#### MAKES GIFT

#### TO COLLEGE

Anthony Runte, graduate of the college in English and now librarian at New York University, recently sent to the college a contribution to be given to the Memorial Fund and to the Alumni Bulletin.

This is not the first contribution made by Mr. Runte. Last year he contributed forty dollars to be used for purchases of good books for the library, for an award for excellency in dramatics, and for the Memorial Fund.

Mr. Runte has held a number of important positions as librarian in various institutions and has contributed to various scholarly magazines in his field. When at River Falls he was on the STUDENT VOICE staff.

## To Appear in Last R. F. Concert

Appearing in her last college recital tonight before her graduation will be Shirley Wiff, a senior who has been particularly outstanding in college music during the past four years.

Shirley has been very active in various musical organizations. She has had four years of piano work in college but has been interested in piano since she was seven years old. Not only has she been accompanist for many musical groups and soloists during her college career, but she has appeared in numerous recitals as well.

Not only active in musical groups, Shirley has taken a very active part in other activities as well. She is vice president of the Y.W.C.A., and treasurer of Sigma Chi Sigma, and a member of the VOICE staff and the Student Senate. Shirley is also co-editor of the 1946 Meletean.

Shirley, whose home is in Martell, is a history major with minors in English and music.

## The Editor Says

The end of this school year will see the passing of a great figure from the halls of R.F.S. T.C. President Ames has served the college faithfully and well in the capacity of president for the last twenty - nine years. Long will his work be remembered by students and faculty who have worked with him.

With this issue of the **STUDENT VOICE**, ye editor breathes a sigh of relief and turns over her duties to a yet unnamed successor.

Editing **THE STUDENT VOICE** has been a very worthwhile experience, and yet, as with so many other positions of responsibility, it has carried with it numerous worries. Due to the decreased enrollment, the Voice has had its financial worries during these last few years, not to mention the difficulties of obtaining paper, etc., for its publications. But in spite of numerous obstacles, the staff has tried to publish a paper, although in smaller form, that carried out the purpose of a college newspaper.

Now as we emerge from that dark wartime era, the **VOICE** faces a brighter future. By next year we hope to return to the old format using larger pages and wider columns.

### LETTER to the EDITOR

Dear Editor,

As I entered the auditorium this morning, I was given a slip of paper with a set of names, seven of which were to be checked as my preference for next year's Student Senate. As I glanced over the names, I saw that the majority of them were names of students who have already served on this Senate or the name of personal friends of the candidates. After some investigation, I discovered that the nominating committee for this consisted of members of the present Student Senate. In my estimation this is a very undemocratic way of handling this matter. It is true that most candidates have gained a reputation for competence here at school, but I believe there are many others who could and would make an admirable show-

## Droop Snoops

Everyone enjoyed themselves at the Junior Prom Saturday night, even though the weather wasn't exactly "Moonlight and Roses". The junior class is to be congratulated for the lovely atmosphere provided!

Droop spotted 'tuxes' and bare shoulders with glee. Many alumni were back; Lois Bernd and Audrey Luberg Black among them. We chatted a while with Al Hartung about his 'Ag' teaching.

All of you were seen and all looked 'specially glittery with Prom glamour. Amy Anderson, and Beth Davis had upswept hair styles. A coronet of pink roses adorned B.L. Lohman's hair. There were little green sandals on Mary Wilkin's feet. Lois Hunter Bradley wore black in a Grecian style. Harry Frojker's fiancee wore white. K. Reid wore yellow net. And wasn't it good to see Becky Rees there to share our fun.

The crowd gathered 'round the punch stand appreciatively between the dances. Droop noticed Dr. and Mrs. Chisholm and weren't the Hoffman's having a gay time with their nephew?

Afterwards steaks and frog legs were eaten in Hudson, Hastings and the Twin Cities. Hear tell some saw the sunrise (I thought it quite rosy, too!) and took snapshots in the dawn.

Anyway, it was wonderful stuff that comes but once a year — the Prom!

P.S. And did you notice the sparkler which adorns Betty Porter's third finger, left hand? Must have been quite a weekend for her too!

### MAY MORNING BREAKFAST SET FOR MAY 18

Saturday, May 18, is the day set for the annual May morning breakfast to be held in the Gladstone Hotel for all Mid-guardian and A. C. E. members.

Mrs. Arthur Johnson will be the guest speaker, and the presidents will install the officers of the groups for the coming year.

