RIVER FALLS WINS FIRST CONFERENCE GAME

Organization Tournament Starts

Y. M. and N. C. A. Victors in Opening Rounds

The schedule of the organization basketball games started last Thursday when the Y. M. C. A. five defeated the Agrifallians 23 to 15 in a real live game. The first half ended in a 9 to 9 tie. The Y men benefited by the conference between halves, and came back with a team work that proved fatal to the farmers. Knoll at right forward was the individual star for the Agrifallians, caging 4 of the 6 field goals made.

Cole, Heebink, and Eggers set up a fast pace for the Y. M. C. A.

The second of these games was played on Monday evening between the newly formed Lincolnian team and the N. C. A. squad in which the N. C. A. came out on the long end of the 21 to 8 score. The Lincolnians made a good showing for this first get together, and if further practice in basket shooting can equal the parliamentary practice, these birds are able to shoot, the debaters will develop a team that is not to be scoffed at.

The N. C. A. have a large squad of basketball aspirants out regularly for practice.

GIRLS ENJOY "LEAP-YEAR" DANCE

Attendance Unexpectedly Good

Last Friday night, January 18, the Normal school helped the girls of this institution celebrate their good fortune of being here on leap year, by giving a dance. The dance was held in the South Hall gymnasium, and, strange to say, there were accommodations for all.

The dance began at 8 o'clock, and lasted until 11:30. Some of the girls boasted that they were going after their partners, and take them home, but when the time came, the men went after the girls. The dance savored of leap year, however, as the girls invited the men, made out the

(Continued on page 2)

BIG SHOW COMING

Vaudeville to Surpass all Previous Efforts

Everyone is neglecting their studies and congregating in the West aisle of South Hall where there seems to be something really exciting happening. The editor of the Student Voice can't make his typewriter write news, it's so used to writing modern poetry, and the chairs are even in worse condition than usual, owing to Beach's habit of writing songs while practicing the latest steps—if you can imagine him doing it in this position. The sounds which float out through the gymnasium door sound like jazz-land itself—and the lucky ones who have peeked through the door say that the actions only add to the songs. The girls come tripping down the hall, and when they think no one is looking, they put in their spare time to the most advantage—it's good. Good jokes seem unusually plentiful—new songs ditto. All this spells, according to the management—the Meletean Vodvil. A little bit of everything—which means Laugh with a capital "L."

JUNIOR HIGH BUYS MOVIE MACHINE

The Junior High School has purchased an Acme portable machine. Educational films will be shown from time to time throughout the remainder of the year. These films will be shown in the Junior High School assembly room on the third floor of South Hall from four to five in the afternoon. Silas Marner, The Legend of Sleepy Hollow, Rip Van Winkle, The Village Blacksmith, and Snow White are some of the films which have been booked. Silas Marner will be shown Friday afternoon, Jan. 25, also on Monday afternoon, Jan. 28. The exact dates of future pictures will be announced later.

Many students remark that the library has lost its "home-like air" since the old fringed curtains were replaced by some new ones last Saturday. This should make them so timid that they would no longer dare to talk above a whisper in the library.

Stevens Point

Loses 26-13

Championship Hopes Brighten

The Red and White hoop and net artists mixed things with the Purple and Gold cagesters from Stevens Point on Saturday night in a fast game in which coach Eggebrecht's basketeers triumphed by the score of 26 to 13.

The men from the "Point" are a scrappy bunch, and, contrary to the indication of the score, put up a fight that made a most exciting game. This team played a strenuous overtime game the night before in which they defeated Stout. This, undoubtedly, was the cause of their poor eye for the basket, for they made many shots with but few successes, and which otherwise would have made a very close game. Even in the free throw route, only one counter was tallied out of eight attempts.

Both teams hit a fast stride at the blow of the whistle. The "Eggmen" rushed to an early lead in the first few minutes of play when they piled up a 9 to 1 count. Both teams played a great offensive game, but the pace of the Falls was a little too fast for the husky Purple and Gold men to break up. The half ended with the count 12 to 6.

