

(Story on page 2)

WISCONSIN STATE COLLEGE
MONDAY, FEBRUARY 14, 1955 RIVER FALLS, WISCONSIN VOLUME XLI NUMBER 12

Winter Carnival Begins Friday, February 18

Pulitzer Prize Winner Coming February 21

Thornton Wilder's Pulitzer Prize winning comedy "The Skin of Our Teeth" will be presented here on Monday, February 21, at 8 p.m. in the North Hall auditorium. The production is being staged by The Touring Players Company. This drama group is now on its ninth successive nationwide tour. They are sponsored by ANTA (American National Theatre and Academy).

Before they started on their present tour, The Touring Players Company made their television debut on OMNIBUS.

Called, "a minor miracle" by the Saturday Evening Post, The Touring Players Company was organized overseas in 1946, and since that time it has produced as a group, 43 plays.

Philip Hamburger in THE NEW YORKER wrote "OMNIBUS is to be congratulated for presenting the Touring Players Company in their sensitive production".

H. V. Kaltenborn, news commentator, sent this note to the Company: "I have never written a fan letter before but I had to say . . . what a wonderful show. Superbly acted . . . I wish the Touring Players Company would do it again!"

The current national itinerary of the Touring Players will take the Company to 30 states, with Peg Murray, Roger Starr, Elizabeth Blake, Robert Donley and Richard Merrell starring in the productions. (On their tour they are also doing Shakespeare's "The Winter's Tale".)

This performance is one of the regular Concert-lecture series offered by the College; and paid for by student activity tickets.

Band To Give Concert At Somerset Feb. 17

The band is currently preparing for a concert to be given at Somerset, Thursday evening, February 17. The program, to be presented in the Somerset High School auditorium will include "Headlines" and "Street Scene" along with other popular concert band arrangements of modern American compositions.

Most unique on the program will be a number featuring a four piece dixie-land combo with the band. This number called "The Southern Four" will also be on the program when the band gives its Winter Quarter assembly concert here at the college.

"SITZMARKERS" have the problem of getting to the top, well in hand, as they make use of the Club operated tow on the mound. First in line is Claire Richardson, winter carnival king. "Sitzmarker" Dick Zamjahn follows.

YOU CAN ENTER TALENT SHOW

A number of entertaining acts have already been signed up for the coming F.F.A. Talent Show, to be held Friday night, but there is still room for anyone who wishes to participate announced Tom Calvert, of the program committee.

"There is lots of talent in this college and we urge those interested to register now. You may do so by signing the registration sheet as soon as possible" says Calvert.

One-half of the proceeds from the Talent Show will go toward the new Student Union.

The judges will select four winners: first prize of ten dollars; second prize of five dollars; third prize of three dollars and a five dollar prize will be awarded to the act judged "most entertaining".

Dick Passon will be the master of ceremonies for the evening.

There is a short meeting scheduled for everyone planning on participating in the talent show. The meeting will be Tuesday, at 6 p.m. in room 121 South Hall.

"Go To College Day" Will Be February 24

HIGH SCHOOLS TO VISIT RF

Thursday, February 24, has been designated as "Go To College Day" at Wisconsin State College at River Falls. This will be the sixth annual session at which time the college has played host to hundreds of high school students who are considering college, and to the guidance personnel of their schools.

The purpose of this special day is to acquaint high school students with college life as it actually is, to show them a college in action, and to help them make up their minds if college is for them.

Visitors to the campus on this day will see a brief program featuring some of the organizations of the college, have an opportunity to meet with various faculty personnel to discuss vocational interests, and see classes in action.

It is the aim this year to open this day to all students who are interested in college at this time, regardless of their current class standing in school. In the past, this day was given over exclusively to seniors from high schools.

(Continued on Page Four)

A TOAST WITH SKI POLES TO AN ENJOYABLE WINTER CARNIVAL is made by Winter Carnival King, Claire Richardson, senior from Watertown, and his Winter Carnival Queen, Sylvia Anderson, sophomore from Wheeler.