All members are urged to attend this last meeting of the organizations.

## WHAT IS OUR SPANISH POLICY?

Ten years ago, Spanish Insurgents, under the leadership of Francisco Franco, started their march on Madrid. With no little assistance from Germany and Italy, the Falangists broke the back of the Loyalist resistance. Today, months after the defeat of the Axis powers, the Franco regime is still in power; the same Fascism which we fought in World War II is still with us.

Franco's aid to the Axis during the war is an undisputable fact. German submarines refueled at Spanish ports on the Bay of Biscay. Spanish troops fought alongside Italians and Roumanians at the Russian front. When the Allies invaded French North Africa, Franco mobilized his Spanish troops in Spanish Morocco, thereby immobilizing a part of our forces along the Moroccan border. "Neutral" Spain was a veritable clearing house for Axis agents. The Generalissimo identified himself time and again with Mussolini and Hitler. He even offered to enter the war on the side of the Axis.

In 1936 our State Department refused to take any action against Franco because we did not care to offend Germany. We refused to sell arms to the Loyalists, though the Insurgents got not only arms but troops from Italy and Germany. Today we are still reluctant about taking any positive action against the Spanish Facists. We publish "White Papers" and issue weak-kneed statements expressing a desire to see the Spanish people "peaceably" oust Franco. Beyond this, we will not go. The greatest nation on earth, the leader of the most powerful international organization in history, is afraid, apparently, of offending someone. Just who we fear is not quite clear — or perhaps it is, after all.

It would seem as though the Western powers fear Communism more than Facism. If the Falangists were overthrown, the new government would undoubtedly be Leftist in character, and the State Department seems to feel that the present Facism regime is to be preferred. It is to be deplored that Britain and the United States are more concerned with blocking Leftist moves than they are concerned with cleaning up the remnants of the forces which are responsible for the war.

### SUMMER SESSION

mer session. Dr. Chisholm, with the cooperation of Miss Zak, will have a course called Workshop in Language Arts. History of Canada is being offered by Miss Latta, and Miss Lieneman has the class of flowering plants on her schedule.

Several River Falls teachers and students were fortunate to be spectators of the Metropolitan Opera Company's performances of Mozart's "The Magic Flute" Saturday afternoon, May 4, and Puccini's "La Boheme" Saturday night at Northrup auditorium on the University of Minnesota campus.

The proposal by Australia, in the United Nations Security Council, to have a commission investigate Spain may prove to be the solution to the whole problem. However, one may wonder just how much freedom of action a body of foreigners would have in carrying on an investigation inside a sovereign state.

## RFSTC Baseball Team Defeats Stout and Eau Claire

Getting off to a slow start and losing its first two games against strong competition, the River Falls baseball squad bounced back to defeat Eau Claire and Stout on successive Tuesdays at the Ramer Field diamond.

Coach Sjowall's nine lost their first start to St. Olaf 20 to 1 in a game at Northfield. Poppy started on the mound for the Falcons and was relieved in turn by Picha and Demulling. The Falcon moundsmen developed a streak of wildness which helped to cause their downfall.

In their next game, River Falls took a 17 to 6 trimming from a strong Hamline club. The River Falls nine held a 4 to 1 lead going into the last half of the third but then the deluge came. Aided by 6 Falcon errors, Hamline rushed across 10 runs to sew up the ball game. Picha pitched the route for the Falcons and Miller went the route for Hamline. Home runs by Picha and Tracy featured the River Falls 10 hit attack.

The Falcons came through in their first home game of the season by defeating Eau Claire 12 to 11 in a thrilling encounter at Ramer Field on April 30. The game turned into a slugfest with first one club and then the other smashing into the lead. River Falls had an 11 to 9 lead going into the eighth but the Eau Claire team found the range on starting pitcher Ken Poppy and Don Horn came in to relieve. He promptly stopped the rally after two runs were scored Poppy, tying the game at 11 all. Horn set the Eau Claire nine down in the top of the ninth and with one out in the Falcon's half, he spanked a double to left. Coach Sjowall sent Jim Redmond in to bat for Vine and he picked on the first pitch, driving it into centerfield for a clean hit, scoring Horn with the winning tally. River Falls had 13 hits while Eau Claire banded out 12.

