think it was the best one they have put on in the past few years. There was one thing lacking at the program. This was the lack of proper wearing apparel. Most of the women were properly attired for such an occasion. Those who were not in the proper garb for special school functions were the large number of men who came in such clothing as levis and work shirts. It's time that this group of fellows realize that they are in college and when attending school functions to put away their overalls.

## Charlie Johnson Nets 36 As Pagemen Lose 75-73 Toughie

by Jim McGann

Coach Don Page's fighting Falcon five lost a real heartbreaker to LaCrosse State 75 to 73 in a thrill-packed game last Monday night at St. Bridget's Gymnasium.

After Charlie Johnson had tied the game at 73-all with just under two seconds left, the Indians played catch with the oval for a last-second shot. With seven seconds left they set up Pete Hassemmer under the bucket but the high scoring forward was called for traveling.

The Falcons hoping to set up their own last second shot called for time out which was non-existent as they had used up their quota for the night. Gar Ammerman calmly dropped in the technical free throw to ice the game and send the "Red and White" reeling to their eleventh straight defeat. Hassemmer dropped the final free throw just before the final buzzer.

River Falls, playing one of its best games of the season, led the gallant little LaCrosse team for 30 minutes. The Indians jumped in front 55-54 and from that time on it was a see-saw battle.

River Falls looked really sharp in the first half completely out-playing the Indians. At one time, 38-22, the Falcons held a 16 point lead. Their scoring tapered off toward the end of the half. Johnson and Mick Lauber teamed-up to give River Falls a 40-32 lead at intermission. Johnson sparked the team in the first 20 minutes with 21 points while Mick Collins and Mick Lauber hit for 8 and 7 points respectively.

Little Gar Ammerman fancied quite a scoring touch in the second half. He really was a thorn

to the Falcons, upset hopes pouring in 19 points. He was the extra punch LaCrosse needed for their victory.

LaCrosse stormed back in the next 20 minutes and outscored River Falls 43 to 33. The Indians tied it up at 61 all with seven minutes to play. The score was tied again at 63, 67, 69, 71, and 73.

Johnson was the big gun for the Falcons. Playing his finest game of the season, Johnson split the hoop for 36 points. His point production included 13 field goals and 10 free throws.

Collins and Lauber aided the Falcons scoring with 12 and 7 points.

Ammerman and Hassemmer were the high point men for LaCrosse with 28 and 19 points.

## Six Pins Help Wrestlers In 33-3 Rout of Superior

by Curt Thurston

The Falcon wrestlers remained unbeaten as they crushed Superior 33-3 in a meet at that northern college last Wednesday. The River Falls' matmen showed some of their power in winning seven of eight matches, six of them by pins.

The win brought the season record for coach Byron James' crew to 5-0-1.

Jerry Fehlen started the scoring for the 'Falls by scoring a 7-0 decision over Andy Kazukiwix in the 123 pound division. Fehlen picked up his points on a takedown, a reversal and a near fall. The win was the first for Fehlen this season as he wrestled in this third match of the season.

Superior snapped right back to tie the score 3-3 as McGreavy gained a 7-3 decision over Marvin Gorres, freshman from Amery, in the 130-pound class.

The rest of the match was all in favor of the Falcons as they gained six successive pins. Dale Diedrick won an impressive pin over Steve Biese in 1:06 of the first period. The win was his third against three losses so far

this season.

Pat Mrotek had little trouble in pinning his opponent Phillip Bohmes in the 147 pound class.

In the 157 pound division Dave Garlie won his fourth match of the season by pinning Jim Sheridan in 1:32 of the first period.

Jim Drummy and Jerry Halverson each won their matches by falls, increasing the Falcons lead to 28-3. Drummy stopped Jerry Brandt in the 167 pound division in 1:45 of the second period while Halverson pinned Bill Scoble in 2:30 of the first period.

The always reliable Larry Julien completed the rout with a pin over Clarence Lacerina in 2:27 of the second period. The win was his seventh against one set back for the season.

## CAGERS, GRAPPLERS HIT ROAD TRAIL FOR WEEKEND OF ACTION

Next weekend will be a weekend of travel for coach Byron James' undefeated wrestling squad and Don Page's basketball team.

The cagers will be gunning for victory number one in the WSCC race when they invade Stevens Point Friday night. The Pointers will feature the hook shooting artistry of former prep all-stater Sam Antcliff. Antcliff who is a transfer from Wisconsin, averaged over 20 points a game last year.