They will be crowned during the F.F.A. Talent Show, Friday night.

YM-YWCA Elect Officers To Serve Next School Year

The River Falls Branch of the National Collegiate YMCA and YWCA recently elected their new officers to serve until the spring of 1956. The new elected posts of the Y cabinet were filled by: Eleanor Ford, President; Jenny Sue Garnett, Vice-President; Donna Proue, Secretary; and Richard Pederson, Treasurer. The other appointed cabinet positions were recently filled by the retiring cabinet. The election took place at the February 1 meeting, with retiring President Ron Jensen in charge.

Also at the February 1 meeting the group heard Major Ransom give a very thought provoking, and inspirational talk on the work of the Governor's Inter-racial Commission of Minnesota.

Major Ransom is a member of the commission, and stated that the purpose of the group is to educate the people of this area in the democratic, Christian way to accept and understand any minority groups we may encounter.

The group enjoyed coffee and doughnuts at the conclusion of the talk, and looked ahead to more meetings of this nature, which are open to anyone on campus.

The "Y" will sponsor an observance of the Universal Day of Prayer for Students in the near future, and will arrange some type of program for Brotherhood Week, in conjunction with the Newman Club.

Governor Kohler Calls For 58 Million Dollar Tax Increase For State Needs

Rural Art Show Open To RF Students

Artists from the rural areas of Wisconsin will get a chance to show their work during the "Rural Art Show", to be held here March 27 through April 2. So far, nine counties will be represented in the show. (College students are also eligible to enter).

This art show is under the joint sponsorship of the Pierce County Agricultural Extension Office, the Wisconsin State College at River Falls, the Pierce County Office of Superintendent

(Continued on Page Four)

Governor Kohler on Tuesday of this week asked the Wisconsin legislature for a \$58,000,000 tax increase, to meet the needs of the people in adequate manner. He asked the legislators to approve a \$268,859,000 spending program over the next two years. The chief executive readily admitted this could not be done without additional tax revenues. To provide the needed additional revenue, Gov. Kohler mentioned a surtax, or an increase in the basic income tax structure.

In his message, the Governor said "our state is in excellent financial condition". He also stated: "Our economy is sound, our future is bright and we can look forward with confidence".

BEARD JUDGING STARTS FEST 10 A.M., N. HALL

King To Be Crowned At FFA Talent Show

by William Beck

The 1955 Winter Carnival, (with real snow this year), will open at the 10 o'clock assembly in North Hall on Friday, February 18 when the beard growers on campus start off the affair by displaying their shaggy locks to the three "beard experts" on the College faculty: Paul Peterson, Publications advisor; Miss Levin, Director of Women's Athletics; and Gilbert Smith, of the Social Science department. A \$5 prize will be given for the "heaviest" beard and a \$3 prize will go to the proud owner of the "most unusual". (Beard, that is).

Girls Basketball Game
At 11 a.m. there will be a girls basketball game between some of the greatest "stars" on campus, such as Jan Olufson, Mary Murphy, Natalie Vanderhoff, Mariys Meentz and many others.

Snow Figure Building
From the basketball-court the Carnival fun will proceed to the "Snow-Figure Building Event." All organizations are urged to enter this event in competition for the \$5 and \$2.50 prizes. Judges of the event will be the Winter Carnival Committee, Dory Lindemann, Mary Murphy and Salley Dickenson.

Skating Party
At 3 p.m., students are asked to meet in the cafeteria to embark on the skating party. Arrangements will be made there for transportation to the rink.

F.F.A. Talent Show
The F.F.A. Talent Show will start the evening's entertainment at 8 p.m. in the North Hall Auditorium.

The official coronation of the Winter Carnival King will be held during the talent show. (No competition intended).

Dorm Dance
After the talent show there will be a dorm dance in Hathorn Hall, from 10 p.m. until 1 a.m. Music will be by request (providing, of course, that they have your favorite record).