In a game featured by Don Horn's superlative 3 hit pitching River Falls trimmed Stout Institute by an 8 to 2 score at Ramer Field on May 7. The Falcons backed up Horn's fine pitching with a 12 hit attack against Roen, Stout pitcher.

### HUGE CROWD ATTENDS PROM

The Junior Prom, with "Moonlight and Roses" as the theme was the largest social event of the year with almost 200 couples attending. The Grand March, reduced to brevity because of the large number was led by lovely brunette Marguerite Baird and Eugene Wirz.

Popular music was played by Bob Wells in a setting of white trellises and rose and ivy adorned picket fences. Delicious fruit punch made the radius of the punch bowl an exceedingly popular gathering place.

The most unusual "happening" of the evening was the unorthodox weather. The outdoors was a levy of sleet and snow. This, however unliterally dampened no one's spirit.

Dr. Wyman will give commencement addresses at Hannibal, Maiden Rock, and Woodville in Wisconsin and at Henning, Illinois where he graduated from high school.

### CONCERT

with Millicent Skone, "I Would That My Love" by Mendelssohn. The well known "Polonaise" by Chopin will be played by Delores Payson, and "Scherzo", "Rhapsody", and "A Golliwogg's Cake Walk" by Shirley Wiff. Mary Ellen Pederson is singing "Maid of Cadiz", "The Last Rose of Summer", and "Villanelles".

To conclude the program the Women's Chorus will sing "L'Amour, Toujours, L'Amour" and the entire College Chorus will present "Through the Years" and "Ay Ay Ay", a creole song.

**STUDENT SENATE  
REPORTS ON  
YEAR'S ACTIVITIES**

Still laboring under the difficulties which have accompanied the transition from a war-time campus to a peace-time campus, this year's Senate has attempted to carry on as efficiently as possible a program of events comparable in scope to pre-war programs. The increase in enrollment has not increased proportionately the funds with which the Senate has had to work because of the fees which have not yet come in for veterans.

The year's work began with the drawing of a schedule for the organization meetings for the year and the appointment of such standing committees as the Assembly, Service Flag, Health, Athletic, and Party Committees.

The Party Committee headed by Marguerite Baird and financed by the Senate, is in charge of the entire social program for the year. It is this committee which plans and arranges all of the all-school parties on campus.

Major events of the year as Homecoming and the Winter Carnival are planned by a chairman who is appointed by the Senate and who in turn appoints committees to work with him and the Senate.

As the student governing council of the college, the Senate is receptive to student criticism as a means of improving conditions on the campus. One of the major projects of the first part of the year was concerned with the possibilities of a recreation room. Detailed plans were completed by the Senate-Faculty Committee but were rejected by higher authority.

The treasurer's books are audited by the Senate three times a year, once at the end of each term.

The latest undertaking of the Senate has been the sponsoring of a drive to raise \$150.00 for the purchase of Meleteans for the 45 Gold-Star families. The St. Patrick's dance was given for that purpose, and the drive is being carried on for volunteer donations from organizations and also from individual students.

At one of the last meetings of the year, the editors for the STUDENT VOICE and the Meletean are elected for the coming year.

As representatives of the student body, the Senate needs student suggestion and co-operation in order to increase its powers and abilities as the student governing agency.

ing in a body of this sort. With a greater assortment of students, there would be introduced new and progressive ideas which would add greatly to the functioning of our college.

I believe these candidates should be nominated by the student body from the floor of the assembly. In this way those who have potential abilities, recognized by some, would have a chance to acclaim themselves.

**"ELIJAH" IS  
HUGE SUCCESS**

Last Wednesday evening "Elijah" by Mendelssohn, one of the biggest musical productions given in R.F.S.T.C. for many years, was presented by the River Falls College Chorus, River Falls Combined Chorus, and the New Richmond Civic Chorus, accompanied by the College Orchestra and guest artists.

Due to the efficient management of Miss Cara Wharton who directed the Chorus and had charge of the staging, of Miss Ingwilde Pfitzner who conducted the orchestra, and of Mr. Lambert Orton of New Richmond, it was a tremendous success.

The College Chorus should be commended on their beautiful rendition of "Lift Thine Eyes" and "Cast Thy Burden Upon the Lord". The songs were examples of what can really be accomplished with a great deal of work.

The soloists were all very good, especially Rev. Carlyle Holte with his interpretation of Elijah.

Miss Wharton wants to thank all who helped make it a success; singers, players, and producers.
