Fall Quarter 1960 to Bring Increase in Dormitory Fees

Dormitory rents in the Wisconsin State Colleges will be increased by 50 cents per week when the new semester begins in the Fall of 1960, bringing the yearly cost for a two-man room to \$240.50.

The decision to increase the fees was reached at the recent meeting of the Board of Regents of State Colleges in La Crosse.

It means that where two students occupy a dormitory room, the future charge will be \$6.50 per student per week, while the charge will be \$5.50 per student per week for those in three-man units.

The increase in rates for dormitory occupants is the first approved by the Board of Regents since 1950, and Eugene R. McPhee, Director of the State Colleges, emphasized that the Regents have diligently endeavored to keep student costs to a minimum.

The major reason for the increase in rent is that the new dormitories now under construction are being built with funds secured at a higher rate of interest than those built in the past.

The dormitories constructed in 1956-57 were financed by a Federal loan carrying an interest rate of 2 3/4 per cent. The current dormitory loan, however, is 3 per cent.

Five dormitories are being built under the latest loan and will be in operation this fall. They will provide more than 1,000 additional spaces and include dormitories for women at La Crosse and White-water, and units for men at Oshkosh, River Falls and Stout.

TWO GRADUATES GET SOCIOLOGY GRANTS

Two River Falls seniors with majors in sociology and psychology have been awarded social worker trainee stipends with the Division of Mental Health in Indiana.

They are Donald J. Winans and Gerald Lindabauer, both of River Falls.

The two will enroll in the department of social welfare at Indiana University this fall for graduate work in psychometric social work. The stipends pay, in addition to tuition and books, a grant of \$240 a month plus \$40 for each dependent.

Both men also were offered similar stipends by the State of Wisconsin.

ELEMENTARY MAJORS TO BE ASSISTANTS IN PUBLIC SCHOOLS

Dr. Roland Klink has announced that elementary education students will serve as assistants in the public school for a minimum of five full school days during the period between the start of the public schools in September and the opening of the College.

The new requirement in student teaching field experience will provide an opportunity to see a school begin and learn from a wide variety of activities the procedures involved in getting school underway in the fall, Dr. Klink said.

Present practice, with the Campus Laboratory School beginning prior to the opening of the college, prevents the student from having this kind of experience during actual student teaching, he said. The student will have the opportunity to participate in professional activities such as general meetings of the school staff and will become acquainted with enrollment procedure and the report sheets, registration cards and the health cards, the teacher has on the new group.

To observe and participate in the excitement and work in beginning school work should prove to be a stimulating aspect of pre-professional education, Dr. Klink said.

Lab Ticket Holders May Receive Refunds From Business Office

All holders of laboratory breakage tickets may receive their refunds between May 27 and June 2, according to Mr. C. W. Hendricksen, Business Manager of the College.

Refunds will be disbursed in cash from the Business Office on the following days at the hours specified:

May 27 — 9 - 12 a.m.	1 - 4 p.m.
May 31 — 9 - 12 a.m.	1 - 4 p.m.
June 1 — 9 - 12 a.m.	1 - 4 p.m.
June 2 — 9 - 12 a.m.	1 - 4 p.m.

Special Awards Go to Outstanding Student Leaders

Outstanding leaders in campus extra-curricular activities were given special recognition at a traditional convocation on Thursday, May 19.

The most enthusiastic applause of the hour went to Wilbur Larson, senior from River Falls, when he was recognized most outstanding member of the FFA. Larson was also given recognition as a member of Who's Who Among Students in American Colleges and Universities.

Awards in biology were given to James Schlough, senior from Boyceville and Bill Finlan senior from Escanaba, Mich. An award in chemistry was given to Harold Pederson, freshman from Milltown. Robert Wynveen, junior from Baldwin, and Muriel Peterson, junior from Grantsburg, were given special recognition in physics.

Recognition and awards also went out to letterwinners and outstanding athletes, members of WRA, dramatics and forsenics, and student publications. Special recognition was also given to all members of the Student Senate and Student Center Governing Board, with particular attention to graduating seniors from each of those organizations.

Honors Day to Feature High Academic Students

David Engler Dies in Wreck

David A. Engler, freshman from Waukesha, was killed and Russ Radke, freshman from Dodge Center, Minnesota, was listed as critically injured after a three-car collision near Dodge Center last Saturday evening.