Bowling Tournament
Saturday's activities start in the C & S bowling alley where a men and women's tournament will be held, separately. Prizes will run \$4 for high single score; \$2 for second and \$1 for low single. It is still not too late to sign up for the bowling tournament. Anyone wishing to, may do so in the cafeteria.

Tobogganing and Skiing
The outdoor activities get in full production at 1 p.m., under the direction of the "Sitzmarkers" Ski Club. Tobogganing and skiing will challenge the amateur and experienced on the snowy slopes of some "rabbit's homeland" in a near-by area. "Outdoors-men" are asked to meet in the cafeteria for transportation to the snow area.

Warm-up at Hathorn
At 4 p.m. there will be a warm-up at Hathorn Hall which will include "de-icing" (depending on the weather), and a supper, sponsored by Sigma.

Stout Game
Stout invades the local court for a round of basketball at 7 p.m.

During the half-time, winners of the various contests held throughout the Carnival will be announced. King Claire Richardson and his queen, Sylvia Anderson will be introduced to the crowd.

Dance in North Hall
At 10 p.m. the day's activities will be rounded off by the Winter Carnival Dance to be held in the North Hall gymnasium. Admission to the dance is by your Winter Carnival button. Music

The Editor Speaks ???

No Malice Intended

LOOK FORWARD!

Shortfellow

Does Winter weather trouble you;
And sharp winds chill you through?
Does this drab season leave you cold
Until green Spring is due?

Still absent at the leave of green;
By vernal rains unbidden,
And omens of that Spring to come
By Winter's shades are hidden.

But yet, look forward! You can see
Beyond the falling snow,
The Spring, ordained to substitute
For Winter, soon to go.

In lieu of bare and snowy twigs,
Bright flowers will suffice;
And lily pads upon the ponds
Will take the place of ice.

Look forward! Hear the song of birds
The vibrant Spring announcing;
And smell the fragrant, rain-washed air
The Winter's gloom renouncing.

If you're still lost amidst the snow,
Not sure how you'll get through it;
Just try this method, if you will—
Look Forward . . . And you'll do it!

Student Senate Minutes

February 7, 1955

The meeting was called to order by the president, Richard Wells. The secretary's minutes were read and approved.

Allan Kind reported that he had contacted Mrs. Wyman to design a decal to distribute to students.

Larry Henneman moved that the faculty be known as associate members of the Senate to make them eligible to be covered by the Continental Casualty Company insurance. The motion passed.

We suggested hiring students to shovel the sidewalks. Allan Kind volunteered to present our plans to President Kleinpell.

A note of acknowledgement for a floral remembrance to Miss Marion Hawkins' mother was read. A check was enclosed for twenty-five (\$25) to be used for new books in the browsing room of the library. We decided to submit it to Mr. Harris, chairman of the library committee.

A letter from Mr. Rozehnal concerning recommendations for notices, posters, and bulletin boards was read. We suggested having the Senate own some movable bulletin boards to be checked out for campaigns, and a large bulletin board in the entrance of the union for other notices.

DeWayne Meyer moved that the president appoint a committee of three to meet with Mr. Rozehnal for suggestions concerning the bulletin board situation. Larry Henneman, Jenny Sue Garnett, and Gerald Johnson were appointed to serve on this committee.

We began to lay plans for tours for "Go To College Day." Senate members will act as guides. We also discussed having a dance and coke hour for visiting high school seniors.

The meeting adjourned.

Secretary,
Kathie Miller

Letters to the Editor...

DEAR EDITOR,

The new library contains a room labeled "Faculty Lounge". We understand that this is a very pleasant room, beautifully appointed. However, we cannot vouch for this description; we have never had the chance to enter it. Hour after hour, it is locked. We hope that the inspectors and others with access to the lounge will occasionally drop us a word of two about the pleasure of lounging in a Faculty Lounge which is off limits for the faculty.

Signed,
Faculty members,
(minus those with access.)