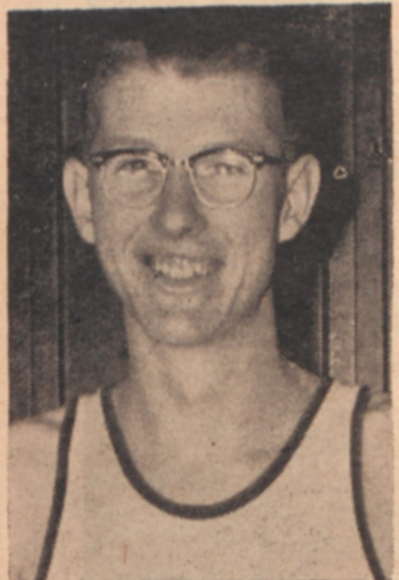

Two other standouts on coach Hale Quint's squad are forward Tom Gurtler and Sophomore guard Sammy Sampson who were high school teammates at Wisconsin Rapids. Stevens Point finished with a 6-6 conference record last year and were 12-9 for (Continued on page 4)

## Falcon Fanfare

by Ed Schlumpf

How does it feel to play on a college team that is currently sporting a 1-13 mark including 11 straight defeats after having competed on a high school team that chalked up 35 wins and only five losses in two seasons?

That was the question put to Mick Collins this week and in his usual, good-natured manner he shrugged it off with the reply that, "We'll just have to keep plugging away and hope for some breaks next year that we didn't get this season."

Collins

Mick, or "LeRoy" as he is so often called, was one of the mainstays on the Mondovi teams of the 1955-56 season and the 1956-57 campaign. Collins collaborated with 6-2 Carroll Lehman, 6-4 Darrel Hart, and guard Allen Urness to lead Mondovi to a 17-3 record when he was a junior. They copped first place in the rugged Mississippi Valley League by posting an unblemished 12-0 mark. Eau Claire, led by Bob

Barneson, edged them out 58-53 in the regional finals.

The next year Collins, Urness, Lehman and 6-4 Lee Stelmach played on one of the finest high school teams the writer has ever seen in action. They rolled up an amazing 18-2 mark and missed going to the state tournament by one point bowing to Osseo 81-80 in overtime in the sectional finals.

Now, three years later, Collins is earning his third letter as a Falcon forward and is doing it the hard way. (Those who think losing is easy just haven't tried it.)

An upper elementary major who carries a physical education minor, Collins is the type of player any coach would enjoy having around. A real hustler on defense, he is also a good rebounder using his 6-3½ frame to the best advantage possible. He is currently ranked as the third leading scorer on the Falcon team and can shoot every shot in the book from jumpers to sweeping hooks (with either hand).

He is active in the "R" Club and enjoys intramural football in the fall and softball in the spring. He is an avid pool fan and can be found at the Buzz Inn in his native Mondovi almost every weekend.

When queried as to what was his greatest thrill during his college athletic career, Collins replied, "It hasn't happened yet. My greatest thrill will come when we break this damn losing streak."

If this likeable guy keeps up his never-ending hustle, that thrill could be looming on the not-too-distant horizon.

River Falls' fired-up Falcons finally put two good halves together and made them pay off for a 72-68 win over Bethel's Royals at St. Paul Saturday night.

The Royals, who are leading the Badger-Gopher Conference with a 6-0 mark and rank 9-4 overall, were just no match for the taller, sharper-shooting visitors. The Pagemen presented a well-balanced scoring attack that featured four men in double figures and threw a passing defense into action in the second half that broke the game wide open.

Toby Garey, and Mick Collins sparked a fast-moving first quarter that saw the Falcons barge into a quick 14-6 lead. The Pagemen managed to hold on to the advantage until Wayne Kendall's jumper put the hosts ahead at 28-27 with 4:09 left in the first half. The Falcons tied it three times but couldn't catch up and trailed 35-34 at the half.

Charlie Johnson hit seven quick points following the intermission and River Falls climbed back into a comfortable 45-40 lead. Hitting from all angles the Falcons piled it on and increased their bulge to 13 at 62-49.

The Royals hadn't thrown in the towel yet, however and kept pecking away as the seconds ticked off on the clock. With a little over four minutes remaining, Garey potted a long jumper and the Falcons seemed fairly safe at 68-58.

But Kendall's layup cut the margin to eight at 68-60 and the Pagemen went into a semi-stall with 3:34 left. Les Borms notched two gifters and a long set shot to narrow it to 68-64 with 1:43 remaining. By now the partisan Bethel crowd was in a frenzy and things really got wild when Merwyn Sheplee swished another long one making it 68-66 with 59 seconds left to go.