Another youth from Dodge Center who was riding in the auto died later in a hospital.

According to reports, the car in

Engler

which the boys were riding struck the rear of another auto, bounced off, and then struck a county truck.

Funeral services will be at Waukesha on Tuesday, May 24, at 2 p.m.

President of the College E. H. Kleinpell will speak on "The Challenge to Public Higher Education" at the traditional Honors Day convocation to be Wednesday, May 25. Awards and scholarships will also be given to students who have proven themselves to be of outstanding academic merit at the convocation to be in the Phy Ed Building at 2 p.m.

After the convocation, there will be cornerstone-laying ceremonies in front of the R. A. Karges Physical Education and Recreation Building. They will take place at the North entrance of the building.

Immediately following Dr. Kleinpell's address, there will be a Gordon Jacobs arrangement, interludes from "Music for a Festival", by the Brass Ensemble.

Academic awards to be presented are the Sophomore Silver "R", the Senior Gold "R", an award from the American Association of University Professors, a Mathematics award, and the P.E.O. award.

A list of scholarships will be given in the following names: Association for Childhood Education; American Association of University Women; Alumni-Faculty; P. J. Belfiori Memorial; Business and Professional Women; and Class of 1924.

The Cafeteria and game rooms in the Student Center will be closed during the Honors convocation Wednesday afternoon, May 25.

CONGRATULATIONS goes to Wilbur Larson, senior from River Falls, as he receives one of twenty-one Who's Who awards at the Recognitions convo by Dr. Nancy Knaak. Larson was also recognized as the most outstanding FFA member of the year. Photo by Blegen

The Editor Speaks . . .

The State Board of Regents "have diligently endeavored to keep student costs to a minimum" was the feeble statement which came with the announcement that dormitory rent in the Wisconsin State Colleges will be raised for the coming academic year.

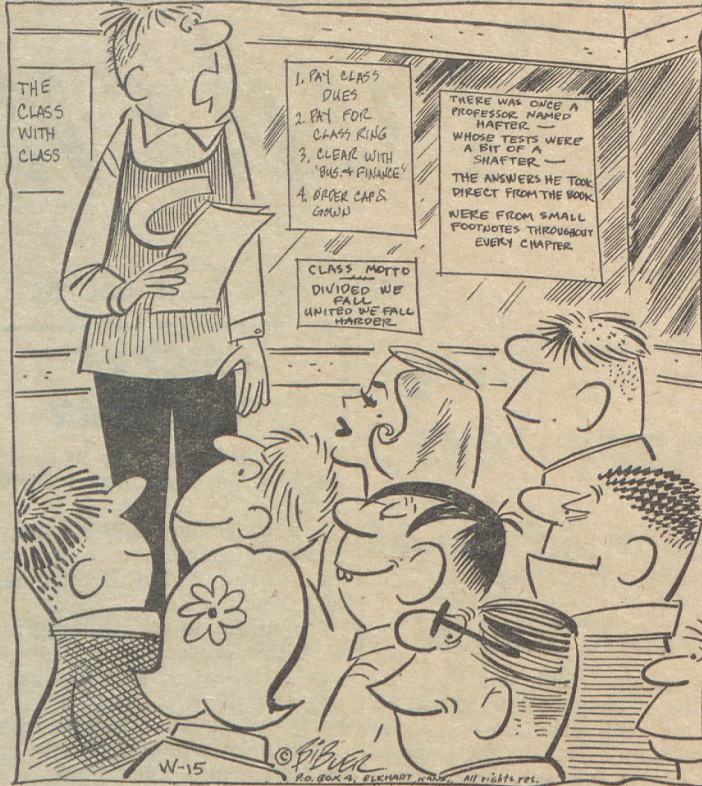

The announcement, which appears elsewhere in this issue, says that the major reason for the increase in rent is that new dorms are being built with money secured at a higher rate of interest than those built in the past.

Actually, the rate of interest on loans rose from 2 1/4 per cent or a raise or one-fourth of one per cent, while the rent went from six dollars to six dollars and fifty cents per week, or a raise of eight per cent.

At the present time, Stratton Hall is not filled. Yet next year Prucha Hall will open with facilities for more than 200 additional male students. How do the Regents expect upper classmen who are not required to do so stay in the dormitories when they can secure off-campus housing at such a difference in price? How can housing at a difference in price? How can they expect to popularize college housing with a rise in prices?