MUSIC LISTENING ROOM

Week of February 14th-18th

The Music Listening Room in the Chalmers Davee Library will be open during the following periods the week of February 14th.
Monday, 11:00 a.m.; Tuesday, 3:00 p.m.; Wednesday, 2:00 p.m.; Thursday, 9:00 a.m.; Friday, 10:00 a.m.

Music students will be on hand to instruct interested students in the use of the equipment and to operate the High Fidelity Phonograph.

OFFICIAL NOTICE

English for foreign students will meet hereafter in the English office Thursday at 1 p.m.

"The fool doth think he is wise, but the wise man knows himself to be a fool."—Shakespeare.

"Men's thoughts are much according to their inclination, their discourse and speeches according to their learning and infused opinions."—Bacon.

THE FIRST BUILDING ON CAMPUS, which was South Hall and was constructed in 1874, was destroyed by fire in 1897.

Pioneering Spirit Reflected In Story of South Hall Dates

by Chuck Brill

1874-1898, these dates appear above the entrance to South Hall.

Although many students occasionally glance at these dates, few are acquainted with their historical significance. Literally speaking these dates 1874 and 1898 are "cornerstones" in the history of the college.

Most of the earliest steps in the movement for securing the Normal school go beyond the range of any collected references. The preserved files of the River Falls Journal do not go backward any farther than 1872.

As early as 1870, citizens of the St. Croix Valley began agitation for the location of the fourth State Normal School in this section of the state. In order to secure the location of the school in this section of the state, the citizens of the village of River Falls and surrounding communities offered inducements to the Normal Board of Regents to locate the school at River Falls. An act was passed by the State Legislature in 1870 authorizing the issue of bonds for the purpose of building the school on the desired location.

Original Site Given

The original site for the River Falls Normal school was given to the state by interested citizens in 1874. This plot of ground comprised about ten acres, the present South Hall campus. The contract was let in January, 1874 and upon this site on Cascade was constructed the original

building which was completed in time for the opening of school in September, 1875.

Fourth Normal School

It was the second day of September 1875 that the fourth Normal School in the state was dedicated. It was an occasion long to be remembered, it having now become a matter of state as well as local history. It was a day of pride for River Falls for Pierce county and for the St. Croix Valley.

Fire Broke Out

On November 29, shortly after 8 p.m. fire broke out in the Normal building, in the chemistry lab on the third floor. Realizing that attempts to put out the fire were futile, the crowds entered the main corridors and began carrying out armfuls of books from the library or pictures and statuary from the art rooms. Students in organized groups looked after the belongings of their favorite professors, and most of the teachers' desks and possessions were saved.

People Offered Homes

The morning after the fire the citizens called a meeting, to devise ways and means of continuing school. The people of River Falls offered their churches, lodge rooms, and any other buildings in the city for the use of the school. Thus the school was continued during the year without the loss of a single student and but one-half day's school.

Rebuilding here, Fought

Immediately upon the loss of

the original building, sentiment against rebuilding at River Falls was expressed throughout the state. It was no secret at the capital that the Governor did not favor its rebuilding and that this feeling was shared by the Board of Regents. Eau Claire conducted a vigorous campaign for its removal to that city and strongly urged such action upon the Board. It was under these conditions that a special meeting of the Board of Regents of Normal Schools was held at Madison, December 22, 1897, for the consideration of the question of rebuilding.

Eight votes for River Falls, this was the message from the Board of Regents in Madison, giving River Falls eight of the ten votes and the State approval to rebuild the college.

There followed a hot time. The news was immediately telephoned to various points about town, the whistles began to blow and the bells to ring. A crowd gathered at "flag staff corner" where an immense bonfire was already ablaze. In ten minutes the celebration was in full force; the students yelled in chorus, rockets and roman candles went up by the dozens and blunderbuss cannons thundered in the adjoining alleys. Hundreds of people joined in the celebration.

President Warre Parker, first president of the school, pointed out, the fact that the school returned to River Falls, was due to two things; first, River Falls was a decent town, second, the school has always done meritorious work.