Desperately the Royals started pressing and fouled Mick Lauber with 0:34 to go. But the usually-reliable Lauber missed the free throw and Bethel grabbed the rebound only to have the hustling Mick Collins bat it away and into the hands of a teammate. Lauber was fouled again then and this time dropped two free ones to ice it. Borms followed with a long set to cut it to 70-68 but Gary Scharfenberg put the game out of reach with two charity tosses as time was running out.

It was a great team victory for the Falcons who for once failed to crack under the second half strain. Johnson dumped in 18, Collins 17, and Scharfenberg and Garey 11 each, but it was the scrappy defense play of Jake Lauber and the surprising Don Koepnick that turned the tide in the second half.

In quite a battle of baskets last night, Team 2 whipped Team 4 38-37. Throughout the game the two hopefuls consistently matched baskets, with Team 2 gaining a one point margin at half time.

Team 4 came storming back in the second half and gave the victors a real battle. Team 4 was hurt in the third quarter with the fouling out of an essential guard and then again in the fourth period their leading forward, Nancy McNeil with 16 points, was lost on fouls. Team 2 took advantage of the vanishing scoring punch and came through for a 38-37 victory.

Jean Bhyre lead the winners with 19 points, Nancy Fox tossed in 6 points, and Rosemary Stesniak added 5 more. Toots Hunter connected for 8 points in the final period.

The leading scorers of Team 4 were Nancy MacNeil hitting for 16 points, Sue Dorgan with 11, and Kay Holmes with 10.

# Humphrey Stumps River Falls for Primary Strength

Hubert Humphrey went stumping in western Wisconsin Monday and blasted the Republican farm program and disarmament policy in a speech in North Hall Auditorium.

Campaigning in Wisconsin's ninth congressional district, Senator Humphrey said, "The fate of the United States will be settled in the next decade. The Soviet Union has expanded greatly; we haven't." The presidential candidate added that the objective of the Soviet Union is the Communist domination of the world. It will not blow this world to pieces but pick it up piece by piece, he continued.

"Kruschev is a calculating man, not one of spontaneous decisions. He is a disciplined trained Communist. He is providing this nation with the toughest competition it has ever had," said Humphrey in commenting on the Soviet leader.

Humphrey told the enthusiastic college students here that the United States can overnight end all famine for all the people in the world. But, we need a good solid government in order to do so, he said, and stressed the fact that no other nation can make that claim and it is up to us to take the utmost advantage of it.

The Senator said in his elaboration on our industrial standstill in the last several years that our capacity for steel production in the United States is more than twice that of the Soviet Union. "We don't use our steel to capacity," he added, "They make big machinery, while most of ours goes into cars and other luxuries." He said, "if the rate of gain of the Soviet Union continues we will be committing national suicide."

laboratories cooperated with Wurman while he spent the last two summers there running specific analyses for the Eau Claire Soil Conservation Field Office.

A paper on the research done by Wurman and Carroll during the past two and a half years has been requested by the Wis-

consin Academy of Sciences, Arts, and Letters. Wurman said that this will be finished soon.

A report covering another phase of their work has been approved for publication in a forthcoming issue of Soil Science. This article will be concerned with "the influence of a highly acid shale material on overlying soils."

## Frosh Bounce Bayport

by Curt Thurston

Coach Fran Polsfoot's freshman team bounced back into the victory column last Monday with a 92-57 win over Bayport's city team.

Center Rog Lange played his best game of the season and led all scorers with 24 points. Tom Sempf followed with 13 while Dave Engler and Jack Scholz each collected 12.

Slim Chelberg notched 13 for the losers.

### LOOK AHEAD—

(Continued from page 3) the overall campaign.

Saturday night the Falcons meet tough Whiewater. Jim Fisher, a 6 foot 4 inch forward who ranks third in the WSCC scoring race with 142 points, and Ron Lueke, a high scoring Sophomore center, are the Warhawks chief offensive threats.

### Grappers Face Three Foes

Coach Byron James' unbeaten and once tied wrestling squad leaves Thursday afternoon on a three day trip into Minnesota and North Dakota.

Thursday night they grapple with always tough Carleton at Northfield. From there they move on to Moorehead State for a Friday night engagement. Moorehead should provide the Falcons with their stiffest test of the season. They are rated as one of the top small college teams in this part of the country and feature an undefeated heavyweight who last year was NAIA national champion.

They finish the trip with a Saturday afternoon match with North Dakota State at Fargo.