It appears that the rise in costs will do more to discourage students from residing in the dorms than the modern facilities will do to draw them.

FFA Elects Baltz Prexy for '60-'61

Lowell Baltz, junior from Kendall, was recently elected president of FFA for the Fall Quarter of 1960-'61. He will succeed Olin Fimreite, senior from Eleva.

Other officers elected at the meeting are Jake Bursik, junior Westboro, vice president; Ron Christopherson, junior from Holmen, secretary; Frank Fox, junior from Waukesha, treasurer; and Jon Kilmer, senior from Hillsdale, sentinel.

The next meeting of the FFA is Thursday evening, May 12, according to Olin Fimreite, president.

Letters to the Editor . . .

Dear Editor:

This spring, I loaned my History of Western Civilization 23 notes to a well deserving student. One day, this student put these notes on a radiator in the Student Center with her other books and papers. When she went back to get them the notes were gone.

I need these notes for teaching. A great deal of effort was put into them and they can be of great help to me.

Therefore, will the person who 'snatched' these notes please leave them on any radiator in the Student Center after the final exam on May 31. Please!

Lucy Darr

Dear Editor:

We get so provoked every time we read a Letter to the Editor written by a chronic complainer that has little or no knowledge of the situation at hand.

The latest "fad" seems to be the Mothers's Day Luncheon. The people attending the luncheon bought tickets for \$1.00 of which Slater Food Service received 85c. You can not expect a dinner for this price. Every other year the tickets sold for either \$1.25 or \$1.50 and the luncheon was buffet style (help yourself) with only the beverage served. It seems to us as long as everyone was so concerned with impressing Mrs. Roosevelt, the least they could have done would have been to have had a luncheon that could have been more elaborate and, of course, charge accordingly. May we remind those of you not "in the know" that all banquet menus are chosen by members of the sponsoring organization.

Two weeks ago we served the Eau Claire baseball team and we wish some of you fault finders could have heard their comments as some of us did while they were coming through the line for dinner. They were very surprised at the quantity of food they received for only 90c. We also heard favorable comments as to the quality of the food and this is only one of many times that we have heard this from "outsiders." It is a pleasure to serve appreciative people.

We have been student employees of Slater Food Service for the past school year and have been proud of it because we have seen the careful planning of menus that must be approved by a regional dietician and the skillful preparation of a wide variety of foods. We personally would like to compliment and thank all the people concerned because we can honestly say that we have enjoyed every Slater meal.

Dear Editor:

In answer to a recent letter to the editor condemning administrative guidance on our campus, it

must be a grand feeling to be so sure of oneself that one never need be told what to do. It reminds one of Nietzsche; not a "God" complex in a lifetime??? Why are such students wasting their talents in college?

I see no reason for such misguided charges against the administration. Why flaunt freedom of speech at the expense of common sense?

I hope that the administration continues to try to keep high standards on campus, rather than conforming. After all, this is a college. Is it wrong to expect a little dignity in an institution of higher learning?

To All Students:

Five students from Florida A & M were among the thirty-five Negro and white citizens who received jail sentences or fines in Tallahassee, and are now serving 60 day prison sentences. They have refused payment of fines as a matter of principle. Consequently they have been sent to the Leon County jail, and are sitting there to defend the Bill of Rights, democracy—and you!

The Committee to Defend Martin Luther King and the Struggle for Freedom in the South urges a nationwide letter writing campaign to let these brave young people of the Southern student body know that we support their non-violent protest against segregation.

The students are Patricia and Friscilla Stephens, Barbara and John Broxton, and William Larkins, and the address is Leon County Jail, Tallahassee, Florida.

Write, to the governor of Florida, Leroy Collins, at Tallahassee, and express your deep concern at these jailings.

Linksters Split Meets With Eau Claire, Carls

Carleton's defending Midwest Conference champions handed River Falls its third setback of the spring 16½ to 1½ at Northfield last Tuesday.

Jerry Stern, number five man for the Falcons, and Ralph Ryan, playing in the number four slot, were the only point winners for the losers. Stern won the first nine for a point in firing a 36-40-76. Ryan, after a shaky 43 on the front side, came back in 39 to split the second nine and pick up a ½ point.