New Building Better

In 1898—the present South Hall was constructed close to the site of the old building. The fire of November 1897, though a serious inconvenience for the time, proved advantageous in affording a better building than the previous one; the new building was opened September 6, 1898.

People Went To Work

The dates 1874 and 1898 represent more than historical "cornerstones". The construction of these buildings became a reality through the combined cooperation of interested people. People who looked to the future and then rolled up their sleeves and went to work. Although the task appeared impossible, they always accomplished what they started; however, construction was a little different then. They built with stone and mortar instead of red tape and appropriations.

AROUND THE CAMPUS

VETS MEETING

There will be a meeting of all veterans on Tuesday, February 15, at 7:15 p.m. in the River Falls armory.

There will be a regular meeting and the social committee will start work on the "Children's Day" program.

Veterans will also sign their monthly eligibility certificates at this meeting. All vets are requested to be present.

L.S.A. VALENTINE PARTY

There will be a Valentine's party, sponsored by L.S.A., on Tuesday, February 15, at 7 p.m. in the basement of the Lutheran church.

The party will include a scavenger hunt, song-fest of popular songs and lunch.

Everyone is welcome to attend.

UNFORTUNATE COINCIDENCE

"By the time you swear you're his, Shivering and sighing,
And he vows his passion is Infinite, undying—
Lady, make a note of this:
One of you is lying."—
Dorothy Parker

SKI CLUB MEETING TUESDAY

There will be a meeting of the "Sitzmarkers" ski club on Tuesday, February 15. Watch the general announcement bulletin board in South Hall for time and place.

At the meeting, there will be a discussion on the activities that the "Sitzmarkers" are to sponsor for the Winter Carnival next Saturday afternoon. After the discussion there will be a movie entitled "Snow Rangers".

"To know that which before us lies in daily life is the prime wisdom."—Milton.

Prof. Junkman Given Honorary Membership Into Kappa Delta Pi During Banquet

The members of Kappa Delta Pi, honorary scholastic fraternity for students in Education selected Professor Glen Junkman for honorary membership at their banquet here Wednesday night. Dr. Kettelkamp, guest speaker, spoke on the dangers to intellectual freedom for scientists

from the factors making for conformity in the United States. His speech was followed by an address from Mr. Junkman on his teaching experiences. The meeting was closed with a decision to invite eligible pledgers to the next meeting.

PROF. GLENN JUNKMAN RECEIVES HIS HONORARY MEMBERSHIP into Kappa Delta Pi, national honorary scholastic fraternity, during a recent banquet given in his honor by the fraternity.

Attaching the fraternity pin is Charles Schindler, senior from Hendall. Seated is Mrs. Junkman.

Falcons Face Lowney and Co. of Stout Feb. 19, Battle With Improving St. Cloud Team Feb. 21

After playing Platteville and Oshkosh on successive nights last week, the local boys are little better off in their schedule as they face Stout and St. Cloud in three nights.

Stout, paced by the sharp shooting guard, Rog Lowney, is a ball club which has yet to realize their full potential. The majority of the players are young, and except on rare occasions, haven't been able to find the range to help the consistent Lowney. River Falls fans will remember last year's Stout game at Stout, in which Lowney had everyone on the edge of their seats with his deadly and accurate sniping from out court.

The St. Cloud team, going against the Falcons on February 21, what many observers would call "rugged aggregation." They have had two close games with Eau Claire this season, and generally have been doing better than when the Falcons ran up over the century mark to beat them in the fourth game of the season here at RFSC.

Swimming Team Forms

Tryouts for the competitive and intercollegiate swimming teams will be held Friday, February 18, at 2 p.m. in North Hall pool. These groups, which will participate in meets with Wisconsin, and it is hoped, Minnesota schools, will consist of both men and women, and will provide competitive racing events and synchronized musical swimming.

A rigorous training schedule will be followed to get swimmers ready for competition, and Miss Levin, team instructor, states that candidates who show most rapid improvement and adaptability, will participate in meets this spring. It is hoped that many students will turn out for this new extra-curricular activity which is being introduced on our campus. Your help will be appreciated.