The "Point" made several shifts and substitutions to their lineup for the second half and started the game with a spurt that immediately netted a ringer. The defense of the Falls easily solved the new plays and the second half of the entertainment proved a repetition of the first half, in that the Falls doubled the count of their opponents in each case.

The fast team work and short and snappy passes of the Falls worked the ball to easy shooting distances from which nearly all the field goals were made.

With the game safely on ice in the last few minutes of play, Coach Otto sent in all the second string men, who held the remainder of the game scoreless. The "Point" missed their last chance of scoring by missing two free throws after the crack of the pistol.

LET'S HELP OUT

Last Thursday in Assembly, several members of the student body told us something about the terrible conditions found among the students in European universities and colleges. Both students and faculty members on the point of starvation, make an appeal to the students of America for aid. How many of us would persevere in our efforts for an education if we were forced to work at least half the day, on an empty stomach, for a sum insufficient to buy one meager meal, then put in the rest of the day in classes, and at night go home, still hungry, to a little, dark, cold room and endeavor for a few hours to forget our troubles in sleep?

These are the conditions the students of Europe are up against, and still they struggle on in what must appear an endless and hopeless endeavor for a college education. Are we, the more fortunate students of America going to stand by, and watch these our brothers starve? Students in colleges and universities all over the country are responding

generously to the call. It is up to us to see that R. F. N. does not lag behind.

ORGANIZATIONS

Miss Hathorn has asked us to print the following notice concerning organization meetings:

Since there are five Thursdays in the month of January, the schedule which takes into account only the "first and third" and the "second and fourth" Thursdays, is somewhat disrupted. Some of the organizations have been running on an every other Thursday basis, and some on the regular basis provided in the schedule, and there have been conflicts.

Since this fifth Thursday comes during examinations, it has been thought best to omit any meetings which are scheduled for this night. Then the regular schedule will be resumed in February. For the benefit of those who have not a copy of this schedule, we reprint it below.

1st and 3rd Thursdays:

Agrifallian
 Civic Club
 Camera Club

2nd. and 4th Thursdays:

Lincolnian
 Aurelia
 Rural Life Club
 G. O. P.

AG. NEWS

The regular meeting of the Agrifallian will be held Thursday night, Jan. 24. Every member should attend this meeting as election of officers for the 2nd. semester will take place. A program is being prepared and you'll miss something if you do not attend.

The Ags. were defeated for the first time this season, last Wednesday, at 4 p. m. by the mammoth "Y" team. The game was very close dur-

programs, and paid the bills at the Kandy Kitchen and Resturant.

In Marcel Lynum's opinion, there were a great many girls there who wouldn't have been, if it were not Leap Year. Other members of the male sex said that the men certainly enjoyed leap year parties, as it saved their bank account.

The girls of the school showed their good sportsmanship by "getting up enough nerve" to invite a man to the dance. They were rewarded for their "nerve" by the fact that the dance was a great success. The music was furnished by the Kinnickinnic Originators.

**RIVER FALLS WINS
SECOND CONFERENCE GAME**

(Continued from page 1)

Herrick at center with 3 field goals to his credit, was the biggest scorer for Stevens Point. The fast floor work of St. Clair of the Purple and Gold was sensational.

The stellar worth of Quandt and Bergie as guards proved a big factor in this second conference victory.

Line-up

River Falls		Stevens Point
Ziebell (capt)	r.f.	Kramer
Cleberg	l.f.	St. Clair
Hutchinson	c.	Herrick
Bergman	r.g.	Williams
Quandt	l.g.	Dans (capt.)

Substitutions: R. F.; Keyes for Hutchinson, Smith for Cleberg, Miles for Quandt, Madison for Bergman. Stevens Point: Vaughn for Kramer, Swan for Vaughn. Free Throws: R. F., 2 out of 6; Stevens Point, 3 out of 10.

Jackson, referee. Kennedy, Umpire.

Eau Claire defeated Superior at Superior 16 to 8.