Jim Hallen's 75 earned medalist honors for the Falcons. Besides Stern's 76, Barry Lindsay shot a 79, H. P. Higgins an 81., Ralph (Red) Ryan an 82 and Dave LaClaire an 84.

Carleton's powerful linksmen had all six men under 76. King Andrews and Bill Otteson hit 3 over par 75's. Al Nelson, playing in the number five position, had a 74 for the day.

The Falcon golf team ended the campaign on a winning note when they defeated arch-rival Eau Claire 10-8 at the Eau Claire Country Club last Thursday.

The win was the seventh of the year against four losses in dual meet competition.

Barry Lindsay, Jerry Stern and Dave LaClaire came out on the winning side of the ledger for River Falls. Lindsay fashioned a 10 over par 81 in picking up 2 points from Dave Neirmeyer. Stern, playing number four man, actually won the match for the Falcons with a par four on the 18th hole, giving him 2½ points along with an 89. Dave LaClaire shot 40-45-85 to pick up 2 points.

Jim Hallen and Ralph Ryan shooting a 78 and a 85 respectively each lost their matches by identical 2-1 scores. Herb Brown, Eau Claire's number one man, garnered medalist honors with a 75.

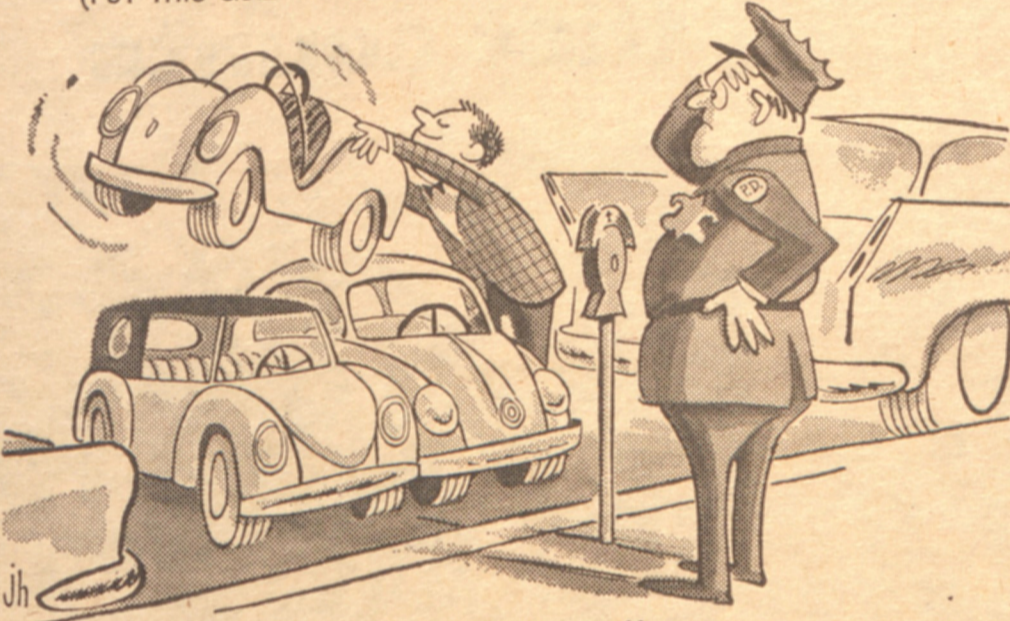

FINISHING FOURTH in the Wisconsin State College Conference track meet held at La Crosse Saturday was the Falcon's 1960 team. Milwaukee placed first in the nine-team meet. Members of the squad are (first row) Tom Pride, Jerry Halverson, Larry Brandt, Dan Teetzen, Roger Pechacek, Bill Swartz; (back row) Harold Rivard, Gordy Olson, Dale Henning, Fred Colman, Rog Huser, and coach Fran Polsoo. Other members of the squad not pictured are Gary Wagenbach, Bob Radatz, Kent Keenlyne, Newton Buchner, and Duane Jensen.

Thinclads Set Two Marks; Place Fourth in State Meet

Milwaukee squeezed past La Crosse by 65 to 62½ to cop the Wisconsin State College Conference Track Meet held at La Crosse Saturday. River Falls' Falcons finished fourth in the nine-team meet as Roger Huser became the first Falcon ever to win two events in a state tourney.