50 million times a day at home, at work or on the way

There's nothing like a

1. PURE AND WHOLESOME... Nature's own flavors.
2. BRIGHT, EVER-FRESH SPARKLE... distinctive taste.
3. REFRESHES SO QUICKLY... with as few calories as half an average, juicy grapefruit.

SPORTS W. R. A.

By Sally Dickenson

The girls basketball tournament started last Monday, February 7. The first game matched the Freshmen "Froshies" with the Sophomore "Foxy Loxies." The "Loxies" skinned by with a slim-margin final score of 20-17. LaVon Thompson held high point honors for the "Loxies" with 16. The half time score was 10-7 in favor of the "Loxies". Nancy Yira led the "Froshies" with 8 points.

The second game saw the "Little Red Owls" (sophomores) battle it out with the "Bar Room Bouncers" (juniors). It was a game with ne'er a dull moment. Half-time score was 10-9 favor of the "Bouncers" but during the third quarter the "Little Owls" came from behind to lead 20-17. It seemed like the "Little Owls" couldn't stop Jan Olufson under the basket. Jan was high scorer with 20 to her credit. The juniors didn't have a snap though for fast moving Natalie Vanderhoof covered her share of the court, connecting a total of 11 points.

GIRLS BASKETBALL EXPLAINED

Girls basketball is a two-court game played by two teams of six players each, three forwards and three guards. One half of the court is the playing area for the forwards and their opposing guards. The ball is passed, thrown, batted, bounded, or rolled from one player to another. The purpose of each team is to get the ball into its own basket and to prevent the other team from securing possession of the ball or scoring. The girls use what is termed the limited dribble which consists of giving impetus to the ball only two times before catching the ball. Watch for the limited dribble and the team work necessary to move the ball down

court.

Girls sports are promoted purely for the satisfaction gained by the participants. Inter-school competition has been discouraged for it was felt that only a few select players would get the opportunity to participate. The scores in the girls games do not run nearly as high as boys games. This is mainly due to the fact that sports are not emphasized for girls.

We encourage the fellas to come and watch on Monday nights but we feel there is no need for cat calling or booing. If this is practiced the gym will be closed to all but the players. We feel that by watching, the fellas can gain an understanding of the girls game.

"I MADE IT!" says Claire Richardson, president of the "Sitzmarkers" club. ("Sitzmarker" means marker in the snow made by a fallen skier.)

Falcon Fanfare

by Bill Brandt

One of the main reasons why the Falcons rank first in the W. S.C.C. is Clarence "Cabby" Wild. His defensive play throughout the year has bordered on the point of sensationalism. More than one star of an opposing team has found his point average cut sharply after meeting Wild and "company".

Although defense is his specialty, Cabby is also a top scoring guard and is capable of contributing that "clutch" basket when it is most needed. It was his basket in the last 10 seconds that spelled the margin of victory over Whitewater State.

Cabby's athletic activities are not confined exclusively to basketball. Along with the three letters he has earned in basketball, he has also earned three emblems as an outfielder on the Falcon baseball team.

Cabby, who is from Medford, Wis., is 21 years old, 5'11" tall and weighs 175 pounds. His favorite hobbies, other than his nightly walk to the dorm, are eating and sleeping.

Wild

Falcons Roll Platteville 91 to 86, Then Trounce Oshkosh 89 to 74 Stay In Lead With Eau Claire

by Tom Benson

In another close contest the Falcons won a big game from Platteville as they rolled to a 91-86 victory. It was a replay of last year's "hog rattle" at Platteville as the game was rough and two technicals were called on the Platteville bench.

The Falls jumped off to a quick 5-0 lead and were never headed. However, the hometowners could never get over a 12 point lead and it was usually about six. Dave Herum in playing the finest half a ball game of his career garnered 19 points and hit on eight of 10 attempts from the field as the Falls led 48-43 at halftime.