Coach Eggebrecht and his team will leave Thursday afternoon for Superior, where they will play the Normal five there on Friday night. On Saturday night the team will play at Hibbing against the strong Hibbing Junior College. Results of the Superior game will be announced at the Vaudeville Friday night.

Bigger and better than ever. 60 people take part. Normal Vaudeville Friday night.

Don't forget, the Student Voice's big straw vote on the Eighteenth Amendment is coming. Think it over and be ready to vote when the time comes. This big event will be held in the near future.

Friday Night—Vaudeville.

EXCHANGES

Whitewater—

The best all around man, the best all around girl, and the cleverest girl will be chosen in the Minneiska (their annual) popularity contest.

The students have found out that the alcoves of the library are not meant for fussing parties, even though President Hyer has said that they must economize on the lights.

Milwaukee—

The annual Senior prom is to be Feb. 1.

The Dramatic Club staged a supper and costume-dance party.

The classes in English are to hold an inter-class discussion contest.

Stout—

Pres. Nelson was elected the president of the newly organized Rotary Club of Menomonie.

The Stoutonia says, "Start saving your pennies for the 'River Falls Special.'"

First Co-ed: "I never saw so many people bob their hair over the weekend." Second Ditto: "That's where the bobbing usually does take place."

La Crosse—

The Sistine Chapel choir of the Vatican, Rome, appeared in La Crosse recently.

One of the girls' literary societies gave a leap year party this month.

Part of the athletic work this winter will consist of skating and skiing. Lawrence—

"For the first time in history," says Dr. Mac Harg, of the American His-

tory department, "we have a national costume, namely breeches or knickers that can be worn by either men or women. In Denver, knickers as street costumes for women are commonplace."

Student delegates to the Indianapolis convention had charge of two chapel services.

The basketball team on their Iowa trip won over Cornell, Coe, and Columbia and were beaten by Dubuque U by only two points.

Eau Claire—

A new ruling is now in force in the library to the effect that no books will be loaned to students who have an unpaid fine against them for over due books.

Among the members of the ski team which will represent America at the Olympic contest in France in the near future, is La Moine Batson, a former student of Eau Claire Normal.

There seems to be an unusual supply of engaged girls at E. C. N.

NORMAL VAUDEVILLE

SENIOR TEA

The Women's League entertained the members of the graduating class at tea Thursday afternoon from 3:30 to 5:00 in the South Hall Gymnasium.

The main features of the pretty Japanese decorations were large, green baskets filled with pastel colored flowers suspended from the beams. Refreshments were served by Junior girls. The purpose of the tea was to make the women members of the faculty and the wives of the men faculty members better acquainted with the seniors.

SENIOR ELECT

At a class meeting held after assembly yesterday the Senior class officers for the second semester were chosen. The results, in most cases through a very close vote, are as follows:

- Pres.—Wayne Taylor
- Vive-Pres.—Bessy Moe
- Sec.—Malcolm Madison
- Treas.—Virgil Volla.
- Social Committee—Myles Smith, Frances Webster, Michael Demulling.

Friday Night—Vaudeville.

The Rexall Drug Store

The end of this semester will find the Pomeroy gang minus two of its most prominent members. Gert Murphy left for Valdres last Monday, and Marj. Jewell is packing her trunk to teach in St. Paul next week.

Adolph Timmerman, Sheldon, Iowa, who is attending the Minneapolis Art Institute, was the guest of Marion Woods over the week-end.

Esther Davis, '22, "Gwen" Canton, '23, and Maude Hawkins, '23, school teachers from Hudson, attended the Leap Year Dance last Friday.

LIBRARY NEWS

William S. Hart has just presented a book to the library entitled "A Lighter of Flames." The story centers around the life of Daniel Boone. No doubt Mr. Hart intends to put the book into a screen production in which he will be the leading character.

The traveling library is distributing books on agriculture among the nine normal schools. A list was sent around and the librarian checked the ones we wanted. We will probably receive more books than any other normal since our specialty is agriculture. We hope to receive about seventy books.

Many people have been inquiring about the new curtains in the library. Miss Lathrop informs us that the money collected from fines paid for them.