Fred Colman set a school record in the half-mile and the River Falls relay team also turned in a new mark.

Huser copped the 100 yard dash with a good time of 10.1 despite the wet track. He also won the 220 in a blistering 22.0 seconds flat to add five more points to the RF' cause. In addition the New Richmond sprinter ran the anchor leg of the relay team. When he received the baton he trailed the leader by a good five yards but passed him up with ease to breeze in first with a time of 1:32.9, the fastest ever run by a River Falls relay club.

Colman's record-breaking time of 1:59.1 wasn't good enough to win however. Con Henry of UWM was the winner in a brilliant 1:56.9. Duane Jensen of River Falls equalled the old school mark of 2:00.0 in the event with a tremendous show for him, but it only netted him fourth place.

Dan Teetzen finished fifth in the mile to gain a point for the Falcons and Dale Henning tied for fifth in the high jump to garner another third of a point.

Complete point totals are as follows:

1. Milwaukee—65
2. La Crosse—62½

OSHKOSH STATE WINS WSCC TENNIS TITLE

The powerful Oshkosh Titans walked off with wins in both the singles matches and the doubles to capture the Wisconsin State College Conference tennis title Saturday at La Crosse. River Falls netters failed to win any of their matches.

La Crosse placed second in the conference meet and The University of Wisconsin at Milwaukee took third place.

Oshkosh and La Crosse placed one-two in the doubles with Platteville capturing consolation honors.

For the second year in a row Bill Norman whipped Roy Iglehart for the singles title. Earlier in the year at Milwaukee Iglehart defeated the top-seeded Norman 2-6, 7-5, and 6-0. The host Indians picked up a third in the singles to finish second.

Fulbright Scholarships Are Available for Graduate Study

About nine hundred Fulbright scholarships for graduate study or pre-doctoral research in 30 different countries will be available for the 1961-62 academic year.

In addition to the Fulbright Awards, scholarships for study in Latin America under the Inter-American Cultural Convention are also offered for 1961-62.

Applications for both the Fulbright and the IACC Awards will be available on May 20, the Institute of International Education announced. IIE administers both of these student programs for the U. S. Department of State.

The Fulbright scholarships cover travel, tuition, books and maintenance for one academic year.

IACC scholarships cover transportation, tuition and partial to full maintenance.

General eligibility requirements for both categories of awards are: 1) U. S. citizenship at time of application, 2) A bachelor's degree or its equivalent, 3) knowledge of the language of the host country sufficient to carry out the proposed study project and to communicate with the people of the country, and 4) good health. A good academic record and demonstrated capacity for independent study are also necessary. Preference is given to applicants under 35 years of age who have not previously lived or studied abroad.

AWS Minutes

The last meeting of the A.W.S. Board was Wednesday, May 18. The secretary's and treasurer's reports were read and approved.

It was announced that the A.W.S. Senior Women's Banquet would be Monday, May 23 at 6 p. m. at Striebel's Lodge.

There was discussion on present A.W.S. activities and recommendations made for changes next year. It was decided that A.W.S. sponsors too many social activities and not enough cultural or service activities for the girls. Suggestions were: publishing an A.W.S. newsletter for all women students, sponsoring a workshop to inform students of correct voting procedure planning service activities for the River Falls Rest Home; and forming an A.W.S. cheering squad for football and basketball games. It was also suggested that the group sponsor a "faculty evening" once a month during the supper hour in the private dining room. Lectures of interest to all women would be presented by faculty members followed by discussion.

The Constitution Committee presented recommended changes in the constitution for next year. The discussion was tabled and the meeting adjourned.

makes another great discovery...

It's what's up front that counts

You can reproduce the experiment. It's easy as π . (Yes, you can do it in the bathtub.) Assuming that you have first visited your friendly tobacconist, simply light your first Winston and smoke it. Reasoning backwards, the discovery proceeds as follows: first, you will notice a delightful flavor, in the class of fresh coffee or of bread baking. Obviously, such

flavor cannot come from the filter. Therefore, it's what's up front that counts: Winston's Filter-Blend. The tobaccos are selected for flavor and mildness, then *specially processed for filter smoking*. This extra step is the real difference between Winston and all other filter cigarettes. Besides, it's why Winston is America's best-selling filter cigarette.

"Eureka! Winston tastes good... like a cigarette should!"