Bob Williams scored off the tip play to open the second half and the Falls jumped to a 50-43 lead. Then the visitors put on a determined drive and closed the gap to 57-55 only to see the Falcons pull to a 65-57 lead with 8:20 gone in the half.

With 4:30 left the Pioneers had closed the gap again and the score stood 80-76. Then with Zeke Wells dumping seven of the last 11 points the Falcons won going away 91-86.

The Barth coached men showed a very good "wheel" type of offense. They were deadly from out on court as they hit consistently. They showed good coaching and need only a center to be dangerous.

Credit should be given to officials Haley and Hesselman as they called a good game. It is impossible to call a real good game on the small Falcon court but they did very well considering the handicaps.

In the preliminary contest the Falls Frosh and third string defeated the Hastings National Guard 62-58. Even with two Minnesota greats Bob and Dick McNamara playing for the Guards they could not win. However, the game was close all the way and was decided with only 30 seconds to go as Al Forsythe dropped two free throws and Charles Grupe added the clinching bucket.

YOUNG DEMOCRATS RECEIVE DONATIONS

Members of the College Young Democrats organizations attended the monthly meeting of the Senior Democrat party of Pierce county. The meeting took place at the River Falls City Hall on February 8. A donation of \$25.00 was given to the President of the Young Democrats, to be used for the 1955 Young Democratic convention at Madison.

The convention is to take place at the Memorial Union of the University of Wisconsin February 25, 26 and 27.

The guest speaker at the meeting was Mr. Ward, candidate for State Senator.

by Ron Jensen

In the second game of the big doubleheader week-end, the Falcons emerged victors by a 15-point margin over a game, but outmanned, crew from Oshkosh. The pair of wins, over Platteville and Oshkosh, kept the local cage crew in a tie for first place with Eau Claire.

River Falls was led by Cabby Wild's 24 markers, as four players hit in the double figures. Reserve center, Bob Hubert, playing one of his best games in a Falcon uniform, had 20 points as did Bob Williams, followed by Wells with 11.

Oshkosh also had four members of their team in double figures, led by Spaulding's 22. Butrymowicz had 15, Wippich 14, and Tiedemann 14 to pace the visitor's attack.

The Falcons started fast and jumped to a 17-7 lead and maintained that ten point lead throughout most of the first quarter, and by half time had increased it to 20, as they lead 49-29. That 20 points was the biggest spread of the game, and the boys from down south cut it to ten at 80-70, but were never any closer in the last half.

STUDENTS MAY USE MUSIC LISTENING ROOM

Students interested in using the new music listening room will have an opportunity this week to have help in learning to operate the ear phone and high fidelity turntables. Students who have had experience in the operation of these machines will be on hand one hour each day of this week to give help to those who need it.

The hours that this service is available are as follows:

- Monday at 11 a.m.
- Tuesday at 3 p.m.
- Wednesday at 2 p.m.
- Thursday at 9 a.m.
- Friday at 10 a.m.

The room has been in full-time operation for over a week and many students have already taken advantage of its excellent listening facilities.

Bowling League Formed

Under the leadership of Gene Luebker a new bowling league is being formed. This new league came about when the intramural season came to an end with the "roll-offs".

According to Luebker, teams will be composed of six men, with five bowling and one man setting pins. Bowling will start at 4 o'clock and only two lines will be bowled. Otherwise points will be given for each game and for total pins.

Anyone wanting to get on a team or enter a team in the league should see Luebker. Further information can also be had from him.

The new bowling league started last Tuesday. Roll-offs for team positions in the A and B leagues were held on February 8th and 10th. The four high teams will be in the A league and the four low teams in B league.

To date there are eight teams entered and six men on a team. The bowling will be at 4:00 on Tuesdays and Thursdays. At the end of the season there are plans for roll-offs between the first place teams.

This afternoon, Monday, there was a final meeting held to plan the schedule and iron out all difficulties. Officers were elected.

BOWLER OF THE WEEK

Woman bowler of the week was Betty Ryan, freshman from River Falls, who bowled a score of 157.
